

***Almost time to say Goodbye***

*Perilous times will surely to come  
That great Apostle Paul declared  
Men loving pleasure more than God  
Apostasy is everywhere  
and if you look around you'll see  
God-fearing men are hard to find  
and though it breaks the heart in me  
I know by the signs it's almost time*

*Chorus*

*It's almost time to say goodbye  
to a world that's vexed this heart of mine  
trials faced on every hand  
Brought on by the curse of sin  
I feel it won't be very long  
'Til Jesus comes to claim His own.  
We must keep this thought in mind  
by His word it's almost time*

*Now there's those who have no hope  
Our Saviour died but He arose  
As living proof appeared to men  
He walked with His chosen ones again  
He led them out to Bethany  
then on a cloud, He went away  
and as they gazed up in the sky  
The angels said He's coming back*

***This is the Evening Time***

*The god of this evil age,  
Has blinded the minds today;  
Of people who walk their own way  
According to God's own Word  
Denying the things He's done  
Of sending His only Son:  
Accepting the creeds of Man  
Rejecting the Word of God:*

*This is the Evening Time,  
It's later than you think.  
The Bride is preparing now  
For Her Lord to meet.  
All things are ready now,  
So come by near here,  
he that hath an ear to hear  
The Evening Time is here.*

*The darkness throughout the land  
This world just can't understand.  
A Prophet has walked this Land;  
proclaiming the way to God;  
If you would be safe today,  
Then follow the words he gave.  
Accepting the Word of God;  
For this is the Evening Time.*

***I keep listening for a different sound***

*We hear about the wars,  
See famine in the land.  
There are questions in the  
Children's eyes,  
Trouble in the east again.  
The whole world is shaking,  
There's no sure place to stand.  
And mournful sounds are  
Heard throughout the land.*

**CHORUS**

*But I keep listening  
For a different sound.  
The sound of the city  
That John saw coming down.  
The sound of the Bride  
Being united with the Groom.  
I keep listening, I keep listening,  
I keep listening for a different sound.*

*I remember the preacher sayin'  
"Son, it shall come to pass,  
There will come a generation  
That will be the last."  
I can't believe I'm standing here,  
Seeing the end of time,  
And the preacher's voice,  
Echoing in my mind.*

***I have a source***

*I have a source of strength when I am weak,  
That takes me through when life is pressing me.*

*I have a source of power from above  
I'm covered over by a shield of Blood.*

*I claim the blood Jesus shed on Calvary,  
those precious blood stains,  
were made there just for me.*

*For all my sins, my sickness and my pain  
When I need healing, I claim those precious blood  
stains.*

*I do not know how others make it through,  
Who never go to Calvary as I do.  
For there's a healing cleansing stream which flows,  
With peace that only His redeemed can know.*

*Heavenly Father we want to thank you once again for this another day of life that you have given us, the many things that you do for us on a day to day basis Lord, you have allowed us to live in a country that is free from terrorist, the land of opportunity, the land where milk and honey flows. We have the freedom to come together and expound on your Word and talk about your many blessings, free from these religious persecutions. You give us safety on the road, and you meet our every need. Help us never to take it for granted, most of all we thank you for the Word of the hour, for allowing us to see the day and hour that we are living. Lord we commit this conversation that we are having in your care and keeping, may it go out and do what it is planned to do, in Jesus Christ name we pray. Amen.*

I had this thought on my mind for the last two weeks, I'm just going to expound on it, and have a little conversation on it, I'll read you the scripture here: *Luke 13:22-30*

*22. And he went through the cities and villages, teaching, and journeying toward Jerusalem.*

*23. Then said one unto him, Lord, are there few that be saved? And he said unto them,*

24. Strive to enter in at the strait gate:  
for many, I say unto you, will seek to enter in, and  
shall not be able.

25. When once the master of the house is risen up,  
and hath shut to the door, and ye begin to stand  
without, and to knock at the door, saying, Lord, Lord,  
open unto us; and he shall answer and say unto you, I  
know you not whence ye are:

26. Then shall ye begin to say, We have eaten and drunk in thy presence, and thou hast taught in our streets.

27. But he shall say, I tell you, I know you not whence ye are; depart from me, all ye workers of iniquity.

28. There shall be weeping and gnashing of teeth when ye shall see Abraham, and Isaac, and Jacob, and all the prophets, in the kingdom of God, and you yourselves thrust out.

29. And they shall come from the East, and from the West, and from the north, and from the South, and shall sit down in the kingdom of God.

30. And, behold, there are last which shall be first, and there are first which shall be last.

You know 2 - 3 weeks ago I just couldn't get away from this scripture, and I firmly believe we are now living in that time frame when that door will close. This is that generation that will see the coming of the Lord; right now that door is still wide open but somewhere up the road that door will be closed; that door is the Grace Age; somewhere up the road the Grace age will be shut down. Jesus goes off the mercy seat and that's when they will stand without realizing that they missed it, and they will come, and say, open up, but the door is closed.

The way it reads is, it says, they asked, Lord, will there be anyone that will be saved, and the first thing He says is, 'strive to enter in'. If you strive to enter in now, there is one thing that you will be guaranteed \_ you will find that opened door. That door is still open but you have to strive; you have to do everything you can, to do whatever it takes; to strive means you have to put in every opportunity every effort. I look back upon my life, in my heart, and in my spirit, there was always a striving going on. I was always concerned about my salvation. I was never content, I didn't know at the time what it was. I was living on the colony, and they told me that's the way to Heaven.

One day we had a man come to our house, it was in 1975, the year of the Eclipse. He apparently had a heart attack, and he was dead, he thought for sure he

would be going to Heaven because he had been a good Hutterite, a hard working man. Everything he ever did was for the Colony, and he comes up to the pearly gates, and they wouldn't let him in. I know he came to our house, and he shared his experience. He was very troubled that he could not enter in. You know reality hits when you breathe your last, right now the devil is deceiving the masses because these people are the ones that say here:

*Lord, Lord, have we not prophesied in thy name?  
and in thy name have cast out devils?  
and in thy name done many wonderful works?  
Matthew 7:22*

They are completely deceived. The devil deceived them, and this man also, he thought living in the colony doing whatever it takes, getting up in the morning, going for breakfast, and to do whatever it takes to be a good Hutterite. He found out that they would not let him in.

That's what he told us when he came over to our house and talked to my dad. He and my dad were pretty good buddies. He said, he is looking for 4 men; He said, there has got to be something out there, and was looking for 4 men who would be willing to take up this challenge; 'leave everything to sit, and just walk until the Lord sees how serious we are, and He will show us, cause there has to be something out there somewhere'.

He had enough wisdom to realize God has an answer always for everything. He realized that it's not in the colony. No matter how good a Hutterite you are — that is not the way to Heaven.

Up until that time I was really content with being a Hutterite, I kind of felt that there was something more, but that really shocked me, and it caused me to search. That was back in 1975, and he said to my dad: 'I'll go south you'll go west, and I'll find someone to go north, and someone to go east'. That's the best he knew how to look for that something, but I heard him say it, and it troubled me for a long time, that this is not the way to Eternal Life.

The Lord I guess saw my striving, it was back in the early 90's when I began to speak up against the system, and it's no use blaming Jacob Kleinsasser, because I was terminated from the Hutterite system; It's no use blaming my dad or my father-in-law, or whoever these people were that played a part in getting me out of there. You may as well blame Hitler for bringing on the Holocaust. No, It was God allowing Hitler and in so God was bringing the Jews back to their homeland, and here it was God using these men to get me out of that colony; God knew that I would not find this truth in the colony.

Sure I didn't know at the time, when I look back now I thank God that He allowed them to do whatever had to be done, and there is a reason for everything.

God doesn't do things like that for no reason at all; He knew that there is a message out there; that there is a truth out here. God knew He sent a Prophet, and He knew I would never find it on the colony; He used them to terminate me as a Hutterite. I was on a search, I began to strive to enter in that strait gate. Little did I know what I was striving for and little did I know what I was looking for, but what I kept seeing was that man challenging my dad to go on this journey.

I remember sitting in my home looking out the window after the split with Jacob Kleinsasser. The next day they were going to ordain Elie, it was a Saturday, it was a gloomy, drizzly day, and I knew if I'm there, and all these preachers come they are going to go after my wife, and my children.

So I said, to the Lord, there has got to be something somewhere, I'm going to go in my car, I'm going to drive until I can go no further, but you are going to show me. There is got to be something somewhere.

I remember just packing my bags, I didn't know where I was going to go, I was from my house to my car about 100 feet, and I was about half-way to my car, when the Lord spoke to me, to go out to Vancouver, and He showed me a building out in Vancouver. I knew then I was going west, and that's where I went.

I going to say this if you think you are going to find it out in these religious churches, or systems, or in the Hutterite Colony, you are not going to find it.

The Bible backs it up in *Revelations 18:2*, where Babylon, (Babylon are these religious systems), *they have become a hold of every foul spirit, and a cage of every unclean and hateful bird. Revelation 18:4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.*

God sent a Prophet, Brother William Marrion Branham. When I went out to Vancouver where they introduced me to a Message, (I'm not going to go into it because I talked on it in another message how that came to be, with the Title, The year of the Eclipse). I want to say this, God took great pains to bring a Message through William Branham, he was that *Malachi 4: 5 Behold, I will send you Elijah the prophet.*

No, he was not Elijah, he had that Elijah anointing, and all this was part of that striving inside my soul, and my spirit, and I was striving to enter in at the strait gate. One of the first things they introduced me to was: Water Baptism in the Name of the Lord Jesus Christ by immersion, according to *Acts 2:38*, and that's part of that journey; Its part of that striving that it says here: *Strive to Enter in at the Strait Gate; Strait*, when you read it, is a waterway.

When we went to Alaska we had to go through a strait, a very narrow waterway, and the captain of the Ferry knew how to navigate through it, sometimes you could almost touch the side of the mountains it was so

narrow, but the captain knew how to get us through to the other side. It was a pretty narrow waterway in some areas, but we had to go through that strait to get to the other side.

In order to find that place, you are going to have to be Baptized in the Name of the Lord Jesus Christ by immersion, *Acts 2:38*. That was one of the first things when I got to Vancouver that they introduced me to; you see, this is all part of that striving, if you don't strive, how are you going to get anywhere. You don't have to go through everything that I had to go through, you just have to accept it by faith. God sent a Prophet - *Malachi 4:5 & Revelations 10*

*7. But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.*

No, William Branham was not an angel, he was the voice of that angel. The apostle Paul was not an angel, but he said my angel stands before me all the time. He was only transmitting what that angel put on his heart to say, he was the voice of that 1st Church Age Messenger, and Brother Branham was the voice of the 7th Church Age Messenger. Which was that angel speaking through him to bring us a message; I know that there are the many people out there, there are the Benny Hinn's, the Charles Stanley's and the John Hagees, they have thousands and thousands of

followers, but the only thing that is on God's radar is the fact, that He sent a Prophet, a Messenger with a Message - *'come out of her my people'*; to turn us back to the Word, and He took great pains to do that.

If these people had not evicted me from the colony I would never have found it. It was just like Joseph, his brothers put him down in a hole, had to sell him, and he ended up in prison, and finally, he got the position as the 2nd highest man in Egypt, because God chose it so. It wasn't his brothers that did it, it was God using his brothers to put him down that hole, sell him to these Midianites, and they sold him on the slave market down in Egypt, and that's how he came to be the 2nd highest ruler in Egypt, one behind Pharaoh.

In all that God has a plan; the plan is simply this: people up the road are going to want to know what's going on, and we have the answer.

If they come and asked questions we will have the answer just like back in the days of Daniel, at the time of Belshazzar, when the handwriting was on the wall, they knew where to go. They went looking for Daniel, and he had the answer. There will be people coming, right now they wouldn't even let you on their property; right now they don't even want to talk to you, we are just the scum of society. Why would they talk to scum, but somewhere up the road there is going to be some questions asked, and we have the answers!

The answers lay first of all in this message, God sent a Prophet to this age, the last Church Age Messenger, which is the Laodicean Church Age Messenger, William Marrion Branham. When he went off the scene, (the Lord took him), then the Lord could no longer use his vocal cords, and then God used Brother Jackson, a chief Apostle with an apostolic ministry, and He is going to finish it off as the scripture says with a 5 Fold Ministry. Where is that 5 Fold Ministry right now? I do not know. I do not know, but it's out there somewhere, and God is testing who is going to qualify to be in that Ministry. He is not going to let somebody minister to the Bride that does not even know when the cut off was for the Jews or that does not know when the Midnight Cry was; that has everything all twisted up, that says the 2 days are done, that says we are in the 3rd day!

He is going to use people that know what they believe; people that know why they believe it. This is all part of that striving to enter in at the strait gate. If you look at it, there is a semicolon here, - *Strive to enter in at the strait gate*: Right now you can still strive, and you will find that open door.

Then it says, for many, I say unto you, will seek to enter in, and shall not be able. That scripture does not apply now, but up the road when that door is closed, many will seek to enter in, and shall not be able to. Why will they not be able to, because the door is going

to be closed; It says, *when once the master of the house is risen up, and hath shut to the door, and ye begin to stand without, and to knock at the door, saying, Lord, Lord, open unto us; but Jesus can no more open up that door than Noah could in the days of the flood when they cried outside the Ark to let them in. The door was shut, Noah could not let them in, and here also when the door is shut, Jesus cannot open it anymore. Jesus is off the Mercy Seat. That's why when you strive now you can still enter in, I look back on my life, I have always striven, I was never content ever since that man came to our home. I was never content to be a Hutterite. I knew that was not the answer; I didn't know what I would have to do, but I was never happy I was never satisfied, I knew that that was not the way to Heaven like some people try to tell you — if you live on the colony, and you are faithful to the colony you'll get to Heaven; that's a lie; its deception. It's basically saying the same thing here in Matthew 17:*

*13. Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat:*

*14. Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it.*

*15. Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves.*

I tell you there are many false people out there, they have the intent of one thing, and that is to deceive you. They don't care what it causes as long as they can save their position; all they are interested in is a POSITION and a paycheque and a meal ticket. They will do whatever it takes at your expense. They will never tell you the truth, they will just tell you something you want to hear to tickle your ears.

I also know that there are people out there that are serious about their salvation. There are people out there that are going to hear this, and I'm going to say this, if you right now strive to enter in; If there is deep in your heart a yearning, you will find that open door. It's still open, and you will be able to enter in because it says they will come from the east, north, west, and south. These are the people that will have striven; everything has become a secondary item as long as they could get to that place to enter in at the strait gate.

They didn't care what their family said, they didn't care what their friends said, they didn't care what their children said, inside of their hearts there was a striving going on, and they cared for only one thing to settle that, and that is to come to that place in Christ where that striving is over.

*As Jesus said in **Matthews 6:33**. But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.*

I know what I had to go through to get there, it wasn't easy, but I couldn't stop until I found that pearl of great price.

*Again, the kingdom of heaven is like unto a merchant man, seeking goodly pearls: Who, when he had found one pearl of great price, went and sold all that he had, and bought it. Matthew 13:45-46*

It wasn't until I heard Brother Jackson preach, then I knew this is what I was searching for, this is it. There is a man that has no selfish motive, he has no hidden agenda; a man I could trust.

Basically, all I had to do is hang on to what he taught. After he passed away it's still not over we are still being tested. I know what he taught; I know what he said; I know where he said where the 3rd day begins; I know where he said the 2 days end: The 2 days end when the week starts, the week hasn't started yet, and many are out there, and they are trying to tell us different, but we are being tested with: what are we going to believe. Am I going to go up there, and confront them, and try to talk to them, to set them straight. No, my Bible tells me to withdraw from them:

*Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them.*

*Romans 16:17*

I'll say this right here now, that not everything Brother Jackson said is going to happen the way he

said it, you have to go back to the scriptures to find out what does the scripture say. There are things that Brother Jackson said, like in '96 he said: we are in the last decade. It has been 16 years now, or more since '96, and that will never happen. He also said some other things, I'm not going to say what he said that's not scripture. That's for each and every individual to go and check it out. If I tell you, you are just going to be lazy and not go search it out.

Inside the ministry of Brother Branham, and Brother Jackson that scripture has to be fulfilled: *The Fan is in His hand, Matthew 3:12 & Luke 3:17*. In whose hand - not in Brother Jackson hand; the fan is in Christ's hand. That fan is still going on separating the chaff from the wheat. I can see it twirling; I can see with some of the things that Brother Jackson said; I can see why he said it, because God allowed him to; Jesus Christ allowed him to say some of the things, because the scriptures cannot be broken, "*That Fan is still in His hand*", separating, and then one of these days,

*41. The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity; Matthew 13*

That's just up the road here. That's actually what Brother Fred preached on today. Who are they? I don't know. I believe I'm right on track; I believe I see things the way the scripture says it. I'm not buying into everything I hear. I'm not believing everything I hear;

I know what the Lord showed me; I know where He brought me from; why would He put so much effort in taking me out of the colony. He started when I was 7 years old to deal with me, and all that effort He put into me and when He saved me I got a prophecy:

*He which hath begun a good work in you will perform it until the day of Jesus Christ.*

*Philippines 1:6*

Now all of a sudden just because we separated ourselves from this group here that was trying to tell us a bunch of lies, and try to feed us a bunch of things that are not true, we decide we can't follow that, and did what the scripture said, — we withdrew from them that caused division not holding unto the doctrine. The Bible says, -from such withdraw.

Now all of a sudden we are lost, we are lost to them because we don't follow their program, but we are not lost to the Lord. He said, *He that began a work in you, He will finish it.* He will finish the work in us if we stay faithfully, and He will make sure that we do stay faithful. He is going to warn us when we go off course, and we are going to yield; we are going to do whatever it takes to stay on course. I firmly believe He brought us out here not to have a good time. I'm not interested in having a good time. He brought us out to teach us because there are a lot of people in these colonies, they are searching for something.

A lot of them leave because of religious reasons; they are looking for something, only to go from the frying pan into the fire; going into something worse, but it is up to them to keep looking to continue to strive as I did. I was caught up in that: the first thing I was caught up in was the Mennonite church, then I went to the Pentecostal Church, then I went to the Baptist Church, I went everywhere. Inside of me, I was yearning, looking for something, and I realized after a while that all these denominations are just another Hutterite Colony. Another place where they want to cage the people in, bring them under their teachings, under their denominational system. I heard one say, Sam if you join our church you can't go over to that church. Well, I'm sorry, I just left a system like that; why would I want to get caught up in another one like that.

Then they came with this Charity, (this Stolfuss group) and now we have all kinds of Hutterites getting caught up in this, that, and the other. Then, there are these Hillside people caught up with this group in North Dakota there. It's all false prophets, it's all deception, and Jesus warned us over, and over about these many deceiving spirits. All these spirits have gone out in the world, for me I don't have to sit down, and talk that much, if you cannot see that God sent a Prophet, and even the people that do believe that God sent a Prophet a lot of them are still lost, because

that's as far as they went. The Bible says, *he that shall endure unto the end, the same shall be saved.*

*Matthew 24:13*

When William Branham passed away, the Lord took him, that angel didn't die, He continued with Brother Jackson, because the Bible says, *"in the days of the voice of the seventh angel, when he shall BEGIN to sound"*. Who shall begin, — that angel, not Brother Branham, he was just a voice of that angel, and he began with Brother Branham and continued with Brother Jackson. When Brother Branham died that angel took over the vocal cords of Brother Jackson. Now, Brother Jackson has passed away, but that angel is still here. God is testing everybody to see who is going to be part of that 5 fold ministry.

Before he comes,

*He will bring to light what is hidden in darkness and will expose the motives of the heart. At that time each will receive their praise from God.*

*-1 Corinthians 4:5*

That is going on right now. He has not put it together yet, how can He put something together that's in such chaos. There are not 4 or 5 people that see the same thing. I wonder if anyone actually sees the same thing. Some say the 2 days are done; some try to tell us the Midnight Cry hasn't happened yet; all these things are being put out there, and God is testing. He is letting everyone say what they want to

say. We have to do what the Bible says, we have to strive, and it says when you found that place we have to do everything to hold on: *and having done all, to stand - Ephesians 6:13.*

That's what we are doing we are standing on what we have been taught, and I'll say it again and I'll keep saying it: not everything Brother Jackson taught is going to happen the way he said it. It is up to you, and me to go search the scripture, what he did say that is scriptural, because like I said, inside that message, that fan is still in Christ's hand that allowed him to say things. He was convinced that the things he said were right; he was convinced that in '96 we were in the last decade. Its pretty obvious now that we weren't.

He was also convinced in other things that he said; he had the rapture in the first part of the week. I can't see a rapture in the scripture until the prophets are killed, because that man of sin is not revealed until the prophets are killed. So what are you going to do are you going to take what Brother Jackson said above what the Bible says. Here is what the apostle Paul said,

*...for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; 2 Thessalonians 2:3*

*...that man of sin be revealed:* we know its the pope but we do not know who that man is yet. He is not revealed until he kills the prophets. It's the killing of the

2 prophets that reveals him. Before he kills the prophets, he is not that man of sin, he is a phony. He is a false prophet, and when he kills those 2 prophets he evolves into that man of sin and that's when he is going to be revealed as that man of sin.

*...and power was given unto him to continue forty and two months. Revelation 13:5*

The Bride is still here, that's what causes her to say, *Come quickly Lord Jesus*, because she knows she is the next on the hit list. So she says, *Come quickly Lord Jesus*, cause if you don't we are done, we are doomed, and then the Lord takes the Bride out, then the beast system, the Pope, gives orders to kill the foolish virgins, and the remnant of the Jews in Israel.

That's what I believe, and that all comes from - I simply got it from striving. That's all I can say, I can't take credit that God sent that man to our home. What did He do? He put something inside of me - Don't relax in that Hutterite Colony. He put that inside of my heart then; I was only 28-29 years old at the time, but He put something in my heart that I could never relax; I knew that that wasn't the answer, but in the early '90's when I saw all the corruption in the church, going into court, and all the things that were going on, I could not be quiet any longer, and at the end of the day I was terminated; I had to leave with nothing, but the clothes on my back. I count it a blessing to this day. The Lord took care of things. I'm thankful every day that He did

what He had to do. Like I said earlier, there is no point getting mad at these people that did whatever they had to do; you might-as-well get mad at God; it was God that allowed it to happen.

I was down in Georgia, and the Lord showed me a scripture, the blacks got really mistreated through the slavery, and there is a scripture that came to me, Blessed is he who is not offended in me. They blame the white man, and they blame this, and that, and the other. At the time I didn't know what that scripture referred to. When John the Baptist sent his disciples to Jesus to ask Him in Luke 7:

19. *Art thou he that should come? or look we for another*

....and Jesus sent back to tell John:

22. *Go your way, and tell John what things ye have seen and heard; how that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the gospel is preached. And blessed is he, whosoever shall not be offended in me.*

He said, blessed is he who is not offended in me: He didn't say, blessed is he who is not offended in Herod, or in his wife; He said, blessed is he who is not offended in me. He is telling John - you are in that prison because of me, and its like if we would blame the various ones, like Mike from Skyview, or my father-in-law, or the Hutterite preachers, or whosoever was instrumental in getting me out of there. No, that's not

the way it works; God allowed it - for what? So we could get this truth, and like I say everybody is watching what this Charity group is all about, they have less than nothing, they are just another Hutterite colony, full of religion.

The people are watching who is who and what. Somewhere up the road, there will be a people that have a truth that makes sense; right now you couldn't sell this to anybody, but up the road, you will. God didn't bring us out here for nothing, we are supposed to learn something; He is putting us through a school to learn what to believe; to learn why we believe what we believe. You can't tell somebody else what to believe if you don't even believe it yourself. He is schooling us, what we believe, why do we believe it, and is it scriptural.

We are not out here to teach the world we are out here to teach the people that we come out from because they are going to have some questions somewhere up the road.

That's what we are about, we are not out here to have a good time, although, I have to say I'm having a great time, not in the flesh, not going out for a party, I'm having a good time in the Lord. There are people I can talk to. I have freedom. I get to see the country. I see all these things, but at the same time, it's the blessings of the Lord. The only thing that excites me is when I can hear something from the Lord. This world

does not have anything for me; I have absolutely no use for the things of this world. The disciples before they died they thanked God that they were able to live a simple life while they were here on Earth.

*12. Denn unser Ruhm ist dieser: das Zeugnis unsers Gewissens, daß wir in Einfalt und göttlicher Lauterkeit, nicht in fleischlicher Weisheit, sondern in der Gnade Gottes auf der Welt gewandelt haben.*

*2 Corinthians 1*

That's all I want is a simple life, I don't want a big house. I don't want a big fancy car, big business, and all these things. I just want a very simple life; if I get a meal or two a day, that's fine by me; if I have a bed to sleep in, that's all I care about. All that other stuff is just an unnecessary weight on you and doesn't get you nowhere.

What I'm trying to say is if you strive, in this time, while the Grace Age is still on, that door is still wide open, anybody that's going to strive right now in this hour is going to find it. Here they can still do it, all they have to do is listen to what I said because what I am saying is the truth. God sent a prophet with a message, *Malachi 4: 5 Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the Lord.*

No, it wasn't Elijah, neither was John the Baptist Elijah.

*And his disciples asked him, saying, Why then say the scribes that Elias must first come,* -  
*Matthew 17:10,*

The scribes were trying to prove that Jesus was not the Messiah. So Jesus said to them, Elias has come already, meaning John the Baptist. No, John the Baptist was not the actual Elias, but he had that anointing; brother Branham wasn't Elias, but he had that Elijah anointing: he was that Malachi 4:5; Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the Lord. He not only was Elijah, but he was also Revelation 10, he was the voice of the 7th angel; he wasn't the angel, he was the voice of the 7th angel.

When God looks down and sees the masses of humanity down here, and you are one that believes this, His radar will pick it up. He is not going to pick up this John Hagee trash. The guy is out there preaching, but he is sucking millions off the people, the same with Benny Hin, or all these other denominations that put people in bondage. He went through great pains to send a prophet, and He vindicated it with the pillar of fire, and that's the only thing that God will recognize; that's the only thing His radar will pick up. When He looks at the masses out here - do they believe who I sent. In *John 17:3*, it says,  
*And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent.*

Jesus knew the program that He was going to have to be crucified and go to the father, and that through each period in the grace age He will speak through those messengers on earth that is why He said in, John 13:

*20. Verily, verily, I say unto you, He that receiveth whomsoever I send receiveth me; and he that receiveth me receiveth him that sent me.*

I remember when I first heard about a prophet, I didn't believe it, and the Lord spoke to me. I said, 'Is this true what these people are saying?' The Lord spoke to me in an audible voice: 'He said, this is my prophet, if you believe it, you will be blessed; If you don't believe it, he is still my prophet,' and I chose to believe it, and not only will you be blessed, He will bless your children, He will bless your grandchildren, and everything that you do; It's not just you that will receive His blessings, by believing it He blesses your offsprings. I have 5 children, I'm concerned about them, but there is nothing that I can do for their salvation. If God does not have them on His radar, like it says over in, *Hosea 4:*

*6. Because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.*

See we have not rejected knowledge: knowledge in the Bible means accepting the message for your day.

God sent a prophet, and we have accepted that we believe that; we have not rejected that. It says, because you have rejected knowledge I will reject you, and I will forget your children. If you look at the flip side of that: we are those that have not rejected it, we have accepted it, we believe it wholeheartedly, and therefore God will remember our children.

If God remembers your children you will not get a call in the middle of the night such and such got killed. The reason that happens is, they have rejected knowledge, and God forgets their children. God stays true to His Word. He is trustworthy. He is faithful. He is not going to go against His Word. If He happens to take one home He will let you know. He is going to let me know if something will happen. They don't live the way I would like them to live. As long as God has them on His radar, that's all that matters. There is nothing that I can do I can't tie a string on them - follow me where ever I go, do exactly as I say. No, as long as God has them on His radar, and He remembers that, and He will as long as we do our part, He will do his part. I have seen it. He is faithful to His Word. He can't be unfaithful, He can't even think of being unfaithful. He is more than faithful. He will do His part, and I have seen it so many times. He actually does more than His part.

Inside of your heart if you are striving you will find that open door, you will find that strait gate, that

waterway because today that door is still wide open and will be still open tomorrow, and the day after tomorrow and even next year, but somewhere in my generation, in my lifetime that door will close. I know it will, cause I know the hour we are living in. If you have a problem with this do as I did, talk to the Lord, ask Him, and He will answer you, and if you are really truly striving you will end up where I'm at.

I want to say one more thing in closing, this information will do absolutely nothing for you if you don't care enough about your eternal destiny if you are not willing to lose your life, and your reputation for His sake and for the Gospel, (and the gospel is believing the message for our day and hour).

*As it says in Mark 8:35: For whosoever will save his life shall lose it; but whosoever shall lose his life for my sake and the gospel's, the same shall save it.*

### **WHAT WE BELIEVE**

*We believe the Bible to be the infallible Word of God.*

*We believe there is only One Faith, One Baptism, and One God (Ephesians 4:5).*

*We believe there is only one way to Baptize and that is by immersion in the Name of the Lord Jesus Christ. (Acts 2:38). We believe that water baptism by pouring or sprinkling by the titles Father, Son, and Holy Ghost is a*

*counterfeit baptism which was introduced by the Catholic church in 325 A.D in Nicaea Rome.*

*We believe the Catholic church is mystery Babylon of Revelation 17:5 and anyone who is baptized that way is part of that system.*

*We believe that this is the last Generation before Jesus comes to sets up His Millennial Kingdom.*

*We believe that before He comes He will send that Spirit of Elijah as it is written in Malachi 4: 5-6. That Spirit of Elijah was manifested in the Life and Ministry of William Marrion Branham and he was also the Seventh Church Age Messenger of Revelation 10. He was not the Angel of Revelation but he was the beginning of the voice of the angel of Revelation 10 and that voice continued in the Ministry of Raymond M. Jackson. That voice will conclude in the Five-Fold-Ministry to perfect the Bride (Ephesian 4:11-13). We believe this to be the Truth and anyone who has not yet met the conditions so God can give them a Love for the Truth, He will send them a strong delusion so that they will believe a lie and be damned by it (2 Thessalonians 2:10-12).*

May God richly Bless each and every who is truly striving to enter in. Amen and Amen

*1. Es sind schon die letzten Zeiten  
d'rum, mein Herz, bereite dich,  
weil die Zeichen schon von weitem  
zum Gericht ereignen sich.  
Himmel, Erde, Luft und Meer  
machen sich, als Gottes Heer,  
auf zur Rache sondern Schonen,  
über die im Finstern wohnen.*

*2. Es ist alles fast verdorben  
in der ganzen Christenheit;  
Glaub' und Liebe sind erstorben,  
alles lebt in Eitelkeit.  
Wie es war zu Noä Zeit,  
so lebt jetzt in Sicherheit  
der gemeine Hauf' der Christen,  
die im Sündenkot sich brüsten.*

*3. Unverstand und Sündenleben  
herrschet und nimmt überhand;  
die dem Unheil widerstreben,  
sind als Fremdling' unbekannt,  
und wie Jesus selbst veracht't;  
ja ihr Tun steht im Verdacht.  
Wie ist denn der Welt zu raten,  
bei dergleichen Freveltaten?*

4. *Jesus wird bald selbst einbrechen,  
weil sein Heer sich aufgemacht,  
und sein armes Häuflein rächen,  
das zu ihm schreit Tag und Nacht.*

*Darum hebt das Haupt empor  
zu des Himmels Tür und Tor,  
daß ihr euer Heil empfaht,  
weil sich die Erlösung naht.*

5. *Weil der Feigenbaum ausschläget  
und anlegt sein Hoffnungskleid,  
so weiß man, daß sich erreget  
die erwünschte Sommerzeit;*

*ja die Blätter zeigen sich  
in den Frommen häufiglich.*

*Wer bemerkt der Zeiten Zeichen,  
wird dies Gleichnis bald erreichen.*

6. *Wächst das Reich der Finsternissen,  
so wächst auch des Lichtes Reich;  
jenes wird bald weichen müssen,*

*aber der Gerechten Zweig  
wird in steter Blüte stehn,*

*wenn die Welt wird untergehn.*

*Darum freuet euch ihr Frommen,  
euer Jesus wird bald kommen.*

*7. Hütet euch, daß nicht mit Fressen  
und mit Saufen euer Herz,  
noch mit Nahrungssorg' indessen  
sei beschwert, als Blei und Erz;  
daß nicht komme dieser Tag,  
wie ein Blitz und Donnerschlag  
über die auf Erden wohnen  
ohn' Erbarmen und Verschonen.*

*8. Ja, wir wollen deinen Worten  
folgen, traut'ster Seelenschatz!  
stör' der Höllen Macht und Pforten  
und mach' selber Bahn und Platz,  
daß dein Zion werd' gebaut  
und die schöne Himmelsbraut  
von den Banden dieser Erden  
möge bald erlöset werden.*
