

*WE HAVE COME INTO HIS HOUSE*

*We have come into His house  
Gathered in His name to worship Him,  
We have come into His house  
Gathered in His name to worship Him,  
We have come into His house  
Gathered in His name to worship Christ, the Lord  
Worship Him, Jesus Christ, the Lord.*

*Let's forget about ourselves  
Concentrate on Him and worship Him,  
Let's forget about ourselves  
Concentrate on Him and worship Him,  
Let's forget about ourselves  
Concentrate on Him and worship Christ, the Lord  
Worship Him, Jesus Christ, the Lord.*

*Let us lift up holy hands  
Magnify His Name and worship Him,  
Let us lift up holy hands  
Magnify His Name and worship Him,  
Let us lift up holy hands  
Magnify His Name and worship Christ, the Lord  
Worship Him, Jesus Christ, the Lord.*

*He is all my righteousness  
I stand complete in Him and worship Him,  
He is all my righteousness  
I stand complete in Him and worship Him,  
He is all my righteousness  
I stand complete in Him and worship Christ, the Lord  
Worship Him, Jesus Christ, the Lord.*

## *FILL MY CUP LORD*

*Like the woman at the well I was seeking  
For things that could not satisfy;  
And then I heard my Saviour speaking:  
"Draw from my well  
That never shall run dry".*

*Fill my cup Lord, I lift it up, Lord!  
Come and quench this thirsting of my soul;  
Bread of heaven,  
Feed me till I want no more--  
Fill my cup, fill it up and make me whole!*

*There are millions in this world  
Who are craving  
The pleasures earthly things afford;  
But none can match the wondrous treasure  
That I find in Jesus Christ my Lord.*

*Fill my cup Lord, I lift it up, Lord!  
Come and quench this thirsting of my soul;  
Bread of heaven,  
Feed me till I want no more--  
Fill my cup, fill it up and make me whole!*

*So, my brother, if the things this world gave you  
Leave hungers that won't pass away,  
My blessed Lord will come and save you,  
If you kneel to Him and humbly pray:*

## THANK GOD

*There's a road that's straight and narrow  
That the saints have travelled on  
Paved with all the tribulations  
Of the martyrs that have gone  
If you're grateful for their vict'ries  
And for showin' us the way  
Then give thanks for all your blessin's  
Get on your knees and pray.*

*[CHORUS]*

*Thank God for ev'ry flower and each tree  
Thank God for all the mountains and the seas  
Thank God for givin' life to you and me  
Wherever you may be, Thank God.*

*In this world of grief and sorrow  
Filled with selfishness and greed  
There remains the Glory Fountain  
To supply our every need  
You can find it in the temple  
With a welcome on the door  
But be sure to count your blessin's  
Before you ask for more.*

*[CHORUS]*

*Be forgivin to the wayward  
Like the Master told us to  
When He said forgive them Father  
For they know not what they do  
They would change their way of livin'  
If they could but understand  
So remember they're your brothers  
They need a helpin' hand.*

## GOD WILL MAKE THIS TRAIL A BLESSING

*I've just come into a valley  
one like I've never been before  
I keep searching for a way out  
seems like padlocks are on the doors  
Oh there must be another sunrise  
another sunset that I'll see  
God will make this trial a blessing  
that's the love He has for me*

### CHORUS

*God will make this trial a blessing  
though it sends me to my knees  
Though my tears flow like a river  
yet in Him there's sweet relief  
There's no need to get discouraged  
there's no need to talk defeat  
God will make this trial a blessing  
and the whole wide world will see*

### VERSE 2

*I was not the first one  
To come into this place  
You see every child of God  
This test he must face  
It is here that God will mold you  
and make you what you ought to be  
God will make this trial a blessing  
Just be patient you will see*

### VERSE 3

*Now I'm standing on the mountain  
Looking back and I can see  
When I was in that lowest valley  
His strong hand was leading me  
Oh it's good to see the sunshine*

*And to taste sweet victory  
God has made this trial a blessing  
oh the grace He gives to me*

### *THE GOD OF ALL COMFORT*

*When angry storms around me rage,  
Life's greatest trials I must face,  
My ship is tossed, seems all will be lost,  
Then the God of all comfort,  
speaks peace to my soul.*

#### *Chorus*

*When the God of all comfort,  
Speaks peace to my soul;  
Rough seas are calmed,  
The winds cease to blow.  
No matter how dark may be the night,  
Everything will be alright;  
When the God of all comfort,  
Speaks peace to my soul.*

*When a broken heart  
Leaves me hurting inside,  
Like rain my tears, fall through the night.  
His voice I hear,  
"There's no reason to fear,"  
When the God of all comfort,  
Speaks peace to my soul.*

### *I THOUGHT NUMBER ONE*

*I thought number one would surely be me  
I thought I could be what I wanted to be*

*I thought I could build on life's sinking sand  
But now I can't even walk without you holding my hand*

**CHORUS**

*Oh Lord, I can't even walk  
without you holding my hand  
The mountains too high  
and the valleys too wide  
Down on my knees  
that's where I learned to stand  
Oh Lord, I can't even walk  
without you holding my hand*

*I thought I could do a lot on my own  
I thought I could make it all day long  
I thought of myself as a mighty big man  
But Lord I can't even walk  
without you holding my hand*

*That's why I'll make Jesus my all and all  
And if I'm in trouble on his name I'll call  
If I didn't trust him I'd be less of a man  
I can't even walk without you holding my hand*

**IT'S NEVER GONE OUT**

*I cannot forget the day  
When I heard my Saviour  
Come to me my child and be made whole  
Then I let my saviour in  
He forgave me all of my sin  
He started a fire burning so bright  
Way down in my soul*

*It's never gone out  
It's never gone out  
Though Satan has tried  
Many times to make me doubt  
But when I feel that warmth inside  
I know that my soul is satisfied  
The fame has flickered but  
The fire has never gone out*

*Since Jesus kindled the flame  
Things have been changed  
No, I'm not the same  
He lite the fire with His  
Great Eternal Love  
Down in my soul now  
There is peace  
A joy that will never, never cease  
Thank God for Holy Fire  
From Heaven above*

### *UNSEEN HAD TO ME*

*There is an unseen hand to me  
That leads through ways, I cannot see  
While going through, this world of woe  
This hand still leads, me as I go*

*I'm trusting to, the unseen hand  
That guides me through, this weary land  
And some sweet day, I'll reach that strand  
Still guided by, the unseen hand*

*This hand has led through shadows drear  
And while it leads I have no fear*

*I know t'will lead, me to that home  
Where sin nor sorrow ere can come*

*I long to see, my Saviours face  
And sing the story saved by grace  
And there upon that golden strand  
Ill praise him for his guiding hand*

### *FOR THOSE TEARS I DIED*

*You said you'd come  
and share all my sorrows  
You said you'd be there  
for all my tomorrows  
I came so close to sending you away  
And just like you promised,  
you came there to stay  
I just had to pray.*

*(Chorus)*

*And Jesus said, Come to the water,  
stand by my side,  
I know you are thirsty, you won't be denied.  
I felt every teardrop  
when in darkness you cried,  
And I strove to remind you  
that for those tears I died.*

*Repeat Chorus*

*Your goodness so great I can't understand,  
And, dear Lord, I know  
that this was all planned.  
Saviour, you're here now,  
and always will be.  
Your love loosed my chains  
and in you I'm free,*

*But Jesus why me.*

*Repeat Chorus*

*Jesus, I give you my heart and my soul.*

*I know, without God I'd never be whole,*

*Saviour, you opened up all the right doors,*

*And I thank you and praise you from earth's humble shores.*

*Take me, I'm yours.*

### *THERE'S NOT A FRIEND LIKE THE LOWLY*

*There's not a Friend like the lowly Jesus*

*No, not one! no, not one!*

*None else could heal all our souls' diseases:*

*No, not one! no, not one!*

*Jesus knows all about our struggles;*

*He will guide 'til the day is done:*

*There's not a Friend like the lowly Jesus:*

*No, not one! no, not one!*

*2*

*No friend like Him is so high and holy,*

*No, not one! no, not one!*

*And yet no friend is so meek and lowly,*

*No, not one! no, not one!*

*3*

*There's not an hour that He is not near us,*

*No, not one! no, not one!*

*No night so dark, but His love can cheer us,*

*No, not one! no, not one!*

*4*

*Did ever saint find this Friend forsake him?*

*No, not one! no, not one!*

*Or sinner find that He would not take him?*

*No, not one! no, not one!*

5

*Was e'er a gift like the Savior given?  
No, not one! no, not one!  
Will He refuse us the bliss of heaven?  
No, not one! no, not one!*

*I SEE A CRIMSON STREAM OF BLOOD*

*On Cal'vry's hill of sorrow  
Where sin's demands were paid,  
And rays of hope for tomorrow  
Across our path were laid.*

*Refrain*

*I see a crimson stream of blood,  
It flows from Calvary,  
Its waves which reach the throne of God,  
Are sweeping over me.  
Today no condemnation  
Abides to turn away  
My soul from His salvation,  
He's in my heart to stay.*

*Refrain*

*When gloom and sadness whisper,  
"You've sinned—no use to pray,"  
I look away to Jesus,  
And He tells me to say:*

*Refrain*

*And when we reach the portal  
Where life forever reigns,  
The ransomed hosts' grand final  
Will be this glad refrain.*

What do you say Jeremy? Does it make sense to you yet?

Jeremy: It's starting to.

Sam speaks: You must have really gotten a whammy. You were really on fire the other day. The Word started making sense and here people were trying to rob you.

Well, this is where it is at, if this would not be where it is at then I would be where it is at. You don't have to go to these religious cages (Revelation 18:4)

I want to read Jude 1:

*22. And you must show mercy to those whose faith is wavering.*

*23. Rescue others by snatching them from the flames of judgment. Show mercy to still others, but do so with great caution, hating the sins that contaminate their lives.*

That is the scripture that I got when you sent us that e-mail. We are just going to walk through all that transpired here the last week. We have been here for 8-10 years, having these conversations and putting them on our website and you are the first convert so to speak. You are not our convert but the first one that came by this way. I guess it was about Wednesday I was just sitting here and the Lord let me know to walk through this whole episode which will be a real eyeopener for a lot of people, to help people understand how all this works.

As I said, we have been here for about 10 years and I remember going to bed one day and I got a phone call. It was one of the Hutterite preachers and he said, Sam, who is Jesus Christ. Well, I said, before I can tell you who Jesus is, first of all, I have to tell you who God is. God is that great

eternal spirit and He fills all time and space. He is everywhere present and nowhere absent. There are a lot of people who think that Jesus is God, but He is not. Jesus is the son of God. He is like us. You could try for ten lifetimes to explain this great God, who He is, and who He isn't, but He is a spirit, He is not a person. He is the Self-Existing-One. Where there is air there is God, in fact, up in space there is no air but God is there, even out in the universe, there is space beyond the universe, but that is all God, He is all-powerful, everywhere present and nowhere absent and always has been; He does not have a beginning, Jesus had a beginning. Jesus is the son of God, He can only be at one place at one time, and right now He is interceding, at the throne of mercy, for the sins of man.

Anyway, I went to bed and I thought I have all this knowledge and I have nowhere to release it to. So around five o'clock I finally fell asleep. At six o'clock I finally woke up and the Lord spoke to me - Why don't you start up a website. He wanted me to start up a website and I did not know anything about starting up a website. I just want to help people see that this is His program here, this is not my program. Then the Lord brought you on board and then you began to start up this website.

That is what has been going on, I had nothing to do with it, and then I asked you to come along with me driving truck, and I thought, man what are people going to think me, and you driving truck and hanging out together. We know how derogatory people think and I was just starting to think about it then the Lord came on the scene and let me know that without you there is no program. God knows what is up the road and He knew that it is going to take you to get that website thing up and running and type up the books, so you

are as much part of the program as I am. If I would be intimidated what my family has to say then I would have just packed it in and the program would have stopped right there because the Lord said without you there is no program. So I told myself what is the point of even being alive if there is no program. So we just continued on and we didn't worry about what people say, do, or think. So we continued on and that is where we are today. We were by ourselves for about 8-10 years and now Jeremy comes along and this is a brand-new chapter for us before you sent that email before we never heard about you. We are going to read that email Jeremy sent for the sake of the conversation. It is good stuff you will have to learn not to be ashamed of Jesus.

*Hi there, I've been listening and reading your conversations for almost 2 days now, and I am really excited to find that there are actually people here that believe in Jesus and know the truth, my prayers have been answered! ( after searching for 2 - 3 years ) I finally found people that believe what I believe and have a thirst for God and his word. and now I know I'm not the only one who believes that the Hutterite system is a cult along with pretty much all churches, and that salvation is in Jesus Christ alone. I found out about you through this booklet you sent to Ernie's place, didn't think much off it, after all the lies i was told about you. but after reading bits and pieces I knew there was something behind it. And because you talked about Greenwald and about sam which happens to be my grandfather, and I come from Greenwald! What a coincidence! It was pretty obvious God was behind this. Anyways to make a long story short, after learning from you that I have to be baptized in Jesus name, being deceived by the enemy all along that baptism is not*

*important and essential, I want to get baptized! if you can help me with that or lead me to it. That would be awesome thanks*

People go through the same struggles and we want to help people because the Judgment Day is coming. I don't know how to go about this thing but God knows how to do it, He wakes me up and lets me know how to go about it, how to walk through this whole thing. Then God can take it and unite it, because from day to day the Lord will let me know what He wants me to do. You have to be open to the Lord.

I am just being honest and that is the only way that I can operate. Like I say, we didn't know what the Lord is going to do next. All we have to do is be sensitive to what the Lord has. When Lorraine read that e-mail that Jeremy sent, I knew here is a man that is serious. He is not playing the game, he is serious. When it is real it hits a chord in your heart. You can't explain it all you know that this guy is serious. Like I say, this is new territory for us and you are the first one in ten years. The Lord just told me to start up this website and we would have a conversation every Sunday, even when we were driving truck, we would stop the truck and have a conversation and tape it off. That is what the Lord had us do, and that is what we did. Then when Jeremy texted that he wants to be baptized we knew there is someone that is serious. We have had other people that emailed us but we knew that they were not serious, but here He let us know that this guy is serious. When Jeremy emailed us that he wants to get baptized, we said we would pray about it. Then I guess you didn't respond back, and we sent another one asking if you want to meet up or something. After a day Jeremy sent another message asking for my phone number saying he wants someone to talk to. When we sent Jeremy my phone number and he didn't respond back, it was then we knew that

we will have to go about it a different way and we asked for his phone number and he sent it, and then I called up Jeremy.

It is very important that I mention this, because when Jeremy asked for my phone number, Jeremy didn't make contact. Then the Lord spoke to me and let me know that this man is serious, the devil is trying to discourage him, I am going to have to go the extra mile because I know how the devil works he is going to try to keep him away from here. I didn't know everything that was at stake. I didn't know about Ernie and about Ken and all the forces of Hell that are going to try to divert him, and I told Lorraine we are going to have to put in an effort. That is when we emailed you and asked for your number, and then we called and make contact. What transpired after?

Lorraine speaks: Then you phoned up Jeremy and he went over his experience, his testimony how he got a hold of this book 'Take Heed' at Erne's place. Ernie called him over to give him that book and then took it from Jeremy when he saw that Jeremy was interested in it. Then Jeremy went home to look for our website and he cried out to the Lord. During the conversation when you talked to Jeremy you threw it out there about meeting up somewhere but it was not definite and when you hung up, I said why don't you text him and see if he wants to meet up today, and we texted Jeremy if he wants to meet up and he said, sure, and he drove over here from Winnipeg that evening.

Jeremy speaks: Good thing you did that because I would probably have talked myself out of it.

Sam speaks: That's how the Lord works, I knew this guy is serious and I knew if I don't put in an effort then the devil is going to get him. We prayed about it. The devil knows that he

has to stop him from coming here. That is the scripture the Lord gave me - *On some have compassion making a difference others save with fear pulling them out of the fire.* It was like you were in a fire and I have to pull you out of the fire. This is serious stuff, I know how the devil works. I did not realize how many forces that were on you trying to stop you from making contact but I knew from past experiences how the devil works, see what the devil does right from the get-go he puts in every effort that he can, he puts every devil in Hell on a person's case because he knows that once you get your foothold and get this ball a rolling and get you roots down he knows that you are unstoppable. He throws everything at you that he can get ahold of, and usually it is the family thing. We have been through it all and we knew one thing this guy is serious and we have to go for it, we have to do something about it.

The evening when you came over, to me, all I saw is a man, a person that I will do whatever it takes to help that person. I didn't see anything negative, all I knew that this guy is desperate and the Lord wants us to help him. I guess Lorraine saw a glimpse of a dark look come across your face.

Jeremy speaks: I have heard people say that.

Lorraine speaks: I don't see it anymore. I just saw a glimpse of a dark look come across your face.

Sam speaks: Anyway, I went to bed that night and I was just minding the Lord. I was maybe in my bed for about 10 minutes and I was trying to force this baptism issue. I was trying to exhaust myself with how to get a baptism tank, how to go about this baptism and all or should we, maybe, go to this Jerry guy to use his tub for baptizing. Then it was like the Lord was saying don't worry about this baptism thing for now. Then I put that baptism on the back burner for now and as I

was laying on my bed, the door was closed, but with my eyes of the spirit, I saw this demon. Then I realized that that guy has a demon it was a big ugly sucker, and I said - In Jesus name, you will have to go. Then he started shaking a bit and I said again, in Jesus name you will have to go, and the third time I said it, he just up and left. Lorraine you can vouch for that too, you felt its presence. What was it like.

Lorraine speaks: That demon was like a petrifying paralyzing fear, I have never ever felt something like that, but that it the impact that that spirit left me.

Sam speaks: Then Jeremy he felt something in his hand. As I was saying in, Jesus name you will have to go, I heard Jeremy cough and then I heard some movement. Then that demon left and it left your arm sore.

Jeremy speaks: Yes, my arm was hurting and my neck was aching a little bit too.

Sam speaks: What happened was, I'll be honest with you, by the mouth of two or three witnesses let everything be established, if I would have been the only one to see something I could be making this up, but we all witnessed what happened. That is why you better have 2-3 witnesses. Jeremy, he experienced something because he felt his hand the next day, it was sore and you had to give him that heat stuff to help with the soreness. The Lord allowed that, and he allows you to feel its presence just to prove what happened, that everything has to be by 2-3 witnesses to be established, and the rest is history.

Then the next morning when we got up we talked about what happened during the night and Jermeiy heard us talking about it and he said, I know what you are talking about a demon. Then I asked him if he knew that he had a demon and that we cast it out. It was so normal, everything went so

normal, it wasn't this big phenomenon. That demon it did not intimidate me. In Jesus name, it has to go and it went, it had no other choice but to go. People need to know that you cannot just go and cast these demons out unless with the power of the holy spirit. The holy spirit can help you see and through the power of the holy spirit you can cast these demons out.

I want to read in Acts about the sons of Sceva, what happens when you are not ready and if the Lord does not drive this thing. I was just laying there minding the Lord, I have the holy ghost, I'm baptized in Jesus name, I have the blood of Jesus on me and they can't touch me, I can cast out devils, I can heal the sick and there will come a time up the road that you are going to have to raise the dead. This is just the beginning, this is virgin territory to us. Like I say, it was Wednesday night, I went to bed and the Lord told me to have this conversation. It is not for us, to make us look good, it is all for the glory of God. Then on Sunday, we had this conversation and we had a glorious time, we had a time of peace and rest. It turned out very good as far as I can see. There are people that are going through that same thing and the only way to help them is to have a conversation on this so they can understand how to navigate through this. We are just getting into it, He is going to do miracles through the hands of us. Then the devil, he is trying to stop this and divert people away. I want to read *Acts 19*:

*11. And God wrought special miracles by the hands of Paul:*

*12. So that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them.*

*13. Then certain of the vagabond Jews, exorcists, took upon them to call over them which had evil spirits the name of the Lord Jesus, saying, We adjure you by Jesus whom Paul preacheth.*

*14. And there were seven sons of one Sceva, a Jew, and chief of the priests, which did so.*

*15. And the evil spirit answered and said, Jesus I know, and Paul I know; but who are ye?*

*16. And the man in whom the evil spirit was leaped on them, and overcame them, and prevailed against them, so that they fled out of that house naked and wounded.*

*17. And this was known to all the Jews and Greeks also dwelling at Ephesus; and fear fell on them all, and the name of the Lord Jesus was magnified.*

*18. And many that believed came, and confessed, and shewed their deeds.*

*19. Many of them also which used curious arts brought their books together, and burned them before all men: and they counted the price of them, and found it fifty-thousand pieces of silver.*

*20. So mightily grew the word of God and prevailed.*

These sons of Sceva, they did not know Jesus but they wanted to be able to do what Paul did, they wanted to get into the action. See you can't do it on your own power, to me it was so simple because I was directed by the holy spirit. These sons of Sceva, they didn't do it by the holy spirit and that man jumped on them and overcame them and they ran out of the house naked and wounded. Unless you are directed by the holy spirit these people can jump on you and harm you.

I want to go into another episode, I guess we were up in Regina and you told me in the evening that you sometimes

get sick, about once or twice a year, where you were throwing up and get very dizzy for three days, and you were wondering why that was. When you told me that, I was just minding the Lord. You told me that in the evening and I minded the Lord, He knows everything that you are going through. So in the morning I haven't heard anything from the Lord and I was driving down the road and I could smell something and I saw two demons there and they had knives and they were cutting at you and that is what I smelled and I simply said - In Jesus name, you will have to go. I was driving, I am not seeing them with my natural eye, I am seeing them with my spiritual eye and I saw them packing up their briefcase full of knives that they were using to persecuting you. I told them in Jesus name you will have to go, and they had to leave. They packed up their bags and left. We are not saying this to make us look good we are just being honest. Then we were trying to figure out where this comes from and you were telling me that the first time you ever experienced it you were down at Vermillion colony. The Hutterites, they are full of witchcraft they can put an evil eye on you. They can look at you and put something on you. Do you know what happened.

Lorraine speaks: I didn't know it, but after Lynda's wedding, Lynda told me how some woman there thought that I look really good and I guess some people can put something on you. I think they call it an evil eye.

Sam speaks: Yes, that is the word that I was looking for, they call it schrien in German. They can ignite this thing and ever since then, you said about once a year you got sick.

Lorraine speaks: Ja, we went there for a weekend and that was the first time I got so sick. It was the first time that I ever got so sick in my life.

Sam speaks: That is part of that evil eye thing that is how the devil works. You didn't have a demon it just happened that these people that have that witchcraft, that evil eye, they can discharge these devils and ones or twice a year they would do a number on you and you got sick. You told me about it and I know that Lord knows. As I said, the next morning the Lord allowed me to see it and I said - In Jesus name, you will have to go, and they had to pack their bags and leave. That is where the power is - in Jesus name. That is why when you get baptize you have to get baptized in Jesus name and not in the trinity of father, son, and holy ghost. The power is in Jesus name. Then we just prayed the blood of Jesus that they can't come back, and you didn't have that problem again. I can't make these things up. There are a lot of people out there they make things up and they suck people in but we have no reason to do it, we don't need nobody's money. We don't do this for prestige. We are just doing this to help people that is why the Lord has allowed us to go through what we have gone through so we can help people. There are thousands of people out there who have the same problem.

Like the book we wrote about Ernie, at the end of the day there are millions of Ernie's out there. We are just trying to help, it is when you reject Jesus you reject eternal life. You don't have to join a commune or wear a certain dress code to go to Heaven. All you have to do is when Jesus comes by your way and He starts convicting you, you just open up repent of your sins and you just welcome him in your life, but you have to wait until He comes. That is why we say that the only sin that you can commit is to reject Jesus. Jesus wants to help you get rid of your issues. He is not out to destroy you, He is more than a friend.

Anyway, that is what happened to you, and I know that there are thousands of people who have the same issues but they do not know how to go about it. There are so many problems out there amongst the Hutterites. They have issues some are demon-possessed, they have been attacked by that evil eye and other things.

I remember back when I had just been terminated from the colony. I was still living in the colony and I went to this Mennonite church in Arden. Once a year they have this meeting where they go over the church expenses and income for the year and I was there at that meeting. I am sitting at a pew and there at the other end of the pew this woman was sitting and I could tell that she was so jittery, she was sitting and biting her nails, and my heart went out to her. I could feel what that girl was going through. Anyway, I went home and I couldn't sleep, and all night long I was praying for that girl. The holy spirit was using me to pray for that woman how to deliver her, at about 3 am the Lord came on the scene and let me know what is going on. This guy, this pedophile, he was a guy that was coming to church to the prayer meetings. This guy had a lust for that woman. In today's world, you better have scripture to back this up, I am not making this up, this is exactly what happened. I said, Lord, why was she so jittery and He let me know that that guy that you go to a prayer meeting with he was lusting after her. Matthew 5:28

*But I say unto you, That whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart.*

That person does not have to do that initial act he just lusts after her, because he was lusting after her it affected that girl so much that she was a nervous wreck, and the Lord delivered her. She was 10 miles away I was at home and the

Lord let me see what the problem is and I could identify it and by doing that I was able to deliver her. I felt what that girl had to go through and I felt like wringing that guy's neck, but the Lord said - no, you can't do that, it is a spirit. It is the devil on him that is doing that. It was not the guy that was doing it, but the spirit that is behind the man that was doing it. You have to go after the spirit. Some people open themselves up to the devil to do that. Like that woman who did that to you with that evil eye, then you had to suffer because of it. It was not a literal cutting that they were doing, but you felt the torment of what they were doing. It is the same thing this woman had to go through literal Hell because of what that man was doing by lusting after her. I saw her a week later and she was free from it she was different I did not talk to her but I could see that her countenance was different.

That is just the way the devil works that is why we are having this conversation so we can help people. This is what we do we are here to help people. Jesus said in Luke 4:

*16. And he came to Nazareth, where he had been brought up: and, as his custom was, he went into the synagogue on the sabbath day, and stood up for to read.*

*17. And there was delivered unto him the book of the prophet Esaias. And when he had opened the book, he found the place where it was written,*

*18. The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised,*

*19. To preach the acceptable year of the Lord.*

*20. And he closed the book, and he gave it again to the minister, and sat down. And the eyes of all them that were in the synagogue were fastened on him.*

*21. And he began to say unto them, This day is this scripture fulfilled in your ears.*

That is our job Jesus said in *John 14:12*  
*Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father.*

This is our job, the spirit of the Lord is upon us because He has anointed us, that is why we can do what we are doing because He has anointed us. *The Spirit of the Lord is upon me because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, To preach the acceptable year of the Lord.*

We are just entering into this era of the miraculous that is what the Lord has hewn us out to do. We will be doing mighty exploits. I am just giving you a prelude. What our mission is, is to continue with this program because the Hutterites are full of all these kinds of issues. We are the only ones that can help them. There are a lot of Hutterites that are hurting. These preachers can't do anything for them they can only make it worse for them. That is why we are having these conversations to give people an idea of what is up the road for us. We care about people and I'm sure you Jeremey have friends that are in need, especially young people, they are caught up in all kinds of sex and drugs and they don't even know it and they will have to be delivered by the blood of Jesus. I have been doing that for twenty - thirty years, I could tell you so many things.

Like this one guy, I started going to Bible study with him, it was around that time too, I was still on the colony but I wasn't terminated yet but I would sneak away to have Bible study. This guy was renewing his life coming away from serving the devil and the devil did not want to let him go. One night it was about midnight, we didn't have a switchboard at that time, and I was still at my dad's place because I was not married yet, so this woman calls up my dad and my dad wakes me up to tell me that there is someone on the phone that wants to talk to me. So I went and picked up the phone, and there was this man's wife and she said - Sam, my husband just got attacked by the devil, he had a shower and he got out of the shower and looked into the mirror and saw the devil and the devil jumped on him and took him down. He was laying there completely naked, paralyzed after the devil jump at him. I told her I would pray for him and I hung up the phone and I went back to my room and just prayed, in the name of Jesus I ask you to leave. I was 5 miles away. Then the next day I went over to see them and he was still shaking from that ordeal. He said - Sam, I don't want to ever have to go through that again, it was horrible. He was still weak. So I asked him what happened. He said after my wife called you he went off me but until that time he was trying to choke the life out of me. When I went back to my room, after phoning with his wife, I prayed in Jesus name you will have to go and I saw the devil leave his house full bore he was just a-going.

There is another instance, where I was with that Joe Waldner in Alberta, it is a long story about how I got acquainted with him but anyway, to make a long story short we were down in Albuquerque NM, and he took a plane and flew back home. Before he left he gave me a credit card and told me to stay there and meet this guy and he flew home, he

told me when I'm done I can come back to his farm. So anyway, I was down there for about a week doing things for the Lord, being about the Lord's business and when I was done I came back to his place and when I drove into his yard I saw the devil head on out full bore. When he saw me coming, I didn't even have to say anything he just left. I arrived there about 5 pm and we had a talk and about 10 pm we were just about ready to go to bed and he said - Sam, ever since I came back here there are crazy things that are happening here, there are windows that are banging, there's an empty can rolling across the yard, he went on and on and he wakes up in a cold sweat at night. Well, I said - it is not going to happen again because when I drove in here the devil he just took off across the field. He looked at me funny as if he didn't believe me.

The next morning we got up and he didn't say anything and throughout the day he didn't say anything then around 10 pm we started getting ready to go to bed and he said - I had a good night yesterday, I slept real good, that thing didn't come back. I said - I know, when I came in it had to go. I didn't even have to say anything it just left. What the devil was trying to do is he wanted to drive a wedge between that Joe Waldner and me. The devil was putting it in his mind to blaming me because all of a sudden when he came back from New Mexico these things are happening, so the devil was trying to give him the idea that these things are happening because of me, so he wouldn't have anything to do with me anymore. I didn't tell him that but I knew what was going on. Then he asked me - Why couldn't I do it.

There again you can see the sons of Sceva, why couldn't I do it, he wants that power to do that. I said it wasn't me doing it, it was Jesus that did it. It was the holy ghost that did

it. I just drove in the yard and it had to leave. As it says, *The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised.* It is still casting out devils and all that stuff. This is what this whole program is about. It has nothing to do with me when he said - why couldn't I do it. Like he wants that power but he does not want to go through the cross, through the Jesus thing, through the baptism in Jesus name and all that stuff.

That is basically what you are seeing here, the Lord coming back to do this work to set these people free. The reason I am saying this is not to make me into something because at the end of the day it is all about Jesus. He is just using us to do all that stuff. That is why we are talking about these things so that we know what is going on. Jeremy he has a lot of people out there, Greenwald colony, his family and friends, we are just going through an educational things here, and He will educate you to do the same thing but first things first, you can't go casting out demons, you need to do it through the holy ghost, you need to do it through the proper channels. Otherwise, that demon that you are casting out is going to jump on you and try to destroy you.

That is the way it works, that is why we are having this conversation to go through this school. It has nothing to do with me, God wants to use people and you are here Jeremy because God wants to teach you. That is the only way that you can help people and that is what the devil was trying to stop. The attacks that we have been getting for the last 2-3 months because the devil he hates us. We are just at the beginning stages and he knows that and he is trying to stop

this program because he knows that once this thing takes off then he can't stop us anymore. That is why we get attacked, and it is the people that I used to go to church with, this Kenneth guy. I was driving around with him for 3 years took him to church and everything and because he couldn't follow through, he couldn't repent, he couldn't come the Lord's way, him and your brother Ernie. Those are the ones we get attacked from, we didn't recognize it at first but eventually, we were able to identify it.

Lorraine speaks: It felt like someone was trying to rob me like a thief what I have in the Lord.

Jeremy speaks: That is what I felt.

Sam speaks: You felt that too.

Jeremy speaks: Yes, it felt like everything that I experienced here, and I felt something wanted to take everything away from me.

Sam speaks: So the devil was trying to stop you and he was trying to stop us. It felt like he wanted to steal everything that we had in the Lord to stop this program. I didn't really know what was going on. I remember it felt like a storm, like that song says - *When stormy clouds around me rage*. I knew that it will blow over but in the meantime, I was holding on for dear life. Then I had a talk with you and I wasn't much of a comfort to you. I wasn't much of an asset to you trying to explain to you what was going on. You saw something deeper that I could not see. I felt myself when you go through a storm you don't feel anything, it felt like I lost all my grip. It was a good thing that we were fasting those three days otherwise we would not have made it through that thing.

When we cast that devil out of Jeremy, Jeremy asked where is he going to go now. The Bible says that they go through dry desert places. I want to read *Matthew 12*:

*43. When the unclean spirit is gone out of a man, he walketh through dry places, seeking rest, and findeth none.*

*44. Then he saith, I will return into my house from whence I came out; and when he is come, he findeth it empty, swept, and garnished.*

*45. Then goeth he, and taketh with himself seven other spirits more wicked than himself, and they enter in and dwell there: and the last state of that man is worse than the first. Even so shall it be also unto this wicked generation.*

It says the same thing in Luke 11:24 pretty much word for word what you just read.

That evil unclean spirit walked out of Jeremy so he walks through dry places seeking rest and finds none. He can't come back to Jeremy, he can maybe harass him, but he can't enter in again because we prayed the blood of Jesus over him and he can't go through that blood. Then Jeremy asked me where does he go and I did not know. He will try to come back but we pleaded the blood of Jesus over him, and I was sitting there at the table and I saw it with my spiritual eyes and guess where he goes, he goes down to Kenneth, and he is going to use Kenneth now. He is not going to invade him but he is going to work from the outside and he is going to inspire him to do evil stuff. That is where we got the attacks from that same demon that was cast out it went down to Springstein and he is going to use Kenneth now to do his dirty work so to speak. Like I said, he is just on the outside influencing him and give him ideas and he gets together with Ernie, and that is where these attacks were coming from, that is why we were going through these attacks these 3 days. We didn't know what was going on, you got up and I told you I am completely blank I didn't even feel like singing a song. It was like someone was trying to strip me of everything that I've got but I

knew that it is a storm from the devil but I didn't know where it is coming from. We just minded the Lord and we were able to see exactly where it was coming from.

The Lord had already alerted me where that demon went to. We were thinking was that they were going to try to go after Jeremy, that the devil will try to get them to use Jeremy against us, but what was happening they were doing to him exactly what they were doing to us they were trying to rob. They can only rob now. These spirits can only kill steal and destroy what we have in the Lord but all three of us felt the effect of it. These demons when it comes to dirty stuff they connect with each other and they have a network going.

It says in Ephesians 6:

*12. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.*

They bunch together, like sometimes the family when they want to destroy you, that is just how the natural family is, when it comes to dirty stuff, they bunch together like the democrats in the states when it comes to destroying Trump they all gang up. Here these demons they were all bunching together to come against us, and I recognized it, I saw Ken, not that he was literally out there but that spirit is now influencing and through him was trying to rob what we have and I'm sure you felt it too Jeremy. You couldn't even read your Bible.

Jeremy speaks: ya.

Sam speaks: We went through the same thing here and it wasn't until yesterday, I think we had to send it back three times at first we just prayed and nothing happened, and I said we are going to have to send this thing back from where it

comes from, and Lorraine, you said that you were out in the yard and you had to send those demons back too in Jesus name. I did the same thing and then we did it together and we sent it back to where it came from because it was harassing us. Then yesterday about 1 pm it started lifting and it started to disappear and we could feel the relief. You kept saying it was as if someone was trying to steal everything away from you what you have in the Lord. That is exactly what that spirit was trying to do it was trying to shut us down. That is why we went through this tremendous attack for three days, and it was a good thing that we were fasting. We were just drinking water for three days and we were able to stop that thing, but it was serious stuff.

The storm goes over, but see we detected from where it came from and once you detect it that thing has no more power over you. You pray your way through, but until you can identify where it comes from and send them back, that's when they no longer can harass you. It might be rough sending them back but what else are you going to do.

Lorraine speaks: It says in *Psalms 70*:

*2. Let them be ashamed and confounded that seek after my soul: let them be turned backward, and put to confusion, that desire my hurt.*

Sam speaks: That is what was going on, they were trying to drive a wedge between, especially Ernie was trying to turn Jeremy against us. That was their game plan. Ernie, he is involved too, Ernie once almost had it and he turned it down and that Ken guy he drove with me for three years. He knows what I am about and what does he do - He goes and slanders us and makes people believe that this is some kind of a sex-capade, some shacking-up thing. When he knows very well that it isn't. Just to smear us. That is why the devil had access

to him because he almost had it because he was driving with me for three years, but that guy just can't repent. Now he is working against us, and the devil knows that and he gets a hold of him and he is trying to destroy and drive a wedge between us. These demons can't work on their own they have to work through a person and they find a person that they can work through. I would say this was about one of the worst attacks that we have ever had, it lasted for three solid days. We were fighting this thing and I couldn't even read my Bible.

Jeremy speaks: That is exactly what I felt. I was ready to give up.

Sam speaks: See that is what their game plan is, we didn't know that Jeremy was being attacked too, we thought we are saving Jeremy by identifying it and sending them back. I didn't know that you were being attacked too. You might have thought it was your mom, or your family, or your aunt, but it really all originated from that demon there. Your family has nothing to do with it nor does anyone at Greenwald. It all comes from that demon over there because they know that you are going to set these people free. That is where it all originated from and that is why we were so attacked but it wasn't until we got serious and got down on our knees and we sent that thing back from where it originated from. Like it says send them back those who what to do you harm. They meant to do us harm because they almost had it both Ernie and Ken now the devil can use them to try to rob us from what we have in the Lord.

That is the battle that we are fighting, but see we have to educate people because people don't know how it works. *For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the*

*heavenly places.* We are not fighting against flesh and blood but dark spiritual forces and they use people to do their dirty work. I have been doing this for 30 years I have been in this fight, and I am very mature but even I get attacked. I didn't know where it was all coming from at first but once I found out I knew I had to send them back and eventually this storm will blow over and I will be back to square one again. That is what the attack was all about. On Wednesday I got up and the Lord directed me to have this conversation. It might not look like much but see we are educating ourselves there are things that I don't know. Like I said, this is virgin territory for me, this is the first time Jeremy is here at church and I was wondering what are we going to talk about, well this is more important than life because now we are being set free from that attack. Hopefully, we will make it through somehow and get back to some normalcy, and get back to business again where I can read my Bible and things will make sense and I can praise the Lord and worship Him in spirit and truth. During all that I sang songs but I didn't feel them.

Jeremy speaks: It all adds up. (That is what he experienced too.)

Sam speaks: I'm sure you thought that it's your mom. What the devil will do is try to divert it somewhere else from where the real problem is, because she does not know what is going on, neither did we. We thought that Jeremy will not have to go through all that being fresh out of the box of being a Christian, but that spirit does not care, he is after this whole camp now, he is after the three of us now. That spirit was so strong that it was overriding everything that I said. I could not encourage you, I tried to but it didn't work, I probable needed encouragement too, cause I felt the same thing. It wasn't until the next day around 2 pm that it started to lift and we started

seeing spiritual sunlight again and we could actually breathe a sigh of relief. The devil never gives up and he is after us and wants to keep us from going into the next chapter, and the next chapter is a glorious thing. We are going to set a lot of people free, these colonies they are involved with this false baptism. That is why the Lord told me to start up a website and write these books and send them out. We don't use our own brains to send them out. About a year ago He moved on me to send Esther from Greenwald some books because she grew up at the same colony as me and she used to come along with me at harvest time driving a combine. She would come along and they know what I am about, we would sing gospel songs. Then the Lord brought her to my heart here a year ago to send her some books. I was putting it off for about a month and then He put her before me again and I knew that it was her. I told you about her and that she is an albino. They are kind of under trodden or looked down on. So eventually we sent her some, Jeremy asked me here if I sent Esther some books and actually, we did.

Now, this ball is rolling and in the meantime, Jeremy, he leaves here. In the morning when I woke up the Lord let me know what the Lord has for Jeremy and that is for him to go back and tell people what wondrous things that the Lord has done for him. The only thing that I got is when Jesus cast out the demons in that one man and he wanted to follow Jesus and Jesus said to go back and tell what wondrous things that the Lord did for you. That is what I saw Jeremy doing and he is going home to tell his family the wondrous things that the Lord has done for him, and of course, he got into this conflict with his mom and he feels insignificant like he didn't really do anything, but I tell you what, he did, he got that ball rolling. He did exactly what the Lord wanted him to do, he went back and

told them the wonderful things that the Lord did for him. They might not see it as such, but there are two battles going on, this Hutterite spirit, and then the testimony that Jeremy left there. I don't know word for word what you told them but that is what happened. You were out doing you're thing, you were about the Lord's business, that is what I'm trying to say.

Lorraine speaks: That's the thing when you do something for the Lord the natural man will get no glory. So oftentimes you will feel humiliated, you will feel like you didn't do anything.

Sam speaks: What the Lord will do is make sure that you don't get a big head. In Jeremy's case, he went back there and he got the job done if he knows it or not and the Lord was happy. In the meantime he never ran into that kind of an issue, mom is doing this and that. I don't know all that he went through he can tell it if he wants to. He thought he wasn't significant but you did exactly what the Lord wanted you to do, whether you like it or not, or if you believe it or not. You went there and told them exactly the glorious things that the Lord has done for you, and what happens now God has planted a seed. That is what the devil was trying to stop, that is what he was trying to take rob from us, but in meanwhile, the Lord puts the message in, and there it goes to Greenwald. As time goes on people will become interested when they will see that their kingdom is falling. They see the situation in the world and when all Hell breaks loose God will have someone that has something that is real. What are they going to do - they are going to look for something that is real.

These books are a living organism, they are living waters, they are the meat in due season. That is the only thing that the Hutterites are going to accept is this truth. This charismatic world out there the real Hutterite is never going to

accept it, there are some genuine people there. They are never going to accept that charismatic thing and they are tired of that Hutterite thing because they know that it does not work, it does not deliver. That preacher can't do anything for them. That is what is going on because I got up Tuesday and you felt you needed to go back home, and I knew that you were on a mission. I didn't know how you were going to make out. You were on a mission to let people know the wonderful things that the Lord did for you and you got the ball rolling and in the meantime, we get attacked big time from the very people that we tried to help. Like I'm sitting at the table and I was wonder where that demon would go to, but I knew that he is going to go somewhere and he went down to Kenneth. He is a prime target for that demon because he is doing everything that he can to destroy us, so the devil uses him. Ernie wasn't so deadly I saw him walking around like a packrat or something but it was that Kenneth spirit. If you know Kenneth and I know him he is a trouble maker.

When I took Lorraine along trucking he went around telling people that the reason that he is not longer fellowshipping with me is that I picked up Lorraine and he does not agree with our lifestyle, as to say this is a shacking up thing. This is something that the Lord put together. He went to these Hapsaba people and poisons their mind and I just happened to be down there about two weeks after I picked you up for some parts and those people didn't want to talk to me. He succeeded in poisoning them. They won't even invite me home for dinner, usually, they would invite me, and here they could not get away from me fast enough and I found out why later on, that Kenneth poisoned them against me. Then he gave that same impression to that Lyle group, poisoned their mind, wherever he could he tried to make

himself look good and make us look bad. In order, to make himself look good, he has to make us look bad, like we are these lowlife people, when it's the opposite. So in doing that by telling people a lie, he opened himself up to the devil. That is why we got this attack. If we would not have been fasting, pure water and that is the only way we could defeat it.

Jeremy, you are probably being set free as we are talking, last night and even this morning it still captivated you, it was such a horrible attack. You didn't even know where it's coming from but I knew that it was coming from that demon. How did you, Lorraine, realize where it was coming from.

Lorraine speaks: I just felt the attack and all these thoughts came and the Word just gets taken from you, even what you believe what brother Branham and brother Jackson brought out. It just looks like everything is erased and you are in this storm you don't see anything and you don't know what is going on. The most prominent that I felt was someone was trying to rob me of what I have in the Lord.

Jeremy speaks: That is exactly what I felt too.

Sam speaks: You felt the same thing, and you lose your desire to go to church, I don't want to have this conversation, but I knew that I have to do it. I am not going to be intimidated by the devil.

Lorraine speaks: It is hard to know what you are going through when you never experienced these attacks before. The next time you are going to go through these attacks from the enemy, you will be able to identify from where these attacks are coming from and compare it with this episode and you will be able to defeat it better. That is what the Lord spoke to me - It's a growing time. Something that you need to go through to know what the attacks of the enemy are like, so that the next time the enemy forces come you are able to

realize what it is and defeat it by identifying from where they are coming from and by the Word of God. Sometimes they come from different angles usually it's associated with what is currently happening and the people that you are dealing with now. Like you were dealing with Ernie and Ernie is in cahoots with Ken. Ernie, he does not have that ability There's always a spirit behind it, that demon used Ken, and Ken uses Ernie, by putting ideas in his head.

When we dropped those books off we had a very good day and I even told Sam that morning it is such a good day to be alive and to praise the Lord. That day we drove down to Plum Coulee to pick up some stuff and we thought we would drop off some books at Ernie so drop off that book - Take Heed. It was just a day that the Lord had ordained, that is all I can say, everything went so smoothly.

Then the next day I felt something was resonating with those books that we dropped off and I couldn't figure out what it was because I didn't know you. I thought maybe it's Ernie, maybe those books are doing something to him, but when you email us with that email we realized that that book - Take Heed, was for Jeremy. Ernie, he in his evil intentions he called you over to give you that book because it talks about Greenwald and your grandfather, Sam, but the devil's objective was to turn you against Sam and me here because the devil knows that this is where it is at. This is ground zero.

This is where it is at, this is the channel that God is working through - brother Branham, brother Jackson and now here. It is just that simple it is not to build up anybody but to give glory to no one but the Lord Jesus Christ. This is the channel that God had through Jesus through the angel.

Ernie, he wanted you to turn against Sam by giving you that book, then after a while, he started to notice that you

were taking interest in that book so now he wanted to get that book away from you. That was the devil's objective then.

First, it was to turn you against us here, and then once he noticed that it was backfiring, because he saw you were interested, he took that book away from you. In all that it got you more interested so you went home and in your desperation, you found that website and listen to it. God was able to reveal it to you, and out of desperation you cried out to Jesus and those words became like a living water, you could understand everything we were saying, that experience was real and that is something that no one can take away from you. That is what the devil was trying to rob you, from that experience with the Lord Jesus Christ.

Jeremy speaks: Yes, pretty much. That is exactly what happened.

Sam speaks: Now it is all starting to make sense. I didn't know that all this is involved. Like the song says - I can't even walk without you holding my hand. You think that you can be this number one guy. I'm saved now, I'll be this number one guy, I got it all together - *I thought number one would surely be me, I thought I could be what I wanted to be. I thought I could build on lives sinking sand, but I can't even walk without you holding my hand. Until I made Jesus my all in all until I realized on His name I call.*

Lorraine speaks: That song was inspired this couple was going through a very tough time, such a trial and they sat down at the piano and the Lord gave them those words and they wrote this song.

Sam speaks: Here this guy thought he can be this big guy on the block and he realized he can't even walk without Jesus holding his hand.

Lorraine speaks: It says in a hymn - the battle is His and victory is mine and victory is sweet. Once you realize where that battle is coming from then victory is yours. That is how it works.

Sam speaks: Yes, we were having a great time after it all lifted. Everything was back to normal again. I can read my Bible and praise the Lord. We had the victory we sent those forces back, I could not do that on my own. It has to be the Lord that shows us. What that whole thing was about is Jeremy got that whole thing rolling; that colony ball. He does not know it, it might take weeks it might take months, but all of a sudden they will want these books. They don't know that in these books is that living water and they will do the same for them. They did for Jeremy when he read it and listened it became real to him, it became a living thing. It is not our words, we are just doing what the Lord wants us to do. This is that living water and it has an effect on people. We sent thousands of books out but it wasn't until Jeremy got that thing rolling that all of a sudden it will open up to them. Right now to them, it is just a book, just entertainment for them, they pick up on the negatives but you watch how they are going to start taking an interest and do what they are meant to do. It says that God is going to send a hunger and a thirst for the living Word of God.

You might think that you didn't do much but why would the devil attack us so much because you got that ball a rolling and you can't stop it now. Like you said, you couldn't understand your Bible anymore, everything was dark and nothing made sense but it was all about trying to rob us and steal what we have but it is a good fight once you can look back and know what its all about. What was that all about and

you can laugh at yourself. Did you want to say something Jeremy, how did that demon get into you.

Jeremy speaks: I can think of two occasions that I can think of. It is hard to say, one time I was doing these drugs, and one time I was sleeping and this black thing comes at me, and I remember I was in fear. I don't know if it entered there or if it entered when I was doing those magic mushrooms.

Lorraine speaks: That was that demon that I felt when Sam told it in Jesus name you have to go, I felt the effect of that demon.

Jeremy speaks: Ya, that is probably the same thing, at that house, that fear that I felt. It was a paralyzing fear. I remembered I told people on the colony and they looked at me as if I was crazy about a month or two. Ya, it was a real experience.

Lorraine speaks: It confirms everything, sometimes you almost think that you are crazy when you experience these things but when you talk these things over and the other people can identify with it then you realize that this is real. It is God allowing us to walk through it that we can have confidence that these things are real.

Jeremy speaks: They are spiritually blind, they won't understand spiritual things only spiritual people understand these things. I can see it.

Sam speaks: As I said - by the mouth of two or three witnesses let everything be established. People don't believe us the devil has people blinded, but here we have three witnesses, strong witnesses. I was in my bedroom and I heard Jeremy cough, then I heard some commotion here. Then I saw this demon and I said in Jesus name you will have to go, in Jesus name you will have to go. I didn't even have to say it out loud, just in my spirit, and he got scared of Jesus name,

you know what I'm saying. Jesus said in my name go and cast out devils. We are doing it in His name and then that demon had to go and it disappeared from here. I didn't know until the next day we were sitting at the kitchen table talking it over and Jeremy he thought we were talking about him, I was trying to make sense of it all. Am I imaging this all and I said Lorraine did you experience anything last night, and you kind of didn't want to touch on it, and I said - I had to cast this demon out of Jeremy. Then you said - Oh, that is what it was. What did you experience.

Lorraine speaks: I heard voices and felt the effects of this demon, this fear, it was such a fear that it paralyzes you.

Sam speaks: That is three witnesses it is the truth. It is more real than that door is over there. That spirit world is the real world everything here is phoney it is temporary. That is why Daniel said those people that know their God will do exploits. The only way that I can do that is through Jesus and I saw that demon it was an ugly sucker but it didn't intimate me. I've done this so much. Sometimes I can feel these demons close by I feel the hair at the back of my neck start to go up, but I just say, in Jesus name, and that demon has to leave.

Lorraine speaks: Sometimes when you go to places there are certain places you feel that you don't belong there. I need to get out of here.

Jeremy speaks: Ya, there is an evil presence there.

Sam speaks: Not long ago we were down at the bank and I parked my car and there was this big fat lady sitting in her van and I go in my car and she got out of her van and started swearing at me. I knew it was the devil because we had done some spiritual warfare we made some

breakthroughs and we got the devil mad and he expressed himself through that woman.

That spirit world is a real-world but it is a piece of cake for us, we have been seasoned out for that. We talk about these things and we are ready for the next chapter. I never dreamt of this you feel you are not ready, but apparently, you are because the Lord puts you in the fight. Then Jeremy is just fresh out of the box and he goes down and had an encounter with the family, but really where it all originated from those attacks was from Ken, from that demon. These demons they do not like to be defeated and he uses Kenneth and he doesn't even know it, he thinks he is a Christian and he can use him because of the lies that he spreads about us. He thinks that he is doing God a service but guess what the devil can do anything with him, he can convince him of anything. Then it leaves an effect with you like you can't even read your Bible.

It will come back that is just how those attacks from the enemy work.

*Heavenly Father we just had a conversation around your Word, we just ask to take what has been said, cover us with the blood of Jesus, we pray for Jeremy, Lord that you will inspire him and ignite in him a fire and a passion and a boldness to do what you have hued out for him to do before the foundation of the world. You created him and you saved him and predestinated him for a work for him to do. I just pray that he will find his place in Christ. Help him charge ahead full steam that nothing will stop him that he will always go on the offense and never allow himself to be intimidated for what you have for him, Lord. We pray the blood of Jesus over this home over ourselves and our family. Cover it all under the blood of Jesus in Jesus Christ's name we pray, Amen.*

I have a song here that I was singing during the night,  
sometimes a song comes to me you are kind of half-awake  
and half-asleep.

### *ICH WEISS EINEN STROM*

*Ich weiss einen Strom,  
dessen herrliche Flut  
Fliesst wunderbar stille durchs Land  
Doch strahlet und glänzt er wie feurige Glut  
Wem ist dieses Wasser bekannt?*

*O Seele, ich bitte dich, komm  
Und such diesen herrlichen Strom  
Sein Wasser fliesst frei und mächtiglich  
O Glaub's, es fliesset für dich.*

*Wohin dieser Strom sich nur immer ergiesst  
Da jubelt und jauchzet das Herz  
Das nunmehr den köstlichen Segen genießt  
Erlöset von Sorgen und Schmerz.*

*Der Strom ist gar tief  
und sein Wasser ist klar  
Es schmecket so lieblich und fein  
Es heilet die Kranken und stärkt wunderbar  
Ja machet die Unreinsten rein.*

*Das Wasser des Lebens, das ist diese Flut  
Durch Jesum ergiesset sie sich  
Sein kostbares, teures und heiliges Blut  
O Sunder, vergoss Er für dich.*

*"Wen dürstet, der komme und trinke sich satt"  
So rufet der Geist und die Braut  
Nur wer in dem Strome gewaschen sich hat  
Das Angesicht Gottes einst schaut*

That goes in line with - To him that is athirst let him come, whosoever will. The spirit and the bride say come. *"Wen dürstet, der komme und trinke sich satt"* So rufet der Geist und die Braut. We are living at the end of the Grace Age, the coming of the Lord. It is going to be a hallelujah time, nothing to worry about, you are going to get a few attacks now and then but whatever it takes I'm not backing up.

Lorraine speaks: Neither am I, I have nothing to back up to.

Sam speaks: That is my thought, I didn't make it up, I didn't even have a script. I had a couple of scriptures - the one in Jude about pulling him out of the fire, and the one - the spirit of the Lord is upon me. Sometimes you have to go out of your way to help a person. This is an S.O.S, a desperate call for help, somebody is desperate, and out of desperation my spirit picked it up. We have to go on the move we have to go that extra mile and do whatever it takes because the devil he does not want this to happen. It is a good storyline, it will help a lot of people.

There are a lot of people that are caught up in that and the Lord lets us go through that to help someone else. We have been beating our heads left, right and center with all the books we send out and all of a sudden Jeremy gets ignited by this book, this living water, and it does something for him, and he goes back and tells his family the wonderful things that the Lord did for him. He though all hope is lost and you almost feel that you didn't do a thing but you got the ball rolling, and

that is the man thing. That is the way God works. That woman at the well she set that whole town on fire. We don't do much but we are just obedient to the Lord. Every time the devil attacks you, you know you are doing something. You are taking away his turf and he has a lot of people in these colonies deceived and they don't even know it - alcohol, witchcraft, false baptism, and only the Lord know what else. It is all in these books all these experiences are in these books if anyone wants to know. I can't listen to myself but here it is not really me. Ya, you have my voice but it is not my thoughts. The thoughts they come from Heaven. They go through my thoughts and my voice brings out the thought that God puts on my mind to speak. Sometimes it does not make sense to me but after about a week or two it starts to resonate. It comes from God and goes to Jesus, to that angel, then it goes through my lips then to that tape recorder, and then it goes on the internet and around the world. That is how it works. When you read the fine print it says His water, it is not my water. Come and drink out of the waters of life freely. It is not mine because it does not originate from me. I am clueless what God has next, I'm just a transmitter. I am transmitting what God puts on my heart and mind to speak. I hate this idea of being a preacher. I never did go for that preacher thing. That is all that brother Branham was, it is impossible for a person to come up with the things that he came up with, the same with brother Jackson. They were just transmitting what that angel told them. *Revelation 1:1*

*The Revelation of Jesus Christ, which God gave unto him, to shew unto his servants things which must shortly come to pass; and he sent and signified it by his angel unto his servant John:*

The revelation that God gave to Jesus to give to the angel to give to Brother Branham to give to these churches. It is a simple program. That is how you can't be deceived, when you know that that is how God worked through. God gave it to a vessel that He could trust, and He gave it to brother Branham. Then we went through this test after brother Jackson left the scene and the Lord took us through a test just like in the days of Gideon when he took those men down to the water, to test them, we went down to the water so to speak and God is going to see who He can entrust with the things that we have been taught and carrying on from there. We all got tested, and He only found two of us that He could trust and I am not blowing my own horn either, I know what I had to go through, and I have no horn to blow. The minute you think you have you can forget about being number one. It is all about Jesus Christ.
