

O WHAT A SAVIOUR

*O what a Saviour, O what a Saviour
O what a Saviour is mine
Unto the uttermost
He so wonderful and glorious
O what a Saviour is mine*

PITY THE MAN

*I guess we should pity the man in this world,
Who must use the earth for a bit.
And I guess we should pity the man who must toil,
From dawn to dusk for his bread.
But these can be rich if they have contentment,
And share in God's salvation plan.
But if you know any who though they have plenty,
Are lost, then pity the man.*

*Pity the man who has treasures to hold.
And holds not the pearl of great price,
Pity the man though he lives long on earth,
Yet he knows not the Giver of life.
Doctor, or lawyer, traveler, or merchant,
Or builder who builds on the sand.
Pauper or king to be saved is the thing,
If he's lost then pity the man.*

*And I guess there are those who pity the saved,
As though we were missing life's best.
Oh, they're forgetting the treasures of earth
pass away,
And heaven is the place to invest.
Their meanwhile esteeming, the man who is
scheming.
To hold all the wealth that he can.
But if while he's living, to God he's not giving
His soul, then pity the man.*

I JUST STEAL AWAY

*Every time I do a deed I should not do
Every time I say a word I should not say*

*Let me tell you what I do
And it brings a blessing to
I just steal away somewhere and I pray*

Chorus

*I just steal away, I just steal away
And I ask my blessed Lord to lead the way
I just steal away
I just steal away somewhere and I pray*

*Often times I'm made to bow my head in shame
At some idle thought or deed along lives way
But I never am ashamed of my saviours precious name
I just steal away somewhere and I pray*

*I know God will hear and answers prayer
If I thank Him for His blessings everyday
When I'm burdened down with grief
He will give my heart relieve
When I steal away somewhere and I pray.*

I WILL PUT MY TRUST IN JESUS

*I will put my trust in Jesus
As I lay upon His breast.
I will take my comfort from him,
I will find in him sweet rest.*

chorus

*For there is no other fountain,
Where I can be more satisfied,
Than in the arms of Christ my Savior
No blessings I will be denied.*

All pain will leave my aching body,

*As His sweet, healing flows.
Demons tremble in His presence,
In Jesus name they have to go.*

*On some morning in that yonder city,
I will awake to sleep no more.
In God's presence live forever
All sin and pain will be o'er*

IT'S ALMOST TIME TO SAY GOODBYE

*Perilous times will surely to come
That great Apostle Paul declared
Men loving pleasure more than God
Apostasy is every where
And if you look around you'll see
God fearing men are hard to find
And though it breaks the heart in me
I know by the signs it's almost time*

Chorus

*It's almost time to say goodbye
To a world that's vexed this heart of mine
Trials faced on every hand
Brought on by the curse of sin
I feel it won't be very long
'Til Jesus comes to claim His own.
We must keep this thought in mind
By His Word it's almost time*

*Now there's those who have no hope
Our Saviour died but He arose
As living proof appeared to men
He walked with His chosen ones again
He led them out to Bethany
Then on a cloud He went away
And as they gazed up in the sky
The angels said He's coming back*

THIS IS THE EVENING TIME

*The god of this evil age,
Has blinded the minds today;
Of people who walk their own way
According to God's own Word
Denying the things He's done
Of sending His only Son:
Accepting the creeds of Man
Rejecting the Word of God:*

*This is the Evening Time,
It's later than you think.
The Bride is preparing now
For Her Lord to meet.
All things are ready now,
So come by near here,
He that hath an ear to hear*

*The Evening Time is here.
The darkness throughout the land
This world just can't understand.
A Prophet has walked this Land;
Proclaiming the way to God;
If you would be safe today,
Then follow the words he gave.
Accepting the Word of God;
For this is the Evening Time.*

I want to go to 1 Corinthians 2:

1. *And so it was with me, brothers and sisters. When I came to you, I did not come with eloquence or human wisdom as I proclaimed to you the testimony about God.*

2. *For I resolved to know nothing while I was with you except Jesus Christ and him crucified.*

3. I came to you in weakness with great fear and trembling.

4. My message and my preaching were not with wise and persuasive words, but with a demonstration of the Spirit's power,

5. so that your faith might not rest on human wisdom, but on God's power.

You will notice when anybody will listen to these conversations they will know that I am not a preacher by any stretch of the imagination, I am not an eloquent speaker, I am just trying to express what I see however it comes out so be it. I'm no John Haggee. I am just a simple guy trying to express what I see.

God's Wisdom Revealed by the Spirit

6. We do, however, speak a message of wisdom among the mature, but not the wisdom of this age or of the rulers of this age, who are coming to nothing.

7. No, we declare God's wisdom, a mystery that has been hidden and that God destined for our glory before time began.

8. None of the rulers of this age understood it, for if they had, they would not have crucified the Lord of glory.

*9. However, as it is written: **"What no eye has seen, what no ear has heard, and what no human mind has conceived"** **the things God has prepared for those who love him**—(BUT)*

*10. **these are the things God has revealed to us by his Spirit.** The Spirit searches all things, even the deep things of God.*

That is where most everybody stops but they do not read on.

11. For who knows a person's thoughts except their own spirit within them? In the same way no one knows the thoughts of God except the Spirit of God.

12. What we have received is not the spirit of the world, but the Spirit who is from God, so that we may understand what God has freely given us.

13. *This is what we speak, not in words taught us by human wisdom but in words taught by the Spirit, explaining spiritual realities with Spirit-taught words.*

14. *The person without the Spirit does not accept the things that come from the Spirit of God but considers them foolishness, and cannot understand them because they are discerned only through the Spirit.*

15. *The person with the Spirit makes judgments about all things, but such a person is not subject to merely human judgments,*

16. *for, "Who has known the mind of the Lord so as to instruct him?" But we have the mind of Christ.*

See we don't do nothing in the natural we have the mind of Christ and at one place it says we know all things. I want to read it over in the KJV now.

1. *And I, brethren, when I came to you, came not with excellency of speech or of wisdom, declaring unto you the testimony of God.*

2. *For I determined not to know any thing among you, save Jesus Christ, and him crucified.*

3. *And I was with you in weakness, and in fear, and in much trembling.*

4. *And my speech and my preaching was not with enticing words of man's wisdom, but in demonstration of the Spirit and of power:*

5. *That your faith should not stand in the wisdom of men, but in the power of God.*

6. *Howbeit we speak wisdom among them that are perfect: yet not the wisdom of this world, nor of the princes of this world, that come to nought:*

7. *But we speak the wisdom of God in a mystery, even the hidden wisdom, which God ordained before the world unto our glory:*

8. *Which none of the princes of this world knew: for had they known it, they would not have crucified the Lord of glory.*

9. *But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him.*

10. *But God hath revealed them unto us by his Spirit: for the Spirit searcheth all things, yea, the deep things of God.*

11. *For what man knoweth the things of a man, save the spirit of man which is in him? even so the things of God knoweth no man, but the Spirit of God.*

12. *Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God.*

13. *Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth; comparing spiritual things with spiritual.*

14. *But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned.*

15. *But he that is spiritual judgeth all things, yet he himself is judged of no man.*

16. *For who hath known the mind of the Lord, that he may instruct him? but we have the mind of Christ.*

Heavenly Father we just read your Word here, I just pray that you will give me the grace to express the things that you have put on my heart the last three days. Lord, help me say it in such a way that people will find a place of repentance. There is still hope you are still on the seat of mercy, there is still grace out there for

everybody, for whosoever will. I pray Lord, that you will give that increase in Jesus Christ name we pray, Amen.

I didn't go looking for this job, you know, that would have been the last job that I would have taken. I'd say back in the late '80s the Lord began to deal with me and He let me know that He has a work for me to do, and I was chafing at the bit, I knew what it was going to cost me, I knew that I was going to lose everything. When you start standing up for the Lord in that Hutterite colony you are terminated. I knew what they did with other people and I knew that that was what they are going to do with me. It took me a while to kind of surrender you know. The first thing the Lord did was He chopped part of my finger off, and I had to go get it sewed up, and you can still see the scars today. Then the next thing He did He broke my foot with a frontend loader. It was all the Lord trying to get my attention. I could go and blame this guy or that guy for doing it or all that, or I could blame these preachers for terminating me, but see in it all God, He had a job for me to do and I couldn't get out of it. I knew that the next time that He is going to deal with me I am going to be done, I'll be dead. He gave me two warnings, and then I got serious. I didn't pick this job, the Lord honed me out before the foundation of the world to do this job, the very thing that we are doing here. I couldn't get away from it otherwise I would be in the grave. The Lord is going to give you three strikes and then you are out kind of thing.

So then I began to disconnect myself from the things of this world, and like I say, I knew what the Lord wanted me to do. The Lord wanted me to stand up and speak against those preachers; against that corruption in that system. I knew a lot more than the average people knew because of what my father-in-law told me, he let me know what they are planning to do. They were going to go down to Rainbow and take away their assets. When there were people that would not agree with them they would just get rid of

them, and that Rainbow colony they didn't agree with him they didn't sign over that power of attorney to him, so he just wanted to go in there and just confiscate their property, and turn everybody out in the streets. My father-in-law told me that. I told him what kind of a person would do that just go in there and just confiscate all their property, that's just like the popes and what they did in the dark ages. I said, you didn't work for that place it was people at Rainbow colony that work for that place, it is their property. Well, if they don't follow what J.K says then they are out, he said.

Anyway, they must have changed their mind so they didn't terminate them, but that is the way that J.K guy ruled. What happened then was I saw how he operated, he is unstoppable, just like the popes in the dark ages. Many did try to stop him, but they didn't get very far but I read something one day in the Bible. I want to get to something here. As I have said, I saw how these people liked to reign people in so to speak. The more that they tried the more they failed. In fact, some people have demonic powers and people can get killed by those powers. I knew more than I am saying and more than people knew. My father-in-law told me that they are going down to Texas to borrow some money I believe it was 18 million dollars to help the poor colonies. There is no way that he can borrow 18 million dollars, he wanted 35 million but the only way that he can get 35 million dollars is with these power of attorney signatures that he coerced us into signing. They went down to Texas to get that money and that opened my eyes to what their plans were. They were going to use those power of attorney signatures to borrow money to do God knows what, and they ended up buying a bunch of oil-wells that didn't materialize, that were dry, someone coned them into buying them.

These two people were as stupid as anybody, my father-in-law and that J.K guy. I had a dream, I saw this ship, that ship was

going south out in the ocean and a Hurricane was coming, a horrible wind and they were going south and the wind it came from the West. I believe we learned that in grade four when you are caught at sea in a storm you drive the ship into the wind, into the waves, so that the ship does not capsize. I saw these two both trying to piloting that ship and they were going south and the wind was coming from the West. Well, guess what will happen, that ship is going to capsize, and on that ship, on top, it was loaded with Hutterites, and I knew that those two people were not capable to run that show. They will capsize it. I knew a lot of things that I am not even going to mention. I knew that that guy was unstoppable and I read this scripture here, and at that time I was going to a prayer meeting in Arden. It says in *Matthew 18*:

19. Again I say unto you, That if two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in heaven.

20. For where two or three are gathered together in my name, there am I in the midst of them.

See the Lord set it up for me to go to this prayer meeting because He wanted this very prayer sent to Heaven. Like we talked the other day about Hezekiah, he laid that letter that he received from the King of Assyria and went to the house of God and laid it out before the Lord. Like we did with that Chinese thing that was going on in America. We did the same thing back then, there was four of us at the prayer meeting and I let them know what is going on, that we need to pray about this we need to take it to the Lord in prayer because that is the only way that we will be able to defeat that, because you are not dealing with a J.K, you are dealing with the devil, with a spirit that is on the man. Our work is not to go out and fight around with people we fight with spiritual wickedness in high places. It says in *Ephesians 6*:

12. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

We are wrestling with the demonic forces, it was Satan himself that was dealing with that man, and what for, to destroy the colonies to destroy everything.

Anyway, that case went to the supreme court and I knew that he is going to lose that court because we had prayed this prayer and I knew that he was going to be put out of commission, I was there at that court and he lost it. Had he won that supreme court he would have been unstoppable. He made a statement after he lost that supreme court - If I would have had 6 more weeks I would have had those colonies exactly where I wanted them. You know where he wanted them - He wanted to sell them to the Mafia. That is where he wanted them and that is the kind of devil that you are dealing with, it is inspired by Satan. Everything is driven by a spirit and you have to know that. I stopped that man single-handedly with those three guys at the prayer meeting, I stopped him from destroying the Hutterite colonies.

I was that Esther when that Hamon was going to have all the Jews killed and slaughtered. I stepped up to the plate got that prayer thing going and where two or three agree, where two or three are gathered in My name there I am in the midst, and where two of you agree I will do it for you. I could not do it by myself I had to get someone else involved in this, and just for that, just for doing that, that whole Hutterite clan terminated me for saving them from the destruction that that man would have brought on.

As he said, if I would have had six more weeks I would have had them exactly where I would have wanted them. He is a very, very wicked man, driven by a spirit that is 10 times worse than he was, but I don't know who is worse him or that devil, but anyway we stopped him, after that he lost that supreme court, then they disconnected him and that is where that split came in. We kind of

clipped his wings so to speak he could not enforce his garbage anymore, up until then he would go into Rock Lake and he would terminate the boss and anyone that didn't agree with him and then he would put in his puppets. I found out that he wanted to do the same thing at Riverside get ride of my dad and Dave because they were giving him some opposition and he wanted to put these Isaacks in. That is how he did it, he did it at Aspenheim, he put them in 'Ausschloss' until they would come and ask for forgiveness. Just like the Pope did with Gregory the IV, the same devil; driven by a spirit. Martin Luther stopped the popes at the Reformation. When the time came Martin Luther stepped up and they could not stop Martin Luther, because God was restoring what was lost - The just shall live by faith and they could not stop him they could not kill him. Before Martin Luther they would kill whoever would oppose them. They would be burned at the stake or whatever.

Lorraine speaks: That's what the devil can't touch when you have a revelation, the word of truth for your hour, and Martin Luther received it from God - The just shall live by faith.

Sam speaks: I was doing it back then, the same thing but here instead of acknowledging me for what I did they terminated me. There were more that tried, that Leonard from Delta tried, that John from James Valley tried and they were warned one more word out of you guys we are coming down and terminating you. So they were all kind of scared, so I saw all that happening and I knew if I speak up they will do the same thing to me, but I was like Ester, if I die I die, let them take whatever I got, it does not matter to me, I just went to bite the bullet and did what I had to do. Just for me to go to that prayer meeting that was a no-no.

Anyway, as this thing moved on I was called into review, and I was terminated for standing up against that corruption. They were trying to hide this thing, they would call people who didn't agree with the 'renegades'. I told my father-in-law I know who the real

renegades are - you and J.K and these preachers who are supporting you guys. Eventually, they terminated me, then nine months later that split came in, so what happened I went back to the colony after that split and I went home to my dad and he said - As far as I am concerned you can go to work just like before because all you did was you went away from J.K just like we did, we couldn't support him anymore and you couldn't support him anymore. So as far as I can see you did what we did and just went away from him and now you can just go back to work.

So I went over to the electrical shop, I thought it was going to be business as usual before I was terminated. Then that John guy, that is electrician went over to the other shop, I don't know what he did at that shop there but maybe he was in cahoots with those Isaack's, but anyway I was working I don't remember what I was doing, maybe fixing something and he came back and he said - I was just there at the shop and they told me if I don't get you out of here they will kick me out. I told him, my dad just told me to go back to work like before. So I went home to my dad and told him what the scoop is. I let him know I was down working just like before just like you said, then John, he went over and must have communicated with those Isaack's. They didn't like me coming back and me being around they wanted to get rid of me so I told my dad. He didn't say much, he just hung his head because he knew what he was up against. If he supports me he will be in the same boots that I was in. So anyway after bickering back and forth I just left. I went to work for the neighbour.

Going back to that John guy, that is the one that I want to talk to you about. He was kind of an orphan, I had that Joe Hofer guy working with me but at that time we were not building anything so there was not much work so he went over to the carpenter shop. He was a pretty aggressive guy and there was only enough work for one guy because we were not building anything at the time so he went to help his brother in the

carpenter shop, then things became a little busy so I asked the bosses if I could have John working for me. I observed everything and everybody, I could have picked that Jackie, but with John being orphan I thought I'd take him and show him how to do the electrical work. So I took him under my wing so to speak. As time went on he did good, I'm not going to say all the bad things about him, but it's not about the bad thing, its about exposing peoples motives.

When I got terminated I went up to Calgary and places and then what happened he was taking over the electrical work and the half-ton that came with the job. So he goes to Arden and someone asked him - Isn't that Sam's truck. It was a nice truck it was blue and white and it had chrome tools boxes on, it was a pretty nice little truck. Then someone at Arden asked him isn't that Sam's truck. He had repainted it white and the guy asked him why he painted it and he said - It looks too much like Sam. He took the toolboxes off and he painted it white just to erase every memory from me. That's the kind of a guy that he is. He is like everyone else at that colony - We want to get rid of that guy and here is our chance but see there is a day of reckoning coming, because God knows all about it, I know all about it too, but see I don't take vengeance into my own hand - Vengeance is mine, says the Lord, I will repay. They are going to have to either repent or suffer the consequences, otherwise they will go exactly to where those people went that crucified Jesus if they do not repent. I was seeing all of that during the week. See they could not wait to get rid of me and the first thing that he does is he goes and repaints the truck, takes the boxes off, just because they looked too much like Sam. Like I am some kind of a stench in their nostrils, and here I was saving them from destruction because that J.K was going to sell these colonies. He was ready to sign everything over to the Mafia because he had power of attorney. So that is that kind of guy that John is - full of hate.

Why would you want to get rid of Sam, I taught him the electrical, I did a lot of work there, put everything underground, I was there for 20-30 years and I did everything the best I knew to do. Of course, I had my faults and all that but as far as I was concerned I did nothing but good, taught him how to do the electrical, and here I was barely gone he wanted to erase every memory of me. What he does he wants to erase, to this day, every memory of me that I ever was in that place and everything that I ever did. That is his mindset, I did him nothing but good. See God knows that and I know that too, when you read that scripture we know all things because we have the mind of Christ. God reveals these things to us by His spirit, we are not in the dark about nothing I know exactly who those are that threw me under the bus.

God remembers those, He remembers those that yelled crucify him, but Jesus didn't take vengeance into His own hands He left it with His Heavenly Father, who said, vengeance is my I will repay, says the Lord. After they had crucified Him He said - Father forgive them they don't know what they are doing. See what God did then He worked on their hearts to get them to repent; to get them to a place of repentance. Then on the day of Pentecost, there were 3,000 that repented and were saved. Everyone that repented there had only one way out of that dilemma when Peter told them what they did, that they crucified the Lord of glory. When they heard that they were pricked in their hearts, and they said, what must we do, because they wanted to know what they could do having crucified the Lord of Glory and the penalty for doing that. Peter then rose up and said - Repent every one of you, and be baptized in the name of Jesus Christ every one of you for the remission of your sins and you shall receive the gift of the holy ghost, and that promise is to you and to your children and to them that are afar off.

That was the only remedy for them to get out of that dilemma. The same here, not only Riverside colony was involved in that, every colony that I got out of J.K's clutches by going to that prayer meeting and putting him out of commission they would still be bickering around. You have to go into the spirit realm and disconnect the spirit of the thing because you can fight around with a person for 10 lifetimes and you would not be getting anywhere, but I tapped into that scripture and that is what did it. It is not only Riverside, and Rolling Acres that is guilty it is on all these colonies. Then they went into my house, the Bible says what God has put together let no man put asunder; they went into and separated my wife and my children from me. They are guilty before God for going into a home and separating a family tearing a wife and children away.

I remember one day coming back home for a visit I had not seen my wife and children for two months and I came in during their church time and after church, my dad called me up - What do you want here. I told him I came to visit my children. He told me that those children are not my children that they belong to the church. See just like that catholic thing, it's the same thing, it is a socialistic, diabolic, satanic system, and if you don't agree with them they are going to get rid of you, just like the Muslims, just like the Catholics. The Catholics they did all that in the Dark Ages now you can just leave that church but they are going to terrorize you by getting the family after you, and that is what they did to me. It is that same socialistic, demonic spirit that is behind it all, and they are all guilty of it. They are going to have to repent. I am not going to get involved in their stuff, it is just that God is now bringing it to this point where they have 6 months now to repent and clean this mess up. If they don't then guess what they are going to end up - where the destruction of Jerusalem ended up. God is giving them grace, He is having us put these messages out

to kind of wake them up. I have been trying to wake them up for 20 years.

I want to get to this story here and read this thing about this court Jester it's called - **The biggest fool of all.**

There is an old story of a king and his clown or "jester" who sometimes said very foolish things. One day the jester had said something so foolish that the king handing him a staff, said to him: "Take this, and keep it till you find a bigger fool than yourself."

"Some years later, the king lay on his deathbed. His courtiers were called: his family and his servants also stood round his bedside. The king, addressing them, said, "I am about to leave you. I am going on a very long journey and I shall not return again to this place: so I have called you all to say goodbye."

Then his jester stepped forward and addressing the king said "Your Majesty, may I ask a question? When you have journeyed abroad visiting your people or paying diplomatic visits to other courts your heralds and servants have always gone before you, making preparations for you. May I ask what preparations, your Majesty has made for this long journey that he is about to take?"

"Alas!" replied the king, "I have made no preparations."

"Then," said the jester, "Take this staff with you, for now I have found a bigger fool than myself."

That's how I got on this subject here. The Lord three-four days ago He brought this court Jester up and then one thing led to another and I was thinking I sometimes talk to these people they text me or I'll sometimes run into them in town and what shocks me the last 30 years that I have been trying to wake these people up and see the handwriting on the wall and what shocks me is they have not changed one bit. They are the same, and still in the same life of drinking and good times and getting heavy and overweight and they have not done anything towards their eternal destiny. Like the song says - Pity the man who has treasures to hold and he holds not the pearl of great price, pity the man that is

not saved. They have not done anything towards that area, that avenue. That is what shocks me more than anything I have been kicked from pillar to post, terminated, homeless, penniless, and when I did have a job they tried to get the people that I worked for to let me go. They did everything that they could to me. Like we read the other day, how they have literally butchered and slaughtered me for the last 20-30 years. I couldn't even go visit my children, I couldn't see my children get married. Truly we have been butchered and slaughtered for what we stand for.

All we are trying to do is we are trying to warn them and when I see them in town they are the same old, same old, same old, they have not changed one bit. They are just as they were 30 years ago with all the things that have happened around the world, what is going on in America and with the Trudeau, judgment is hanging right in front of the door and they are just going down the road of life, complacent, just like nothing is happening, completely blind, to the fact, that judgment is about to strike. The end of the grace age is here and they will stand outside wishing that they would have done something. Like we sent them out all a book - 'Strive to enter in' and now we sent them out the book - Sometimes I have to eat crow and a time chart. I am sure most of them throw them out they probably don't even look at them but see that is not my responsibility that is not something that I can do anything about. It is up to them they will be held accountable. God will hold them accountable we sent them a book to let them know and that is going to be the saddest thing about Hell, that they were warned and they never took the warning seriously.

That was the worst thing about the flood, Noah, he warned them for 100 years and it just fell on deaf ears and when the flood came they started yelling and hollering, but the good thing about it was the window was on top and Noah could not look out the window to see what was going on. So it will be in this hour when

this judgment strikes and people that we know, people that we worked with, that we rubbed shoulders with, that we sat down at the table with, and when judgment strikes the Lord will have us out of here it is not going to affect us.

I read this morning where God warned Moses when they go into the land to destroy the enemy not to have pity on them, there comes a time where you can't even have pity on people because they have spurned God's warning. Elie that preacher was the worst, I was kind of wondering if there was any remorse from the way that he dealt with me 30 years ago. He couldn't even give me 2 days out of the week where I could spend time with my children. That Sergeant was there and he tried his level best to negotiate and he could not even do that, so I was wondering where that Elie was at spiritually. The sergeant, he told me to take them to court but I told him that is not the way that I operate - I let the Lord deal with them. I was wondering how far the Lord is with them, and if the Lord has brought him to a place of repentance, to a place of remorse, to a place of owning up, so to speak. Over the years I was watching and minding the Lord because we have the mind of Christ and the Lord let me know from time to time where he was at and it looked like the Lord could not bring him to that place of repentance for the atrocities that he has done with going into a man's house and tearing his family apart. My dad had Alzheimer's and I came back from Alberta one day and he called me up asking what I wanted there, and I told him I came to see my wife. He told me that is not your wife she belongs to the church. So he is just as guilty as my dad was, but one thing about my dad he owned up to it. How they are going to stand before God that is their business, I just did my part.

Like I said earlier, I didn't choose this job the Lord tapped me on my shoulder and told me this is what I have for you, and it was either do or die. I knew that I had two warnings and I was not going to wait around for the third one. Going back to that Jester

when he gave that King that staff telling him you are the biggest fool, and so are these people that after 30 years they have not done anything, not a thing to prepare for that eternal destiny, they are so deceived and so deluded in thinking that when they are living in a cult, that commune that they are automatically going to Heaven. That is a lie it is pure deception, it is pure socialism, there is nothing in the Bible that gives them a ticket to glory. The only thing that will give them a ticket to glory, that I can read in the Bible, unless you can show me something else, is when they asked Peter - What must we do to be saved. Here it is number one - Repent, be baptized by immersion in the name of the Lord Jesus Christ for the remission of your sins.

That is the only remedy that I can find in the Bible to get into that Heavenly kingdom. That is what I did, I had to go out to Vancouver to get baptized. My son Samuel called me up one day that he wants to get baptized and I had to drive him down to Indiana Jeffersonville to be baptized. That is 21 hours of driving and then 21 hours back. If they want out of that dilemma that they are in they will somehow have to figure out a way to get baptized in Jesus name by immersion. If you are really serious with the Lord, if you really want that guilt wiped away from you and believe me God is going to hold them accountable, because believe me, I did everything that I could. Just like Trump, he did everything that he possibly could for America, and now they are throwing him under the bus. I did everything that I could for those people and now they are throwing me under the bus, you can't really go anywhere where they don't smirk at you or think that you are crazy.

Just like that John guy he is trying to erase every memory of me, saying it reminds me too much of Sam. Why would he do that, it is that hatred, that system is built on hatred. Satan that is all that he can produce is more hatred. For some reason those Gross' they have a hatred for the Hofer's and we went through

where that one originates from. What surprises me and what shocks me when I sometimes talk to them it is still the whiskey thing, it is still the five o'clock party time, they have not done anything towards their eternal destiny and like the song says - Pity the man. That is all you can do is pity the man but you wonder what is it going to take to wake them up. I just saw that the Lord brought that John guy back to my remembrance and I don't know if he will ever be able to own up. After all that I did for that guy, I could have chosen other people to ask to help me but I decided to ask for him, and what does he do - First chance he gets he erases every memory of me and paints the truck white so that people don't know if it is the same truck or not, and he takes the boxes off and puts on something else.

See I know all these things and somehow I run into people and they tell me these things, I don't go looking for that stuff. I don't even know who told me, maybe that Ray. It shows you the lowdown of people and somewhere along the road of life, they will have to make it right, because they are not going to go into Heaven with that. There is no way that God is going to give them a pass with that after everything I did for him, and actually, after everything that I did for all these Hutterites because believe me the Mafia would own these colonies today, and really the Catholic church does own them through that phoney baptism that they have and that is what I am trying to wake them up from. This is my job and like I have said I didn't pick this job. I would never have picked this job but one day He tapped me on the shoulder and when He does that you have better move, you better get going and if you don't you would be wishing that you would have, because it is a terrible thing to fall into the hands of an almighty God, the Bible says so.

That's what the Lord was showing me when I read that about that Jester when the King told him to go and find a bigger fool than he was and when the King was on his death bed he came

back he asked him if he had prepared for that journey and the King told him that he had not done that. So the Jester gave him the staff back and told him that he is the bigger fool in not preparing for that journey. Here is the same thing these people are being very foolish not doing anything towards their eternal destiny, especially the way everything is galloping towards the end. We sent them out over 500 books with that chart on there with the grace age ending this year. Man does not determine when the Passover is, it is the New Moon that determines it and the Spring Equinox. We know the real one for 2021, we put that other chart out where the real New Moon is April 12, which will determine when the Passover is going to be and the real Full Moon is April 27, and that is determined after the Spring Equinox. So that moves the real Yom Kippur up to October 14-15 and the ending of the Grace Age.

God does not deal with the Gentiles and the Jews at the same time. The gentile day is over in October and He goes back to the Jews in October that is how close we are to the end. There are seven years left to the Jewish people and in the middle of the seven years is when all Hell breaks loose, I read this morning - God has not chosen us for wrath. Once those two prophets are killed and the bride is taken out of here then all Hell breaks loose. Then the pope is going to do exactly what he did back in the Dark Ages he is going to terrorize and kill because the Holy Ghost is taken out and there is nothing to hold things back. Then the wrath of God starts and it goes on over into the day of the Lord. It just continues from the great tribulations. See these people can avoid that by accepting what we are telling them. If they reject it like that invitation to the Marriage Supper of the Lamb, if they reject these messages that we have on this website because it is not my website it is the Lord's website. It is a warning and an invitation, if they heed the warning then God will have a way, and if they don't it will be like we said last week, He is going to call in His army and

burn down their cities and that is burning down their colonies. If they reject this invitation God will have no other option.

What the Jews did when they crucified the Lord and some didn't repent and because they didn't repent they went into the destruction of Jerusalem where they were killed by the millions and the Jews were scattered throughout the world and God is going to do the same thing here. I hope and pray that 100% of them will grab a hold of this invitation. I know that there will be some but I don't know who they are. It is just our job to send out the warning; to send out the invitation. All we can do is try to wake these people up. Like that John, I have nothing against that guy, I know that he would stab me in the back in a heartbeat. It is just the way he is, throw me under the bus if he can, that is that the whole Riverside clan is like that, they all wanted me out of there and they don't know why. They all agreed to get me out of there because my father-in-law was there and I guess they all had to sign something and every one of them signed me out of there.

There is only one person in Riverside that came to me and that is Eva, Mick's wife, she even had tears in her eyes and she told me we don't want you to go away, we don't want you to leave here. She is the only one that came to me and said that. God will have a place for her because she is not part of that - get rid of this guy thing. She literally came over to the electrical shop and talked to me. I was actually surprised, I told her I have no option I am not going to recant and deny what I told these guys. They will do whatever they do and I will do what I am going to do, and I am not backing down, and neither would they so I was terminated. It's like back in Paul's day that is the way that the Christians have been treated all through time it is just something that you have to accept.

We have it good, God has been good to us. We don't have to be caged up in a Hutterite colony, the Bible says so in the book of Revelations. It says come out of her my people it has evolved into

a cage and hole of every foul and hateful bird - *the hold of every foul spirit, and a cage of every unclean and hateful bird*

Revelations 18:2 It is not a gemeinschaft, it is a cult. It is built on religion and tradition. They could change that if they could only go out and be baptized in Jesus name, if they would repent. That way you would have to give them that staff, the biggest fool of all, for not doing anything toward your eternal destiny. That is where they are stuck in. That is what I saw when the Lord put that Jester story on my heart and then He brought John to my thoughts. It is just the way the Lord deals with you. That Jester found the King to be the biggest fool because he had not done anything for that journey.

Especially now that people know that we are running towards the end, and especially after we put that chart out. We know that is true, it is spot on. The Passover is not when the world has it, it has to be determined after the Spring Equinox. Time is running out then it will be all over but the crying. Like that book we sent out - Strive to Enter in, now is the time to strive, when the Grace Age will end, then it says, many will come and say Lord open up, but He can no more open up than Noah could open up the door to the ark when they came scratching on it. Now is the time to fear God, today is the day of salvation. Jesus is still on the seat of mercy and there is still hope there is still something that people can do, that everybody can do. There is something that I did back in the early '90's late 80's I surrender and I told the Lord to use me for your glory. I will put my life on the line and that is what I did. I tried to warn these people I tried to wake them up, and still, there is no response just you and me.

You are actually the first person that the Lord brought on board to fight this fight. Many were there for a bit, but they could not handle it but you are the only one that is committed to this journey. Then they think that it is a shacking up thing or whatever, but see what they do is they talk about things that they are

clueless of. They accuse us, like brute beasts, they talk about things that they clueless of and thereby they are defiling themselves. *It says in 2 Peter 2:*

12. But these, as natural brute beasts, made to be taken and destroyed, speak evil of the things that they understand not; and shall utterly perish in their own corruption.

They are not doing anything to us, we are just being who we are and the Lord takes care of us He protects us, and everywhere they go they defile their mind with filthy thoughts. Thinking that we are doing what they would be doing if they would have an opportunity. The Bible says in Jude, in doing that they are defiling themselves.

Anyway, that is what is going on out there. They have not done a thing and it shocks me with everything that is going on such complacency they are not aware of the hour that they are living in and are content to live in a state of oblivion. Like it says in Revelation 17: 2 *the inhabitants of the earth have been made drunk with the wine of her fornication.* They are intoxicated with that false religion with that false water baptism.

It says if God would not have left us a seed we would all become as sodomites, if God would not have given us this Word, this Word of truth in the end time we would all get fat and carefree, but He gave us this Word to wake us up and to shock us into reality. That is the only thing that will yank them out of that delusion that they are living in is this truth here. Ya, it says if God would not have given us a seed we would all become as sodomites but you could bring it in a little sooner and say we would all be fat. This is the only thing that keeps me motivated and losing weight, is this truth. God is not going to accept me being 100 lbs overweight, because it says to present your body as a living sacrifice. There is something that you have to do about it, I can't go around overweight. It is this Word, this truth that keeps

me working 24/7 to keep me sober and vigilant, to be above the environment that is out there. In *1 Peter 5:8*

Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:

Believe me, if you are not putting in some effort you are going to slip right down that slippery slope right down to destruction. There is nothing else I can do for people I can't force them, we can only warn them. What they do with it that will be up to them. When that time of judgment will come I will not have any grieve because God told Israel not to even have any grieve when He told them to go wipe out the enemy. Today is the time where they can do something about it. That John he can own up after everything that I did for him, the first chance that he gets he throws me under the bus. There again he really didn't know what he was doing, he was caught up in that Hofer hating thing to hate Sam and they don't even know why. The same with Stephen in the Bible, he prayed that God will not hold that charge against them.

That is all that I can say, Lord don't hold a thing against them but see God will determine that. If He can't bring them to that place of repentance, believe you me, He is not going to give them a pass unless they repent and own up. He is going to hold that charge against them there were some there when they stoned Stephen that God did hold that charge against them. That is why it says vengeance is mine I will repay. Before God unleashes His vengeance He is going to give that individual every opportunity He can to recant, to own up, to repent, and to do whatever it takes. That is what He did with that Elie I was kind of wondering can He break Him down to that place of repenting or of owning up or accepting any wrongdoing, and then a year or so ago we were out taking a walk, and it was as if the Lord was saying I will show where they are at spiritually. The two of us were walking along and this vehicle stopped and someone called my name and here it was that Elie from Riverside and that preacher from Bloomfield

that Danny. We were talking for a bit and two things came up, that Danny, he accused me of being worse than an infidel not taking care of my family. Can you think of anything more lowdown he terminates me, he shackles me and handcuffs me, spiritually speaking, and then he accuses me of being worse than an infidel not providing for my family. I don't know what kind of a person it would take to say that. Then that Elie was talking about that policeman, that police had tears in his eyes and he was concerned about what was going to happen to these children he went back and forth a couple of times to see if he could not come up with a negotiating plan so that I could at least, 2 days out of a week when I am not trucking, spend time with my family and they would not even allow me to do that. That all is pending, he brought that up and I told him you know the story and what that police did, they think lying about it will make it go away.

That is what the Lord was doing with that episode he was showing me where those two people are in terms of remorse and repenting. They have not moved one iota they are not going to own up to anything and as far as I can see they are done. It is the Lord that deals with a person to get them to that place of repenting and once God has exhausted every avenue then He says vengeance is mine I will repay, and then He repays, but He is going to do everything that He possibly can to bring that person to that place short of twisting their arm. You and I, we know how it works He gives you a certain time to repent and to clean up your life. When He has done all He can, then that door of opportunity is closed and then you are done, destruction is looming and Hell is the end results.

First God tries to woo people in just like in the days of the Israelites. The prophet went to warn them and He told them to go under the yoke of Nebuchadnezzar and everything will be well with you and they rejected and they rebelled and then finally the destruction of Jerusalem came. Jonas, God called him to go to

Nineveh to clean up their act, they have 40 days and they repented. The destruction didn't come but a hundred years later it did. That is the way God is He will do whatever He can to bring people to that place of repentance and if He can't do it destruction comes.

That is what I have been seeing with that Jester, the Lord brought it to me, we read it in school so I went on the internet to search for it, and I found it. He was told to go looking for a bigger fool than he was and here he comes back as the King was dying and he ended up giving it back to the King. He told him I have to give you this staff because you are the biggest fool not preparing for this journey. Like the song says - Pity the man.

We are doing everyone that we can we are using all of our resources. We are sending books out knowing pretty much full well that most of them will throw them out, or maybe send them back but that is not our problem, that is out of our hands. If we get 5 or 10% it will be worth it all what the rest do that is their business. It takes something to yank people out of that slumber being convinced that living in a commune you have a ticket to glory. Especially when they have that idea about the forefathers. I read the book of Martyrs there are no Hutterites in the book of Martyrs, just a short paragraph about Hutterites. They highjacked it, those were not Hutterites that got burned at the stakes. Jacob Hutter was killed because he believed in gemeinschaft, it is socialism that is all that it is. There are lots of people that are being killed for their religion, there are Muslims that are being killed for their religion, the same way the Hutterites got killed for living in a community.

It is about Jesus it is not about community living, community living is socialism if you are not born again, and obviously they are not born again; If you are born again why would you throw somebody under the bus that is trying to save you. That has been our lot in life it is truly what that parable says mein Mastvieh ist

geschlachtet; my fatlings and my oxen have been killed; have been butchered. The meal is ready, this is the message, you will have to come through this Sam and Lorraine chapter if you like it or not. I didn't order it, I didn't set this up, I didn't write the Bible, I didn't choose this program but here it is take it or leave it. I sure would hate to be on the outside after the Grace Age closes and believe me it is going to be horrible. I can't even imagine.

Heavenly Father, we just had a little conversation around your Word I just pray that you will take what has been said and put it together. Lord, I know that it is all chopped up, use it for your honor and for Your glory, most of all give these people a heart of repentance, open up their understanding and open up their eyes so that they can see the hour that they are now living in, I pray you will give that increase in Jesus Christ name we pray, amen.
