

I have a source

*I have a source of strength when I am weak,
That takes me through when life is pressing me.*

*I have a source of power from above
I'm covered over by a shield of Blood.*

*I claim the blood Jesus shed on Calvary,
those precious blood stains,
were made there just for me.*

*For all my sins, my sickness and my pain
When I need healing, I claim those precious blood stains.*

*I do not know how other make it through,
Who never go to Calvary as I do.
For there's a healing cleansing stream which flows,
With peace that only His redeemed can know.*

Ich weiss einen Strom

*Ich weiss einen Strom, dessen herrliche Flut
Fliesst wunderbar stille durchs Land
Doch strahlet und glänzt er wie feurige Glut
Wem ist dieses Wasser bekannt?*

*O Seele, ich bitte dich, komm
Und such diesen herrlichen Strom
Sein Wasser fliesst frei und mächtiglich
O Glaub's, es fliasset für dich.
Wohin dieser Strom sich nur immer ergiesst
Da jubelt und jauchzet das Herz
Das nunmehr den köstlichen Segen genießt
Erlöset von Sorgen und Schmerz.*

*Der Strom ist gar tief und sein Wasser ist klar
Es schmecket so lieblich und fein
Es heilet die Kranken und stärkt wunderbar
Ja machet die Unreinsten rein.*

*Das Wasser des Lebens, das ist diese Flut
Durch Jesum ergiesset sie sich
Sein kostbares, teures und heiliges Blut
O Sunder, vergoss Er für dich.*

*"Wen dürstet, der komme und trinke sich satt"
So ruft der Geist und die Braut
Nur wer in dem Strome gewaschen sich hat
Das Angesicht Gottes einst schaut.*

It is a nice song if you can sing it in spirit and truth and not just sing it for entertainment. You have to have gone through that in order to identify with it, then that song is alive if you have experienced it. That is why angels cannot sing that redemption song. They have not been through it. There are people they sing it but they can't sing it because they have not experienced it; they have not lived it.

If that isn't love

*He left the splendor of heaven
Knowing His destiny
Was the lonely hill of Golgotha
There to lay down His life for me*

*And if that isn't love
Then the ocean is dry
There's no stars in the sky
And the little sparrows can't fly*

*Yeah if that isn't love
Then heaven's a myth
There's no feeling like this
If that isn't love*

*Even in death He remembered
The thief hanging by His side
Then he spoke of love and compassion
And He took him to paradise*

If you understand it right Jesus never left Heaven because He wasn't in Heaven to leave. What He left was the mind of God. I guess that was Heaven in a sense. The lyrics would have to say He left the mind of God but it would not fit in. Jesus never was in Heaven, He did not exist other than being a thought in God's mind that one day at the fulness of time He will come about. There is this mentality and people are happy to believe it. It paints the picture different from what it really is.

Throughout the Bible, if you don't understand it right, you would think that He existed before all time. How can He exist before all time if He was a son. Only God did not have a beginning, Jesus had a beginning and that was 2000 years ago. I used to not see it either, but Jesus left the mind of God when the angel Gabriel came to Mary. Everything is in God, if you don't see who God is, that everything is in God, nothing is outside of God. The whole universe is in God. God is not a person: He is a spirit. Jesus was in the mind of God, in the eons of ages past when He counselled with himself and planned out that great blueprint of creation in Ephesians 1, and Jesus was in that great blueprint. God had all these

attributes, all these characteristics within Himself and He wanted to be able to express these characteristics and in order for that to be expressed He knew sin would be part of that program and that through His only begotten son Jesus Christ, God would be able to completely express these attributes through redemption, such as being a saviour, and a healer, and so on.

That is the way you get to know God, it is not beyond your Human comprehension. It is not like Jesus was up in Heaven and He was changed into a baby. Your mind cannot comprehend it, it is not who God is. Who God is, you can comprehend because we are created in His image.

Jesus had a beginning just like we, He was born just as we are born. The only difference is when we are born there is conception that took place between a man and women, but here Jesus was conceived of the Holy Spirit and God used a Human vessel, Mary, to bring about Jesus. Mary by saying, *Behold the handmaid of the Lord; be it unto me according to thy word.* That is how conception took place that great mind of God; that great eternal spirit released that thought, and the woman received it and accepted it, believed it and it became a reality. It is so simple. It comes down where you can make sense of it. I could never make sense of this theory that Jesus came down from Heaven and changed into a baby form. It never did resonate with me, but when I heard that it was the thought that was released from the mind of God, then conception took place, then 9 months later Jesus was born, that resonated with me. I did some Bible studying once and I took a different translation and it became real to me. *John 1:1*

In the beginning was the Thought, and the Thought was with God, and the Thought was God. The original Greek is written with the word Logos and the word Logos and means

‘thought’. In the beginning was the Logos: the thought, and that thought became flesh; it became reality. It was no more a thought, that thought now existed in the flesh.

14. And the Thought was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.

Like I remember when you bought this house here, the first thing you wanted was to build a fence out there. You did some planning, how many poles you would need how long they will have to be and how many panels. At first, it was just a thought in your mind. Then one day, we rented a drill, got the poles, drilled the holes and started the process. Now that thought, that plan that was in your mind, it became reality, it became a fence, but you had to plan it out. You didn't just put up a fence, first had to come the thought and the planning, then it became a reality, and today there is a fence out there.

That is how God did it, that is how you can identify with God. He thinks about things, then He exercised that thought, and He thought of that son. In order, for Him to think on that son, He had to build an infrastructure, in order, for His son to dwell in. He needed angels for that son, He knew He will have to have ministering spirits to minister to Him. He will need angels to protect Him because He knew what His son will have to go through. He is going to need an angelic hosts to minister to Him when He will go through a tough time. So He had to create the angelic host first. It is all very simple. That is how we get to know God. *This is eternal life that we may know God and Jesus Christ whom He sent.* That is the only way that you can have eternal life, is by knowing God and Jesus Christ whom He sent to redeem us to Him.

We are very blessed, I have been reading my Bible since back in the '70s and I know how it works. It is amazing what

people fall for. You can go to a lot of scripture like - *For God so loved the world that He gave His only begotten son*. There is a lot of scripture that actually backs up that He left heaven, but He left the mind of God. That is really Heaven, Heaven is in God too. Jesus was only a thought that rested in the mind of God, and 2000 years ago God released that thought and Jesus was conceived. It is all very easy to understand, He comes down to our level. *This is eternal life that we may know God and Jesus Christ whom He sent*. Jesus is not God, otherwise that word 'and' would not be there. Jesus Christ is from the family of man, and you can identify with Him, He is trustworthy. He is that real Boaz, that real Kinsman redeemer. He took care of Ruth, just like Jesus Christ qualifies as the real husband.

A lot of girls get trapped into this marriage thing. It might be all right but you need to get right with the Lord first. Then He can lead you to a mate. Without Jesus, it is pretty risky. There are a lot of good things in the Bible if you sit down and meditate on it, but first things first, you have to know who God is. One thing about it you can always praise Jesus, and I don't mind doing it. I don't have any ambitions of my own, I have no plan of my own. Jesus said in *John 5:30*
I seek not mine own will, but the will of the Father which hath sent me.

Blessed are the poor in spirit for theirs is the kingdom of God. It took me a lifetime to come to all this, I'm 72 years old. I always wondered about these scriptures, I wish I would have found them when I was twenty years old. It would have been a way better life. It is all part of the journey, now I know a lot. It is not a game, some people think that we are playing a game here. This is not a game. The Lord is driving this program, this is not my agenda, I never had my agenda. Then the Lord

brought you on board, it's not just me, God added you on board and the Lord is telling me, without you there is no program. You have to get that down into your DNA, and not care what people think, and say. It does not matter what they think. This is just a continuation of God's program because God knows that I don't have a program. I'm being led by that unseen hand; He is the one orchestrating this.

That is the first thing that the Lord dealt with me on: you can go out and do your own program and do your own thing but at the end of the day, there will be no payday. At the end of the day if you do your own thing, all your own works are going to be wood, hay, and stubble and will burn up. I've gone through life and I have seen a lot of these people out there doing their own thing. I think to myself what a waste of time, because at the end of the day, you don't have anything and you will never get paid. Here they are so caught up with doing their own thing and in doing their own thing they are missing out what God has for them, when they could be building on precious stones. They don't even enjoy their own program all it does is build up their own ego. There is nothing in the natural man. They need to listen to that message: the natural man versus the spiritual man. That puts the natural man down to size. There they are using up all their energy feeding that spirit, trying to make a name for themselves and at the end of the day they will be left empty-handed. We found the gold mine. Blessed are the poor in spirit. We don't even use our energy, because when God inspires you it just comes naturally.

There is a song that always stuck with me. *People get ready, there is a train a-coming, you don't need no baggage you just get on board, all you need is faith to hear those diesels a humming.* That is all you need in this hour is faith.

That train is the message that the prophet of the age, that church age messenger brought, that living water, that message for your hour, all you need to do is believe it and get on board. It is that simple all you need to do is believe what we are saying. God is not complicated.

God's ways are very simple this is not our program this is God's program. The Lord has the right to invite whoever He wants. It is not our program. The Lord just happened to find someone who does not want to take the glory away from Him, so at the end of the day it is, really, Him that is sending out the invitations. We are just the vessel. Go try to write a letter without a pen, that is all we are we are just a pen. That pen can't write a letter on its own. I learned that a long time ago. I was doing some work and the Lord let me know, you can't do your own thing. If people think that we are doing our own thing and sending out these invitations, it is not us, because we don't have our own program. He is just using us. This is it, go follow the scripture and see if it is not so. We don't charge anything. It lines up with that church age messenger. It lines up with Revelations 10 when the voice of the angel will begin to sound. It started with brother Branham and continued with Brother Jackson, and it continues on with what we are saying here.

We passed the test, He gave me the dream about the minefields, and the vision about Gideon and then the Word - Hold on to the things that you have been taught. We encased ourselves in that because we are going to need that. We held on to it. We went on to the next phase and did the only thing that we could do and we separated ourselves from all that junk, so here we are. We are sending out the invitations to the marriage supper, this message here and this website. These books and these cd's, is that invitation to the marriage supper.

There is nothing else, I don't know where else you could find it, that you can trust.

We are sure not going to tell people that we are in the 3rd day or the 2 days are done. Where is that going to take you. You are going to end up a shipwreck. If you don't believe the message for your day, you are going to be escorted out of there. God sent a prophet. To do what - To bring us back to the Word of God. That is what it did for us. Then He sent an apostle, anointed him and did he ever bring revelation out of the Word of God. He taught us things both old and new, gave us that meat in due season. I just enjoyed everything. All we are doing is we are just continuing on. Not necessarily with what brother Jackson said, but the Word. That was the spirit of Elijah to take us back to the Word. It makes so much sense. Here God allows brother Branham to say things that are not scriptural. Why is that - so that people go back to the Word, not to brother Branham, but to the Word. God let brother Jackson say things that are not scriptural and people they just take it hook, line and sinker, instead of doing what God wanted us to do and that is to go back to the Word.

What you and I do we are going back to the Word. That is why we are not buying into this rapture being in the first part of the week, and if you hear it you can get pretty delusional. Even today, I can hear people say, come quickly Lord Jesus. Well, I don't want the Lord to come yet, I am enjoying myself every day. I love every day. I can't wait until tomorrow. There are things happening today, and I don't want the Lord to come, I got health and inspiration and when the time will come to go then I will want to go, but I don't want to go because it is not that season yet. He is driving this thing and we have a work to do.

Personally, I just thought about that today. I don't want the Lord to come just yet when the time will be so and the conditions in the earth will be such that that verse will be in season, then and only then will I want to get out of this world. Then there will be nothing here to enjoy being here anymore because the time will be up.

There are a lot of people that are not in the battle, they are out of touch, like that guy we met the other day. He is out of touch, he could not get away from us fast enough. When you are on top of things and know how the enemy works and that antichrist spirit and the tactics that he uses, and you are able to defeat the enemy it is a good journey to be on. You enjoy it, and you get to know God, who He is, His principles and His Word. It says, Walk in the spirit and you will not fulfill the lust of the flesh, this old carcass here is enemy number one. Paul said, *1 Corinthians 9:27*

But I keep under my body, and bring it into subjection.

There is a scripture that I want to read where these religious leaders came to Jesus and they wanted to trap him, but Jesus took the opportunity to explain things, so people could understand. *Matthew 22:*

23. The same day came to him the Sadducees, which say that there is no resurrection, and asked him, 24. Saying, Master, Moses said, If a man die, having no children, his brother shall marry his wife, and raise up seed unto his brother.

25. Now there were with us seven brethren: and the first, when he had married a wife, deceased, and, having no issue, left his wife unto his brother:

26. Likewise the second also, and the third, unto the seventh.

27. And last of all the woman died also.

28. *Therefore in the resurrection whose wife shall she be of the seven? for they all had her.*

29. *Jesus answered and said unto them, **Ye do err, not knowing the scriptures, nor the power of God.***

30. *For in the resurrection they neither marry, nor are given in marriage, but are as the angels of God in heaven.*

Heavenly Father I just read your Word, I just pray that you will help me say and elaborate on the things that you put on my heart to say, how important it is to know you and your Word. We pray Lord give that increase and we ask it in Jesus name. Amen.

Ye do err, not knowing the scriptures, nor the power of God.

In Luke it does not say, ye err, but there is something that Luke brings out. Luke 20:

34. *And Jesus answering said unto them, The children of this world marry, and are given in marriage:*

35. *But they which shall be accounted worthy to obtain that world, and the resurrection from the dead, neither marry, nor are given in marriage:*

36. *Neither can they die any more: for they are equal unto the angels; and are the children of God, being the children of the resurrection.*

This covers such a vast area when Jesus said: *Ye err not knowing the scripture.* I was thinking on that last week, how important it is that you and I have exercised ourselves throughout our journey in life to read the Bible. It is very important especially in this hour to have read the Bible, because of the deception that is out there today. Some people think that we are just two fly-by-nights; like we are just playing

a game. We are not playing a game, the Lord hewed us out from before the foundation of the Word to read His Word.

I remember when He saved me back in 74, I loved reading the Bible, I read Proverbs, Wisdom of Solomon, all these books. Instead of having a coffee break I would read the Bible. I would get up at 6 o'clock to read the Bible, and if I didn't I would feel guilty. I didn't do it all the time, a lot of times I was too sleepy, too lazy, but throughout, the course of life I have read the Bible and I know the Bible. To me that scripture does not apply. You err not knowing the scripture because I know the scripture and I know the power of God. I know and understand the ways of God, that is really how God functions and what makes Him tick. Like we were discussing today, that you have to understand God and the way He works. We talked about how Jesus never left the splendor of Heaven that He lay in the mind of God as a thought and that one day He will come in the flesh.

I want to go to John 17:

3. And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent.

John 13:

20. Verily, verily, I say unto you, He that receiveth whomsoever I send receiveth me; and he that receiveth me receiveth him that sent me.

We know these scripture when we read the Bible throughout the years these scriptures became part of us, we had a desire to know God, it became a way of life and it consumed me. With every scripture you have to have a reverence and respect for because everything is so condensed, when Jesus said something you have to know exactly what He meant and not just read it. How many times

have people read: *He that receiveth whomsoever I send receiveth me; and he that receiveth me receiveth him that sent me.* The key is whosoever receiveth him who I will send. If you just read this without knowing the scripture you are going to err, you have to know the whole counsel of God. You have to go to the book of Revelation where John saw Jesus in the midst of the seven golden candlesticks, you have to understand what those represent . How God planned out the Grace Age; that whole redemptive process with Jesus Christ as the Saviour interceding for man.

17. And when I saw him, I fell at his feet as dead. And he laid his right hand upon me, saying unto me, Fear not;

18. I am the first and the last: I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death.

19. Write the things which thou hast seen, and the things which are, and the things which shall be hereafter;

20. The mystery of the seven stars which thou sawest in my right hand, and the seven golden candlesticks. The seven stars are the angels of the seven churches: and the seven candlesticks which thou sawest are the seven churches.

Revelations 1.

What Jesus is, really, saying is: John this is how I am going to communicate throughout the Grace Age, through these seven stars. These are the seven church age angels that's how I am going to communicate thought out the Grace age. If you don't understand that then you will never understand what Jesus meant when He said - *Who I will send.*

If you go up 50,000 feet and look down and look upon the scriptures then everything ties together. That is why you have to tie that scripture together with those seven stars that

Jesus held in His right hand. That is who He is going to send; one to each church age. There are 7 church ages - Ephesus, Smyrna, Pergamos, Thyatira, Sardis, Philadelphia, and Laodicea. He is going to send one of these angels to represent a church age. If you have that down in your DNA, you will recognize what God is doing here in this end-time when Jesus sent that seventh one. That angel spoke through the vocal cords of brother Branham. We have a reverence and respect for the Word of God, when you go to Revelations 10:7, that angel will start or begin working, speaking through the lips of Brother Branham.

But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.

This scripture ties together with the scripture in John where Jesus said: ***He that receiveth whomsoever I send receiveth me; and he that receiveth me receiveth him that sent me,*** and then the stars that Jesus held in His right hand. It all ties together.

I don't know why I am so consumed with it, people have such disrespect for the Word of God. Sometimes it is just one little word and it puts the picture together. When you look at that word '**voice**' brother Branham is the voice of that angel. When you have a respect for that you will have a respect for what that man had to say. He was that earthly vessel that God used to bring out the revelation to the seventh church age, he was the voice of that angel; of that star. You need to take it seriously because your eternal destiny is at stake because it says, *this is life eternal that they may know God and Jesus Christ who He sent,* and that *this is life eternal that they will believe whosoever I will send.* We are just interconnecting

everything how God worked out His plan of creation and then redemption through His only begotten son Jesus Christ, and if people want eternal life then at the end of the day it is the Word of God that directs us. *Romans 10:17 So then faith cometh by hearing, and hearing by the word of God*, and you cannot have eternal life if people don't believe as the scripture say. *John 7:38 He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water.*

This is the last church age for the Grace Age, then the mystery of God shall be finished and the Grace Age should be finished. There is no more grace after this one, this is the last one. The Grace Age ends out when the church age ends out. There are two things here that I want to stress. The days of the voice of the seventh angel, that is what brother Branham was - he was the voice of that angel, but the key here is - *when he shall begin to sound*. If it would just read, 'when he shall sound the mystery of God should be finished,' then it would have stopped at Brother Branham, but because that word 'begin' is there it tells me that when God took brother Branham off the scene the voice of the seventh angel will continue to sound, and it did through the vocal cords of Brother Jackson.

I have heard a lot of people talk on this scripture but they are missing the most important word and that is the word **begin**. They think when brother Branham went off the scene that that angel went off the scene too, but they are overlooking that word begin. *In the days of the voice of the seventh angel, when he shall begin to sound*, that voice will continue to speak, it can no longer speak through Brother Branham, he just began with him, that angel continued with brother Jackson. We know that he was the continuation of Brother Branham.

We know the dream he had about the horse and all that, because we are going up 50,000 feet here and we are looking down at the Bible, at that Word, because we have consumed ourselves, on our sojourn here on earth to learn all these things; to get to know God. It did not just come overnight but we have exercised ourselves over the years.

Look at these hydro people that is all they do is put up hydro lines and such. We had this disaster here and lickety-split they have miles and miles of hydro all redone and fixed up. The other day almost half of Manitoba was red and now they are done. They know their business.

We know our business, with this Word, no one is going to pull the wool over our eyes because we have exercised ourselves to study the scriptures. Like Paul told Timothy to study the scriptures. *2 Timothy 2:15*

Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. That is what we have done we are not some fly-by-night. We know the meaning when it talks about the voice and the word begin to sound. That voice continued with brother Jackson, a tremendous revelation came out from brother Jackson, but brother Jackson never took away from what brother Branham said. All he did was he cleared up all the dual statements that brother Branham made, but all in all he never took anything away scripturally from brother Branham but build on what brother Branham brought out scripturally.

That is what we are doing here, we are not taking anything away scripturally from what has been taught, we take it to the Word. We know that brother Jackson said that the rapture will take place at the first part of the week of Daniel, we do not go along with that because we take it to the scripture and we found out that, that day will not come until

there come a falling away first and that man of sin be revealed. We know the office of that man of sin is the Pope but we do not know yet which Pope it is going to be, and then he must continue on for 42 months.

We know what reveals that man of sin, it is when he kills those two prophets, and he kills them after the middle of the week. So we cannot look for a rapture before that. One does not need to have an IQ above 4 to be able to figure that out, but the sad thing is they don't have an IQ of 4. They buy into this rapture, and they are not going off that thing.

They will find out that they will still be here until after the middle of the week of Daniel, and they will wonder why they missed it and it is because they missed this scripture in 2 *Thessalonians 2*:

3. Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;

Revelations 13:

5. And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.

That is why it is important to have that birds-eye-view of the scripture and be able to tie all these scriptures together. They all ties together, with the scripture: *Ye do err not knowing the scripture nor the power of God. You go through the scripture and get to know the plan of God, this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent.* Then you go to the scripture in the days of the voice of the seventh angel, that is our church age, Jesus held those 7 stars in His right hand, Jesus lets us know that that is how He is going to communicate throughout the Grace Age. We can back it up

with that scripture: *He that receiveth whomsoever I send receiveth me.*

Jesus sent these angels down and these angels spoke through all these church age messengers. We are not too worried about what happened back in the 3rd and the 4th it is good to know what happened, and we know what happened in those ages because we know those six seals that brother Branham and brother Jackson brought out. We can go back and read what happened back then, what our concern is what is happening in our church age and what we are confronted with. That grey horse rider, that constantly pressing in, that sodomite spirit, all this evil that we are surrounded with. The understanding of it helps us through this jungle. They did not have in Ephesus what we have today. They were under a different era. We are now under the Laodicean age. We are under that lukewarm environment. All this mishmash is combined in this age, this charismatic spirit, that is about the deadliest thing.

There are millions of people out there that are falling for that stuff because we look at the scripture and we have a reverence and a respect for it, we can identify it. Then we can say we are right on course, and we can really come out and say this is the invitation to the marriage supper of the lamb. This is that living water, and the fact that it does not cost you anything. All you have to do is believe it and get on board.

Like that song says: *People get ready, there is a train a-coming, all you need is faith to hear those diesels a humming you don't need no baggage you just get on board.* That song inspired me, there is something that captivated me about that song back in the '60s before I was even saved, and it stuck with me and today I can see why. There again everything in God interconnects. God inspired that man, at five o'clock in

the morning, the Lord woke him up and inspired him to write that song, and it went around the world in the rock n roll and hippie movement. People can go and listen to it, all they need to do is go on YouTube and the Chamber brothers sing it. It started in the '60s telling people to get ready the Lord is coming: *You don't need no ticket you just get on board. People get ready for that train to Jorden.* It is talking about that Heavenly Jorden.

We took a birds-eye view and put it all together and that is all part of that invitation to the marriage supper of the lamb. It is all on our website. A month ago I could not say all that, but as the Lord was leading me - this is that invitation. We are the only ones that have that true picture.

You go over to Russell Davis you are going to get part pictures, and you can't trust him in knowing if he is spot on because he is on this 2-day delusion. So how can you trust him. Then you go to the next one, and they show partiality so how can you trust a person that shows partiality that he is not going to say things that are not true. If you read it in James what partiality all entails it lets you know that in it is every evil work. So how can you trust that when someone is partial because that person will change the wording a little bit because they can't tell one person the same as the other person.

Like Tim, he could not deal with Davis the same way that he dealt with Allen. It is sending a wrong message when a person does that.

Here we shoot right from the hip it does not matter if it is friend or foe, family or no family, we are going straight through. We qualify to send out that invitation because God moved on us and throughout our lives we read the Bible. That is where it starts by reading the Bible, then He saved us, then

we got baptized in Jesus Name, believe the message for our day, and then we continued on. Then we separated ourselves from those that cause division. What causes division? When people don't hold onto the things that we have been taught. We have been taught some things from brother Jackson.

Then the Lord gave you the scripture in Timothy 3 13-14: *But evil men and seducers shall wax worse and worse, deceiving, and being deceived. But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them.* Our reverence and our respect for that inspiration, and that is something that you have to hold onto like a Doberman. That is why we cannot follow them because it says such avoid; withdraw from them.

Lorraine speaks: Its like you read here about these people that came to Jesus asking about this woman that married these brothers. *There were, therefore, seven brethren: and the first took a wife, and died without children. And the second took her to wife, and he died childless. And the third took her, and in like manner the seven also: and they left no children, and died. Last of all the woman died also. Therefore in the resurrection whose wife of them is she? for seven had her to wife.*

You can see the mentality of people it is all about making your own little cliché. Whereas in God there is no cliché, all you have to do is follow His lead; His will for your life. Like it says, in *Luke 17*:

10. So likewise ye, when ye shall have done all those things which are commanded you, say, We are unprofitable servants: we have done that which was our duty to do.

Sam speaks: That is one of the most important scriptures for this hour, it makes a lot of sense. That scripture is spot on. That is another scripture that you have to get down into your

DNA, and you will never seek for that red carpet, neither will you be offended when someone knocks you down, because at the end of the day we are just doing His will. Don't look for that pat on the back because if you get rewarded here then you don't get rewarded on the other side. *So likewise ye, when ye shall have done all those things which are commanded you, say, We are unprofitable servants: we have done that which was our duty to do.*

What that is saying is we have only done what we were supposed to have done in the first place. We are a fallen nature and the Lord put us down here to serve and to worship Him, that is what we are here for. We are not here to build our own empire, because we have no empire to build. At the end of the day, it all belongs to God. When you go through life and you build on gold, silver, and precious stones; you go through life and you try your best to stay in touch with the Lord and stay connected, at the end of the day you just want to get paid, and you will get paid if you allow the Lord use you for His glory. That is the only way you're going to get paid.

We were driving, truck, for 7 years and at end of the month we got paid, some companies are good, and some not so good, some were rip-offs and some were not as bad, but when you work for the Lord, He is a straight shooter. We could not go in and work for Payne and then go and do our own thing. We had to be dispatched and we had to go where they tell us to go.

It is the same with working for the Lord we have to do what He tells us to do to get paid. If I go out there and do my own thing then I am not going to get paid from the Lord, and at the end of the day, I have no reward.

That fallen nature comes in here you can't, really, see it the way it is written, but if you look at the question they asked

Jesus, it is a carnal question. That fallen nature that we inherited from Adam and Eve, God put us down here to serve Him and Him alone. I have seen that a while ago if Adam and Eve would not have partaken of the tree of knowledge of good and evil then that scripture would be every day for everybody, but see we inherited that fallen nature. Now we have to find our way back to what God created us to be.

That is why Jesus answered like that, in the perfect world the way it should have been had Adam and Eve not partake of the wrong tree. We were created to serve God. Back in the prehistoric era when those angels decided to do their own thing is when rebellion came into the picture, and those other angels that decided not to go do their own thing they were happy were they were at. They were happy when God told them to go do something and they didn't think that they are special because that is what God created them to do - to serve him. That is why Jesus said what He did: When we have done everything that we can we still classify ourselves as unworthy servants, because we only did what we were created to do in the first place.

When we reach the other side we want to hear - Well done, my good and faithful servant. Then He gives you your reward; HE pays you out. We are just trying our best to do His bidding. We fail Him so often sometimes we get faint in our hearts, but at the end of the day, we still find that connection.

We are not disconnected like that guy we met the other day, he is so far disconnected, he is completely clueless. They go out there and they blow the trumpet and they are clueless to why they blow the trumpet. They don't even know that that feast of the trumpet has already happened. Then she had it typed into a different trumpet. That is what people do when they don't have a revelation on the Word of God, they

just take out scriptures and they don't know where they belong. There are all kinds of trumpets in the Bible, but they apply to different things.

One of the feasts that God commissioned the Israelites to follow was the feast of the trumpets and what it represents was on the first day of the seventh month the children of Israel were to sound their trumpets and it was to wake everyone up that they are going to regather in Jerusalem in the seventh month on the 10th day for the feast of atonement. That feast of trumpets typed something and what it typed was that in the seventh church age, which is the church age we are living in, the Jewish rabbi's sounded a call all around the world at 1900 for the Jews to go back to their homeland.

The people we ran into, they blow the one trumpet. Well, why not get 7 more or maybe 15 trumpets because I don't know how many trumpets they need, but all in all that feast has already happened it is a past era. It has served its purpose.

Those fishers in Jeremiah 16:16 were the Rabbi's that told the Jews to go back to Israel, God is beginning to start the process of restoring Israel. I don't know how anyone can be so stupid as to think that the Palestinians are going to own that land when we know from History that that land is promised to the Jewish people. That they would even think about giving that land to those Palestinians when God through those Rabbi's at the turn of the century started calling the Jews to go back to their homeland. It is so stupid to even think that that can take place.

Those feasts of Leviticus 23 are a representation starting from the Grace Age and going into the Eternal Age. They are so beautifully put together, you can see the mind of God how He planned it all out, and you can take them right into the

eternal age. I've seen about a month ago how everything is interconnected from eternity to eternity. Those feasts started at the Passover, the new creation of God, everything would have been obsolete if it would not have been for Jesus Christ. Jesus is that new creation of God and that is where it starts at the crucifixion and then right there God sealed it off with the feast of unleavened bread, to make sure there is not even a crack where you can come in to pervert that scripture, but because we have a reverence and a respect for the Word of God we see that, and God sees that we have a respect then He gives us more.

We are so sensitive when people come in with the 2 days are done we know that's a no-no. They are leavening that bread because there is a reason that right on the heels of the Passover, He comes in with the feast of unleavened bread. That for seven days they are not to partake of leavened bread which represents that throughout the Grace Age, the seven church ages, that the church is not to partake of false doctrine. To make sure that you don't allow anyone to twist that scripture.

That is what we are doing, that is what each church age should have done. Each church age had people that would not allow that Word to be messed with because they would not buy into this false catholic baptism of father, son and holy ghost that was implemented at *Nicaea Rome at 325 AD* by Constantine. God has restored that revelation of the true baptism in this hour, Acts 2:38, baptism by immersion in the name of the Lord Jesus Christ for the remission of your sins.

We are in this Laodicean hour and what has it cost us, it has cost us everything. Here we are just the two of us. We have nowhere to go, nobody wants us because of what we believe, and what we stand for. We can't go and fellowship

with these people. That is what the Lord let me know - There's only the two of you so don't think it strange if nobody jumps on your bandwagon. That is just the way it is and we have accepted that.

That is why Jesus said - Ye do err not knowing the scripture. We know the whole counsel of God. We can go up 50,00 feet and we can see the whole picture. That is why we qualify, that is why God qualifies us as it says in *Revelation 22:17*

And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely.

This is this message here, what we are saying is that living water, the water of life, that meat in due season; the message for your day and hour. It is all combined, it is right here on this website, six months ago I could not say that. I might have thought to say it but I could not freely say it yet. When you sit back and analyze it all where else is a message that you can believe. Where is anyone that you can trust. If I take what Davis says, Jesus the King of Kings is coming in and if I have that 2 day thing in my belief structure then I am going to be asked to be escorted out of there. Jesus will say, bind him hand and foot and take him out because he is not lining up with scripture. Here you can rest assured if you see it and you believe it and you consume it and you walk in it you will not be booted out because one of them will be booted out of there. I don't know how he got in, but there will be somebody at that marriage supper there that will be taken out.

The Bible says there will because Jesus goes in and checks out the guests, and how did He check them out - He took that Word. That Word God has exalted above His very name and Jesus is going to measure everyone according to

the Word because it is that Word that has the final say-so. Jesus does not have the final say-so, and neither does God have the final say-so, it is that Word that has the final say-so. That is what He takes with Him when He goes in to check everyone through. Then He comes to one person there that had not on the wedding garment and asks him - How did you get in here not having on the wedding garment. Then Jesus told them to take him out.

We do have an obligation to dress ourselves and to believe this Word, we need to be dressed with that Word; with revelation; with truth and everything that goes with it. You cannot drink out of the water of life if it is perverted; if it is that leavened bread. Here you are getting unleavened bread it is not leavened. It is not watered down, you are getting something that you can trust. You might not like everything that you hear. It might go against the grain, but if you get the message about the natural man versus the spiritual man, there is nothing there to begin with that you can glory over.

It is line upon line, scripture upon scripture, precepts upon precepts, here a little there a little, and it is all built on revelation. It all comes back to this verse: *Ye do err not knowing the scripture*. When you look out there and you see all these different ideas, these charismatics, they err not knowing the scriptures. If they would know the scriptures and the ways of God how He implemented this whole program back in Ephesians one, and there again one of the most important chapters in the Bible is Ephesians one. It lets us know how God, before the foundation of the world before He made one thing, He made a blueprint. There is scripture here that puts the icing on the cake, you really have to dig to find it.

5. Having predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of His will,

11. In whom also we have obtained an inheritance, being predestinated according to the purpose of Him who worketh all things after the counsel of His own will: Ephesians 1

People read over these words: according to the good pleasure of His will, and who worketh all things after the counsel of His own will.

That is why the democrat party is going to vaporize, they have no power, it is a dragon without teeth, they are going to vaporize, and the reason is that God works things out after the counsel of His own will and according to the good pleasure of His own will.

God is going to make sure that everything goes after the counsel of His own will. That is really what it is saying. God is in charge of all things. He purposed it all in Himself that everything will work out according to His counsel and everything that is not in His counsel is going to vaporize. If anyone and anything gets in the way of that counsel guess what is going to happen - it will vaporize. They don't even exist they have no value, because God is doing everything after the counsel of HIS WILL. This is His planet; this is His earth; this is His laboratory. At the end of the day if someone gets in the way of God's plan, they cease to exist, like that Elijah Cummings, he just up and died. He was in the way of God's plan. Now he is not even heard of, he is gone. There is more coming. When you are going to look back three years from now you will wonder where are they just like it says in the books of Wisdom

*10. Like a ship traversing the heaving water:
when it has passed, no trace can be found,*

*no path of its keel in the waves.
11. Or like a bird flying through the air;
no evidence of its course is to be found—
But the fluid air, lashed by the beating of pinions,
and cleft by the rushing force
Of speeding wings, is traversed;
and afterward no mark of passage can be found in it.*

They are nowhere to be found they were not in that great counsel because they came up with their own program; their own ideology. That is why here in this end-time it is so important to stay with this Word, because if there ever was an hour where we need this Word because everything that can be shaken will be shaken so that only that which cannot be shaken will remain. The only thing that cannot be shaken is the Word of God and as the scripture says, within its proper confines. Everyone has a Bible out there, there are millions of people that are going to church today, and they all have a preacher preaching a sermon but it is not as the scripture says, they don't have that counsel of God; they are caught up in that charismatic delusion; that charismatic spirit. They know the Bible and they have scripture but they are not in season. Like those guys back in the Bible at the time of King Ahab in 2 Chronicles 18:

5. Therefore the king of Israel gathered together of prophets four hundred men, and said unto them, Shall we go to Ramothgilead to battle, or shall I forbear? And they said, Go up; for God will deliver it into the king's hand.

They had it out of season, they didn't know the counsel of God. Jehoshaphat had a little more spiritual backbone he saw these big fat sloppy prophets 400 of them and he asked King Ahab is there no other prophet that we could ask. Ahab said, yes, there is one more but he never says anything good

about me, I don't like him too much, these are my elite these tell me what I want to hear. So Jehoshaphat said, well let's ask him then. It is the same today, there are thousands and thousands out there yapping away thinking they know something but they will not give you that meat in due season. They will not give you something for your hour. They are not going to go for that Micaiah. When they brought Micaiah before the King, they warned him to say what these other prophets were saying.

2 Chronicles 18:

12. And the messenger that went to call Micaiah spake to him, saying, Behold, the words of the prophets declare good to the king with one assent; let thy word therefore, I pray thee, be like one of theirs, and speak thou good.

13. And Micaiah said, As the Lord liveth, even what my God saith, that will I speak.

At first, Micaiah went along with them and Ahab knew that he was not telling him the truth.

14. And when he was come to the king, the king said unto him, Micaiah, shall we go to Ramothgilead to battle, or shall I forbear? And he said, Go ye up, and prosper, and they shall be delivered into your hand.

15. And the king said to him, How many times shall I adjure thee that thou say nothing but the truth to me in the name of the Lord?

16. Then he said, I did see all Israel scattered upon the mountains, as sheep that have no shepherd: and the Lord said, These have no master; let them return therefore every man to his house in peace.

Then Michaiah told them the truth and that is the way it is in this hour, you can tell people all kinds of things but if you don't tell people the truth then you might as well just stay at

home. Here we tell people the truth, we qualify to send out that invitation because it is going to take you right through and you are not going to have to be terminated, you will not have to be escorted out.

You can go to all these branhamite churches, like this Eddie Byskal system, it is a mess it is all part of that 400 prophets. They are not telling people the way it is. They have the seven years that are left for the Jewish people all messed up because brother Branham made a duel statement and instead of going back to the scripture they believe that there are only 3.5 years left. Instead of finding out what the scripture says. That was what brother Branham did he took us back to the Word of God. How is God going to go about it, not by giving everything verbatim, God allowed brother Branham to say duels statements so people will take it back to the Word to see which one is the truth.

It is like a map if I go and ask for directions on how to go to California, and one guy tells me to go east and the other guy tells me to go south-west, well if it's two guys that I have a lot of respect for and one says this way and the other that way, I have to go to the map and find out which one is right. I find out that the one that is going south-west is right, you can't go east you are going to end up in Nova Scotia or somewhere.

How did I find out which one is right I went back to the Word of God. That message of brother Branham is so unique that the Lord would allow him to make these duel statements. What the Lord did He pulled back that anointing from him and the natural man of brother Branham said these statements that are not Biblical. The same with brother Jackson, God did not give him the key to this midnight cry. So what brother Jackson did is he realized that he is getting up in age so what

he did was he condensed this end-time to make it fit his program, that is all part of that natural man. God just blindfolded him in that area. He was not able to see it, and the reason being is because God was still separating and God knew that he will not be around for the rapture. So he tried with the best of his ability, he knew he was getting up in age and he knew he could not stretch it far beyond 2004 to much, he knew that he could make it to age 85 but beyond that people start getting pretty feeble and their organs stops working as good. So he is condensing it, that natural man with its ability is putting it together.

When I heard it I saw myself reaching and you know how it is when you can't reach something, you have to get on a step ladder to reach a little further, to reach something on a shelf. That is what I saw when I heard it, I could not reach it, because it was a little further from my reach. I could reach 2004 and 2010 but what I saw was beyond reach. What I know today it was about 2024 when that rapture takes place. So back then it was beyond reach it was not within reach. That is where I saw my reach was reaching to. Now it is within reach it is not that far off. It all makes sense and it is according to what the scripture says. There are things that I didn't see back there. You could talk like that for days, there are many instances where you can say, *Ye, do err not knowing the scripture, nor the power of God*. I can add the ways of God, or the program of God, it is all in the power of God; God has a program. He made a blueprint back in the eons of ages, and He is going to see to it that it goes according to that plan.

These Democrats think they are going to be the winner, but they err not knowing the scripture. We know what is going to happen to the democrats and to those that are not toeing

the line. Throughout all these scriptures we came into contact with the vision that George Washington had and we combine it into the Word, and we know from Ephesians that God is going to work everything according to the counsel of His own will. Now that angel came down and told Washington what the plan is for America so you can put it all in here. The counsel of God's will is that third peril that George Washington saw coming over America. It is all right here in that council because God released it and that angel brought in to George Washington. That is the future for America and at the end of it, I saw the American flag blowing free in the cornfields of Illinois. It is all interconnected and here you get it, right from the horses mouth, and as the scriptures say, no blind patches. I might not explain everything up to snuff but if someone wants to know they will get it.

You go and tell people that there is a civil war coming to America they don't want to hear it. You can't rejuvenate these corrupt people. Just look at that Elijah Cummings you couldn't change his opinion. He said over his dead body, Trump will not be re-elected president, and guess what he died. He said it and those other guys they think it, and they will all go the same route. It is not only the Bible it is the principal of God, the power of God; the ways of God; the program of God. It is not written in the Bible about George Washington's vision but it is part of God's program, and people err not knowing the scripture nor the power of God. There is a lot in that. It all hinges on the power of God, God is that great eternal spirit, that is everywhere present and nowhere absent and everything is in Him. Every drop of water is in Him, every mosquito is in Him, there is nothing outside of Him. The whole universe is in Him, and beyond the universe is all endless space, and that is also in Him.

That is what I saw last night: *Ye err not knowing the scripture nor the power of God*. Millions of people they know bits and pieces of the scripture but they don't have the whole counsel of God. Paul, he had the whole counsel of God for his hour, and he said in, *Acts 20*:

27. For I have not shunned to declare unto you all the counsel of God.

Here you are getting the whole counsel of God. People write books, I could not put everything that I have to say in one book. The Lord would never allow me to write just a book. God is ongoing He never stops, you can't put God in one book. Like the book of Acts, there is no Amen behind Acts it is ongoing and it keeps going on for two thousand years and beyond. There is no end to it, in God there is no end, He keeps on moving, from eternity to eternity. In order, to see the picture you have to see the scriptures to back it up, we see the picture and we will always find scripture to back up the picture. It is just that simple. It is a beautiful journey, every day we learn something more. A lot of people get caught up in wanting to be somebody, especially when God uses them, they fall in that trap. When Jesus sent out the seventy disciples and they came back with joy, saying Lord even the devils are subject unto us through thy name.

Jesus said unto them, I beheld Satan as lightning fall from heaven. Luke 10:18

What Jesus saw was Satan as lightning fall from Heaven wanting to make them proud of themselves. Didn't you guys do a great thing - Oh you raised the dead, you healed the sick. They were all happy about that and told Jesus even the devils are subject to us. Jesus told them: *Notwithstanding in this rejoice not, that the spirits are subject unto you; but rather rejoice, because your names are written in heaven.*

That ties in with the scripture now that you have done everything that you can don't let that consume you, because you have just done what you have been created to do in the first place. You have to get that down into your DNA because the devil will be there trying to brag you up. Especially in today's world, when people see that you are a little bit popular everyone wants to wear the same kind of clothes as you. Like they did with brother Branham everyone wanted to wear the same hat that he wore, they think that that is going to cut it. When the Lord happens to use people they can't stretch themselves big enough. Then people want to cuddle up to this guy that is a little bit popular just to get a bit of popularity too. That is human nature. That is why I say, there is nothing there in the carnal man. They are not going to lift this guy up here they are not going to get very far. I know who he is. There are certain scriptures that captivate you, and you have to make sure that they go down into your DNA because your very eternal existence depends on it. If you lose it then the devil will come along and try to make you something. That is what I have been seeing.

Heavenly Father I want to thank you for another day of life and all that you do for us, I ask Lord that you will take these words that have been said and use them for your honour and glory. Lead us on into higher heights and deeper depths in you. We thank you once again for where you have brought us from and where you are leading us. We just pray that we will be faithful and true Lord. We ask these things in Jesus Name. Amen.
