

Consider The Lilies

*1. Consider the lilies, they don't toil nor spin,
But there's not a king with more splendor than them.
Consider the sparrows, they don't reap nor sow,
But they're fed by the master who watches them grow.*

Chorus:

*We have a heavenly Father above,
With eyes full of mercy and a heart full of love,
He really cares when your head is bowed low;
Consider the lilies, and then you will know.*

*2. May I introduce you to this friend of mine,
Who hangs out the stars, tells the sun when to shine;
He kisses the flowers each morning with dew,
But he's not too busy to care about you.*

On A Hill Called Calvary

*On a hill called Calvary,
Jesus, my Lord, suffered for me;
Carried the cross on that day, my sins to atone.
Then they nailed him to the cross;
Great was the pain and the cost.
And he suffered it all,
Because he loved me.*

Chorus:

*Because he loved me, my Savior died,
On the cross was crucified.
No greater love, by mortal man, has ever been known.
Oh, praise his dear name, I love him so.
I am his, he's mine I know.
And he suffered it all,
Because he loved me.*

*Then they carried him away,
placed him in a lowly grave.
Surely they thought that this would be,
the end of this man.
But on the third and glorious day,
God came and rolled the stone away.
And he rose from the dead,
Because he loved me.*

Let me walk with you Jesus

*I've been up in Mountain
I've been down in the valley so low
And If ever a time He deserts me
Where with my troubles I'd go.*

*So please let me walk with you Jesus
Don't ever leave me alone.
For without you Lord I could never
No never made Heaven our home.*

*You found me when no one could help me
You found me when I was so low
You found me when no one could save me
and I did not know what to do*

*If I had all the wealth of this old war
If I had all that money could buy
If I had not the love of my saviour
I would rather be dead than alive.*

The Bible says where two or three are gathered in His name. That is all you need. That is all God is looking at. Where two or three are gathered in His name. Look how simple it is, we don't buy into this commercial stuff, where two or three are gathered He is in our midst. That is pretty relaxing and comforting to know.

The Grace Age is just about over, there are not that many years left. It says many will strive to enter in and will not be able to do it. That door is closed. Now is the time to strive. I am glad the Lord dealt with me over the years, 25 years ago. He put me on this course, I have seen many friends that have gone another direction. This guy went and built himself a business. I told him I know that there is something somewhere, I am going to go to put all my energy into looking for it. I know it's out there somewhere and you know I found it. I found that pearl of great price and it is worth it all. They have their business and their money but they don't have that pearl of great price. We have that pearl of great price, plus all our needs are met. I talked with him the other day and I told him I have so much money I don't know what to do with it all. He has his business and he has money to but he does not have this - this heavenly treasure. It's all about Jesus and what He did at calvary. Without Jesus, there is nowhere to go. There is nothing you can do towards your salvation. That is why when Jesus asked three of His closest disciples to pray with Him in the garden they fell asleep. He had to do it himself.

I was thinking about brother Branham and brother Jackson and the things that they had to go through. Where would we be without them we would be like millions out there in darkness without that message of truth. We have to be grateful for what the Lord has brought in this hour. We could never understand the book of Revelation. I could not have

done it in a million years. The more I read it the more confused I got. The Lord led me to the ministry of brother Branham and brother Jackson. Now, these men are gone on to be with the Lord and we have a responsibility to carry on truth. We can't just sit and let the world go by. We have a responsibility for what we have been shown. I know what he taught us; I know what we have been shown. We are just carrying on from there. That is why it is so important to stay with that Word. At the end of the day that is what is going to judge us. It is all about Calvary and what Jesus did to purchase our salvation.

Ich Weiss Einen Strom

*Ich weiss einen Strom, dessen herrliche Flut
Fliesst wunderbar stille durchs Land
Doch strahlet und glänzt er wie feurige Glut
Wem ist dieses Wasser bekannt?*

*O Seele, ich bitte dich, komm
Und such diesen herrlichen Strom
Sein Wasser fliesst frei und mächtiglich
O Glaub's, es fliesset für dich.*

*Wohin dieser Strom sich nur immer ergiesst
Da jubelt und jauchzet das Herz
Das nunmehr den köstlichen Segen geniesst
Erlöset von Sorgen und Schmerz.*

*Der Strom ist gar tief und sein Wasser ist klar
Es schmecket so lieblich und fein
Es heilet die Kranken und stärkt wunderbar
Ja machet die Unreinsten rein.*

*Das Wasser des Lebens, das ist diese Flut
Durch Jesum ergiesset sie sich
Sein kostbares, teures und heiliges Blut
O Sunder, vergoss Er für dich.*

*"Wen dürstet, der komme und trinke sich satt"
So ruft der Geist und die Braut
Nur wer in dem Strome gewaschen sich hat
Das Angesicht Gottes einst schaut.*

Nothing But The Blood Of Jesus

*What can wash away my sin
Nothing but the blood of Jesus
What can make me pure within
Nothing but the blood of Jesus.*

*Oh, precious is the flow
That makes me white as snow
No other fount I know
Nothing but the blood of Jesus.*

*For my cleansing this I see
Nothing but the blood of Jesus
For my pardon this my plea
Nothing but the blood of Jesus.*

*Nothing can for sin atone
Nothing but the blood of Jesus
Naught of good that I have done
Nothing but the blood of Jesus.*

*This is all my hope and peace
Nothing but the blood of Jesus
This is all my righteousness
Nothing but the blood of Jesus.*

*Glory, glory, thus I sing
Nothing but the blood of Jesus
All my praise for this I bring
Nothing but the blood of Jesus.*

That is the truth: *Nur wer in dem Strome gewaschen sich hat.* You have to make it so simple. Everything in God is simple. All the devil does is he makes it complicated and then he can confuse people. God, He keeps it simple once you see it; once you dig through the rubble and the mire and you see what God had intended to begin with. This plan of salvation is so simple. You have to get it into your DNA that there is nothing that you and I can do for our salvation. Satan puts up all these 'isms' that are out there today and people follow them not knowing why, the blind leading the blind.

We are still on the same subject: *Ye must be born again.* You have to go back to the Word because at the end of the day this Word is what is going to have the final say so. That is why it is so important for you and me to stay with this Word.

It is a very unique situation we have here, I think about it over and over how the Lord set this up. If I would be here by myself I would have no scripture to back it up. Where two or three are gathered in His name. You are better off with 2 or 3 that are in agreement than 2,000 that are in disagreement. People who have their own agenda and their own opinion. This is what the Lord is looking at, I want to see what God is looking at. We have to stay with that Word at the end of the day.

Everything is so muddy. When God does something Satan will sit back and wait to pervert it, like back in the garden. When you go back to the garden, God gave Adam and Eve a commission which was simply: be fruitful and multiply. It is so simple once you see it. He gave Adam and Eve that commission and He also gave the animal kingdom that commission: Be fruitful and multiply program. He never gave the animal kingdom two choices, they are still within that be fruitful and multiply. That is why you have to go back to reality and look at the simplicity of it. God gave Adam and Eve two laws, by which to be fruitful and multiply, but He gave them a warning: do not partake of the tree of knowledge of good and evil. Stay with that tree of life: Don't use that sex reproduction for pleasure, but for reproduction purposes only, that is what HE is really saying.

ADAM'S CHOICE (inserted from Bro. Jackson)

Let's go back to the garden but remember the Bible is not specific in every word and all of its approaches, nevertheless Eve was beguiled. Oh yes, the serpent told her the truth but it was only to seduce her, to deceive her in order to defile her and commit this pleasure relationship which was fornication and that began the first act of fornication in the whole human race! When she obtained this knowledge she had already been beguiled and everything had become so turned upside down for her, she hardly knew anything. She could not help but come to her husband with this knowledge. They are the only two creatures in the garden. We do not know the entire conversation that transpired between Eve and her husband but he probably said, honey, you realize what you have done. I can't do that. You know the Lord said we would die and as he talks to her, she knowing there is no way she can possibly

step back out from under the penalty of this probably said, but honey I don't want to die by myself. Here were two people confronted with the greatest test any two people has ever endured! There lay the decision of what would be the destiny for the entire human race. On and on she probably begged him. Picking up Paul's revelation in Ephesians 1 we note how God had predestinated us in himself before the foundation of the world, therefore we can begin to see how Paul could write in Roman's 8 saying that the creation was made subject to vanities not willingly, but by reason of him who subjected the same in hope. In other words, as Adam listened and looked toward the future, he couldn't see any further than the end of his nose, yet remember he wasn't beguiled nor misled. He looked at the whole scope about him, Me, living by myself, NO! If she is going to die, I will die with her! Beloved, it had to be somewhat like this in order for Paul to declare in Romans 5 how Christ had to take upon himself the same. Adam set the type of Christ who is the seed of the woman and came into this world born of woman, yet perfect in the essence of flesh. However, he was made in the likeness of sinful flesh in order that in his fleshly body he might bear the sins of the entire human race. Why had God done this? Because as God looked down upon his fallen creation he didn't want to be alone. He still desired a family of children. Therefore clothing himself in human flesh he came down in the likeness of man, came in the likeness of sinful flesh and took upon himself the same that he might die with us in order to redeem us (his bride) back to himself. See, even in Ephesians 1 all this was in the mind of God. Before ever there was a star, moon, or anything, this was all in the plan of God! No, it was not a question of whether Adam was deceived or beguiled, it was a decision he had to make, SHALL I DIE WITH HER? God, who

created Adam, could have created him another helpmeet, couldn't he? But had he done so God's beautiful plan of salvation could never have been portrayed in the manner it was. That is why you must read between the lines. Therefore, as Adam partook of this we must remember he did not do so because he was beguiled, OH NO, he knew the very moment he committed this. He wasn't saying to Eve, lets have a child. That wasn't in his mind at all! Let's make love for pleasure. So they did. When it was all over, not only Eve is guilty, but Adam also. Adam is the head of creation, therefore everything that goes on in the garden, he is going to be held responsible for. The minute their little love act is over they realize they are naked. Shame on the critics who say she ate an apple! Apples are eaten with the teeth and nothing went into their mouth! You know this is not the true story. For the sake of the critic, let's say she did eat an apple. We realize the eating of the apple is merely a substitute of mankind to evade the real issue. But had they ate fruit from plant life, let's see where it got them. Some fig trees were close by with good size leaves and realizing they were naked Adam took a bunch of fig leaves from the tree, which is plant life, and made them both a covering. Notice where both placed those fig leaves - **AROUND THEIR LOINS!** Had they eaten some fruit of plant life which is taken in through the mouth, why then did they not cover the mouths instead of the part of the body they did cover? The very thing they did was what got them into trouble. Note where they hid, going deeper into the garden they hid behind the trees of plant life. Placing fig leaves about their loins they hid themselves behind trees of plant life! When the time had arrived that God would visit them in the cool of the day, they heard the voice of the Lord God walking in the garden coming to fellowship. And may I say, God is also

walking in the evening time, talking to certain people telling them exactly what happened there in the Garden. It is his way of communicating. Thanks be to God because he sent that seed of the woman (Christ) to make it possible that we could be reconciled from the course of sin and death and be given the promise of eternal life and the resurrection from the dead. If that Spirit of God is in you here in the evening time of church history, it shows he is again walking among mankind seeking hearts who will fellowship with him. Hearing the voice of the Lord God walking in the Garden, they hid themselves behind trees. Suddenly this omnipotent, omnipresent God who knows all things, knowing what his children had done calls out to Adam. Sure he is fully aware of what has been going on but he calls out to Adam because he placed him at the head of creation. Perhaps the serpent is off somewhere now since the devil has gotten off him, wondering why he did such a thing. God never spoke first to the serpent who was to blame. He never called Eve first even though she had been beguiled but he spoke first to Adam the son of God who was hiding. Normally Adam would have been waiting for him. Oh, I don't want to be hiding when Jesus comes. I want to be waiting for him. I want to be ready and listening for him. God said, Adam where art thou? Hands shaking and voice trembling Adam knows he cannot hide any longer. He said we are over here. Why are you over there, you used to meet me over here? We found we were naked and hid ourselves. Note the whole conversation is to Adam. He did not have to do it but he did anyhow. Adam disobeyed God; Adam went contrary to God's law, willingly and with all knowledge of knowing what it would cost him.

Had Adam and Eve not allowed themselves to be deceived by that serpent we would still be within that law and

that is the law of the tree of life. Everyone that would have been born of Adam and Eve would've had Eternal life. The tree of life is simply put, and I want to bring it down to its simplicity: sex for reproduction only. That is as simple as I can put it. The animal kingdom is still with that law, they only have sex for reproduction. Satan got in and they choose sex for pleasure. That is just that simple. Satan was waiting until he could pervert it, he used that serpent to do it, God knew all that, and God allowed it to happen because God gave man the freedom to choose.

That is why you can see all this chaos in the world. It is the same as being born again. Satan again waits in the background to see if he can pervert it, and we have been over that in other conversation, how he waited and in 325 AD at the Nicene council, he perverted the Godhead, water baptism in Jesus name he perverted to baptism in the titles of the Father, Son, and Holy Ghost. He takes the very thing that we are going to talk about today, how we must be born again and he perverts it, and people don't realize that it is actually Satan's counterfeit baptism and they are doing it wholesale in the colonies, and everywhere else in the denominations.

I was baptized in the colony and it is a Catholic baptism. It is just that simple. It took the Lord 25 years since He took me off that colony to teach me these things and we can't expect that we can convince all these Hutterites overnight with what we know. It is going to take the Lord to open up their understanding. We have to stay with that Word, with exactly what Jesus said in the conversation with Nicodemus. I going to read it in John 3, I hope that I can say it in such a manner that it will resonate with people. Everything is so confused in the world now and it is pretty hard to go back to the simplicity of it.

1. *There was a man of the Pharisees, named Nicodemus, a ruler of the Jews:*
2. *The same came to Jesus by night, and said unto him, Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him.* Nicodemus a ruler of the Jews said we know, (which meant that whole Pharisaical council), Nicodemus was not some fly by night, he said, 'we know', which meant the Pharisaical council they knew that Jesus came from God.
 1. *Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God.*
 2. *Nicodemus saith unto him, How can a man be born when he is old? can he enter the second time into his mother's womb, and be born?*
 3. *Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.*
 4. *That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.*
 5. *Marvel not that I said unto thee, Ye must be born again.*
 6. *The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.*

I know that it is hard to convince someone that has been brainwashed. If you go to Acts 2:38 it is a very simple formula. For me, it is easy to see because I have already dug through all the muck and the mire of religious brainwash, religious doctrine, and all those rituals: Everything but the real thing.

We have dug through that and to us, it is just as clear as day. It is a simple formula Acts 2:38. Repent and be baptized, and we can't even repent on our own. The only thing that you can do is yield to the spirit of God, otherwise you are just as lost as anything. *John 16:*

7. Nevertheless, I tell you the truth; It is expedient for you that I go away: for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you.

8. And when he is come, he will reprove the world of sin, and of righteousness, and of judgment:

9. Of sin, because they believe not on me;

10. Of righteousness, because I go to my Father, and ye see me no more;

11. Of judgment, because the prince of this world is judged.

12. I have yet many things to say unto you, but ye cannot bear them now.

13. Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come.

14. He shall glorify me: for he shall receive of mine, and shall shew it unto you.

15. All things that the Father hath are mine: therefore said I, that he shall take of mine, and shall shew it unto you.

16. A little while, and ye shall not see me: and again, a little while, and ye shall see me, because I go to the Father.

In my own testimony, in all this, and how the Lord dealt with me through time: The Lord saved me when I was 22 years old, I was happy, I was up with the racehorses. Sure I was brought up in the Hutterite system and all that, I believed in a God and all that but it wasn't until I was 20 years old the

Lord began to convict me of sin and of righteousness and of judgment. I wasn't afraid of hell up until then the Lord started to convict me. I was a sinner and I needed a saviour and for a year I tried to be good, I tried to stop smoking. I wasn't really bad, some people were a lot worse than I was, but I was bad enough to know that I needed a saviour.

For years I tried to bypass Jesus Christ I tried to come to God without Jesus. It says He will convict the world of sin, of righteousness, and of judgment. The Bible says there is no other name given by which we must be saved then Jesus Christ the righteous, and every human being is going to try to bypass Jesus Christ, because they want to be the macho guy and I was no exception. I tried my level best for years to bypass this Jesus guy. I thought that I can come to God without Jesus. What it really is its self-righteousness; you become religious. Once you realize that you need Jesus that self-righteousness goes; that man-made religion goes; that trying to get to heaven by your own works of righteousness it has to go. All our righteousness are filthy rags in the sight of God.

You are really at the mercy of God, and so I tried to bypass Jesus. Then one day Jesus came by my way, and I accepted Him and that is the beginning of that new birth. What I am trying to say step by step is this: that first He has to convict you - you can't even repent without the convicting power of the Holy Ghost through Jesus Christ. He will give you the realization that you are a sinner and that you need Jesus to save you.

One day I saw what He had to go through: On Calvary's hill of sorrow where sins demand where paid.

On Cal'vry's hill of sorrow

*Where sin's demands were paid,
And rays of hope for tomorrow
Across our path were laid.*

Refrain

*I see a crimson stream of blood,
It flows from Calvary,
Its waves which reach the throne of God,
Are sweeping over me.
Today no condemnation
Abides to turn away
My soul from His salvation,
He's in my heart to stay.*

Refrain

*When gloom and sadness whisper,
"You've sinned—no use to pray,"
I look away to Jesus,
And He tells me to say:*

Refrain

*And when we reach the portal
Where life forever reigns,
The ransomed hosts' grand final
Will be this glad refrain.*

I saw how Lord Jesus Christ took it upon Himself, voluntarily, when He left that garden after He said not my will thy will be done. He voluntarily took that journey up to calvary because of me. I saw it with my spiritual eye. Even the Lord had to show me what He had to go through to purchase my salvation. That it was for me and me alone. That that journey up to calvary, that whipping post, that blood-spattered journey was done just for me. One day I repented of my sin. *Jesus came by my way He made me whole that day. Just a sinner*

was I when Jesus came by; What a change in my life since Jesus came by.

The Bible says, they overcame by the blood of the Lamb and by the word of their testimony and they loved not their lives unto death. You see, you are going to have to have a testimony to overcome this life. I have a testimony, I know exactly the hour that the Lord saved me and the place. Like the song goes: I remember the time, I remember the place when Jesus so sweetly came in, and how He took all my burdens away.

Also, like that book - The Pilgrims progress. This guy had this big heavyweight on his back and Jesus took it away. I went to bed at night and the Lord forgave me of my sin, and the next morning I woke up and it was all gone. You are going to need a testimony when the devil comes you will be able to pinpoint it right then and there is when I received Eternal Life. Nothing can change that. People can say what they want but that is how we overcome it by our testimony, by the blood of the lamb and have not loved our life unto death. When you really analyze it there is nothing in us that has any value. We don't own our lives, we belong to Him now. After He saved us we are not our own anymore. We do what He tells us to do, although we still have the battle of this world to fight with, at the end of the day, we are going to do what He wants us to do.

We must be born again. It is a very simple formula. We don't have to join a commune, we don't have to do all those rituals that the Catholic do. Everything outside what it says in Act 2, is a Catholic thing and it is deception; its confusion. I am going to read it *Acts 2:38*. It is a very simple formula Peter was given the keys to the kingdom and that is what he used to open up that kingdom. Jesus said to Peter, *Matthew 16:19*, I

give you the keys to the kingdom and that is what Peter used in Acts 2:

36. Therefore let all the house of Israel know assuredly, that God hath made that same Jesus, whom ye have crucified, both Lord and Christ.

37. Now when they heard this, they were pricked in their heart, and said unto Peter and to the rest of the apostles, Men and brethren, what shall we do?

38. Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.

39. For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call. And with many other words did he testify and exhort, saying, Save yourselves from this untoward generation.

41. Then they that gladly received his word were baptized: and the same day there were added unto them about three thousand souls.

42. And they continued stedfastly in the apostles' doctrine and fellowship, and in breaking of bread, and in prayers.

43. And fear came upon every soul: and many wonders and signs were done by the apostles.

We have to go back to the faith of the early church. This formula is for all time, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.

Like I said before, you can't even repent on your own, God has to bring you to that place. When Peter said these words they were pricked in their heart, they realized what they had done. Peter full of the power of the Holy Ghost told them what they had done and they were under conviction. That is a

very simple formula and it is the promise unto you and your children and to them, that is a far off even as many as the Lord our God shall call.

I know He called me I believe I was 7-8 years old when the Lord started dealing with me. Then in 1973, I was born again when I was 25 years old when He saved me. I passed from death into life and He gave me Eternal Life. It was 1973 and I know exactly the place. I have a testimony that He saved me. I was in that Hutterite colony, it took me probably 20 years until I continued on, you are steeped with unbiblical doctrines and all these ideas have to be flushed out.

When you are a certain age in the colony they say you have to be baptized. They have their baptism in the spring and you have to go through this rigmarole. That is what they told me that you have to do to have Eternal Life, and of course, I believed it up to a point, but it wasn't until the early '90's that the Lord began to deal with me with this Word: That you can't change His Word. Then He took me off that colony and brought me to the ministry of brother Branham and He let me know that you have to be baptized by immersion in the name of the Lord Jesus Christ and that is the only thing that God is going to accept.

Then from 1973-1993, 20 years, I had repented of my sins, I had accepted the Lord, but I had not yet been baptized in Jesus name. I had been baptized in the colony. That Hutterite baptism is a Catholic baptism. It is satan's counterfeit baptism. Before the Lord could take me on into this end-time message He had to flush that whole thing out and I knew I had to be baptized in the name of the Lord Jesus Christ by immersion for the remission of my sins, before the Lord could bring me into the ministry of Brother Branham, this end-time message. I can say this today that anyone that will

go in that rapture is going to see exactly what you and I are seeing. They are going to have to be baptized in Jesus Name. There is absolutely no way that God is going to use two journeys to get to the rapture. If you want to go in that rapture you are going to have to accept that God sent a messenger in this hour.

The seven parables of Matthew 13 and the seven church ages in the book of Revelations they lay out the Grace Age period. People will not have to go through what we had to go through, all they have to do is believe what we say. The Lord set this website up to let people know the truth. Like the people back in Peter's day they asked what must we do. They did not want to continue down that path of ignorance. It's the same today all people have to do is believe that God sent a prophet, the seventh church age messenger, William Marrion Branham, and from there it went to brother Jackson, and now we are responsible for what we have been taught and put it out there.

Like I said the Lord set that website up for whosoever will. We are responsible for what the Lord has shown us and everybody has a responsibility to search out the truth. We are not responsible to convert the world, we leave that to the Lord. We are responsible for what the Lord has shown us and put it out there for someone who has a hunger and thirst for reality. It took me 20 years to dig through the muck and the mire, this confusing world that we are now living in and to bring it out in this simple formula: Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.

The early church they were so powerful because they had this simple formula that in a few 100 years they had that whole middle east converted. Satan then came in, as it says

in the parable, and planted tares; he watered it down, and brought in false doctrine. Then in the fourth parable that woman, which represents the Catholic church, mixed it with leaven. The foundational principles of the Christian faith justification, sanctification, and the baptism of the holy spirit, she hid with her perverted doctrines and creeds. Slowly that fire that the early church had started to fade because the Word of God was being changed bringing about the dark ages.

When you go read the 7 feasts of the Lord, that God commanded the Israelite to observe in Leviticus 23, in the second feast they were told not to eat leavened bread for seven days, and not to even have it in their homes. We have to make sure that we do not change that Word, like leavening it. We have to stay with that pure undefiled Word of God. That is what we are doing here, we have come out of all that confusion, all of that leavening, such as baptism in the titles of Father, Son, and Holy Ghost. We had to dig our way out of all that rubble, and now that we have dug out, and we see the importance of the 7 feasts. The church has been given a commission to stay with that unleavened Word, as it says in that second feast, for seven days, which represents the 7 church ages, they were commissioned to stay with that unleavened Word. The early church had it, then Satan infiltrated it, as a result, the church went through the dark ages, and by the time the 1500 came around the light of truth was nowhere to be found. Then God sent in the reformers to bring us back to the apostolic faith of our fathers. William Branham was the final church age messenger to bring us back to baptism in Jesus Name by immersion. It says in Malachi 4:

6. And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers.

That is you and I, He is going to turn our hearts back to that original water baptism; the foundation of Christianity is *Acts 2:38*, the faith of the early church. That is where we are at today all we do is put it out there and if somebody wants it then fine, if not, then just let it be. Sam, are you saying that everyone that has been baptized in the titles of father, son, and holy ghost is lost. I want to be clear that is not what I am saying, my dad was baptized that way and I believe he is in Heaven, but as for me, knowing what the Lord has brought to my understanding, and dealt with me on, if I would not be obedient to it than I would be lost.

Let's say you are living in the colony now and you want to be baptized in Jesus name, then you will have to be terminated. I have to say if you really want to be baptized in Jesus name and you really want that pearl of great price - God will make a way for you. You just wait for the right time.

Even for yourself, you didn't get baptized until a year later from the day that the Lord showed you the importance of baptism in Jesus name. You had read it in the book: *The seven church ages*. The desire was there and then God will test to see if you really want to and you had to leave the colony.

I got terminated from that system because I told my dad that I could no longer support it, and at the end of the day I got terminated. I don't know what the Lord has planned for these colonies, maybe there will be another split. All I know is that we have a responsibility to take what we have been taught through the ministry of brother Branham and brother Jackson. The Lord took us through that school and then He had us write a test on what we believe and why we believe it,

and what we are doing now is we are transmitting, not preaching, but transmitting what the Lord puts on our hearts to say.

In the last three weeks, He has dealt with me on the importance on: *Why you must be born again*. The only way to be born again is to repent of your sins. It is the work of the Holy Ghost, He will convict the world of sin. You can see that there is nothing that you can do towards your salvation. You have to get that into your DNA that there is nothing that you can do for your salvation. If anyone tells you otherwise that is anti-word. The Bible tells us: Repent and then be baptized in Jesus name. That is why we are where we are at today we have followed His Word. We have done everything that we know to do. We have not allowed ourselves to be brain-washed, and by the leadership of the Holy Ghost, we have dug ourselves out of all that religious confusion. We have allowed ourselves to be lead by that unseen hand.

UNSEEN HAND

*There is an unseen hand to me
That leads through ways I can not see
While going through this world of woe
This hand still leads me as I go
Chorus*

*I'm trusting to the unseen hand
That guides me through this weary land
And some sweet day I'll reach that strand
Still guided by the unseen hand*

*This hand has led through shadows drear
And while it leads I have no fear
I know 'twill lead me to that home*

Where sin nor sorrow e're can come

*I long to see my Savior's face
And sing the story I've been saved by grace
And there upon that golden strand
I'll praise Him for His guiding hand*

We cannot take credit for any of this. All we can take credit is for being obedient to the spirit of the Living God. That is why we have it so good. I don't know of any two people that have it better than we do. I don't know of anyone and all we have to do is follow the spirit of the living God. The Lord has brought us up to that plateau. We don't have any lack. All of them that believed had all things common and they had no lack. I wish I could persuade the whole world to believe this simple truth and follow through with it and the Lord will meet your needs.

God stays true to His Word, He will not deny His Word. He is in fact better to us than we are to ourselves. We would have never gotten to where we are at today on our own. We yielded to His leadership. I was thinking about my house that I had and a few years back and how the Lord wanted me to sell it. What would we do with two homes. Then He moved on us to buy that new truck. The best move that we could have done was buying that new truck. We run up and down the road and all we have to do is change the oil every 2-3 months. If we would have engineered our lives we would have never gotten to where we are at today. Nothing but goodness and mercy shall follow us all the days of our lives, simply put, because we have put the Word of God above our life, we have yielded to what God has for us. The natural man does not like that journey, right now the Lord has us on a fast and it's not easy

to be on a fast. Once you make up your mind that that is what you are going to do then it's easy and you would rather fast than eat. All we have to do is yield our lives to the spirit of the living God, to be lead and guided by that unseen hand. That is why we have it so good. It is all in that simple formula: Repent, and then be baptized in Jesus name, and then staying with that unleavened Word of God.

Since brother Jackson left the scene, God is testing us now to how we heard and what we heard. The Lord gave you a scripture: Remember the things that you have been taught and from whom you have learned them. I didn't know that when the Lord took brother Jackson of the scene that everyone is going to be tested now. We did not fall for that garbage that came along as soon as brother Jackson left the scene, and it came from very respectable people, people that stood by brother Jackson, that you thought you need to believe them. After a while it became obvious that we could not follow that, nor could we go along with it. We stood the test and we could not follow that, we remembered the things that we have been taught. It says, mark those that cause division not holding on to the things that we have been taught and such avoid. That is what we have done, and right now there is nobody that would even take us in. Just because we are together, this is God's program, it is God's plan. We have stood the course. We have not given in we have not yielded to these ideologies. We are staying with that unleavened, unchanged Word of God and that is the key.

That unleavened Word is so important to the Lord that He would give those 7 feasts to the Israelites which typed the grace age, that the church should only partake of that unleavened Word of God. We have stood with that. Just look how easy and what a better life it would be if that throughout

the 7 church ages they would have zeroed in and stayed with that Word, the church today would be such a powerhouse. The devil sowed his false teaching and bit by bit that fire that they had in the early church went out. It is the same with the Constitution of America, America today would be that shining city on a hill if they would only have put in all their effort to stay with the Constitution. As time when on these phoneys came in and started tearing down the Constitution. That is what every President should have done and today you would not have the mess that you see. The founders, they went through that civil war and they knew first hand how tyrannical kingdoms ruled, and they through the inspiration of God put together that Constitution and the Declaration of Independence. That is what we are doing we are staying with that Word with the things that we have been taught.

It is that simple, that is why people miss it because of its simplicity. People think that they should do something toward their salvation and towards this journey. There is nothing that you can do the only thing that we can do is stay with that undefiled Word of God.

I don't know of anything that we are doing to allow ourselves to be perverted. When all these false teaching started coming out as soon as brother Jackson left the scene, the Lord let me know that this is the final test before we can go in the rapture. At the time I didn't know what it meant, but as time went on it became clear: We have to stay the course. We are the only two people that I know of that are staying with the Word. Even brother Jackson said some things that are not scriptural and we don't buy into that. The Lord showed me the meaning of the Midnight Cry in Matthew 13, and when the rapture happens. The rapture doesn't happen until that man of sin is revealed by killing those two prophets of Revelation.

The Word of God has the final say, that is why I don't go to Grace and Truth anymore, I told them that not everything brother Jackson taught is going to happen, because I saw it in the scripture. That rapture cannot happen until the two prophets are killed. It is impossible for it to be in the first part of the week. Both brother Branham and brother Jackson said some things that are not going to happen that are not scriptural, brother Jackson cleared up a lot of things that brother Branham said that were not scriptural. There are things that we cannot succumb ourselves to we have a responsibility to stay with that undefiled Word of God.

That is why we have it so good, we have the best job, we have the freedom to do what God has for us. We live in a free country, even though this Trudeau guy is the Prime Minister and the corruption in his government God is going to see us through. It could get us worked up that a guy like that would take a country and sink it. That all has to be because God puts up and God puts down. He put that Obama up in the United States for 8 years and there is a reason why He did that. It woke America up, and it's the same here in Canada, the only way you can know who people really are. God has His ways of doing things. Even back in the Old Testaments the Kings of Israel and Judah some of them were so wicked, but the Bible says that God puts up and God puts down. He gives people whatever they deserve.

We are staying with that Word that is why the Lord blesses us. If people could only see how simple it is and that all you have to do is stay with that Word and the Lord will do the rest.

There is a lot of things that I could say, but you have to keep it in its simplicity. YOU MUST BE BORN AGAIN.

I want to go to *Romans 2:4*

1. Therefore thou art inexcusable, O man, whosoever thou art that judgest: for wherein thou judgest another, thou condemnest thyself; for thou that judgest doest the same things.

2. But we are sure that the judgment of God is according to truth against them which commit such things.

3. And thinkest thou this, O man, that judgest them which do such things, and doest the same, that thou shalt escape the judgment of God?

4. Or despisest thou the riches of his goodness and forbearance and longsuffering; not knowing that the goodness of God leadeth thee to repentance?

When you read the Old Testament and go back to the days of Israel, how God brought Israel out of Egypt and gave them the 10 Commandments and the rocks quaked, fire came down and a mighty voice came from heaven, and the people said to Moses - you talk to us, we will obey every word that you tell us. Then two weeks later they raised up this golden calf, that is not what causes people to repent - it is the goodness of God that leads people to repent.

When you realize that you live in a country where milk and honey flows and you can live in peace and all that and you see the goodness of God in it all, what the Lord has done for you in life. When I realized how good the Lord has been to me, that is what made me repent.

I watched an episode on Huntley Street one day where this guy was telling his testimony how the Lord saved Him.

This guy was selling drugs and one day he was in a phone booth making a call when he heard 3 shots. The bullets went through the booth but somehow the Lord protected this man and he did not get shot. This man realized that he could have been killed when he stepped back he realizes that God

saved him for a reason and it was the goodness of God that leads him to repent of his sins. He had to do jail time, and today he is free knowing what the Lord has done for him and wanting to do something for the Lord. He has a family and is living a clean life and is grateful for knowing what the Lord has done for him.

When you look at Billy Graham crusades how he would preach fire and brimstone and thousands of thousands of people went up and received the Lord, and then a year later, even two weeks they are back living the same old lifestyle. The reason it is like that is that he gave them a formula that is not scriptural, come down and we will pray for you and you will be saved. It does not line up with the scripture: *the goodness of God leadeth thee to repentance*. It is not hell, fire, and brimstone. If you listen to his crusades and the thousands of people all over the world, if he would have told them to repent of their sins and get baptized in Jesus name and receive the gift of the Holy Ghost, then these people would have had the right formula and stuck with the Word and would have had different results.

Even John Haggee, he works on people's emotions and they have tears in their eyes, they accept the Lord and two weeks later they have the same problem again, and simply because they were not told of this formula.

Even people in this truth, like down at Grace and Truth, under brother Jackson who was a chief apostle, he took history and lined it up with the Word of God and was able to open up the Bible for us to understand and when the Lord took him off the scene, the Lord is now testing us to see what we heard and how we heard things. Brother Allen comes out saying we are in the 3rd day, all people would have had to do is say is, we don't agree with that, they would probably have

been kicked out but at least they would not have to fight with the different problems that they now have.

I want you to understand something here because it is very important: If you rear off the Word of God you cannot fight off the wiles of the enemy, and the flesh. It is utterly important to understand - if Satan can get you off that Word, you have no power against the enemy. These people believe the false teaching that Allen brought out and now they are off that Word and now they have absolutely no power to fight off the devil.

In that song: Auf Zion auf, ach dochter säume nicht. Jesus Christ is the only one that can tame that beast nature in us and if we are off the Word then the devil can come in and Jesus cannot change that beast nature in us. What Satan wants to do is he wants to get you off from that Word. That is what he did back in the garden. He changed the Word back in *Genesis 3*:

4. And the serpent said unto the woman, Ye shall not surely die: the Lord God commanded the man, saying, Of every tree of the garden thou mayest freely eat: But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die.

These people that change the Word and believe it they have no power to withstand against the wiles of the flesh. I don't know what is going on in these churches but I know that they are off of that Word. Brother Davis, he teaches that we are after the two days, that is not scriptural. These people have absolutely no power against the flesh because the truth has been changed and the Lord Jesus Christ has to leave them alone. We know what we have been taught and we have to stick with it. God allows Satan to do that to test us. We are staying with the Word and we have power over the flesh, we

can fast and it doesn't bother us. I am not going to say that it comes one-hundred percent easy but the Lord can help us. I can vouch for it as long as I stay with the Word the rest is easy.

That is what this whole journey is about, it is all about the Lord Jesus Christ. If people only could see that everything that is created, every star, every angel, every mountain was created because of Jesus Christ, not by Jesus Christ, but for Jesus Christ. It is all because of Him, that pen that you write your name with, it is there because of Jesus Christ. God gave this planet to Jesus Christ and then Jesus saved us and we were created for Jesus Christ and that is why we are here, because of Jesus Christ. We are not our own, He purchased us when He died on the cross for us.

I want to go to *Mark 16*:

16. He that believeth and is baptized shall be saved; but he that believeth not shall be damned. 17. And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues;

18. They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.

Now we are going to go to Matthew 28:19, because this is the scripture that people use for baptism in the titles.

19. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:

20. Teaching them to observe all things whatsoever I have commanded you:

The Bible says: *In the mouth of two or three witnesses shall every word be established.* In Mark, it says - In my name. In Acts, it says in the name of the Lord Jesus Christ.

There is nowhere else in the Bible where it says: Father, Son and Holy Ghost. The way you and I understand it is that it says, "*in the name*" and that "*name*" is "*Jesus*". Father is not a name, it is a title, son is not a name, it is title. It does not say in the names as in plural form, but singular in the name and that name can only be Jesus. The Lord allowed this to be to test people, He puts things out there like in the garden. He gave them two laws and He let them choose which one they are going to partake off. Herewith water baptism: are we going to go with Matthew or are we going to go with, in His name, where there is two or three witnesses. Nowhere else does it say, Father, Son, Holy Ghost.

And that repentance and remission of sins should be preached in his name among all nations, beginning at Jerusalem. Luke 24:47.

In the early church, they all baptized in the name of the Lord Jesus Christ, and that is what we are staying with. That is why we have it so good, and it is only going to get better in a world that is falling apart. There will be light in the evening time.

Remember this is the truth and everybody that does not believe the truth and receives not a love for the truth God is going to send a strong delusion that they will believe a lie and be damned.

I challenge people to search these things out and be informed, you cannot rely on what the martyrs or 'forefathers' did in the past and what they stood for. What about you, what are you personally doing towards the truth for your day and hour, and towards your salvation. They did what they could for their hour and nobody is going into Heaven on other people's coattails. It says in *Philippians 2:12 ...work out your own salvation with fear and trembling*. Always remember we are

right and they are wrong you cannot debate the truth, if you change the truth it is no longer the truth.

This is the Evening Time

*The god of this evil age,
Has blinded the minds today;
Of people who walk their own way
According to God's own Word
Denying the things He's done
Of sending His only Son:
Accepting the creeds of Man
Rejecting the Word of God:*

*This is the Evening Time,
It's later than you think.
The Bride is preparing now
For Her Lord to meet.
All things are ready now,
So come by near here,
he that hath an ear to hear
The Evening Time is here.*

*The darkness throughout the land
This world just can't understand.
A Prophet has walked this Land;
proclaiming the way to God;
If you would be safe today,
Than follow the words he gave.
Accepting the Word of God;
For this is the Evening Time.*
