

### **HOLY GROUND**

*We are standing on Holy Ground  
And I know that there are angel all around  
Let us praise Jesus now  
For we are standing in His presence  
On Holy Ground*

### **I'VE GOT SO MUCH TO THANK HIM FOR**

*When I look around and see  
All the good things God's done for me,  
I know, I'm not worthy of them all.  
For His good pleasure He truly gives,  
I owe my life to Him,  
Because, I have so much to thank Him for.*

#### **CHORUS**

*And I've got so much to thank Him for,  
So much to praise God for, you see,  
He has been so good to me.  
When I think of what He's done.  
And where He's brought me from  
I've got so much to thank Him for.*

*Sometimes, while I'm on my way,  
I'll stop, I'll kneel and I'll say  
Thank you Lord, for all you've done for me  
And when I reach sweet Heavens shore.  
Oh please, let me kneel ones more,  
Cause, I've got so much to thank Him for.*

### **THANK GOD**

*There's a road that's straight and narrow  
That the saints have travelled on  
Paved with all the tribulations  
Of the martyrs that have gone  
If you're grateful for their vict'ries  
And for showin' us the way  
Then give thanks for all your blessin's*

*Get on your knees and pray.*

*[CHORUS]*

*Thank God for ev'ry flower and each tree  
Thank God for all the mountains and the seas  
Thank God for givin' life to you and me  
Wherever you may be, Thank God.*

*In this world of grief and sorrow  
Filled with selfishness and greed  
There remains the Glory Fountain  
To supply our every need  
You can find it in the temple  
With a welcome on the door  
But be sure to count your blessin's  
Before you ask for more.*

*[CHORUS]*

*Be forgivin to the wayward  
Like the Master told us to  
When He said forgive them Father  
For they know not what they do  
They would change their way of livin'  
If they could but understand  
So remember they're your brothers  
They need a helpin' hand.*

### **JESUS KEEP ME NEAR THE CROSS**

*1*

*Jesus, keep me near the cross,  
There a precious fountain,  
Free to all—a healing stream,  
Flows from Calv'ry's mountain.*

*In the cross, in the cross,  
Be my glory ever;  
From the cross my ransomed soul  
Nothing then shall sever.*

2

*Near the cross, a trembling soul,  
Love and mercy found me;  
There the Bright and Morning Star  
Sheds its beams around me.*

3

*Near the cross! O Lamb of God,  
Bring its scenes before me;  
Help me walk from day to day,  
With its shadow o'er me.*

4

*Near the cross I'll watch and wait,  
Hoping, trusting ever,  
Till I see my Savior's face,  
Leave His presence never.*

**THIS IS WHAT HEAVEN MEANS TO ME**

*A country where no twilight shadows deepen,  
Unending day where night shall never be.  
A city where no storm clouds ever gather,  
Now this is just what Heaven means to me.*

**CHORUS:**

*What will it be when we get over yonder  
And join the throng upon the glassy sea?  
To greet our loved ones and crown Christ forever,  
Oh, this is just what Heaven means to me.*

*A place where there is no misunderstanding,  
And from all enmity and strife we're free.  
No unkind words to wrong the heart are spoken,  
Now this is just what Heaven means to me.*

*And when at last we see the face of Jesus,  
Before whose image other loves all flee.  
And when they crown him Lord of all I'll be there,  
Now this is just what Heaven means to me.*

### **LASST MICH GEHN**

1. *Lasst mich geh'n, lasst mich geh'n,  
Dass ich Jesum möge seh'n;  
Meine Seel' ist voll Verlangen  
Ihn auf ewig zu empfangen  
Und vor seinem Thron zu steh'n. ::*

2. *Süsses Licht, süßes Licht,  
Sonne, die durch Wolken bricht,  
O wann werd' ich dahin kommen,  
Daß, ich dort mit allen Frommen  
Schau' dein holdes Angesicht? ::*

3. *Ach, wie schön, ach, wie schön  
Ist der Engel Lob-Getön!  
Hätt' ich Flügel, hätt' ich Flügel,  
Flög' ich über Tal und Hügel  
Heute noch nach Zions Höh'n. ::*

4. *Wie wird's sein, wie wird's sein,  
Wenn ich zieh' in Salem ein,  
In der Stadt der gold'nen Gassen!  
Herr, mein Gott, ich kann's nicht fassen,  
Was das wird für Wonne sein! ::*

5. *Paradies, Paradies,  
Wie ist deine Frucht so süß,!  
Unter deinen Lebensbäumen  
Wird uns sein, als ob wir träumen;  
Bring' uns, Herr, ins Paradies. ::*

### **FOOTPRINTS OF JESUS**

*Sweetly, Lord, have we heard Thee calling,  
Come, follow Me!  
And we see where Thy footprints falling  
Lead us to Thee.*

*Refrain:  
Footprints of Jesus,  
That make the pathway glow;  
We will follow the steps of Jesus  
Where'er they go.*

*Though they lead o'er the cold, dark mountains,  
Seeking His sheep;  
Or along by Siloam's fountains,  
Helping the weak.*

*If they lead through the temple holy,  
Preaching the Word;  
Or in homes of the poor and lowly,  
Serving the Lord.*

*Though, dear Lord, in Thy pathway keeping,  
We follow Thee;  
Through the gloom of that place of weeping,  
Gethsemane!*

*If Thy way and its sorrows bearing,  
We go again,  
Up the slope of the hillside, bearing  
Our cross of pain.*

*By and by, through the shining portals,  
Turning our feet,  
We shall walk, with the glad immortals,  
Heav'n's golden street.*

*Then, at last, when on high He sees us,  
Our journey done,  
We will rest where the steps of Jesus  
End at His throne.*

## **I WILL ABIDE**

*I will abide in the shadow of the Almighty  
I will lean on His everlasting arm.  
I will rest in the blessed rock of ages  
Assure that in His shadow  
I am save from harm.*

*I will not lean to my own understanding  
I will not trust in man's philosophy  
When my world is wrecked by confusion  
I'll run to the refugee of my knees.*

*He said He will be the light,  
That lights my pathway  
Time and time again He has proven true  
An ever present help in my troubled days  
Exactly what He said, that's what He'll do.*

## **WE'RE NOT HOME YET CHILDREN**

*This old world is filled with disappointments  
And trouble every day  
Many times I get discouraged  
And I almost lose my way  
Then I remember I'm just a pilgrim,  
In this troubled world below  
That's the reason I keep singing as I go*

### **CHORUS**

*We're not home yet children  
So keep your eyes on the savior  
Just a few more days to labor  
And we'll sit down beside the river  
How we long to be with Jesus  
And our loved ones gone before us  
There's a better day a comin'  
We're not home yet*

*There's a land filled with milk and honey,  
Just waiting for me  
Someday Jesus will come  
And take me over that sea  
Then I must keep watching and waiting  
In this troubled world below  
There's one thought that keeps me singing as I go*

**UNTIL THEN**

*But until then my heart will go on singing  
Until then with joy I'll carry on  
Until the day my eyes behold that city  
Until the day God calls me home*

Ya, 10-12 years ago the Lord woke me up at 5'o clock in the morning - Sam, I want you to start up a website and have these conversations and put them on a website. I knew that I had a lot of information in me, I had a lot of truth but no platform and no one to tell it to. That was 2012 or something I didn't know what is going on, all I know is the Lord told me to start up a website. Like I said some other time, I didn't know anything about no website and then later on He brings you on board and now there is this website up and running.

We didn't know that in 2012 that God is going to allow this Covid-19 to come in and shut down all these churches and bring in all these mask and no more congregating, and here the Lord had it all set up. In a platform where everyone can go home put on their computer, sit around the campfire with the family; around the table, sit down and sing along, and go along and that is your service for Sunday. That is all everyone has to do all around the world and if they would do that they would get a good expected end. That is what the Lord set it up for, I was just thinking about this, that platform is here. The churches are closed, this one guy goes outside in 30 below and preaches out in some cubbeyhole and everyone sits in their car. You can sit in the parking lot as long

as you have your windows rolled up and probably the car running too. That is the nature of the thing, but God knew all that is coming back then in 2010-12. By the time we got it up and rolling it was probable 2012 and here the platform is all rolled out for people to be at home and sit around the table with your family and just tap in.

It is just that simple I cannot put it any other way, believe you me, you can't trust nothing out there, I have tried it. I was wondering about that Michael Blume, I studied him out a bit, ya he has some truth but he does not have the whole package he does not have the whole picture clear. He does not believe in a trinity, well we don't either. He believes in baptism in Jesus name, I think so anyway, but here is the key does he believe and will he talk about those 7 stars that Jesus held in His hand back in Revelation. That is how He is going to communicate is through these 7 angels. Each church age had an angel and he is going to transmit it to that angel and that angel is going to transmit it to an earthly vessel, with boots on the ground guy and he is going to transmit it to the people the church age era. We are now in the Laodicean church age.

Last week we talked about Jesus coming in to check through the guests and serves the guest. It is going to be boots on the ground person. You have to drag yourself into reality, that this is where it is at.

Anyway, I saw something last week but I didn't elaborate on it. I'm going to go to Matthew 22:

*2, The kingdom of heaven is like unto a certain king, which made a marriage for his son,*

*3. And sent forth his servants to call them that were bidden to the wedding: and they would not come.*

*4. Again, he sent forth other servants, saying, Tell them which are bidden, Behold, I have prepared my dinner: my oxen and my fatlings are killed, and all things are ready: come unto the marriage.*

5. *But they made light of it, and went their ways, one to his farm, another to his merchandise:*

6. *And the remnant took his servants, and entreated them spitefully, and slew them.*

7. *But when the king heard thereof, he was wroth: and he sent forth his armies, and destroyed those murderers, and burned up their city.*

8. *Then saith he to his servants, The wedding is ready, but they which were bidden were not worthy.*

9. *Go ye therefore into the highways, and as many as ye shall find, bid to the marriage.*

10. *So those servants went out into the highways, and gathered together all as many as they found, both bad and good: and the wedding was furnished with guests.*

11. *And when the king came in to see the guests, he saw there a man which had not on a wedding garment:*

12. *And he saith unto him, Friend, how camest thou in hither not having a wedding garment? And he was speechless.*

13. *Then said the king to the servants, Bind him hand and foot, and take him away, and cast him into outer darkness; there shall be weeping and gnashing of teeth.*

14. *For many are called, but few are chosen.*

The subject here is about the people that refused this invitation, we send out 550 books, like an invitation to the marriage supper, that is really what this message is all about, it is really an invitation. It is meat in due season it is really getting people ready to what is coming up the road. Why would you not want to take this, they are so busy, caught up in their own thing - It says that He sent His servants to those who had been invited to the wedding to tell them to come, but they refused to come.

I want to get something out here. I want to go to *Luke 14:*

16. *Then said he unto him, A certain man made a great supper, and bade many:*

17. And sent his servant at supper time to say to them that were bidden, Come; for all things are now ready.

18. And they all with one consent began to make excuse. The first said unto him, I have bought a piece of ground, and I must needs go and see it: I pray thee have me excused.

19. And another said, I have bought five yoke of oxen, and I go to prove them: I pray thee have me excused.

20. And another said, I have married a wife, and therefore I cannot come.

21. So that servant came, and shewed his lord these things. Then the master of the house being angry said to his servant, Go out quickly into the streets and lanes of the city, and bring in hither the poor, and the maimed, and the halt, and the blind.

22. And the servant said, Lord, it is done as thou hast commanded, and yet there is room.

23. And the lord said unto the servant, Go out into the highways and hedges, and compel them to come in, that my house may be filled.

24. For I say unto you, That none of those men which were bidden shall taste of my supper.

Heavenly Father, I just read your Word I just pray that you will give me the grace to help me to express the things the way I see them and the way you see them. Help me step aside and express the things that you allowed me to see during the week and most of all give that increase in Jesus Christ name we pray Amen.

You have to tie all that together before you can get the picture, and one of the main thing is at suppertime. There is no other time ever in History as a time that is now - At suppertime. You can take the time since Adam and Eve the total 6000 years and you can bring it down to this hour, it is the end of the age the end of 6000 years. So this is the suppertime of 6000 years. Then you can also take the Grace Age, of 2000 years, this is also the end of the Grace Age the suppertime of the Grace Age the end of

the day. Like at suppertime you come in at the end of the day you have completed your day's work and you come in for supper. Then it is also the end of the Laodicean church age. So it's the end to the 6000 years, the Grace Age, and the Laodicea age, and for those three it is simultaneously suppertime. There has never been a time in 6000 years where there has been suppertime, and there has never been a time where the kingdom of Heaven is likened to a parable where the kingdom of heaven is like unto a certain king, which made a marriage for his son and sent forth his servants to call them that were bidden to the wedding:

This is happening right now, the reason that they are so caught up with all these things like one guy is busy building a house, the other is busy buying land, and all that runs simultaneously with Laodicea. Laodicea was so caught up with wealth and with riches that they didn't care about this invitation to this marriage supper, but really what it is they are not realizing the day and hour that they are living in. They did not know that this thing is running to an end, and the calamity upon calamity is coming. They did not recognize it, had they recognized it when that invitation went out then reality would have sunken in. The crime of the century is not knowing the day and the hour that we are living in.

If you don't know the hour that you are living in you can't hear us, because they are so caught up in building their homestead, getting married, doing the cow thing, buying this car, buy this big truck, and making the payments. When you put all this together then you can see, that these people have made all kinds of excuses. When it comes down to it they don't realize what is up the road, they don't realize the day and the hour that they are living in. Like we talked some time ago where I read back in the 5th or 6th book of Ezras, he wanted the angel to show him what it will be like in the end time. So the angel said if you fast for another week I will come and show you. So when he did that he gave him a vision about this young man going from town to town

and city to city, country to country so to speak, and inquire if there's anyone here that wants to know the things of the Lord, and they looked at him as if he is some kind of a strange dude - where are you from, why worry about things that have eternal value, we have it all here in Laodicea.

When you put all that together and then you put the age that was are living, the age of Laodicea, the wealth and all that stuff and the carefree attitude, people were asleep just like Jesus warned. Here we are the only voice that is speaking out as it is written. Ja, there are a lot of voices out there but there is no one that is preaching this here message where Jesus is coming. They are out there doing their pow-wow, selling their wares, getting up in the pulpit, and the more people that come the more money is coming in, they try to get in the masses even if they have to go out in the parking lot, with cars parked in the lot and preach from there. Whatever it takes to just kind of push the can down the road to keep people from realizing the day and hour that they are living in, that is all that these churches are doing out there. You will not find anybody that will tell you the real truth. They will talk about it but they will not say it in such a way that it will do something for you.

Here we are trying to yank people out of this delusion that they are in. It is a time now that at suppertime a certain man made a great supper and bade many. Now is that suppertime you have to get it that this message is for suppertime. It is not something that you could talk about 5 years ago. It was written but people had it written out wrong. They have been telling people that it has been going on for two thousand years this invitation but no it says here at suppertime, 2000 years ago it was not suppertime. It was not suppertime for the grace age, it was not suppertime for Laodicea, neither was it suppertime for the 6000 years that man has been here on earth. It is here, it started maybe a year or so ago, anyway lately. You have to have the scripture down right.

Like back in the days of Ahab when these 400 prophets

came to prophesy and Jehosephat was up there and he asked Ahab if he does not have another prophet that they could ask. Ahab said, there is one but he never tells me the right thing. Like these 400 they prophesied saying go up because the land is yours, but see it was not in season. Micaiah told them the truth that scripture does not apply here that it is somewhere up the road so they went up and Ahab lost his life in that because he listened to these false prophets. They got it out of the scriptures and see here in this hour people preach but they preach wrong. They take scripture out of context, like the guy that we talked to yesterday. They quote scripture but it is out of context and out of season it belongs somewhere else.

Here again, at supertime this went on. What I am trying to zero in on is this we send out invitations, hoping, I am hoping that it will be a 100% shot, and hoping people will read it, analyze it, and take it to the scripture and pray about it, and to do something about it. Get on the internet and just day in and day out if they want or even just on Sunday if they want. Take a day out and disconnect yourself from all that garbage out there, you're sermons and you're preaching because I know what I have gone through to get to where I am today, there is nothing there and if there is something, it is just there to blind you it is just a delusion. It is just entertainment just to get you over this Sunday thing. That is all it is they don't really tell you about these seven stars, the majority they don't tell you about baptism in Jesus name, about repenting, they don't tell you about things that have a real value for your eternal destiny, but here you get it.

What I am trying to say, and what I have been trying to do in the last week the Lord moved on us to send these books out to 550 colonies. We sent them just to try to yank them into reality, kind of thing, hoping and praying that they will take it seriously, because here is the key and what I am trying to get them away from is this: *But when the king heard thereof, he was wroth: and*

*he sent forth his armies, and destroyed those murderers, and burned up their city.*

That is coming if they refuse this invitation, can you imagine you have eternity past, you long for that day when your son is going to get married, and He longs for the day when His Son is going to be able to be married and here it is just up the road: The marriage supper of the lamb is just up the road here, and people refuse it. He put in so much effort and so much joy into it in eternities past. All He could see this whole planet, this whole universe out here is just pacifically for that son, the Lord Jesus Christ because everything was created because of Him, everything was created for Him. The day is just up ahead dawning my son is getting married and He put in all this effort before there was even a planet He had this day in mind, and here people they are getting invited, in this hour this is an invitation they are getting invited, and here it says they made light of it. It says here - they made light of it, and went their ways, one to his farm, another to his merchandise:

It says they made light of it, nah, nah throw the books in the garbage, he is crazy, he has a very poor record, don't listen to him. That is what they do, they made all kinds of excuses, I have to go and build me another Hutterite colony, and buy some more land and things of that nature. You can make a millions of excuses. Now that was back then, look how many excuses they have now. Living in the grey area under the grey horse rider, living in this delusion, and the age of Laodicea neither hot nor cold. You put all that together it takes something to yank people back into reality and to realize that that guy is on to something.

Lorraine speaks: Even when you line it up with what Jesus said - As it was in the days of Noe. Noah preached for 100 years and not one of them realized the hour that they were living in, there was a flood coming. The same with Lot, there was just Lot and his two daughters, and Jesus said they knew not. The same thing with the Jewish people they did not know the hour of their

visitation. The gentiles are no different, they live in luxury and they think everything is good and well.

Sam speaks: That's what it says as it was so shall it be in this hour, and people are so caught up in their own thing but see up the road here this thing is happening, their cities will be burned up. The only protection that people have right now is this truth. With this Trudeau, and I don't know how long this Biden thing is going to last, but whatever is going to happen it is going to be a catastrophe. There will be cities burned down, there will be colonies burned down, there will be a butcher, and there will be all this calamity. I don't know when but I know one thing if they refuse this invitation that is your only exit out of here is this invitation to the marriage supper because eventually, you prepare yourself. It takes a certain amount of time to prepare yourself and stuff, you dress yourself up and you get your life in line, you lose weight and these things just like I have been doing for the last ten years and working at it every day. As I have said before, it is one thing to get your weight down but it is another thing to maintain it. That is the hardest part but that is the battle that we are in, we are trying to prepare ourselves for that wedding supper. We are not these holy people, we might appear like we are but we are not. We have struggles just like everybody else has and we have to fight every inch of the way but here the King was mad and guess what He did. I am not using this as a scare tactic but it is reality.

Lorraine speaks: When you look at the days of Noah destruction came, in the days of Lot destruction came, these things are inevitable, the same with the destruction of Jerusalem, Jesus warned them in 33AD, but it wasn't until 69 ad when Titus came with his army and destroyed Jerusalem.

Sam speaks: God had an exit for them and they refused it, the boat was built and they made fun of it. I saw this during the week, and it is exactly the way people look at us. Lot could not persuade his son-in-laws to get out of the city. You can read it, they looked at him as if he lost it, that he is out of touch with

reality. There is an expression there that keeps coming up to me the last three-four days. They looked at him as if he is losing it and that is how they look at us. That is the picture that I have before my eyes when we talk about what we talk about on this website, but there are some out there that are real, there are people out there that are genuine I've seen them. I've seen them marching in, God can give you a vision, and He can show you what will be in the future and I saw them marching into the tables. They were clean-cut people you could tell that they had prepared themselves

I want to read *Genesis 19*:

*14: And Lot went out, and spake unto his sons in law, which married his daughters, and said, Up, get you out of this place; for the LORD will destroy this city. But he seemed as one that mocked unto his sons-in-law.*

There it is, it looked like Lot was the one mocking, reality had not set in. They didn't take the warning. It is the same in this day, we live in reality, this thing to us is so real that I could almost touch it, I can feel it.

They see these masks, people they see this coronavirus, it is just a pestilence that God said will be a sign of the endtime a plaque. It is not the devil, it is not China, it is just God allowing it. If God would allow the devil to be in charge he would have this planet destroyed ten times over. It is God that is keeping the protection on these colonies for a reason so that they would receive this end-time message. That is why He preserved them over the years so now here in this end time it is coming and not even God can stop what is coming because it is in His Word. I saw that during the night, God is accountable to His Word.

We went out to the Nasa and we saw how massive the universe is, and the Lord took me up to the sides of the North by the spirit. The universe is just a shoebox compare to the space beyond the universe. Not to show any disrespect to God or anything but God is accountable to His Word. The Word of God has the final say so you, and I have to line up with the Word of

God. Just like God has to stay accountable to His Word. We can go to the Lord, like the other day we went to the Lord and we told the Lord that China, that communist thing, has no room here, has no mandate here in America. We took it to the courts of Heaven and they looked at it - Ya, you are right. They are accountable to the Word we can hold God accountable to His Word because the Word of God says that God will never acquit the wicked. There is absolutely no way that the wicked will be acquitted He also said in His Word that evil will never triumph. It might go on for a little bit but it has to come to an end. God is accountable to His Word. Even if God would want to give you and me a break He cannot go against His Word. He would have loved to give Jesus a break in the garden. It is written and you have to do what is written, and Jesus every time that He wanted to defeat the devil - Jesus said, it is written. Now He is in the garden praying to see if there is no exit route here - No, it is written. It is the same here today.

It is suppertime and that invitation is going out today it is going out with these books that we sent out to every colony and to whoever that we feel we need to send something. We are doing everything that we can all our resources are going into these things. We don't go out and ask people for money, all our resources go into this end-time message, back in the late 80's the early 90's the Lord woke me up - Sam I am coming soon. It went into my DNA, into my structure into my bone, my whole makeup was consumed by it. When the Lord speaks to you - Sam, I am coming soon, there is so much attached to it. He is coming in my generation. I will not have to go to Heaven via the grave. I am going to be able to go up to Heaven via the rapture. If that would not be the case He would not have said - Sam, I am coming soon. He would have left that for somebody else that would be living in that generation. The reason that He said that to me because He knew that I am going to be alive in that generation and I will be 74 next month. I pretty much passed my threescore and ten years. I already lived my seventy so I am really living on borrowed time.

Why would God tell me - Sam, I am coming soon and He does not come in my generation. He is coming in my generation and that has been my mission ever since that. Jesus is coming - Prepare yourself.

That is why all our resources go into this and to get this message out, to get the truth out, to tell people that Jesus is coming. We don't even look at the money we are not just giving the Lord 10% we are giving Him 100%. We are giving Him that last mite because with us it is not about money. It is about scripture - *Seek ye first the kingdom of God and His righteousness and all these things will be added unto you.* God is the only one that can add all these things. You get a million dollars you still don't have all these things. A million dollars can't buy you joy, it can't buy you that safety. It can't buy you angelic security guards. Only the Lord if you seek His kingdom and do His will and walk in His perfect will then you have all these things that you need for daily living. So we are not worried about money. Like I said, all our resources go into getting this message out, to get that invitation out to the marriage supper of the lamb. This is where it is at now.

Here is another thing that I saw. Matthew 22:

*4. Again, he sent forth other servants, saying, Tell them which are bidden, Behold, I have prepared my dinner: my oxen and my fatlings are killed, and all things are ready: come unto the marriage.*

You are not going to find anything else, we have been working at it since 2012. It is His, I don't have the brains to put two and two together. I am not stupid but when it comes to Heavenly things the natural man is absolutely clueless about what is going on. It says my oxen and my failings are killed. Who has been more butchered and maimed and slaughtered than you and I have in the last 10, 20, 30 years. Treated like a vagabond had everything going just because I simply tried to warn people that you have to prepare for the coming of the Lord, then guess what, they butcher you and they slaughter you, and mock you. The

family is the worse, I don't even want to go there how they made it for us. They made it impossible to even see your family grow up. I didn't see that until this last week about the oxen and fatlings. I thought it was back then the prophets of old having been slaughtered and killed. Like they are burned at the stake. I thought that it meant them, but it is talking about the now. This message is for the now. At supertime, the end of Laodicea, the end of the Grace Age, and the end of the 6000 years of sojourning here on this planet of man's purpose here. Those three things it is now supertime of these three things, this year the Lord shuts down the Grace Age 2021.

Like I said earlier the true Passover that God is going to use in after the spring equinox. The New Year starts at the first New Moon after the Spring Equinox. This year it is March 20th. We have on the chart the one that the world uses on the calendar, we know God is going to stick with His Word because He is accountable to His Word. The Passover that they have this year is before the Equinox.

Lorraine speaks: Ya, because it is so close to the spring Equinox they go before the Equinox: with the New Moon being close to the Equinox, this is what they pick, but as far as I know and understand God's principles He would use the one after the Spring Equinox. Which will be April 12th.

Sam speaks: That would be the New Moon and then you would add on as many days as a moon cycle works out to be. If you go out and tell people on a chart now that the Passover is on April 27 they would kind of tear it up, but see on the world scene the way they calculate it if it too close to the Equinox then they go back prior to the Equinox but God is not going to change His Word.

Lorraine speaks: It is the month of Abib or Nissan which is March-April, but because of the New Moon not being until April 12th it is not considered the month of Nissan anymore. It works out a little different. Israel goes by three things they go by the

harvest of their barley crop, if their barley crop is ready, they go by if it looks and feels like spring, and if it is close enough to the Equinox. If they use the one that goes a little too late it kind of throws out their calendar. So they have ways that they use to decide what they are going to use. It becomes a little tricky even for them to decide what they are going to use.

Sam speaks: Ya, I guess their crops will be too ripe if they push it off too long, and then it's almost May before they have their Passover then. So they kind of steal from the one before the Equinox.

Lorraine speaks: If you use God's method which is after the Equinox then the New Moon is April the 12th. Then the 7th month at the Full Moon October the 6th, then the 10th day is October 14-15, which is the day of Atonement where Israel will recognize their Messiah.

Sam speaks: Knowing God we know that He sticks with His principles and with His Word. That the first New Moon after the Spring Equinox and this year it is way before that, they have calculated it but God does not respect what the world does. We put these things out there but it is still up to that individual to figure it out for themselves we are kind of giving you the layout. We did all the math, that is all that I have done all my life, waiting on the Lord and praying about it. That is when the Lord gave me the revelation on the midnight cry. I didn't figure that out on my own. The Lord brought me to the message of brother Branham and one day the Lord came down - The Midnight Cry. The midnight cry is that picture here that you see - That supernatural cloud. That is when the midnight cry happened on February 28, 1963. God put it in the sky, I asked this one guy what He thinks the midnight cry is if He thinks that God is going to put a platform out there and make a big shout. He said Ja, of course, that is what He is going to do. No, the midnight cry happened in 1963, he is still waiting for that big platform to come and Jesus coming out with a shout. That is the natural way of thinking.

Lorraine speaks: That's what gets people so complacent and ignorant to the ways of God. That He actually has, like you always say, boots on the ground, and He has a method and ways of how He does it and how He goes about things. Even if the scripture says a voice or a trumpet, is everyone going to hear a literal trumpet, I know Brother Branham heard an explosion and the people nearby heard something, like thunder. So there was a literal sound but was it heard all over the world, no, it wasn't but people heard the effects of it when they heard Brother Branham speak when he preached the seven seals.

Sam speaks: People heard the echo so to speak. Try to tell them, and I didn't see that until this week that you and I have really been butchered. We are those fatlings that have been butchered. Go down and see how they look at you, mocking just like they did to Noah and they don't want any part of you. Like when we left that church here and I picked you up for instance. There is absolutely no way that I could go near one of those churches under Brother Jackson. They would not even let us in simply because we were driving together. That is just the way it is, the Lord just set it up that way because along the way there has to be somebody that will fit the bill where it says my oxen and my failings have been killed. Of course, they didn't literally kill you and it was not literal an ox and a fatling that He is killing. There were times I had wished that they would have killed me. The things that you have to go through the slander and the mocking, just go down there and look at their mocking expression on their face. Like there was one that mocked. The smirk on their face tells you everything and if they could, if the law of the land would allow it, believe me, I would be a dead man ten times over. I am not complaining that's just the way it is. I count it an honour like we had that message rejection it is a good place to be because you don't have too many hang-ones if it would be the easy street you would have everyone on the street on the bandwagon, but see this is the now at suppertime this comes out now.

The supertime of these three episodes and this is the invitation, is this message here. You try what I have tried for the last 30 years and try to find something you are not going to find anything, you are going to come up with this here. This is the only place that you are going to be able to come. As long as brother Jackson was here it was honky dory. God takes him off the scene, I thought it was just going to be business as usual, we are just going to keep listening but after a while, you realize that you can't trust these people. They are going to change everything that we have been taught.

As you were saying one time, every time I would listen to these people my water gets mirky my vision gets blurred. That is not what I have been taught they have a way of making that water mirky. Here you have it crystal clear, where are you going to hear this message it is for the now, now this message is going out, not ten years ago now is the time. The stage is even set where these armies are ready to go, like it says, burn down their cities and do whatever. God is holding it back for them to accept this end-time message this end-time invitation. Once that time passes and they are the ones that have rejected it, God is just going to let the door swing wide open and the enemy is ready to come in and slaughter butcher and rape, and do everything. Just like it says, *he sent forth his armies, and destroyed those murderers, and burned up their city.* You can put that into a colony, as I say, we are not using scare tactics. This invitation is not a scare tactic it is a way out to what is coming.

I didn't write the Bible I didn't make this program. I am just trying to warn people ever since the Lord spoke to me saying, Sam, I am coming soon. Meaning He is coming in my generation - get ready. Watch and pray that you may be found worthy to escape these things. Be aware lest at anytime your heart be overcharged with eating and drinking. That is what we are doing 24/7 to make sure that we are staying sensitive to the things that are coming and to live in reality so to speak, and to know the day

and the hour that we are living in because back then it came about them unawares. The flood came and it was too late screaming for help, the door was closed. Just like in the days when Jesus wept over Jerusalem, they didn't know the hour of their visitation and the destruction of Jerusalem came, and thousands upon thousands got butchered and slaughter. God could not go back on His Word. He warned them and He sends warning after warning and here it is the same today. I have been talking until I have been blue in the face. All our efforts, all our energy, and all our resources go into this message this website, these books, and cd's. Everything that we know to do we are doing.

The other day the Lord moved on us to send out this eating crow message. Ya, sometimes you have to eat humble pie. What's the big deal if you have to eat crow and you have to correct something. It does not matter we are Human Beings but people who don't want to admit that they did something wrong, are the ones missing out. I put the wrong date in, I put in 2020 instead of 2021, and here we again we put it out on the chart according to the Roman Calendar the Yom Kippur is exactly where we said, but see if we would have put it on this chart here Passover April 27 they would tear it up. Everyone knows that the Passover is March 28 at the Full Moon, but because it doesn't fall on a Friday they have it April the 2nd. We just put a note on some of them that there are two ways that you can look at it, but it will probably go God's way. The New Moon instead of being March the 13th, will be April 12th, then the Passover you would move ahead, the same with the Yom Kippur. That is the way God thinks He goes according to the moon. Somewhere in the Bible, it says that the New Year is determined at the first New Moon after the Spring Equinox, and you and I know and everyone else knows that the Spring Equinox is March 20-21 around there. This year it is March 20, I think around 4 am. Sometimes it goes over to the 21st then from there they determined the New Moon. In God's calendar, in

God's time frame so we would be safe to say that real New Year, the way God is looking at it, would be April 12, and the real Passover would be April 27. The real Yom Kippur would be in October. That is the way that you have to look at it. You can't go to sleep thinking Sam is right, you have to go to the scripture yourself, like we are as right as we can be, we are doing everything that we can, and plus.

Those are the three issues that I wanted to go over. At supertime, this invitation is going out now, this didn't go out 100 years ago because there was no supertime. People were still doing their thing, the time frame for the supertime is now with all the calamities going on around the world, with the pestilence coming, it will come upon the people on earth like a lasso. It is going to come upon mankind like a lasso that comes upon a cow, that cow does not expect that lasso coming. That is the way that it is going to take people unawares here. That is all we have to do is warn people. People have the Bible just like I have it, but my problem is I take it for granted sometimes that everyone has been in this Bible like I have been all my life, but that it is not the case. When you talk to some people they don't even know what you are talking about when you tell them about the Grace Age. They have been preaching and they don't even know that there is such a thing as a Grace Age. It says in *Luke 21*:

*32. Verily I say unto you, This generation shall not pass away, till all be fulfilled.*

*33. Heaven and earth shall pass away: but my words shall not pass away.*

*34. And take heed to yourselves, lest at any time your hearts be overcharged with surfeiting, and drunkenness, and cares of this life, and so that day come upon you unawares. 35. For as a snare shall it come on all them that dwell on the face of the whole earth.*

It says surfeiting and surfeiting means indulging in things, such as eating and drinking. Like this one guy bought a cow, the

other land and the next took a wife. If you ever went to these Rodeos and they have their rope and they are just a giving it and that cow does not expect that rope coming and bingo there is that rope, and all of a sudden it comes to a sudden halt, and that is the way that that is going to come upon mankind because they didn't heed the warning. That is all that I have been trying to do to warn people, I am not crying the blues about it because I have it good. Where has the Lord ever been as good as He has been to us, He supplies all our needs. He gave us this home here, He got us to go and buy that brand new Volvo from out of the showroom. That is what He does I am not complaining why would I complain I am not locked up in some Hutterite prison, anything is better than that. I have the freedom to go down and have a coffee and an ice cream when I am not fasting, but most of the time we are fasting so we can't do that. He puts us on this fast to keep us sensitive to keep our head above the water so to speak.

There is such darkness out there that it looks like you can't even navigate, and then the only way that you can find your way through this darkness is simply fasting and praying. That is all you can do to keep your sanity in this dark evil hour that we are now living in. It is bad out there the last month or so ever since that joker got into the Whitehouse. He is not president he is just in the Whitehouse, darkness is sweeping in the land. The darkest hour is just before dawn. Social media is so dark and everything. All you can do is hold onto the things that you have been taught.

As I have said this website is an invitation take it or leave it. I am not going to wear myself out we will do what we can, because in these colonies there are genuine people in there, I don't know who they are, but God knows who they are and there are people that will get to hear it. Some people are searching just like I had to search all my life. The Lord let me through all this to send it back in there. When they terminated us we didn't just go and sit down beside a straw pile. We had it good but all in all the Lord took us out to teach us these things to prepare us for the day and the

hour that we are now living in. All that stuff that is going on out there that does not even bother us one bit. They can lock the stores they can do whatever. They can bring in all kinds of mandates. They don't bother us because we have prepared for this hour.

This message like I say, if everyone around the world would know what we know, in knowing that there is nothing out there, they would forget about these churches all they want is your money, and Satan is behind it because he has infiltrated every aspect of society. He has infiltrated those churches, he has infiltrated those people and all this disruption is to keep you from the day and the hour that you are living in. To keep you unawares and kicking the can down the road to keep you blinded because all they want is your money. Here you have it and it cost you nothing it is free, it says, come and drink out of the waters of life freely. Prepare yourself for the marriage supper of the lamb. You can't just show up with your dirty clothes and your filthy lifestyle. This conversation that we are having should give you a desire to clean up your act you can't go in there and be overweight. God expects you to do something about it, that is why I am sending out this invitation, that is why these conversations that we are having here are not my conversations. There are many times that I have to tell on myself, I am just a douchebag, the natural man that is all that he is. There is nothing there. That is what we do here, we are putting all our resources here, never mind just 10%, 100% of our resources are going in to do whatever we can to warn people and what they do with it that is their business that is their choice, we've done our part. Just like Trump, he did his part, these four years he did his part. Now everyone needs to do their part just like Rush Limbaugh, he did his part, he talked his heart out for 20 years or more. He did his part now everybody else do their part. That's what we are doing we are doing our part, when this will be done, now you go do your part. We did our part, we

are doing everything that we can pedal to the metal, money is no object. Not where we are living at.

That is what I saw - At supertime. You can't take something and put it somewhere else it is at supertime when he killed the cattle, butchered and got it ready. Who has been more butchered than you and I. The slander that we have to put up with, they send the email on our website. The dirty looks that we get. I was driving through this one colony and this one guy wanted to let me know that he thought I was crazy so he used his finger and motioned in reverse with his finger by the side of his head. Then I saw him the next day in town and I asked him what that was all about. When you corner them they don't have the courage to say what they meant. I told him I'm not crazy, in fact, the world is crazy. Time will tell, it says, in the last days good will be called evil and evil will be called good, and that is the hour that we are living in, sanity will be called insanity, and crazy will be called sane, black will be called white and white will be called black. That is the hour that we are living in.

This website is such a contrast from what is out there, it will take a few sittings to really get it. I had a guy come here the other day who says - Sam, you are crazy. I am not crazy the whole world is crazy I am the only one that is sane, because I am living in reality I am doing everything that I can to stay sane too, and to keep my head above the water they don't know what we know. That we are under that grey horse rider, they don't even know what that grey horse rider is, it is the atmosphere, the spirit world, the demonic forces, under that grey horse rider delusion, things are neither black nor white. Then you are in a lukewarm environment which is basically the same thing. The lukewarm era where things are neither hot nor cold. All these forces deception like Paul said to Timothy all these seducing spirits and doctrines of devils. I tell you, you have all these forces if you are not putting in all your effort 24/7 to stay spiritually alert they will take you down that left field so far. I know for myself if I am not constantly

aware of what is out there then you are going to be swept away. Almost daily I have to repent and grab another hold of it because the forces are so powerful especially the last month, you probably noticed it to, so much that it almost looks like you can't navigate. That is the hour that we are living in we are the sane ones. Like I say, try to tell people that this website here is it, it will take a miracle to see that this guy is right. People have to get desperate before they do something about it.

It is very important to see this supertime, the end of the Grace Age, the end of mankind sojourning here on earth, the end of Satan's control, he has been running this thing for 6000 years. It is coming to an end here just a few short years up the road, approximately 8 years he is getting caged after the week of Daniel, and thrown into Hell and tied up.

Then Jesus comes and runs the show here on earth, it is not the end of the world. People have this mentality that it is the end of the world. The planet never ends, it will be the end of Satan's era. There again Satan is behind these preachers that are preaching the end of the world is coming. The world never ends it just goes into a different phase. It will be purified during the millennium. There will be a catastrophe and there will be Island removed. It says the planet will rock to and from like a drunkard on the day of the Lord. *Isaiah 24:*

*20. The earth shall reel to and fro like a drunkard, and shall be removed like a cottage; and the transgression thereof shall be heavy upon it; and it shall fall, and not rise again.*

There will be catastrophes there will be volcanos. It will be a time where you will want to be in touch with the Lord. In *Luke 21:*

*25. And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring;*

*26. Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.*

*27. And then shall they see the Son of man coming in a cloud with power and great glory.*

*28. And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.*

That is all we are doing and in the meantime, we are trying to warn people at the expense of being mocked, we are just looking out for their wellbeing and what do they do - kick you out of town.

We are just going to keep on doing it because we have a blessed time doing it. At least we have something to do. It keeps us busy.

***OH MY LOVING BROTHER***

*Oh the judgment day is coming  
What an awful day 'twill be  
Christ forever is my refuge  
Rock of ages cleft for me.*

*Chorus:*

*Oh my loving brother... ' sister  
When this world is on fire  
Don't you want God's bosom  
To be your pillow  
Hide me over in the rock of ages  
Rock of ages cleft for me*

*At the sounding of the trumpet,  
At the dawning of the day,  
Worldly pleasures with their treasures,  
Shall forever pass away.*

*Chorus:*

*Poor lost sinner will be crying  
For the home they'll never see  
But the ransom will be singing  
Rock of Ages cleft for me*

*Heavenly Father we just had a little conversation around your Word, I just pray take what has been said move upon the hearts of*

*the people the seriousness of the day and the hour that we are living in. Help them see with seeing eyes open up their understanding, open up their eyes that they are missing the greatest event in history the coming of the Lord, the marriage supper of the lamb. All these calamities are coming like a lasso; as a snare snaring cattle they will not even know what happened and what hit them. Here it is right in front of our eyes, just a few years up the road here Lord. We just pray use what has been said and use it for your honour and for Your glory and most of all give that increase in Jesus Christ name we pray, Amen*

### ***The Wedding Banquet***

*I cannot come to the banquet, I cannot come to the banquet,  
don't trouble me now.*

*I have married a wife; I have bought me a cow.  
I have fields and commitments that cost a pretty sum.  
Pray, hold me excused, I cannot come.*

- 1. A certain man held a feast on his fine estate in town.  
He laid a festive table and wore a wedding gown.  
He sent invitations to his neighbours far and wide  
but when the meal was ready, each of them replied:*
- 2. The master rose up in anger, called his servant by name,  
said: "Go into the town, fetch the blind and the lame,  
fetch the peasant and the pauper, for this I have willed,  
my banquet seem so crowded, and my table must be filled.*
- 3. When all the poor had assembled, there was still room to spare,  
so the master demanded: "Go search every where,  
to the highways and the byways and force them to come in.  
My table must be filled before the banquet can begin.*
- 4. Now God has written a lesson for the rest of the mankind;  
If we're slow a responding, he may leave us behind.  
He's preparing a banquet for that great and glorious day  
when the Lord and Master calls us, be certain not to say:*

People get ready there is a train a coming, this is it. The train takes you to the marriage supper of the lamb. We do not know the particulars we just know the getting ready part.

Lorraine speaks: How, what, when, where, that it is all going to be we do not know. We just know like Noah knew he preached that there is a flood coming, he knew the Lord spoke to him, how it is going to happen he did not know. It had not rain one drop on the earth before his time. There was a dew that came out of the ground and moisten the foliage. Up until then, there was no sign of rain so how is it ever going to rain. He didn't know but he knew one thing God told him to go build an ark and that is what he did and as he prepared he preached.

Sam speaks: It is like here we do not know all the details, I don't know how it is going to come by, all that I know that it is coming. Back in the '60s the Chamber brothers sang that song, People get ready. There is a train coming and it is picking up passengers from coast to coast. Somebody is going to come on it is not just going to be the two of us. Somebody is going to hear it. It is picking up passengers from coast to coast all you need is faith to hear those diesels a humming. There they are chugging along, I see them sometimes. You don't need no baggage you just get on board. It is kind of a type, a figure of speech. God is going to meet your needs if you believe this message. He is going to make sure that Psalms 91 is executed on your life. All you need to do is believe it, He furnishes everything. He gives you the wedding garment, He will help you come through this thing. So I can't repeat it often enough - People get ready for that train to Jorden. It is picking up passengers from coast to coast.

Lorraine speaks: It is a different age, this is the only age that has wise and foolish virgins because they had other priorities, and because of that they will have to go through the week of Daniel. The same with the Wedding Supper no other age has had guests coming to the wedding, invited. It is God's way of allowing people

to escape what is coming on the earth. All they have to do is believe it.

Sam speaks: That's all they have to do is believe it. We have been butchered, I see it more and more every day. We paid the price we did for them so that they could come, and freely take. I don't know all the particulars, but all I know that there is going to be a wedding, and they can come, just believe it. It is so simple. Never in history has there ever been an invitation to come to the wedding to the marriage of the Lord Jesus Christ, and it is free. Just believe it just like that song: *Mein Heiland nimmt die Sünder an*.

When He took the blood to the Father all those that believed what Jesus did at Calvary got the same resources right at their disposal if they are honest and true and if they stay faithful, and here it is the same thing all they have to do is believe it. We did the work, we did the research. You can go out there and listen some of them are pretty good but when you go into it they give it a twist. I always go back and say does that person believe that God sent a prophet, does he believe in the seven stars, and that those earthly messengers were getting their message from that angel that Jesus held in His right hand. See He is walking amongst them. How is He doing it, He is doing it through that angel. It is so simple from where you and I are at. It is a foolproof system. All people have to do is believe it. Like now it is pretty hard, we are going into a dark hour here, it is very dark and dismal and grey. We will pull through it. When you go on Twitter they think that you are crazy if you don't believe that Biden is president. The devil, he wants everyone to believe that lie. You can't even look at their stuff because it puts you into their era, their dimension, and mindset. It is an hour like none before, the deception is so great.
