

I want to read you something here:

*4. There is one body, and one Spirit, even as ye are called in one hope of your calling;*

*5. One Lord, one faith, one baptism,*

*6. One God and Father of all, who is above all, and through all, and in you all. Ephesians 4*

You have to stay with that one God; you have to have a reference and a respect for this Word otherwise as time goes on and as Humanity goes on things get perverted that is why you have to stay with what the apostles taught.

Paul said: *Galatians 1:8*

*But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed.*

I want to go over this and make sure we get it down into our DNA. There is one faith, one baptism, and one God. Like I say, as time goes on there are going to be more faiths starting to surface and more than one baptism. Then there is that three God doctrine starting to arise, but If you and I stay with that, one faith, one baptism and one God.

I want to read it to you in the German:

....

So we can clearly read here that there is only one believe, one baptism and one God, that means that there is no Mennonite, Hutterite, Amish, or whatever the name is. We have to go back to that one faith, the

faith of the early church. There is that foundation, and I seen all that during the night how important that is to stay with that original Word.

Heavenly Father we just read your Word and I pray that you will help me express the things that you allowed me to see and say them in such a way that people will be serious with their salvation and with your Word Lord. We gave you thanks in Jesus Christ Name we pray.

That is what the Lord allowed me to see and the reason we are where we are is because we have a reference and a respect for the Word of God. That Word has guided us and that is why we are here, and that is the only reason. If you did not have a love and a respect for the Word of God you would not be here. You would just be out there walking the streets just like everyone else, but see throughout the years the Lord has guided us with His unseen hand by that Word, and the reason being we have a respect for the Word of God. If you don't have a respect you can make it say whatever you want. You can read it and just read over it and make it fit your own ideology. Like to that guy we listened to yesterday, sometimes I go on the internet and to listen to these different preachers. This preacher was saying that the rapture can happen anytime. Well, that is not true, the rapture cannot happen until that man of sin is revealed, and that man of sin has not been revealed yet. We know that it is the

Pope, but we do not know which pope. When someone tells you that the rapture can happen anything, that lets me know that he has not respect for the Word of God. We can go from eternity to eternity and we can go from Genesis to revelation and we can see the functioning of the Word of God. The reason that is, is because we have a respect for the Word of God.

I don't want to get of topic here and the topic here is that Satan is going to come and collect His dues. There is certain things that Satan can do where the Lord will not intervene because he is going to collect his dues because when we let that Word go that he has a right to come and to collect his dues. The reason that is, is because people are not lining up with the Word of God. If we do not stay with that one faith, with that one baptism, and one God, then he can infiltrate his ideology and then he has access to your soul. If you let that go and is here is another things, those seven feast that the children of Israel were supposed to administer for 1400 years, which God gave them when they went out of Egypt. One was the feast of Passover and the second one was the feast of unleavened bread. They were commissioned not to eat leavened bread for 7 days. That types something, just like the first feast types the crucifixion, Jesus was crucified that was for all times. *Hebrews 9:28*

*So Christ was **once** offered to bear the sins of many; and unto them that look for him shall he appear the second time without sin unto salvation.* This second feast typed something and that was they were not to eat leavened bread for seven days and not to even have it in their house. That types that for 7 church ages the Lord was commissioning the Christians now that after the crucifixion grace was opened to everybody, for who so ever will, the gentile people had access to that Heavenly dimension, now for 7 days which types for 7 church age, which represents the 2000 years of grace and each church age was commissioned not to partake of false doctrine. That leavened bread represents false teaching false doctrine. That is why you and I cannot participate with false teachings and false doctrine. If the early church would have stuck with the teachings what the apostles brought and apostle Paul, there is one faith, one baptism, and one God, the whole world would be christianized. The early church they only had one faith, they did not have 10 different faiths. They only had one baptism, they believed that there is only one God and not those three God. As time went on you are going to see what happened Paul warned them before he went of the scene that after our departure grievous wolf will come in not sparing the flock. What they are going to do is they are going to bring in false doctrine and all they would have had to do is hang on with that Word that

the apostle Paul and Satan would not have access to them, he would not be able to come and collect his dues because he would not have any dues. As time went on we know that that is the direction that the church had to go. The church went into the Dark Ages. We in this hour have no excuse to fall for all these falls teachings. We have been given a commission through that second feast not to partake of leavened bread which is false doctrine. The early church had no problem with that, they believe in one God, one faith, and one baptism, but as time went on we jump over to what Paul said, that after our departure those false teachers will come in. John warns about it to that anti christ will come in. That is just the process that the church had to go through. Just as Jesus said in the second parable that the enemy came and sowed tares among the wheat. We know through these parables and church history how the church went into apostasy, then it had to go through the dark ages and all that. Then when the time was right God send forth the reformers. Just like a seed of corn that you put into the ground it has to die that is what happened to the church during the dark ages, then out comes the live from that seed as it slowly spouts and grows, and that is how God through the reformation slowly brought back what the early church believed.

We have gone through 10-20 years of teaching. The Lord had to take us out of that colony to teach us

something, to teach us what us these things, just like Joseph, his brothers sold him to these Mideonites and he ended up in Egypt. It was God that allowed his brothers to sell him to Egypt, so that he would end up in Egypt and eventually be the second highest in Egypt to save that nation and also his family from salvation. God allowed it to happened for a purpose, the same with you and I, the Lord allowed them to terminate us from the colony and that was the best thing that He could have done to take us here and to teach us the things that we now know, because there is coming a day up the road, if it would not be for you and me those colonies wouldn't know nothing. We are the only ones that have a handle on this end-time truth. The Lord has led us through this school to have these conversations to tape them and to put them out there because up the road they are going to need this right now they don't want you on their property. They think that we are the scum of society. That ought not to effect us, we have to do what we have to do, we want to be found faithful to what the Lord has called us to be. We can't allow ourselves to be intimated with what people say, do or think. As long as our standing is good with the Lord that is all we care about, it does not matter what people think. We have come to that maturity.

Going on to this one faith, one baptism and one God. There is a reason that the Lord inspired the

apostles to say the things that they did say, because He knew what was coming up the road. The church began to be infiltrated with anti-christ people, false teachers, false brethren. As Paul said, I have fought with wolves at Ephesus. It was not a timberwolf that he was fighting with it was these guys in the pulpit that were coming in and trying to take the Word of God and pervert it trying to make it say something that it does not say. It was these religious leaders and that what Paul meant when he said that he fought with wolves at Ephesus. If fought with them too, I know who they are they are those guys that are in the pulpit. You got up and challenge them and I tell you what you have a battle on your hands. Anyway we fast forward to 325 AD. I want you to read that where Brother Jackson explained that Nicaea council thing where Constantine instituted that from there on out everyone is going to be baptize in the titles of the Father, Son, and Holy Ghost. There are times that you have to have something that backs it up what I am saying.

#### ROMAN EMPEROR - CHURCH LEADER

*It is easy for us to see how a condition like this could have gotten into the church universal, in the 3rd church age, which is placed between the years 316 A.D. and 606 A.D., but what is strange, is that such a spirit could get into a local church within 40 years of its founding, to the extent that it could establish doctrine. No*

wonder John could write the little epistle on 90 A.D., saying, There are many Antichrists already. He could see what was happening in some of those churches already. In other words, Satan sowed seed in the latter part of that 1st age, that really began to produce a crop over in the 3rd age, some 240, or 250 years later. It was the Roman emperor Constantine, that actually opened the way for that Nicolaitan spirit to rule the church. In the year 312, on the eve of a great battle, he was supposed to have had a dream or vision, in which he saw a fiery cross in the heavens beneath which was written, "By this sign thou shalt conquer." He interpreted that to mean, that the God of the Christians was speaking to him. In other words, If you will accept this faith, you will be victorious. He had painted the Christian emblem on the shields of his army, and into battle they went, and came out victorious. That did it for him. He granted freedom of religion in the Empire, (made a decree that added Christianity to a long list of other religions) and established Sunday as a day of worship. In the oncoming years, he took a great interest in Christianity, and that is what led up to the Nicene council. He decided that the Christian bishops should be called together, to settle this Arian controversy over the Godhead, and to formulate Christian doctrine. This actually brought about a calm, took the pressure off of the Christians that had been laboring under persecution, and truly brought about a

*condition that corresponded exactly to the 3rd parable of Matthew 13. The parable speaks of time when the kingdom of heaven would be like a tree, whereby the birds of the air would come and lodge in its branches. That is exactly what happened, for these was a mass conversion of pagans, that began to swell the rank of Christendom from the very moment Constantine made his decree. Naturally as more and more pagans joined the ranks of Christians, doctrinal disputes became more and more intensified, so in the year 325 A.D., Constantine summoned the Christian bishops to meet in Nicea, for the purpose of settling these doctrinal disputes, and adopting a universal doctrine for the Christian church to follow. Naturally there were a few faithful pastors in that 3rd age, who would not even consider baptizing any other way, than in the name of the Lord Jesus Christ, but they were out-numbered, so they stayed at home, and let the others go do what they were destined to do. The trinity doctrine of the Godhead was adopted, and that sanctioned using the titles Father, Son, and Holy Ghost of Matthew 28:19, in baptism, instead of the name of the one to whom those titles belonged, (Jesus Christ) for the remission of the sins of the flesh. I will just have to say this, no matter what some may think, Any bishop that attended that council, sat there and allowed a Roman Emperor to dictate church doctrine to them, would have to have been a tare. But that just goes to show how strong that*

*tare force was by then. In other words, Satan got his council meeting, Satan got his church doctrine established, and that led right on into Millennial rule of darkness. Praise God, I am glad Satan's Millennial rule is already past, and that the glorious Millennial rule of Jesus with His saints is close at hand.*

There you have it, Satan's council. It goes way back to Nimrod that 3 doctrine spirit the devil counterfeit. It is all very simple all you have to do is believe His Word. If you through all of the epistles in the Bible you will find that they baptized in the name of the Lord Jesus Christ. It never says in the titles, the only reason it says that in Matthew, its like brother Jackson said: *The trinity doctrine of the Godhead was adopted, and that sanctioned using the titles Father, Son, and Holy Ghost of Matthew 28:19, in baptism, **instead of the name of the one to whom those titles belonged, (Jesus Christ) for the remission of the sins of the flesh.*** That is because of what Jesus did at calvary does titles belonged to Him. I don't know what the problem is why they can't just take the Word of God. They would have safety on the colony, keep the devil at bay. I am not saying that things will not happen but at least they would have the proper baptism. Right now they are sitting ducks, I don't know how far things will go. They are going to get persecuted. As long as you stay with that one faith,

one baptism and one God. The original baptism you will find in Acts 2:38

*Therefore let all the house of Israel know assuredly, that God hath made that same Jesus, whom ye have crucified, both Lord and Christ.*

*Now when they heard this, they were pricked in their heart, and said unto Peter and to the rest of the apostles, Men and brethren, what shall we do? Then Peter said unto them, **Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.** For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call.*

That is that one baptism that Paul talks about back in Ephesian. God has called us, and when He calls you He expects you to be baptized in Jesus Name, because that is the one true baptism and that is what we did. We got baptized in the name of the Lord Jesus Christ for the remission of our sins and now we have received the gift of the Holy Ghost and that promise is for us. We are living example of it we not only heard it we did it, we fulfil that promised we put action to that scripture one faith, one baptism, and one God.

Now just to continue with what happened to this mode of baptism and how it perverted we are going to fast forward to 325 AD, where Constantine who was a

sun worshiper but he had this experience and then he was trying to unite the Christians with his sun-worshippers, that is where you that Christmas thing originated from. He decided that he is going to combine Christ's birthday to December 25. That's the day that the sun worshippers celebrated their day which was December 25 when the sun starts coming back. He had already made it into law that everyone is a Christian now, people had to get baptized into the titles then he combined the Christ's birthday with the day that the sun-worshippers worshipped the sun. That is why you and I we do not celebrate Christmas, because it is a pagan thing and neither do we celebrate New Year on January one, because that is a pagan holiday too. The real New Year is in the month of Nissan which is March-April. I don't want to go into it because I want to stay on topic. The reason being why we can't go for that Christmas thing and that New Year thing, and why we can't go for that false baptism things is because you are opening a way for the devil. The Bible says, don't give space to the devil. That is why the devil will come to collect his dues. If you let that Word go you give Satan a right to your soul and to your property and everything.

I want to stay on topic: Satan will come and collect his dues, but if you are right he cannot take anything from you he is on a leach. There are certain things that the Lord cannot interfere. If you let that

Word go and yo have no reference and respect for the Word of God then Satan can come in and he can collect what is his. As time goes on you are going to have to power against those powers of darkness.

Satan came in with this false baptism at Nicaea Rome 325 AD. What he does is he introduces his counterfeit baptism. That is what happen at Nicaea. Paul warned of that those things will come when he warn the church that after his departed grievous wolves will come in not sparing the flock. Satan was working behind the scenes and waited until he could implement it. When the early church was around he could not implement it because they were on top of things and they knew how that anti-christ spirit works. What Satan did was he started spreading false doctrine and began confusing the picture and he waited until Christianity was falling asleep. Then he gets Constantine to raise up a council and he legislates that everyone will be baptized in the titles of the father, son, and holy ghost. So he came out with this counterfeit baptism. They were still baptizing by immersing but as time went on he began to change that too and were starting to baptize infants. Then it was starting baptizing by pouring, because there was this guy in the hospital that is how they justify this pouring thing. Since there was no river to baptize in so they just went in to baptize by pouring water. That is all the trick of the devil how he does things and by the

time the 1500 rolled around it was just infant baptism. He did not start out that way but what he does is he slowly boils that frog until you don't even know that you have been boiled. That is why you and I have to stay with that undefiled Word of God. Like you read we are coming out of Babylon from all these false teachings and brought us to the ministry of brother Branham.

There again you have to have scripture and in order to back up what I am saying here you have to go to *Revelations 1:9*

*9. I John, who also am your brother, and companion in tribulation, and in the kingdom and patience of Jesus Christ, was in the isle that is called Patmos, for the word of God, and for the testimony of Jesus Christ.*

*10. I was in the Spirit on the Lord's day, and heard behind me a great voice, as of a trumpet,*

*11. Saying, I am Alpha and Omega, the first and the last: and, What thou seest, write in a book, and send it unto the seven churches which are in Asia; unto Ephesus, and unto Smyrna, and unto Pergamos, and unto Thyatira, and unto Sardis, and unto Philadelphia, and unto Laodicea.*

*12. And I turned to see the voice that spake with me. And being turned, I saw seven golden candlesticks;*

13. *And in the midst of the seven candlesticks one like unto the Son of man, clothed with a garment down to the foot, and girt about the paps with a golden girdle.*

14. *His head and his hairs were white like wool, as white as snow; and his eyes were as a flame of fire;*

15. *And his feet like unto fine brass, as if they burned in a furnace; and his voice as the sound of many waters.*

16. *And he had in his right hand seven stars: and out of his mouth went a sharp twoedged sword: and his countenance was as the sun shineth in his strength.*

17. *And when I saw him, I fell at his feet as dead. And he laid his right hand upon me, saying unto me, Fear not; I am the first and the last:*

18. *I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death.*

19. *Write the things which thou hast seen, and the things which are, and the things which shall be hereafter;*

**20. *The mystery of the seven stars which thou sawest in my right hand, and the seven golden candlesticks. The seven stars are the angels of the seven churches: and the seven candlesticks which thou sawest are the seven churches.***

John was out there on the Isle of Patmos because of the Word of God. We are where we are today because of the Word of God. John was put into exile because they could not kill him so they put him out on some Island where all the wild beasts are, but the reason he was there was because of what he stood for which is the Word of God. Those seven church ages they typed the conditions that our going to be in the 7 church ages. There were more than 7 but the reason those seven were mentioned is because the condition that were in those 7 reflected the condition that was going to be in the church for the 2000 years of the Grace Age. We are not in the last one the 7th which is Laodicean. Just like that feast of unleavened bread typed that for 7 days which are those 7 church ages not to partake of false doctrine. Every church age had an angel, and that angel transmitted it to an earthly messenger. I can prove that too when you go to the first verse: *The Revelation of Jesus Christ, which God gave unto him, to shew unto his servants things which must shortly come to pass; and he sent and signified it by his angel unto his servant John.*

To paraphrase it this is the Revelation that God gave to Jesus Christ to give to the angel to show to his servant John. That is the same chain that God used through out the Grace Age. In the days of Paul, the Revelation was shown Paul by the angel of the church of Ephesus. Each church age had a different

messenger. Those stars in Jesus right hand are those seven angels that are revealed the Revelation to that particular messenger that was on earth. It is so important that we seen that. If you don't have a reference and a respect for these 7 stars that Jesus held, you are going to fall for all these false teachings that are out here. You are going to fall for these Joseph Smith and all these phonies that want to rise up, but if we see the picture how God is going to work in the Grace Age which is through these 7 church age messengers. God is going to communicate now through Jesus Christ, through that angel and that angel is going to communicate through mankind through that church age messages. The apostle Paul was the messenger for that age.

Jesus said in *John 17:3*

*And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent.*

Jesus was referring to Himself, then later on before He ascended He said in *John 13:20*  
*Verily, verily, I say unto you, He that receiveth whomsoever I send receiveth me; and he that receiveth me receiveth him that sent me (or will anoint).*

The apostle Paul did not fall down from Heaven and here he was, no that is not how it is, he was anointed with that angelic anointing to say the things that he said. Now here in our hour we are zeroing in on Laodicea, we are now living in the age of Laodicia and

that message for this age, just as John was instructed on the Isle of Patmos. This is the Revelation that God gave to Jesus Christ to give to the angel to give to his servant and in this hour that angelic spoke through brother Branham. That was the messenger for our hour and we have to recognize that. In order to to fulfil scripture with what Jesus said, this is eternal life that they will believe on him whom I will send, or who I will anoint. That is by those 7 stars that Jesus held in His right hand. That angelic messenger to Laodicean.

Going to Hebrew to go into the reason that God operates like that.

*1. God, who at sundry times and in divers manners spake in time past unto the fathers by the prophets,  
2. Hath in these last days spoken unto us by his Son, whom he hath appointed heir of all things, by whom also he made the worlds; Hebrews 1*

Now back in the Old Testament God spoke to the prophets such as Jeremiah, Ezekiel, Isaiah and all these prophets and then the prophets he transmitted it to the people. Whoever wanted to listen, they wanted to get rid of them because they did not what to hear what God had to say through the prophets that is how God worked back then was through the prophets. The reason was because back there, there was no Jesus to transmit it to, now in these last days he is speaking through His Son. God is keeping the same principles, He know longer will speak directly through the

prophets anymore He is going to communicate through Jesus and then Jesus, He is going to communicate to that star (angle) messenger and then that angel will transmit it to that earthly messenger. If you get this down into your DNA and you see all these phonies, all these false teachers, all these want-to-be's come on the scene, you can ask yourself a question, or you could if ask him, do you believe in water baptism in Jesus name, do you believe that God sent a prophet. If that person says I don't know what you are talking about and there is no use to spend time with them, because as time goes on he is going to rear you off course, unless of course they want to go that same direction. You have to go back to Revelation to what John saw: *I saw seven golden candlesticks; And in the midst of the seven candlesticks one like unto the Son of man.* Then in His right hand He held seven stars. That is the picture that John saw how God is going to work out His plan in the Grace Age.

Then you take it to what John said in *2 John 1:10* *If there come any unto you, and bring not this doctrine, receive him not into your house, neither bid him God speed:* Back then the deity of Christ was in question if they do not bring with them that Jesus was born in the flesh and John was saying don't believe these people. Now we in the hour we our living in the enemy is using a different tactic. We in this hour believe and now who Jesus is and we believe in the resurrection, but now

what is at question is these phonies. We know what God has done in this hour. Do you believe that God sent a prophet in that 7 church age messenger, do you believe in water baptism in Jesus name, and what that messenger taught us. If they don't know what you are talking about and have no interest in knowing then don't spend time with them. They have not even come to grade one for the hour we are living in. I want to stay with out topic as long as you and I stay within the confines of this Word and we don't allow these false teachings to invade us then satan has no right to our soul, to our property to nothing. He has no dues to collect from us.

I was listening to this guy and he was saying that they offered their children to Molac. His title was that Satan will come and collect his dues. If you don't give the devil any le-way and you stay with that Word of God, like it says, one faith, one baptism and one God, then he has you excess to your soul to your property. Then satan can't collect his dues. All these churches out there Satan will come and collect his dues. How does he do it, it is though that false baptism that he introduced, 90% of people are getting baptized in the titles of father, son, and holy ghost. That is Satan's dues and they don't even know it and eventually as time goes on Satan brings in apostasy, and eventually were he takes people is out to hell and death.

I am speaking mostly to Hutterites that is who I was thinking about yesterday. This Trudeau guy I got all worked up about him, but the Lord let me know that He is allowing him to do what he is doing with letting in all these terrorist. These Hutterite are sitting ducks they have no weaponry to defend themselves with. The only weapon that we have is the Word of God. They are under that false baptism and Satan has a right to their property. They have that Satanic, Nicaea Rome, diabolic, phoney baptism in the titles of the father, son, and holy ghost by pouring. That is not the original baptism that is in Act 2:38. Satan he introduced that baptism 1700 years ago but eventually he is going to come to collect his dues he is going to rise rob shed over all these churches because they are actually his through this phoney baptism. The only way they can get out because these terrorist can come in and they are going to come to these colonies there is a minister that had a vision about it in the USA how they came in and shot and killed women and children and raped. It is coming it is just a matter of time and the only way that they can get out of it is get back to the Word of God to that real baptism and then Satan has no access once that you do that.

Lets say that I was a preacher in one of the colony and I read this and believe it I would go out and it does not matter what people say, do or think. If I would be preacher and I would see it in the Word, what I would

do is I would go and get baptized in Jesus name by immersion. Repent and be baptized in the name of the Lord Jesus Christ for the remission of your sins and you shall receive the gift of the holy ghost and that is the gift promised to you and your children and to as many as the Lord your God shall call. I would just make sure that the I would do that. Then Satan he has no access to that property. That is scripture that Word is more powerful that anything that the devil can through at you. If God sees that you have a reference and a respect and stay within the confines of His Word Satan has no access to your property to your soul, he cannot come to collect his dues because he has no dues to collect.

I just want to give you an example of it, back when Jonas left the colony, I didn't pick him up, Henry Reimer picked him up but when fall came he did not have anymore work for him so he came to stay with me. I let him know if he comes to stay with me he has to come to church on Sunday, so for about 2 weeks he came to church but then one day I woke him up and he decided he got in late last night. What he was doing was he was out partying all night and then he wanted to sleep in. I let him get away with once or twice then I had to sit down and have a talk with him. I can't let you stay here living like that, go out drinking and living for the devil and then expect to come in here and expect me to just look the other way. I thought about brother

Branham he was that 7th church age messenger, he had the same problem with his son, Billy Paul. Billy Paul he decide that he wants to go out with the crowd, drinking smoking and messing around with women, and brother Branham tolerated it for a while, but one day he sat down and told him that he can't stay in this house living this way. He told him the church gave him this house and you cannot continue to stay in this house living like that so he kicked him out. I believe had he not kicked him out, something would have happened. I had to do the same thing with Jonas, the Lord was dealing with me that I can't have him stay in my house living like that. It was like the Lord was saying I gave you that house, you are the head of that house and you can't let that guy stay in your house, partying all night and expect me to keep things safe. So I sat down with him and told him that he can't be staying at my house anymore. He thought that I was just joking. What do you mean I can't stay here? I told him you can go out and live like that on your own expense, but you can't live under this roof, because the Lord gave me this house and you can't do this here. I had this conversation with him, but he didn't really listen. So the Lord gave me a warning, He slowly started to warn me you better do something with that, you can't keep on just saying it. I was driving through Minneapolis. I cut this guy off, I could have probably killed this guy, and the Lord was saying I told you take

care of that situation in your house. Then I loaded up some stuff up in Winnipeg my tires froze and I ruined a set of tires on the trailer I had. The Lord was saying I am warning you here, you need to take care of that situation in your house. I knew when I got home, and if I do not take care of that situation God is only going to warn me so many times then He will look into it. What I am doing then if I'm not listening when the Lord is warning me and I do not act on that warning I am giving room for the devil. Then Satan has access to collect his dues. Then eventually I kicked him out. He called me up one time at 11 o'clock at night and told me he is coming over, he wants to stay over. I told him, You are not staying in this house, it was snowing outside, it was cold. He said, where should I stay then and I told him I don't care if you stay in a snow drift, you are out of here.

I don't know where he stayed maybe one of his drinking buddies, but see I had to put my foot down - You are not staying here.

Then about three months later, and this is what I saw maybe some people will think that I am crazy, but what I saw was the angel of death coming. He was coming from the south-west and I could tell that he was serious, he was furious and he meant business. He was coming in the house and he didn't even knock or anything he just come in like a bully and he went and had a look to see if Jonas was still staying in my

house. I had kicked him out about 3 months prior so he was not there anymore. If he would have been staying there he would have taken his life and I know that for a fact. How do I know - I will tell you how I know, because he was not staying there he couldn't do nothing. Has I not done my part Satan would have come to collect his dues. Sometimes it is a person and sometimes it is property but it would have been his dues had I not been obedient to the Lord and that way I was giving room to the devil. Somewhere there is a scripture where it says not to give room to that devil.

*Be ye angry, and sin not: let not the sun go down upon your wrath:*

*Let him that stole steal no more: but rather let him labour, working with his hands the thing which is good, that he may have to give to him that needeth.*

*Ephesians 4:26&27*

That is what happens out there round about people give space to the devil and then the devil comes and he brings diseases on people and he takes their property or kills their children because they have given room to the devil because they have not stood with that first church age messenger. They don't believe it and they are not obedient to water baptism in Jesus name, and they are like an open door for the devil and like I say then the devil comes to collect his dues. That is a prime example had Jonas stayed at my

house that time that he came to check things out and I could tell that he was on a mission he was fuming. With all these things you are giving room to the devil. What Paul is saying here is to live a life that is above reproach so to speak so that you are not giving room to the devil.

That is why we are doing the fasting, so that we can be sensitive and not to give room to the devil. That is why I had to kick him out so I don't give room to the devil. I don't give the devil access to my children because I have to live a life that is pleasing to the Lord, otherwise I am giving room to the devil.

Anyway, after the incident I was going through Georgia and I heard that brother Boyd's son got killed. By putting all this together I know what was happening, his son was not living the way he out to live, and his son was living in his house, they won't tell you that but I know that has he done his part. Had he done his part Satan would not have had access to his son. That is why I was so shocked when I heard about it, because I realized how serious it was because it could have been my son. Had I not done due diligence, had I not been sensitive and listened to what the Lord had to say about this situation. I could tell that that angel meant business and then he found somebody, a minister of the Word of God, that was not doing due-diligence and he took his son because he gave room to the devil.

We learned the example from brother Branham he is our church age messenger. When I heard that it set an example for us that are living in that same church age. He told his son, Billy Paul, you are not living here living like that. That is what you and I have to do, not to tolerate someone living in the same house that wants to live that kind of a lifestyle. Having fun in the sun out partying all night and then come home and expect to live under the same roof, we have a responsibility. I can't proof it but I am sure if I heard the inside story but knowing what I know I know that he had access to that boy of his. I checked back and my son and his son were about the same age at that time. That's what floored me is that people don't take it serious. I saw the seriousness of it all and how furious that angel of death was. That is why I am saying that Satan is going to come to collect his dues. The Lord brought us out of that Hutterite system to teach us these things how serious these things are, because like I have said, these colonies are siting duck. We are the only two people that have an answer, there are a lot of guys out there they have a lot to say but they don't have nothing, we are the people that have an answer for this situation. They can protect themselves simple but taking what we are saying and believing it and acting on it. Like I acted on it when I heard about baptism in Jesus name, the first chance I had I went and baptized by immersion in the name of the Lord

Jesus Christ. I heard about it and I obeyed I acted on it. Now these people can do the same thing, they can all be baptize according to scripture. I don't know how they are going to work it, but in order to protect their property and their people and you can't protect them with guns.

L

That's the thing that people need to understand its by a spirit if you are under that false baptism of father, son and holy ghost, and you have that spirit their that false baptism spirit and the devil know where it is, and he just going to collect it and no armoury can protect you from the devil because he is a spirit, and when the time is right he goes to collect it because it is rightfully his their are only two forces in the world good and evil, God and the devil, and their is only one real baptism and that is in the name of the Lord Jesus Christ. Then the devil has no access and he come and collect what is his.

Sam speaks: It says my words are life and they are spirit and we believe in baptism by immersion and if you do that you have that right spirit, with that other baptism you are invited that spirit. You don't have to go through that Molluck thing you just have to accept that satanic, diabolic artificial phoney baptism, that Constantine introduced back at the Nicaea Council. There is only one baptism and then satan he brings in his baptism just like we said back in the garden there

was a commission given to be fruitful and to multiply and then God told them not to partake of the tree of good and evil and to partake of the tree of life and you shall live. There was one commission to be fruitful and to multiply but there were two laws or means by which they could do it, and they took Satan's advice and Satan's means of reproduction. Had they taken God's advice of reproduction. The women would not have to get dressed, and there would be no sin. God allows all of this for His own name sake, but He also gives us a warning. He knew that Adam and Eve were going to fall, but He gave them a warning. He knew that mankind would fall for that second baptism but see you and I we have no excuse we have to stick with that first baptism, baptism in the name of the Lord Jesus Christ. We came out of Babylon, once we began to see it we accepted it and we believed and we moved and acted accordingly. Satan has no access to our soul, our property and nothing, because the Lord is going to protect us, but if you accept Satan's baptism he is going to come to collect his dues. Like I said, once he comes to collect his dues, he already has apostasy in the church. The churches all around are ramped with apostasy, he brings it in with that false baptism, and he has access to feed you what he wants. Eventually as time goes on, this Trudeau bringing all these terrorists into the country, and it is all part of God's program as a punishment. He did it to Solomon when Solomon

drifted away from the Lord, like the Bible says, he brought in adversaries against Solomon. He did it against Solomon and he is going to do it here too. The only way out of that dilemma that the colonies are in, even if they would have an army to protect them its the spirit of it. That's what people need to understand, what spirit are you off. At the end of the day you have to defence you can call the police but they are not even going to come, the secretary of defence is a Muslim. He is not going to send the police in to protect you, the only protect is this Word. They don't know that, they are sitting ducks out there. Like I say, Satan eventually comes to collect his dues. The only way that he can't collect his dues is staying with this Word, lining up with it. We believe that church age messenger, like brother Branham said, if the churches of America would believe this message there would be no need for hospitals, but see because they rejected the messenger that give Satan access to America not there is every devil in Hell in America. The reason being is because they did not believe the messenger that God had for their hour. Here again we are coming back out of it and we can tell people there is only one hope for you and that is the Word, you have to believe what we have to say, because the Lord took us out to teach people and to tell them. Who is going to tell them, we are the only one that can tell them. That Jake Kleinsasser he taught that he was the saviour for the

colonies but were did he take it the proof is there. Then that Blumengarten Jake, I was in council with him quite a few times with him, and the last time he said you are out of here, because I told him about baptism in Jesus name, and about God sending prophet. They did not believe a word that I was saying instead it was you have until sundown to get out of here. I told him before I do, I am going to go home and have a talk with the Lord I said, I have a wife and five children at home. That you are making my wife a widow and my children orphans. What you are doing here is making my wife a widow and my children orphans, now God has every right to do the same to you. You are actually asking you to do that because it says with whatever judgement you judge that measure you are going to be judged with. I believe during the week that Dave from Rosevalley , he was driving back from Winnipeg and he hit a patch of ice that very week his wife died. I told them that God now has every right to do the same to you guys. He can make you a widow and make your children orphans. It didn't take long during the summer something happened up at Broadvalley, there were three guys that went into the septic tank and all three died leaving their wife widows and their children orphans. God is moving and Satan he is collecting his dues. Had they listened to what I had to say back there, I pleaded with them, I told them at least let us look at it. I said, if you build a kitchen you go all over

looking what is the best and the best is not good enough, and you put all that energy in to check it out. Why can't you take a look at this water baptism in Jesus name. Oh, we don't have to listen to what you have to say. That is the dilemma that they are now. There is only one foundation that will stand.

*20. And are built upon the foundation of the apostles and prophets, Jesus Christ himself being the chief corner stone;*

*21. In whom all the building fitly framed together groweth unto an holy temple in the Lord:*

*22. In whom ye also are builded together for an habitation of God through the Spirit. Ephesians 2:*

If your foundation is build on that catholic baptism it is going to crumble and Satan is going to collect his dues. It is rightfully his, because you have accepted his baptism. The Lord restored the baptism revelation in this century, we are coming out of this Babylonian teachings. The Hutterites they don't know that, they were not aware of it. We are coming out of it because the Lord expects that from us now. God is not going to hold us accountable what our father's got us into. It says in Ezekiel that you are not going to be held responsible for your parents did, and neither will parents be held accountable for their children. Everyone is going to have to answer for themselves. I

am not going to answer for my dad and he is not going to have to answer to me, nor for my children, I am responsible for my children and I pray for them and I live by an example. If they don't want to follow that, that is going to be their detriment. I am not responsible for that and here what your parents did, you are not held accountable. The mistakes that they made and whatever they did, it is not my fault. My fault is what I will do with that Word. That is what I am going to be held accountable with. When the Lord revealed His Word to be, there is one faith, one baptism and one God. I anchored onto it like a doberman, and eventually the Lord brought to me that one faith, one baptism and one God. There is only one faith, there is only one baptism and that is Acts 2:38, and there is only one God, there are no three Gods. God alone created all things then he gave His only begotten son Jesus to redeem it all back to Himself. This trinity doctrine is satanism and that leads to apostasy. This trinity baptism is not baptism at all that is why satan has access. It is just a phoney a delusion just like everything else Satan puts up. It is not real, it is just a way, for an example the colonies, to lock people in. You make this promise with the church. Like this guy that I knew he got baptized and the preacher told him, I want you to know when you get baptized here you can only fellowship with people that come to this church. That is what that baptism does it puts you into

bondage, into a prison. Into a pentecostal prison, a Hutterite prison that is the stronghold that they have over the people. Now when you get baptize in the name of the Lord Jesus Christ you are free. You are on your way to freedom when I saw it I just did it. I did not care with what my parents thought. I didn't care what anyone thought I wanted to be right with this Word. That is what the Lord was dealing with me on - It does not matter what people think, as long as you standing is good with me, that is all that matters. People will never agree with you, they will always find fault with you, no matter how good you are. They found fault with Jesus. If they can't find fault with you they lie up something about you. Like they do with Trump, if they can't find anything they lie up something, like the Russina collusion hoax. They try to set him up like he is the biggest criminal. That is the way the devil works. You can't let yourself be intimidated or fear mongered by what other people think. If you see it in the scripture you just go and do it. Taht is what I did. Let's say, I was a preacher and I saw it in the scripture, I would not care what that Leanard from Delta says or does, or that Jake from Mayfair. I would just go out once I saw it, or once I heard about it, once I studied it and I see it in the scripture, I would not even ask, I would find somebody that would baptize me in the name of the Lord Jesus Christ and then I would bring it to the people and if they want to come on board with me

they are free to do so. I would just go through that whole thing, and be baptized in the name of the Lord Jesus Christ by immersion for the remission of all your sins. Just like the early church did and then the devil cannot collect what is his.

He could not collect the life of my son because I did my part, I did what the Lord had warned me and guess he went somewhere where somebody was not sober, not vigilant not doing his duty, as I said, we were taught from brother Branham how to deal with your children if they don't want to toe the line. If they want to do the drug, thing, the music thing, and the hippy thing, the drinking and the partying thing. You can't stay under this roof you can do that on your own expense. If you would have done his part he would have been alive today. I knew by the way that angel of death came I knew that he was going to find somebody and he sure did, he was looking for that same person that is not doing his due diligence in his household. He is tolerating one of his kids to live for the devil and not living the example what brother Branham taught us - Billy Paul you are out of here if that is the way you want to live. I think he was out drinking and that kind of stuff and then the Lord began to bring him back and he eventually came back and lived for the Lord and he was a tremendous asset to brother Branham, but as long as he was out there living that way and brother Branham was doing his

part and he gave him to the Lord then the devil had no access to him, You just have to do your part. Then Satan cannot have no access to him, but you cannot have him under your roof and not doing you part.

Lorraine speaks: It backs it up with what happened in Egypt when the children of Israel were instructed to apply blood to the post of their door, have the passover and eat unleavened bread. They had to meet certain conditions in order to save their household. It is the same here if you meet the conditions then you don't leave an open door for the devil to come in and destroy. They did not follow that in Egypt. God instructed Moses to what the children of Israel should do and they followed the instruction and therefore they safe, in Egypt they did not follow it so the Lord had access to go in and kill the first born, even down to the animals, the first born of all the livestock was slain as well. When every thing lines up that can save their property and their household but you have to meet certain conditions, certain requirements.

Sam speaks: You can't give room to the devil. That is why we are living the way we are. That is why we are fasting, trying our best to present our bodies a living sacrifices. I was up to 240 lbs and the Lord began to deal with me that I can't operate like that. You have to present your body a living sacrifices. I'm down to 195 lbs but my goal is 170 lbs. That is where I am

comfortable with. That is why we are doing this because you cannot be a hypocrite and contradict scripture. You can't say one thing and live another way. You have to do what the Bible says otherwise you are giving access to the devil, and he will come to collect his dues, and rightly so because you have given it to him. That is why we are like a doberman on that Word. Nothing that will move us. We have anchored our soul in the haven of rest, we have anchored ourselves in the Word of God. The Lord sees that and he gives us a little bit more, then a little bit more, and the He opens up His Word to us.

Like last night he let me go through this thing how Satan he is going to come and collect his dues. I am mostly talking to these Hutterites, they are not listening to us now, but as time goes on they are going to see what is happening. These terrorist they can just come into these colonies and just slaughter them, they have no perfection because they are sitting ducks the way they stand right now. They only protection is in this Word, this Word is so powerful, no devil in hell can go over it. It says, my Words they are life and they are spirit. It says in *Hebrews 4:12 For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.*

It is more powerful than an atomic bomb, it is more powerful than the whole Canadian army put together. If you stay with this Word Satan has no access to it. All he can do is come and check you through and then he has to flee again. We are not giving him any room, when we saw water baptism in Jesus name we followed through with it, when we saw that God sent a prophet and we backed it up with the seven church ages, and the seven stars, the seven feasts and it is all backing, and lining up, we went for it and we held onto it like a doberman. Nothing can move us from that. That is why we have to check everything out with that Word, we don't believe these phonies that come along. Then you can check them out with the Word.

#1. Does he believe that God sent a prophet that it talks about in *Malachi 4*:

*5. Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the Lord:*

*6. And he shall turn the heart of the fathers to the children,  
and the heart of the children to their fathers,  
lest I come and smite the earth with a curse.*

2. Does he believe that God spoke through these seven church age messengers.

If they say, I never heard of such a thing, then don't even bid them God speak.

That is what we have anchored ourselves in. Satan has not access. Like I said earlier, brother Branham said if the churches of America would have believe the message for their day there would have been no need for hospitals. We believe that, we believe that message for the hour. We don't just believe it we live it, and I would not have it any other way. It is all very simple all you have to do is respect his Word. I saw that it takes a reference and a respect for the Word of God. One faith, one God and one baptism, the early church did not have all these issues with different faiths, but see God knew that that is what is going to happen down through time. That is why He gave that second feast, do not partake of that leavened bread, this false teachings, this false doctrine, false baptism in the titles - father, son and holy ghost. That is all included in that. Like Adam and Eve they were warned do not partake of the tree of good and evil, use reproduction from the tree of life. Then they would have been ok, and they would not have brought that chaos into the world.

All these things have been written for us, for our admonition *1 Corinthians 10:11 Now all these things happened unto them for ensamples: and they are written for our admonition, upon whom the ends of the world are come.* We will have no excuse, because we have this Word we have all these examples, and now eventually these Hutterites are going to get this message. The Lord told to give every colony a book on

this Chart, and Strive to enter in. We went out and make 700 books and sent them to every colony in North America. Not only to colonies but to groups of people, to ex-hutterites, to these Woodcrest people, and what they are going to do with it is going to be their problem. There is nothing that I can do about that, it is there, and as I said, some will tear them up, burn them, or send them back, but there are some that will believe it, because it is just the way the Lord deals with people. He is not going to tell me to send them out and there is no one there to receive them. There are some people out there but I don't know where they are. That is why the Lord told me to send them to every colony because I am not God. If you send them to everyone and 1 out of 10 gets something out of it so be it. The cost is not my concern. It is who so ever will. There are people out there they will accept it and believe it, and know the hour that we are living in. That spirit of God is still out there, searching the heart for who so ever will. As it says in *Revelation 22:17*  
*And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely.* The water of life is simple believe the message for your day, right here what we are talking about that is that water of life. That is that meat in due season. That is that word for your hour for your day. We have it

undefiled unadulterated, unpolluted and all they have to do is believe it.

It is all about property about the gemeinschaft, about this false doctrine. They preach it in their sermons: *Wer gesäuertes Brot ißt vom ersten Tage an bis auf den siebenten, des Seele soll ausgerottet werden von Israel.* Its a type and it was very serious here it is the same thing only ten times more so, if you partake of this false baptism you have no part in that kingdom of God, you might say what about our forefathers, our grandparents, our parents they got baptized that way. Well, you don't worry about them you just do your part. Now that this thing has been brought to the forefront they did not know. They have been taught that way, and their parents taught them that way, but here in this end-time the Lord is taking the wraps off the Word of God and He brought out water baptism in Jesus name. I was content the way I was until I was about 45 and then the Lord brought water baptism in Jesus name to my understanding. Up until then I was content but once it was brought to my attention the first chance I got I got baptism in Jesus name and I did not care what people thought, and I had only myself to be accountable for image the responsibility that it will be on that colony all those people he is accountable for, and to get that burden of his heart. I don't care what that Leonard from Delta says of does, I don't care what anyone does, I am

going to go down and I am going to be immersed in the name of the Lord Jesus Christ for the remission of my sins, and then I will ask whoever wants can follow me. That is the safety net and that is the only weaponry you need. It says, my Words they are life and they are spirit. They are more powerful than any army, than any two-edged sword. Back then the most powerful thing was a two-edged sword. If Jesus would be here today He would say it is more powerful than an atomic bomb. What is the most powerful weapon today - Its a nuclear bomb. That Word and the spirit of the Word of God is more powerful than that, because God said, I have put my Word above my name. The way that Jesus defeated Satan is through the Word, and here again in this end-time all we have for a weapon is the Word of God, for our hour, you can't quote scripture out of season.

It says in the song below, a prophet has walked this land, proclaiming the way to God, if you would be saved today then follow the Words He gave. That is baptism in Jesus name, and accepting the message for your hour, for your day.

*Heavenly Father we just had a conversation around your Word, I just ask that you take it and use it for your honour and glory Lord, help us to walk humbly before you in Jesus name we pray. Amen*

***This is the Evening Time***

*The god of this evil age,  
Has blinded the minds today;  
Of people who walk their own way  
According to God's own Word  
Denying the things He's done  
Of sending His only Son:  
Accepting the creeds of Man  
Rejecting the Word of God:*

*This is the Evening Time,  
It's later than you think.  
The Bride is preparing now  
For Her Lord to meet.  
All things are ready now,  
So come by near here,  
he that hath an ear to hear  
The Evening Time is here.*

*The darkness throughout the land  
This world just can't understand.  
A Prophet has walked this Land;  
proclaiming the way to God;  
If you would be safe today,  
Than follow the words he gave.  
Accepting the Word of God;  
For this is the Evening Time.*
