

*Halleluja praise the Lamb  
Halleluja praise the Lamb  
I will sing His praise again  
Halleluja praise the Lamb*

*Halleluja praise the Lamb  
Halleluja praise the Lamb  
I will sing His praise again  
Halleluja praise the Lamb*

**No Other Fountain**

*I will put my trust in Jesus,  
As I lay upon His breast.  
I will take my comfort from him,  
I will find in him sweet rest.*

*All pain will leave my aching body,  
As His sweet, healing flows.  
Demons tremble in His presence,  
In Jesus name, they have to go.*

*On some morning in that yonder city,  
I will awake to sleep no more.  
In God's presence live forever  
All sin and pain will be o'er*

*For there is no other fountain,  
Where I can be more satisfied,  
Than in the arms of Christ my Savior  
No blessings I will be denied.*

It is very important that we get together every Sunday, just the two of us, I didn't set it up, the Lord set this up, it is a neat set up when you analyze it. We don't have to preach to a bunch of people it's just you and me, and whoever wants to listen in.

I was thinking during the week, our only ambition in life is to make it to that marriage supper of the lamb. To sit at the table. That is our blessed hope. We are doing whatever it takes to get there. I used to think I have to talk to the whole world how to get there, but no that is not how it works. Everyone has to look for their own path. If I tell people what I think they would run me out of town. They will have to search it out for themselves. So it is a blessed time, to set time aside, get together and have a conversation about what the Lord puts on my heart to say, then the Lord told us to set up this website and put the conversations on there so people can listen in. As time goes on there will be thousands of people listening in. This is the truth what we are saying, and if people are listening in and believing it, because this is not my program this is what the Lord impressed on my heart to do, they will find their way to the marriage supper, and they will not be boot out. There is enough information on this website to help people. Like Jesus said: *As the Father gave me my kingdom so will I give you your kingdom.* There are ways in the Bible that lay out the path and that is what we are trying to do is walking that path. At the end of the day, it is that Word that will control us.

It's a neat setup that we have here, we are responsible for each other, the Lord brought us together. We can't be hypocritical we can't say one thing and then do another. You might get away with it for a bit but eventually, it is going to

backfire. That is what I have noticed since brother Jackson left the scene, the Lord is holding people accountable to what they are saying, and what they sing. You can see what is happening all around, places where the song service used to be so anointed when brother Jackson was here, now the anointing is gone and they are just songs now. It has all become an entertainment session and is no longer anointed and inspirational.

We try to live up to what we sing and say, yes we still have a ways to go but at least we are honest about it. We are not there yet, but we are striving and that is all that God wants us to do. *Strive to enter in at the strait gate.*

Here is another thing it is one thing to find the truth, you know what you had to go through to get to where we are today. We had to forsake everything, but it is another thing to stay the course. I would say that coming to this truth is easy compared to now, you have to conduct yourself in a manner that you stay the course. That you don't get sidetracked by all these perverted versions from what brother Jackson taught. Its similar to planting a garden, it is one thing to plant a garden but it is another thing to maintain that garden. You have to endure to the end and that is our ambition in life. If someone wants to listen in, that is fine, that is why the Lord told us to start this website it goes all around the world it is there for the taking, we don't charge anything. I know that the Lord is leading this thing He gives me what to say from week to week. This week He was dealing with me on the topic: And they knew not.

We travel a lot and we see a lot of people and it's amazing how so few people are concerned about their eternal destiny. How little effort is being put in to seek that kingdom. Sure there are a lot of people out there that go to

church but when you confront them with God sent a prophet and with baptism in Jesus name by immersion, the things that lead you to that glorious rapture to that blessed hope, they have absolutely no idea what you are talking about. They are totally oblivious to what God is requiring from this generation. The day will come when the door of grace will be closed, Jesus will leave the mercy seat and will no more be interceding for the sin of mankind, just like that door going into the ark in Noah's hour, the day came when God closed that door and the rain started falling, and they could no longer enter in. It is the same in this hour people think everything is still going good, they were still eating, drinking, marrying and giving in marriage in Noah's hour, AND KNEW NOT until the flood came. That is the scary part for people living today that are not aware and like in the days of Noah - They knew not until judgment will hit. Sometimes I even wonder if we are the only ones, but I also believe that there are pockets of people out there that have a desire and someday we are going to meet up with them. If we are earnestly contending for the faith then everything falls by the wayside, everything else is just a secondary item.

That's the beauty of serving the Lord He is always moving on. He is always there, He is always exciting. That oil, that presence, that is something that you never want to lose. Going to church doesn't cut it, it's that intimacy. Every week He gives us something new. He is new every day. I do not know how people live without Him. I have learned to get to know Him. That is what Jesus said: *That we may know Him and Jesus Christ whom He sent*. That is God's desire that we get to know Him and the only way we can get to know Him is through His Word and walking with Him.

*To be like Jesus, to be like Jesus  
On earth I've longed just to be like Him  
All through lives journey,  
From earth to glory,  
I only ask just to be like Him.*

That is our desire, if nothing else, the closer we get to Jesus the further the World goes away, and the closer we get to the world the further we go away from Jesus. It is like a seesaw, and at the end, the things of this world will go away, so why not try this with all your heart. There is no other way you just have to crucify the flesh if there would have been another way I would have found it

*WITHOUT HIM  
Jesus, oh Jesus  
Do you know Him today  
Please don't turn Him away  
Oh Jesus, my Jesus  
Without Him how lost would I be*

*Without Him I could do nothing  
Without Him I'd surely fail  
Oh, Without Him I would be drifting  
Like a ship without a sail*

*Jesus, oh Jesus  
Do you know Him today  
Please don't turn Him away  
Oh Jesus, my Jesus  
Without Him how lost would I be*

*Without Him I would be dying  
Without Him I'd be enslaved  
And without Him my life would be worthless  
But with Jesus, thank God I am saved*

It says in that song: without Him, I would be dying; Without Him I would be enslaved; Without Him, life would be hopeless; without Him, I would be enslaved. We were enslaved. That Hutterite system is like slavery. I am not trying to demoralize it. When we sing these songs there is absolutely no way that that system could have kept us in there. Somewhere the ropes have to break because when you serve Jesus there is no way that you can be enslaved, with Jesus, thank God I am free. Jesus sets you free from these things. Its like a dam of water if you keep holding it back eventually it will have to burst. Let's say you have water coming in and you have a 300 foot dam, that dam can only take so much and eventually it will have to burst and that is how it is with knowing Jesus all these things have to go. That slavery somewhere along the way it will have to fall by the wayside. The banks will have to bust the grace of God will have to overflow, you can't hold it back, and Jesus wants us to be free. If anyone tries to cage you in it is not going to work, you are just going to take your wings and fly.

The only crime we committed was '*as a deer panted for the water so my soul longed after you*'. It says, that in the last days good will be called evil and evil will be called good and that is exactly what is going on now. They have us pegged like we are the sinners, the losers. Like I said, the only crime we committed is our desire for the Word of God. We are not interested in playing the game and that is why we are where we are. The Word tells us that that is how it is going to be in

the end time: *You will be hated for my namesake.* We are sure not doing it for our sake, there is nothing in us that is of any value. It is because of His name sake that we will be hated. That means those people that are material minded, those people that are not born again; people that are only interested in the things of this world, they will hate you, no matter how much they try to dress it up.

*Lasst mich geh'n, lasst mich geh'n,  
Dass ich Jesum möge seh'n;  
Meine Seel' ist voll Verlangen  
Ihn auf ewig zu empfangen  
Und vor seinem Thron zu steh'n. ::*

*2. Süßes Licht, süßes Licht,  
Sonne, die durch Wolken bricht,  
O wann werd' ich dahin kommen,  
Daï-, ich dort mit allen Frommen  
Schau' dein holdes Angesicht? ::*

*3. Ach, wie schön, ach, wie schön,  
Ist der Engel Lob-Getön!  
Hätt' ich Flügel, hätt' ich Flügel,  
Flög' ich über Tal und Hügel  
Heute noch nach Zions Höh'n. ::*

*4. Wie wird's sein, wie wird's sein,  
Wenn ich zieh' in Salem ein,  
In der Stadt der gold'nen Gassen!  
Herr, mein Gott, ich kann's nicht fassen,  
Was das wird für Wonne sein! ::*

*5. Paradies, Paradies,  
Wie ist deine Frucht so süß,!  
Unter deinen Lebensbäumen  
Wird uns sein, als ob wir träumen;  
Bring' uns, Herr, ins Paradies. ::*

**BATTLE SCARRED SOLDIER**

**CHORUS:**

*Open your eyes you battle scarred soldier  
We're closer than ever before  
He may appear before a new dawning  
His coming is nigh at the door  
Men will be lovers of self  
More than lovers of God  
Filled with faint pride  
Worldly pleasures have drawn them away  
But if we're his children  
We must feel the chastening rod  
For those that he loves  
He will teach them to trust and obey  
Some people believe  
That his coming is still far away  
They often grow weary  
And so often they lay down their load  
But just up ahead are the signs  
Of a much brighter day  
Don't lay down the cross child  
We're too near the end of the road*

That is satan's greatest trick: Oh there is still lots of time. That is what Jesus said, and was lamenting over: *Matthew 24:39*

*AND KNEW NOT until the flood came, and took them all away; so shall also the coming of the Son of man be.* The same with Sodom and Gomorrah, they were completely oblivious. It is the same today, just look around, people think that I'm crazy when I tell them that this is the last generation, 2020 is the end of the grace age, it might slip into 2021, I don't quite know when that cut off will be, God's calendar is from April to April. I have to trust the Word of God, at midnight there was a cry made. That midnight cry happened in 1963, February 28. We can trust that Word, if you can't trust that Word what can you trust. That is why we are where we are today we have put our trust in that Word.

I was thinking this week in the last 100 years you have all these insurance programs: insurance for your credit card, website, your car, you can't make a move without some kind of insurance. Many years ago the Lord gave me this scripture here, and it is exactly the opposite of what society wants you to do, it's a mistrust for Jesus. The Lord woke me up at 2 o'clock in the morning one night, 'Nahum, Nahum, Nahum' three times. I went to read Nahum 1:7 The Lord is good, a stronghold in the day of trouble; and he knows them that put their trust in him.

He knows them that put their trust in Him, society will try to brain wash you into buying insurance for this and that. What it does it takes away from this very scripture. What is behind it all is satan, he runs this whole society thing, he is the prince of this world, society wants you to buy life insurance and it the exact opposite of this scripture, *The Lord is good, a stronghold in the day of trouble;*

*and he knoweth them that trust in him.* What can be better than to have the Lord as your stronghold, if you don't have your trust in the Lord this world trend it is just going to overtake you off into left field. If we take the opposite of this scripture, the other side, like I said today, it is all about insurance today, the very opposite of putting our trust in Him. We have put our trust in the Lord because there is absolutely no way that we can protect anything from happening, with terrorism and all the things that are happening in the world today.

So I was thinking about that all during the week, the opposite of insurance is putting your trust in the Lord. When they first came into this country here, they had to put up with these Indians, the elements, they didn't have the equipment that is available today, and all that and they somehow made it, they somehow made it through. They had to put their trust in the Lord.

Everywhere you go today it is all about insurance, even this company that we work for, they have all these programs out, they call it safety and compliance, but what it really is, it is a program, a socialistic program, to completely take away your trust in the Lord. They want to take God away. They want to rob you of your common sense with this safety thing. Like as if that vest is going to prevent you from having an accident. Only the Lord Jesus Christ can, real safety is only in Him.

We are planning to go to Israel and where are you going to start and where are you going to stop with buying insurance. Jesus is our safety. Like this thing that happened last week where these computer hackers they hacked it and stole vital information. I want to say this, in Jesus you have assurance, He is going to protect your finances, your

property, and all you have to do is making sure that you are walking hand in hand with the Lord Jesus Christ, at an intimate level. That is where the Lord is trying to bring us to. He wants to bring us to that place in Him. That is where He wants every Human Being to be. *Seek ye first the kingdom of God and all these things will be added unto you.* You are not going to need all this insurance. I listen to Mark Levin, a talk show host, and he has insurance for this and insurance for that, and then he wants you to buy gold to diversify. All that is good and well if a guy does not have his trust in Jesus. It might take you a little further than the guy who doesn't do anything, but if you put your trust in Jesus He will see you all the way through this horror that is coming on this earth, because it will shake every aspect of society. I read over in Ezekiel 38, He will even shake the fish of the sea and the fowl of the air. The whole infrastructure is going to be shaken. I have been seeing all this during the week, put your trust in Jesus, He will see you through. I can't emphasize that enough in Jesus Christ is the only safety.

In the Apocrypha, I read one day years ago, in the book of Esdras, he was fasting and praying a lot, he asked the Lord what it was going to be like in the end of days. He wanted to see and know what it will be like in the end of days. In the hours that we are now living in. The Lord gave him a vision or a dream and in it he saw this young man going from city to city to see if there is anyone that he could find that is interested in the ways of the Lord; in the way of eternity, and they kind of looked at him strange as if to say where are you from. He saw how they were so overtaken with wealth, with prosperity. That is exactly what I saw last week. It kind of baffles you and I was reminded about that vision that Esdras had. He saw what is happening today. We can go

out there and tell people that the Lord is coming in this generation and they think you are crazy. There are very few that will go along with us. That is what Esdras saw, if you go out there and tell people about the coming of the Lord when they are so caught up with there building program, they absolutely don't have a desire to even have a conversation about these things, sure there is the odd one, but in general they think you are crazy. When you step back and you look at society, it says: *men will be lovers of pleasure more than lovers of God, some people say that His coming is still far away.* That is all a trick of the devil but we are living in a world of reality, we know the hour we live in.

After the resurrection when Jesus met those two disciples that were on their way to Emmaus, in their conversation they said:

*But we trusted that it had been he which should have redeemed Israel: Luke 24:21,*

Then in Acts 1:6-7

*When they therefore were come together, they asked of him, saying, Lord, wilt thou at this time restore again the kingdom to Israel?*

*And he said unto them, It is not for you to know the times or the seasons, which the Father hath put in his own power.*

We know that Israel will not be restore until God will restored to them their borders that He promised to Abraham. When we look at the verse we have to understand that Jesus was talking to the disciples in 33AD, *It is not for you to know the times or the seasons*, now, on the other hand it is for someone to know, and we happen to be the somebody that do know, because God has given to us that midnight cry, and we are living in the times and season where these things are

going to happen. At midnight there was a cry, but before God could give us the understanding of the midnight cry, He first had to give us a reverence and a respect for the Word of God. We believe God sent a prophet, and on the heels of that prophet, He sent an apostle, brother Jackson. That is all verified by the scripture: *But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets Revelation 10:7.*

That angel began with the vocal cords of brother Branham and continues with brother Jackson. Before God could give us that midnight cry we had to have a reverence and a respect for Gods program that He has. That word *begin* He had to burn into our DNA how important it is, then He could give us that word at *midnight there was a cry made*. In 1963 there was a cry made: *Matthew 25:6 And at midnight there was a cry made, Behold, the bridegroom cometh; go ye out to meet him.* In 1963 that cry was made at Sabino Canyon Arizona. God revealed the revelation of six of the seven seals in the book of Revelation to brother Branham to give to the church of Laodicea. What you and I are doing is getting that down into our DNA, we are not interested in some building project. Like that colony that I come out of Riverside now they tearing down this electric shop and are probably building this gigantic shop. I used to be part of that program but with believing the things that I believe I could not be part of that anymore, my makeup could not go along with that. I believe that the Lord is coming in this generation, the Lord spoke to me one night: Sam, I am coming soon. That went into my DNA, when the Lord speaks to you it goes into your DNA, you live and breathe that voice that spoke to you. He is coming in my lifetime, and as I set my sights

toward the heavenly, scripture upon scripture kept opening up and the Lord brought me into contact with this end time message. Had I not taken heed to that voice that said: Sam, I am coming soon - I would be out there doing what everyone else is doing, but see we are putting this information out there on the internet, and they can believe what we believe, see what we see, and make it to the marriage supper, there is a lot of good information on there. I could go back and listen to it and learn something. For myself, I could never stand to hear myself but these messages, I can go and listen to them and learn something. There is something in there that stabilizes you. Like the message, 'His name is called the Word of God'. There is so much in that. I used to wonder why His name would be called the Word of God, and that is because the Word of God had preeminence over His own decisions. When He went to Calvary, He saw it in the Word, and He saw the Word of God to be more important, and decided that the Word of God is more important than His own will. That is why when He returns His name is called the Word of God and those that are with Him have also allowed that Word to become their compass that is why we are where we are at today, because of that Word. Sometimes you have to take a step back, and you see the overall picture, how good will be called evil and evil good. I want to touch on a scripture in *Micah 4:3*

*And he shall judge among many people,  
and rebuke strong nations afar off;  
and they shall beat their swords into plowshares,  
and their spears into pruninghooks:  
nation shall not lift up a sword against nation,  
neither shall they learn war any more.*

If you turn your TV on it is all about war, and violence the same as it was back in the days of Noah. It has to be that way, violence covers the earth, as it was in the days of Noah. You have to step back and look at what the Bible says and take a look at the society that we are now living in. We don't have to be intimidated, God will somehow see us through. He saw Noah through; He took Lot out of Sodom before the destruction came. We don't have to worry about what is going on around us all we have to do is put our trust in Jesus; *I have anchored my soul in the haven of rest, I sail the rough seas no more.* That is really the only solution that there is and that is Jesus Christ. Like I said, You can go buy some gold but that will only take you so far, you can go buy insurance but that can only take you so far, you can put safety things around your house, but by the time someone comes the damage is already done, already broken in and just waiting for the police to come. The same with this gun control, if you don't believe what we believe you have to have a gun to protect yourself because by the time you call the cops and until they come they can already be gone. We have put our trust in Jesus and He will protect us from all these things. That goes hand in hand with the scripture in Nahum: *God knows those that put their trust in Him.* We have to live in a world of reality. We are living in the last generation.

The midnight cry happened in 1963, and you can do the math, the Laodicean church age started in 1906. We have it all on our website, what we believe and why we believe it. They can look it up and see for themselves. This is the age where everything is at your fingertips. They can search for brother Branham and brother Jackson. They can listen to the messages: The seven church ages. There are seven church ages that cover the grace age and we are now living in the

seventh church age which is the last church age of Laodicea. At midnight of the seventh church age, there was a cry made, and that cry happened in 1963 when God opened up the revelation of the seals in the book of Revelations. Laodicea started in 1906, and 1906 to 1963 is 57 years, now if you add 57 years to 1963 you have 2020 which ends the grace age.

God has a very simple program if you can't see it you are out there, in the dark, groping like a blind man. Had the Lord not given me that word *at midnight there was a cry* and put the spotlight on it I would not know this, in order for the Lord to put a spotlight on it I had to know the church ages, I had to know all these truths and then the Lord could add to these truths. In 1963, that cry came, that midnight cry happened God revealed the revelation of six of the seven seals of revelation.

Then after the grace age there are seven more years left to the Jewish people, which you can find in Daniel, the seventy weeks of Daniel. That count started in 445 BC when Nehemiah set back to rebuilt Jerusalem, that count continued on to the birth of Christ and at the crucifixion, it was cut off at the end at the 69th week. With one more week, of seven years, being left which are going to be the seven years after the grace age is over.

Then at the end of the grace age, there are 75 days left according to Daniel 12:11-12. It is all very simple for you to see it and to understand if there is a hunger and a thirst there. It is a living word to us and you cannot mess with that. That whole Word is like that, it is line upon line, precept upon precept and all you have to do is have an intimate relationship with the Lord Jesus Christ. Let that Word be your guide. I know there are a lot of people out there that say they have an intimate relationship with Jesus Christ, but you have

to have an intimate relationship with that Word too. That Word has to be above your very name; above your reputation. You don't worry about your reputation. It has to be above your family, they have to be secondary. It is that Word, and once God sees that you have a reverence for His Word, He will open it up to you. There it is as clear as day. That is why I say that Satan does not like us because we got his number, we have that Word, a powerful weapon against the enemy, we have the understanding of that Word, and it is crystal clear.

Then you step back and evaluate yourself with the scripture to see if you line up with it. We line up with the church ages, with accepting the messenger, because in the Old Testament it says he that does not believe the prophet his soul shall be taken out of the commonwealth of Israel. We line up with that unleavened bread. For 1450 years the children of Israel were commissioned not to eat leavened bread for seven days and not to even have it in their homes. When I grew up I didn't know what that meant, now we know what it means, it means we have to stay with that undefiled Word of God, we cannot believe that the 2 days (grace age) are over, we can't believe that the midnight cry has not happened yet when we know it happened in 1963, those teachings are leavening that Word. That is why we have to come together and talk about these things to encourage ourselves in that Word. The Bible talks about that: 2

*Corinthians 13:5*

*Examine yourselves, whether ye be in the faith;*

Right now it would look like we are the only two, and if there should be only two I intend to be one of those two. That is our desire and that is the passion that we have to have to make it to that marriage supper. I know that there are going

to be more but they will also have a passion and desire for that Word.

Going back to the days of Noah and what Jesus said, *as it was so shall it be*, there were only eight that went into the ark, and for terminology sake, I want to be part of that eight that make it. The same with the days of Lot only 3 souls were saved. It also talks about the going out of Egypt, 600,000 men counting 18 years and over that left Egypt, only 2 of them came into the promised land. With a number so great and only 2 went in, I intend to be one of those two. That is the desire and the passion that we have to have and the only way we can be part of that number is to have that Word guiding us. It was not me that came upon this midnight cry timeline, it was the Lord. He wants us to make it, He wants to give us that kingdom and in order for that to happen, we have to keep our ears tuned, be sensitive and be connected to the spirit. Like when the Lord spoke to me, 'Nahum, Nahum, Nahum' and I heard it, and I went to search it out and He anointed that scripture: *God knows those that put their trust in Him, The Lord is slow to anger, and great in power, and will not at all acquit the wicked.*

When the Lord gave me that it was around the time when there was this Hurricane that came through Florida, and I happened to open the newspaper and there was this little article about this one woman, she prayed the night before and she prayed, 'all I have is my little home here', which was just a little cardboard shack and she prayed that God would protect her, and He did, that Hurricane went through and there was this cement school building next to her and it was totally demolished and that little cardboard shack was untouched. It was probably more than a cardboard shack because when you go through these towns

you can see some houses they are just plywood shells because they don't have to insulate them as well from the cold. When that storm came through her house was left intact. It was not even touched and at the same time when I was reading that in the newspaper the Lord gave me that scripture in Nahum. *God knows them that put their trust in Him, He will make a way in a whirlwind.* You can go read it. If you put your trust in Him He will make a way in a whirlwind, and there is nothing that can touch you. We are not going to go into those war zones looking for trouble, but if the Lord leads us there and we go there He will protect us.

Next Sunday we are planning to leave for Israel and I'm not worried about terrorists. I got a call from my sister saying, 'Oh don't go there, there are terrorists over there. These terrorists can be anywhere, it could be your next door neighbour, it could be that guy in the pulpit. We have been through all that, we put our trust in Jesus. When you step back and look at things it looks like there are hardly any people out there that are interested in the things of God. I wish I could find it again where I read it in Esdras, how He saw this one man going from town to town to see if there is anyone around that is interested in the things of God. I wasn't imagining it, Esdras fasted and prayed, he wanted to see how it would be at the end-time. He described it to the T, when you step back you can see that is exactly what is happening out there. It is exactly what you see, you see there is very little concern over the things that have eternal value. Here we are just the two of us, where two or three are gathered, we have our priorities right and we say things the way they are. We have that Word, week by week the Lord inspires us and gives us scripture and let's know what we need to look at.

This week as I was traveling and I was thinking about how there are so very few people interested in the things of God. I know I can't see their hearts but you can see how society is completely trying to demolish any knowledge of God. It is an overall thing, its universal. It is deception of such magnitude, and the whole idea of it is to erase God completely from society. When you read the Bible we know that at the end of time that European system is so anti-God, to the point where they make war with the Lamb.

I can go back when I was eight years old how the Lord dealt with me, He has brought us up to this time, I wouldn't be around if the Lord had not intervened in my life a long time ago. He knows my make-up He knows if push comes to shove that I am not going to sell out. I am not going to compromise, I have proven that time and time again. At the end of the day, it is that Word that has preeminence in my life. God in His mercy and grace gave me that scripture a long time ago about Nahum. He brought me to the message of brother Branham and then to brother Jackson and He put scripture in my heart and He allowed me to see the things that are going on since brother Jackson left. Nobody is going to say it the way I say it and nobody sees what is going on, it is a free for all.

Then He gave me that scripture: *Revelation 22:11 He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still.* I get worked up over this PM of Canada, I don't call him the Prime Minister, I like the way Trump calls him, Justin from Canada, but anyway the Lord puts up and the Lord puts down, but with him being in there it gives a wide open door for that scripture to be fulfilled: *He that is unjust, let him be unjust still: and he which is filthy, let him be filthy*

*still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still.*

So it has to be a universal environment for people to just go ahead and do their things. We don't have to be intimidated, we can't let ourselves get worked up, but in it there is a screening process. God is sieving, and in order for Him to do that, the conditions have to be so that people feel they have the freedom to do what they want. You can't be wicked if you have a large police force protecting you. It is a time where everyone has to make their own decision - do I want to go down that path. It is like I said the other day, I saw a vision about the pre-historic hour about these brute beast coming into a cafeteria, it reminded me of that Nathan guy he is over 6 feet tall, hands like a giant and he came into this restaurant and everyone was shaking in their boot, but he did not intimate me, I grew up with him, and the Lord let me see what happen in the pre-historic hour, where these brute beasts would terrorize these other angels. It was like an eyeopener for me. When the Lord gives you something you have to hold on to it. Like when the Lord gave you the scripture:

*Remember the things that you have been taught.* That is an anchor, you know what you have been taught and the things that brother Jackson said, and no matter what people come up with, I know what I have been taught and those things are still as real today as they were then. All you have to do is hold on to that scripture because at the end of the day that is what is going to judge us and that is that Word.

Like I said sometimes you have to take a step back and look at things, we are not responsible for the whole world, we are responsible for ourselves and we speak to each other. We keep each other in check, and if someone wants to tap in and come along on this journey they are welcome to come.

We are not going to brainwash people. We have all things common, none of them had any lack. I don't have any lack and you don't have no lack. We share things, and I cannot say that any of the things are mine. Somewhere there will have to be people that live in that reality, it will have to be hands on. *Acts 4:32 And the multitude of them that believed were of one heart and of one soul: neither said any of them that ought of the things which he possessed was his own; but they had all things common.*

You and I can truly say we don't lack anything. This is just the start of what God is doing. This is not my program, I don't know who God is going to bring in next but whoever He will that person will be faithful and true, it will be someone that the Lord has honed out; someone that the Lord has dealt with. It is not going to be me that will be bringing people in, I will just be able to detect if that guy is real or not, and if he is trying to get in without being with the Lord. I have children and I can't treat them any different, than I would treat anyone else, because if I would then I would have to treat everyone the same way. I would have to treat the guy off the street the same way, I can't give them money then I would have to give to everybody. It will have to come through the direction of the Lord. It says that the Lord added daily to the church, it is the Lord that is doing this. He brought you on board and we see the same in that Word. I cannot do anything else except to be led by the spirit of God; to be guided by that unseen hand. That is why we are where we are at today, it's a wonderful journey.

How many people dream of going to Israel and here we are going to Israel all expenses paid. The Lord looks after things, He does not do it supernaturally, it is by believing His Word. It is like a big rope and somewhere that rope has to

give, because when your soul is thirsty, *As the hart panteth after the water brooks, so panteth my soul after thee, O God,* that longing for the Lord, for freedom and for liberty, that rope has to break. All you have to do is to walk with the Lord, He will carry the rest.

I see a lot during the week, how callous people are with the time that they have here on earth, not knowing the hour that we are living in. When you go back in the spirit and read the words that Jesus said, '*As it was in the days of Noe*' you will find that it is parallel to the hour we are living today. In the days of Noah we know that mankind had become wicked, that every thought was continually evil, that God said, I will destroy man, but Noah found grace in the eyes of the Lord. The Lord instructed Noah to build an ark so that he and his family can escape the judgment that is to come. They were completely oblivious to what Noah had to say and to what God was doing, even after they saw the animals walking into the ark, the door was still open they could probably still walk on in, but there was no-one that had that desire, they were so used to making a mockery of Noah that they did not want any part of him. They mocked him so long and I'm afraid that that is going to happen in this end-time, they have mocked us so much, and made fun, that they will probably miss it. If you go back and read it, I never noticed it until about 2 years ago when I went to read it, what stuck out to me was *AND THEY KNEW NOT*. They absolutely did not know. It is the same in this hour God sent a messenger to prepare us for the second coming of Jesus so that we will not have to be here when God will judge this world.

In Esdras, it reads: *Look, the days will come when those who live on earth will be seized with great terror. The way of*

*truth will be hidden, and the land will be barren and void of faith.*

That is why you and I are pegged as crazy because you and I are not in that category, we are not barren of faith, and the truth is not hidden from us. Then they say that we don't understand the Bible because the reason that they can say that is that the way of truth is hidden from them. Can you imagine the way of truth being hidden, and someone comes along and tell you something that is not real and people just fall for it, but because we have the way of truth they can't tell us those things that are not true.

When you look at the days of Noah THEY KNEW NOT, the way of truth was hidden from them. They were totally oblivious to what was going on, they were so caught up with the trend of society, AND KNEW NOT what God was doing and that judgment was looming on the horizon.

Why did Jesus weep over Jerusalem, because the Jews did not know the day of their visitation, and He saw what they will have to go through because they rejected Him. There comes a time when God visits us and you need to stop and take a look around you and find out what God is doing. There comes a time when you need to put your face towards the Heavenly's. There was a time when He came and visited me: Sam I'm coming soon. That changed my whole direction in my life; I had no control over my life, when He spoke to me it put it into my DNA. He put me on a course that I had no control over. I had a dream that I saw myself running down a deep valley. At the time I didn't know what it was pertaining to, until I was on this journey and I looked back at the course that the Lord has put me on, then I understood what that valley was, it brought us where we are today, we are just continuing on, day by day, week by week, inspired by the

Lord. It is a great journey. It is exciting, being out of the cage, free from religion we don't have to answer to a bunch of religionists, we are completely free from all that. We can live like that eagle, that eagle is not intimidated by anything. We are living in the eagle age, that eagle just takes its wings and soars and has a great time. We don't have to debate and argue with people because we have scripture to assure us that we are right on track. Seek your own salvation with fear and trembling. We don't have to go out and seek the world's salvation. We have to seek our own salvation. That is what we are doing and like I was saying if someone wants to join us on this journey, all they need to do is meet the conditions and you are going to make it to the marriage supper, you will not only make it there but when the King comes in with the Word of God to check the guests through you are not going to be taken out. We line up with that Word. If someone will want to come on board that person will have to line up with that Word. Even if you somehow make it to the marriage supper somehow you will still have to line up with that Word.

That is what I was seeing all week, to encourage ourselves, to remind ourselves on a day to day basis so that these things don't slip from us. There is a lot of pressure around the world, but we don't feel that pressure because we are in that Word, but if we should let this Word slip, that would change. If that Word has pre-eminence over everything your friends and family, your finance and home, you have everything in that Word. We have everything, Jesus Christ is the anchor, He is the one, the only one. When everything is said and done my only ambition in life is to make Jesus shine. It is all about Him. He is our safety, your companion and you're all in all. He is your end all where all. This is what I

am trying to convey: *Meine Armut macht mich schreien zu dem Treuen.*

It is Him and Him alone and as long as we keep that as our focal point we will be over-comers. Jesus is the centre of the universe, He is the centre and He has to be that in your life and you have to see that for yourself. It is all in Him: safety, insurance, finances and everything. Someday we will sit down and meet Him face to face and that is our only hope, we are preparing ourselves for that. We have a truth and we know we are right. When everything that can be shaken will be shaken it is only that Word that will shine and remain then and only then can He use us for His glory.

***This is the Evening Time***

*The god of this evil age,  
Has blinded the minds today;  
Of people who walk their own way  
According to God's own Word  
Denying the things He's done  
Of sending His only Son:  
Accepting the creeds of Man  
Rejecting the Word of God:*

*This is the Evening Time,  
It's later than you think.  
The Bride is preparing now  
For Her Lord to meet.  
All things are ready now,  
So come by near here,  
he that hath an ear to hear  
The Evening Time is here.*

*The darkness throughout the land  
This world just can't understand.  
A Prophet has walked this Land;  
proclaiming the way to God;  
If you would be safe today,  
Then follow the words he gave.  
Accepting the Word of God;  
For this is the Evening Time.*

**1. Meine Armut macht mich schreien**

*zu dem Treuen,  
der mich segnet und macht reich.  
Jesus! du bist's, den ich meine,  
da ich weine,  
damit ich dein Herz erweich.*

**2. Ach, wo nehm' ich her die Kräfte**  
*zum Geschäfte,  
dazu ich verbunden bin? Herr!  
mein armes Herz anfeu're  
und erneu're  
den zerstreuten Geist und Sinn.*

**3. Sieh' es eilt zu deiner Quelle**  
*meine Seele,  
von dem Durst geplagt und matt,  
du kannst die Begierden stillen,  
und mich füllen,  
daß ich werd' erfreut und satt.*

4. *Treibe ferne, die mich hindern:  
du kannst mindern  
der Versuchung starke Kraft;  
Laß nichts meinen Glauben schwächen,  
dich zu sprechen,  
so empfind' ich Kraft und Saft.*

5. *Eil' mit ausgespannten Armen  
zu mir Armen,  
drücke mich an deine Brust:  
du erkennst mein tiefes Sehnen  
und die Tränen,  
Jesu, meines Herzens Lust.*

6. *Du bleibst ewig meine Freude,  
auch im Leide,  
wenn mich Angst und Kummer plagt;  
denn du bist der Auserkorne,  
das Verlor'ne  
hast du nimmer weggejagt.*

7. *O vergnügter Kuß des Mundes  
und des Bundes  
zuckersüße Süßigkeit;  
ach mein Gott! was soll ich sagen?  
mein Behagen  
bleibest du in Ewigkeit.*
