

The God of all Comfort

*When angry storms around me rage,
Life's greatest trials I must face,
My ship is tossed, seems all will be lost,
Then the God of all comfort, speaks peace to my soul.*

Chorus

*When the God of all comfort,
speaks peace to my soul;
Rough seas are calmed,
the winds cease to blow.
No matter how dark may be the night,
everything will be alright;
When the God of all comfort,
speaks peace to my soul.*

*When a broken heart leaves me hurting inside,
Like rain my tears, fall through the night.
His voice I hear, "There's no reason to fear,"
When the God of all comfort, speaks peace to my soul.*

I will abide

*I will abide in the shadow of the Almighty
I will lean on His everlasting arm.
I will rest in the blessed rock of ages
Assure that in His shadow I am save from harm.*

*I will not lean to my own understanding
I will not trust in man's philosophy
When my world is wrecked by confusion*

I'll run to the refuge of my knees.

*He said He will be the light, that lights my pathway
Time and time again He has proven true
An ever present help in my troubled days
Exactly what He said, that's what He'll do.*

Hold to God's unchanging hand

*Time is filled with swift transition,
Naught of earth unmoved can stand,
Build your hopes on things eternal,
Hold to God's unchanging hand.*

Refrain:

*Hold to God's unchanging hand,
Hold to God's unchanging hand;
Build your hopes on things eternal,
Hold to God's unchanging hand.*

*Trust in Him who will not leave you,
Whatsoever years may bring,
If by earthly friends forsaken
Still more closely to Him cling.*

*Covet not this world's vain riches
That so rapidly decay,
Seek to gain the heav'nly treasures,
They will never pass away.*

When your journey is completed,

*If to God you have been true,
Fair and bright the home in glory
Your enraptured soul will view.*

I Just Steal Away

*Every time I do a deed I should not do
Every time I say a word I should not say
Let me tell you what I do
And it brings a blessing to
I just steal away somewhere and I pray*

*I just steal away
I just steal away
And I ask my blessed Lord to lead the way
I just steal away
I just steal away somewhere and I pray*

*Often times I'm made to bow my head in shame
At some idle thought or deed along lives way
But I never am ashamed of my saviours precious name
I just steal away somewhere and I pray*

*I know God will hear and answers prayer
If I thank Him for His blessings everyday
When I'm burdened down with grief
He will give my heart relieve
When I steal away somewhere and I pray.*

He was there all the time
Time after time I was searching
for peace in some void
I was trying to blame all my ill's
on this world that I was in.
Surface relationships used me
until I was done in.
All the while someone was begging
to free me from sin

He was there all the time
He was there all the time
Waiting patiently in line
He was there all the time

Never again will I search for
a fake rainbows end.
Now that I have the answer
my life is just starting to rhyme.
Sharing each new day
with Him is a cup of fresh life.
Oh what I missed He was there all the time.

There is a Heaven to gain
There's a Heaven to gain and a Hell to shun
The way is still straight, there's a race to be run
you can live as you please but you must pay the cost
The highway to Heaven Still goes by the cross.

The Eastern Gate

*I will meet you in the morning
Just inside the eastern gate
SO be ready faithful pilgrim
Lest with you it be too late.*

CHORUS

*I will meet you (in the morning)
I will meet you (in the morning)
Just inside the eastern gate over there
I will meet you (in the morning)
I will meet you (in the morning)
I will meet you in the morning over there.*

*If you hasten off to glory
Linger near the eastern gate
For I'm coming in the morning
So you'll not have long to wait.*

*Keep your lamps all trimmed and burning
For the Bridegroom watched and wait
He'll be with us in the morning
Just inside the eastern gate*

*Oh the joy of that glad meeting
With the saints before us wait
He'll be with us at that meeting
Just inside the eastern gate.*

1. *Ich sucht' ich sucht' und fand doch nicht
hier in der Welt, was mir gebricht,
ich sucht' in der Vergänglichkeit
mein ew'ges Heil, die Seligkeit;
doch, liebste Seele, diese Müh'
erhielt doch ihren Endzweck nie.*

2. *Ich lebte in der Eitelkeit
und hatte in mir keinen Streit,
doch aber meint ich Jesum dar
zu finden ohn' das Kreuze gar.
Ich meint', ich könnt' hier in der Welt
so leben, wie es mir gefällt.*

3. *Und könnte Jesum haben doch,
so lang' ich hätt' den Glauben noch.
Mein Glaub' war schon im dunklen Schein,
und doch meint' ich ein Christ zu sein,
ob auch zu Zeiten mir einfiel:
ach! das ist nicht das rechte Ziel.*

4. *Dann suchte ich mit groß Beschwer
und irrete bald hin und her;
ich sucht' in Menschentröstung Grund,
weil lieblich redete der Mund;
doch wenn es alles war vorbei,
so war es bloß nur Heuchelei.*

5. *Die groben Sünden mied ich schier
und sucht' zu tödten die Begier;
jedoch ohn' Christo, ohn' Verstand
blieb ich noch fest an Menschentand,*

*worinnen ich ergötzte mich,
und war so todt lebendiglich.*

*6. Bis ich von Menschen gar abging,
und mich allein an Jesum hing,
und suchte bei Gott Hilf und Rat
mit Bitt' und Flehen in der Tat;
ich suchte von mir selbst auszugehn
und bloß in Christo zu bestehn.*

*7. Zu finden Trost und Seligkeit,
durch Christi Blut mir zubereit't;
und wie ich herzlich und getreu
ihm diene ohne Heuchelei,
wie ich mich so zu Gott hinwandt',
ich Christi Leben in mir fand.*

*8. Der mich im Geist lebendig macht',
und so den Seinen zugebracht',
er zünd'te an sein' Lieb' in mir,
die heil'ge Lieb', und rein Begier,
und macht' den Glauben stark in mir.
Mein Jesus, ach, ich danke dir!*

*9. Leit' ferner mich nach deinem Will',
daß ich das Gute stets erfüll'
und tu allein, was dir gefällt,
so lang' ich leb' in dieser Welt;
und wenn ich scheide aus der Zeit
gib mir aus Gnad' die Seligkeit.*

10. Ich bitt', o Vater! mich erhör',

*Jesus! durch deinen Geist mich lehr',
o heil'ger Geist! du mich erfreu'
und gänzlich mich durch dich verneu',
damit ich mit der frommen Schaar,
dich großer Gott! lob immerdar.*

I always longed to have a conversation on salvation and on Monday the Lord began to deal with me on salvation. I know that we have heard it so many times, but with all this confusion out there now, it makes things so complicated. This one person said there are many roads that lead to God, but there is only one and that is Jesus. In this world of confusion, that we are living in right now, everyone has their opinion out there about salvation, but you have to go back to the Bible especially in this hour. It says in *John 16*:

7. Nevertheless I tell you the truth; It is expedient for you that I go away: for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you.

8. And when he is come, he will reprove the world of sin, and of righteousness, and of judgment:

9. Of sin, because they believe not on me; Of righteousness, because I go to my Father, and ye see me no more;

10. Of judgment, because the prince of this world is judged.

Then it goes along with that verse: *The grace of God hath appear unto all men.* It admonishes us, and it advises us it leads us to realize that there is something that we have to do about our life's.

Salvation is so simple and I want to try to bring it into simple terms that even a child can understand. Without that convicting power you don't even know that you are a sinner. You have to realize, first of all, that you are a sinner. Like it says, in German: *auß der lehr und predig lernt earst seine sünden erkennen.* The first thing that a person has to do is to realize that he is a sinner, that he is lost and that he needs a saviour.

The first thing that has to happened, like I said, you have to realize that you are a sinner. That all became possible through Jesus when He willingly went to Calvary, died for our sins and arose from the grave, and ascended up to Heaven. Then as Jesus said, it is necessary that I go away so that the Holy Spirit; the Comforter, can come. The Holy Spirt will convict us that we are sinners. Some people don't even know that they are sinners. In *Psalms 34:18*, it lets us know: *The Lord is nigh unto them that are of a broken heart; **and saveth such as be of a contrite spirit.** Psalms 51:17 *The sacrifices of God are a broken spirit: a broken and a contrite heart, O God, thou wilt not despise.**

I don't know how people can live from day to day and not have a concern for their salvation, about their eternal destiny. How can you live one day, once you

reached the age of accountability and not be concerned to do whatever it takes to come to that place where you have that blessed assurance, that joy unspeakable even if it means losing everything. Nothing compares to what God has for you when you surrender your life to Him.

There is this mass deception out there, and there are a lot of versions on how to be saved. For example, when you get raised up in the Hutterite colony and you get up to a certain age, then they tell you that when you go to the priest and confess your sins and the next day you get baptized, then you are bound for glory; you have a ticket to Heaven. That is deception and people believe it and they are content to believe that lie.

For me it was different, I always knew that there has to be something more than that. I went through the rigamarole of this false baptism, went to the priest and confessed sins. That is how they do it, otherwise, you can't be part of their regime but at the end of the day it is all nothing and you have nothing. You have even less than before you went to the priest. That is all part of Roman Catholicism. It has nothing to do with salvation, it is just a false pretence, now that you are baptized into this false baptism you can now be married that is all that amounts to. That marriage is like leasing a car. When you want to lease a car you have to go down to the dealer's office and let them know that you want to lease a car. Then you have to sign a contract. In order,

to keep the car I have to honour that contract. There are certain guidelines I have to follow if I want to keep the car, I have to make my payments and only driving the car a certain amount of miles a year, etc. If I break the contract they take the car back. It is the same with this Hutterite marriage, once you have gone through with that baptism rigmarole sign a document, then you are part of their regime, it is ok for you to get married. There again the same as with the car leasing, as long as you agree with them then you get to keep your wife and children. Now when something arises they will take them back. I have proof of it too. When I started to see the corruption within that system I voiced my opinion and at the end of it all, I was terminated from that regime. Then after a couple of months of not having seen my family, I went back to see them. When I got there my dad phoned me up and asked me what I wanted there, and I told him, I came to see my children, and he said these are not your children they belong to the church. Then another time I went for a visit and that Elie guy was in charge then and he phoned me up and asked me what I wanted there and I told him, I came to see my wife, and he said, that is not your wife she belongs to us. That is what that marriage on the colony amounts to, just like a leased car, but I expose it for what it was like it says in *Isaiah 59:5 They hatch cockatrice' eggs, and weave the spider's web: he that eateth of their eggs dieth, and that which is crushed*

breaketh out into a viper. I stepped on that egg and out broke a viper. That is what the Bible says to do
Ephesians 5:11 Take no part in the unfruitful works of darkness, but instead expose them. That is what we are doing we are exposing it for what it is.

When I was young they wouldn't let you have a drivers license until you are baptized. People are duped into believing that that system is the way to Heaven, it is a lie at the end of the day you have to line up with the Word of God and not mans ideas.

That is what they did back before the crucifixion, with the old covenant, back in the days where the priests made atonement for sins. The high-priest went into the holiest of holy once a year. What he would do is people would confess their faults and ones a year he would go into the holiest of holy and he would push these sins ahead to Calvary the real passover lamb. When Jesus came that high priest thing was put away with, and now you have *one mediator between God and man and that is the Lord Jesus Christ*, and you now go to the Lord Jesus Christ to confess your sins. It is no more that you have to go to the priest or the preacher, but what the devil does he always has a counterfeit thing. When God does something he is always there to copy it. What he does he will use half truths, take the real thing away and put in his counterfeit.

Like Jesus said to Nicodemus in John 3:1- 5

1. *There was a man of the Pharisees, named Nicodemus, a ruler of the Jews:*

2. *The same came to Jesus by night, and said unto him, Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him.*

3. *Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God.*

4. *Nicodemus saith unto him, How can a man be born when he is old? can he enter the second time into his mother's womb, and be born?*

5. *Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.*

6. *That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.*

7. *Marvel not that I said unto thee, Ye must be born again.*

8. *The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.*

Jesus said: **you have to be born of water and spirit.** Then you go over to *Act 2:38* and you find where the early church baptized in the name of the Lord Jesus Christ. At the day of Pentecost Peter filled with the Holy Spirit began to speak in *Acts 2:*

22. *Ye men of Israel, hear these words; Jesus of Nazareth, a man approved of God among you by miracles and wonders and signs, which God did by him in the midst of you, as ye yourselves also know:*

23. *Him, being delivered by the determinate counsel and foreknowledge of God, ye have taken, and by wicked hands have crucified and slain:*

24. *Whom God hath raised up, having loosed the pains of death: because it was not possible that he should be holden of it.*

Then these men after hearing what Peter said, asked Peter and to the rest of the apostles: Men and brethren, what shall we do?

38. *Then Peter said unto them, **Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.***

39. *For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call.*

That is what Jesus meant when He said to Peter in Matthew 16, *I will give unto thee the keys of the kingdom of heaven.* That formula is for all time, - what must I do to be saved. When I go back over my life, what must I do, I got raised up in that colony and I got baptized, and for me I accepted the Lord before I went through this rigamarole, but back in the 90's the Lord began to deal with me about the Word of God. It does

not matter how you have been taught to do things you have to go back to the Word of God, because at the end of the day it is the Word of God that is going to judge you. Jesus said in John, the word that I have spoken, the same shall judge him in the last day. Then in *John 7:38 He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water.*

Then I realized I had to be baptized in Jesus name because it is in the Word. Once, I saw it in the Word, I made a bee-line to get baptized according to *Acts 2:38*. You and I we see how this whole thing works. We know back in the early church they had the original blueprint for salvation and they received it by the Holy Spirit at the day of Pentecost. We have to go back to the original blueprint, if we want to see it, because from the 3rd century down to the end of the dark ages everything got lost. Then through the Reformers God was bringing everything back to the original blueprint.

As I said, back in the early 90's, when the Lord began to deal with me on this Word, that you cannot mess with this Word. That is why you and I take this Word so serious and we are still on target. That is why on the day of pentecost these men asked Peter - *What must we do*. Peter told them - *Repent and be baptized in the name of the Lord Jesus Christ for the remission of your sins and you shall receive the gift of the holy spirit*. That is a blueprint for all time and it says, *For the*

promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call. That afar of pertains down through time, God looked down through time and He saw that you and I are going to be alive in 2000 and that we will have to go back to that original blueprint and we will accept that because that Word has become so important to us.

When you look at water baptism in the name of the Lord Jesus Christ, when the early apostles went off the scene here the enemy comes along and he brings in this counterfeit baptism of the trinity, father, son, and holy ghost at 325 AD, at the Nicene council, where Constantine an Emperor, implemented this phoney baptism, and to this day people believe it and think that it is legit. It is not legit. The Lord tolerated it during the dark ages and up until the 19th century, because people where ignorant. At 1520, at the Reformation, God slowly started to restore the Biblical Truths that had been hidden from the third century on up to the end of the Dark Ages. That is why the devil does not like history, he does not want people to know the truth, he wants to keep people ignorant.

When you come to our church age of Laodicean and the church age messenger William Marrion Branham, one of the first thing that he did was water baptism, by immersion, in the name of the Lord Jesus Christ. We have to get back to the simplicity of it.

We know that John the Baptist (the spirit of Elijah) fore-ran Jesus first coming, so will in the last days that spirit of Elijah, which was through the prophet of this age, William Marrion Branham, once again forerun Jesus Christ second coming to bring us back to the faith (the same believe structure) as the early church had: Malachi 4:5-6. He preached his heart out for people to get back to the pure Word of God, then after he left the scene that angel spoke through Raymond M. Jackson.

Like I said, there are so many people out there and they join this church and the preacher tells them to come up and they can be saved. When these Billy Graham crusades were going on and they would call people up to accept the Lord. That is not the way the Bible says. That is just someones idea; someones opinion. You have to go back to what the Bible says: *Repent and be baptized in the name of the Lord Jesus Christ for the remission of your sins and you shall receive the gift of the Holy Ghost.* I know the Hutterites and the Catholics too they will quote this scripture: *Und ich will dir des Himmelsreichs Schlüssel geben: alles, was du auf Erden binden wirst, soll auch im Himmel gebunden sein, und alles, was du auf Erden lösen wirst, soll auch im Himmel los sein.* Those preachers think they have the key but they have it all wrong. Jesus knew He could trust Peter, Jesus gave the key to Peter and on the day of Pentecost he used it and it was

a formula for all time: Repent and be baptized in the name of the Lord Jesus Christ for the remission of your sins. That was the key and it still works today.

That blueprint is for all time. There is no substitute. You can go down to John Hagee and he thinks that he's got it. Like I said, with the Billy Graham crusades thousands of thousands of people would go up there and they would go up and accept the Lord and the next day they would be back doing the same thing again. The same with the Hutterites they go and they are baptized and then the next day they are doing the same thing again, they are the same person. They have not been regenerated from the inside out. There is no life change there. It is just a rigamarole that they go through. That is the difference there has to be a life that follows it. It has got to be real. It has to be something that you can't manufacture. I was always wondering about Billy Graham and all these thousands of people, and he is preaching his heart out, and all these people come in and the next day they are the same guys again, they go out and do the same thing as they did the day before, and he would even made the statement, that he comes here and preaches salvation and thousands of people accept the Lord and the next time I come there is no life change.

It is simply because it is not the right formula. If I go and bake bread and I do not use the right formula it is not going to turn out to good, but when you use the

proper formula it is going to turn out. That is the same way with salvation. Salvation is very simple, the Holy Spirit convicts you. First of all, you have to realize that you are a sinner man, that you need salvation, that you need the Lord Jesus Christ. You need eternal life, you are bound for Hell and you need someone to save you and there is only one that can save, there is only one mediator between God and man and that is the Lord Jesus Christ. There is nothing and no one other than the Lord Jesus Christ by which we can be saved. *Acts 4:12 Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.* The more you walk with Him; the more songs that you sing the more you realize that you need Jesus. He is the only means of salvation. Everything has to go through Him. He knows those that have to put their trust in Him. We have put our trust in Him, we don't put our trust in the crowds in the system. We walked away from them.

As that song said: *Ich sucht' ich sucht' und fand doch nicht.* I went through this whole song and it takes just about a lifetime. When everything was done you felt like such a hypocrite. Until, one day, it became real. It is all about the Lord Jesus Christ. It is Him and Him alone that you have to recognize. You have to separate yourself from everybody and lean only on the Lord Jesus Christ. As time goes on and there is somebody

else out there that has the same urgency, the same need and then the Lord has a way to bring it together.

This salvation thing is all so messed up. In the hour that we are now living in it is such a grey area. We know what that great horse rider represents; we know what the Laodicean church represents: It represents a lukewarm condition. It is neither hot nor cold, it is neither here nor there. It is neither black nor white. It is a grey area, and it all runs in continuity with the age that we are living in. Then we have all these scriptures that confirms all of this. That faith will be taken from the earth, the way of truth will be hidden.

When I read that over in Esdras, where Esdras asked this angel what the conditions will be like in the latter days, he gave him a vision where he saw this young man going from town to town to see if there is anybody that he can find to talk to about things that have eternal values and they kind of mocked him. As if to say where are you from, don't you know that this is Laodicea where we are rich and increased in goods and in need of nothing. When you take all of that and you put them together that is what you have got in this age. It is the world that we are now living in. Nothing is real anymore. That is why you have to go back to the biblical truth about salvation. It is so simple.

First of all, like I say, Jesus said, I will go to the Father and the Holy Spirit will come and when he will come he will convict the world of sin. You need that

convicting power to realize that you are a sinner. If you do not have that, then Satan will bring in a substitute, then you will go through this Hutterite rigamarole. You can talk to any of them, like your dad he thinks because he is in that colony, and he went through this phoney baptism, and he thinks he is saved, but really where is the change in his life, where does Jesus become more important, then anything else in his life. There has got to be a life that follows like that songs says: *Bis ich von Menschen gar abging, und mich allein an Jesum hing.* That is where this writer of this song found salvation, in Jesus Christ and in Him alone.

It is first of all, like I have said: you have to have that convicting power. Without the holy spirit you can't even repent. He has to give you the heart to realize that you are lost. That you need to repent. These men at the day of pentecost they realized they had crucified the Lord of glory and they sincerely asked Peter what must we do to be saved. Peter said - Repent. That is the first thing. At least they had realized that they did something wrong and they were pricked in their hearts and Peter told them what they did. That they had crucified the Lord of glory. They were pricked in their heart and they wanted to know what they need to do. They did it out of ignorance. The Bible says that they were all God fearing people, but they were blind as a bat. That is what the multitudes are out there, and if you talk to a Hutterite out there and to them we are the

lost ones, but really you and me are the saved ones, because we believe this Word. They don't even want us on their property but see that is the deception that is out there. That Jesus warned us when He was asked - what will be the sign of the end. First thing that He said was - *Beware lest any man deceive you.*

When you take a step back and you look at the overall Christendom (this so-called Christendom) and it is just one big mass of deception. It is a big grey area and we are bringing everything back to the original thing. That you need that conviction power to be saved. It is all so very simple. Jesus said: the comforter will convict the world of sin and of righteousness and of judgement.

When I look back upon my life that is what happened to me, back in the 70s, everything was good, I had no aches and pains and all of a sudden the Lord began convicting me and I tried to be a good guy and I could not even quit smoking. I realized I had come to the age of accountability, that God was beginning to convict me of sin, of righteousness, of judgement. When I go over my life and I go back how the Lord dealt with me, the first thing that He did was that He convicted me of sin, and I realized that I am going to Hell, and I needed a Saviour. I tried what everybody else tried to do I tried to bypass Jesus Christ and I tried for years to be a good guy. When I step back and I analyze it and I look through it with a microscope what I

was trying to do I was trying to bypass Jesus. At the end of the day all I was doing I was wearing myself out, and there are millions and millions of people out there. They will accept anything except the Lord Jesus Christ, they try to be righteous, they will join this club or that group, join a commune; they will try to wear a certain dress code and all at the end of the day they want to bypass Jesus. They want to come to God without Jesus. That was me, until one day as that song puts it: *bis ich von menschen gar abging*. I realized that it is only through the Lord Jesus Christ. *Then one day Jesus came by my way and He made me whole that day, just a sinner was I, until Jesus came by*. Then and only then did this weight, it looked like a big rock, it just fell off my back. It was at 10 o'clock at night. I can still remember it is was a February back in 1974, I know exactly the place. Like that songs says: *I remember the time, I remember the place, when Jesus so sweetly came in, how He took all my sorrows that I carried so long*. You have to have to a testimony when the Lord saved you, it says in *Revelation 12:11* *And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death*.

The next morning it was a complete different world, during the night the Lord saved me and He gave me eternal life. I was asked one time: Sam, who brought you to the Lord, how did you find the Lord. Well, I

didn't, I did not look for the Lord. The Lord found me. There was nothing in me that even had a desire to look for the Lord. There are a lot of people that don't even know how it works. That God beckons you and calls you. They have the picture all wrong and what it is it is proselyting. If it is the other way around it is proselyting. like Jesus said in Matthew 23:15, to the Pharisees, *for ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves.* Jesus said: *Every plant that my Heavenly Father has planted will come to me, and every plant that my Heavenly Father has not planted will be rooted out.*

Like I say, when we look at our life and somewhere along our journey we had this encounter with the Lord Jesus Christ. He and He alone can save us. You cannot be saved by proselyting. When that person asked me how did you find the Lord. I told them - I was not looking for no Lord, He was looking for me, and He found me and convicted me of sin, of righteousness, and of judgement.

When you look at the planet back in Genesis, it was null and void and that was me, and then the Lord started shining His mercy and His grace on me. Then all of a sudden I realized I was a sinner man and that I needed salvation. It is the same with the planet, He said - *Let there be light.* God is the same, yesterday, today, and forever, He works everything the same way.

There was this planet and it was a useless item and that was me I was a useless item. I was alienated from the commonwealth of God. I had no value, spiritually speaking, and then the Lord began to convict me and it is like when He told the planet - Let there be light. Then things started to become alive again.

It is the same with us, like the song says, *Ohne Licht sieht man kein Licht*, if the Lord does not shine on us with His grace and mercy, and that convicting power then we are lost. I can do one of two things, I could reject it, like that parable where a sower went forth to sow, and some fell on stoney ground, like the cares of this world they snuff it out but some fell on good ground and it grew to bear fruit. That is what happened to a lot of people they go over what it is going to cost them and they can't do it and they just drop it. When that convicting power comes in and the Word starts grabbing a hold on them, at first, it does something for them, but then the persecution starts and they can't bear it. When you read that parable how some fell on stoney ground, some on thorns and thistle and then some fell on good ground and then the devil comes along and tries to intimate you, and tries to scare you to keep you away. It explains the heart of a man. Behold a sower went forth to sow. This Word grabbed a hold on me. *Matthew 13:*

3. Behold, a sower went forth to sow;

4. And when he sowed, some seeds fell by the way side, and the fowls came and devoured them up:

5. Some fell upon stony places, where they had not much earth: and forthwith they sprung up, because they had no deepness of earth:

6. And when the sun was up, they were scorched; and because they had no root, they withered away.

7. And some fell among thorns; and the thorns sprung up, and choked them: But other fell into good ground, and brought forth fruit, some an hundredfold, some sixtyfold, some thirtyfold.

The disciple then asked him what this parables means and Jesus when on to explain it.

11. He answered and said unto them, Because it is given unto you to know the mysteries of the kingdom of heaven, but to them it is not given.

12. For whosoever hath, to him shall be given, and he shall have more abundance: but whosoever hath not, from him shall be taken away even that he hath.

13. Therefore speak I to them in parables: because they seeing see not; and hearing they hear not, neither do they understand.

18. Hear ye therefore the parable of the sower.

19. When any one heareth the word of the kingdom, and understandeth it not, then cometh the wicked one, and catcheth away that which was sown in his heart. This is he which received seed by the way side.

20. But he that received the seed into stony places, the same is he that heareth the word, and anon with joy receiveth it;

I know a lot of people they had this experience and they heard the Word and with joy received it and you can even have fellowship, they are excited, but when it comes to being persecuted they can't take the heat, they are offending in Jesus and they give up.

21. Yet hath he not root in himself, but dureth for a while: for when tribulation or persecution ariseth because of the word, by and by he is offended.

22. He also that received seed among the thorns is he that heareth the word; and the care of this world, and the deceitfulness of riches, choke the word, and he becometh unfruitful.

23. But he that received seed into the good ground is he that heareth the word, and understandeth it; which also beareth fruit, and bringeth forth, some an hundredfold, some sixty, some thirty.

When we heard that Word we accepted it and the devil he comes along and he tries to intimate you, but you purpose it your heart that you are going to go straight through and then he sends in your family members, those of your own household, but see that Word, you have to go back to that Word. That is what solidifies you. Those of your own household will be your biggest foes. It is not that you hate them, but the devil will use whatever he can to get you off course.

What the devil will do, he does not want that Word to bear root, to find root, because he knows that once that Word bears root then he can no longer deceive you because you have that Word as a weapon. Just like Jesus He knew the Word and when the devil came along He could defeat him with the Word.

That is what happened when brother Jackson went off the scene, the Lord stepped back to see what these people are going to do with the Word that He has given them for the last 40 years. Then here they came with all kinds of perverted ideas with what was said and what was not said, what things meant and what they did not mean. That is exactly what happened when the early apostles went off the scene, these men came in wanting power and started confusing the picture with all kinds of different ideas and that is how this phoney water baptism in the titles of father, son and holy ghost came about.

When we got the warning from the Lord how Gideon took these men down to the waters, and that is what the Lord is doing with the church now. He is taking them down to the water to see what they are going to drink. Then the Lord gave you that Word - Remember the things that you have been taught, and remember who you have been taught them from. Then I had the dream about the minefields and you put them all together and that is why we are still standing on this Word and staying true to this Word. There are

some things that brother Jackson said, they are not going to happen because they are not in the Word and that is why you and I are still solid we take it to the Word.

It is all very simple it all goes back to that Word, it all goes back to that parable here. Some fell on good ground and some brought forth thirty, sixty and some a hundredfold and we are still staying with this Word. Salvation is not that complicated, but you have to go back to the Bible and you can't be listening to all these voices that are out there.

It is first of all about that convicting power, realizing that you are a sinner man. Then you have to do the next thing, repent of your sins and then be baptized in the name of the Lord Jesus Christ for the remission of your sins, by immersion. I wish everyone would see the simplicity of it, realizing that you are a sinner, and that you need to repent. It is a formula for all times and it works.

They say that the water does not mean much, it is only outer. No, that is something that the Lord instituted in His Word. Jesus went to John to be baptized out of obedience to His heavenly Father. It is the sealing of your faith. It does something, *Romans 6:4, we are buried with him by baptism, Galatians 3:27 For as many of you as have been baptized into Christ have put on Christ*, when the devil comes along and tries to attack you, and because you have a reference and a

respect for the Word of God and for godly principles you go and are baptized by immersion in the name of the Lord Jesus Christ and then, as it says, you shall receive the gift of the Holy Spirit. It all goes back to every plant that my Heavenly Father has planted; every one that my Heavenly Father has given to me will come to me.

There is nothing that I can do towards my salvation and there again it all leads back to Jesus Christ, He is the one and only one. It is set up in such a way. That Jesus Christ is the beginning of the new creation; He is the center focal point. Like the sun when you look up in our galaxy everything rotates around the sun; everything is depending on the sun. Here again it is the same thing, everything is depending on the Lord Jesus Christ, the son of God. God that eternal spirit set it up that way. Everything was created, and I know when you read it, that it looks like Jesus was there when God created the universe and creation.

Jesus was in the mind of God when God created all things, and God created the universe because of Jesus Christ, because someday He knew Jesus is going to come on the scene and He will have to go to Calvary for our redemption. God knew that mankind was going to fall and that Jesus will one day redeem everything back to God again. It was all in the foreknowledge of God, when He counselled with Himself in Ephesians chapter one. God knew the

direction things would go, that some angels would fall and that Adam and Eve would make the wrong choice and that He would need His only begotten son, Jesus Christ to redeem everything back to Him. At the end of that big circle of creation and redemption everything is handed back to God again and God becomes our all and all again, but it had to go through Jesus Christ so that Jesus Christ in that great eternal age will be our elder brother. He will always be recognized as something special and it is a beautiful picture, that is the way it has to be.

That is the way God has instituted it. All we have to do is give reverence and have a respect for the Word, for what Jesus Christ did for us at Calvary. He is the Word, He is not the literal Word, but everything that He says and does is the absolute will of God. For you and I it is so simple. We go back to that great counsel where God counselled with himself in Ephesian chapter one, He predestinate us, then in the eons of ages we lay in the plan of God and that is where Jesus was in the mind of God and one day at the fulness of time He sent forth His only begotten son, Jesus Christ, to redeem us back to God. It is a beautiful picture and I can't see why everyone cannot see it, it as simple as the ABC.

It is first of all, that convicting power, and you get rid of your own ideas and opinions, this flat earth ideology and all this junk that mankind accumulates; all these hypothetical things and you just yield to Jesus

Christ. It is that simple instead of fighting Him, I am just as guilty as anyone, I tried for the longest time to bypass Jesus. I know that there are people they get old and they have succeeded in bypassing Jesus and they think that they can be good enough without the Lord Jesus Christ. Once you accept Jesus, He walks with you, it is not that you are this perfect human being all of a sudden. When I look back upon my life, I made so many mistakes, I failed Him so often, there are so many things that I am ashamed of. It takes a lifetime to get rid of all your hang ups and that is what the grace of God does. It washes you with the Word, *Ephesians 5:26 That he might sanctify and cleanse it with the washing of water by the word.* There again the grace of God is not what a lot of people think it is, that you are going to go to Heaven because of His grace and mercy, or like the Hutterites like to say, *wir werden auß gnad und barmherzigkeit erscheinen.* That teaching is wrong, it says that His grace teaches us and it admonishes us how to live holy and without blame before him in love in in this world. It is not a hit and miss game.

11. For the grace of God that bringeth salvation hath appeared to all men,

12. Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world;

In German

11. Denn es ist erschienen die heilsame Gnade Gottes allen Menschen

12. und züchtigt uns, daß wir sollen verleugnen das ungöttliche Wesen und die weltlichen Lüste, und züchtig, gerecht und gottselig leben in dieser Welt. Titus 2:

Look how good we have it. He does not even want us to worry about selling that truck out there. It says, cast all your burdens upon Him because He cares for you. We have to do our part, we felt that we need to park it out there by the road and put a for sale sign on it. We have to do a little something, but there again He had to move on my heart to go that route. First of all, to try and sell it and to put it out there, and now we just need to trust Him He will make something happen, He will bring the right person across someday, sometime. He does not want us to worry about it. He wants us to be free to worship Him.

It all starts by realizing that you are a sinner man. There are a lot of people they do not even realize that they are a sinner, because they have been deceived and duped into this Hutterite mentality. That living in a commune then you get a ticket to glory. They will always bring in 'die ol'väter'. What are you going to believe the Word of God or 'die ol'väter. They use it for a copout. The ol'väter are not going to get you to Heaven.

It is like these people that believe that Donald Trump is a crook and that he is wrong that he is going to be impeached. That is what the Democrats and the media have duped them into believing and it is a lie. Now all of a sudden they are realizing that it is not going to happen. It is them that are the crooks and that is the way that the devil works. He perverts this whole salvation message with lies - you just need to go up for prayer; all you need to do is just go to this church, when that is not what the Bible says. That is why all these churches out there have become Satan's weaponry of mass deception. He has infiltrated every aspect of society. I saw that during the week I was in Winnipeg and this guy came along with a t-shirt on that said inter-varsity. I remember back in the 60s and 70s this inter-varsity Christian fellowship it was a good thing. It was a movement of God among the young people. They would go into the high-schools and such but see Satan has even infiltrated that. He has managed to infiltrate every aspect of society. He would like to infiltrate us that is why he is always attacking us, ever since we pulled away from this group here in Portage, there have been attacks from every angle, but see we were onto him. He would send Danny and Vivian out to meet you for coffee and it is all a device from the devil to try and to divide us and when you look back and analyze what that whole movement was all about was to see if they could get a wedge in-between.

When you sit back, he used everything that he could, your family, my family and to this day he is still trying. Like Jonas he came along trucking and he wasn't really interesting in trucking but what it was, it was all part of the devils plan to try to drive a wedge between us. Then your family tried to do it their way. When Ernie came here and if the truth be told he was trying to drive a wedge between us and he even admitted it to a point. That is why we have to hold on because God is going to do something with this, because if He wouldn't then the devil would not try to attack it.

Then we got this Lyle attack which was witchcraft, and you did not even know what is going on but I went to the Lord and I put my radar on and the Lord let me know after 2 days what it was. I saw this thread, like a rope, going back to him and he was using witchcraft powers to try to drive a wedge between us. Even to this day, we are always going to have to watch your family, my family, but at the end of the day he has one trick in mind he wants to drive a wedge between us, because he knows God is going to use it for His glory. That is all that I have ever wanted - Lord, use me for your honour and glory. All that I ever wanted in life, if the truth be told, is someone that I could fellowship with around His Word, and here the Lord brings you on board, and everyone thinks that we are crazy or this, that, and the other, but see the Lord told me - without you there is no

program, The devil knows that, so, that is why we are under attack he is trying to drive a wedge between us. It will continue on until we are out of this world. You just have to realize that that is what he is doing.

When you look at America and the more that they attack Trump the more successful he is. The more the devil tries to drive a wedge between us the stronger we become, the closer we draw to the Lord and to His Word. There is power in two, if I would be here all by myself and have all these revelations to talk about, all this truth, it would be to no avail, but see the Lord brought you on board and brought you in and this whole thing is moving forward, I do not know where it is all going to end up. Then He takes us off this trucking and I am kind of excited to know what is up this road. There is so many good things that are out there that the Lord will do, but it is first things first. I am 72 years old and I still feel that there is so much in God that I don't know. It is an exploring journey and there is so much out there, there is so much in God.

That convicting power comes first and you realize that you are a sinner and then repentance. Like Micah he wanted to know what he could do for the Lord and the Lord told him what all is required from him. Micah 6:8 *Es ist dir gesagt, Mensch, was gut ist und was der HERR von dir fordert, nämlich Gottes Wort halten und Liebe üben und demütig sein vor deinem Gott.*

He has told you, O man, what is good, and what the Lord really wants from you: He wants you to promote justice, to be faithful, and to live obediently before your God

One of the most important thing is to hold on to that Word, and then walk humbly before the Lord your God. That is all we are doing there is nothing in us; there is nothing in ourselves that we can produce for God. That is why it says, *Blessed is he who is poor in spirit*. That you have to empty yourself on a day to day basis so that the Lord can fill you and speak to you. I do not have my own idea or my own opinion. I am depending on the Lord on a day to day basis. It is all through humility, realizing that you don't have nothing in yourselves.

Lorraine speaks: That's right that is the whole principle about salvation is to realize that you need a saviour; that you are a sinner. When I was still on the colony, on this one day I felt so down I could not see anything spiritual about that system and I went for a walk. It is God that brought me to that place. I went for a walk and there was this man out there on the road and what he did was he went into the scripture and quoted me from the Word.

But God, who is rich in mercy, for his great love wherewith he loved us, Even when we were dead in sins, hath quickened us together with Christ, (by grace ye are saved;) Ephesians 2:4-5

John 10:

27. My sheep hear my voice, and I know them, and they follow me:

28. And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand.

29. My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand.

30. I and my Father are one.

It was by hearing that I believed, and it is the Holy Spirit that convicts you of your sins, that you need Jesus - *He is the mediator between God and man.* There are a lot of people that feel that conviction but they push it aside. God is not condemning you, He just wants to set you free. God sets it all up and when you are serious you are going to surrender. I was crying out to him. I wasn't playing a game. I just knew that there is something more than a Hutterite commune.

Sam speaks: The Bible says the eye of the Lord they run to and fro throughout the land to see if there is someone there who asked for Him. Who is really from his/her heart is calling out to Him. I was thinking this morning what the Bible says: *Seek and ye shall find. Knock and the door shall be opened onto you.* It is true. Like the Word of God is the absolute it is like gravity. You can't change it. It says, if you really seek me with all your heart. Like not haphazardly praying and hoping

you won't find it because you don't want to look that hard or you want things on your terms and conditions and not the Lords.

When the Bible says, *Matthew 7:7*
Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you. That is how it works when God sees a heart that is serious and sincere He makes a way. I wanted something that is real, I've seen the way the masses go and I wanted something that is real. God saw that, when He had His radar on, and you know how it works when you have a radar on it has this thing going round and it picks foreign objects up. That is the way God is, His eyes run to and fro throughout the land to see if there is anyone that fears Him; if there is anyone that asks for Him. They are constantly running to and fro and He knows those that are playing a game.

When Jesus was here on earth His radar was on to what His Heavenly Father wanted Him to do. When He called His disciples they left everything behind, because they were looking for something. Then there was one guy that said, Lord, I want to follow you, and Jesus didn't give him the time of day, because he wasn't serious he was just playing a game. When He saw you and me He saw that we were serious, and His radar picked us up. It was He who found us. We didn't go looking for Him, we were looking for something, because there is something inside of us that wanted

reality, and something that was real and He brought us to that place in Him. Look how good we have it, we can have fellowship 24/7. That is all that I have ever wanted from the Lord, someone that I can be in agreement with, without having to look over your shoulder every-time, someone that you can trust; someone that is on the same page with you, and here He brings it about, just at the right time. Then He puts us together in the truck and now He took us off the truck. God only knows the next step it, He wants us to live from day to day. Like the sparrow they neither plant nor sow, and how much more does He care for us.

It is pretty exciting once you see the simplicity of it, but first things first. First you have to realize that you are a sinner man, and the Holy Spirit does the convicting. There are a lot of people out there and the preachers have deceived them. Even people in this truth, they think that they have a ticket to glory, because they believe that God sent a prophet, or because they believe what happened in the garden. That's where a lot of people are deceived into thinking they have it and that's where they stand and don't continue on the journey.

Tim he believes the mystery of His will is because we believe what happened in the garden, it has got nothing to do with that. The mystery of His will is where we are in, when He told us to hang out together, to buy that truck, the page that we are on that is the mystery

of His will because if you are in the mystery of His will you are going to be persecuted from Satan and his tugs. When the company brought this so-called safety gear in, during the night the Lord came to me and let me know if you are ashamed of me I can't use you. I am not ashamed of what I stand for; I'm not ashamed of what I believe, and I let them know where that safety ideology leads to an anti-God environment, and they got worked up over it, and they realized that we are not going to compromise. We are not going to step back.

If you are not persecuted then it is like I was reading here the other - *1 Corinthians 1:18*

For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God.

What I want to bring out in this message is how simple salvation is, it is even simpler than I can even put it. Jesus said, *Every plant, which my heavenly Father hath not planted, shall be rooted up.*

All that the Father giveth me shall come to me; and him that cometh to me I will in no wise cast out.

He has to do that calling, and He called me. Like that woman at the well, that great eternal spirit had His radar on and He picked up that woman at that well in Samaria, and God directed Jesus to go there to talk to that woman. Jesus said, I must needs go to Samaria. He walked there with His disciples, and while His disciples went into town He met this women and they

had this conversation. What she was really looking for was Jesus, but she tried to find it in getting married and with all these different men, with sex and all that stuff. She was trying to look for it at the wrong places. There are millions of young girls out there today. They are looking at the wrong places and they are deceived, and delusional into thinking that this marriage thing is it. If God has it planned for your life then fine, but that is not where it is at, it is Jesus Christ and Him alone. Once you find that, if God has marriage for you then that is fine and dandy if not go on without it, it is not the end-all-where-all anyway.

To me it is so simple, I don't know how people can miss it, but they are trying to push that Jesus off. Trying to find God without Jesus. I know a lot of people that I have encountered over the years. The Lord brought me into contact with them, and I look back now and all that they are doing is they are trying to by-pass Jesus. Trying to come to God without Jesus, like that one guy I was telling you about. He wanted to go up to the mountains to try to look for a place because he sees something coming upon the world. We drove up there and he found this old farm yard way up in the mountains somewhere with an old barn and they walked in there, the grass was growing waist high and they are walking through this grass and they found this old abandoned well, and they thought this is the place to go when all hell breaks loose. I figured you guys can

go look I'm not interested in it. I know where it is at. It is in Jesus Christ, and that is the one that they are trying to bypass. So after they did their scouting around we drove back to his yard and he asked me what I thought of that place and that idea. So I told him - Do you want to ask me again. He said, yes, I want to know what you think about it. I said to him and his brother - This thing that is coming you can drill a shaft 5 miles into the ground you are not going to get away from this thing that is coming. It is only in Jesus Christ that you will find safety. That is something that he did not want to hear, there is a man that is trying to by-pass Jesus Christ to come to God. He succeeded but he is empty inside. It only leaves you empty and longing for more.

See it is by His grace we found it; we found that pearl of great price, and we found that end-time message. We kept on going, there has to be something more. It wasn't until I found the ministry of brother Jackson where I could finally could say: This is it; this is what I have been looking for. It is the message for your day, and if you go back and read that message, seek ye first the kingdom of God. It is the message for your hour. That is where that pearl of great price is.

In every church age God had a messenger, those 7 stars, one for every church age and we found the one for our church age that angel for the Laodicean church age, and here we are right in it. We believe it and we embrace it with a passion, nothing can shake us off.

Now the Lord is testing everybody He is taking them down to the river and it is just the grace of God that He gave me that vision and the reason being when you go back to Daniel the people that know their God will do exploits. It's the knowing God, you can know the Bible but it all points to knowing God, they will do exploits. It is because over the years our main ambition is to get to know God. As it says in *Philippians 3:10*

That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death;

We left no stone unturned; we didn't care about the price; we didn't care about the cost. We only wanted to know God, *John 17:3, And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent,* and then knowing God He could talk to us. He let me know that He is taking the church down to the river just like in the days of Gideon. The Lord told Gideon to take the people down to the river to test them. That is what the Lord is doing with the church, how many people in this truth can you tell that, they would not believe it, it all narrows down to, they don't know God. They heard the message but that is all they know is the message. We know God and He can talk to us. He let us know what He is doing with the church now. Then He gave me the dream about the minefields and we believed it. Then He lets us know to remember the things that we have been taught and to

remember who we have been taught them from. Then we saw how they were coming with perverted teachings - the midnight cry has not happened yet; we are in the third day; the two days are done. It does not even fizz on us because we know what it said in the Word and we know in whom we have trusted. We are still solid, we walk from day to day, that is why we have it so good.

We are living at a place where we have no lack. Wherever you go you are in under His protection nothing can touch you and nothing can hurt you. God will make a way as long as I am sensitive to Him, and as I am obedient to Him. It was really when the children of Israel were walking in the wilderness with that pillar of fire at night, and that cloud during the day. When it moved they had to move with it, and that is where we are at. It is all in that end-time message. We believe that 7 church age messenger, because that is the way that God ordained it to be. That is the revelation that God gave to Jesus to give to the angel to give to the church. Jesus is walking in the midst of the 7 candlesticks and in His right hand He has 7 stars. Those 7 candlesticks are the 7 church ages and those 7 stars are the angels representing the churches. We are right in it. It is a fool-proof system. We not only see that we see the importance of those feasts. Not to mess with that Word. That pertains to us, there are

certain things that pertain to Israel but there are things that pertain to the church.

One of the most important things is the feast of unleavened bread: to make sure that you do not mess with that Word. That is making sure that you do not let anything come in, no strange doctrine to pervert the Word. Like baptism in the titles of father, son and holy ghost, the two days, we are in the third day, things of that nature. That is all leavening that Word. Once the devil has you off that Word, he can do anything with you. Look at were they are all at today, they are all confused, they do not even know if they are coming or going. We can't listen to them. We tried then we had these nightmares when we listened to him. When we stepped back it was because we were listening to these lies. That is how deadly it is.

It is very simple but it is also a moving on. Like Jesus said, *you are those that have continued with me.* It says, *he that endures to the end shall be saved.* We are moving on we have no where else to go. When Jesus asked His disciples in John 6:67-69: *Will ye also go away? Then Simon Peter answered him, Lord, to whom shall we go? thou hast the words of eternal life. And we believe and are sure that thou art that Christ, the Son of the living God.*

We know we are right, and if we stand alone, at least we have one another to bounce things off. I am not alone anymore, the Lord brought you on board.

That is all I ever asked for is someone that I can have fellowship with, and be on the same page with. Marriage is all right but what good is marriage if someone is pulling this way and someone is pulling the other way, absolutely no understanding of the Word of God; no respect for it. So the Lord brought this about and I am just following that hand, I am guided by that unseen hand that is all we are doing. I am not interested in anything else and where it goes from here I do not know.

That is my thought for the day. Salvation is so simple, it is hard to make it as simple as it really is. The early church they did not have to mess with all these things but they saw it coming. Paul said, *after my departure grievous wolves will come in not sparing the flock*. He knew Satan is going to come in to pervert it, and they fought it. When you read the first 3 church ages - Ephesus, Smyrna and Pergamos in Revelations you will see what they had to put up with. They seen it coming, for example, when you see a volcano and you see the dust against the sun, that is how they seen Satan and his hoards coming; like a wave. There is nothing that they could do about it, because the church had to go through the dark ages. Jesus uses this parable to show the stages the seed had to go through.

26. And he said, So is the kingdom of God, as if a man should cast seed into the ground;

27. And should sleep, and rise night and day, and the seed should spring and grow up, he knoweth not how.

28. For the earth bringeth forth fruit of herself; first the blade, then the ear, after that the full corn in the ear.

29. But when the fruit is brought forth, immediately he putteth in the sickle, because the harvest is come.

The seed had to die in order to grow and produce more seed. The church had to go through the dark ages, then at the Reformation God was slowly restoring the faith of the early church. That seed started to grow blade for blade which is revelation after revelation being restored until the silk is pollinated and develops into seeds on a cob. That is why water baptism in the name of the Lord Jesus Christ for the remission for your sins is so important, because we have come to the hour that God has restored that biblical truth and God will now require it. We know how it works and we don't have to put up with these people that pervert the Word of God we can see them coming from a mile off, and the Lord is going to protect us and He is going to let us know what they are about.

Like that Randy guy and the Lord let us go so far with him, I imagine the Lord cares about the guy, and he was looking for something, but he is looking for it at the wrong place. He is so full of himself and the Lord let us go so far with him, right to that baptism and even coming out of the water, he was mocking this very thing

he was ashamed of Christ. That was as far as the Lord would let us go with him. God's grace let us yank him out of that false baptism; out of that Catholic stronghold that was on him. Now maybe something will come of him, but not as long as he was under that Catholic stronghold. God knows the guy better than we know him and that was as far as the Lord would let us take him. The Lord let us know, with you he gave you a dream that someone was coming after you with a knife and with me the Lord gave me a dream about this guy who had a suitcase full of trinkets. Jesus said: be careful for nothing but in all things give thanks. It is all about Jesus, He will protect us, we can't protect ourselves. It is a beautiful journey, all we have to do is to do our part. The Lord is *not willing that any should perish, but that all should come to repentance: 2 Peter 3:9*. That is why we say things because if you care about someone you have to tell them the truth, it is the truth that sets people free.

I want to make something clear though, I am not saying that people who don't agree with us are lost, God knows those that have put their trust in Jesus for their salvation and not in a system and He will make a way for them. I believe that there are a lot of people in Heaven that were baptized in the titles of father, son, holy ghost. I believe that they did the best they knew to do. I believe that my dad did the best that he knew to do for his hour. I know what is require for me for my

hour and all we are trying to do is to be found faithful to what God has called us to be. There is going to be a lot more required from us than what was required from Brother Jackson because we are going on to perfection. Perfection simply means - perfect understanding of the Word of God. You are not going to see this perfect Human Being all of a sudden, the only perfection you will see is a perfect understand of the Word of God. That is why it says to crucify the flesh.

We are living in the last generation. I know those called to the marriage supper of the Lamb will have to meet the conditions that God has for this hour and that is believing this truth, because at the end of the day Jesus came in to check out the guest and He found one that did not met the conditions, and they had to throw him out. *Blessed are they which are called unto the marriage supper of the Lamb.*

Heavenly Father we pray use this simple message of Salvation for your honour and glory, give that increase in Jesus name we pray. amen

Fill my cup Lord

*Like the woman at the well I was seeking
For things that could not satisfy;
And then I heard my Savior speaking:
"Draw from my well that never shall run dry".*

*Fill my cup Lord, I lift it up, Lord!
Come and quench this thirsting of my soul;
Bread of heaven, Feed me till I want no more--
Fill my cup, fill it up and make me whole!*

*There are millions in this world who are craving
The pleasures earthly things afford;
But none can match the wondrous treasure
That I find in Jesus Christ my Lord.*

*Fill my cup Lord, I lift it up, Lord!
Come and quench this thirsting of my soul;
Bread of heaven, Feed me till I want no more--
Fill my cup, fill it up and make me whole!*

*So, my brother, if the things this world gave you
Leave hungers that won't pass away,
My blessed Lord will come and save you,
If you kneel to Him and humbly pray*
