

Draw me nearer, nearer, blessed Lord
I am Thine, O Lord, I have heard Thy voice,
And it told Thy love to me;
But I long to rise in the arms of faith,
And be closer drawn to Thee.

Draw me nearer, nearer, blessed Lord,
To the cross where Thou hast died;
Draw me nearer, nearer, nearer, blessed Lord,
To Thy precious, bleeding side.

2

Consecrate me now to Thy service, Lord,
By the pow'r of grace divine;
Let my soul look up with a steadfast hope,
And my will be lost in Thine.

3

O the pure delight of a single hour
That before Thy throne I spend,
When I kneel in prayer, and with Thee, my God,
I commune as friend with friend!

4

There are depths of love that I yet may know
Ere Thee face to face I see;
There are heights of joy that I yet may reach
Ere I rest in peace with Thee.

OH MY LOVING BROTHER

*Oh the judgment day is coming
What an awful day 'twill be
Christ forever is my refuge
Rock of ages cleft for me.*

Chorus:

*Oh my loving brother...' sister
When this world is on fire
Don't you want God's bosom
To be your pillow
Hide me ever in the rock of ages
Rock of ages cleft for me*

*At the sounding of the trumpet,
At the dawning of the day,
Worldly pleasures with their treasures,
Shall forever pass away.*

Chorus:

*Poor lost sinners will be crying
For the home they'll never see
But the ransom will be singing
Rock of ages cleft for me*

Oh, the judgement day is coming, what an awful day it will be. That is what is happening out in California, they think it is just another day out at the ranch. This one woman was feeding her horses and the next day it is all gone. That is how quickly it can come, in about an hour it was completely destroyed. That is God's judgement. I have seen it coming for a while. He put up Donald Trump and they hate him out there.

They think they are going to live forever, that it is all about the here and now. *Poor lost sinners will be crying. For the home, they'll never see. Worldly pleasures with their treasures, Shall forever pass away.*

Just overnight a whole town can be wiped out, plus many lives. There is a time that you want God's bosom to be your pillow but you have to look for that here. It does not come automatic - You have to search for it. God has put us down here for a purpose, to get to know Him, to take advantage of the little time that we do have down here, to prepare for eternity. How many are out there that you can really talk to, all people care about is the now, their home, wealth, and materialism.

The guy that we bring cabinets to, all he is worried over is how much money he can make by putting in these cabinets. There is no concern about eternity. If there was somebody, I am sure we would feel it. You can see the odd one. I have this verse on the side of my truck: *Taste and see that the Lord is good, blessed is the man who puts his trust in Him.* You will see the odd one that will look up and give you thumbs up. Most just read it and carry on they do not want this Jesus. I put it there for a reason when I bought the truck the Lord put it on my heart to put that on there, and you know that you will get ridiculed but that is just the way it is.

Our subject today is: Every knee shall bow. If you look and see what Jesus did for mankind, God has set it up that way that Jesus gets all the glory and one day every knee shall bow. It all goes back to that great counsel in Ephesians one, you have to go back to that otherwise you just wiggle through life not knowing the purpose of it all. When you go back to that counsel then everything that is out there God created everything for Jesus Christ knowing that it will one day be

redeemed. If you don't see that, that's why Jesus said: Before Abraham was I am. That is why John said, He was before me. Jesus was in the mind of God. It is all very simple if you look at creation, the testing of the angels, the fall of man, and in that great counsel when God came to Jesus Christ, and He saw that everything, one day, through Jesus Christ can be redeemed back to Him that is why it says - everything is created because of Jesus Christ.

That is what I am trying to say you have to go back to that counsel that God counselled with Himself before He began creation. When He created that first angel He had Jesus in mind. That angelic host was there because of Jesus. That is why these angels cry, 'Holy, Holy, Lord God almighty,' before the throne of God, praising the Lord. When you go back to that counsel, everything focuses on Calvary. It all went down from the fall of the angels, then you come to Jesus at Calvary then it starts going up. It started that redemptive process until you come to the end of the Millennium reign of Jesus where creation will all be redeemed back to God. It is a big circle from creation to redemption.

That is why He has every right, that every knee shall bow and we need to bow here voluntarily and recognize who Jesus is. He does not force you to do that. I know on the colony we are forced to out of tradition, but that does not mean anything, you have to bow your knees voluntarily. That is the purpose of religion to turn people against God. Jesus said that too - it is because of your religion that people hate me. That is why you have to differentiate between Christianity and religion; from traditions and Biblical truths.

That is why it is so hard to change that religious way of thinking, because it is just based on tradition and religion. What we have here is not religion, It is a relationship with the

Lord, we recognize who Jesus is. The further you get away from religion the better of you are. That is why Jesus came to set people free from bondage. He came to set captivity captive.

What will you do with Jesus Christ

Jesus came unto His own
and His own received Him not
He healed the sick and
He made the blind to see
He made the lame to walk again
And He set the captives free
But they turned their back upon the Lord
And nailed Him to a tree

What will you do with Jesus Christ
As He pleads with you today
Will you let Him change your life
Or will you walk away
Will you let Him change your life
Or will you walk away

Jesus Christ is still the same
He will do the same for you
The peace He gives is hard to understand
He'll be the kindest truest friend
That you have ever had
Don't crucify the Lord again
Don't turn your back on Him

The Lord who died upon the cross
Will come to earth one day

His coming now is even at the door
Will your soul be ready
Will your sins be washed away
OR will He turn His back on you
And say I know you not

What will you do with Jesus Christ
As He pleads with you today
Will you let Him change your life
Or will you walk away
Will you let Him change your life
Or will you walk away
Don't away, Don't away

The only sin that you can commit is to reject Jesus Christ. He is the only one that can help you, and if you don't let Him help you, and if you reject Him there is no other place for you to go. There are a lot of people in hell they might have lived a good life but if they rejected Jesus, then what hope is there. It takes a lot for people to bow their knees, there are a lot of people that are self-righteous they think that they can make it without Jesus. The Bible says, *that every knee shall bow, and every tongue shall confess that Jesus Christ is Lord.* If you do it here voluntarily you will be blessed, one day when He comes back they will bow their knees. It is better to do it now.

Thank God I am free, free, free
For a long time I've traveled down a long lonely road
My heart was so heavy, in sin I sank low
Then I heard about Jesus, what a wonderful hour
I'm so glad that I found out that He would bring me out
Though His saving power

*Thank God I am free, free, free
From this world of sin
Washed in the blood of Jesus, and then born again
Hallelujah I'm saved, saved, saved
By His wonderful grace
I'm so glad that I found out He would bring me out
And show me the way*

*Like a bird out of prison that's taken it's flight
Like the blind man that God gave back his sight
Like the poor wretched beggar that found fortune and fame
I'm so glad that I found out He could bring me out
Through His Holy Name*

I know the Lord will make a way for me
*I know the Lord will make a way for me,
I know the Lord will make a way for me,
If I live a holy life
Shun the wrong and do what's right
I Know the Lord will make a way for me.*

I want to go into my topic: Every knee shall bow.
For it is written, "As I live, says the Lord, every knee shall bow to me, and every tongue shall confess to God." Romans 14:11.

1. *If there be therefore any consolation in Christ, if any comfort of love, if any fellowship of the Spirit, if any bowels and mercies,*

2. *Fulfil ye my joy, that ye be likeminded, having the same love, being of one accord, of one mind.*

3. Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem other better than themselves.

4. Look not every man on his own things, but every man also on the things of others.

5. Let this mind be in you, which was also in Christ Jesus:

6. Who, being in the form of God, thought it not robbery to be equal with God:

7. But made himself of no reputation, and took upon him the form of a servant, and was made in the likeness of men:

8. And being found in fashion as a man, he humbled himself, and became obedient unto death, even the death of the cross.

9. Wherefore God also hath highly exalted him, and given him a name which is above every name:

10. That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth;

11. And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father. Philippians 2:10 [KJV]

1 Therefore, if there is any encouragement in Christ, any comfort provided by love, any fellowship in the Spirit, any affection or mercy,

2 complete my joy and be of the same mind, by having the same love, being united in spirit, and having one purpose.

3 Instead of being motivated by selfish ambition or vanity, each of you should, in humility, be moved to treat one another as more important than yourself.

4 Each of you should be concerned not only about your own interests, but about the interests of others as well.

5 *You should have the same attitude toward one another that Christ Jesus had,*

6 *who though he existed in the form of God did not regard equality with God as something to be grasped,*

7 *but emptied himself by taking on the form of a slave, by looking like other men, and by sharing in human nature.*

8 *He humbled himself, by becoming obedient to the point of death - even death on a cross!*

9 *As a result God exalted him and gave him the name that is above every name,*

10 *so that at the name of Jesus every knee will bow - in heaven and on earth and under the earth -*

11 *and every tongue confess that Jesus Christ is Lord to the glory of God the Father.*

Philippians 2:1-11 [NET]

That is what Jesus had to go through for our redemption. Without Jesus there is nothing, as we said earlier, everything was created because of Jesus Christ. We would not be here if it was not for Jesus Christ, there would be no trees, no squirrels nothing would be out there. It was all created because of Jesus Christ. Once you see that then it is not that hard to bow your knees. When I first felt the Lord pressing me I did not know what we know today, and today knowing what we know it is a lot easier to bow your knee because we know that without Him there is nothing. Like that song says, *without Him, I can do nothing, without Him, I would surely fall, without Him I would be drifting like a ship without a sail.* So it all goes and points directly to Jesus, redemption is in Him.

I want to read this in Revelation 1:7
Behold, he cometh with clouds; and every eye shall see him, and they also which pierced him: and all kindreds of the earth shall wail because of him. Even so, Amen.

That is where they are going to bow their knees. When He comes with power and great glory. The only way you can pierce Him is to reject Him. The song says: *What will you do with Jesus Christ as He pleads with you today, will you let Him change your life or will you walk away.* Jesus knows that He is the only one that can help you. When you reject that help you are piercing Him. With us, we know that these books that we send out are the truth. The only reason we send them out to people is that we care, and we know that some send them back or burn them up or throw them in the garbage, they are not rejecting me they are rejecting Jesus, these books can bring you to the marriage supper of the Lamb. This message is the truth.

The six seal in Revelations is the coming of the Lord. Here it will be too late to bow your knees voluntarily when the Lord comes people will bow their knees out of fear, it will be too late. It is better to do it now, and it is easier to do it now when you realize who Jesus is, that He has exhausted every avenue to get you to that place in glory, because God is not willing that anyone should perish. He has bent over backwards for mankind so that when that time comes you will not have to say to the rocks, fall on us and bow down because of fear. You can do it right now voluntarily and you get blessed.

12. And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood;

13. And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.

14. And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places.

15. And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains;

16. And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb:

17. For the great day of his wrath is come; and who shall be able to stand? Revelations 12.

It says, at the name of Jesus every knee will bow and every tongue will confess that He is Lord. If you do it here you will have that assurance when He returns. When Jesus comes with power and great glory they will know that He is the King of Kings and Lord of Lords but it will be too late to confess it then, they will recognize Him who they have pierced.

Every Human Being they know that there is a God, they try to ignore it like the atheist, they try to ignore it and fight it, but in their heart, they know because God is dealing with them.

These people in Hell know that they rejected Him that the Lord was trying to get their attention but they were too proud or they just pushed it off for another day, and eventually it is over. It says in Matthew 20, He goes out at the third hour, and then the sixth hour, and the ninth hour, that is in your life. He called me when I was 23-24 and I yielded, I put up a bit of a fight.

As Jeremiah said - *Then I said, I will not make mention of him, nor speak any more in his name. But his word was in my*

heart as a burning fire shut up in my bones, and I was weary from holding it back, and I could not. Jeremiah 20:9. You can only fight God so long and you have to give in. Here it says the kings and the great men and the rich men they all hid themselves in the rocks. Here they will not be that important anymore. The Bible says: *Titus 2:11 For the grace of God that bringeth salvation hath appeared to all men.* It is surprising you can talk to almost anyone and they know that there is a God.

We were up at Alaska one time and there was this guy he was out jogging, and he was trying to outrun the Grim Reaper, he figured if he is healthy enough he can live a little bit longer. He could have just surrendered to the Lord right then and could have gone down on his knees.

What got me on this conversation, I was reminded of this Terry Klassen, I guess, he was under conviction so strong, he was on his way to Winnipeg one day and he pulled over with his car and got out and bowed his knees right there and give his life to the Lord. He knew he had to bow his knees, and that is what he did. He pulled over on the shoulder, on a busy highway got down on his knees and cried out to the Lord. He will not have to bow his knees out of fear when the Lord returns with His wrath. This man was under conviction and he did bow his knees and cried out to the Lord. That's what the Lord does, He tries to bring you to that place. I know I used to fight Him, and there came a day where I could not fight it anymore, and you get on your knees and give your life to the Lord, that is all He requires of us. That scripture is true that every knee will bow and it is better to do it here.

Like the conversation I had with this Joe - Oh, it is pretty hard for these knees to bow themselves. Look what that guy has been through, he has nothing left, he will have to do it

soon, there might not be time left to do it out of a voluntary basis. When you look at how good the Lord has been, you do it out of gratitude. That really moved me. There is another aspect, you really want to serve the Lord out of gratitude and that is where it can get kind of sticky. There are a lot of people they are born again but what moved me to where I am today, I knew that I had eternal life I was born again but I did not have that reward part. There is such a thing as being born again and doing your own thing for the Lord, but there is another avenue and the avenue is you are so overcome with gratitude that you want to do something for the Lord. The Lord is not going to push you into this thing and that is what happened to me, I was just overcome with gratitude for years and said - *Lord what can I do or you.*

We had a conversation about Ruth and her mother-in-law how she told her to go back to her people it was almost like she was forcing them to go back, hoping that they wouldn't, but Ruth she kept insisting - no way am I going back, where you die I die, your people are my people, your God is my God, and then Naomi knew that she was serious.

That is how the Lord is sometimes, He will not force you to serve Him, He will even give you an easy way out hoping that you are going to take the tougher way, that is what I did.

When the Lord came on the scene in my own life, and He said to me - if you want to serve me here is what it will cost you, you are going to lose it all, you are going to become a vagabond overnight. You are going to lose, your life, your wife and your children, by serving me. The first thing that I want you to do is - I want you to go and speak for me. It is one thing to say, 'yes' to the Lord, but when push comes to shove what are you going to do. I had such a passion and a desire

for the Lord I wanted something more, because I read what Paul said in *Philippians 3:10*

That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death;

There was no more turning back for me and the Lord has blessed me ever since He gives me joy unspeakable full of glory. Like I say, there is one thing to get saved, but then there is another dimension that you enter in, where you serve the Lord, and you get a reward for it.

We are not doing our own thing. I prayed Lord if you have something for me, if you have a work for me you are going to have push me into it, I am not going to just go out there and start my own thing. As time went on the Lord moved on me to start this website and he brought you on board. That is all part of that journey, simply because back there I surrendered my life to Him and I entered into another dimension. I got to know His Word. If I would not have done that I would not know what I know now, I would not know the book of Revelations. Somewhere along the road of life, I had to let go and let God lead me. I was born again but I had no reward. I had eternal life but that was it. There is one thing to have eternal life but then there is another thing to have a reward and that is to do what the Lord inspires you to do no matter what the cost.

When He said -
Sam I want you to go and speak for me. It was not easy. I was not a happy camper, I lost it all, I became vagabond overnight. If you want to know what I went through its in that song: *Ich armes Brüderlein klag mich sehr*. I can identify with that brother that went through that. When I look back it was the best thing that ever happened to me, it was not easy for the

natural man, but I would not have it any other way. In that journey, according to Mark 10, this is what Jesus said:

29. And Jesus answered and said, Verily I say unto you, There is no man that hath left house, or brethren, or sisters, or father, or mother, or wife, or children, or lands, for my sake, and the gospel's,

30. But he shall receive an hundredfold now in this time, houses, and brethren, and sisters, and mothers, and children, and lands, with persecutions; and in the world to come eternal life.

We are blessed, you can look left, right and before and behind you, we have it good. We went to the store yesterday and there was nothing we really wanted, all things will be added unto you. We have more than enough. There is nothing that I could think of that I would want. If the Lord sees that we need anything - He will supply it. He has given us more than abundant. I only wish that people could tap into this, Satan does not want people to find out how blessed we are, and he keeps them from it. Like that Joe guy he would be here already but his mom she tries to divert him away from me - Don't you hang out with Sam. That is how the Devil does it, that is just the way it is. The Devil will try to throw everything at you and keep you away from that blessed place, from that eternal destiny. We just keep on doing our part, keep on chipping away.

It says - *That every knee shall bow.* That is what the Lord has been dealing with me on. It is better that you bow now, voluntarily, on a day to day basis than to do it one day out of fear. There is a moving on; a continuing on. We are moving ahead we are getting rid of the natural man bit by bit, chipping away, we are not like some, that the grace of God has

appeared to all men, and then they stop. I like it how it brings it out in German.

11 *Denn es ist erschienen die heilsame Gnade Gottes allen Menschen*

12 *und züchtigt uns, daß wir sollen verleugnen das ungöttliche Wesen und die weltlichen Lüste, und züchtig, gerecht und gottselig leben in dieser Welt*

13 *und warten auf die selige Hoffnung und Erscheinung der Herrlichkeit des großen Gottes und unsers Heilandes, Jesu Christi,*

14 *der sich selbst für uns gegeben hat, auf daß er uns erlöste von aller Ungerechtigkeit und reinigte sich selbst ein Volk zum Eigentum, das fleißig wäre zu guten Werken.*

The grace of God has appeared unto all men. The grace of God admonishes us how to live godly. In German it says: aber sie züchtigt uns, sie unterweisset uns, sie lehret uns. It is so misunderstood. The grace of God has appeared to all men, when you sing that song and it says - I know He is coming back for me. One can miss the condition, because it also says - if I spend my life in prayer, or if I live a holy life. You can see it comes with a responsibility. You can't just quote that one line: The grace of God has appeared to all men. The grace of God is there to admonish you and direct you that you should live a holy life. We should spend our time in prayer, we have a responsibility.

It has appeared to all men and that is because of Jesus Christ. That is the grace of God, He sent His Son, and through His Son, He can teach us and advise us how to live. The natural man is looking for that path of least resistance. Then they sing that song: His grace and mercy brought me through. If you sing it often enough and put enough effort in, then after a while you start believing that that is all it takes, but

see people don't read on. It is a deception. Paul all throughout his epistles talks about the natural man, you have to crucify the natural man if you just believe in His grace and mercy will see you through, and don't do anything about the natural man; to crucify that natural man then it's not complete.

A lot of people are caught up in that delusion. That is all it is a delusion, it comes from that grey-horse rider, that Laodicean spirit. It is the spirit of the age, people have become complacent. It says that of the Laodicean church, people are rich and in need of nothing, and that brings about a complacency. Like Joel Olsteen preaches, wealth and prosperity. He doesn't cover that part that the grace of God has appeared to all men, but it admonishes us and advises us how to live a holy life. There are conditions, that is why we are on the ball, we don't sit down and relax. Put in a bit of an effort, it doesn't come automatically. Just a delusion comes automatically. That is all it is, it never delivers, and I know a lot of guys that are caught up in a delusion.

This one guy up in Calgary, he believes these people from Nigeria will give him a card with 40 million. That is a delusion, year after year, he has nothing to show for himself; he spent all his money running after this delusion. It is sickening what people get caught up in. The grace of God has appeared to all men and it admonishes and advises us how to live. We searched these things out; we didn't just happen to stumble upon it. I put an effort in to seek out the scriptures on a daily basis. I found what I have by searching for in the scripture and by spending time in prayer.

Like the song goes: *If I spent my life in prayer*. Many nights I was on my knees all night long, trying to find out what direction to go. It was a driving force, I knew that Hutterite system was not it, there was something missing there. I was

almost caught up in that delusion, but there was something in my spirit, gnawing away, something was not sitting right. There are times when you come across somethings that just leaves you with that - something is just not sitting right with this thing. I didn't know the answer, but you don't give up until you do know the answer.

Even to this day, there are things that I do not know, I did not know about this Reuben thing - that it was a delusion. In fact, I kind of sided with him a bit, but I kept it at arms length. The Lord let me see His Word, and that that guy had no respect for the Word of God. He was caught up in that delusion that he was going to convert the Hutterites.

We know about that grey-horse rider, that is what kept us. It is easy to get caught up in it if you don't know what you are up against. That is why we have to search the scriptures. God sent a prophet and that prophet came to tell us things. He walked us right through it. We can see the conditions in the world. It is really not brother Branham it is that angel of Revelations 10 that brought the end-time message. When brother Branham went off the scene that angel continued with brother Jackson. It is impossible for a Human Being to bring out these things, it has to be prophetic. He went into history and brought all these truths out. That is why we understand it because we were teachable we did not have our own agenda. It does not just happen we spent time in prayer and today we have it, and there again it is one thing to have it but it is another thing to hold on to it.

Like that thing, you read what brother Jackson said about people sitting in church and not getting a revelation of their own. The devil can throw something at people and they will end up somewhere out in left field. That is what happened to the masses, how many really had a revelation on what brother

Jackson taught and have moved on. It becomes entertainment for people. It would have been the same for me but one day it really hit me, I am not getting what he is saying, I know what he is saying, but I have to get in down in my soul. I would tape the sermons and listen to it over and over again, all week long. That is what you have to do, they went there Sunday morning, and that is the last thing they did, they just heard it, it was just an entertainment session. I could sense that there is something more here, I need to pay attention.

He said to his church, that there were people that would say that he repeated things, but when I talk to them on certain things they get a blank look on their face, (which was a giveaway that they really were not listening and paying attention to what he was saying), but when he would say - I have \$3 in my pocket. Everyone will remember that I have three dollars in my pocket. He said, people are so materialistic.

I heard the spirit behind the man and I knew that it was impossible for a Human Being to bring out these things. That is why we have it so good, once you get it the Lord will bless you. He gives you more then you can handle.

Like Micah, he wanted to know what he could do for the Lord, and you can add a lot to that today. Should I go built a commune, should I wear a certain dress code. Micah was going through all these things, should I offer my firstborn son. I want to read it, because this guy was really concerned about his eternal well being. Sometimes you get to the place where you want to do something for the Lord. Micah 6 - 8

*6. "With what shall I come before the Lord,
and bow myself before God on high?
Shall I come before him with burnt offerings,
with calves a year old?*

*7. Will the Lord be pleased with thousands of
rams,*

*with ten thousands of rivers of oil?
Shall I give my firstborn for my transgression,
the fruit of my body for the sin of my soul?"*

*8. He has told you, O man, what is good;
and what does the Lord require of you
but to do justice, and to love kindness,
and to walk humbly with your God?*

I like it in German it comes out a lot better, we have been blessed to know the German language.

8 *Es ist dir gesagt, Mensch, was gut ist und was der HERR
von dir fordert, nämlich Gottes Wort halten und Liebe üben
und demütig sein vor deinem Gott.*

It brings out that we should hold onto God's Word. You can add a lot of things that people want to do in order to please God, like building a commune, and they figure that will please the Lord or wear a certain dress code, but it is all vanity.

When you go back to Abraham it says, Abraham believed God and it was reckoned as righteousness. The only righteousness that you and I can do is to believe and obey His Word. That is all we have, we have nothing else, that is what turns the Lord on. What gets us excited, is when people believe God's Word.

We make these books and cd's and send them out, we know we are right, we know that there is nothing outside of this truth. The only thing that we want in return is for people to read them and believe them because we know it is the truth. It is for their well being. My sister asked me what can I sent you or give you, we don't need anything the Lord gives us more than we can handle, the only thing that anyone can do for us

is to read these books and believe them, because it is for their eternal destiny. Then once you read them, pass them on. The only thing that anyone can do for me is to read these books, I know it is the truth and if you believe them you will be blessed, by believing it will take you to the marriage supper of the Lamb. God will supply all our needs according to His riches in glory.

We have nothing else and there is nothing else out there. This is it, this truth that we are promoting. This thing that is going on around the world now, these forest fires, the Lord just backs off and lets things run their course. It is not going to stop until the Lord set His feet on the Mount of Olives in Jerusalem and the Millennium sets in.

It is not going to take a reverse course as it did after WWI and WWII, things got cleaned up and America was instrumental in establishing Europe but this thing is not going to go into reverse, it will continue, wickedness will increase and it will continue to the day of the Lord where the wicked will lay like dung on the face of the earth and they will neither be buried or lamented over. That is how bad mankind has already become. You can see how the left in the United States and even in Canada they are beyond repair. When Jesus goes off the mercy seat He is not sweet Jesus anymore the day of grace will be over, everyone will have had their chance. Judgment is looming on the horizon and it is rapidly coming.

These fires in California were hotter than normal. One day everything was normal and the next day everything was gone. A complete town just wiped out and that is all part of God's judgment. These things don't just happen just like Sodom and Gomorrah didn't just happen. It says: *Blessed are those that put their trust in Him*. He can protect you even in a fire like that. I have seen it happen, there are houses that

burned down and then there is that one house that is standing untouched. The Bible says: *He can make a way in a whirlwind to protect you.*

We are talking about the whole counsel of God. Paul said in *Acts 20:27* *For I have not shunned to declare unto you all the counsel of God.* You have to tell people the whole truth, people don't want to hear it. I was telling you about that Reuben guy, I went there time and time again, he was under that delusion. I was quoting him the scriptures, and told him that it is not going to work, but see people don't listen when they are under that delusion. You can quote scripture after scripture and they just go blank, they don't want to hear that because they are under that delusion. There is nothing that you can do. A delusion is a horrible thing. I remember when I first became a Christian I was caught up in that delusion, I thought everything in the spirit world is of God, but that is where I learned my lesson you have to line it up with the Word of God, otherwise, it is just a delusion. I did not know what I know today. I did not know anything about that grey-horse rider. I read it but I did not know what it really meant and it runs right along with the Laodicean church age - you think you are rich increased in goods, and no need of nothing. People in this age have convinced themselves that they do not need anything but they don't know, that until reality sinks in, and you realize that they *are wretched, and miserable, and poor, and blind, and naked*: Jesus said: *I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve, that thou mayest see. Revelations 3:17,18*

People die in that delusion, they have convinced themselves that they are going to go to Heaven. That delusion

is so strong, these Hutterites, they are under a delusion, they believe because we are living in a commune, they figure they have a ticket to glory. We have not shunned to tell people the whole counsel of God. We say things that they do not want to hear, the devil he makes sure that they stay away from us, because he knows that this is where it is at. This is that gold, that pearl of great prize. This is where that joy unspeakable full of glory is. This is the journey to that glorious rapture, to the marriage supper of the Lamb, there are no two ways.

You are not going to hear out in those churches what you hear here. You are not going to hear that you have to be baptized in Jesus name. How many out there will tell their people that God sent a prophet William Marrion Branham. They wouldn't last very long in their organization. How many will tell people the truth that you have to be baptized in Jesus name according to Act 2: 38. They will baptize people in this catholic baptism. The devil does not want people to know the truth. He will do whatever he can to keep people away from this truth. The devil knows that we have the truth here, that is why he keeps people away from us. Don't have anything to do with that Sam guy if you do you are going to get excommunicated, but they can see how God blesses us, they can't take that away from us. They can see how happy we are and content we are. You can't take that away from us.

Like that Joe - I see how the Lord has blessed you. There is a reason for it. We have paid the price. When you come to that place God will bless you. *Seek ye first the kingdom of God, and his righteousness and all these things will be added unto you.* It is one thing to seek the kingdom of God, then there is that righteousness, and righteousness is believing that Word. I can't find any other way because at one place it says to believe as the scripture says. Jesus said, *John*

7:38 He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water. It is easy to say: I believe in Him, but with it comes obeying.

When Jesus said to me: Sam, I'm coming soon. There was action tied to that. To really believe in Him as the scripture says. *The devils also believe, and tremble.* That word 'believe' is more than just a word it requires action. If you really truly believe then there is something that you can do and are going to do about it. I believed water baptism in Jesus name and I took the first opportunity to be obedient. I believed as the scripture says, and it moved me to action.

When we take inventory of ourselves we believe in Him as the scripture says, we believe the message for our day, we are in the Church Age of Laodicea now. From us is required more than it was from the church of Ephesus. We are here in this hour and we have a lot more to overcome then they did back then. It is not any harder it is the grace of God that gives you more grace as the journey gets tougher. He just gives you more grace, it has nothing to do with us. All we can do is surrender let go and let God. For every church age, there is a different spirit to overcome. For us, it is that grey-horse rider in the church age of Laodicea, we are living in a different hour than they did back in Ephesus. We have to go back to the faith of the early church. You try telling people that according to the scripture they have to be baptized in Jesus name, and if you tell people that they will try to run you out of town. It is, as the scripture says, that is why you have to be in that Word. When you go back to the church age of Martin Luther which was the church of Sardis, it was - The just shall live by faith. In the church of Philadelphia, it was - Holy living.

Then from 1906 to when brother Branham came on the scene, his commission was to 'baptize them in my name' and

baptism in the name of the Lord Jesus Christ was restored. That's what brother Branham did, He took all these truths that God had restored and brought them together from the time of the reformation which was, justification, sanctification, predestination, the security of the believer, baptism in Jesus name. The church went into a different era with baptism in Jesus name. It did not happen overnight, I did not get wind of it until '95 that you have to get baptized in Jesus name, and I saw it in the scripture and once I saw it I had no problem with it. When I look back and see how the Lord has led me through this journey. I would not know what I know today and I know that we are right and they are wrong, because we have continued on. Jesus said to His disciples you are they who have continued with me.

It says in Mark 10: 29-30, with persecution, in this journey you are going to get persecuted, like the Bible, says, *you will be hated of all men for my name sake*. They do not hate us for who we are, they hate us for what we stand for. They hate us because of the Lord Jesus Christ, not because of us, because He told John the Baptist - Blessed is he who is not offended in me. What Jesus was saying was - John you are in prison because of me and you are going to be blessed if you are not offended in me.

Once I saw that, I realized, if I want that blessing, (because He told John - *Blessed is he who is not offended in me* - and you want that blessing above anything else), then don't be ashamed of what you have to go through because of Jesus Christ. When the Bible says, 'blessed is he,' you be just like a Doberman on that. When I saw that scripture - Blessed is he who is not offended in me. When you are offended what you have to go through in life you are going to miss out on a blessing. All you do is, once you see that that is the way it is,

I'm just going to praise Him no matter what, then you receive that blessing. Then you not only receive joy unspeakable you receive that blessing. Like when the Bible says, 'blesseth,' you want to receive that blessing.

Right now, there are people alive that will not have to die to go to Heaven, and you want to be one of them. *Luke 17:34 I tell you, in that night there shall be two men in one bed; the one shall be taken, and the other shall be left.* You want to be one of them that will be taken and you will not have to die a physical death to go to Heaven, and in order to go in the rapture, you have to meet the conditions. After the rapture happens you will have to give your life to become immortal.

In the last part of the week of Daniel in the scripture it says - *Blessed is he who dies in the Lord from henceforth.* In order to go to Heaven they will have to give up their lives. The sheep people will come out with their lives and they will be the mortals that go over into the Millennium (1000 years) to repopulate the earth. These mortal human beings, will need the sunshine, and they will need to eat they will not have immortality, but will be mortals.

For those that do not make it into the rapture and they are born again but they did not cultivate their lives they will go on into the week of Daniel and they will have to give their lives in order to be immortal. That is why it says - *Blessed is he who dies in the Lord from henceforth.* People will want to die in the Lord because there is a blessing in it. It will be a universal setting and people will know, that in order for me to have immortality, I will have to give my life and they will end up on the sea of glass as it says in *Revelation 15:2*

And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his

image, and over his mark, and over the number of his name, stand on the sea of glass, having the harps of God.

At one time John saw it empty and here John saw that it was full. It is a very simple program but you have to go back to that great counsel in Ephesians. Then you have to walk through the scripture. Paul said: I have not shunned to tell you the whole counsel of God.

It does not say - The grace of God has appeared to all men - and then period; full stop. You have to include the whole counsel of God and that is where the joy is - It is joy unspeakable and full of glory. Why live in a delusion, there is no joy in a delusion, you just hope against hope, that something is going to happen and it never does happen. A delusion can never deliver; Satan can never deliver. That is who is behind that delusion, he does not have anything and he can never give you anything. It is like putting a carrot in front of a donkey and the donkey never gets the carrot, it is always about six inches ahead of him. That is how this delusion was with Reuben, he was hoping against hope God is going to heal him. You have to get serious - a delusion will never heal you. It is this Word and that is where it is at.

It says: every knee shall bow and every tongue will confess that Jesus Christ is Lord. I will gladly do it here and with that comes a blessing. The Lord wants to bless us, it is part of His attribute, but He can't bless you if you have all these ideologies. He can't bless you if He knows that you are going to use His blessings to destroy yourself. When He sees fit that you will continue to humble yourself, like He gave us a new truck, a home and much more. He gives us these things for His glory. That you don't abuse it and not take advantage of it. That we don't get spoiled, you still have to crucify the flesh, and take the opportunity to get together every Sunday

and have a conversation around His Word. We have to spend time in prayer, we have to do our part and then this joy unspeakable will continue to flow.

All that goes back to Ephesians one, you have to see the whole program of God. I know growing up I always wanted to understand the Bible, I could never understand it. There were a lot of things that I did not understand and as time goes on, as you continue on and you have a yearning and a desire to continue on, you don't give up, you persevere. There is something somewhere, God will show you, He is faithful.

Like I told you sometime ago, when that man came to our house, and he said - there has to be something out there somewhere. Something in my soul was burning - there has got to be something and it cost me everything to find that pearl of great price. It is still going to cost you something. When that man said that, it did something to me, I knew that there is something out there somewhere, and I didn't know where, I just kept persevering. I did not give up until I found the message of brother Branham and then the Lord brought me to the message of brother Jackson, and when you go back to what they taught, the church ages, the seven feast, and the seven parables it all confirms that we are on the right track. We are not living in a delusion, we see it in the scripture.

Like you were reading yesterday about brother Jackson when he said - you have to get your own revelation, lest something comes along the road of life and if you just look to me behind this truth, then something else can come along and it is going to divert you. We put our roots down we know what we believe and we know why we believe it. There are things that brother Jackson put out there that we know is not going to happen, we picked it up because we took it to the

scripture. That is why we have joy unspeakable and that is why the Lord blesses us so much, He protects us on the road. Like I say, you can look left, right, up and down. There is nothing that we lack and the Bible talks about that - They had no lack. He will give you everything according to His riches in glory, and His riches are unlimited.

There is a guy that won over a billion dollars in a lottery. He still does not have that riches in glory, that joy unspeakable full of glory, all he has is money which is a lot of heartaches. The Lord gives us according to His riches in glory, He gives us what we need on a day to day basis, and then some. I can't think of anyone that has it better than you and me. I wish I could turn people on to this, to let them know that they can have it as good, all they need to do is put their trust in the Lord. Never-mind your family and friends, the devil will use them to try to derail us and we have seen that time and time again. God is going to look after them. It is not that we do not care about them it is just that they are no benefit. The Bible tells us - those of your house hold will be your biggest foes.

It tells us in Micah 6 what God requires of us. *8 Es ist dir gesagt, Mensch, was gut ist und was der HERR von dir fordert, nämlich Gottes Wort halten und Liebe üben und demütig sein vor deinem Gott.* Then when you go to where it says - *those of your household are your biggest foes.* It is just that simple now if I reject that and say, - there is no way that I will give up my family, then you are going to walk right into a trap. That is exactly the way it is, that is why it says, *Gottes Wort halten*, you have to hold on to that Word, hold on to the whole counsel of God, then the Lord can bless us.

Like this Randy guy, he wanted the blessings but he does not want the whole counsel of God, he doesn't even

believe that the earth is round, he wants to hold on to that flat earth ideology. How can he get that blessing, that whole counsel of God, when he holds onto a flat earth. He is robbing himself if he could forget about himself and his delusion and walk towards this Word, get himself ingrained in this Word. That is why it says: *He that believes as the scripture says.* The scripture does not say that the earth is flat. He would get that blessing, but he is so caught up with this ideology, that the Lord cannot bless him. We baptized him in Jesus name and at least now he has something that he can anchor himself with, he can get into that Word and anchor himself with it. That is as far as the Lord showed us that we can take that man. Now he can do what he needs to do, he knows how other people operate, and now all he has to do is dig himself out of that hole that he is in. I told him you are just going to have to pray your way out like we all had to do. You don't listen to what we have to say anyway. I could be in a conversation and your brain is somewhere else. It is no point wasting time on you, what you are going to do is you are going to destroy what we have. You can look back and see how the Lord orchestrated this whole thing, and after he was baptized, he can now work his way out of his ideologies.

A Human Being always looks for the path of least resistance; he always goes the path where there is no price to pay. It was not easy for me but I know that that was the journey that I was on, I can't change it. Everyday I would pray - Lord lead and guide me by your spirit, and He led me places where I did not want to go. Like Jesus said to Peter in *John 21:18 Verily, verily, I say unto thee, When thou wast young, thou girdedst thyself, and walkedst whither thou wouldest: but when thou shalt be old, thou shalt stretch forth thy hands, and*

another shall gird thee, and carry thee whither thou wouldst not.

That is the way it has been with us, even you and me hanging out together there is persecution in that. I know what people say, do, and think, but you know that its part of that glorious journey. I would not have it any other way, look how good we have it. We have a home second to none, we can plant our own garden, we can eat the vegetables and fruit from it. We have that joy unspeakable and simply because we bowed our knees. There came a day when I bowed my knee, and one day you bowed your knees and confessed that Jesus Christ is Lord. There is one thing to bow your knees but then you have to confess that Jesus Christ is Lord. He is Lord over our lives and He leads and guides us by His spirit. He moved on me to start up this website, I didn't know anything about starting up a website, and He brings you on board, He puts us together 24/7 driving truck. We are hanging out together and it is all part of that program. Yes, it says with persecution, when you look back and I look back how God has led and guided us, He wants to do that with every Human Being, there would be no wars if everyone would let themselves be led and guided by the Holy Spirit, there would be no conflicts, everything would be honky dory. Even in the Millennium, there is going to be people that are going to want to do it their own way. Jesus is going rule with a rod of iron in the Millennium.

In the Millennium there is no more Satan that the mortals will have to fight with, just that rebellious Human nature. The left and the democrats will be gone, and the religionist and all these people there is not going to be no devil there to entice people, he will be bound up for a thousand years. Even with that Jesus has to rule with a rod of iron that rebellious nature will still have to be dealt with. It is only in the Eternal Age that

there will be a perfect environment, where all opposition will have been dealt with and gone. In the Millennium there is still going to be opposition but not by far what there is now. To us there is no devil if we can stay focused on God's Word, listen and walk in the spirit. God is still God, and He runs this whole show.

You go and tell people that God raised up Hitler you can't tell that to people, and the reason he did was to fulfill His Word. He raised up Nebuchadnezzar to fulfill His Word.

We were talking about all these immigrants and why God is allowing them to come into this country. What happens when a nation forgets God, God raises up adversaries. When Solomon walked away from the Lord God sent them adversaries. He is doing the same here in Canada and America they have turned their backs on the Lord, so the Lord is sending in these adversaries. They are not going to affect us, we have to get that down into our DNA. I sometimes get a little worked up about that Trudeau guy and one day the Lord let me know that - He puts up and He puts down. It will work out for God's benefit no-matter what that guy does. God is bringing in adversaries and it is not going to affect us because we have bowed our knees when that time came to bow our knees. We have sought the Lord when that time came to seek the Lord you can read it over in Isaiah 65, the benefits for them that seek the Lord while He may be found. Call on Him while He is yet near.

There is so much information on this website, you can read the Bible and at the end of the day the Bible will have the final say-so, but we explain everything specifically, we take it out from the Bible. Seek the Lord while He can be found, there comes a day when you can't seek Him anymore. That window is closed. Like for the Jews at the Holocaust, God

sent in fishers, which were Rabbi's, that called the Jewish people to go back to their homeland, but there came a day when the fishers their job was done, and that door closed for the fishers. Then the doors for the hunters was opened and they had to go through the Holocaust. If they would have listened to those fishers and gone back to Israel there would have been no way that Hitler would have touched them, because they were protected in Israel. It is the same with the destruction of Jerusalem there was no Christian left in Jerusalem when Titus came and seized the city. Jesus warned them when you see these things to get out. The destruction of Jerusalem was inevitable, because they rejected Jesus, but for those believers, they had a way of escape.

The same with these immigrants we don't know what is going to happen but you can seek the Lord and be prepared. Sometimes, it can get you worked up but when you sit back, we sought the Lord while He is near, they don't affect us. There are so many foreigners driving truck, then you sit back and think who would deliver all the freight if it wouldn't be for these people. God is still in charge of this whole program. It says,

Seek the Lord while He may be found, Call upon Him while He is near. Isaiah 55:6

Then in *Proverbs 1:24-25 Because I have called, and ye refused;*

I have stretched out my hand, and no man regarded;

But ye have set at nought all my counsel, and would none of my reproof:

See we did that, we bowed our knees when the time came, we did surrender when the time came to surrender, we went down that direction, but like I say we still have things that

we need to deal with, but you deal with them one by one. The thing of it is if you do not bow your knees here voluntarily you are someday going to wish that you would have bowed them voluntarily.

I know a lot of people, as I said, it is one thing to bow your knee, but then there is another thing to confess that Jesus Christ is Lord. He is Lord of your life, He is supposed to control you and lead and guide you by His spirit. Like He has with us and it is a blessing.

Look how much He has blessed us, I could never have bought it on my own. We would still be driving that '07 Volvo, I had no intentions to buy a new truck. I did not want to raise up a bunch of debt, but if the Lord tells you to go and buy it then He is going to see to it that you will be able to pay it off. It was the best move that we could have done, but I would never have done it on my own. It is just the way the Lord blesses you in every aspect of your life, He wants to shower you with His blessings if you stay with His Word, then He will give it to you press down, running over, according to His riches in glory and with that is joy unspeakable full of glory. That's just one of God attributes, but He is not going to shower those blessings on you if He knows that you are going to take advantage of it and not going to appreciate it. See we appreciate everything that He does for us and He knows that He can trust us with these blessings and we will never look down on anyone. We are just grateful and that is all you can do at the end of the day. Now that we have it so good we can't just give people money, because you are going to help them destroy themselves. When the Lord moves on my heart then I will give something.

As I said the other day, the best thing that people can do for us is if you get these books once you read them, believe

them and you hand them out, that is the best thing that you can do for us. Then once the Lord sees that you can do that, I don't mind helping people like that out, because they are being a benefit to this cause. Like I say - This is not our program. We are just doing what the Lord moves on our hearts to do.

First of all, you have to bow your knees and that is where it all starts, and if you don't bow them now, you will someday, as it says in revelation these people will say to the rocks fall on us and to the mountains cover us from the wrath of the Lamb, because they see Him coming in the clouds and every eye will see Him. They will know in their hearts that they rejected the Lord. That is the only way that you can pierce the Lord is to reject Him. That is the only help for mankind is to accept the Lord, because He is the only one that can help people. That is why Jesus said - *All power has been given to me in Heaven and on Earth*. These demons can't do anything unless the Lord allows it. Jesus has power over them, no one can touch you if you walk in that perfect will. So, it is a lot better to find that perfect will of God.

That is my thought for the day, every knee shall bow, and every tongue shall confess that Jesus Christ is Lord. This one guy that I mentioned he was under conviction and he pulled his car over and went out and bowed His knees to the Lord on a busy highway - The Trans-Canada Highway - between Elie and Portage. That is all that Joe guy has to do and that Randy guy.

As the journey gets tougher, He just gives you more grace. It has nothing to do with us all we can do is surrender, let go and let God. There are a lot of people they are not going anywhere because they say God's grace and mercy will see us through and leave it at that but with His grace comes a

responsibility on our part to do something about it. That is why the Lord took me out of Grace and truth, He started that work there. The same with the children of Israel, He started that work with the Israelites when they came out of Egyptian bondage there was not a feeble one amongst them, as they journeyed on they had no desire to walk on. It is the same today you have to continue on. It is not just His grace is sufficient, there is something that we have to do, and sometimes He will even leave you alone to see if you will persevere. He wants you to persevere, that is where the blessing is at. *Blessed is He who is not offended in me. Blessed are you when men shall revile you.* It does not bother me when men revile me and talk evil. What hurts me more than anything they are robbing themselves.

It says that every island will move out of their place. That is at the end of the week of Daniel, the 6th seal, before the coming of the Lord. There are 75 days, (30 and 45 days). The first part, 30 days, will be the day of the Lord and then the last part will be for the separating of the sheep and the goat people. That is why it says: Blessed and holy is he who comes to that number, to the end of the 75 days.

It is a beautiful picture we don't have to worry about anything, it is all in God, everything is in Him, and redemption is in Jesus Christ. That is why He has every right to request that every knee shall bow. Once you get to that place He can bless you. There is nothing good in the natural man, I examine myself, he always wants what is not good for him. That is what grace is about, that He shows you what you need to do and what you shouldn't do. That His grace admonishes you and directs you how to live and walk. It says in German: *Es ist erschienen die heilsame gnade Gottes alle Menschen, die süchtiget uns und unterweiset uns das wir verleugnen*

sollen das ungöttliche Wesen uns süchtig und gerecht zu Leben in dieser welt. Then it goes on to say - und warten auf die selige Hoffnung und Erscheinung der Herrlichkeit des großen Gottes und unsers Heilandes, Jesu Christi, der sich selbst für uns gegeben hat, auf daß er uns erlöste von aller Ungerechtigkeit und reinigte sich selbst ein Volk zum Eigentum, das fleißig wäre zu guten Werken.

Once you have done all that, then you wait on the Lord, and that is where the blessing is. You wait on the Lord to take you into that glorious thing. Once you are in there - that is a point of no return. The glorious appearing, that is not talking about the rapture, that is what people can have here now. We are living in that glorious appearing, where He supplies all your needs where He protects you. There are a lot of dangers out there but we don't see the dangers because we are living in that glorious appearing of our Lord Jesus Christ. He is ahead of us, He sends His angels to protect us. It starts here in this life, all you need to do is find that place in Him. If I would just say that the grace of God has appeared to all men and stop. I would not have that protection. I wouldn't know what would happen when we go through Chicago and on our way to Florida. If I would just depend on His grace, and not read on that He requires something of us. It is as the scripture says, then we can examine ourselves with the scripture.

We can go to these seven feasts that God gave to the Israelites, for the second feast the Israelites were told not to partake of leavened bread, and if you do you are going to be taken out of the commonwealth of Israel. He has given us these statutes to live by, and it was a type for our day. That we should not partake of perverted doctrine, that we should hold on to the pure Word of God. We had to stay with that Word when they came out with all these perverted things, I didn't

expect it, but we stuck with that Word. There again you have to know that Word. You have to know what you have been taught and from who you have been taught it from, we have been taught them from that angel of Revelation 10.

I have learned over the years not to sweep things under the rug, you have to face things head on. If you have issues you have to deal with them they are not just going to go away. Sweep them under the rug that is not going to do nothing for anybody, somebody is going to have to clean that stuff up. That is what has been happening in that Hutterite thing, they have been sweeping things under the rug. We had to do our part, your dad he did not do his part, he just swept things under the rug hoping that it will go away. The same with me sweeping things under the rug, someone will have to clean it up.

I seen a movie one time, a funny movie, Jerry Lewis he was told to clean the yard and he swept the leaves under the rug and it stuck with me to this day. That is what people do they sweep things under the rug. So the caretaker came along and asked him what he is doing. I'm sweeping the leaves. Well, sweeping the leaves under the rug someone still has to clean them up. That is just the way it is.

Heavenly Father we want to once again thank you for this opportunity to go before your Word and to examine ourselves. We pray that whatever is said and done will be used for your honour and glory. Use us as you see fit, we ask these things in Jesus Christ name. Amen

No Other Fountain

*I will put my trust in Jesus,
As I lay upon His breast.
I will take my comfort from him,
I will find in him sweet rest.*

*All pain will leave my aching body,
As His sweet, healing flows.
Demons tremble in His presence,
In Jesus name they have to go.*

*On some morning in that yonder city,
I will awake to sleep no more.
In God's presence live forever
All sin and pain will be o'er*

*For there is no other fountain,
Where I can be more satisfied,
Than in the arms of Christ my Savior
No blessings I will be denied.*
