

# "THE 7 REGENERATIVE DAYS"

These "7 Regenerative Days" (found in Genesis, Chapter 1:3 to Chapter 2:4) were not Days of 24 hours as we are accustomed to measuring time today!

>> These were "DAYS" known only unto the Lord Himself! <<

>>> Each of these particular "7 Regenerative Days" (Stages or Periods) equal a TIME SPAN of 1,000 Years! <<<

This is what Apostle Peter was giving reference to in II Peter 3:8 - "But Beloved, be not IGNORANT of this one thing, that ONE DAY IS with the Lord as a 1000 YEARS & a 1000 YEARS as 1 DAY!" Another important fact found in the Ancient Writings of the ANTI-Nicene Fathers (Polycarp & Irenaeus, etc.) in the early Apostolic hours of the 1st and 2nd Centuries - Those early writers declared that the "7 Regenerative Days" found in Genesis 1:3-31 were Days consisting of a DURATION OF 1000 YEARS EACH!

We also find in Genesis 2:4, after God finished Regenerating (recycling or renewing) our Planet from the FORMER ICE AGE JUDGMENT, it says following the Sabbath Rest: "These are the GENERATIONS of the Heavens and of the Earth when they were created in the DAY that the Lord made the Earth and the Heavens!" (Genesis 2:4)

Furthermore, as we read in Genesis 2:4 - The KEY WORD here is "GENERATIONS!" This word, G-E-N-E-R-A-T-I-O-N-S, which means the "History of" is revealing a MUCH LONGER period of time than just 7 days of 24 hours. But in actuality, each Day (or period) represented a 1000-year span of time.

In Genesis, Chapter 1, we continually see the expression used: "And this was the EVENING & MORNING of the 1st, 2nd, 3rd Day," and so forth.

You must always keep in mind, these 7 Regenerative Days (or Stages), in which God was bringing the Earth out of this ICE AGE JUDGMENT, the word here, "EVENING," symbolically signifies that:

God was taking the "N-e-g-a-t-i-v-e" OR DARKENED & VOID STATE the Earth was in,  
And when God has COMPLETED His Objective .....  
As the Earth Finally Reached the "P-o-s-i-t-i-v-e" CONDITION:

>>> "IT WAS MORNING!" <<<

In addition, we must again keep in mind the word, EVENING, in this Scriptural setting is pointing to the "D-a-r-k Side" of the object being dealt with, and the MORNING speaks of the "L-i-g-h-t Side" of what God is dealing with --- Which was the Planet Earth coming out of its JUDGED CHAOTIC STATE!

God always begins to improve on something that is in a DARKENED, GLOOMY OR DETERIORATED CONDITION, and then changes the Picture! He does not start with it when it already looks perfect and beautiful and works on it until it becomes worse! Of course not! Because God is the "Greatest Scientist!" of all!

That is what you will see here in these "7 Creative Days!" In fact, the Planet Earth was already here in Genesis 1:1 (created some 4 1/2 to 6 B-i-l-l-i-o-n Y-e-a-r-s A-g-o), and the same Glorious Sun & Moon, which shone upon the Prehistoric Age Period, is the SAME EXACT SUN found in Day #4, when God set TIME IN MOTION (in relation to Our Planet) by the Sun & Moon to regulate the Earth's Seasons, Days (of 24 hours) and Years.

These 7 Days were not the INITIAL or ORIGINAL CREATION of all the atoms and elements, etc. NO! It was just a case of God RENEWING OR RECREATING the Earth --- Bringing it into a PERFECT CONDITION and CLIMATE where He could use it again. However, this time, He is going to put His own Son and Daughter upon it to enjoy its Beauty and Splendor! In Genesis 1:1, we find this statement written!

>>> "IN THE BEGINNING GOD CREATED THE HEAVEN AND THE EARTH!" <<<

At this particular time (some 4 1/2 - 6 Billion Years ago), our Planet had the PERFECT CLIMATE being very green and fertile, filled with beautiful trees and vegetation with NO Polar (North & South) Caps! BUT --- After Verse 1, we observe an ENTIRELY DIFFERENT PICTURE found in Verse 2!

Something terribly chaotic and horrendous has HAPPENED between Verses 1 & 2! We find the Earth now being WITHOUT FORM & VOID and DARKNESS was upon the Face of the Deep (Space)! This was not the condition of the Earth when God first created it! This was the "Ice Age Judgment" caused by SATAN'S TESTING AND FALL, which occurred during the Prehistoric Period or AGE, which is another subject.
