

What Heaven means to me.

1. A country where no twilight shadows deepen,
Unending day where night shall never be.
A city where no storm clouds ever gather,
Now, this is just what Heaven means to me.

CHORUS:

*What will it be when we get over yonder
And join the throng upon the glassy sea?
To greet our loved ones and crown Christ forever,
Oh, this is just what Heaven means to me.*

2. And when at last we see the face of Jesus,
Before whose image, other loves all flee.
And when they crown him Lord of all I'll be there,
Now, this is just what Heaven means to me.

CHORUS:

3. A place where there is no misunderstanding,
And from all enmity and strife, we're free.
No unkind words to wrong the heart are spoken,
Now, this is just what Heaven means to me..

CHORUS:

I see a crimson stream of blood

*On Calvary hill of sorrow
Where sin's demands were paid,
And rays of hope for tomorrow
Across our path were laid.*

*I see a crimson stream of blood.
It flows from Calvary,
It's waving which reach the throne of God,
Are sweeping over me.*

*Today no condemnation
Abides to turn away
My soul from His salvation,
He's in my heart to stay.*

*When gloom and sadness whisper,
"You've sinned-no use to pray,"
I look away to Jesus,
And He tells me to say:*

*And when we reach the portal
Where life forever feigns,
The ransomed hosts' grand final
Will be this glad refrain.*

This is what it cost God to purchase our salvation, the shed blood of Jesus Christ. There are no substitutes. We are going to talk about Traditions and Religion versus Christianity and Biblical Truths. The difference is like day and night. When you sing these songs you know what it cost the Lord to

purchase our salvation and then people they substitute it for religious ideas. That is why it is important to have this conversation because the difference is like day and night when you look at it in the light of reality.

On A Hill Called Calvary

*1. On a hill called Calvary,
Jesus, my Lord, suffered for me;
Carried the cross on that day, my sins to atone.
Then they nailed Him to the cross;
Great was the pain and the cost.
And he suffered it all,
Because he loved me.*

Chorus:

*Because he loved me, my Savior died,
On the cross was crucified.
No greater love, by mortal man, has ever been known.
Oh, praise His dear name, I love him so.
I am his, he's mine I know.
And he suffered it all,
Because he loved me.*

*2. Then they carried him away, placed him in a lowly grave.
Surely they thought that this would be, the end of this man.
But on the third and glorious day,
God came and rolled the stone away.
And he rose from the dead,
Because he loved me.*

Heavenly Father we want to stop and look into your Word, you know the things that you put on my heart, I pray let me say it in such a way that people will see the picture between religion and true Christianity, we ask these things in Jesus Christ's name. Amen

This is my thought for today the Lord has been dealing with me on this topic: Religion versus Christianity. We are going to go to *Mark 7:13*

1. Then came together unto him the Pharisees, and certain of the scribes, which came from Jerusalem.

2. And when they saw some of his disciples eat bread with defiled, that is to say, with unwashen, hands, they found fault.

3. For the Pharisees and all the Jews, except they wash their hands oft, eat not, holding the tradition of the elders.

4. And when they come from the market, except they wash, they eat not. And many other things there be, which they have received to hold, as the washing of cups, and pots, brasen vessels, and of tables.

5. Then the Pharisees and scribes asked him, Why walk not thy disciples according to the tradition of the elders, but eat bread with unwashen hands?

6. He answered and said unto them, Well hath Esaias prophesied of you hypocrites, as it is written, This people honoureth me with their lips, but their heart is far from me.

7. Howbeit in vain do they worship me, teaching for doctrines the commandments of men.

8. For laying aside the commandment of God, ye hold the tradition of men, as the washing of pots and cups: and many other such like things ye do.

9. And he said unto them, Full well ye reject the commandment of God, that ye may keep your own tradition.

10. For Moses said, Honour thy father and thy mother; and, Whoso curseth father or mother, let him die the death:

11. But ye say, If a man shall say to his father or mother, It is Corban, that is to say, a gift, by whatsoever thou mightest be profited by me; he shall be free.

12. And ye suffer him no more to do ought for his father or his mother;

13. Making the word of God of none effect through your tradition, which ye have delivered: and many such like things do ye.

It's traditions and religion versus Christianity and Biblical Truths. I have to bring in Biblical Truths because my brother told me one day: In the colony, everyone is a Christian. In today's world you have to have the language right. If in the colony everyone was Christian you couldn't really say: religion versus Christianity. You have to bring out Biblical Truths because tradition and religion is Satan's counterfeit. We see it in its simplicity because we see the picture. It is pretty hard for people to see it that are in a religious system, they think whoever thinks contrary to their way of thinking is lost. Jesus said: your traditions have made the Word of God of none effect. Tradition is really just satan's counterfeit for Christianity.

When God does something Satan is right there to try to counterfeit it. You can see what happened in the garden, and going to Cain and Abel, Cain was from that wicked one and had absolutely no spiritual understanding no matter how you look at it. When he brought the fruits of the field as a sacrifice he brought what was best to what he knew. Abel knew what it was all about and he brought a lamb and God had favour on

His offer. It is the same today God does not care for tradition. I know because I was caught up with it. When I was it that Hutterite system, I even thought it was a sin to go to Winnipeg on a Saturday. That is how religious I was. I was caught up in it and when you are caught up in it Satan will try and make sure that you remain caught up in it. It is a blinder. When we talk about it they think we are out to get them. We have to do what the Bible says *Ephesians 5:9-11*

(For the fruit of the Spirit is in all goodness and righteousness and truth;)

Proving what is acceptable unto the Lord.

And have no fellowship with the unfruitful works of darkness, but rather reprove them.

That is our mission to expose these things, you would think that the unfruitful works of darkness are really going down to the bar, it has nothing to do with going down to the bar, there is more to it than that. We are not out to destroy or to talk bad about someone but rather to expose the things that Satan uses to lock people up. In the other translation, it says but rather expose them

For it is a shame even to speak of those things which are done of them in secret.

But all things that are reproved are made manifest by the light: for whatsoever doth make manifest is light.

This is all we are doing we are exposing that religious system for what it really is.

That is our mission to expose that system for what it really is. When it is dark there are a lot of things that you don't see, but when the sun comes up and you have a light you see things like garbage laying around, things that you did not see when it was night. That's what we are doing we are exposing this Hutterite thing. How diabolic organized religion is. We

focus more on that Hutterite system because that is the group that we come out of. Like I say, when you are caught up in it you really don't see it.

Next, I want to go to *Ephesian 3:1-7*

1. For this cause I Paul, the prisoner of Jesus Christ for you Gentiles,

2. If ye have heard of the dispensation of the grace of God which is given me to you-ward:

3. How that by revelation he made known unto me the mystery; (as I wrote afore in few words,

4. Whereby, when ye read, ye may understand my knowledge in the mystery of Christ)

5. Which in other ages was not made known unto the sons of men, as it is now revealed unto his holy apostles and prophets by the Spirit;

6. That the Gentiles should be fellow-heirs, and of the same body, and partakers of his promise in Christ by the gospel:

7. Whereof I was made a minister, according to the gift of the grace of God given unto me by the effectual working of his power.

The mystery is that God gave grace to the Gentiles. We know what that means, who created all things by Jesus Christ, everything was created because of Jesus Christ. Jesus was not there at the beginning of creation, but everything was created with Jesus Christ in mind. God knows the beginning from the end He knew what will happen with the angels and He knew man would fall that is why Jesus Christ is the center focal point of the universe. That is why we should never lose sight of who Jesus is, because if you lose sight of Jesus and who He is you are going to go toward this religion and traditions and use them as a substitute. That is why you

always have to go back to Calvary to really see what it cost the Lord of glory to purchase our salvation. Once you see it you are not going to substitute a religious idea or dress code or anything like that. Everything is based on Jesus Christ. That is what Paul did, that was his mission to tell the Gentiles the unsearchable riches of God in Christ Jesus. Ephesians 3:

8. Unto me, who am less than the least of all saints, is this grace given, that I should preach among the Gentiles the unsearchable riches of Christ;

9. And to make all men see what is the fellowship of the mystery, which from the beginning of the world hath been hid in God, who created all things by Jesus Christ:

10. To the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God,

11. According to the eternal purpose which he purposed in Christ Jesus our Lord:

12. In whom we have boldness and access with confidence by the faith of him.

Paul said that after our departure grievous wolves will come in not sparing the flock and we know that in no time Satan had infiltrated Christianity. We know that the Grace Age which is the kingdom of heaven is made up of 7 church ages.

First of all, we have to realize who we are, we did not do this program on our own, I did not wake up one morning and decide that this is what I was going to do. This is something that the Lord before the foundation of the world created me for, to say what I see in the scripture. This is what He has called us to be, we are that church, in this end-time there has to be someone that understands something, sure there is just the two of us here, this is all God needs to prove to the

principalities and the heavenly realm the unsearchable riches of God.

We have to have these conversations, I can't quite explain it, but we through having these conversations prove to the principalities ***the manifold wisdom of God***. There are angels out there and there are demons out there, and these demons are listening in but you see we have their number. We have to prove to them that we are not ignorant, we are down here and we know what they are about and they don't like to hear these conversations because it exposes them and their tactics.

They are like the Democrats in the USA, they like to twist the language that is why it is important for you and me to stay with that Word because we are that end-time people that believe and are still with that original Word. We still have not watered down the Word, with perverted ideas such as the 2 days are done or we are in the 3rd day. We are still standing with that undefiled Word of God. Our revelation of the Word of God is crystal clear.

We see the importance of these feasts, we see the importance of the 2nd feast of staying with unleavened bread. How important it is for you and I do not go along with the twisting of the scriptures, and leavening that bread. We have explained that topic in another message how important it is for you and me to stay with that undefiled Word of God. When we examine our whole conversation it is always based on staying with that undefiled Word of God, and to keep it that way to keep it clear, and the reason we have these conversations is to prove to the principalities that we are not ignorant, we know what is going on. We understand the program of God and we can go back and examine ourselves to see if we are still part

of that true church of the living God, and we can prove to the principalities the manifold wisdom of God.

Eventually, people are going to listen in because He said that in the end-time He is going to send a hunger for the Word of God. There are people that will know they will be able to discern what is right and what is wrong.

You can see it in America today, the natural types the spiritual and what is going on in America also types what is going on in the church of the living God. We know that there shall be light in the evening time. The sun is rising in America all this corruption is being exposed and there is nothing anyone can do to stop it. God is the one behind it and He is going to expose all things. You can't stop the sun from coming up in the morning, it just happens, and that is the way it is with these things, there shall be light in the evening time. It is not only happening spiritually but it is also happening in America because America is still God's nation. When you read it the other day what it says in George Washington's vision and it really caught my attention what God's intent is for America. When you analyze what's going on in America these Democrats are a tool Satan uses to destroy America and God is using the true conservatives to expose these things. The same way He raised up Churchill to defend Britain against Germany, so has God raised up Donald Trump to expose this fake media and to turn America around. *"Let every child of the Republic learn to live for his God, his land and union"*. This is what the angel told George Washington. That is what God has for America and is what God is looking at, in spite of all the corruption. When everything is going to be said and done with, the United States of America is going to stand, the way God is looking at it, it is going to stand free with that Constitution. It is not going to be about transgendering, etc.

That is down as far as the Lord has allowed it to go under Obama. He let the darkness creep in and now God is reversing course. He can only let it go so far according to Ephesians 1 when He had that great council with himself, He is going to make sure that that council is going to be fulfilled right to the T. He lets things go so far but He also knows when to put a stop to it. If there was no God in Heaven, Satan would have had this planet destroyed 10x over. That is why He lets him go so far and that is why people believe that there is no God because He still has to give mankind a choice and at the end of the day He shows up. If God would not have interfered with Hitler, who wanted world dominance, and let's say that there was no Churchill, then nothing would have stopped Hitler to overtake that whole European world. It was Churchill that was anointed to stand up against these evil powers. God raises up specific people and nations to do His will. Like it says in *Ephesians 1:11*

In whom also we have obtained an inheritance, being predestinated according to the purpose of him who worketh all things after the counsel of his own will:

God is going to make sure that everything will go according to the counsel of His will.

Having made known unto us the mystery of his will, according to his good pleasure which he hath purposed in himself:

That is the dispensation of the fulness of times he might gather together in one all things in Christ, both which are in heaven, and which are on earth; even in him: Ephesians 1:9 & 10

In another translation, it reads that God is going to make sure that His council is going to come to pass exactly as He planned it. Satan is allowed to go so far and do certain things,

like in America he was allowed to use the Democrats; the Obama administration, to bring America almost to the brink. I had a vision where I saw Obama and his hand was cut off and that is as far as God allowed that Obama to sink America. Everything that is perverted he brought on in America. What he brought upon America was unheard of, but God only allowed it to go so far, and the reason being He wanted to fulfill His Word; His council that He had with Himself back before there was anything created.

I don't want to get off the topic but I just want to show you what tradition and religion compared to Christianity and Biblical Truths. You can see it in the natural with what is going on in America how the Democrats want to destroy the Constitution and how the true Conservatives are rising up to expose what the Democrats are doing. That is what you and I are doing here we are exposing the unfruitful works of darkness, and the unfruitful works of darkness are tradition and religion.

When you are in the system they are so brain-washed that they think that we are committing the unpardonable sin, saying something against that Hutterite thing, that so-called 'gemeinschaft'. I have been interrogated by them many times. They were trying to prove that their way of life is it, but I pinned them down with that very verse. It says: all those that believed had community of good, and you cannot have community of goods if you are not a believer because it is a communistic system. When you confront them with the Word of God they just look at you with a blank stare, they have nothing to fight back with because you hit them with that Word. How can you have community of goods with unbelievers when the Bible is against it. What we are doing is

exposing it and helping people see it for what it is. We are exposing that religion versus true Christianity.

You have to bring it down into today's society and zoom in as we did in that message about Nimrod and that tower of Babel. There are still towers being build. Then about the mother of the sons of Zebedee, she wanted one of her two sons to be the right-hand man and the other son the left-hand man. All these things are carnal ambitions and are things that we have to deal with, and take them to Calvary because Jesus is the only one that can tame that rebellious nature. What we are doing is zooming in to what is happening today in our time.

I was thinking about you all week when you were a young girl you wanted to know God and you subconsciously deep in the heart of your soul you said you wanted to know God. What we have to do is bring it into the now. When I read my Bible and I read about what Paul went through, I saw something and it really stuck out to me. *Philippians 3:10*

That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death;

Over everything that Paul had done he knew that there is something that he is still missing. When I was back in the colony I knew that there is still something in my life that I am still missing, I knew there is still something lacking and that is what Paul felt, and I wanted that too and that and you wanted - to know God.

Lorraine speaks: When I saw the tradition and the religion on the colony and I saw the oppression of putting people into 'ausschloss and unfrien', and how they suppress people with fear and I knew that that is not who God is. I knew the difference between the love of God and how I could see

God as a child. He was a God of love, He was not the God that the Hutterite preachers portrayed to the people. I knew that oppression is not of God; fear is not of God, I knew that God loves people and He does not want people to live in bondage.

Sam speaks: Somewhere you did something, you said something that touched the heart of God. That you wanted to know His Word and you wanted to know God. God heard that. There are billions of people out there; there are a lot of girls out there and you decided that you don't want to go down that marriage thing; you did not want to go down that path and He saw that and He supernaturally moved you on when you said from the heart and that is the only thing that God hears, He does not hear lip service. He saw you and he heard you make that initial decision, a determination in your heart that you don't want that Hutterite thing; you did not want to get old and bend out of shape, and you did not want to go down that path. You wanted what Jesus had for you. You even told somebody that you want to follow Jesus. God heard that and that is why you are where you are today. Simply because you made that initial decision, that you did not want to go down that path.

I was thinking about that during the week my daughter Karen she was going out with that guy from Treesbank, anyhow she was communicating with him - nowadays they text back and forth, and I guess she was trying to convert him or something. I don't know how long she was corresponding with him, of course in the back of her mind like every girl is, I will try to convert so I can win him. I don't know how far it went but I guess one day she found out that he is more interested in someone else, and I guess she felt a little jilted and heartbroken about it. I was just driving back from Saskatchewan and the Lord moved on me to let her know that

there is only one person worth giving your heart to, and I told her: Karen there is only one person worth giving your heart to and He will never break it and that is the Lord Jesus Christ. I felt in my heart that she was going through a tough time with this guy being more interested in someone else. I am not a dictator, I don't dictate to people what they should and should not do it. I didn't dictate to you what you should do or not. I did not even know that you existed prior to 2005, so I was kind of trying to direct her not to get caught up in this guy thing. This Hutterite marriage thing, in this end-time it is best to not get caught up in that, because God is changing the tide of events. Anyway, I text her and I give her that song:

*Mein Gott, wenn soll ich lieben,
allhie auf dieser Erd',
dass mich nicht tät betrüben*

If you read that song over you kind of lose all your attention from this Hutterite marriage and falling in love thing. This falling in love and that romance is really not of God. I can prove it to you too, it is what the devil is using to lure young people into this utopian prince and princess type fairytale marriage thing, it is not real. Jacob loved Rachel more than he loved Leah and there is this love thing and romance that he had for Rachael. It is Leah that is buried beside Jacob and the tribe of Judah comes from.

I talked with Karen about it and I'm sure she had battles with it and then I heard that she had a boyfriend down at Huron, and she chose to go that Hutterite marriage direction. There was nothing I could do, that was her decision. What you and I have, is a voluntary thing. I voluntarily decided that I wanted to follow Jesus. I saw through that Hutterite thing for what it was. Sure, I had it made, I had a good job and everything. I had so-called security. There is a certain amount

of security in that system, but I wanted something more: *Oh that I might know Him, the power of His resurrection and the fellowship of His suffering.* Eventually, the Lord took me out of there, He used these religious tugs like J.K. and all of them to get me out of there, but if you sit back and analyze it all it is just God's way of moving you on. Like I say, these young people do not know that God has something better if only they could make that voluntary choice. This is all voluntary God doesn't twist anyone's arm. He sits back, He might bring circumstances into your life; He might let you see things hoping that you would choose Him over everyone and everything else.

Karen decided to get married to a guy from Huron, and I was getting up in age and I wanted someone to hang out with and of course, I thought of my daughters. I gave Karen a chance and then I asked Jennifer if she would stay with me and I would take care of things, I would get her a driver's license and a car and she wouldn't have to worry about anything. I guess she did not want any part of that either. That is how the natural mind thinks. I wanted one of my daughters and get to know them and stay with me and look after things. I didn't tell them to get rid of this Hutterite thing but she wanted to go down that path, and now she's got it. I don't twist nobodies arm I just make it available and all you have to do is choose the Word of God; choose Jesus, and distance yourself from that Hutterite thing and she could have what we have.

Before 2005, I did not even know that you existed I didn't know that there was a Lorraine. God knew all that, that I gave Karen a chance and I gave Jennifer a chance. I knew in my heart of hearts that when you leave that colony behind you leave with nothing. When I left the colony I left with nothing. If someone comes into that circle I believe they will be of the

same mind. My dad was telling people to burn their furniture. I know to some people that might seem like a strange thing to say but I know he wanted something more and that was just a way he expressed that. He had that group thinking, that Hutterite thinking, I know he would have loved to have what we have and I'm sure as time would have gone on he would have seen it too. He wanted to get rid of everything and start from scratch and that is the heart of God. He felt the need to get rid of all that materialism and that is what the Lord did He took me out of there with nothing. I did not want anything from them, I didn't even want to drink their water. It says: have nothing to do with the unfruitful works of darkness but rather expose them. When you left, you left everything back there and I didn't know but you felt the heart of God, and one day the Lord brought us together because you had a hunger for the Word. That is why we are hanging out together because of that Word because back there you made a decision. That is why we have it so good, the Lord supplies all our needs according to His riches in glory.

Lorraine speaks: I went over the Hutterite life in my mind and you can, practically, in your mind go over it step by step and you know what the Hutterite life all entails from the beginning to the end and I didn't want that I wanted something more, something that only Jesus could give me.

Sam speaks: God is faithful, and He didn't hand it to you on a silver platter.

Lorraine speaks: My brother asked me one day: what are you going to do are you going to get married and all that, and I told him: No, I'm just going to follow Jesus and see what He wants me to do.

Sam speaks: That's where it is at. I know that there are millions of girls out there and this is what they really want but

the devil gives them this substitute with this marriage and this nice young guy comes along but it is deception. If there could only be a way that you could relate that to them. If you choose Jesus He can give you more than you can handle, peace of mind, a future, eternity, all your needs are met, you don't have to worry about finances, you have a house, food and more than enough, and that is all credited to the decision you made to follow Jesus. If people could only see that.

We know that story about Mary and Martha where Martha was out there doing the natural thing and Mary all she is interested in is learning from Jesus, sitting at His feet, and wanting to know Him. When Martha started complaining and Jesus let her know: Martha you are putting a lot of energy into nothing, Mary, she chose the better part. That is why you are here because you made the right decision that you want to know Jesus you want to know God and His Word. You do not want this thing. That is how God tests people He puts both before you and you can choose one or the other. I had to choose: Do I want that carnal thing or do you want Jesus. I decided that I wanted to follow Jesus and that is why we have this understanding of the Word of God, and that is the most important thing to understand the Word of God. We understand and we are not defiled by leavening that bread, by changing this Word.

We did not understand at first what was going on when brother Jackson went off the scene. These preachers started to come out with teaching that was contrary to the Word of God. We had to step back and take a look at what was going on and what was going on was the perversion of the Word. We decided we want to know God years ago. We decided that we wanted to follow Jesus. I fell in love with the Word of God above everything else. I walked away from all that carnal

thing and that is why we were able to detect this false teaching that was going on after brother Jackson left. That is why we are where we are at today and we can truly say that we are that church; we are that body of Christ. It is what God is looking at even if we do not see ourselves as such.

We understand the 7 feasts and we know what the feast of unleavened bread is and how important these feasts are for the children of God and what they represent. How God has set types in the old testament they will cast a shadow until the time for the real event would happen. All the church had to do down through the ages is to hold on to that unleavened Word of God. The minute you see people changing things, water baptism in the father, son, and holy ghost is messing with the Word of God, and that is leavening that bread. We are being brought back to the original faith of the early church. When we received the revelation of water baptism by immersion in the name of the Lord Jesus Christ, we went and got baptized.

When you look at the 7 churches of Asia and the path that the church underwent we know that the last church age will come to perfection. We had to dig ourselves out of all that perversion of the Word when we dug ourselves out of that Hutterite system. Now the Lord is taking us back to perfection and that is why we are where we are today and that is why we have it so good. Can you think of anyone that has it better than you have it, can you think of anything that you would rather have. We have it better than Kings there is nothing that you would rather have. Simply because somewhere back there in your life you made a subconscious effort and decision, in the heart of your heart, in the depth of your soul, that you did not want any part of all that, and that you wanted to know the Lord and the understanding of His Word. That is why you are where you are today, it did not get handed to you

on a silver platter. That is the difference between religion and tradition versus Christianity and the undefiled Word of God.

Today there has to be someone around that has an understanding of this Word and it is you and I, we have a crystal clear understanding of the Word. You can go to our website and see what we believe and see where people need to be.

We know that there has to be somebody that has the real thing, true Christianity, and the intimacy with the Lord Jesus Christ. It is not all easy, He puts us on a strait and narrow path. I wouldn't want anyone to go through what I had to go through, but the Lord put me through that to teach me something, and like I said before: Everything that we go through in life is for our benefit. Had I not gone through all that I would not appreciate what I have now. When I look back I was treated like a vagabond, my daughter Jennifer was only a year old when I was terminated.

What I am trying to do is I'm trying to get the contrast between tradition and true Christianity and the undefiled Word of God - Biblical Truths. These are Biblical truths that we are talking about and not mixed up with tradition. I am not a religious person. Coming out of that system I had to force myself not to be religious, not to be caught up in this traditional, religious thinking. You have to stand before the Lord on a day to day basis. Blessed are the poor in spirit. I do not have an agenda; I don't have a program, I don't have anything on my own. Like the song says: *Lord I can't even walk without you holding my hand* and another song that says: *I don't know about tomorrow I just live from day to day, but I know who holds tomorrow and I know who holds my hand*. That is the life that I want, simply because: *That I may know him, and the power of his resurrection, and the*

fellowship of his sufferings, being made conformable unto his death. When the Lord heard my cry, He brought in these religious tugs; these religious leaders and I could not go along with them, I could no longer support that religious system. When you cry out to the Lord, that religious system is one thing that you can't support anymore. It has to go. I did not know that that was the route that I would have to go but the Lord had given me a dream and I saw myself walking down this valley.

You have to walk that lonesome valley you have to walk it by yourself, there is no-one there to walk it for you, you have to walk it by yourself. As I said, I would not want anyone to go through what I had to go through: A vagabond, losing your family, just when your family needs you, you are terminated, you are told that you don't have a family, that that family belongs to the Hutterite church, you don't have a wife - that woman belongs to us.

There are a lot of things that I did not understand but see what the Lord was doing He was putting me on that course because He heard my hearts cry: *Oh that I might know Him, the power of His resurrection, and the fellowship of His suffering.* I was not even able to watch my family grow up and that is just the way it is today, I know that the Lord will somewhere make it right. There is a song it says: *He will make everything right again.*

I know that this is what everyone is really looking for, this is what Paul was yearning for: That I might know Him. The Lord heard him and Paul had to go through a lot and eventually he had that intimacy with the Lord Jesus Christ and that is what you and I have, we have a day to day walk with Him. There is no-one that has it better than you and I have it. The Lord gives us more than we actually need. I didn't think

that I needed that new truck 2 years ago but He told me to go down and buy that new truck at Volvo from the showroom. People will think I'm crazy, why would God be interested if you buy a new truck or not but He did. He wanted to bless me because He knows that He can trust me and I will never let it get to my head and think that I am something special. That is why you always have to go back to Calvary to see who Jesus is and what it cost Him to purchase my salvation. It was not that Hutterite thing. There is no salvation in that Hutterite system. They are being let to Hell and death and they don't even know it unless God will do something for them. They are just as lost as the person off the street is.

The Lord wants to bless people but you have to meet the conditions so that the Lord can bless you. *Seek ye first the kingdom of God and His righteousness and all these things will be added unto you.* That is the added onto. We don't worry about money. Like the people we saw yesterday, they were worried about how much this cost and that. We don't worry about all these things.

The Lord has proven us, that we are faithful and that we are not going to use a substitute. We do not think we are something special. He put this thing together and simply because back there He heard your hearts cry: You wanted to follow Jesus: He heard my hearts cry that I wanted to know Him above anything else. That is all that God is looking for that voluntary decision. I did not tell you to leave your stuff in Skyview, your furniture, and everything. You did it on your own and here you come on board and you are doing the very thing that I thought someone should be doing, but I did not lay the law down; I did not legislate it. You did it voluntarily. That is how the Lord works. That is what I felt the Lord wants people to do and that is the very thing you did. That is moving by the

spirit. You didn't want any connection with that stuff back there.

I was thinking about Jennifer and if she comes into this circle which I hope and pray one day she might, she is going to have to leave all that stuff behind. Come in with nothing and that God can take that and bless you. Like when you left the colony you went down to the Brick and bought whatever furniture you needed. What more could you want then what you have. God gives the desires of our hearts, pressed down, running over. We can't even handle everything that He gives us. We have safety on the road, a job, a home, we have food more than we know what to do with. In fact, we are trying to fast and all this food gets in the way.

What it all comes down to is this: Tradition and religion versus, Christianity. Tradition and religion are going down to Hell and death. We have this intimacy with the Lord simply because the Lord heard your hearts desire, that you wanted what Jesus had for you. That is the difference between tradition and Christianity and between religion and the true Word of God. We are not playing a game this is something that the Lord brought us into.

That is why we are where we are today. We are going places where there is terrorism around us and people that hack into your accounts. Jesus is our safety, Jesus will look after our credit card. Look at what people have to go through to try to protect their finances so that no-one can hack their accounts and steal their money. When you put your trust in Jesus He takes care of all that. We can't even begin to try to protect ourselves. We have no worry about anything. All that is simply because somewhere back there you decide in your heart that you don't want this and that you want to follow Jesus no matter what. I from my heart of hearts I want that something

because when I read the Bible and that verse stuck out to me: *That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death;*

The Lord heard my cry and He put me through this suffering, He put me through this getting to know Him. We know God and how we know Him is through His Word. We know that He sent a prophet: William Branham. If I had not had that cry in my heart I would not know anything about the church ages. I would know nothing about brother Branham. I wanted to know God, that I might know Him. He works through these seven church age messengers. That's His program and that is His program for the Grace Age. You and I understand all that and it is on our website for anyone to understand. If anyone has a hunger and a thirst, they can see all that and the pattern that God has.

We know that for the Grace Age He had 7 church ages that would let us know the condition of each church age within the Grace age along with the 7 Parables of Matthew 13. These two men taught us from the Bible, brother Jackson went way back into the pre-historic world to get to know and understand God and He took me into Ephesians 1, when God counselled with Himself before there was an angel, way before there was anything yet created, we can go back there and know who God is and all that is because God heard my cry that I might know Him. To us, it is all crystal clear and we can go from eternity to eternity, because of the cry of our hearts, and in it all we got to know God.

We know what is going on in America, we know what is happening in Israel. The world is up in arms. We know at the end of the day what is going to happen in America. We know that God raised up Donald Trump. These Democrats are like

a bunch of locusts. When God decides to rise up and shake terribly the earth. We know that at the end of the day that constitution that God gave to the founders will stand. We know what God is looking at. What God is looking at in America is that people can live in freedom and be free to worship God. That is what America is about and that is what at the end of the day is going to happen. I don't know what God has for Canada. He just let me know the other day that Trudeau thing at the end of the day will work for His glory. All things work together for the good to those that love God and to what He is doing right now. He is testing people to see if people will rise up against this corruption. The difference between this corruption has to be so that it is a night and day difference. The contrast has to be there, that is why the Lord is allowing this thing, so people can decide on what they are going to support. There is good and evil; darkness and light. God has something good for the children of light because they have a disdain for the evil things. Whereas the wicked have a disdain for the good things. God is allowing these things to surface so people will make a decision.

I want to do what is right and follow what God has for me that is why we are where we are at today. We know that that tradition thing that is Satan's counterfeit. Like Cain's sacrifice that he brought before the Lord that was his own works. Just like religion and traditions are works. Abel brought what God required and it is the same today, we have made that true sacrifices that decision and we did it voluntarily and all that lines up with biblical truths.

I made my decision and you made your decision voluntarily. That is how this thing works we don't legislate anything here. We just walk with the Lord and that is all we do. That is all we are interested in and that is true Christianity,

and biblical truth. We understand the Word of God the way it was meant to be understood.

The things that I say about Tim Reliford it is not that I hate the guy, I am just exposing the motive. He made a wrong decision in life somewhere along the way. God gives us insight, He lets up see things and that is all because back there we made a decision.

Went you seek first the kingdom of God and His righteousness and all these things will be added unto you. That is where we are at. There is so much that you see during the week and you try your best to bring it all in. If God does not give the increase then you will never understand it. That is why Paul said: *Who then is Paul, and who is Apollos, but ministers by whom ye believed, even as the Lord gave to every man? I have planted, Apollos watered;* but God gave the increase. If God does not give the increase it is just beating your gums together.

There are these two roads, two ways. God told Abraham to get out of his kindred, let everything be, and follow where He will lead, and He will show him a city whose builder and maker is God. Abraham walked away from it all, and that is all we are doing. That is the mystery of His will in Abraham's life and this is the mystery of God's will in our life. When the Lord told me 5 years ago to go pick you up, that was the mystery of His will. Look at the looks we get and what goes through their minds. It is the mystery of God's will and the Lord let me know that without you there is no program so for me to try to move on ahead without you, means I'm done; I'm defeated and I am not going anywhere. That is what the Lord let me see. It does not matter what that guy says does or thinks. We have been well trained we are not intimidated. We just keep on and move on. The Lord just moves us on to a different stage. This thing

is eternal. This 'gemeinschaft' that you and I have it will go on into eternity. God is going to bring more people in that are of the same mind that has made that conscious voluntary decision. This is just the beginning. We can truly say that we are that church that can show to the principalities and to the unseen world the manifold wisdom of God. We know what we are talking about and we know the deceptions that are out there in the religious world. We know what is going on.

After brother Jackson went off the scene the Lord gave me a dream about Gideon how the Lord is taking the church down to the river to test them. Then He gave me a dream about a field that was full of minefields. They go to these fellowships and little do they know that they are being blown to smithereens with these false teachings. They are bringing these preachers in and all they are doing is setting up minefields. We know that and we walk away for all that stuff. God allows these things to be to test people and we see it. Why do they not see these things is because they are not in touch. By knowing these things we can show to the principalities that we know what is going, we know what you guys are up to. God expects people to discern these things. Satan has us on his sights, but we are not ignorant of his tactics. He will use your family, and I was going to mention that what it says in *Mark 7*:

10. For Moses said, Honour thy father and thy mother; and, Whoso curseth father or mother, let him die the death:

11. But ye say, If a man shall say to his father or mother, It is Corban, that is to say, a gift, by whatsoever thou mightest be profited by me; he shall be free.

12. And ye suffer him no more to do ought for his father or his mother;

13. Making the word of God of none effect through your tradition, which ye have delivered: and many such like things do ye.

It says, honour your father and your mother and that is the first thing people ask when they see you: when did you see your parents last. She has not seen her father and mother for 2-3 years. What people do is they take these talking points and find something against you. What they will not say is what the preacher told you if you show up he will destroy your car. Even with that a year ago you were thinking about going there to visit Ben, your Uncle because he only had a few weeks to live, up until that time they were after you to come and visit and when you decided that you will go there they did not want any part of it. In fact, they were fighting among themselves who would go to Miami with you. They did not want you to show up.

Lorraine...In fact, they were relieved when I said that I am not going to come.

Sam....That is the talking point that Satan has now that you are not a Christian because she does not honour her father and her mother, she does not even go to see them. That is Satan talking, what he is trying to do is break this thing down. We have scripture it says: *Luke 14:26*

If any man come to me and hate not his father, and mother, and wife, and children, and brethren, and sisters, yea, and his own life also, he cannot be my disciple.

What their end game plan is for you to go back to that colony and look after them but you can't do that believing what you believe, by doing that you would have to deny the Lord. You would have to tell the Lord flat to His face: I don't want anything to do with you I am going back to the colony and look after my father and my mother. In doing that you

would have to deny the Lord. It is just that simple, but they are using these talking points, that is how Satan is. We are not with this group anymore, but Satan is still circling the wagon. The first thing people ask you is that, and that is Satan talking, it is a talking point.

Lorraine... It is Satan putting into the minds of people because I don't do that, then she is not really a Christian and whatever she has to say is not relevant. That is what he is doing to block there understanding.

Sam...we are on to him but he is always circling around, he never gives up and he will come at you at an angle that you don't even expect. Daniel saw this end-game. He saw how it will wear out the saints of God in the end-time. We are on to his cunning devices. Satan is constantly pressing in, pressing in, he does not give up. Like it says after Jesus was tempted, that Satan left Him for a season. He is always plotting how to destroy. He has America, the whole world. He is working to get Trump off his job, and Bibi to get him off his job. There are some things that God will not allow because it says in Ephesians that God made a blueprint and that God is going to see that that plan is going to execute. He lets the Devil go so far. The Devil wants world dominance but he is not going to get it, he is only going to get what God allows.

When you follow me as my disciple, you must put aside your father, your mother, your wife, your brother your sisters yes you will even seem as if you even hate your own life, this is the price you will pay to be considered one of my follower
Luke 14:26

They will not discuss that when they talk about it. It is hard for the carnal man to understand the things of God. I sometimes don't know why I say things but I was reading here how Jesus tried backward and forwards to try to teach His

disciples something spiritual when He said beware of the leavening of the scribes and pharisee's they could not understand these things. They were carnal, full of this ideology to be this big guy. Nothing Jesus would say could penetrate, until finally, Jesus said it is enough. That is why Jesus had to come to reverse all those things going way back to where the angels fell. That is why Jesus said: Father not my will but thy will be done. Through Jesus, that kingdom will be redeemed back to God.

In closing i just want to say this is the last generation before Jesus comes back to set up His millennial reign; to bring everything back to where it was before the fall. Only those that will be found worthy to enter in, will be able to rule and reign with Jesus in that millennial reign. Always remember we are right and they are wrong you cannot argue with the Word of God. *This is Yea and Amen.*
