

Lowest Valley

*Lord I don't want to do one thing on my own
Put me where you want me Lord where I belong
Give me the strength Lord to do thy perfect will
And when I'm in the lowest valley I can climb the highest hill*

*Lord I want to be what you want me to be
Lord I want to do the things you want me to do
Lord I want to stay in the center of thy will
When I'm in the lowest valley I can climb the highest hill*

*This world gets more wicked every day
People's hearts have grown cold, forgotten how to pray
But if I live to be a hundred I'll keep holding to your hand
Until you come and take me home to that promised land*

There is power in the blood

*Would you be free from the burden of sin?
There's power in the blood, power in the blood;
Would you o'er evil a victory win?
There's wonderful power in the blood.*

Refrain

*There is power, power, wonder working power
In the blood of the Lamb;
There is power, power, wonder working power
In the precious blood of the Lamb.*

*Would you be free from your passion and pride?
There's power in the blood, power in the blood;
Come for a cleansing to Calvary's tide;
There's wonderful power in the blood.*

Refrain

*Would you be whiter, much whiter than snow?
There's power in the blood, power in the blood;
Sin stains are lost in its life giving flow.
There's wonderful power in the blood.*

Refrain

*Would you do service for Jesus your king?
There's power in the blood, power in the blood;
Would you live daily His praises to sing?
There's wonderful power in the blood.*

On Christ the solid Rock I stand

*My hope is built on nothing less
Than Jesus' blood and righteousness
I dare not trust the sweetest frame
But wholly lean on Jesus' name*

*On Christ the solid Rock I stand
All other ground is sinking sand
All other ground is sinking sand*

*When darkness hides His lovely face
I rest on His unchanging grace
In every high and stormy gale
My anchor holds within the veil*

Chorus

*His oath, His covenant, His blood
Support me in the whelming flood
When all around my soul gives way
He then is all my hope and stay*

Chorus

*When He shall come with trumpet sound
Oh, may I then in Him be found
Dressed in His righteousness alone
Faultless to stand before the throne*

BEULAH LAND

*I'm kind of homesick for a country
To which I've never been before.
No sad goodbyes will there be spoken
For time won't matter anymore.*

*Beulah Land I'm longing for you
And some day on thee I'll stand
There my home shall be Eternal
Beulah Land, sweet Beulah Land*

*I'm looking now, just across the river
To where my faith, shall end in sight
There's just a few more days to labor.
Then I will take my heavenly flight.*

BUT FOR THE BLOOD

*I have no one to blame
How I long to hide my face
I was so ashamed for all the wrong I'd done
I knew I had to pay, I was bound to face hell's flames
I'd be there today, my friends but for the blood*

*But for the blood shed on Calvary's tree
But for the blood there be no hope for you and me
For all my righteousness is filthy rags and that's all I'll ever be
But for the blood that cleansed and set me free.*

*Even now I get so low
You know the devil lets me know
I'm so undeserving, I'm unworthy of God's love
And yes I know it's true but here I am with the chosen few
I stand today, I'm saved just by the blood.*

I NEED YOU MORE TODAY

*There are decisions I can't make on my own
And there are trials I can't face all alone
But you said you'd walk with me
Down life's troubled road
And you said, "Come unto Me,
I'll bear your heavy load."*

*I need you more today, than I did yesterday
Mountains are higher, rivers are wider
I need you more today, than I did yesterday
Help me remember, I need you more today*

*When I wake up in the morning
And I fear to face the day
Let me feel your gentle hand leading the way
Yesterday has come and gone
With those trials far behind
But I'm ever learning, Lord, and every day I find*

I'VE MADE UP MY MIND TO MAKE IT THROUGH

*I started out to follow Jesus many years ago,
The road was sometimes slippery, and my steps were often slow;
I met with opposition, didn't quite know what to do:
But I've made up my mind to make it through!*

Chorus

*Before the first round started,
I said, "I'll fight until I win,
I might even get knocked down,
but I'll get up again;
I'll control this temple,
for I can't afford to lose,
And I've made up my mind to make it through!"*

Verse 2

*The years have come and they have gone,
The battle has grown old;
My mind's made up to win this fight,
My faith has not grown cold;
The joy of the Lord is still my strength,
My confidence is true,
And I've made up my mind to make it through!*

THANK GOD

*There's a road that's straight and narrow
That the saints have travelled on
Paved with all the tribulations
Of the martyrs that have gone
If you're grateful for their vict'ries
And for showin' us the way
Then give thanks for all your blessin's
Get on your knees and pray.*

[CHORUS]

*Thank God for ev'ry flower and each tree
Thank God for all the mountains and the seas
Thank God for givin' life to you and me
Wherever you may be, Thank God.*

*In this world of grief and sorrow
Filled with selfishness and greed
There remains the Glory Fountain
To supply our every need
You can find it in the temple
With a welcome on the door
But be sure to count your blessin's
Before you ask for more.*

[CHORUS]

*Be forgivin to the wayward
Like the Master told us to
When He said forgive them Father
For they know not what they do
They would change their way of livin'
If they could but understand
So remember they're your brothers
They need a helpin' hand.*

OH MY LOVING BROTHER

*Oh the judgment day is coming
What an awful day 'twill be*

*Christ forever is my refuge
Rock of ages cleft for me.*

Chorus:

*Oh my loving brother... ' sister
When this world is on fire
Don't you want God's bosom
To be your pillow
Hide me over in the rock of ages
Rock of ages cleft for me*

*At the sounding of the trumpet,
At the dawning of the day,
Worldly pleasures with their treasures,
Shall forever pass away.*

Chorus:

*Poor lost sinner will be crying
For the home they'll never see
But the ransom will be singing
Rock of Ages cleft for me*

WOUNDED SOLDIER

*Wounded soldier pick up your weapons
Lets fight the battle, we're not alone
For the angels are camped around us,
We're not defeated, we'll soon be home*

There are times when you just have to eat crow. This week the Lord was dealing with me on this eating crow thing, you want to do God's will, and sometimes you just have to eat crow. I know we talked about this already but the Lord has been really dealing with me to stress the main ingredients. There are times when you leave out the main ingredient or you want to kind of downplay it, and during the week the Lord was really dealing with me on stressing that main ingredient.

I just want to go back, around midnight some weeks ago, when it dawned on me, there was no Lord involved; there was no inspiration there, I just began to see that the 2020 that we put on that chart for the cut-off for the grace age is not going to happen the way we put it on. I came to the realization that there is something wrong and I did not know what it was and believe me I could not sleep all night. I might have slept half an hour or something but all night long, I was trying to figure out where did I go wrong because I knew that the beginning of the church of Laodicea is 1906, so I knew that number is right and I knew that the midnight cry happened in 1963 which is the middle of Laodicea and that number was right and I could not calculate what the problem was. All night long between eating crow and trying to calculate I could not come up with anything I was blank all night. Back and forth I went all night long because I knew the thing by heart already from 1906 you subtract 1963 which gives you exactly 57 years and then you add 57 to 1963 you come to 2020.

It's just simple math and anybody can do that and I thought that I did it right, but all night long I went over and over that there is something wrong here and I couldn't figure out what I did wrong. I got up in the morning and when you got up I let you know, and this is the main ingredient here, it wasn't until I told you about it that that 2020 is wrong, that we are going to have to sit down and figure out where I went wrong. I said, we are going to have to sit down and figure out what happened, why we are out because it is very obvious that it is not going to happen in 2020, and like I said I tried all night. When I told you about it and I sat down at the table and it wasn't about ten-seconds that I had the answer. The Lord spoke to me, He said, Sam, you are counting 1963 twice. Just for the sake of explaining let's try it again, 1906 to 1963 is 57 then add 57 unto 1963 you will come to 2020, but see the mistake was that I added 1963 twice and the Lord told me

- you counted 1963 twice, you have to start at 1964. Now if you add 57 years to 1964 then you come to 2021. I didn't know that, for 10 years I've been doing this math and coming up with 2020, all the while I was counting 1963 twice until this last month.

The key is this, and I need to stress it, that it wasn't until I told you about it that the Lord opened it up to me. He kept me in the dark until I did that. The reason for that is that God is never going to allow this to be a 1 man show. He is going to make sure that it is a team effort. That is why for the last 10 years I couldn't see it, the other night when it dawned on me that it is not going to happen in 2020, and it wasn't until I told you about it that ten-seconds later the Lord let me know that I counted 1963 twice. You have to see God in all of this, He kept it from me and He kept it from me for a reason. Then once I saw it I went, Lord, what have I done, I've put out all this information and given people a wrong steer, and here it is not going to happen. The Lord said - I am ok with it, I wanted it that way, that is why I kept the blinders on you because there are three groups of people out there, there are the critics, then there is the fault finder; the mocker, and then there is that noble one; that genuine one that will be like the ones in Berea, that is going to go to the Bible to see if this thing be true. *Acts 17:*

11. These were more noble than those in Thessalonica, in that they received the word with all readiness of mind, and searched the scriptures daily, whether those things were so.

That is the one you want; that is the one that you want to spend eternity with. The mocker, he will stay mocking no matter what you tell him, the critic will always be a critic, no matter what you do, but the other one, that noble one is the one you want. The Lord was saying - That is why I allowed you to say that so that we can flush out these mockers and these critics, and be left with that genuine one.

It's the same thing that is happening in these elections in America the Lord is allowing all of that to see who those anti-

Trumps are; who those anti-Americans are. God has His way of doing things, here again, He kept it from me, and there again when you realize that you are wrong the Lord expects you to eat crow and correct it and not sweep it under the rug. I am not trying to get a pass, I just have to go back and tell the people that I was wrong, and walk through it step by step. Even though the Lord kept the blinders on me I still have to be able to go back and man up. I still have to accept the fact, that I was wrong, and that I need to correct it. That is what the Lord has been dealing with me on all week, to make sure that I stress the point where I had to mention it to you first before the Lord would open up that avenue. I would still be out here beating around the bush and not being able to find anything if I would not have mentioned it to you. Once I mentioned it to you then ten-seconds later the Lord opened it up and then after beating myself up over it the Lord let me know that He allowed it to happen, there is no need to beat myself up over it. The Lord is using that to flush out that critic and that fault finder.

You had some kind of a dream some time ago and when you mention it all the pieces of the puzzle came together and you said that once you saw it you got excited. I never was excited about 2020, like a Heavenly excitement. I just saw it in the scripture, I had the 2 numbers and everybody can do the math. We know the 'midnight cry' is the key that will open up the avenue to this end-time. Without that 'midnight cry' you are just out there like a loose cannon, beating around the bush. That midnight cry is the middle of Laodicea and all you have to do is find out when the beginning is and then you put those two numbers together and then you come up with the ending of Laodicea. The ending of Laodicea means the ending of the grace age. Once Laodicea is over, it is the last church age, then the grace age is over for the gentiles and the 70th week of Daniel is on, which is seven years where God goes back to the Jews.

I was thinking during the night that we know for a surety now that 2021 is the year when the grace age will be over, because that is when the real and true Yom Kippur, the feast of atonement, is on. We can do the math we have the New Year that God uses. At the first Full Moon after the Spring Equinox, then you can find out when the Yom Kippur is for 2021 and we know that it falls on October 14-15, 2021. Then we know that the week of Daniel is exactly 7 years, you add seven years plus 75 days onto 2021 then you come to 2028 that is when the Millennium starts and Jesus will rule and reign.

Here is what I want to make clear, people like to throw this line at you - 'Jesus said, no one knows the day and the hour'. So right away they block you out. I never gave you the day and the hour for the rapture because that is what Jesus is talking about when He said that, I am giving you the day for the end of the grace age. See people need to differentiate between the two, the grace age is the period of time that God has set where Jesus will sit on the throne interceding for the sins of man for 2000 years, mostly for the gentile people. Whereas the rapture as it says in These 4: 15-17 is where the bride saints those who are in the grave will be resurrected and those that are alive will be raptured out shortly after the middle of the week of Daniel when the antichrist will go after the Jews and the Christians.

We don't know the day and the hour when the rapture will be. We know that it is after the prophets are killed; the two witnesses that it speaks of in Revelations. For that, we will not give you a day and an hour, because we know that Jesus said for that day and hour knows no man only my Father. We are talking about the end of the grace age when God will restore Israel. Jesus disciple asked Him, will you at that time restore Israel and Jesus said in *Acts 1:7 It is not for you to know the times or the seasons, which the Father hath put in his own power.* Jesus is talking about the restoration here which happens when the grace age ends. The

reason He said it is not for you to know is that Jesus knew that the disciples will not be alive in this end-time so there was no point in them knowing that. You and I, we know exactly the day when God is going to restore Israel, we can do the calculation, and by knowing when the Yom Kippur is we know when it will be. The reason that He said - It is not for you to know, is because He knew that they are not going to be living in that time frame. You and I are living in that time frame. When you read the lingo right it is for you and me to know the time and the season, the Lord has revealed it to us we are living in that time frame and God wants us to know. It says in Daniel that the wise shall understand. You and I, we are one of those wise that do understand, we do the math it was given to us to understand.

I have to realize that there are people that don't even know that the grace age comes to an end, because I talked to this Hutterite preacher and he didn't know it, I was actually shocked how little these people know. I take it for granted that people did what I did and searched out the things of God all my life.

Just like the old covenant came to an end at 33 AD, at the crucifixion. When Jesus died one millisecond they were still under the law and then the next millisecond when that temple curtain tore in half, the grace age began. We now have access to that holy of holies, which means that Jesus is now interceding for the sins of man. The priest is no longer needed to go in there once a year for the sins of the people. There you have it. I don't know the dream that you had about the clocks and such.

Lorraine speaks: I had a dream five years ago, it was kind of the same scenario, where we got up and came to the realization that 2020 is not the cut-off for the grace age. It troubled me at the time but I didn't mention it to you until about a week before you came to the realization one night, a couple of weeks ago, that 2020 is not the cut-off. A couple of weeks before that I had a dream. I dreamt we were sitting in a room and there were some

people in the room, and in the dream, I was given a circular-shaped object and within that object were three time clocks. There were three separate clocks in there and they all held a certain time and when you received that timepiece you now knew that you had the time right. It was given to you and you received it and you now knew that you have the time frame for the age of Laodicea.

At the time I didn't know what it all meant so I told you about it and you said it will manifest itself in the coming days, what it all means. Sometimes dreams are like that it takes time for them to be manifested. Then after that, you had the episode where you could not sleep all night and you came to the realization that the cut-off is not 2020, and you told me about it in the morning. Then after you shared it with me, that is when the Lord let you know that you counted 1963 twice. I still remember when you first told me about the midnight cry that was 10 years ago. I wrote it out and everything, I still have the piece of paper and as I was counting the years I knew that something was not quite right when I did those calculations but for some reason, it was beyond my ability to try to find out what it was. I just couldn't seem to get to what the problem was. It was something along the lines where you can sense that something is not quite right but you just can't find the problem in order to solve it, something just didn't seem to ring a bell with 2020, and I couldn't figure out what it was so I just left it alone, I just thought maybe it is just me.

All these episodes came back to me along with the dream that I had about receiving this clock with the three times in there. The first time piece being the beginning of Laodicea in 1906, and then the middle of Laodicea which is 1963 at the Midnight Cry, then the end of Laodicea in 2021. It is at the Midnight Cry when God opened up 6 of the 7 seals from the book of Revelation. That happened on February 28, 1963, in Sabino Canyon Arizona, when brother Branham was up on the mountain and He heard thunder.

Usually, when God reveals something supernaturally there is some kind of a physical sign. In the skies of Arizona, there was a halo-shaped cloud, and it stayed there for days. It was like a physical sign that something did happen here, it was even recorded in the Times magazine. As the days progress God revealed to him, each seal in the book of Revelation except the 7th seal which is still hidden until God opens it up. The time has not arrived yet for those, the opening will happen when that week of Daniel begins.

When you calculate all that from 1906 to 1963 is 57 years and then starting at 1964 you add 57 years and it will bring you to 2021. You can see the signs of it all when you look at the election in the USA how they are falsely trying to steal the election. You can see how all these events are starting to build up and they will happen there is no more turning back. That is what my experiences were. I don't know if I left something out.

Sam Hofer: You left out the main ingredient, one of the main ingredients was I could not get anywhere until I mentioned it to you, and you could not make sense of it until the time was right and my thought and your thought connected. I didn't know that you had that 10 years ago and even if I did know it I could not have done anything because the Lord kept the blinders on me up until the other night when I could not sleep. God in His eternal wisdom He knew when it was time to let me know - that the time is now, I have to let Sam know that 2020 is not the cut-off that it is in 2021. In doing that He is allowing the critics and the mockers to expose themselves.

This website goes into all seven continents. There are a lot of people that have seen this and now they are like the Democrats in the states, now that they think that Bidden won they are out in full bloom. The same here people all around the world have seen this time chart and they saw that it didn't happen so they go - Oh, it is just another one of those wolf-wolf guys; he is just another phony, but see what the Lord was doing He was using that to fulfill a

purpose. He allowed me to say that, He could have shown it to me 10 years ago when He opened up the 'midnight cry' time to me. He could have let me know but He chose not to, He wanted it to be kept in the dark and here now it gives the critics an opportunity to criticize. Now people will go pedal to the metal mocking and going - haha he even had his hotel booked for Isreal, even had his plane ticket and all. That is how they mock and the Lord allows it all. He kept the blinders on but now that critic and that mocker and that fault-finder will be exposed.

The main ingredient is that I did not get the answer until I shared it with you, and then the other ingredient is when you got that time clock you got excited. That is the thing, people will get it and they will get this excitement that you got and that I got. Once I got it I got excited it was a sure shot.

Lorraine speaks: That's what I felt in my dream, that excitement, it was like finally, I get the time, it was something that everybody wanted. It was something that everyone wanted to have and once you got it you knew you were a partaker of that time.

Sam speaks: When you analyze it all, that is what the devil has been trying to keep from mankind with all these distractions. The Lord is coming in 2000, then this and that. You can see what the devil has been trying to do by putting out all these phony dates to keep the real thing from the people.

I remember when I was down in Cartersville, Georgia to share it with the people, the Lord told me as I was driving over Monteagle that they are not going to be putting it on the internet. The Lord had been dealing with me for about 2 months to share it with the church and then coming over Monteagle on Friday at about 10 o'clock in the morning, I was on my way to a meeting in Cartersville and the Lord spoke to me - They are not even going to be putting it on the internet. I knew what 'this' meant. It was the very thing that we were explaining here about the midnight cry

and we know the rest of it. When I got there I shared it with them and then they didn't put it on the internet. I've been over that in another conversation that we had.

Anyway, it is all the schemes of the devil, they call themselves preachers but the devil works through them, why would they not put it on the internet for everyone to hear, because the devil does not want people to hear it. So now even for myself, I was wrong for 10 years, I had it one year early. People can sit down and do the math. I was left in the dark about it until I mentioned it to you and then the Lord let me know where I made the mistake with counting. He let me know that I counted 1963 twice. Then when we talked about it, everything came together. The dreams that you had about the clock, everything was perfectly in alignment.

There you can see that God is not going to let this be a one-man show. He is not going to give me the whole picture. That is what the Lord showed me many years ago, you are going to have to learn to depend on one another. This is not going to be a one-man show. He let me know that that is how I am going to unite the bride, He is going to give this one a piece, and He is going to give that one a piece. Just like a body functions as a whole, that is going to be the way that He is going to unite us all. It is not just going to be you and me, there are going to be more people that are going to see things.

They will not be able to put the puzzle together until they realize that there is no big I, and no small you, everyone will be part of this body, this nucleus of people. The Lord is putting this together and it just so happens that this is ground zero. This is where it starts right here, you and I are the only two people that know this, all around the world there are only two people that know that 2028 will be it. Jesus will come back to rule and reign, and only you and I know that this year will be the beginning of the

70th week of Daniel, where the Jewish people will recognize Jesus.

That is why Daniel says in chapter 12, the wise shall understand. Jesus Himself said it is not given for you to understand, meaning for them living at the time when Jesus spoke those words, but it is given to those that will be living in the end. There is nothing that I can do for the Lord, all I can say is Lord use me for your honour and for Your glory. There is nothing in me that has any spiritual or Heavenly attribute whatsoever. I would get myself into trouble so fast if I would depend on my own thing. I just need the Lord every step of the way. I need the Lord to show me who to send books to and what kind of books to send. I can't do this on my own. I am going to come back to this. I want to read something here, I read it during the week it is in Jeremiah 27, I will read the whole chapter so that you can get the drift of what Jeremiah was saying, it is important to get the drift.

I will read from the NIV

1. Early in the reign of Zedekiah son of Josiah king of Judah, this word came to Jeremiah from the Lord:

2. This is what the Lord said to me: "Make a yoke out of straps and crossbars and put it on your neck.

3. Then send word to the kings of Edom, Moab, Ammon, Tyre and Sidon through the envoys who have come to Jerusalem to Zedekiah king of Judah.

(Apparently, they were getting along with all these countries.)

4. Give them a message for their masters and say, 'This is what the Lord Almighty, the God of Israel, says: "Tell this to your masters:

5. With my great power and outstretched arm I made the earth and its people and the animals that are on it, and I give it to anyone I please.

Here you see how God is in charge of all things, He gives kingdoms to whomsoever He pleases. He puts up and He puts

down. He will give this Babylonian kingdom up to King Belshazzar, and all those nations will serve him. It is the same in the USA with President Trump people that support him will be blessed.

6. *Now I will give all your countries into the hands of my servant Nebuchadnezzar king of Babylon; I will make even the wild animals subject to him.*

7. *All nations will serve him and his son and his grandson until the time for his land comes; then many nations and great kings will subjugate him.*

8. *““If, however, any nation or kingdom will not serve Nebuchadnezzar king of Babylon or bow its neck under his yoke, I will punish that nation with the sword, famine and plague, declares the Lord, until I destroy it by his hand.*

9. *So do not listen to your prophets, your diviners, your interpreters of dreams, your mediums or your sorcerers who tell you, ‘You will not serve the king of Babylon.’*

10. *They prophesy lies to you that will only serve to remove you far from your lands; I will banish you and you will perish.*

There you see it when God raised up Nebuchadnezzar and whoever will not fall under his watch, under his umbrella you are going to be done. God had a simple program he is going to bless them in that land.

11. *But if any nation will bow its neck under the yoke of the king of Babylon and serve him, I will let that nation remain in its own land to till it and to live there, declares the Lord.””*

12. *I gave the same message to Zedekiah king of Judah. I said, “Bow your neck under the yoke of the king of Babylon; serve him and his people, and you will live.*

13. *Why will you and your people die by the sword, famine and plague with which the Lord has threatened any nation that will not serve the king of Babylon?*

14. *Do not listen to the words of the prophets who say to you, ‘You will not serve the king of Babylon,’ for they are prophesying lies to you.*

15. *‘I have not sent them,’ declares the Lord. ‘They are prophesying lies in my name. Therefore, I will banish you and you will perish, both you and the prophets who prophesy to you.’”*

16. *Then I said to the priests and all these people, “This is what the Lord says: Do not listen to the prophets who say, ‘Very soon now the articles from the Lord’s house will be brought back from Babylon.’ They are prophesying lies to you.*

17. *Do not listen to them. Serve the king of Babylon, and you will live. Why should this city become a ruin? Jerusalem would not have had to be destroyed if they would have followed Jeremiah's instructions that God gave to him. Jeremiah pleaded with them.*

18. *If they are prophets and have the word of the Lord, let them plead with the Lord Almighty that the articles remaining in the house of the Lord and in the palace of the king of Judah and in Jerusalem not be taken to Babylon.*

19. *For this is what the Lord Almighty says about the pillars, the bronze Sea, the movable stands and the other articles that are left in this city,*

20. *which Nebuchadnezzar king of Babylon did not take away when he carried Jehoiachin son of Jehoiakim king of Judah into exile from Jerusalem to Babylon, along with all the nobles of Judah and Jerusalem—*

21. *yes, this is what the Lord Almighty, the God of Israel, says about the things that are left in the house of the Lord and in the palace of the king of Judah and in Jerusalem:*

22. *‘They will be taken to Babylon and there they will remain until the day I come for them,’ declares the Lord. ‘Then I will bring them back and restore them to this place.’”*

What the Lord was doing here He was giving them chance after chance to subject themselves to King Nebuchadnezzar because God had decreed it. God is saying I have ordained Nebuchadnezzar, who is my servant, to do my will. Regardless of what they thought of Nebuchadnezzar he was not a believing man, by any stretch of the imagination, he didn't even believe in God, because he had these three men Shadrach, Meshach, and Abednego thrown into the fiery furnace, but he was ordained of God to do these things.

You have to read it over more than once before you get the drift how its God's strong and mighty arm, how He puts up kings and He puts down kings. He rules the nations and the world. He put Trump up there, no matter what. They can try putting this Biden guy there but it is not going to work. He is a dead fly, he is less than nothing, he just has the devil in him. I saw it yesterday that that guy is controlled by the devil. What God is doing now is bringing out all these anti-American. Like this Jeffress stood with Trump all these years now all of a sudden he congratulates Biden for his win as being president-elect. You can see these people how they backstab even from his own party. It is all coming out now, they are coming out now and endorsing Biden when they all know full well that they cheated with these ballots.

Lorraine speaks: Around 10 pm on the day of the election it came to a halt, the polls in most of the states were all going towards Trump and everybody could see that. So what happened somebody called a stop to the count, and then I'm convinced of it, they sent in false ballots in Georgia, Pennsylvania, Michigan, and others. They thought that they only needed Pennsylvania and then the polls were starting to show that Trump has a good lead over Biden so somewhere somebody called a stop and sent in those false ballots to be counted, and Biden is now supposed to have won this presidency, it's not real, in the coming days you will see it.

Sam speaks: I believe somebody came out and said that these Democrat governors, they gave orders to stop the count, that one in Michigan, and Pennsylvania, they're all in it together and brought in those phony ballots. God is setting a trap for them. Then this morning when we dealt with this serpent thing Biden he is all on his own. Like you mentioned yesterday it is a spirit, only a person with a spirit on him can be so evil and so wickedly smart. If you take that spirit away from him and knock the devil out of him then there is nothing there. See we wrestle not against flesh and blood, we are wrestling with spirits. Jesus said, *I have given you the power to tread on serpents*, we have the power to knock it out once we see it. I saw it last night and we identified it and now Biden he is on his own now. He has not the brains on his own. None of these people in the justice department can do anything. That Michael Flynn, he stands his ground, he has been falsely accused for 4 years now. When you compare it to Nebuchadnezzar some people didn't want what God had for them, and it didn't go well with them.

I am saying this for a reason the Lord has given us this truth here, the Lord took us through a tough schooling and He qualifies us to do what we are doing. We would never qualify ourselves, we are the two people that God has chosen to deliver that meat in due season. The Lord was really dealing with me on this meat in due season, to really hammer home the important things that are detrimental.

I want to go to and read from the NIV Matthew 24

45 *"Who then is the faithful and wise servant, whom the master has put in charge of the servants in his household to give them their food at the proper time?"*

46 *It will be good for that servant whose master finds him doing so when he returns.*

47 *Truly I tell you, he will put him in charge of all his possessions.*

48 But suppose that servant is wicked and says to himself, 'My master is staying away a long time,'

49 and he then begins to beat his fellow servants and to eat and drink with drunkards.

50 The master of that servant will come on a day when he does not expect him and at an hour he is not aware of.

51 He will cut him to pieces and assign him a place with the hypocrites, where there will be weeping and gnashing of teeth.

This is from the KJV.

45. Who then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season?

46. Blessed is that servant, whom his lord when he cometh shall find so doing.

47. Verily I say unto you, That he shall make him ruler over all his goods.

48. But and if that evil servant shall say in his heart, My lord delayeth his coming;

49. And shall begin to smite his fellow servants, and to eat and drink with the drunken;

50. The lord of that servant shall come in a day when he looketh not for him, and in an hour that he is not aware of,

51. And shall cut him asunder, and appoint him his portion with the hypocrites: there shall be weeping and gnashing of teeth.

What I want to bring out here is this verse: Who then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season?

Luke 12:

42. And the Lord said, Who then is that faithful and wise steward, whom his lord shall make ruler over his household, to give them their portion of meat in due season?

43. Blessed is that servant, whom his lord when he cometh shall find so doing.

44. Of a truth I say unto you, that he will make him ruler over all that he hath.

Jesus told it in a parable, but it is reality, it goes back to that Nebuchadnezzar thing, you can look at Trump how God ordains these things to be so. When I go back in my life, and I have said it in a lot of conversation that we had, all that we had to go through with losing it all and becoming a vagabond overnight. What it was, the Lord was preparing me for this very thing that you and I are in today, He prepared us for it even before we were born. Back in that great council, He prepared us for that very thing to roll out that meat in due season and to deliver that living water that it talks about - ***Come and drink out of the water of life freely.***

I didn't choose this job, I didn't campaign for it. I was just guided by that unseen hand. I had no control over my life I just one day said - I have decided to follow Jesus, and I said, - Yes, Lord, Yes, to your will and to your way. Here I am kind of like a robot for the Lord, so to speak, then He took me to brother Branham and He took me to brother Jackson, and all the while I didn't know what was going on, I was guided by an unseen hand. He brought me to the ministry of brother Jackson and all the while He was educating me and preparing me for this very thing that you and I are doing today. Whether people like it or not, I didn't know all this as I was going through this schooling, and when that split came with Faith Assembly Church.

Then the Lord gave me the vision about Gideon. What the Lord was doing was He was taking all these people that were sitting under his ministry, he was going to take them down to the river, back then it was to see who would qualify to go and defeat the Midianites. Here it is no more out to destroy the Midianites because it is no longer the Midianites to defeat. Here now God is saying - I am going to test everybody to see what they heard and

how they heard it, what they believe and why they believe it and I'm going to bring out somebody so I can qualify him to bring forth that meat in due season. It is not going to be three hundred, it is to test to see who is that wise and faithful servant whom the Lord has found faithful to deliver meat in due season. That is what my life was all about. Then He gave me the vision about the minefields, you can go out to all these satellite churches that were under brother Jackson and watch all they are doing is trying to destroy everything that brother Jackson taught. That is what the dream about the minefields meant. They have his ministry laid full with minefields these false doctrine.

Then you received the scripture in *2 Timothy 3*

14. But continue in the things which you have learned and have been assured of, knowing of whom you have learned them.

That is the advice Paul gave to Timothy and here we are, and it wasn't until two weeks ago that I can truly say we are that Nebuchadnezzar, we are that Trump if people like it or not. That is why God allowed me to have the date wrong so that God can bring out the critic and the fault finders. I am going to say this, some people are going to hear this and they are not going to accept anything from us because it comes through the Sam and Lorraine chapter, and let me tell you if it does not come through this chapter they are lost. They are going out to that outer darkness path, they are going to end up like those people that refused to come under the yoke of Nebuchadnezzar. They were destroyed; they got killed, they died of famine and such and the temple got destroyed. Jerusalem was destroyed simply because they were so hardheaded and refused to come under the rule of Nebuchadnezzar and here this is not a yoke, this is a road to freedom. This is a road to that living water, if they don't come through that Sam and Lorraine channel; through that Sam and Lorraine chapter, they are just like the Democrats will be if they don't come under the jurisdiction of Donald Trump it will not go

well with them because God has decreed it; God has ordained it so, and God has ordained it that you and I bring forth that meat in due season and that living water.

As I say there are people out there and I know who they are, I could mention some names but I wouldn't. There is a guy that I know who told me - Sam, I would not believe a word that you are saying, even if I know it's true, simply because it comes from you I would not believe it. It is jealousy; it is envy, people will do anything in that respect, but see I didn't go looking for this job. It is the last job I would pick, I would rather sit under someone that I could trust and listen to what they have to say because I didn't ask for this job, but like we were talking about the other day if I don't do it; if I don't do what God requires from me, then I become an unfaithful steward, and will receive the payout with the hypocrites.

That's what is says - appoint him his portion with the hypocrites. Do I want that - No, I am going to do whatever I can to be faithful, to do my level best, to live a life that is above reproach, and to do what I have to do that I don't get a portion with the hypocrites. That is why I am so fired up to keep this truth, to keep holding the line, that is why the Lord dealt with me to get my weight down, because I can't go out there and tell people what to do and be overweight, and now I am finally down to where the Lord wants me to be. He let me know that He wants me at 157. Well, this morning I weight myself, I should have taken a picture of it, and I was at 154. How did I get there it was by persevering by chipping away, it didn't come easy, it was not an easy route, it has been a 10-year journey to get there and now we qualify to deliver this meat in due season. I know that there are people that will rather see their wife, their children go into outer darkness, go into Hell than accept anything that we are saying. That critic will do anything to criticize; that mocker will do anything to mock and that fault-finder will do anything that he can to find fault.

That is what the Lord let me know about 10 seconds after He let me know where I went wrong by counting 1963 twice, and I beat myself up - Lord, look what I did, I have given people a wrong steer. The Lord said - I did it for a reason. I want to expose that critic; I want to expose that mocker; I want to expose that fault finder and that is the only way that I can do it. I let you put that out there for people to see, they know that I booked my flight to go to Israel for September because we had the cut-off for 2020 but we now know that it is not going to happen that way. That is why I am saying sometimes you just have to eat crow. I was glad to eat crow, or whatever it takes, it is just all part of the Lord's plan. It is all in God.

That is why David was a man after God's heart because when he made a mistake he owned up to it. During the week He dealt with me and He let me know to emphasize and stress the main ingredient and the main ingredient here is, that before the Lord opened it up to me, I had to let you in on it. I didn't know you had all these dreams you told me about the clocks and I said it will manifest itself, and it sure did. The minute I told you about it then everything started to come into place and 10 seconds later the Lord let me know that I counted 1963 twice, but I would still be out here digging for it if I would not have told you about it. This is not going to be a one-man show you are going to have to get along with one another and to share things, that is how God is building His body.

Then the other important ingredient was you got excited when you saw it, there are people that are going to get excited when they see that 2021 thing. We sent out the 2020 three years ago and people saw it and there are people that saw that there was something to it, but now when they will read it there is going to be excitement. That real genuine person that you want to spend eternity with, that is the one that will get it, and that is what the Lord let me see when He told me - Sam, that is the one you

want, you want that noble person like the men in Berea. They went to the scripture to see if these things are not so. The fault-finder, he doesn't go to the scripture he just waits to see if it will happen, and when it does not happen he is all gleeful about it. That person will have to pay the price for it, he will either have to repent, humble himself, and come under this Sam and Lorraine chapter. It is just as simple as I can put it because this is the chapter that will give them meat in due season, this is the chapter that will give them that living water, and eventually they will end up at the marriage supper of the Lamb, if they are faithful and endure to the end if they meet the qualification.

This is the chapter they have to go through. I know that that's saying a lot but I could not say that a month ago but about two weeks ago the Lord let me know this is it. There is nothing out there, I have been to every church, every nook and cranny and the Bible clearly says in *Revelations 18 - Come out of her my people, because they have become the hold of every foul spirit, and a cage of every unclean and hateful bird.*

Satan has infiltrated every aspect of society and he would like to infiltrate this here too, but he can't. We are onto these guys that come through here. We are onto these guys that want to destroy us, we are like a Doberman on them because what the Lord did He took me through all this schooling how they twisted up what brother Branham said. I was 10 years with the Branham people, and I was 20 years with brother Jackson I can see how Satan comes in with that antichrist spirit and destroys it. He did that with Faith Assembly with that 3 days teaching, and then he went to brother Hefner to destroy him Then Tim Reliford lets these people in the pulpit and I saw all that. The Lord took me through all that training. Don't let these people in your pulpit that have a different view. We learned all that, we are on guard, we are sober, we are vigilant. I could never do that without fasting, the Lord put me on a fast three years in a row for 40 days, and we don't think

that we are better than anybody else because we fast. That does not make us into the guy that fasted and said I fast two times a week and I'm this holy guy. We do not do that because of that we do that to stay sober; to stay sensitive to what is going on in this hour because we know and we realize that we are living in the closing days of time, and you have to create in yourself a sensitivity to what the spirit of the Lord says.

Like Daniel, he saw that the 70 years were running out and he saw the time that he was living in and he began to fast and pray. Jesus himself said in *Luke 21:34. And take heed to yourselves, lest at any time your hearts be overcharged with surfeiting, and drunkenness, and cares of this life, and so that day come upon you unawares.*

He warned us, that is a red flag that you have to do something to stay sensitive because Jesus gave us that warning to take heed about eating and drinking and the cares of this world lest that day comes upon you unawares. It will not come upon us unawares, we have it down-path. We know that we are right, you are not going to find this anywhere and there are millions of people around this world, with tons and tons of preachers trying to sell their wares.

They are completely clueless that God sent a prophet; that God sent an apostle, and that this here is the chapter that they are going to have to come through. How else are you going to tell people, then people they can take it or leave it, but as time goes on you are going to find out that this here is true. We were talking some time ago about the children of Israel they were coming through the wilderness and they were bitten by these serpents. I guess they were grumbling for meat, and these serpents came along and bit them, and it was a horrible death. God told Moses to put up a brass serpent in the wilderness and all these people would have had to do is look at it and they will be healed.

There were some people who would rather die than look up at that serpent that Moses put up there, they would rather die a painful death. It is the same thing today there are people that are going to hear this and they would rather go through this hell that is coming; through this tribulation that is coming, than to believe what we are saying is the truth, Like I said before, there are people out there that would rather see their wife; their children; their grandchildren go to Hell, lose it all before they would accept anything that you and I have to say because they have this mentality and this picture is in their head and been brainwashed that this is a shacking up deal. They are completely clueless, and Peter talks about it in 2 Peter 2:12, they are like brute beasts saying things that they have absolutely no clue of; they think with the natural mind. The song says I can't even walk without Him holding my hand. I could not even begin to come up with all this stuff here, the Lord from day to day He guides us, and He leads us. We are not in charge of this thing. I don't know if you can emphasize anything

Lorraine speaks: I just want to emphasize the part where you were reading about Nebuchadnezzar. Where God says - I'm the one doing this through Nebuchadnezzar and you realize that God is in charge of everything. That He appoints people such as Nebuchadnezzar or Trump, and if you don't fall in line with who God has you are going to miss out, you are going to miss out on what God is doing and miss out on that blessing. In Isaiah 10 it lets you know as well that God is in charge of nations and who He uses to fulfill His will.

5. O Assyrian, the rod of mine anger, and the staff in their hand is mine indignation.

6. I will send him against an hypocritical nation, and against the people of my wrath will I give him a charge, to take the spoil, and to take the prey, and to tread them down like the mire of the streets.

7. Howbeit he meaneth not so, neither doth his heart think so; but it is in his heart to destroy and cut off nations not a few.

Whenever God was finished with the Assyrians to take Israel captive, He used the Babylonian army to defeat the Assyrians and to take Judah captive. Then after the 3 generations, God allowed the Medes and the Persians to come and take Babylonia out. That is all God, He has a vessel on the ground that plays it out for Him, God has ways and means of doing things. If people are sensitive and fall in line with what God has then God will take care of them.

Sam speaks: Even here it is not us, this living water is not our water. *Come and drink out of the water of life freely.* Where are you going to find truth in this end-time. This is true and all that, we did all the work the Lord took us through a schooling, we know what is out there. We know that these are the only conversations, this website is the only thing out there. It is the only true thing that you will find in this massive confusion out there because it has all been infiltrated by Satan because if you watch them after a while you get sick of it. It is all about a pay-check and God has a way of dealing with these people and exposing them. We are just doing what God wants us to do and let them do their thing, we just want to be found faithful.

It says in *Matthew 24*:

45. Who then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season?

That is you and I, this is this chapter that people will have to go through. I was always wondering how God is going to clear up this mess and now I can see it is very simple. There is that Sam and Lorraine chapter. That is that channel and people can either accept it or reject it.

You can either do what the Israelites did back at the time of Nebuchadnezzar and find that your houses will be burned down, your Temple is gone, all the goods will be gone, and you are living

in poverty and are headed towards destruction. The same with those countries that did not go under Nebuchadnezzar's rule, they were destroyed and died of starvation and other things. They had to suffer and like I have said there are people out there who would determine that they would rather go to Hell than accept what we have to say; they would rather take whatever before they would repent. All they have to do is acknowledge - He is right. That is all that they have to do.

Then just up the road here, God is going to use His mighty army to establish Israel's border. He will say I did it through my mighty army Israel and He is going to do it, it is just up the road here to, where God is going to give Israel back their land but He is going to do it through Israel. This here too, it is not me, I don't even know where I would begin but God has given us this understanding and He is using us to roll it out. Somewhere it says that it is His living water, we are just two nobodies, less than nothing, someone that the Lord can use, someone that can realize that we are nothing in ourselves. That is all God is looking for.

I remember the time that God gave me this dream about these people down at San Jose they came from that Bonhome Hutterite colony in the states, they are ex-Hutterites and the Lord told me to go down there and get them out of that cult. I said, Lord, I can't do that I'm not ready for that, and the Lord said I know that you are not but I am. Just surrender to me and I'll tell you what to do, and that is what the Lord did.

Lorraine speaks: I read one time that when you think that you are ready then that is when you are not ready because that is when you think you can do it on your own. It's when you are not ready that is when God can use you for His honour and glory.

Sam speaks: That is where you and I are at we sang that song - Lord, I can't do one thing on my own. Then another song says - The valleys are wide and the mountains are higher.

I woke up the other night and I said Lord this thing is so massive I just can't navigate through all this. These people are lost and what can I do. The Lord told me just get your weight down and I will give you a crystal clear picture of how to navigate through all this, and I've finally reached my goal. I was reading a song this morning where it talks about using the Lord's name in vain, it is not just a swear word, it is also living a hypocritical lifestyle before the people. When you are 100 pounds overweight that is using the Lord's name in vain. Here you claim that you are a Christian and you go waddling down the street and now I am finally where I can present my body as a living sacrifice and I don't have to be a hypocrite. I don't have to use the Lord's name in vain by claiming to be a Christian; pretending to be a believer; pretending to be on top of it and then walk around being overweight it is contradicting and it is bringing reproach to the Lord. That is what it is doing. I am guilty of that ever since the Lord let me know and put me under conviction about it and put me on a fast for three years in a row, and we are still on it, and now we finally get there. We just keep trying, we keep chipping away. God is patient with us and today I finally hit 154. That is what the Lord wants, that is what we have been doing.

Lorraine speaks: It says in *Hebrews 4:1*

Let us, therefore, fear, lest, a promise being left us of entering into his rest, any of you should seem to come short of it.

There is a place where God has for people, because of unbelief and such people cannot enter in. Then because of unbelief, they are going to fall short of what God has for them.

Sam speaks: Some people don't have faith, all they have to do is believe it and come on board, by listening to these conversations and accepting the fact, that God is working through this Sam and Lorraine chapter. This chapter is the chapter for their good, for their benefit. They don't have to go through what I had to go through for the last 30 years ever since I was put into exile.

They don't have to go through all of that. All they have to do is sit down and drink it. Drink that water and partake of it. It is all broken down just like you do with that sourdough bread you start by breaking it down from a kernel, where you grind it and mix and bake it. Then you will have bread there that when you eat it it is already broken down, and you will have no after-effects because it is already digested. It is broken down and it is living bread now. I notice it when I eat a slice before I go to bed, man I used to have a terrible night with regular bread but with this, it is already digested and it is a plus. It is actually more than digested for some reason it just has all these good benefits.

That is what we are doing with this Word they don't have to go through this Branham school and through this brother Jackson school and through all these denominations. I have it here it is broken down for you and all you have to do is believe it and partake it, drink it in and you are on your way to glory. It is just that simple I can't put in any simpler.

I have this app on my phone where it gives you daily Bible readings for the day and it happened to come to Jeremiah 27 and it just shouted out at me, this is what is going on, this is what God chose Nebuchadnezzar for, this is what God chose Trump for, and this is what God chose you and me for. We didn't go looking for this job we didn't go campaigning for this job. In fact, quite the contrary, I enjoyed these years sitting under brother Jackson, I loved it, and I would still do it, but in it all, God takes you through a schooling and once you are done with this school, you have to go out and do the work. We wrote that exam and now He qualifies us.

That's what it says in Ephesians 4: for the work of the ministry. The five-fold ministry is there to educate us until we come to the full stature of Christ. That's what this is about. They were there to educate us for the work of the ministry. They won't stress that too much, because the minute that they do that, it

takes their power away, that they have over the people. Satan likes power, he likes to control people through religion, and he uses the Bible to control people and fear-monger them.

Anyway, this is it, this is what the Lord has been dealing with me on. Like I was saying He wanted me to stress the main ingredient. We had this conversation before and I mentioned the main ingredient but the Lord wanted to make sure that I stress it. You really need to emphasize the fact that you could not go anywhere with it until you shared it with Lorraine. Then 10 seconds after I shared it with you, the Lord came on the scene and said - Sam, you counted 63 twice. I beat myself up what am I going to do, look how many people I have misinformed and the Lord spoke to me. He said, I am ok with it, I wanted you to do it that way because I have to bring out the critic, the mocker, and the fault finder, (the fault finder is also the mocker). He calls his buddies up and they get together and they say - Did you hear what he says now. The Lord let me know that He is exposing that guy. It is that noble Berean that you want, the ones that go to the scriptures and search these things out. He is not going to criticize, he is not going to mock, he is not going to find fault with it, but what he is going to do, he is going to go straight to the scripture and he is going to see if these things be so.

That is the individual that you want to spend eternity with. That is the guy that you want in the trenches with you, he is not going to stab you in the back in a heart-beat, or turn his gun on you. That is the one that you want, and to be honest with you, you are the only person, I'm used to hoofing it alone, and 10 years ago the Lord brings you onboard and you are the only person that I can trust. The only person that I can go into the trench with, and be in this fight because we are in a fight, we are in a war-zone. We are in this together and you can't have anybody that has two views and can't wait to stab you in the back. I have had quite a few people along my journey and they would come along for a

while and I would find out that they are nothing but backstabbers I can't have these along in the fight. I would rather do it alone, than have someone right next to you turning their guns on you. We are in the trenches; we are in a fight. We are fighting a war, it is a spiritual war.

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Ephesians 6:12

The beautiful part of all this is when you are in this fight together the Lord shows you things and He shows me things and we compare notes and that is how we can defeat the devil. I can't do it by myself that is how we defeated that big serpent. That is how we get into the Hutterite thing and defeat that phony baptism and hit that thing out of the park. I have been hitting at it for 30 years. Ever since they terminated me. That is why they terminated me because of that baptism.

Lorraine speaks: The devil does not like to be found out. That is the stronghold that he has in North America, with that baptism. The baptism in the titles of Father, Son, and Holy Ghost is a Roman Catholicism baptism, it takes them right back to Nicene Rome 325AD. The Vatican can play them like a puppet, they have a hold on people, it is all driven by a spirit. If you are under that baptism you are going to be under that influence if you like it or not. The only way out of it is going back to the true Christian water baptism in Acts 2:38. That is what brother Branham came to do, to take us back to the faith of the early church. Otherwise, we would still be groping in the dark we would not know anything. That is how God does things He uses a vessel on earth to do His will. That is what He had for brother Branham he was the forerunner of Jesus second coming, he was that 7th church age messenger. To bring us back to that faith of the early church

fathers, and if people fall in line with that, and believe it God is going to make a way for those people.

Sam speaks: Ja, we would know less than nothing if it would not be for that prophet ministry of brother Branham and the apostolic ministry of brother Jackson it would be more confusion. In it all, it was the voice of that angel of Revelations 10 and that angel is continuing through - Who then is that faithful and wise servant. There are a lot of people that are going to hear this, and there are people who will say who does he think that he is. I know who I am, I am nothing, but why don't they see who does God say that I am, because it is God that chooses who He is going to use. Will they be willing to come under this chapter. This is the Sam and Lorraine chapter, but behind it is God driving this thing. We don't look at ourselves as anything. In fact, less than nothing, this is not a competition, we have nothing to compete with. We only have one thing and that is - Lord, I want to be faithful to what you have created me to be back in that great council. He has created us to do this very thing and we are not going to be intimidated; we are not going to be side-track; we are not going to let someone come in here to derail us. The Lord has already shown me who the next person is that is going to come in here. They can come in here if they want but they might as well not bother because we have their number.

Lorraine speaks: I was going to tell you that today in all my faults and failures there is only one desire in me and that is to be found faithful to what God has for me, despite all the debris of this natural man.

Sam speaks: Ja, we all have debris, even Jeremiah he looked at himself, one of the prophets and he said - I'm a sinful man, what are you doing with me. Then the next one said - My sins are like the sands of the sea. It is just that God decides to use us, then so be it. I got myself down to where I need to be and now we are onto the next chapter. What God has for us next I don't know.

We are going from glory to glory and some people are jealous but let them be jealous. I don't have any respect for a jealous guy. Let him be jealous if he wants.

UNSEEN HAD TO ME

*There is an unseen hand to me
That leads through ways, I cannot see
While going through, this world of woe
This hand still leads, me as I go*

*I'm trusting to, the unseen hand
That guides me through, this weary land
And some sweet day, I'll reach that strand
Still guided by, the unseen hand*

*This hand has led through shadows drear
And while it leads I have no fear
I know t'will lead, me to that home
Where sin nor sorrow ere can come*

*I long to see, my Saviours face
And sing the story saved by grace
And there upon that golden strand
I'll praise him for his guiding hand*

Heavenly Father, we just had a little conversation around your Word, I just pray that you will take what has been said use it for your honour and glory. Lord, help these people to see, we can only plant the seed, we pray that You will give that increase to open up their understanding to Your Word. Allow us to walk before you in a humble manner Lord, never looking to ourselves but always looking towards you for direction, and be led and guided by that of your spirit and most of all I pray that you will give that increase in Jesus Christ name we pray, Amen.

I don't know if you can add anything I just had these two detrimental talking points. That the Lord didn't give me an answer

until I talked to you about it, and you got excited when you saw the picture of the clocks, and when everything came together, everything made sense. You got excited and that is what everybody will do when they believe this, they will get an excitement and they will know it to be true. That is all, we are just doing our part, the Lord just gives us something during the week and this week He let me know - Sam, I want you to emphasize certain things. The nuggets that stuck out, you have to let people know that I can't do it on my own, I have to throw it by you because you have the other piece of the puzzle. I didn't have the dream about the clocks. When we started comparing notes it all started to make sense.

Then I read that Nebuchadnezzar thing and it just blended in so perfectly. It would not have completed the picture, it would have sounded like we are trying to make something of ourselves but God chose that Nebuchadnezzar guy to do God's will.

Lorraine speaks: Yes, God had a provided way for the Jews. Even though they rebelled against God and His Word by not letting their land rest in the 7th year. When God does something He always has a principle behind it. Why was it for 70 years it was because they failed to celebrate the year of Jubilee and to obey His laws, and then He took the years where they failed to do it and the land was able to rest. They didn't do that, they became greedy and then He took the years that they didn't do it and sent them into captivity for 70 years, but in it all God still had a place for them where they can live in safety if they could only submit themselves under that leadership.

Sam speaks: In it all, God is so merciful, He knew that He could not let it continue that way, because they were going into serving other gods, and all of that. The queen of heaven and all that. They got involved with all kinds, and in it, God just let them know, give yourself under the yoke of Nebuchadnezzar. That is why he used a yoke to illustrate it, and just like today, there was

this guy there that was prophesying contrary to what Jeremiah was saying and he ended up dying within the year. This guy was prophesying falsely and said by two years they will be back and God told Jeremiah that it is 70 years.

In it all, you can see the mercy of God. He had a path for them to go and it was like He was saying why would you want your children destroyed and your temple destroyed. I am not going to change my mind if you repent and if you submit yourself under the yoke of Nebuchadnezzar it will go well with you.

It is the same today there are people out there today that have the same mentality. Like the one that straight to my face said to me, Sam, I would not believe a word that you are saying even if I know it is true. That will have to be one of those guys that if he does not repent he is going to have to go into outer darkness; he will have to go through this channel here if he likes it or not. Then the next guy he sits and mocks and criticizes hoping against hope that it is not going to happen just so that he has something to mock and get back at you. Then there is this other guy who will stab you in the back if he could, but that is just human nature and how it works. All that people have to do is repent and say Lord help me. That is all I did. I said - Lord, I can't make it on my own. I am dead before I start.

That is about all that I can say, I didn't ordain this walk, I didn't choose this. I was chosen back before the foundation of the world, honed out to do this thing. When you read in Ephesians 1 it says that God is going to make sure that that council that He had back there is going to be fulfilled right to the T, right down to the very last detail. What do I do, rebel every inch of the way when at the end of the day He is going to see to it that it is going to happen. Even if He has to break a leg or two, and He had to break my leg to make me listen and I finally did listen, but it is a good journey and I don't care. His Laws are perfect. He wants what is best for you. Don't be afraid to trust the Lord because He is

looking out for your best interest. Anything that happens in your life, no matter what it is, it is for your benefit. I look back and I can clearly see that everything that I had to go through was for my benefit. Look how good we have it, how much God has blessed us with.

Like the song says - Thank God, for all the flowers and the trees. Thank God for those people that showed us the way. This road is straight and narrow that the saints have traveled on, paved with all the tribulations of the martyrs that have gone. Thank God for what they had to go through to pave us the way to bring us to where we are now. We would not know about this end-time if it was not for brother Branham. Thank God for brother Branham, thank God for brother Jackson, thank God for opening up that Word to us, and now here we are and it's for whosoever will let him come and take out of the water of life freely. Let the spirit and the bride say come and drink. That is all that they have to do. We are just chipping on we don't know what the next chapter holds. There will be more trials and tribulations until we are out of here, but He is faithful and true and His promises are true, and He promised He will walk with us as long as we stay faithful and walk with Him.

You can find more of these conversations on our website <http://letthetruthbetold.ca> This website goes into all 7 continents as a witness to all nations thereby fulfilling Matthew 24:14, where Jesus said this gospel of the kingdom, and I repeat this gospel of the kingdom will be preached in all the world than shall the end come. *And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.*

This is a rescue mission. Rescue people from what? From Luke 13: 24-30. If you care about your family, your family members and the people under your watch then give them this website, give them this truth because we can't reach out to everybody, and we know this is the final chapter for mankind

before the grace age ends. There is nothing else out there we have searched it all out and this is the truth and the only message that will take you to the marriage supper of the lamb.

*The Spirit and the bride say, Come. **And let him that heareth say, Come.** And let him that is athirst come. And whosoever will, let him take the water of life freely. Revelation 22:17*

We are doing our part by warning people there are a lot of young people getting baptized in the coming month into that Roman Catholic baptism. They are being coerced into that baptism. They don't know that and neither do the people know that are going to be baptizing them but at least we are doing our part by warning them what they do with it that will be their choice.

God's baptism: Acts 2:38 REPENT, and be baptized (baptized means by immersion) in the name of Jesus Christ for the remission of your sins and you will receive the gift of the Holy Spirit.

Tut Buße und lasse sich ein jeglicher taufen auf den Namen Jesu Christi zur Vergebung der Sünden, so werdet ihr empfangen die Gabe des Heiligen Geistes.

Satans baptism: Baptism in the titles of Father, Son, and Holy Ghost by pouring or sprinkling introduced by Roman Catholicism 325AD at Nicene Rome is Satan's counterfeit baptism, therefore, making a pact with the devil.

*Jesus wept over Jerusalem because they did not know the hour of their visitation, and He said as it was in the days of Noah, and in the days of Lot, **THEY DID NOT KNOW** the hour that they were living in, and so will it be in this hour, people will not know, but we here with this website we do know the hour that we are living in, that is why we are trying our best to wake people up and to get the message out to whosoever will. May God Bless:*
