

## **BATTLE SCARRED SOLDIER**

### **CHORUS:**

*Open your eyes you battle scarred soldier  
It's later than ever before  
He will appear some glorious morning  
His coming is nigh at the door*

*Men will be lovers of self  
More than lovers of God  
Filled with faint pride  
Worldly pleasures have drawn them away  
But if we're his children  
We must feel the chastening rod  
For those that he loves  
He will teach them to trust and obey*

*Some people believe  
That his coming is still far away  
They often grow weary  
And so often they lay down their load  
But just up ahead are the signs  
Of a much brighter day  
Don't lay down the cross child  
We're too near the end of the road*

### ***The Handwritings on the wall***

*A King made a feast for a banquet  
Invited all his men to come and play  
But he didn't know before the night was over  
That the kingdom that he held would pass away  
As the crowds began to roar in their drunkard slumber  
A worried look soon took his smile away  
As he look he said behold I see a finger  
And it's writing something on the wall today  
The handwriting is on the wall  
Can't you see it  
The message tells a story again today  
Don't be weighed in the balance  
And found wanting  
Don't turn down the truth for your day  
I've sent warning and now I'm sending judgment  
On a nation that's forgotten how to pray  
And there is no way to escape it  
The handwritings on the wall again today*

*Now this world is getting closer to destruction  
As you walk the streets  
you can hear the words doomsday  
And we all know that something soon to happen  
For wicked men refuse to stop and pray  
Soon their laughter will one day turn to mourning  
And the cries for help will be heard far away  
Like the king when he finally saw the message  
It was then that he realized he waited too late.*

## OH MY LOVING BROTHER

*Oh the judgment day is coming  
What an awful day 'twill be  
Christ forever is my refuge  
Rock of ages cleft for me.*

*Chorus:*

*Oh my loving brother...' sister  
When this world is on fire  
Don't you want God's bosom  
To be your pillow  
Hide me ever in the rock of ages  
Rock of ages cleft for me*

*At the sounding of the trumpet,  
At the dawning of the day,  
Worldly pleasures with their treasures,  
Shall forever pass away.*

*Chorus:*

*Poor lost sinner will be crying  
For the home they'll never see  
But the ransom will be singing  
Rock of Ages cleft for me*

*The Day Of Redemption Is Near*

*Nations are breaking,  
Isreal's awaking,  
The signs that the prophets fore told;  
The Gentiles days numbered,  
With horrors encumbered;  
Eternity soon to unfold*

*Chorus*

*The day of redemption is near,  
Men's hearts are failing for fear;  
Be filled with the Spirit,  
Your lamps trimmed and clear,  
Look up! Your redemption is near.*

*The fig tree is growing;  
Jerusalem's restoring  
Her national life, long dethroned;  
Today she is calling,  
her latter rain's falling.  
"Return, O dispersed, to your own."*

*Heaven's powers are shaking,  
and many are mistaking  
God's meaning to be of the sky;  
God's Church is the power  
that's shaking this hour;  
The day of redemption is nigh.*

*False prophets are lying.  
God's Truth they're denying,  
That Jesus the Christ is our God;  
Though this generation  
spurns God's revelation,  
We'll walk where the apostles have trod.*

***This is the Evening Time***

*The god of this evil age,  
Has blinded the minds today;  
Of people who walk their own way  
According to God's own Word  
Denying the things He's done  
Of sending His only Son:  
Accepting the creeds of Man  
Rejecting the Word of God:*

*This is the Evening Time,  
It's later than you think.  
The Bride is preparing now  
For Her Lord to meet.  
All things are ready now,  
So come by near here,  
he that hath an ear to hear  
The Evening Time is here.*

*The darkness throughout the land  
This world just can't understand.  
A Prophet has walked this Land;  
proclaiming the way to God;  
If you would be safe today,  
Than follow the words he gave.  
Accepting the Word of God;  
For this is the Evening Time.*

***I keep listening for a different sound***

*We hear about the wars,  
See famine in the land.  
There's questions in the  
Children's eyes,  
Trouble in the east again.  
The whole world is shaking,  
There's no sure place to stand.  
And mournful sounds are  
Heard throughout the land.*

***CHORUS***

*But I keep listening  
For a different sound.  
The sound of the city  
That John saw coming down.  
The sound of the Bride  
Being united with the Groom.  
I keep listening, I keep listening,  
I keep listening for a different sound.  
I remember the preacher sayin'  
"Son, it shall come to pass,  
There will come a generation  
That will be the last."  
I can't believe I'm standing here,  
Seeing the end of time,  
And the preacher's voice,  
Echoing in my mind.*

***There's an unseen hand to me***

*There's an unseen hand to me  
That leads through ways, I cannot see  
While going through, this world of woe  
This hand still leads, me as I go*

*I'm trusting to, the unseen hand  
That guides me through, this weary land  
And some sweet day, I'll reach that strand  
Still guided by, the unseen hand*

*I long to see, my Savior's face  
And sing the story, of his grace  
And there upon, that golden strand  
I'll praise him for, his guiding hand*

*I'm trusting to, the unseen hand  
That guides me through, this weary land  
And some sweet day, I'll reach that strand  
Still guided by, the unseen hand  
Still guided by, the unseen hand*

I have a subject today where I am going to explain what is going on around the world. I want to go to *Matthew 24:8-14*  
*All these are but the beginning of the birth pains.*

8. *"Then they will deliver you up to tribulation and put you to death, and you will be hated by all nations for my name's sake.*

9. It is not us that they hate it is Jesus that they hate, it says here - for my name sake.

10. *And then many will fall away and betray one another and hate one another.*

*11. And many false prophets will arise and lead many astray.*

*12. And because lawlessness will be increased, the love of many will grow cold.*

*13. But the one who endures to the end will be saved.*

*14. And this gospel of the kingdom will be proclaimed throughout the whole world as a testimony to all nations, and then the end will come.*

That is my subject today - Birth Pains. That's what you see going on from time to time, and as it will draw closer things will be more intense.

There is another verse that talks about a lasso. It will come on like a lasso upon those that dwell on the earth. Let's go to *Luke 21*:

*34. And take heed to yourselves, lest at any time your hearts be overcharged with surfeiting, and drunkenness, and cares of this life, and so that day come upon you unawares.*

*35. For as a snare shall it come on all them that dwell on the face of the whole earth.*

*36. Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.*

I want to go over these two scriptures, the birth pains, and the one where it talks about how it will come as a snare on all them that dwell on the face of the whole earth. In another translation, it translates the snare as being a lasso. We all know what a lasso does when the rider on a horse has his rope ready and it catches the cow in its run and all of a sudden the rider captured the cow with the lasso. When you are out roping and the guy on the horse throws that lasso and catches the cow in a split second. That is the way that Jesus described how this end-time will come upon people.

I want to bring in those fires out in California. There are towns that are being completely wiped out by fire, and what you are seeing is those birth pain that Jesus mentioned. They try to hide it with global warming, but it is these birth pains that are happening, you have to stay with the Word. You have to stay within the confines of the Word of God. These people out there they just go from day to day. They are living in their utopia, they don't have any knowledge of God. They don't ask for God. That whole state has turned into a democratic state. They don't care what they destroy their only ambition is what is in it for us. That is all they live for and when those things happen they are clueless how to handle it.

Then they figure Trump should come in and bail them out. In the meantime, they go down the road of life not caring about nothing. Here it says, that it will come upon man as a lasso. Instantly, just like birth pains. When you look at America, as a chapter, to all that is happening all around the whole world.

This town in California called Paradise it burn down and today it is the last thing from Paradise. That city of Paradise is completely wiped out, and where all these actors are - Malibu. They didn't expect it. I was watching the news and this one person barely made it out. There was no warning, it came so quickly, and for some reason, they were not even warned about it. One couple their friends called them up and told them that there is a fire coming, and they didn't even know. They just made it out. There you can see how quickly these things can come about just like that lasso. All this is fulfilling scripture. That's what I have been seeing in the last 2 weeks, how these scriptures are being fulfilled right in front of our eyes. Then, what the devil does through these people is blame it on global warming. Now they want to dim the sun,

thinking that is why these atrocities are happening just to divert you away from what is really happening.

That is why we are having this conversation, this is the truth; this is what is going on. You have to be in touch with the Lord; you have to be in touch with the Word. Then shall the kingdom be likened unto. Right now what is happening in California and throughout the world those are the birth pains it is just that simple. It has nothing to do with global warming it is just the devil using that to hide the real thing.

Like this Mueller thing in the USA, that investigation into Trumps administration is just to hide what is really going on in the democrat party how they tried to set up and destroy Donald Trump even before he was even elected. That didn't work now they are trying to destroy him this way and that way. They are trying to stop God's agenda for America. That is really what they are doing. They do not know who they are messing with. They think they are messing with Trump, Trump is just God's tools to bring the country back to where it was. To understand that you have to read George Washington's vision. At the end of the day you are going to see a country that is completely free from all this junk that you see. You will see a country with a living Constitution back to the hands of the people. It is not going to be the politicians, at the end of the day, it is going to be the people that are going to rise up. They are just going to go do their thing to get their country back. If they don't do anything it is just going to invade them like an army.

Even what you see with all these immigrants that are coming into the country. There is a force behind it. The force behind it is the Roman Catholic church, and people can't seem to see it. It is the Vatican that is bringing these caravans up from these third world countries where the catholic church

is dominant. Nobody will address it they will say it is the left or the media, the left is the Vatican, the media is controlled by the Vatican. The UN is controlled by the Vatican. There are only two forces, and the UN is trying to destroy United States and Israel. They are the only two forces that are opposing the united nation's agenda. What Satan is trying to do, first of all, is to take the Word of God out, take the Christians out so that they can bring in their agenda. Just to divert people away from the truth.

I was talking to this one guy about the rapture and they are completely clueless to how it will come about simply because they are listening to those guys in the pulpit. These people in the pulpit will never tell you what we are saying today that those fires in California are part of those birth pains that Jesus warned will come.

You never had a child but what a birth pain is they come maybe at first every three hours or so, a slight pain and as it gets closer to birth it grows more intense and longer, until all of a sudden you gave birth to a baby. That is the same thing that is going on right now these are the birth pains for that new Jerusalem for that new era to come about. It will not happen today and tomorrow. When you read the Bible what it says in Matthew 24, and about the day of the Lord, this thing is not going to go into reverse anymore it is just going to intensify and intensify until the day of the Lord. The 75 days which are 30 and 45 days inclusive. This momentum is not going to slow down it will not go into reverse anymore it is the end. We are at the end of the gentile day, the gentile days are numbered.

You are looking right at it when you are looking at Paradise, California. When you look at Malibu and you look at these things, they are all birth pains. When you look at these

immigrants that is all part of it, and those immigrants are part of George Washington's vision. Which you will not hear from these talk show host, they will talk about this, that, or the other, but they will never nip this thing in the bud to what is actually going on. It is all part of George Washington's vision being fulfilled. It is all picking up speed.

Like Mark Levin, he thinks that he is the biggest talk show host in the world, but he is avoiding the issue. How is anyone, with reasonable sane thinking, think that you are going to get a convention of the state when all these politicians are at each other's throat. They would have a majority and then the government is so infiltrated with all kinds of stuff, they will never let go of that power. Maybe a 100 years they could have, but not now, there is only one remedy left for America and that is George Washington's vision. War is coming there is no other way. These things you cannot avoid, they will come.

Like the destruction of Jerusalem, it came, Jesus warned them and He let them know when you will see these things come get out. The same with the coming of the Lord, the day will come and it is going to be in this generation, and what we can do is prepare ourselves for that day. Not even Jesus can stop it, not even God can stop it, because it is in His Word and He has put His Word above His very name. So as time goes on you are going to see His Word being fulfilled, right now you see these birth pain taking place. Jesus can't change it, neither can God, neither can any government. It will come it is the signs that the prophets for told. It is written in the Word. All you and I can do is be ready; to prepare our hearts, and not be caught up in this delusion that is out there that is called church, and that call themselves preachers, they are never going to touch on these things. Instead, they will buy into this

global thing. Into this environment thing into this delusion, they will tell you anything except the truth.

It is not us that they hate, it is the truth that they hate, it is not Trump that they hate, it is God that they hate. It is God behind the man, God has anointed him to do what he is doing. No matter what, he is going to end up being a winner. These opposers they are just scum they are like fleas on a cow; A bunch of dead fleas. Dan Bongino he has it right. They are not even worth talking about. He is definitely in touch and for this hour. He is in touch with what is going on and says it the way it is. He has a lot of impact maybe even more than Mark Levin. Mark Levin will not talk about really tough issues.

All these troubles that you see around the world are those birth pains. You can't stop scripture, not even God can change it, as time moves on you will see it. It is like when the sun comes up, nobody can stop it from coming up. It just happens and nobody can stop the full moon from coming into a cycle. That is why God has put His Word above His name. That Word is going to be fulfilled. When the time is right it will come. When the time will be here you will see George Washington's vision in full motion. He received it from that angel and it will come, it is going to happen. Many times not the way that we would like it to happen. It is all a very slow process. When Trump became president this whole thing was set in motion, and it is a point of no return. It is not that he is such a great smart guy, he is just a tool in God's hand. God can bypass all these politicians that were being bought and here Trump comes on the scene. He used to be their good guy when they needed money, and now he is the bad guy, because it is what he stands for.

God can't stop it. The time came about and Trump supernaturally became president of the United States. Had

God not had this country on His eyesight, in His prophecy, then Hilary Clinton would have become president. This country would have been swept into this globalist agenda. Just like Europe is being swept into this globalist agenda.

I was reading about Britain yesterday, how they are slowly going into that Euro thing. The people are not impressed with it at all but they are pretty much being forced into it. The signs are there, Britain has become Muslim sympathetic and their structure as a country is being deteriorated and when the time comes they will have no other choice but to go along with that beast system. There are not enough Brits left. Once the structure of a country is broken down it is ready for a take over. That is all part of those birth pains. It is all going to intensify and will get more and more severe. It will not just stay with Paradise and Malibu, it can be the whole country on fire. *When the world is on fire, don't you want God bosom to be your pillow, hide me over in the Rock of Ages.*

God knows those that put their trust in Him. It looks pretty grim when you look around the world, what country would you go to, to find refuge. Like this one guy that I know, he said he is going to go out to find a place to escape from this thing that is coming here. It is going to be so terrible, so he went out to look for a place out in the country. He wanted to buy this little homestead out in the mountains. He asked me to come along, so I went along very reluctantly. He and his brother went around looking for this safe haven, planning how they could store some coal and this, that and the other. It was pathetic, and he asked me what I think, and I told him this thing that will be coming there is no escape. The only safety is in Jesus Christ and for some reason, they don't want this Jesus.

I want to read you something here, *Nahum 1:2*:

*God is jealous, and the Lord revengeth; the Lord revengeth, and is furious; the Lord will take vengeance on his adversaries, and he reserveth wrath for his enemies.*

That is what you can see out in California, first of all, they hate God and that is just a beginning, it is just a tip of the iceberg. I am surprised that not more people are dead. Maybe there are more than they are letting on, imagine, that whole town burned down without a warning and a lot of people burned down right in their house or their car trying to escape. When you see these fires you can see the wrath of God. It is His fierce anger, and you can see it, everything will be going smooth and then there will be these birth pains. Inside these birth pains is His fierce anger and it subsides a bit, it eases off, but next time it is a bit more fierce and intense.

*Nahum 1:3-8*

*3. The Lord is slow to anger, and great in power, and will not at all acquit the wicked: the Lord hath his way in the whirlwind and in the storm, and the clouds are the dust of his feet.*

*4. He rebuketh the sea, and maketh it dry, and drieth up all the rivers: Bashan languisheth, and Carmel, and the flower of Lebanon languisheth.*

*5. The mountains quake at him, and the hills melt, and the earth is burned at his presence, yea, the world, and all that dwell therein.*

*6. Who can stand before his indignation? and who can abide in the fierceness of his anger? his fury is poured out like fire, and the rocks are thrown down by him.*

*7. The Lord is good, a strong hold in the day of trouble; **and he knoweth them that trust in him.***

*8. But with an overrunning flood he will make an utter end of the place thereof, and darkness shall pursue his enemies.*

He is not going to acquit Hillary Clinton or that Adam Schiff or any of these people that take pleasure in wickedness.

When I saw these fires out there, and these houses being burned down, then I saw this one house that was standing among all the others that had burned down, and it belonged to Antony Hopkins. There you see it how the Lord makes a way, *The Lord is good, a strong hold in the day of trouble; and he knoweth them that trust in him.* Somewhere back in the day, he decided that he is going to trust the Lord, and he turned to the Lord. His house is save. Like there is this scripture that proves it, *The Lord is slow to anger, and great in power, and will not at all acquit the wicked: the Lord hath his way in the whirlwind and in the storm, and the clouds are the dust of his feet.* He can go in the midst of a fire and save a house. Just like these three people in the fiery furnace. We are looking at it. Every-time that we read the Bible, because we are right with the Lord, everything is an encouragement to us.

That Word is an encouragement to us, every-time that we read it we are encouraged. Like when you watch the news and you see that house standing there it encourages us to see it standing there. It encourages us that we can even trust God more. This Anthony Hopkins his house is standing there and you can google it and find out, there is a reason that it is still standing there. At one time he acknowledged God, and still does. He is not one of these lefties.

The devil he wants to hide it so he uses these politicians and they label it as global warming. It is not global warming it is a lasso, like a rope that captures that cow.

9. *What do ye imagine against the Lord? he will make an utter end: affliction shall not rise up the second time.*

Nahum prophesying at Nineveh. We know the story about Jonas and Nineveh how he preached judgment is coming and they repented. This is now about 100 years after in Nahum writings, how they mocked the prophecies that were coming, saying: *What do ye imagine against the Lord? he will make an utter end: affliction shall not rise up the second time.* They thought God was not going to judge them a second time. That is what they said in their hearts, they saw the writing on the wall, and Nahum prophesied the second time as they went back to their wicked ways, and they mocked, and they got destroyed.

The first time, at the time of Jonas, they repented, that warning came and it just prolonged. God did not change His Word, He just prolonged it for that time.

10. *For while they be folden together as thorns, and while they are drunken as drunkards, they shall be devoured as stubble fully dry.*

12. *Thus saith the Lord; Though they be quiet, and likewise many, yet thus shall they be cut down, when he shall pass through. Though I have afflicted thee, I will afflict thee no more.*

That is what you see out there. That is just the beginning of these things. What ticks me off is that people are not warning the people. They are not letting people know that this is George Washington's vision, you better prepare yourself. That is why they want to take their guns away. If they take them away they have no way of protecting themselves. They

know what their agenda is and they know that they have to get rid off these people that are true Americans; true patriots. They don't even know themselves what their end game is, they just want to destroy. They are tools that the devil uses to destroy. When you look at that European thing, how God is going to step back and let the devil do his thing in Europe. At the end of it, they realize that it is the Vatican and they go in there and destroy it. The very thing that they had worshipped, and they turn around and find out that it is the Vatican that created all this chaos, right now they don't know it. They work behind the scenes; undercover.

It is all in the Bible. It is not strange it us. Somewhere along the way, it will be exposed and the people will see it. They are finally going to see what we see right now. It will be too late, and they will just put in an atomic bomb right at the Vatican. God is allowing the devil to have his day. It is not going to be in America, America is going to have to fight their way out of it. It is not going to be here. It will be over in Europe, according to that vision that Daniel saw those four beasts, Babylonian, Medes and Persian, Grecian- Alexander the Great, and then the fourth one is Rome. Rome ruled the earth up to the dark ages. The reformation put a stop to it. It did not put it out of commission for good, the Reformation just wounded it. It was wounded unto death and there for a while, it was still there, it still operated behind the scenes, secretly it still had some influence but it could not enforce things. Here it is coming back and for 7 years it will be able to enforce it, for those last 3.5 years it will continue from the dark ages that is when that anti-christ takes over, that man of sin, and he will continue for 42 months. God is going to let the devil do his thing. The holy spirit will be gone, the bride is gone, and all hell will break loose, that is why it says in Revelation, Woe,

Woe, Woe to the inhabitants of the earth, the devil is kicked out of Heaven and he has great wrath.

We don't have anything to be afraid of I always kind of wondered, how are all these Christians going to die, but I can see it at the end of the week, those world council of churches they will know if someone opposed their agenda and they are going to kill them. That person there does not follow our agenda, this globalist agenda and they do away with that person. They still have that globalist idea. Satan is still behind it all, and God will step back and allow it to happen, because there again scripture will have to be fulfilled.

At the middle of the week of Daniel that sea of glass is still empty and then that scripture kicks in - *Blessed is he who dies in the Lord from henceforth*. On the sea of glass will be those Christians that did not prepare themselves, they were not ready for the rapture. It says those that were ready went in and the door was shut. Jesus did not say, depart from me. He just said: I know you not. What it means is that Jesus did not know them at that intimate level. Those wise had prepared themselves, the foolish virgins they did not prepare themselves they had no oil in their vessels; they had no revelation. Apparently, they were born again but they didn't move on. That is why they will have to go through the tribulation and give their lives. That is why it says: *Blessed is he who dies in the Lord from henceforth*.

When the week of Daniel starts the grace age is over. If you have not received salvation you can no more be saved, it is impossible. There will be these foolish virgins that will go on into the week of Daniel they will be these radicals. That beast system is going to go after these people and they will get killed for their faith. I could not piece it together but I believe it is part of that world council of churches that are going to kill

them here in America. Somehow they are going to have to be killed, they will have to give up their lives, that is the only way that they will get to be on the sea of glass. That scripture applies to them, and as time goes on towards the end of the week of Daniel the sea of glass that John saw empty is now full.

The reason we see these things is that we have a reverence and a respect for the Word of God. That is it, then God gives you the revelation. That is why I see these things had I not had a respect for the Word of God, and for that voice that speaks to you I would probably be like everybody else, and say it is global warming. The Bible tells us that they are birth pains, and that is exactly what it is, and we are walking with the Lord and He is going to see us through. We just walk in the spirit and be sensitive as He leads and guides us.

There are preachers they have thousands of people under their watch but not one of them will say it. In fact, even people in this truth, all they see is they all want to outdo brother Jackson. Trying to pervert what he has firmly established. The reason is because brother Jackson said some things that were not going to happen, and they figure that it gives them a license to mess with that whole message. I believe when these things start to happen they are going to be so confused with the things that brother Jackson said and did not say. That is exactly what I saw was these minefields. That is exactly what it has become, and that is: danger. I was shocked when I first saw it but that is exactly what they are doing. These churches, Hefner and these preachers, don't go near them they are minefields. We listen to one of them one day and at night we had such nightmares, the worst nightmare that I ever had I woke up in the morning so scared. They are trying to take away your revelation. When you step

back right after that split with Faith Assembly, I had that vision about Gideon and his men. When you analyze it all, if I knew exactly where Gideon took them and I step back to rationalize this whole thing, it has got to be on top of a waterfall. When the Lord showed me Gideon and what He is doing with the church, He is taking people down to the river to test people to see who is going to go in to defeat the Midionites. That was the type that God used to show me what He is doing with His church, that is the timeframe that the bride is stepping into now. When you step back and analyze it, when Gideon took those men down to the river just before the water falls down it goes very slow, it might only be a foot or so, where the water falls down then the water gets murky and that is what you see out their now, the water is murky. People are partaking of these false teaching what Hefner and these preachers are bringing out and teaching people.

They are saying that the 2 days the 2000 years of grace are over and that is murky water. It is like you said that it reminds you of murky water and that is exactly right that is what you see out there. What these 300 did in Gideon's hour they did not want that murky water, they did not know that they are being tested, but there was something built in them. They did not want that murky water where they could not see what they were drinking, they wanted fresh water so they when upstream where the water was quiet and clear and then they scooped it up with their hand very carefully so they could see what they were drinking. They did not want to drink garbage, once they saw that is was good then they drink it and as they were drinking they looked around always alert to their surroundings, for danger and their enemies. The others they didn't care what they were drinking, they lapped it up with their tongue and were at ease, they didn't pay any attention

their surroundings, like the other group that went upstream. That is what we are doing we are alert to the dangers out there and we don't lap up these false teachings. When we see the news and see these fires out there in California we take it the scriptures, it is not global warming it is birth pains. We are in touch with reality this Word is our compass and guide.

We step back and analyze these things. We have sought our salvation with fear and trembling. We are not believing these false teachings that are coming down the pipe. We are doing exactly what the Bible says, seek your own salvation with fear and trembling. You cannot trust these guys out there. When that woman texted you about the gathering together, which is the rapture, what came to me is these people are not seeking out their own salvation with fear and trembling. They are just taking what the preacher is saying as amen, instead of going to the scriptures and searching out these things. They swallow it up if it makes sense or not. That left behind series of what the rapture is going to be like never made sense to me. I saw the movie a plane falling out of the sky and these things, it is not going to happen like that. There are going to be so few that go in the rapture, and once it will happen people are going to down play that it actually did happen. Just to prove their point.

We have to walk in the spirit, we have to walk in such a way that nothing will be able to divert us, and the Lord will intensify His spirit in us that we will know what to do and what not to do. We are guided by that unseen hand through ways we cannot see. We do not know what is up the road. Even with trucking we don't know how long we will be trucking that is why we have to walk in the spirit, and the Lord leads and guides up. We are not worried about finances or money, everything is in Him; it is all in Jesus. In Jesus you have

finances; in Him you have safety; In Him you have everything. It is all in Him, and He knows those that put their trust in Him.

Like I told that guy that was looking for this artificial safe Haven, you are not going to escape this thing that is coming, because this thing that is coming will climax and I will read where it climaxes, in *Revelation 1:7*

*Behold, he cometh with clouds; and every eye shall see him, and they also which pierced him: and all kindreds of the earth shall wail because of him. Even so, Amen.*

This is where this is climaxing to, that is my message, the Lord came to me at 2 o'clock in the morning one day: Sam, I'm coming soon. That is our message, that is on our website. *Behold He comes riding in the clouds, shining like the sun, with His Father's glory.* He is not coming in His own might, He is coming with His Father's glory and power. God is running this whole thing, and one day it will be time for Jesus to return. I am not embarrassed by putting this thing out there because I know it is the truth, this Word is right. That midnight cry I didn't come up with this on my own, that midnight cry happened in 1963. Even if nobody believes it, it is still true. We don't have to apologize, because we know that it is the truth. We just tell people the truth.

We are not going to take that load up to Calgary today, yesterday sometime the Lord moved on me to take the truck to Volvo to fix it and that is what we should have done, but they were all booked up for the day. I should have just left it there. It is not being led by the spirit if I would go to Calgary with a truck that you don't know what's wrong just to make \$2,000. We don't need the money, it is more important to be in touch with the Lord. The Lord does not want to let you go on a trip with a truck knowing that there is something faulty with. We need to get the truck fixed that is how sensitive we

have to be. We don't know where He needs us to be when all hell breaks loose. It can all happen overnight and we want to be at the right place. I don't want to be in Calgary or Edmonton if He wants me to be here. For me to go up there I would completely ignore, what the Lord is trying to say. You have to listen to the Lord, for me to go up there when the Lord is saying not to, I would be going up there at my own risk. So that is what we will do we will take it to Volvo or to a shop here in Portage.

That's how you have to walk to make it through. The scripture backs it up, you can open up the scripture and it encourages us. People that know their God will do exploits. How do I know. It's very simple if you are sensitive, like with this incident with the truck, it is an ongoing thing, people knowing their God. He let me know not to go up there, to get the truck fixed, you never know what can happen, you can probably risk it and take a gamble on it but that would be foolish. I would be on my own if I don't heed to what the Lord is saying not to go. This whole sensitivity thing is intensifying as we draw nearer to the coming of the Lord. We see the signs of the times, we see the hour that we are living in. This lasso, this rope that is coming will only affect people that dwell on the earth, it is not coming on those like the song goes - *Sie leben in Himmel und wandeln auf Erden*. We are not of this earth or of this world, this world has nothing for us.

We can afford to go wherever we would want to, but what is the point, there is nothing there for us. The only thing that interests me and excites me is when someone has a hunger for the Word of God, and I can talk to that person. A person who isn't playing games, that is serious.

We are not of this world that is why these things are not going to take us unaware. People who are caught up in the

things of this world, like surfeiting, and constantly just interested in things of this world, in material things. It says in *Luke 21:34 Watch Yourself* “*But watch yourselves lest your hearts be weighed down with dissipation and drunkenness and cares of this life, and that day come upon you suddenly like a trap.*”

I am surprised that there are not more fires in California when you drive through it is so dry there, the grass is all dried up, all you need is a match and that would spread like wildfire. I am surprised that not more burns down. What happens in the winter months they get rain and everything gets green and things start to grow, then in the spring and the summer in just dries up again. That whole thing is a powder keg. I image because it is so dry that even the lumber in the homes dries out too. If it is not protected it dries out.

That’s what is going on in California birth pains. Some of these people just barely made it out, this one guy, three of his friends burned in the car, he somehow got out. He saw this fox and he followed this fox. He must have had something in him enough that wasn’t brainwashed, that he knew that if you follow an animal by instinct it will know where to go. That fox went down to a little puddle of water and he jumped in and that is how he was saved from the fire. The rest died.

That is how that lasso comes about, without notice. Maybe someone and even in years past might have prayed for him. Maybe his Grandma was praying for him. There is some connection to that, because it says - He knows those who put their trust in Him. I can tell you a lot of stores about people who have decided to serve the Lord at some time in their life.

Like that movie that is based on a true story, called: China Cry. Somewhere she decided to follow the Lord, and

she went out to the world and forgot about it until the communist came and they went into her past and got her to confess. They ended putting her out in the firing squad and they just could not shoot her. They had 10-20 guys trying to shoot her with their machine guns. They just could not touch her. That is what happens when people put their trust in Him.

These three men in the fiery furnace God perfected them. It says in *Luke 21: And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.*

*25. And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring;*

*26. Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.*

*27. And then shall they see the Son of man coming in a cloud with power and great glory.*

*28. And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.*

That is the mindset that we need to have, we cannot let these things depress us or get us down. Like this Trudeau, he is going to sell Canada out to this UN agenda. The Lord knows exactly how far it is going to go. I firmly believe that this part of Canada that we are at it has to integrate with the USA. Either way, John saw North America as a Wilderness, when he was shown this end-time on the Island of Patmos, and at the time that John was on the Island, America was a wilderness, it had not yet been established. We have to let God be God. It says, when these things come to pass shout

for joy for your redemption draws near. It is all not going to go into reverse.

The Lord did not wake me up for nothing 25 years ago. I heard him and He knew I was going to take it seriously and not treat it like trash. I embraced it and it has been my mission to this day that Jesus is coming, and it will be in my generation that will see these things. These are all sign of His soon coming. The signs that the prophets foretold. Israel is awakening, and the gentiles days are numbered. It is just a few more years. The grace age will close in about 3 years and you can take it to the bank because it is the Word of God. It is not my idea or some delusion. What the devil wants is to try to push it off.

I shared it with the church and I was going up on Mount-eagle and the Lord moved on me and let me know that they are not going to put it on the Internet and that is exactly what happened. They never put it on for people to know. The devil knew it was the truth, and right away he is trying to hide it. The spirit of the living God is not in these churches anymore, they have Jesus outside the church, and the devil has come in and deceived the people. He wanted Boyd to stand up, but he wanted peace at any cause and today he is gone. God just took him out.

Jesus told us when we see these things, these birth pains this lasso came upon the earth, *when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.*

*Heavenly Father we just had a conversation around your Word, we pray that you will take what has been said for your honour and glory. Help us to be in contact with you at all times. Deal with us as you see fit, lead and guide us by your spirit in Jesus Name we pray, Amen.*
