

O WHAT A SAVIOUR

*O what a Saviour, O what a Saviour
O what a Saviour is mine
Unto the uttermost
He so wonderful and glorious
O what a Saviour is mine*

"The Old Rugged Cross"

*On a hill far away stood an old rugged cross
The emblem of suff'ring and shame
And I love that old cross where the dearest and best
For a world of lost sinners was slain*

*So I'll cherish the old rugged cross
'Til my trophies at last I lay down
I will cling to the old rugged cross
And exchange it some day for a crown*

*In the old rugged cross, stained with blood so divine
A wondrous beauty I see
For 'twas on that old cross Jesus suffered and died
To pardon and sanctify me*

*So I'll cherish the old rugged cross
'Til my trophies at last I lay down
I will cling to the old rugged cross
And exchange it some day for a crown*

*To the old rugged cross I will ever be true
It's shame and reproach gladly bear
Then He'll call me some day to my home far away
Where His glory forever I'll share*

*So I'll cherish the old rugged cross
'Til my trophies at last I lay down
I will cling to the old rugged cross
And exchange it some day for a crown*

And exchange it some day for a crown

LORD I WANT TO LOVE YOU MORE

*Lord I want to love You more
Than I ever have before
You're so easy to adore
Lord I want to love You more*

*Lord I want to praise You more
Than I ever have before
You're so easy to adore
Lord I want to praise You more*

*Lord I want to serve You more
Than I ever have before
You're so easy to adore
Lord I want to serve You more*

HE ABIDES

*1. I'm rejoicing night and day
As I walk the narrow way,
For the hand of God in all my life I see;
And the reason of my bliss,
Yes, the secret all is this:
That the Comforter abides with me.*

Refrain:

*He abides, He abides;
Hallelujah, He abides with me!
I'm rejoicing night and day
As I walk the narrow way,
For the Comforter abides with me.*

*2. Once my heart was full of sin,
Once I had no peace within,
Till I heard how Jesus died upon the tree;
Then I fell down at His feet,
And there came a peace so sweet;*

Now the Comforter abides with me.

*3. He is with me everywhere,
And He knows my every care;
I'm as happy as a bird and just as free;
For the Spirit has control;
Jesus satisfies my soul,
Since the Comforter abides with me.*

*4. There's no thirsting for the things
Of the world—they've taken wings;
Long ago I gave them up, and instantly
All my night was turned to day,
All my burdens rolled away;
Now the Comforter abides with me.*

HE BLESSES ME AGAIN

*I'm a pilgrim on a journey
Seeking for a better land
The way gets rough
And the trials so hard to bare
But I call on Him who started with me
Said He'll be there to the end
And when I need the strength
He blesses me again*

*And It's so hard to comprehend
That He takes thought of me
The stars that shine
The sun rises at His command
I'm just a small, small grain of sand
And the wonders of His Hand
And when I need the strength
I find He blesses me again
I've not always been the best man
For the Lord that I could be
I've stumbled, Yes, sometimes*

*I've given in
But the Lord is great in mercy
And the moment I repent
I find He blesses me again*

HE PAID THE DEBT

*He paid the debt he did not owe
I owed the debt I could not pay
I needed someone to wash my sins away;
And now I sing a brand new song,
"Amazing Grace" all day long
Christ Jesus paid the debt that I could never pay.*

*He paid that debt at Calvary
He cleansed my soul and set me free
I'm glad that Jesus did all my sins erase;
I now can sing a brand new song,
"Amazing Grace" all day long,
Christ Jesus paid the debt that I could never pay.*

*One day he's coming back for me
To live with him eternally
Won't it be glory to see him on that day!
I then will sing a brand new song,
"Amazing Grace" all day long
Christ Jesus paid the debt that I could never pay.
Yes, Jesus paid the debt that I could never pay.*

ICH WEISS EINEN STROM

*Ich weiss einen Strom,
dessen herrliche Flut
Fliesst wunderbar stille durchs Land
Doch strahlet und glänzt er wie feurige Glut
Wem ist dieses Wasser bekannt?
O Seele, ich bitte dich, komm
Und such diesen herrlichen Strom
Sein Wasser fliesst frei und mächtiglich*

O Glaub's, es fliasset für dich.

*Wohin dieser Strom sich nur immer ergiesst
Da jubelt und jauchzet das Herz
Das nunmehr den köstlichen Segen genießt
Erlöset von Sorgen und Schmerz.*

*Der Strom ist gar tief
und sein Wasser ist klar
Es schmecket so lieblich und fein
Es heilet die Kranken und stärkt wunderbar
Ja machet die Unreinsten rein.*

*Das Wasser des Lebens, das ist diese Flut
Durch Jesum ergiesset sie sich
Sein kostbares, teures und heiliges Blut
O Sunder, vergoss Er für dich.*

*"Wen dürstet, der komme und trinke sich satt"
So rufet der Geist und die Braut
Nur wer in dem Strome gewaschen sich hat
Das Angesicht Gottes einst schaut.*

WHAT HEAVEN MEANS TO ME

*1. A country where no twilight shadows deepen,
Unending day where night shall never be.
A city where no storm clouds ever gather,
Now this is just what Heaven means to me.*

CHORUS:

*What will it be when we get over yonder
And join the throng upon the glassy sea?
To greet our loved ones and crown Christ forever,
Oh, this is just what Heaven means to me.*

*A place where there is no misunderstanding,
And from all enmity and strife we're free.
No unkind words to wrong the heart are spoken,*

Now this is just what Heaven means to me.

*And when at last we see the face of Jesus,
Before whose image other loves all flee.
And when they crown him Lord of all I'll be there,
Now this is just what Heaven means to me.*

I want to read from *Ephesian 4*:

3. Endeavouring to keep the unity of the Spirit in the bond of peace.

4. There is one body, and one Spirit, even as ye are called in one hope of your calling;

5. One Lord, one faith, one baptism,

6. One God and Father of all, who is above all, and through all, and in you all.

3 Make every effort to keep the unity of the Spirit through the bond of peace.

4 There is one body and one Spirit, just as you were called to one hope when you were called;

5 one Lord, one faith, one baptism;

6 one God and Father of all, who is over all and through all and in all. (NIV)

Heavenly Father we just read your Word, I pray that you will help me express the things that you put on my heart for the last week. Allow me to say them in such a way that they will be clearly understood. I pray that You will give that increase in Jesus name we pray. Amen

I might need your help here because you have to really shake yourselves, and get back from this delusion that we are living in, and yank yourself back into reality; back to when there were not these hundreds of different religions. There was just the one faith and as it says - Make every effort to keep the unity of the Spirit through the bond of peace. ***4*** There is one body and one Spirit, just as you were called to one hope when you were called; ***5*** one Lord, one faith, one baptism; ***6*** one God and Father of all, who is over all and through all and in all.

It is pretty tough to drag the multitudes out of that delusion, out of this artificial born-again religion that is out there. What really got me going on this is we went to this Farmer's Market yesterday and we went over to this table where they had all these pamphlets laid out at this Gospel Hall table, and usually I just pass on by but this time I stopped and started talking with the person there.

As I said, I hope I can get this out what I see, there is this massive confusion and Satan has highjacked every aspect of society. This born again thing, all they can relate is this born again thing. They have their idea of being born again. To me it is as clear as day, there is only one way to be saved and that is Acts 2: 38. When you sit back and analyze it all and what Acts 2:38 says -

Repent and be baptized every one of you. These men they asked Peter, what must we do to be saved, and Peter used those keys that Jesus gave him when Peter received the revelation who Jesus was in Matthew 16. Then on the day of Pentecost Peter said -
Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost. For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call.

When you look throughout the overall world of religion, in the world of this born again thing, they have it completely twisted. I have been trying to get a handle on this for a long time, what is it anyway. It is almost like there is a spirit behind it all, I have been troubled ever since and last night it took me back to Nicene Rome 325AD where that phoney artificial water baptism by pouring and sprinkling in the name of the father, son, and holy ghost was instituted. There is the foundation of it and it probably goes way back to the Old Testament but that is what the devil did when Jesus gave Peter the keys to the kingdom of Heaven.

When you go to Matthew it does not say repent, it just says in the name of the father, son, and holy ghost. What Peter did at the day of Pentecost and to find out the full measure what those keys were you have to go back to Acts 2:38, and the first thing that you do is repent, and then be baptized by immersion in the name of the Lord Jesus Christ, but in today's world they don't even have repentance tied to it. They may talk about it but it is not in the form

of the most important part and that is repentance. Without repentance, the rest is just a delusion. I saw that during the night after we talked with that guy over there. They put all that emphasis on being born again but they don't emphasize repentance. The repentance is the germ of it, you can't be baptized until you have first repented. I think I repented for years before the Lord came by my way. That was back in the colony and of course, they did not have the proper mode of baptism, but I did what I had to do for the time that I was living back there in that Hutterite colony. The Lord came by my way, and like I say about 2 years prior to the Lord coming by my way and calling me into this walk He dealt with me for about two years convicting me of sin. In *John 16*:

7. Nevertheless I tell you the truth; It is expedient for you that I go away: for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you.

8. And when he is come, he will reprove the world of sin, and of righteousness, and of judgment:

9. Of sin, because they believe not on me;

10. Of righteousness, because I go to my Father, and ye see me no more;

11. Of judgment, because the prince of this world is judged.

Then one day the Lord came by my way and He forgive me of my sin but it was not until about 20 years later when God began to deal with me on the true mode of Christian baptism as it is recorded in Acts 2:38 and throughout the scriptures. Once I accepted the LORD Jesus Christ as my saviour and He forgave me of my sin, He gave me eternal life. Then 6 weeks later I got baptized on the Hutterite colony in the titles and I thought that that is the way to go. I was in that colony for 20-30 years. When the Lord began to deal with me again He took me into His Word and He took me out to Vancouver to get baptized by immersion in the name of the Lord Jesus Christ and that is the foundation of Christendom. The rest is just as I said, everything else if you are really searching, you are really searching your way back to the beginning. The beginning began in Act 2:38 and that is the foundation of Christendom and that is the key that Jesus gave to Peter in *Matthew 16*:

13. *When Jesus came to the region of Caesarea Philippi, he asked his disciples, “Who do people say the Son of Man is?”*

14. *They replied, “Some say John the Baptist; others say Elijah; and still others, Jeremiah or one of the prophets.”*

15. *“But what about you?” he asked. “Who do you say I am?”*

16. *Simon Peter answered, “You are the Messiah, the Son of the living God.”*

17. *Jesus replied, “Blessed are you, Simon son of Jonah, for this was not revealed to you by flesh and blood, but by my Father in heaven.*

18. *And I tell you that you are Peter, and on **this rock** I will build my church, and the gates of Hades will not overcome it.*

19. ***I will give you the keys of the kingdom of heaven;** whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven.”*

20. *Then he ordered his disciples not to tell anyone that he was the Messiah.*

Then on the day of Pentecost, Peter took those keys, when they asked Peter what must we do to be saved and Peter said - *Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost. For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call.*

It is such a simple formula, that promise as Peters said, is for you, and to your children, and to all that are afar off, even as many as the Lord our God shall call.

The key is this as many as the Lord our God shall call and that terminates all this proselyting; all this fanfare that we saw at that Farmers Market. Those churches would all be empty if that would be so because the Lord didn't call them, they have been proselyted into these Pentecostal churches not these denominational church systems or in this Gospel Hall thing. When you go back to this Billy Graham thing when he went around the world with these big crusades and thousands of thousands of people would come to these crusades, and they had this guy Beverly Shay singing - *Just as I am without one plea.* Then Billy Graham came up and he

preached this emotional Hell, fire, and brimstone message. Then when he was done he made this alter call and there they would come by the thousands going up after he finished preaching and they supposedly accept the Lord as their saviour, but it is not real, it is an emotional thing. That formula that Jesus gave to Peter to repent and be baptized in the name of the Lord Jesus Christ that formula was not used in his crusades that he had. Then that massive ideology flooded the churches and today it is in the churches so rampant and people, they believe it. They think that when they go to these churches and they have this hyped-up thing that it is really born again. Like that Jarod that texted us one day that he felt something enter into him but see that is not being saved. Have you gone to water baptism, have you repented of your sins, have you gone to water baptism in the name of the Lord Jesus Christ. The minute you do that you are automatically ostracized from that Hutterite system. Here this delusion has filled every aspect of society, that Billy Graham thing, and that church thing and that proselyting thing, that nothing is real anymore, and finding the real thing is like finding a needle in a haystack.

What the Lord did with me He took me back to Act 2:38 and one of the first things that He dealt with me on is that very scripture, there is one faith, one God, and one baptism.

Things were getting so corrupt almost like the Democrats in the states. Let's say that you are a Democrat, you can only go along with them so long but they have now become so corrupt that you can't go along with them anymore. That is what happened in the colony. Things started to get so corrupt that I had to make a decision and I could not support it anymore. Then I had to go search out my own salvation with fear and trembling and I came to this scripture. The Lord inspired it in my heart and soul. There is one faith, one God, and one baptism, but it was up to me to search out that one faith; it was up to me to search out that one baptism. One of the first thing that I did was I searched out that one baptism. I knew that that is not the same baptism that's in the Bible because the word "baptism" means immersion. I started searching and I started digging and finally the Lord by His grace and mercy He took

me out to Vancouver where I learned about baptism by immersion in the name of the Lord Jesus Christ.

That is what I did because I saw it in the scripture, and ever since then I was wondering, some of them they live a better life than I do, and they can really convince you and they can make you feel that you are lost and they are saved. You have to step back, what is it anyway that they can actually intimidate you with their figure of speech. Like that one young guy, he would have walked right over us if we would have let them, but see we knew where we stood, they were talking to two pros here. We know how this stuff works, I told them this here is just another Hutterite colony, all this paperwork is just another bondage thing. It is just another way of locking people up in their prisons.

As I said, I have wondered over the years what is it any way they are convinced they have something but it is not the real thing, it is a delusion. When you go back to *2 Thessalonians 2:*

10. ...because they received not the love of the truth, that they might be saved.

11. And for this cause God shall send them strong delusion, that they should believe a lie:

Paul said that God is going to send them a strong delusion that they will believe a lie simply because they did not receive a love for the truth. They did not want the real thing, they did not want Acts 2:38, and somehow because they did not want it the Lord just passed them by and send this delusion, this phoney artificial Christianity. This Billy Graham stuff this Gospel Hall stuff, you don't even have to repent you just get baptized and then you become part of the clan, part of the group, and if you are not part of the group then you get ostracized. I don't know how they do it but they have a Gospel Hall here and then they have one out there, I don't know if they have anything to do with one another or not. I might just be another click, that's usually how it works they don't get along and then they form another click, but here Paul warns about keeping the unity of the faith. Even back then when there was only one faith, he gave orders to make every effort to keep the unity of the faith. Then he goes on to say there is only one faith, one spirit, one God, and one baptism. We are in that but how do you convince

thousands of people out there that this is the right one, or for them to let go off their ideology.

Like the Hutterites they are convinced that theirs is the real thing, and they won't let you fellowship with anybody else, and on and on the rhetoric goes, and when I was at the Mennonites and after a while, you find out that it is just another Hutterite colony. At first, I didn't know what was going on but now when I look back and I came to the ministry of brother Branham how all these denominations they are all part of that whore system, those harlots. For me to see it now it is crystal clear what it is all about. When you go and talk to people, like the guys that we talked to yesterday, there has to be a germ, a spirit, so to speak, when you step back and you analyze it and it all comes back to that baptism. They make you feel like you are the sinner. When you talk to them you realize what you have and what they don't have. They don't even have repentance, they don't even have the proper formula.

Somewhere along the way you have to stop and analyze it and ask yourself, where did all this originated from. It all originated from Nicaea Rome when they brought in this counterfeit baptism. The early church fathers passed on and these antichrists, they came in and disrupted the real thing. That is what the enemy sowed these false tares in the second parable in Matthew 13, if he can get in there and cause division, then he can divide and conquer. When these guys come in that is the first thing that they want to do, they want to find a foothold here. Like that Randy with his flat earth stuff. That's the first thing that the devil does it is just his nature to do that to go in and disrupt what we have here. The same with this Jeremy guy eventually he would have taken over and we would have been left out there holding the bag. That is why we have to keep a guard on this and to get it where it originally was - Water baptism in the name of the Lord Jesus Christ for the remission of your sins. Even after we baptized these two guys, Satan thinks that he has a foothold now and all he wants to do is to come in and to disrupt and that is what he did back there in that Ephesian church age when Paul warned them that after his departure they will come in. The same with John, he warned the church that many antichrists have gone out. See what it is it is the spirit of Satan to come in and

to disrupt and to divide and to tear down and to say things that were never meant to be said.

I don't know what all went on back in the early church but they came in. They probably were better Christians than the real Christians were because the devil can manufacture a Christlike life. As he does with these Jehovah's Witness people and these Catholics, they can live an upright life, even the one that they are putting in for that supreme court justice. She has a life that is second to none but does she believe in the true baptism in the name of the Lord Jesus Christ. They have better lives than a lot of Christians do, but they don't have all these revelations that God restored - The just shall live by faith, sanctification, and baptism of the holy ghost.

There is nothing that we can do for our salvation. All we can do is follow that Word, repent, and be baptized for the remission of your sins. Your slate is clean. When they use that Nicene Rome baptism their sins are not remitted. They go through this Hutterite rigamarole baptism, even these Gospel Hall people they baptize in the name of the father, son, and holy ghost baptism and there is no remission of sins. When they have done that baptism thing, they are just the same person as they were when they went into it. There is no heart change it is hypocrisy, it is not real, nothing is happening from the inside, it is just an outward appearance. They can put on a nice front on the outside but eventually, it just shows up. That is the problem with the church world out there because it is not a true baptism it is a phoney artificial baptism.

Lorraine speaks: It looks like the devil can convince them that they are born again.

Sam speaks: Yes, he brings in these seducing spirits to top it off.

Lorraine speaks: They know the scriptures better than we do. They can quote you a whole list of scripture and people fall for it, they seem to have it all together but it just an outward thing it is not a change from within.

Sam speaks: That is what the Lord was dealing with me on the last week or so. Then the last night and the night before all night long it was all about this baptism thing; the stronghold, and that

artificial born again spiel that they have out there. I am trying to weave back and trying to explain what is going on out there with this church world and you can't convince them of anything or to drag them back into reality to Acts 2:38. They don't want to go there. They talk about it and they leave the germ out. They leave repentance out. What stuck out to me when we talk to them - As many as the Lord our God shall call. If you have not been called you have been proselyted, and that is the only way that it will work. That is why these churches are full of these people.

In fact, if you are a real Christian in these churches they are going to make sure that you get booted out. They don't want you in there. Those two spirits, they can't house together, and eventually one has to give in. When the Lord saved me my spirit was not compatible with that Hutterite spirit. I was content, they told me that is what you do. That you get baptized in that Hutterite colony and once you get baptized you can get married and all that stuff, but they don't tell you what really is going on. They don't tell you that we are going to coerce you into this phoney water baptism and then once you are in there you are free to get married; you are free to have kids; we are going to give you free food; we are going to give you free this that and the other. Everything is for free but you have to give us your heart, you have to give us your soul; you have to give us your freedom to think for yourself. You can only think the way we tell you to think. Then you get your free housing. You can't allow yourself to be led by the spirit, we are going to lead you. That whole religious thing out there, it makes the true thing null and void. It can't work in that system, and here, in that Hutterite thing, it's the same thing. In order, for that to work you can't have that Acts 2:38 baptism. That it is as many as the Lord our God shall call and you can't be led and guided by the Holy Spirit. As Jesus said in *John 3:8*

The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.

That is every one that is born out of the spirit of God, there is no way that you can have a handle on that person. In that system that is null and void. That whole New Testament water baptism

conversion thing you have to make it null and void before they can bring in that Nicene Rome doctrine. That is what that Hutterite thing is it is built on Roman Catholicism, I have seen it. If that preacher would tell the truth, they are not telling you to get baptized but they are coercion you. There is a silent expectation that that is what you have to do. They will not allow you to get married. When you come up to a certain age every person wants to get married, but see you can only get married if you get baptized. Then they baptize you into this catholic baptism, and you become a prison to the system. It becomes a cage and you belong to this Hutterite prison.

It says over in *Revelation 18*:

2. The hold of every foul spirit, and a cage of every unclean and hateful bird.

That is all that it has been, it has always just been a cage but now it has become a cage where it is inhabitant by every devil in Hell. It will all come out, the pedophilia and all that. What I am trying to say is this, that preacher, he does not tell you what I am saying here. That from now on, we want you to get baptized and get married but you have to sell your soul to the system. We are going to do the thinking for you. We are going to give you free housing; we are going to give you free food but in exchange for all that you can't use your own thinking pattern. You have to think the way we tell you to think. In other words, you are our slave and we have it so engineered that you come and asked us. So you can't put it on them.

Like Ben from Rock Lake, he wrote me a letter. I didn't even open it I could see some writing through the envelope. He was saying you came and asked to be baptized. When all actuality you are coerced into it - there is a 'silent expectation'. When you go through this whole Hutterite rigamarole and you come up to when you are 20 years old and let's say you don't want to get baptized, then you are kind of looked down on. Let's say you are 25 years old and you have not been baptized it is the talk of the town. Oh, s/he has not been baptized yet. That is how they control you into this baptism thing. I know there is this guy up at Deerboine and he decided that he does not want to get baptized, he was about 30 years old. He had this girlfriend and he couldn't get married so he

finally did get baptized so he could be part of the clan and get married. That's what they do, they don't make legislation they just kind of coercers you into you have to get baptized when you reach a certain age.

That is what happened to me when I reached a certain age when I came back to the colony. First, you ask your parents that you want to get baptized. They were waiting there for me to ask, I guess everyone asks their parents, and then you go asked the preacher they bring it before the church the next day and announce it that these young people came and asked to be baptized. They have a heart's desire 'mit Gott und allen frommen einen bund aufzurichten. It is all deception - Ich habe ein herzliches verlangen. Like you have this real heart-wrenching longing to make this promise with God and all Christians. They are not Christians they are Hutterites. That is the leading of the Holy Ghost that leads and guides you.

Lorraine speaks: I know what that baptism does and it is an unfruitful vine. It is just that simple, you can never produce fruit. I became a Christian around 1999, then I was baptized a year later. Personally, when I look back I didn't really want to get baptized on the colony. It was not something that I felt I wanted to do, but it's like you say, it feels like that is what you should do, and baptism is Biblical so I followed that protocol. Then we went over to ask the preacher Mike there to be baptized and he started yelling like you have no idea. I thought, oh wow what kind of a system is this. I thought this is just crazy. I told my sister and her husband I'm not going there again. So they kind of persuaded me to give it another chance. He does that with everyone when they come to ask the first time, they told me. I said, how is that necessary, to just down you like that as if you are this criminal when you come and asked to be baptized. So right there number one, there was a red flag.

The next red flag is you learn all these verses and it's all memorizing, not that it's a bad thing but it's not scriptural. It is not from the heart, it's just something that you memorize. Then you are baptized by sprinkling and that in itself is not even biblical. Then once you are baptized you belong to the system because I was free until I was baptized, I was a believer, I felt God in my life. After I was

baptized there on the colony I went home after that baptism and I shut my door to my room and I started to cry, and I cried for hours. I looked at that structure, I looked at all the people and I wondered what was missing. I remember thinking to myself I don't want to become like that. I don't want to at Easter time when they take their communion all of a sudden try to be this holy person. I thought to myself I want a daily walk with Christ, I want to have a life with a purpose, I want to be fruitful. I didn't know what it was I just knew that something happened to me and it was not good. I felt like I was put into some kind of bondage, some kind of a prison that you have to perform for them and not for the Lord Jesus Christ. That's all it is you have to perform for them. I even had this argument with this one guy, he knew I was listening to preachers on the radio and I didn't agree with the teachings on the colony, and he said - I made this promise with the colony and God. I told him, I never made any promise with the colony. He said if you made this bunt that is what you did, you made a promise with the colony. I told him if you did then you did, but I didn't, I just made a promise with God. See how they do it, it's all in the language. They hijack certain things in the scripture and they use it to pressure people and to manipulate people into this system. It is the same with the gospel hall people you can be baptized in the gospel hall and you can fly up to the moon. They have a control over you. It is an invisible control it is all by a spirit. Don't think the devil didn't know what he was doing when he came in with sowing tares and changed the water baptism from Acts 2:38 to father, son, and holy ghost.

Sam speaks: It is all a spirit and it is diabolic.

Lorraine speaks: I told them over there at that Farmers Market I don't care if you signed that ecumenical agreement with the Vatican or not. There are lots of denominations that have gone back to that whore system that have signed up with the Vatican with Roman Catholicism. It does not matter if you literally signed your name on that piece of paper or if you didn't sign it, if you are baptized in the trinity of father, son, and holy ghost, which is the counterfeit baptism, that the devil used to destroy what God was doing, then you are connected by that baptism back to Roman Catholicism because it is not God's baptism.

In order to have the original baptism that was from Heaven, you have to go back to the early church, to the apostles, back to Pentecost, and how they baptized in the name of the Lord Jesus Christ.

Do you think when Jesus said in Matthew baptize them in the name, that the disciples didn't know who that name was. There is only one name given under Heaven whereby we must be saved, and that is in the name of the Lord Jesus Christ. Do you think Peter at the day of Pentecost if he would not have known what Jesus meant would have baptized any other way than in the name of the Lord Jesus Christ, and do you think if Peter would have gone one iota what Jesus instructed them that the Holy Ghost would have come down and anointed them. People don't think when they read these things. You go through all of the Epistles and see how they baptized, it was in the name of the Lord Jesus Christ. There is only one merit by which we can be saved and that is in the name of the Lord Jesus Christ. Right away they throw this born-again thing in your face, and it's just an outward appearance along with all these Bible verses there. They look so nice and good, nice pictures, nice verses and it all looks so real but it's all an outward appearance. What about the heart what does it do for the heart. I can tell you all kinds of verses too but it is the heart and the life that God looks at.

Sam speaks: It's an artificial thing, it is not real, and it is all coming to fruition now. That is why the Lord allowed us to go through that scenario. If we would not have gone through that we could not tell them this. Like Moses was in Egypt for 40 years and he knew the ins and outs. God had to have him in there and then take him out. He had to be in Egypt, then he had to be in the desert and when the time was right God called him to take His people out of Egyptian bondage. That is how it was with you and me, we had to go through that rigamarole. God's grace allowed us to be born in there and to be baptized in there because He looked at the whole picture. Now you can go and tell them how you felt when you got baptized how it took away what you had. They took away your relationship with God, they took away your freedom, and they put you in this cage and that is all it is. It is a cage of every foul and hateful bird, but now here in this end-time in-order for us to deliver

those people we have to have gone through that scenario in order to set the captives free. It is just that simple.

In the last couple of weeks the importance of baptism it keeps coming back to me. How they manipulated and how they connive you into it. They don't tell you that it is diabolic because they don't even know that themselves. They don't take time out to study it, see I took time out to study it and search it out. I saw there is one baptism, one faith, and one God. The minute I did that I locked horns with the leadership because they want to keep their power. They don't want to disrupt their camp. Even at the expense of souls, there are many people in Hell because they didn't go back to the scripture.

Lorraine speaks: It's like you always say with that Gorbachev, there comes a time where you have to move with the time, with what God has for the bur we are living in otherwise you are going to be left out in the cold, and you can see that with the Democrats in the USA. God is on the move to bring America back to the constitution whether the Democrats or the Republicans like it or not. He is on the move and He is using Donald Trump to inspire the people to go back for a love of God and their country. It is just a simple little formula. These sports industries with this virus from China, how these millionaire sports figures are kneeling at the National Anthem. God is famishing these gods, its just another Colosseum where people get beat-up and people go there to be entertained. It is not from God so it is going to be famished, and that's not saying that there are not individual players that are Christians and all. God is slowly famishing and taking away all these false gods.

It is the same with the Hutterites. These preachers out there are preaching and are promoting their agenda instead of God's Word. When God is slowly restoring these truths and bringing them back and if you don't move along with the spirit of God, you are going to be left out. When God sets the time when things will be set into motion and if you don't go along with the spirit of God you are going to be left out because the people are going to grab ahold of it because it is God that creates a hunger and a thirst for righteousness in the hearts of people. It's like parched ground when

it does not get any water for a long time it just soaks up the rain. That's the hearts of people when they have been denied truth for so long they become hungry and thirsty for things of God because we are created in the image of God and that soul and spirit longs to know God. This is what everyone in this world is wanting and looking for, but the god of this age has blinded them, this lukewarmness, this Laodicean spirit, that grey horse rider, spiritually putting people to sleep instead of searching things out. The systems of this world have made people content to be lulled to sleep, and brainwashed instead of rising above it all and searching out your own salvation with fear and trembling, and going back to the Bible.

Sam speaks: Like these preachers, Jesus said to the Pharisees you don't enter in and you are keeping the door shut for those that do want to enter in and that is exactly what happens in these colonies when they tell people not to have anything to do with Sam. Don't read his books throw them out. See what they are doing is they are holding the door shut but see as time goes on you can only hold it back so long. If we don't speak the rocks will speak. We are just doing our part on a weekly basis and trying our best to get the message out, but see even if they don't receive it and not one book gets into that colony, and not one cd is listened to, not one thing happens, but see what we are doing here is we are setting it into motion in the heavenly realm and they cannot stop that heavenly atmosphere from happening. You may not know that you are doing something but I remember back in the day there was something in me that was grinding away. I could not support that system anymore. I heard that mighty angel in Revelations, there was a charge in the heavenly realm where that angel in the heavens said - Come out of her my people so that you don't partake of her sins and receive any of her plagues. That is why we have to fast, that is why we have to be at the place where we are, we can't have any invaders, it is just the two of us, and we have our life in line and it has every reason to go into the heavenly realm to do its thing. That is why it is so important to be at the right place in God, because if we are disobedient then it does not have that effect in the heavenly realm, even if we never say anything, it is the spirit.

Sure we get these books out but it has to be in the atmosphere. The spirit and the bride say come, then these come together and then it works on the person's heart that reads it and it is living water, it is meat in due season, but the two have to combine. You get this message that we are having here, this conversation if you would have had it twenty years ago it wouldn't have any effect. Like the conversation that we had last week the time was right to deliver that message. I didn't do it the time that God put it on my heart so we had it last week. I didn't realize that it is for them now, so we sent it off to that Jerome guy. That is the way everything is it has to be in its time frame, its proper timing and then things happen, but if it's not in season then nothing happens.

Like you were saying about that Gorbachev, first that Brezhnev died, then Yuri Andropov, then Konstantin Chernenko died, then Andrei Gromyko, they were not president for very long then Gorbachev stood back and said there comes a time when you have to change and when you don't you are going to have to suffer the consequences. It is the same here for these preachers most of them are not going to see it, some will see it, but some will fight it, and if they don't fall in line with it they are just going to have to suffer the consequences. It is like the Democrats in the States those that vote for Joe Biden they are going to have to suffer the consequences. They will never be able to get on board again. They have forfeited their thing, that is why the God of Heaven allowed Obama to be so corrupt, then along comes someone that is even more corrupter Hilary Clinton and now here comes all this corruption out about the Biden's. The corrupt of the corrupt, how can you vote for something like that. Unless you are supporting corruption and you burn all your bridges to ever become a decent human being. There are quite a few leaving the Democrat party now they are jumping over to Trump, and they never felt so good and finally, they are free.

The same thing here God is going to be moving here, I don't know what He is going to do, we are just going to do our part. The little part that we play and if you move with this you will not have to go through this hell that is coming. Where they will burn up their cities, burn up their colonies, and rape their women and children. It

is coming. This is that invitation to the marriage supper of the lamb, and if they don't accept that invitation, it says, that they are not going to smell my supper and Jesus gave orders to burn up their cities. It is going to happen it is just a matter of time. If they don't take that life-line when the time comes they are going to be left out in the cold. Just like it was back in the days of Jesus. They didn't accept Jesus, they didn't accept the apostles, and when that siege of Jerusalem 69 AD come and everyone that did accept Jesus didn't die. When that siege came they were all gone, but the rest, they stayed in there and they died. Some got taken into slavery, and here it's the same thing, it's just a repeat and this is a life-line. If you take it fine, if you don't you are going to suffer the consequences it is just that simple. God is not mocked. He put in a lot of effort to bring in this end-time message of Brother Branham, look what he all had to go through, and then brother Jackson look what he had to go through, and look what I had to go through terminated from the family from everything. I became a vagabond overnight just because they could not accept the truth. I told them flat out you don't have anything on me all I did was I told you the truth. They didn't want the truth and they will have to suffer the consequence and God only knows how many of them are in Hell. It just keeps on going we are just doing our part we are just releasing it into the heavenly realm and God can hold them accountable. I don't know what else to say you can talk until you are blue in the face, but you have to go back to the foundation Acts 2:38, and if you reject that you accept that unfruitful vine.

Lorraine speaks: What did these people ask Peter on the day of Pentecost. What must we do to be saved. Do you think that Peter would mislead them, being filled with the Holy Spirit and having been given the keys that Jesus gave him. Jesus gave Peter the full authority over those keys and Peter told the people -

Repent and be baptized in the name of the Lord Jesus Christ for the remission of your sins and you shall receive the gift of the Holy Spirit, and that promise is to you and to those that are a far of. So right there you can see that that formula is for, those that are a far of it is a formula for all times all throughout the Grace

Age. It didn't stop just at the early church, it meant that for us here, at this hour, it is going to be the same formula. Then the holy spirit will lead and guide you into all truth.

That is what brother Branham said about this manmade born again stuff, if you are looking around for this big church you really have never been born again because it is contrary to scripture and to the holy spirit, because you are looking around, your own intellect is looking for something. Like where can I feel the most prestige, which one looks like it is the most elite church. Whereas when you are filled with the holy spirit then the holy spirit will lead and guide you into all truth, not your intellect, where you think you should be going it is going to be the holy spirit. It says, that God added daily, we can't proselyte anybody. It says God added daily. Paul said he plants the seed, Apollos waters and God gives the increase. That is all we can do, we can have these conversations and send these books out and plant the seed, water it but it is God that gives the increase.

Sam speaks: Like these two people that we baptize we didn't even know them. If God does not give the increase it is an unfruitful vine. It's like in the spring when you go and put the crop in and if God does not give you the rain that crop is just going to rot in the ground with no moisture. Here it is the same thing we are just doing our little part in making people aware that you have to go back to Acts 2:38 and there are going to be some hungry souls out there, there are going to be some people, as the pressure builds up, that will want something real. I have seen it already what is going to happen. They are going to want to get baptized right because that's for their demise if they don't.

Lorraine speaks: When I became a Christian there was this guy from the Gospel Hall, he gave me the Word and I received it, by hearing the Word of God I received it. I didn't go looking for no Gospel Hall church it was Jesus that day coming to meet me with the Word and saving my soul. The thing about it is people put so much emphasis on a church system and I was never one to be too much into a church system. I went to the Gospel Hall a few times, I knew this lady that I did a Bible study by mail and she was part of the Gospel Hall, I guess they have their place but it was not a place

for me. When I broke my ankle I went to the Wurtz's church for a bit and I knew that that was not the church for me either, and I told her that God chooses your place of worship where He wants you to be part of and that is what God did He brought me to this end-time truth. Sure they don't like it when you stop going because people tend to think that they own you. These systems they think that they own you and a child of God is born out of the spirit of God nobody can own you.

Sam speaks: When you analyze it, that Wurtz thing, that they have going there it is still connected to that Vatican thing and they have one passion and one desire to lock you into their cage where they are in. Misery loves company so they want to drag you back into their cage. There is a force and they do not want to say it, but like you were saying it is that invisible force that they picked up through that counterfeit water baptism, and they could go to the moon and they would still be tied to the Vatican they don't actually have to sign that ecumenical thing, because Satan knows he has people through that baptism, he just seals it through that ecumenical signature. It is sealed when they accept that Nicene Rome baptism whether you know it or not that is exactly what it is. The unpardonable sin that you can do on that colony is to try and get baptized in the name of the Lord Jesus Christ. When you do that you are done you are toast.

Lorraine speaks: It's like you said - We'll provide for you, we will give you a home, we will give you food, clothing shelter, we will even give you a lot when you pass away, we will have your funeral but you belong to us. You serve us. You know what Mike said one day, he said that is our role on the colony to take care of the old people. Well, what if God didn't create me for doing that. I am going against what God has for me. They have this role design for you not what God has for you. It all comes from that baptism and they have your life mapped out for you and for the price of what - for your life. You exchange your very life to them.

Sam speaks: They don't tell you that they are taking you and locking you up in a cage. That is what happens when you get baptized you belong to them. You don't belong to Jesus anymore and in order for you to get out from under there you have to cut off

every tie and get baptized in Jesus name and then when you do that you are cut off from there, they cut you out. You don't have anything, you don't even have a wife, you don't even have children. With me, I actually lived through it and now I can talk about it. They are not telling you what we are saying here but they do it. You have no wife you have no children you have no home you have no job but if you make things right with us we will give you back your wife, we will give you back your children.

My dad was the best there was in that system and just to expose the spirit behind that system even further after I was terminated I went back to see my children I had not seen them for quite some time. So I arrived when they were at church and after church, my dad called me up and asked me what I was doing there. I said, I can to see my children, and he started yelling those are not your children these children belong to the church. When I was done with that conversation he didn't dare tackle that topic again. Then some years passed by and my dad got Alzheimer's and I went there to see my wife and children and when I got there the preacher Elie he called me up and asked me what I was doing there. I said, I came to see my wife, and this is what he said - That is not your wife, she belongs to us. That spirit looks good as long as you don't challenge it, but when you start challenging it you can see what happens and Isaiah describes it very good in in *Isaiah 59*:

5. They hatch cockatrice' eggs, and weave the spider's web: he that eateth of their eggs dieth, and that which is crushed breaketh out into a viper.

That's all they could accuse me of in the end - Oh, he had no business challenging us. Why? Because I'll tell you why through that I exposed what that system is all about; I exposed those preachers and that spirit that is driving them.

Lorraine speaks: Ya, it is living proof that that is what that system is all about. Sure they will not tell you all that, the devil never tells you what his endgame is, but the endgame is your life. You actually experienced it hands-on what happens when you decide to follow Jesus, then they take everything from you, your wife, your children, your house, whatever they provide for you they take from you because it is not yours in the first place they just lend it to you

while you live there. It is all part of Catholicism. It says in *John 15:13 Greater love hath no man than this, that a man lay down his life for his friends.*

My question to them is when have they ever laid down their lives and were willing to lose it all to save a people. While they terminated you they could live in their mansions, sleep on silk sheets, drive around with the newest model of vehicles, eat the best food and such whereas you lost it all for the sake of Christ and the gospel because you were willing to give all that up to help them, by letting God lead and guide you to this end-time truth so that God can use you to save a people from going to destruction.

Sam speaks: It is a counterfeit, they copy what Jesus has for you. See we have more than they have plus, we have eternal life, we have everything and more than what they can actually give us. We have a house and more. What Satan does he counterfeits everything. What we have, we received from the Lord. It says, seek you first the kingdom of God and His righteousness and all these things will be added unto you. We have a house, we have money, we have a car, we have freedom, we have peace with God, we have eternal life. We have a thousand times more than they could ever give us. They can only produce an artificial house. It looks good from the outside until you come to face reality and realize that we have a million times over more than they could ever give us and that is just Satans counterfeit. Like he did with counterfeiting that baptism, when you go back to the real baptism then you have that whole package and you have it on God's terms and it is a foolproof system.

I walked right through that thing. I was there and I worked there for 30 years and there came a day where the Lord let me know, when my last girl was born He let me know that this is it for you as a Hutterite. It is the beginning of the end for you and it is like I said that is when I had an interview with my father-in-law, and I told him that I can't support that system anymore and it was the beginning of the end for me because the Lord controls my life I belong to Him. You have to go back to that great council, where God that great eternal spirit He created everything for Jesus Christ and then when He came to us He created us for Jesus Christ, see

Jesus had to come to redeem us. Now we are redeemed by the blood of Jesus what He did for us at Calvary and now we belong to Jesus, I don't belong to that colony. Now if Jesus decides to have me in that colony. That He has a work for me to do, I need you in that colony until you are about 45 years old, I will let you get married, I will let you have children, but I am doing something that you can't understand, and when my last daughter was born it was like He was saying I am done with you as far as this part of the program.

When I look back and I analyze it all I didn't know it at the time, if I would have known I would have rejoiced but I didn't know what was going on but God with that invisible hand just reached down and said, Sam, you are done here, it is no use hollering you are done as of now, and you can do one of two things you can either come kicking or screaming or you can come praising me. Well, I decided to just praise the LORD, I don't understand anything and that is how I kept my sanity, that is what kept me from going crazy. The thing about it is you have a perfect family and they come in, in the name of religion, in the name of God and they take everything away from you simply because you stood up and spoke what the Lord wanted you to speak.

Then here they come along, your own parents and in-laws your own family, and that is why today we had to cut ourselves off from our families because they are still using your family to drag you back if you let them. That is what I had to tell my family. If you can't come and support me then sorry you don't even exist and that is what you have to do because there is a connection through that baptism it will be there and they will want that thing and they will want you back until they themselves come onboard. So until that happens then I'm sorry they are no asset for this journey, because that invisible spirit will drag you back and you won't have the peace that you have now. You have to cut yourself off, and if you are not in the fight you are no more to me then the person of the street, and you go on with life. Look how good we have it, look at the peace that we have, simply because we have cut our ties and we laid aside every weight. We got rid of every weight, of every connection, and there is no way that they can do anything to us, but see in

order to set them free we have to be free ourselves. It is a very simple program you just go out and be baptized in Jesus name. I will baptize you if you can't find anybody, and that is actually when the fight begins.

That was 20 years ago when I got baptized and the journey still goes on. There are some people, they get baptized and they think now they have the whole package. I am afraid that it does not work that way, now you do like the pilgrim progress guy, you have all these people on your back, and you have to get rid of all of them because they are going to harass you right until you get to that city. It is interesting but as long as you stay ahead of the curb and you are led by the spirit. The spirit of God will put you on a fast, or the spirit of God will tell you to cut yourself off from family, or that person, the spirit of God will lead and guide you into all truth, He will make it easy for you if you are obedient if you are sensitive to the spirit, and fasting makes it a lot easier. It is almost impossible if you don't. Like you were saying I wonder if any two people have fasted more than you and I, it looks like we are always on a fast.

When you go over your life how you felt when you were caged into that system and it is a cage it is a hole for every foul and hateful bird that is not me saying it that's the Bible. Now here in this end-time, everything is coming to fruition. We had a conversation about planting a good tree. There are many times where you don't know what kind of a tree a certain tree is but when it starts to bear fruit you know what kind of a tree it is. The same with crops when you just see a little green popping out of the ground it is hard to know what it will be until it starts to grow and then you can tell if it is canola or wheat or such. With some, you can pretty much tell right off the get-go but with others not so. Here in the end-time everything is showing its true colors this religion and what every individual is about. The only thing that will stand when that shaking is over is the Word of God. That shaking is going on now with that virus that is all part of the pestilence that Jesus talked about. It says, Ein volk wird sich empören über das andere, one kingdom against kingdom. That shaking it is going on and at the end of it all there is only one thing that will stand and that is the Word of God. That is why we are so obsessed with sticking with that Word

because at the end of the day you don't want to fall, you want to stay standing and the only way you and I can stand is to hold onto the Word of God. It is just that simple, be baptized in Jesus name, that is holding onto the Word of God and be led by the spirit that is holding onto the Word of God, that when the time comes when all these things come nothing is going to affect us, not a thing, we will just sit here or wherever the Lord will have us we will be at a place of safety and no harm will befall us.

Like when that snowstorm came through here last year it really didn't affect us. The week before the Lord let me know to go out and get that generator, see I wasn't sensitive enough if I would have had that thing it would have been here and this thing would have gone over like nothing. If we would have had that generator here we would have had heat and everything that we needed, but see I had to go out and get it and with not that much fuel to get it.

Lorraine speaks: The car part was my fault because you said we should fill up and I said - Oh we are still good. IT was about a quarter full I was too lazy to go out and fill up with fuel.

Sam speaks: so I can pass the buck here, but see these things will not take us unaware but we have to get this down pat they are not telling you that they are caging you in but that is what they are doing. They make it sound so sacrilegious and there for the longest time I felt guilty saying something about them and now I am just saying what the Lord commissions me to say. It says, have nothing to do with the unfruitful works of darkness but rather expose them that is what we are doing we are exposing it for what it is.

Lorraine speaks: That's the thing, that system is rotten to the core, it has some good things in it where you can raise children in that secure environment, but it is all so very deceptive. I felt the obsession in people when I was young about what that system does. It was almost as if I could feel the agony that people went through, people think that is how it should be but that is a lie God wants people free, it is not a good system it might appear good, you might find that you are secure in it but what is the price that you are going to give. What is the price that you will give being dictated to and then having food, clothing, shelter, and such but at what price are you giving for your soul and life in knowing the Lord Jesus

Christ personally and walking in the spirit with Him that is what people are giving up. It is a big price just for a little bit of nothing.

Sam speaks: When Jesus will supply all your needs according to His riches in glory. More than what they ever have theirs is not real, it is artificial. You have to sell your soul to the system, but like I said God had me there and He was going to teach me something now I know how that system works He wanted me to go over this baptism thing. It is a lot more serious than what people know. We walked through the misery of it and we know what they are doing what they are saying and what they are not saying. They are saying what they are not saying in action, not in words. Back in the garden if that serpent would have told Eve, here is the plan, I am going to do a number on you. He never told her that but he deceived her, here it is the same thing. It is deceptive with luxury, new housing, vehicles, food, and all these good things and they lull you to sleep, and you never had it so good but really when I step back what about my soul. You took away my freedom to think for myself. I can't have the freedom to think for myself, I can't even have a car. I used to have nightmares that I don't have anything to drive around with

Lorraine speaks: People replace it with materialism, they appease people with all these clothes, with a new home, food, it is just another way of appeasing people so that people never come to their senses and realize that they are actually hungry and thirsty for the things of God and His righteousness and that is what people are really hungry for. The devil only has all these to distract you and keep you asleep.

Sam speaks: This thing that we have here is what every person in the world is looking for. Like that one guy was saying to find the truth is going to be like trying to find a needle in a haystack. Well here it is but I can't give it to you, if I give you the website it will just be whatever, but if a person is serious and searching for it, they will find it. That is what happened to me, I searched and searched and I found it and when I found it I knew that I found it. The same with you, you were searching and when you found it you knew that you found it. Even that Jeremy the guy was looking in spite of his all his failures, his soul and his spirit were looking for something he knew

this is that, but now he has to drag his carcass along and try to line up his lifestyle and he does not want to do that. So God will win out in the end. Even with that Randy what a mess but see God gets things done. God started this program and He will get it done. We sent him a book and the Lord started a work and he called us up and now he is in a different league now. That is where the rubber hits the pave.

It is a different ball game now they have a different umpire and you want to be on the right side if He starts hitting you. He will get the job done.

Heavenly Father we just had a little conversation, I just pray that you will take what has been said and use it for your honour and glory, give that increase, draw the picture for the people in Jesus name we pray, Amen.
