

I'm going to read you something from the Bible, the Bible is just another book if you don't have a reverence and respect for it, the Bible is the inspired Word of God, and unless God gives you a revelation then its just another book.

*It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life. John 6:63*

That's why you have to have a reverence and a respect for the Word of God because it is your spirit man you will never pick it up with the carnal man. The flesh man is a useless item and is a problem. You are never going to get it if you are not walking in the spirit. Otherwise, this book is dead. It is about the spirit. Paul wrote in *1 Corinthians 2:14*:

*But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned.*

I'm looking at something here, what is going on out there with these marches and gun-control, and who is behind it all. It is all in the Bible. You just have to dig it out, but it is all there. I have been reading my Bible since the Lord saved me. When we had our coffee break I would go into the closet and read the Bible. I had my Bible in my pocket. I had such a hunger I would be up at 6 o'clock to read my Bible. I didn't understand what I understand now, but at least the Lord could talk to me through His Word. He lets me know things through His Word.

I want to read *Revelations 4*:

*1. After this I looked, and, behold, a door was opened in heaven: and the first voice which I heard was as it were of a trumpet talking with me; which said, Come up hither, and I will shew thee things which must be hereafter.*

This whole book is talking about the now, from here on in, John was projected into our era and it pertains to the now what is going on today.

I will show you what we see out there, to a lot of people they just see these marches but somewhere there is a spirit out there that is driving this thing. You will find it in Revelations 17:

*1. And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters:*

*2. With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication.*

This is what you see out there, the masses and masses of people being made drunk, and who is behind all this: It is this whore. Who is this whore: It is mystery Babylon the mother of harlots; it is the Vatican, the Catholic Church.

We had a discussion on it already, we know brother Jackson's contender, the third seal, covers that subject where that Roman Catholic church originated from and it is Nicaea Rome in 325AD.

How did it originate: It originated by taking that original water baptism in the name of the Lord Jesus Christ, which is the true Christian water baptism and they took it and Highjacked it into a diabolic counterfeit water baptism, and today the whole world is intoxicated with the wine of fornication; with that baptism that Constantine instituted. He made a decree that from now on it is no more water baptism in the name of the Lord Jesus Christ the way the apostles and the early church instituted but in the titles, of father, Son, and Holy Ghost.

There are a lot of people when you tell them that the true Christian water baptism is according to Acts 2:38, they will quote *Matthew 28:19 Go ye therefore, and teach all nations, baptizing them in the **name** of the Father, and of the Son, and of the Holy Ghost*. First of all Father, Son and Holy Ghost are not names they are titles, for example, I'm a father, and I'm also a Son, so that covers a broad area. Furthermore, the apostles knew who that name was when Peter on the day of Pentecost told the house of Israel that the same Jesus that they crucified God made Him both Lord and Christ. Upon hearing that they were pricked in their hearts and ask Peter: What shall we do. *Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost*. Do you think the apostles would have baptized contrary to what Jesus taught them to do and that God would have added to the church daily. The apostles knew that Jesus is the redeemer, *In whom we have redemption through his blood, even the forgiveness of sins. Colossians 1:14*.

God and God alone is the Creator, God could not die, therefore He sent His son Jesus Christ and through the redemptive work at Calvary redeemed all of creation. Then after the Millennium Jesus will have completed the redemption process and hand the kingdom back to God and then God will become our all and all.

That trinity baptism was introduced at Nicaea Rome when the early church apostles were passed on as Paul warned: *For I know this, that after my departing shall grievous wolves enter in among you, not sparing the flock*.

*Also of your own selves shall men arise, speaking perverse things, to draw away disciples after them. Acts 20:29-30.*

Now is it not a blatant disrespect that after all that Jesus had to go through to purchase our salvation and substitute Act 2:38 for a phony diabolical baptism introduced by the Catholic Church at Nicaea Rome in the titles of Father, Son, and Holy Ghost by pouring or sprinkling. When you challenge them on this they accuse you of wanting to split hairs and trying to shrug it off as not important when their eternal destiny hangs in the balance of this very thing.

We know that Jesus was baptized by John the Baptist by immersion. Peter verified it on the day of Pentecost at the birth of the church when they asked Peter what should we do to be saved and Peter said: *Repent and be baptized in the name of the Lord Jesus Christ for the remission of your sins and you shall receive the gift of the Holy Ghost.* That is a very simple formula but you see what happened we know what Paul said: *After our departure, grievous wolves will come in not sparing the flock.* What the devil does he sends in these antichrists to pervert what has been already established. That's what happened in the second parables when the enemy come to sow tares. We see how things evolve as time goes on things evolve and we can go back to the church ages and we know what these church ages are about and we know what these 4 beasts are about and those four horses and their rider. How these kings that it speaks of in the book of Revelations. If anyone wants to know more they can always listen to brother Jackson's messages: The Seals. For me to go into all that here would be missing the point in what I want to say here and emphasize.

As time evolves things become clearer. When we go into the history of Rome they had the Caesars. It is all in the Bible and like I say you have to have a reverence and respect for the Bible, for this Word, otherwise, it is just letter and words, but you and I have used it as our roadmap.

Like when you go to California you have to have a road map to get there, in today's age we have GPS but when I first started trucking we had to use a roadmap to go from place to place. This is what the Bible is it is a roadmap, it tells you what to do and how to get there. This Nicene Rome baptism originates back to Rome, at first it was not controlled by the Vatican, and the Popes, but as time evolved that's what happened. The last line of the Caesars died out and Rome was losing power after the Caesars, the emperors ruled that part of Rome. The Roman government became weaker and weaker a lot of these emperors were assassinated and did not last very long and eventually that Papal system which is the ecclesiastical system, took over and that is that little horn that it speaks of in *Daniel 7:8*

*I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things.*

Then in Revelation 17:11

*And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.*

It is no longer the emperors that controlled Europe it is the Papal system now, and it is church over state. Daniel writes how that papal system had rule over the Kings and was able to take away their position. Behind the scene that is

who controlled everything, mystery Babylon that is who that great whore is.

*With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication*

This is what you see in these marches, you can't reason with these kids, they get paid by politicians to be out there to march. All you have to do is take a step back and analyze what is going on. What they want to do is take the guns away from the people you can literally see what would happen if they would take the guns away from people, all the bad guys would still have guns leaving everyone else defenceless.

Like this incident that happened here where this one guy went in and started shooting in a school and this guy who was there was armed and he put that guy out of commission. It's all driven by a spirit the devil knows if people are without guns these lawless people can come in and take over. What they are trying to do is to take away the guns from the citizens, and let's say they would succeed, that would empower the criminals and in this incident, there would have been a slaughter instead. These kids don't think, people like George Soros are instigating these marches and all is incited by the Vatican. Behind it all is that spirit of that whore of Revelations. These kids have been programmed not to think anymore, (not all), these schools have been programmed with anti-God teachings. Behind that whole education system; behind that whole planned-parenthood, these abortions behind in all is this whore, and the people have been made drunk with the wine of her fornication.

How do you sober up from all this is by getting out of Rome's clutches. Through this false baptism you are connected to Rome and by getting baptism in the name of

the Lord Jesus Christ by immersion you can break that connection. We are zeroing in on this water baptism because we are going to do a baptism here, so we are preparing for it. Water baptism in the titles of the Father, Son, and Holy Ghost is Satan's baptism. It has nothing to do with Christianity and when you get baptized like that you unknowingly make a pact with the devil. I didn't see that until a week ago. It is making a pact with the devil. At first, I thought it was pretty rough. I thought man, what am I going to say: made a pact with the devil, but it is the truth.

Like that country Haiti, and the reason why it is so stricken with poverty and is not getting anywhere and that is because back in the day they made a pact with the devil. There was this war and they made a pact with the devil if they win this war they would serve him. That is why it is not going anywhere they are being hit with disaster upon disaster. Here this water baptism, 99% of the people are getting baptized into this phony Catholic baptism, and are unknowingly making a pact with the devil.

The thing of it is when I first began to go into this Word the Lord showed me the importance of having a reverence and a respect for this Word. I was thinking during the week when Jesus went to Calvary when He was praying in the garden of Gethsemane, and I am paraphrasing this here: He begged His heavenly Father to kind of change the wording of the Word of God. Jesus knew what was written in the Word of God and He knew that He would have to suffer and die He told His disciples: *Saying, The Son of man must suffer many things, and be rejected of the elders and chief priests and scribes, and be slain, and be raised the third day. -Luke 9:22.*

Jesus knew from the Old Testaments writings what He will have to endure and that He will have to go to Calvary to be crucified when He was in the garden praying He was pleading and begging His Heavenly Father to take this cup from Him. We know that God put this His Word above His very name, Psalms 138:2, He could no more change that Word than He could change Himself. He would have to seize to exist before He could change His Word. So there in the garden, Jesus was pleading, maybe just this one time to change the Word. God could not do that. Jesus knew that He will have to do as it is written. That is another reason that we have to have a reverence and a respect for the Word of God. It is the Word of God that is going to judge us on that day.

*And he said, Abba, Father, all things are possible unto thee; take away this cup from me: nevertheless not what I will, but what thou wilt. Mark 14:36*

About 20 years ago back in the late '80's to early '90s the Lord began to deal with me and He showed me the importance of His Word. You cannot change that Word and I knew at the end of the day that Word has the final say-so. Jesus said in, John 5:22, that God is not going to judge you that judgement has been given over to the son, and Jesus also said, in John 12:48, that I will not judge you either, the Words that I speak are going to judge you on that day. We know that at the end of the day He goes in to check the wedding guests and He takes this Word, He does not go in by Himself. He takes a light, which is the Word and He goes in to check the guest through with this Word. He finds one that has not on a wedding garment and that wedding garment is a revelation of the Word of God. Jesus asked how He got in not lining up with the Word, not having on a wedding garment in *Matthew 22:*

*12 And he saith unto him, Friend, how camest thou in hither not having a wedding garment? And he was speechless.*

*13. Then said the king to the servants, Bind him hand and foot, and take him away, and cast him into outer darkness; there shall be weeping and gnashing of teeth.*

We have to line up with this Word, with the 7 church ages which are the 7 golden candlesticks and the seven stars in Jesus right hand. Jesus is standing in the midst of these seven candlesticks, which are the seven church ages of Revelations. That is how He is going to work in the Grace Age and the seven stars in His right hand are the seven angels and through these angels, Jesus is going to communicate to each church age through a messenger in each particular church age. We know that our church age is the church of Laodicean and the messenger is William Marrion Branham. To some people it is a curse word, they don't like to hear his name, but to us it is life. Jesus said: My Words are life and they are Spirit.

In 1933 William Branham was baptizing at the Ohio River in Indiana and voice from Heaven spoke to him - Just as John the Baptist for-ran my first coming you will for-run my second coming. To back that up with Scripture you will find that in *Malachi 4*:

*5. Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the LORD:*

*6. And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers.*

It is what keeps us in that channel. We can go back and check ourselves out with the Word of God, with all that deception that is going on out there now, we need to line up with God's Word. Jesus said: *Mark 13*:

*22. For false Christs and false prophets shall rise, and shall shew signs and wonders, to seduce, if it were possible, even the elect.*

When you look at the church world it is infiltrated by Satan to deceive if possible the very elect. We sometimes watch these TV preachers. Some of them are pretty good. The last one we saw it looked almost real. What they don't do though is they never touch the germ they will bypass it. The germ to baptism is water baptism in the name of the Lord Jesus Christ by immersion. They will not identify that the Vatican is the whore. We look back into history and we know who it is and we say things and identify the source.

Like three weeks ago I could not say that you made a pact with the devil with that baptism. The Lord began to let me see and speak to my spirit: It is a pact with the devil. We are especially speaking to the people in the Hutterite colonies. They have all been baptized that way. There is so much depression and you are going to see more suicides in the colonies because it is making a pact with the devil. They don't know what it is. They are clueless about why they are depressed, and they wonder why do I feel like that.

You are probably wondering, Sam, are you saying that all these people are lost. No, that is not the case God in this end-time is restoring all these truths - the faith of the early church which had been lost going from 325AD into the dark ages. It's like a ship if you would turn it around fast it would capsize. God slowly started the process at the Reformation of restoring the faith of the early church. It wasn't until the 1900 hundreds that God restored the true Christian water baptism according to Act 2:38. I know that Jake Vetter from Fairholm, he used to be the preacher, Pete Maendels wife from Fairholm, and Ike Gross, he was a preacher Riverside he

died in a trench, I saw these three people walking in Heaven. It is a process I have to believe my dad is in Heaven otherwise I would not see what I see today. These preachers are not going to tell them that because they are all deceived. Satan works behind the shadows. Like these politicians, Mark Levin has their number and he says it the way it is: they work behind the shadows. Like that Mitch McConnell, he works behind the scenes filling his own pocket, working against the Constitution.

These preachers since brother Jackson left the scene are not going to come flat out and say - that I want to destroy anything that brother Jackson ever said and prove it to be wrong. They are not going to say that, but they will put a thought out there such as: Did He really? Like that serpent in the garden. He didn't come and tell Adam and Eve what his plan was. No, he used deception. Did God really say? *Ye shall not surely die: For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.*

The devil used that serpent creature to deceive Eve. These preachers in the pulpit do not tell the people when they baptize them that they are making a pact with the devil. They are deceived themselves and the devil is using them to deceive the people.

I remember I was down at Lorette, I was staying with this couple, and they told me that they are going to get baptized the next week at the Pentecostal church. I already knew about water baptism in the name of the Lord Jesus Christ and that anything other is not a true baptism. I had already taken them to that Branham church in Gruntal, and I let them know the real baptism, but in-spite of what I said, they went down to this Pentecostal church in Landmark. So they had

this interview with the preacher and the preacher told the husband, because his wife already had been baptized, and he said to him: once you get baptized here you can only fellowship with the people that come to this church here. We know what Jesus told Nicodemus: *The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.* You cannot put a leech on the spirit of God and here this preacher was wanting to put a leech on this man, telling him that he can only fellowship with the people that go to that particular church.

The Pharisees they tried to trap Jesus, and Jesus asked them a question: *The baptism of John, whence was it? from heaven, or of men? And they reasoned with themselves, saying, If we shall say, From heaven; he will say unto us, Why did ye not then believe him?*

*But if we shall say, Of men; we fear the people; for all hold John as a prophet. And they answered Jesus, and said, We cannot tell.*

*And he said unto them, Neither tell I you by what authority I do these things. Matthew 21:25-27*

The reason I am saying this is today the churches have highjacked that baptism, they have stolen it and are using it to lock people up in their cage. I can also read you back in Revelation where John saw this big and mighty angel. There is so much in the book of Revelation that you can relate to today's hour. It never used to be but now these churches have evolved and become cages of every unclean and hateful bird. That angel didn't always fly through the heavens but as time evolved and as John was watching this video, when he was asked to come up hither and it was as if he was watching a movie, and then John put it into writing the best

he knew how. He left the main ingredients in this book. John heard this voice from heaven saying: *Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. Revelations 18: 4*

Come out of what: Come out of all these church systems because they have become and have evolved into a cage: *And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird. Revelation 18:2*

This whole church world out there has been overtaken by Satan. I want to add this here this is not what I say but what the Bible says: *And upon her forehead was a name written, Mystery, Babylon the Great, the Mother of harlots and abominations of the earth.* Here it clearly tells us about the Mother which is Roman Catholicism and the harlots which are the organized churches of the world.

We sometimes will watch them on TV and they will sometimes look good. Some of them are so obvious you can pick them out like nothing. Even Billy Graham a few weeks ago he died and they buried him. People were excited about him, he was the greatest evangelist ever and they had a royal burial for him. We have to step back and asked ourselves did he line up with this Word; did he tell people about Act 2:38 when they came down by the hundreds and the thousands when he called these people down in these packed arenas to be prayed for and they will be saved.

That is not what the Bible says, he is changing the formula. He didn't tell them what Peter said on the day of Pentecost: *Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost,* and what Jesus said in

Mark: *He that believeth and is baptized shall be saved; but he that believeth not shall be damned.*

What does the word remission mean - The cancelation of a debt, a charge, a penalty. When you go through this formula of baptism and it is so simple a formula, that is why people miss it, they figure that you have to join a commune, wear a certain dress code, but this formula here rules all that stuff out because there is absolutely nothing that you and I can do towards our salvation. All we have to do is obey this book. When you get baptized that way your sin debt is completely erased. Peter goes on and says: *For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call.*

These Billy Graham Crusades are built on emotions, it has nothing to do with - *as many as the Lord our God shall call*. These people had an emotional experience, especially hearing hell, fire, and brimstone. All they had to do is come up and they will say a prayer and they will be saved. Of course, people will come up after all that is what the preacher said to do. That is not what the Bible says. You have to stay within the confines of this Word.

That is why we are where we are at today. We see the importance of this Word. The importance of the seven golden candlesticks, and not to partake of leavened bread. The children of Israel were commissioned for seven days they were not allowed to eat any leavened bread and not to have it in their homes. *Daß man sieben Tage keinen Sauerteig finde in euren Häusern, Denn wer gesäuertes Brot ißt, des Seele soll ausgerottet werden aus der Gemeinde Israel, es sei ein Fremdling oder Einheimischer im Lande 2 Moses 12:19.* The leavened bread represents false doctrine, and water baptism in the titles of father, son and holy ghost is partaking of that

false bread. Those seven days type the seven church ages of the Grace Age. The church was instructed not to partake of false doctrine. If the churches would have upheld that you would still see a vibrant church out there. You would not see the chaos that you see out there. You can see that they did not do their part.

What we have had to do is we had to dig ourselves out of that perverted rubble. I know what I had to go through and I don't wish it on anyone, I had to dig myself out of that hole, generations and generations have dug this hole for us and one day I saw it in the Word that I need to get out of there, I need to dig myself out of there. I was a Christian since '73 and I wanted more than they had to offer. I would come so far and then I would hit a brick wall. I was wondering what am I hitting why can't I move on. I will tell you what I was hitting, it was these preachers. It was like a granite wall. You dare not challenge then; you dare not believe in a millennium; you dare not have fellowship with no one else and a whole list of things.

I began to have Bible study with people outside of the colony, and they found out about it and they tried to stop me. I knew what happened to people that go up against this hierarchy - They get terminated and I did not want to get terminated. So I backed off and the Lord let me know if you back off you have no part of me, and I just charged right on ahead full force. The weapon that they use is fear and threats, which is all just a bluff. I went up against that granite wall and I went right on through it. What they used was - Oh you can't go to church here anymore, so I thought I'll just go up to Arden to go to church. Then it was: You can't work here anymore - so I thought then I'll just go find work. These were all these fear tactics. Then they came up with: You will have

to eat down in the basement, well then I just got my own food, and on and on it went. Then they came out with: Oh, you don't have a wife, you don't have any children; you don't have a name, you don't exist, and they terminated me. These are all fear tactics and I was not intimidated because I saw something in this Word. I saw through that religious system and I saw how corrupt it was. In Ephesians 6:12 it speaks of these things, spiritual wickedness in high places, it is not the people themselves but they are driven by a religious spirit, that same spirit that crucified Christ; the same spirit that stoned Stephan; the same spirit that martyred the Christians throughout history it is very much alive in these preachers today, and if the law of the land would allow it they would kill the Christians so they use whatever tactics they can - for example, terminate them, shun them, and the 'they' happen to be those preachers. The very ones that go up and say 'der frien'd des Herrn, little do they realize that 'der Satan ist der herr darin'. I experienced first hand what happens when you go up against that system. In fact through it that system was exposed for what it really is with that Nicene Rome baptism.

After I was terminated, I wondered why are those preachers like that; why are they so vicious when it comes to Christianity. They preach that you must be born again and yet when you become a Christian they are the first ones there to terrorize you. I could not figure it out. I knew that there is a root source behind it all; there is a spirit that is driving this thing, and I did not know what it was. It says, Seek, and ye shall find, knock and it shall be opened unto you. In my spirit as I was driving along, waking up at night, I would constantly wonder - what is it with these preachers they seemed to have your salvation in mind, you think that they care about you, but when it comes to true Christianity they terrorize you; they

terminate you; they tell you that you have no wife; that you have no children; that you have nothing. I was constantly wondering what the driving force is behind it all. I remember I was somewhere in Saskatchewan, I was just driving from Saskatchewan into Manitoba, I remember like it was yesterday. When the Lord comes down and shows you something and gives you a revelation, you will remember the exact place. I was going along highway 16. If you ever come from Alberta and you cross into Manitoba from Saskatchewan, the front end of my car was in Manitoba and the rear end of my car was in Saskatchewan that is how fast it happened. The Lord just came down and gave me the revelation of this whole thing and let me know that it is that Water Baptism. That is why they are so vicious they have been baptized with that Catholic baptism. They use that counterfeit baptism to lock people into their system, and that is the stronghold that the devil has on people. That is the pact that they made with the devil and the devil wants everyone else to be part of that pact, because then he has a hold on you just like the colony has a hold on you through that baptism.

We have dug ourselves out and now we are going to help other people dig their way out of it. They are depressed. There is a guy that called us up here two weeks ago and he wants to get baptized, and how do I know that he is real; how do I know that he is genuine. About ten minutes after he called the Lord gave me a song, in it, it explains everything.

This is not our program this is the Lord's program, He is going to see to it that this thing continues on. I did not start it. He started it. We do the little bit that the Lord inspires us to do. Like we throw the bait out and if people want it that's good, if not that's all the Lord has told us to do. The Lord told

me to pick you up and drive together and He told me to start up this internet. I did not know anything about a website and the Lord brought you onboard and you got that website up and running. We get together and have a conversation every Sunday when we can. I am not a preacher I am just transmitting what the Lord has for me to say. I do not have my own agenda. I just say the things that He puts on my heart, and I tell you some of the things that He puts on my heart to say are very challenging. What will people say. I have to say it the way I see it and the way the Lord wants me to say it. We are not accountable to anyone to no church system. We are accountable to this Word. God has put His Word above His very name. When I saw this about the Catholic church and how that baptism is making a pact with the devil, it is definitely not the Lord's baptism it opened up my understanding why these preachers get so vicious when you want to walk with the Lord and let that Word lead and guide you.

Lorraine speaks: It is anything but the Lord's baptism because the Lord liberates, and He wants you to live in freedom and explore. To continue to grow and move with the spirit. The colony they have walls and you cannot expand beyond those walls that they have set for you and that is it.

Sam speaks: It is not what Jesus said to Nicodemus - *The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.* We don't know how long we will be trucking because it says back there the wind blows where it listeth, our life is not pegged out for us. Even we ourselves we don't know day from day what is next.

Anyway going back to when Randy called us, then I knew that it was real because the Lord put that song on my heart and when you analyze it describes it exactly the way it is. When you read the lyrics it is spot on. *Time after time I was searching for peace in some void.* This life without the Lord is all a void. *I was trying to blame all my ill's on this world that I was in.* That is the human nature right there, blaming everyone else, blame the world, blame the preacher, blame this Levi from Miami, blame my father-in-law, but see I was searching for peace in a void, where there is nothing, and blaming all my ill's on this world I was in. *Surface relationships used me until I was done in.* That is what it is all about, these systems they just use you.

The song goes on to say: *All the while someone was begging to free me from sin.* It was Jesus waiting in line. *He was there all the time, He was there all the time waiting patiently in line. He was there all the time.* That's what the Lord does, He lets you exhaust yourself. He would like to show up but you don't let Him people push Him aside. You have your own opinion and your own idea of how it all works. Like my son, Jonas, I told him this is where it is at, but he is going to exhaust himself digging for oil, looking for peace in some void. There is nothing there it is all a void, it is right here right at his fingertips and he walks right by. In fact, he persecutes the very thing that could help him.

*Never again will I search for a fake rainbows end.*

*Now that I have the answer my life is just starting to rhyme.* Once you get this pearl of great price your life is in harmony, your whole makeup is in harmony with God. You can go out fishing and your life is in harmony, everything has a purpose. No matter what you do you see God's great creation, and your life is rhyming now that you have found the

answer. *Sharing each new day with Him is a cup of fresh life.  
Oh, what I missed He was there all the time.*

*Time after time I was searching  
for peace in some void  
I was trying to blame all my ill's  
On this world that I was in.  
Surface relationships used me  
Until I was done in.  
All the while someone was begging  
to free me from sin*

*He was there all the time  
He was there all the time  
Waiting patiently in line  
He was there all the time*

*Never again will I search for  
A fake rainbows end.  
Now that I have the answer  
My life is just starting to rhyme.  
Sharing each new day  
With Him is a cup of fresh life.  
Oh what I missed He was there all the time.*

It says here *Never again will I search for a fake rainbows end*, that is what it is all about. Like buying a lottery that is a fake rainbow end. Let's say that you do win a lottery, this guy won a lottery about 400 million, he might have the 400 million but he does not have - *sharing each new day is a cup of fresh life*. He might have millions but he doesn't have anything else. It is just a fake rainbows end and now his misery begins. Everyone will be on his case, and his life will not begin to rhyme but see when you have this Word - *Seek ye*

*first the kingdom of God and His righteousness then all these things will be added unto you.* That's where it is at. Like my son Jonas, he said he wants to go win a lottery and he might buy a ticket but that does not mean that you will win it. There are millions of people buying lottery tickets and what they are doing is they are looking for a fake rainbow's end. It is an illusion. I am just as guilty as anyone I've wanted to win 10 million, but when I stepped back and analyze it what am I going to do with that money, and then I hoped I don't win it. Life would be boring. It is all a fake rainbow's end. We have everything in Jesus, *now that I have the answer my life is just starting to rhyme.* Everyone can have it as good as you and I have it, it is all in believing this Word, seeking first the kingdom of God.

They don't have to go through what I had to go through. They can just get it by believing what we say: *Repent of your sin, and baptism in the name of Jesus Christ for the remission of your sin and you will receive the gift of the Holy Ghost.* The Lord takes care of things. The Lord meets your needs. It says, *my God will supply all your needs according to His riches in glory by Christ Jesus.* This whole greed thing it is Satan feeding the people thinking that if they are going to get rich, that is why all these politicians all they want is money, and they never have enough and they don't care whom they have to rip off their money, and they don't care how many lives they destroy to get these riches, and behind that is the spirit of Roman Catholicism. Like it says in *Revelation 18:3* For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.

What it really is: God built something into the human race, the only way you can find these riches is in Christ Jesus. We have the answer and it is simply: Repent and be baptized in the name of the Lord Jesus Christ for the remission of your sin and you will receive the gift of the Holy Spirit. You will have that whole package you will have what the Bible says: God will supply all your needs according to his riches in glory, but first He has to test you. I didn't always have it as good as I have it now. There was a time where I had nothing. I didn't have this brand new truck, pickup truck, and car. I didn't always have it as good, but what the Lord was doing He was testing me. He will test you to see if you will use it for your own destruction or are you going to use it for God's glory. In everything we do we give thanks unto the Lord. Like the songs says, If I thank Him for His blessings every day. It's all a journey. Once you get baptize you are still going to mess up, but we have an advocate with God, Jesus Christ.

*Every time I do a deed I should not do  
Every time I say a word I should not say  
Let me tell you what I do  
And it brings a blessing to  
I just steal away somewhere and I pray*

*I just steal away, I just steal away  
And I ask my blessed Lord to lead the way  
I just steal away  
I just steal away somewhere and I pray*

*Often times I'm made to bow my head in shame  
At some idle thought or deed along lives way  
But I never am ashamed of my saviours precious name  
I just steal away somewhere and I pray*

*I know God will hear and answers prayer  
If I thank Him for His blessings every day  
When I'm burdened down with grief  
He will give my heart relieve  
When I steal away somewhere and I pray.*

This is the second song that the Lord gave me, once you are saved you are still going to mess up, you are still going to do things that you should not do. Like the song says, *every time I do a deed I should not do*. You are still going to do that deed that you should not do and you are going to say a word that you should not say, but you don't run to the priest or to the preacher. It says in *1 John 2:1-2*

*My little children, these things write I unto you, that ye sin not.*

*And if any man sin, we have an advocate with the Father, Jesus Christ the righteous: And he is the propitiation for our sins: and not for ours only, but also for the sins of the whole world.*

The Bible backs it up it doesn't say that you should run to the preacher. That priestly stuff was put away at the crucifixion Jesus Christ the righteous is our High Priest. The Catholics and the Hutterite they use it to control people.

The Lord answers prayers He gave us that song. As you go through life the Lord is waiting for you to give Him a chance. He is waiting patiently in line. Then once you find the answer you are still going to make mistakes and like the song says: *I just steal away somewhere and I pray*. You tell the Lord your problems, and God forgives. *I know God will hear and answers all my prayers, If I thank Him for His blessings every day*. You don't have to join a commune and wear a certain dress code. All you simply do is you thank Him for His

blessing every day. You go down the road, and you go back over your life and see how the Lord saved you and you see how He faithfully meets your needs, and you thank Him for it all. That's all He asks for. You can't do anything towards your salvation. I don't want to ever forget from where He has brought me from and where He has brought me to. That is why communion and foot washing is so vital. Jesus said: *This do in remembrance of me*. It's to remember and to thank Him for what He did for us at Calvary. That is basically what communion and foot-washing are for. That is all we can do is thank Him for what He did for us, He willingly purchased our salvation. It works, believe me, it works. I have tried it. When you are terminated from your family and you are out there by yourself, you don't know what your next move is and you don't even know where you are going to get your next meal from. You are burdened down with grief but you thank Him no matter what, even if you don't feel like it. Thank Him for His blessings every day. He saved me, He got me out of that cage and that is enough to be thankful for and you start praising the Lord, and all of a sudden you start realizing that you don't have any problems. What the devil will use is he will try to get you down and out and depressed and he wants to finish you off.

Jesus said: *I came to give you life and that you can have it more abundantly*. John 10:10 The joy of the Lord is our strength. These scriptures they become real. If I thank Him for His blessings every day is really all you need to get through life. *When I'm burdened down with grief He will give my heart relieve*. Sure there are going to be grievances but he will be there for you. It is all in these two songs. You don't have to run to the preacher every time you do something. That is Catholic stuff. They can't do anything.

Like the song says in, *Wo bleiben meinen Sinnen*, when Judas came and wanted to give the money back to the priest: *Auch niemand kann ihn strafen aus dieser ganzen Rott, denn sie sind selber Sklaven der höchsten Missetat.*

Peter did the same thing that Judas did, he denied the Lord three times and even swore that he doesn't know Jesus but Peter went out and cried He went to the Lord and got relief from his wrong.

They themselves are slaves to all kinds of corruption. Like that guy down from Prairie Blossom, that guy is a pervert and a pedophile. That is what that whole religion is about. They can't do anything for you it says:

*Auch niemand kann ihn strafen  
aus dieser ganzen Rott,  
denn sie sind selber Sklaven  
der höchsten Missetat.  
Drum hebt er sich davon  
und muß zu seinem Lohn  
sich selbst mit eig'nen Händen  
weg von der Erden tun.*

There again, as I said before when I was asking the Lord why these preachers are so diabolic when it comes to Christianity and the Lord let me know that it is that baptism and He let me know that they have blood on their hands. If you wonder why they have blood on their hands, well they crucify the Lord of glory every time. Where there are Christians, what they do to them is they terminate them. They try to take that searching and longing and they want to take that new birth out of them and get them to compromise, and because they don't want to be forced to be terminated and lose their homes so they compromise. They lose that intimate relationship that they had with the Lord. It says right in that

song they have blood on their hands. This song says what you need to do, steal away somewhere and pray and thank Him for His blessings every day. You don't need to go to these preachers they can't even help themselves. As time goes on you are going to see more and more coming out as pedophiles and a lot of preachers are caught up in it.

Here it is very simple: you get baptized in Jesus name for the remission of your sin and you will receive the gift of the Holy Ghost. The Holy Ghost will lead and guide you into all truth. Believe me, it works, that is what He has done with me. He has led me through this jungle, sure I searched and I searched and the Lord brought me to the ministry of brother Branham and brother Jackson. At times it seemed like you are in a maze, you don't know what your next move is going to be. It is like the Bible says, He will lead and guide you into all truth and what Jesus told Nicodemus: *The wind blows where it listeth*. We have been born out of the spirit of God we didn't engineer this thing, we are just guided by that unseen hand. That is all we are doing.

***There is an unseen hand to me  
That leads through ways I can not see  
While going through this world of woe  
This hand still leads me as I go***

***I'm trusting to the unseen hand  
That guides me through this weary land  
And some sweet day I'll reach that strand  
Still guided by the unseen hand***

***This hand has led through shadows drear  
And while it leads I have no fear  
I know 'twill lead me to that home  
Where sin nor sorrow e're can come***

***I long to see, my Saviours face  
And sing the story saved by grace  
And there upon that golden strand  
I'll praise him for his guiding hand***

That is where it is at, it is just so simple. You heard everything now. You have to have a respect for the Word. Jesus said: my words are life and they are spirit. This Bible is a living organism.

The angel said to John on the isle of Patmos *come up hither and I will show you things to come*. When you see these marches going on, they are instigated by that whore spoken of in revelations, and all that is because the people have been made drunk with the wine of her fornication. These kids do not know what they are doing, they have been brain-washed by that school system. Those liberal educators it is all instigated by that Roman Catholic spirit and I can prove it to you. They want to keep people ignorant and away for the truth. That is how that Vatican spirit got Europe, it did not go in there and conquer the lands, they just conquer the government and turned it into Papal power and eventually, the Popes would have everything to say. They would unseat these Kings. The Lord teaches you and all that is by being guided by that unseen hand. That hand has guided me to the ministry of brother Branham and to the ministry of brother Jackson. They had a ton load of information and he would explain how these kings got rooted out by the Popes. These kings challenged that Vatican power how he made them recant. Like these Hutterite preachers, they put you into 'ausschloss' if you oppose them. That is what these Popes did to these three kings to make them submissive. It is the same blueprint that the colonies use. This confession thing

and then they use it for blackmail. It does not work at the end of the day you made a pact with the devil.

Like these TV evangelists, some of them sound pretty good, but they miss the germ. Billy Graham, Swaggart, and all these preachers they knew about brother Branham but they will never tell you. That's the essence of this end-time. Brother Branham was that end-time messenger of this church of Laodicea. That is the essence of the Grace Age - these 7 golden candlesticks, Jesus was walking in the midst.

There were more than 7 churches in Asia Minor but these 7 church ages would best describe the conditions that were in the churches back there to the conditions that would happen within the Grace age period. The Grace Age is broken down into 7 different periods and each period had a messenger. Paul was the messenger to Ephesus. Ireneus was the messenger to Smyrna. Martin was the messenger to Pergamos. Columbo was the messenger to Thyatira, Martin Luther was the messenger to Sardis. John Wesley was the messenger to Philadelphia. William Marrion Branham was the messenger to this end-time church age of Laodicea.

Here in this end-time in Revelations 10, it speaks of the voice when it begins to sound. When Brother Branham went off the scene that voice continued with brother Jackson. *But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets. Revelations 10:7.*

As I said, he brought a ton-load of wealth, a goldmine of wealth out from the Bible, things that we never knew. We never knew about the two laws of Eden, the woman of Revelations and the pre-historic world. Where brother Branham just touched on it, brother Jackson went right in

there and showed the genetics of it all. How these angels were tested.

All this the Lord has guided us by that unseen hand. It all starts with water baptism in the name of the Lord Jesus Christ.

You go out there from Church to Church not one of them will baptize you like that. Even some that do they will never lead you on to brother Branham. They will never lead you on to the church ages; they will never lead you on into more truth. In fact, they will keep you from it.

This is what I have been seeing. Like I mentioned before about Jonas and wanting to win a lottery ticket, it is all looking for a fake rainbow's end. Why not just trust the Lord and put your effort into this Bible and getting to know God. That is what we have done and it has more than paid off - pressed down, running over, plus we have that peace and eternal life. We have a purpose. Winning a lottery does not give you eternal life. *Never again will I search for a fake rainbow's end.* Our life is rhyming with the scripture. It all begins with water baptism. Satan infiltrated water baptism at Niecea Rome, and if you get baptized in the titles of Father, Son, and Holy Ghost by pouring or sprinkling you make a pact with a devil. You can't make it simpler than that. Sometimes when the Lord will show you something like when He showed me what He is doing to these preachers out there, how the Lord is setting them on slippery slop, because they have an agenda. The Lord sets them on a slippery slope and *thou castedst them down into destruction.* The Lord destroys them because their heart is not right. At first, I thought that that is pretty rough but when you look at it now it makes sense and it is exactly what is happening.

That is how it is with making a pact with the devil with that water baptism. Like that country Haiti they made a pact with the devil. They were at war and they made a pact with the devil in order to win that war. When one earthquake comes through another one comes and so on. They never get on their feet. They will never get back until the government would acknowledge that. People pour their money into it, and it never gets to first base all because they made a pact with the devil.

That's how it is with satan's baptism, every Hutterite has made a pact with the devil and in order for you to get out of it, you have to get baptized in Jesus name for the remission of your sins to break that curse. This is the Lord's baptism and it is available for everybody. As I said, you will not find many people out there that will baptize you like that. I did not see that pact but I see it now and once I see it I am not afraid to say it.

Lorraine speaks, that is exactly how I felt after I was baptized on the colony.

Sam speaks: So you got baptized in the colony?

Lorraine speaks: That is exactly how I felt after I was baptized, from becoming someone that is free, loving life, to someone that is oppressed, stifled and fear-mongered, and all things tactics that the devil used they just come upon you like a ton of bricks.

Sam speaks: So to you it was real this pact with the devil, and you probably did not know that you just made a pact with the devil.

Lorraine speaks: No I didn't, it was not until the Lord opened up my understanding to Acts 2:38 that I knew why I felt that way after I was baptized on the colony in that trinity baptism.

Sam speaks: I did not know that myself until a week ago. There was a guy that I knew the Lord saved him and took care of his drinking. He said an angel came to him and said: Tony your name is in this book. I believed him and he said then I started to go to church and I lost everything that I ever had. That is what they do. I have no intention of destroying these churches they are going to destroy themselves. If it is not of God it is going to vaporize. God is going to shake everything. The Bible says: have no fellowship with the unfruitful works of darkness but rather expose them. That is what we are doing we are exposing it, so people can be informed and run from it. Where can people run to then - You run to Christ He will supply your needs, it is very simple. We have been brought up and brain-washed that you have to do works salvation and wear a certain dress code.

I was thinking about this baptism thing, and I understood that it is making a pact with the devil, and in order to break that pact you have to be baptized in Jesus Name. If you mess up you can still repent and confess your sins to God. You don't run to the priest, you go to the Lord. In the song: *Wo bleiben meine Sinnen*, it lets you know that they are slaves themselves.

The keys to the kingdom was given to Peter and that key was water baptism in Jesus name, and that is the key to salvation. Repent and be baptized which means to be immersed.

We are going to get a tank to baptize people with. You don't have to be a preacher to baptize people all you need to be is a believer. It is a good thing that I am not a preacher I have a number on these preachers. I just transmit what the Lord puts on my heart, and sometimes it is pretty rough to address, but that is my makeup. Once the Lord puts

something on my heart I just do it. I don't worry about being intimidated, terrorized and persecuted. Once I see it and once the Lord puts it on my heart I don't care what people do, say, or think. I just go ahead and say it. The Lord knows my makeup. Until two weeks ago I could not say it, that water baptism in the titles is a pact with the devil. When the Lord puts it on your heart then you better say it.

When I was back on probation on the colony I wrote them a letter what I believe. Usually, they want you to write a letter, so I figured I'll get ahead of them and write one on what I believe and where I stand. It is all on our website. I believe that there is only one way to get baptized Act 2: 38 and any other baptism is introduced by the Catholic Church and is part of that whore system, and now I know for sure that it is a pact with the devil, because what the Lord showed me during the week. All of it reinforced what I knew back there. The more you get away from it the deadlier it becomes. The more you see it, in reality, the more you see it for what it is: a cage of every unclean and hateful bird. God only knows what else is going on in these colonies today. It is all diabolic because it is planted on that counterfeit Roman Catholic baptism.

That is my story for the day and I know we are right and they are wrong, you cannot argue with the facts. We can take it to scripture. Always make sure you go back and examine yourself with what you believe and line it up with scripture and we do that. To see if we are still in the faith because at the end of the day the King which is the Lord Jesus Christ comes in and examines the guest with a light which is the Word of God. He found one that had not on a wedding garment and he was thrown out. That is what we do week after week we examine ourselves and we are spot on, and

that is why we can say we are right and they are wrong. These are not idle words. It is because we check ourselves with the scripture.

This baptism all originated by that Nicene council and these people are all drunk with that wine of fornication, not with literal wine but with false doctrine, that intoxication and behind it all is that spirit of the Vatican. The end result is going to be they will be lying like dung on the earth, they will neither be lamented nor buried. When you watch these marches picking up momentum and you read George Washington's vision. The process has already begun and it is not going to stop until Jesus stands on the Mount of Olives and takes over the governments of the world. This is not going to go into another phase, or another 100 years of something else. Jesus is coming back in this generations and Satan will be bound for 1000 years. This is the generation that will see all this transpire. We did not get this by sitting on some straw pile and going to sleep, we got this by searching and being kicked from pillar to post, and being terrorized for it. Now we found it.

Jesus asked His disciples if any one of them ever lacked anything and they had to think and told him: No we have not. That is what we can say we lack nothing. God is in charge of all things. He just lets things go so far, He doesn't approve what is going on out there, He gave people the freedom to make a choice. That is why we need to know what happened in the pre-historic hour how these angels had to be tested. The angel's that it speaks of in Jude had to be tested and they went out of their estate and God had to chain them. I don't charge people anything, the Lord pays us good, and we are free to say what the Lord puts on our hearts to say. The minute you get paid you have to say what they tell you to say.

If you want to make it you have to educate yourselves, we had to educate ourselves. Don't trust anyone with your soul, with your salvation. Like these men of Berea they searched the scriptures daily to see if things were scriptural and scripturally accurate. That is all I'm asking people to do and that is if you care about your salvation go search these things out if they be not so. Like these men in Acts 17:11

*These were more noble than those in Thessalonica, in that they received the word with all readiness of mind, and searched the scriptures daily, whether those things were so.*

*Heavenly Father we want to thank you for the opportunity to look into your Word, I pray that these words will touch a heart somewhere but most of all I pray that you give the increase, draw a picture in the hearts and minds of the people that they will see how serious it is and that people can prepare themselves for your soon coming. Once again we want to thank you for all things in Jesus name we pray. Amen.*

### **Learning to lean**

*Learning to lean*

*I'm learning to lean on Jesus  
Finding more power than I've ever dreamed  
I'm learning to lean on Jesus*

*Sad, broken-hearted, at an altar I knelt  
I found peace that was so serene  
And all that He asks is a childlike trust  
And a heart that is learning to lean*

*There's a glorious victory each day for me  
I found peace that was so serene  
He helps each time if I only ask  
Everyday I am learning to lean.*
