

*1. Mine eyes have seen the glory of the coming of the Lord;  
he is trampling out the vintage where the grapes of wrath are  
stored;  
he hath loosed the fateful lightning of His terrible swift sword;  
his truth is marching on.*

*Refrain:*

*Glory, glory, hallelujah!  
Glory, glory, hallelujah!  
Glory, glory, hallelujah!  
His truth is marching on.*

*2. I have seen him in the watchfires of a hundred circling camps,  
They have builded him an altar in the evening dews and damps;  
I can read his righteous sentence by the dim and flaring lamps;  
his day is marching on. [Refrain]*

*3. He has sounded forth the trumpet that shall never call retreat;  
he is sifting out the hearts of all before his judgment seat.  
O be swift, my soul, to answer him; be jubilant, my feet!  
Our God is marching on. [Refrain]*

*4. In the beauty of the lilies Christ was born across the sea,  
with a glory in his bosom that transfigures you and me;  
as he died to make us holy, let us die to make all free,  
while God is marching on. [Refrain]*

*Mine eyes have seen the glory of the coming of the Lord, like  
we saw that Trump is coming back, that is the glory, it's current.  
Then it goes on to say He is sifting out the hearts of all before his  
judgment seat. That is what this whole Covid is all about to sift the  
hearts of man, are you going to fall for this Covid thing; all this  
control thing, everything is current. There is a day coming when  
the Lord is coming but it is also happening every day, and every*

day we are being tested and God is checking things through. He is sifting out the hearts of men before His judgement seat, and God is marching on. You have to constantly be sober and vigilant, He is not just marching over there when He will literally come but on a day-to-day basis He is moving ahead. It is up to you and me to stay faithful and believe. It is all about believing as the scripture says, the meat in due season, the believing the message for your day, and what God is currently doing right now. We are right here in it, this Laodicean age, brother Branham, brother Jackson, here it is, you have to believe that. You can't just believe anything, it says he that believes as the scripture says, it is as the scripture says. We are living in very perilous times, this charismatic spirit wants you to believe anything but the truth, you are surrounded by a lot of stuff in this age.

*God is moving us on, He is leading the way,  
It's a way we have never gone before,  
There are mountains to climb,  
There are valley's to cross  
And before us He has placed an open door.*

God is always moving, He is not dead all you have to do is be in touch with Him. We are the only people that know what happened after He took brother Jackson off the scene, it was pedal to the metal and for a lot of guys they are still stuck. We have a wonderful testimony, a wonderful journey, you can't express yourself enough after He took brother Jackson off the scene, because when you look back and you look around if we would not have been in touch with the Lord we would have missed it all.

## **JESUS IS THE LIGHTHOUSE**

*There's a lighthouse on the hillside  
That overlooks life's sea  
When I'm tossed it sends out a light  
That I might see  
And the light that shines in darkness now  
Will safely lead us home  
If it wasn't for the lighthouse  
My ship would be no more*

*It seems that everybody about us says  
"Tear that old lighthouse down  
The big ships just don't pass this way anymore  
So there's no use in standing 'round"  
Then my mind goes back to that dark stormy night  
When just in time, I saw the light  
Yes, it was the light from that old lighthouse  
That stands there up there on the hill*

*And I thank God for the lighthouse  
I owe my life to Him  
Jesus is the lighthouse  
And from the rocks of sin  
He has shown a light around me  
That I might clearly see  
If it wasn't for the lighthouse  
(Tell me) Where would this ship be?*

Lorraine speaks: That is the problem everyone wants to tear down the lighthouse; the real thing. They have this counterfeit Jesus, and it is just a hypothetical thing. It is not a personal intimate relationship that they have.

**I KEEP COMING BACK TO THE WELL**

Jesus made a well at Calvary  
*For healing, cleansing, and victory*  
*How its joy over flows, no tongue can tell;*  
*I thank God for the well*

Oh, I keep comin' back to the well of Grace,  
*Great is its power, sweet is it's taste*  
*Whenever temptations and trials I face,*  
*I keep comin' back to the well*

Blessed is the fountain in a barren land  
*That satisfies the thirst of the inner man*  
*No better place could be found to dwell;*  
*oh, won't you come to the well*

Oh, I keep comin' back to the well of Grace,  
*Great is its power, sweet is its taste*  
*Whenever temptations and trials I face,*  
*I keep comin' back to the well*

Sam speaks: That well is Jesus we are surrounded by this charismatic thing, we have a job to represent Jesus. This is it, that is the fight, everything else wants to snuff out Jesus, but we put Jesus up where He belongs right up at the pedestal. When you analyze it all it is all geared to fade out Jesus, everything is a substitute, people want a substitute they don't want this Jesus thing. It is all about Jesus you can pretend all you want you they have the talking points, we run into these characters, they claim that they are saved. They are saved into this charismatic thing they have evolved into this charismatic thing but they are not really saved, they don't have this intimacy with the Lord Jesus

Christ. This other thing is a substitute and Paul warned us in the last days seducing spirits and doctrines of devils will be present and they will be so powerful, it even says that God will send them this delusion. It says God will send them a strong delusion because they rejected the very truth. They rejected the fact that Trump is president so they believe that this Biden is president.

Lorraine speaks: It says spirit knows spirit and if your spirit does not connect with somebody that says that they are born again then they are not born again.

Sam speaks: There is something inside of you that unctioining from that holy one. Some of them have pretty good talking points. They agree with you and eventually, you let them talk and it comes out. They are not born again because your spirit does not resonate with their spirit. In fact, I text with a few people and after you text with them for a while you realize you are texting with the devil. It is like you are talking to the devil. That spirit gets exposed. When I talk to a real Christian it resonates in my heart and my spirit, and it will come out that it is all about Jesus. These people think that Christianity is a competition it is the opposite, the only competition is to find your place in Christ.

### **I PLEDGE ALLEGIANCE TO THE LAMB**

I pledge allegiance to the lamb

*With all my strength*

*With all I am*

*I will seek to honor His commands*

*I pledge allegiance to the Lamb*

*I have heard how Christians long ago*

*Were brought before a tyrants throne*

*And they were told that he would spare their lives*

*If they would renounce the name of Christ*

*But one by one they chose to die*

*The Son of God they would not deny  
Like a great angelic choir sings  
I can almost hear their voices ring*

*I pledge allegiance to the Lamb  
With all my strength  
With all I am  
I will seek to honor His commands  
I pledge allegiance to the Lamb*

*Now the years have come and the years have gone  
But the cause of Jesus still goes on  
And now our time has come to count the cost  
To reject this world, to embrace the cross  
And one by one let us live our lives  
For the One who died to give us life  
Till the trumpet sounds on the final day  
Let us proudly stand and boldly say*

*I pledge allegiance to the Lamb  
With all my strength  
With all I am  
I will seek to honor His commands  
I pledge allegiance to the Lamb  
To the Lamb of God who bore my pain  
Who took my place, Who wore my shame  
I will seek to honor His commands  
I pledge allegiance to the Lamb*

### **DRAW ME NEARER**

*I am Thine, O Lord, I have heard Thy voice,  
And it told Thy love to me;  
But I long to rise in the arms of faith,*

*And be closer drawn to Thee.*

**CHORUS**

*Draw me nearer, nearer, blessed Lord,  
To the cross where Thou hast died;  
Draw me nearer, nearer, nearer, blessed Lord, To Thy precious,  
bleeding side.*

2

*Consecrate me now to Thy service, Lord,  
By the pow'r of grace divine;  
Let my soul look up with a steadfast hope,  
And my will be lost in Thine.*

3

*O the pure delight of a single hour  
That before Thy throne I spend,  
When I kneel in prayer, and with Thee, my God, I commune as  
friend with friend!*

4.

*There are depths of love that I yet may know  
Ere Thee face to face I see;  
There are heights of joy that I yet may reach  
Ere I rest in peace with Thee.*

**ONLY BELIEVE**

*Only believe, only believe,  
All things are possible, only believe;  
Only believe, only believe,  
All things are possible, only believe.  
Lord, I believe, Lord, I believe  
All things are possible Lord, I believe  
Lord, I believe, Lord, I believe  
All things are possible, Lord, I believe*

*Lord, I receive, Lord, I receive*

*All things are possible Lord, I receive  
Lord, I receive, Lord, I receive  
All things are possible Lord, I receive*

*Jesus is here, Jesus is here  
All things are possible Jesus is here  
Jesus is here, Jesus is here  
All things are possible Jesus is here*

### **FEAR NOT LITTLE FLOCK**

*Fear not, little flock, from the cross to the throne,  
From death into life, He went for His own;  
All power in earth, all power above,  
Is given to Him for the flock of His love.*

*Refrain:*

*Only believe, only believe;  
All things are possible, only believe;  
Only believe, only believe;  
All things are possible, only believe.*

*Fear not, little flock, He goeth ahead,  
Your Shepherd selecteth the path you must tread;  
The waters of Marah He'll sweeten for thee,  
He drank all the bitterness in Gethsemane.*

*Fear not, little flock, whatever your lot,  
He enters all rooms, "the doors being shut,"  
He never forsakes; He never is gone,  
So count on His presence in darkness and dawn.*

*That's all it is - to believe. It is pretty hard to believe that it's just that simple. In the age that we are living in, they want to put in their two cents - You have to do this and you have to do that. That*

is the last thing that you have to do, all you have to do is believe and that is to believe as the scripture says. Elijah, he would have prayed for 10 lifetimes for rain but the Lord came to him and told him to pray so that it will not rain. He believed that and he prayed and it didn't rain for three years and when those years were up the Lord came to Elijah again and said - Elijah, pray that I will send rain. Elijah prayed and it rained. He was walking with the Lord, that is what is lacking in this hour there is no intimacy with the Lord. People they go out and they think that they can just believe something and it will happen. Like that Reuben over at Norquay he believed that he is going to be healed, but one thing it has to be as the scripture says. He didn't even have a reverence and a respect for the Word of God. I was there many times and told him that you can't put that new wine into an old skin, you have to respect the Word of God. It says baptism in the name of the Lord Jesus Christ and the minute that you do that you are terminated from your preacher job. He believed and it never happened, God can't just heal He has conditions and those conditions are in His Word. You can believe what you want, Jesus said - The devils believe too. You have to believe the right thing you have to believe as the scripture says. There is a lot that we have to fight in this hour most for that true belief structure.

I want to read from *John 7*:

*37. In the last day, that great day of the feast, Jesus stood and cried, saying, If any man thirst, let him come unto me, and drink.*

***38. He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water.***

*Heavenly Father we just read your Word, I just pray that you will give us wisdom and understanding how to execute this thing it is very important in this and hour and time that we are living in to have this belief structure right I pray Lord that you will give that increase in Jesus name we pray. Amen*

If you could go back to the hour of Jesus, He saw the multitudes and He saw the deception of the Scribes and the Pharisees, He was trying to express something and He couldn't contain Himself anymore and He said - If any man thirst, let him come unto me, and drink, because He was that ordained vessel of God - *He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water.* Time and time again He would. This is eternal life that they may believe in Him whom God has sent. All throughout His journey here on earth He was referring to Himself. Not that He was bragging Himself up or searching prestige or glory, He knew that He was that ordained vessel sent from God to do exactly what He said He was going to do. All He asked was for people to come to Him because God that eternal spirit ordained it so.

There again it is as the scripture says. Our conversations are based on as the scripture says, and today we are talking about this very thing here - whoever believes in me as the scripture has said. It is all about believing - only believe. That is the title. I know we came out of a society out of a system that is all works, it is all about a dress code it is all about wearing suspenders. I was over at that colony the other day and this guy's suspenders kept falling down and I was reminded of that mask and all of that stuff, it is all not important and here they put all that weight on these suspenders and you better not go around the place without wearing those suspenders. It is works oriented it is completely the opposite of what we are trying to portray here it is an outward Christianity you have to wear a certain dress code and you have to live in a commune.

These are all the forces, I have been seeing it all week, these are the forces that we have to combat that we have to fight against all these works-related forces. These traditions, the traditions of men, here we are trying to bring out a very simple message all you have to do is believe as the scripture has said.

You can go and look at where we get this from, and I have said it over and over again, it is these seven stars, they are so relevant to the Grace Age, it is like Jesus was saying I am going to communicate through these seven stars through those angel messengers throughout the Grace Age. You and I, we can go back and we can establish our faith in as the scripture has said. If you don't have those seven stars you are out there like a loose cannon you have no GPS, you are like a missile without direction and you do a lot of harm and you convince yourself that you are right when you are actually wrong.

I run into a lot of these characters they try to tell me their idea of things and if it does not go back to the seven stars that God has ordained and that Jesus held in His right hand and told John this is how I am going to communicate throughout the Grace Age through these seven stars. One for each church age and we are now in the last church age of Laodicea we connect the dots. We can come out and say this to - only believe. Believe what? That is where you have to start at with these seven stars. That is so important in this day and hour of confusion that we are living in and here in this Laodicea age it is the only church age where there are going to be more than one boots on the ground person. The other ones only had the one vessel on earth like Thyatira had Columba for a 1000 years, there was the one-star angel and only one vessel that he spoke through but here in this Laodicea age of deception; the age of the grey/pale horse rider; the age of these seducing spirits unleashed on mankind, here God that great eternal spirit He did not leave a gap in between from that earthly voice.

In Revelation 10: *In the days of the voice of the seventh angel when he begins to sound*, that angel started with brother Branham and continued with brother Jackson with no gap in-between and then now he is using you and I to continue on to finish it off. Like one, two, three, God does things in three, and

here week after week we are combating all these invading forces in the hour that we are now living in. Apparently, the Lord qualified us back before the foundation of the world when He made that great blueprint, that He will have someone on this planet earth that is going to run that final chapter, and that happens to be you and I, we just found our place in Christ. After everything that we went through in our life was for one reason and for one reason only to bring us to that place in Christ. To find our job so to speak, because back then, you can read Ephesians 1, where everyone was predestinated and everything was established back in Ephesians one, way back before there was a star; way before there was an angel, God designed a blueprint; He had a council with Himself because there was no-one else there to counsel with. It was just that great eternal spirit, that has always been and always will be. That is God, He made a blueprint and in that blueprint, everything was a done deal; in that blueprint, He created you and me to do this very thing that we are doing today.

Of course, there were rough roads, but He established it in such a way, with all the calamity that we had to go through in life, and that was all to prepare us for the day and hour that we are now living in and now we can tell people - Only believe. Only believe what - you have to connect back those seven stars, especially the seventh star, that one special angel that was honed out before the foundation of the world, it took a special angel for the Laodicea age and it takes a special caliber of a person that God instituted in that person's DNA, into the structure of that person that is going be on ground and be here in the year of 2021 on the ground to roll out the meat in due season and eventually it will evolve into that living water. It has to be boots on the ground person, it took me a while to realize that but I just have to say it the way I see it.

You have to connect those angels; those seven stars, and you have to connect to the three boots on the ground people -

brother Branham, brother Jackson and now you and me. When you try to tell that to people out there it is an impossible sell. You cannot sell it to anyone and you cannot tell them, the fact, that all they have to do is to believe this. You can't just believe anything you have to believe that structure. It is not my structure it is something that God has ordained and with a strong and mighty arm He began to deal with me back in the late '80s and the early 90's when He came to me in the middle of the night and He spoke to me - Sam I want you to prepare yourself for my coming, and as things began to develop He let me know that it is going to cost me. I was so hungry for God, and there again it was God putting this hunger in me, that I was willing to do whatever it takes - I don't care what they do to me all I know I wanted to fill this hunger in my soul. It was later on that I realized that God put that hunger in there, God did all that back before the foundation of the world to put me on this course to prepare me and to educate me.

First He took me through all the denominations to let me see what they are all about then He led me through the ministry of Brother Branham, and then He led me to the ministry of brother Jackson and then the Lord gave us a test, and now here we are schooled for this very thing, we are educated for this very thing and for what - to do what we are doing here today. Since 2010 that is what we have been done to prepare us and to bring out that living water. As I have said it is going to be a very hard sell with the world that we are now living in infested and injected with this works mentality that it can't be that simple to only believe. It is just that simply only believe in this Sam and Lorraine chapter and you can tie it back to those seven stars.

Lorraine speaks: How it works is it is all based on faith when you asked me to come along trucking and people were saying what about your reputation and all this and that. I heard the voice of God during the summer He spoke to me in my spirit - You are not going to be home much and I knew that God was taking me

on a different route and I went by faith, not by works what people will say - I went by faith and that is how God builds on things is by faith. You can take that back to Abraham when one lone man out of all these idol worshipping people, God spoke to him and he heard the voice of God. That great eternal spirit, the Elohim, the great I am, the I am the I am, Abraham heard Him. God told him to go out from the land of Ur into a land that God will show Him and He promised him a seed. It was only one man among all these false gods worshipping with Cush and then Nimrod going on to building the tower of Babel and then Nimrod's mother when Nimrod died she deified him, made him into a god and she made herself into the queen of heaven. That was all Satan's plan of making people worshipping him, then he took all that to spiritual Babylon to Rome that is where that trinity god all originates from: God the Father, God the Son, God the Holy Spirit, and then going on to worshipping Mary more than Jesus with Roman Catholicism. That is all around you today when you talk to people, they believe in a trinity, it is a delusion, it is not real. Abraham heard God and it was accounted unto him for righteousness, he felt the inspiration from God and by faith he acted on it. The action of him obeying the voice of God was his works.

It says works without faith is dead, and faith without works is incomplete, these two go hand in hand. It is not the concept that people think that works are, works are not going out and doing your own thing, it is an inspired Word of God that comes into your heart and by faith, you act on it and the works follow. When you hear it and you don't do anything about it then it is dead. There are a lot of people who hear the Word of God but they do not act on it because they are scared of what people are going to say, they get intimidated and therefore it falls dead, but people when they heard that inspired Word of God and they act on it then it is counted to them as righteousness because it was an act of faith.

Sam speaks: Like you were saying your dad he said the Lord tried to get his attention many times, but he didn't move on it. He did not move on it, there you can see faith without works is dead, it is when you follow through with it then God sees it as righteousness. He called me back in the day He said I want you to go up against these preachers because I listened I will have an inheritance waiting for me and all those that hear it and come under it they have the same inheritance. I heard the Lord He inspired me and I moved, it cost me everything and that is how my life has been. I learned way back when the Lord saved me when He said, Sam, I can only reward you for what you have allowed me to do through you. So it is a matter of faith and a matter of hearing the Lord. I can't go out there and assume something just because I believe it and it will happen, no it has to come from God.

Like this guy, he got Lou Gehrig's disease and he believed that the Lord is going to heal him, but the Lord didn't inspire it that he is going to be healed. Like for me when the Lord told me - Sam I can only reward you for what you have allowed me to do through you. How that works is: I have to get to know God, His principles, His laws, His statutes. How can I do something when I don't know Him, and what to do? That has been my life since the '70s since He saved me that is how I've walked that is what I have done, is getting to know God. Then for the longest time, I was backslidden; I was intimidated what this journey is going to be, what it is going to cost me, but all in all, it was still the Lord behind it putting my roots down because up the road He had some work for me to do, and He was establish me.

That happened in the early '90s when He tapped me on the shoulder and said - Sam, let's go I have a job for you to do, I want you to do go up against those Hutterite preachers and tell them how corrupt they are. They are using the Bible to terrorize people. I didn't know at the time what it all pertained to but I knew what

the Lord spoke to my heart, to go up against that whole system. Of course, it cost me everything, to this day we are in exile from everyone and everything, just you and I that see this picture, that believes this. We are not even in touch with those people that sat under brother Jackson's canopy so to speak. It is just you and I, to establish how this 'only believe' works.

As I said you can't believe just anything, like this guy with Lou Gehrig's, he believed that the Lord was going to heal him but he was not doing it as the scripture says, you have to go back to as the scripture says. That is how the Lord deals with me. If you line up with scripture then the Lord He is going to do something for you.

I want to go to the chapter in Hebrews that talks about the men of faith. Faith and believe they go hand and hand you can't separate one from the other you have to move by faith, you have to believe what God inspires you to do. Like you were saying earlier when we went trucking, I knew before the last trip that I took the Lord had told me to take you along but I didn't take you along and it was the worse trip that I ever had. I went up to Maryland, it would have been a good trip for you to come along, but I wasn't moving in the direction that the Lord wanted me to He told me to pick you up and take you along trucking, I was too slow to move then I couldn't wait to get back and then the next trip you came along.

Then all of a sudden it hit me what are people going to say and do, I wasn't thinking it but the Lord saw that I was going to have a question about it; about what will people think. Then the Lord came on the scene and He told me without you there is no program. When I heard that, without you there is no program, it went into my DNA, it went into every structure of my body, it was like the Lord was saying, if you don't then you might as well never have been born, whatever you have done up until now has absolutely no value if you don't take Lorraine along. If you don't

continue with the program because this is my program, this is not Lorraine's program, this is not your program, this is my program and if you don't take her along you might as well not have been born. So it never even came up to be a question, of course, there were times where I would be intimidated with what people think but it didn't really stop us from hanging out because this is God's program, this here today it is God's program.

I didn't know that this is where it is all going to lead to but by faith, I took you along, by faith against all odds knowing full well that I am going to be terminated from everywhere because that first trip we took I called up Tim Reliford and I told him that I picked you up, and he had already heard about it. That was it for us going to any of these churches because not one of them would let me in, they are not going to chase you out but I knew I was not going to be welcome there just because of, the fact, that God had so ordained it and He reveals to both of us the mystery of His will for our lives. We are the only one that saw it as a positive we followed what God had for our lives by faith we did it and then, of course, your family and my family and the group that we come out of we were ostracized.

Just like Abraham back in the day, God spoke to Abraham and He spoke to Abraham alone and then everyone kind of thought that he was crazy and made fun of him. Especially when he said that he is going to have a son and here he is coming up to 100 years old and still does not have a son, and everyone is making fun of him but the Bible says he staggered not at the promise and neither did we stagger even against all odds when people were making fun and this one lady told you to think about your reputation. You told her we don't have a reputation, people will think about you what they want to think behind your back anyway. We are doing the very same thing as these people did. I'm going to read *Hebrews 11*:

*1. Now faith is the substance of things hoped for, the evidence of things not seen.*

*2. For by it the elders obtained a good report.*

*3. Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.*

There again we have to yank ourselves out of this evolution thing and by faith, we understand that the universe was formed by God's command instead of that this big bang theory that it just happened by gee-whiz and by golly.

*4. By faith Abel offered unto God a more excellent sacrifice than Cain, by which he obtained witness that he was righteous, God testifying of his gifts: and by it he being dead yet speaketh.*

That is all that we are doing by faith and here Abel he did the same thing he knew what God required because God revealed it to Him by faith and then he moved on it by faith. It was the last thing that he probably wanted to do but God showed it to him.

Lorraine speaks: If you look at it Cain brought the fruits of the field and Abel brought blood who would want to bring blood, it would be the opposite of what the natural man would do but God required it and Abel understood it and that is what he brought. It is usually something that is against the trend of society

Sam speaks: If there would have been 20 people standing there observing this thing every one of these 20 people would have put their ribbon on Cain's sacrifices. It is just the way the natural man does things. It looks so good to the eyes it is appealing, but it says that Abel brought God a better offering than Cain did.

*5. By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God.*

Enoch, he had a testimony that he pleased God and he probably told friends and family that he will be taken away, and they probably went looking for him if you read the fine print.

*6. But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.*

When you go back to when God took brother Jackson off the scene we all didn't know what was going on, we were just hoping that things will continue on with Allen and Bud but after 3 years it became obvious that it is not going to happen that way, they came out with different things and it caused me to step back and I looked at this thing. That is when the Lord gave me that vision and by faith, I believed it. The Lord gave me a vision of Gideon and the Lord spoke to me I am taking everyone down to the water. You and I, we understand everything that happened when brother Jackson went off the scene.

First of all, He was trying to persuade Allen and Bud to use the convention time to promote unity among the brethren but that never happened so God had to go a different direction. That is when the Lord gave me that vision and He was saying now we are going to see who is going to qualify to bring forth meat in due season. It is no more to go out and to defeat the Midianites, but here God is trying to find somebody, and there is going to be somebody from all those that were sitting under brother Jackson's canopy, that is going to be qualified to bring out meat in due season.

As I said I was just as ignorant as anybody I didn't know what was going on, but when God gave me the vision and then He gave me the dreams about the minefields. We are the only ones that can truly say it and not only say but stand on it that these churches out there St. John's, Moncton, Faith Assembly, Fairhope, Montgomery are nothing but minefields, because the Lord gave me the dream about the minefields, He let me know

what they are going to evolve into, simply because they are not hooked onto that vine, they are not fruitful, they are each doing their own thing, each is pursuing their own doctrine. They are invaded by these seducing spirits. We can watch what is going on it's like watching a movie, we can truly, by faith, see and that that is how our life has always been.

That is how my life has been since the Lord saved me. It was always by faith, by faith I did this, by faith He showed me how electricity works, by faith He showed me how to fix a water leak in the middle of winter. I waited on the Lord and He came on the scene and He showed today is that day to do that. That is how my journey has been and that is why we are here today trying to show people to only believe. Only believe what? The message for your day, the message for your day is the Sam and Lorraine chapter and all you have to do is believe it, and God will look after the rest.

Like back in the days when Jeremiah prophesied about Nebuchadnezzar for Judah to go under the yoke of Nebuchadnezzar and all will be well with you, you have nothing to fear, He is my servant and I will see to it that he looks after you but see they rebelled and they went down to Egypt and they got destroyed. They refused to come under Nebuchadnezzars yoke and eventually they were taken into captivity. Simply because God had a blueprint that He made before the foundation of the world, He knew that Israel is going to go into idolatry and He is going to use this Nebuchadnezzar guy to yank them back into reality and bring them under his yoke. All those that came under his yoke flourished. Even that King *Jehoiachin* was taken out of prison and was taken care of and was able to sit at the King of Babylons table. In Jeremiah 52:

*31. And it came to pass in the seven and thirtieth year of the captivity of Jehoiachin king of Judah, in the twelfth month, in the five and twentieth day of the month, that Evil-Merodach king of*

*Babylon in the first year of his reign lifted up the head of Jehoiachin king of Judah, and brought him forth out of prison,*

*32. And spake kindly unto him, and set his throne above the throne of the kings that were with him in Babylon,*

*33. And changed his prison garments: and he did continually eat bread before him all the days of his life.*

He took this Jehoiachin out of prison I believe he realized his folly but it is also that he is in the genealogy of Jesus, so God was preserving a seed. I believe he had a change in attitude because God would not let him be free without a change of heart.

Sometimes you have to read between the lines. That other King Zedekiah got his eyes put out and his sons were killed right in front of him. He was beyond redemption and kept rebelling against King Nebuchadnezzar. With that other King, he had a change of heart and God had him brought out and sat him before the king. God said, that if they come under the yoke of King Nebuchadnezzar that God would take care of them. I firmly believe that that King repented.

Lorraine speaks: It is still God behind all things what else would cause that King Evilmerodach to bring him out of prison and be kind to him. It's like God moving on the heart of Cyrus to make a decree to build up the Temple in Jerusalem and the walls. You have to see God in all things because God is behind all things He allows the devil to do his thing to test people.

Sam speaks: God has things in order. That is just how He does things. Just like He before the foundation of the world decided that He is going to use this chapter here to bring forth meat in due season. I was thinking this week it is going to be a tough sell, that all people are going to have to do is believe it, coming out from under this works mentality thing, this delusion thing, this seducing spirit thing, this charismatic environment that we are in, and believe what we are trying to portray here. What we are trying to explain that all they have to do is believe, just believe

it. Like what we were telling this guy the other day all he has to do is tell your family, tell your friends and neighbours you have to come under this Sam and Lorraine chapter and everything will go good for you and you wouldn't be falling into all these seducing traps all the time that have no eternal values. All you have to do when you get up in the morning is to tell your friends and neighbours about this Sam and Lorraine chapter.

Just like it says in *Revelation 22*:

*17. And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will let him take the water of life freely.*

So it is everybody's job that once you get it down into your DNA that this is that chapter all you have to do is come under it and God will bless you and God will bless you and He will give you all the benefits that He has given us. Simply by believing that this is that chapter. You can read the whole chapter on the men of faith, that has been how our lives have been, we walk by faith and that is what pleases God.

*7. By faith Noah, being warned of God of things not seen as yet, moved with fear, prepared an ark to the saving of his house; by the which he condemned the world, and became heir of the righteousness which is by faith.*

Like Noah that was a leap of faith it had never rained before and God told Noah to go and build an ark and everyone around him made fun of him, but it was not given to them God did not speak to them but all they would have had to do is trust Noah and go into the ark with him but they didn't believe him.

*8. By faith Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went.*

*9. By faith he sojourned in the land of promise, as in a strange country, dwelling in tabernacles with Isaac and Jacob, the heirs with him of the same promise:*

10. For he looked for a city which hath foundations, whose builder and maker is God.

11. Through faith also Sara herself received strength to conceive seed, and was delivered of a child when she was past age, because she judged him faithful who had promised.

12. Therefore sprang there even of one, and him as good as dead, so many as the stars of the sky in multitude, and as the sand which is by the sea shore innumerable.

13. These all died in faith, not having received the promises, but having seen them afar off, and were persuaded of them, and embraced them, and confessed that they were strangers and pilgrims on the earth.

14. For they that say such things declare plainly that they seek a country.

15. And truly, if they had been mindful of that country from whence they came out, they might have had opportunity to have returned.

16. But now they desire a better country, that is, an heavenly: wherefore God is not ashamed to be called their God: for he hath prepared for them a city.

17. By faith Abraham, when he was tried, offered up Isaac: and he that had received the promises offered up his only begotten son,

18. Of whom it was said, That in Isaac shall thy seed be called:

19. Accounting that God was able to raise him up, even from the dead; from whence also he received him in a figure.

Abraham believed when God showed him the stars in the sky and the land that God promised him. The Jewish people that believe this are going to eventually have all this land that God promised to Abraham, that is just up the road here. Try telling that to people in the hour that we live in especially with these backstabbers that they have as leaders in Israel now. How is God

going to do it - He is going to do it supernaturally because He promised it to Abraham. It does not matter who is in leadership Bibi or these backstabbers. It really does not matter because God promised it to Abraham and that is what He is going to do, it is just that simple. Some Jewish people believe it. They would not settle for anything less, they will not settle for a two-state solution, they will not settle for anything less. There is a party there that believes that they will get the land and they will not compromise on that. They know that they are going to get that land and when the timing is right it is going to happen, no matter what the world thinks. It is by faith and they believe it and God will find them faithful for believing it. Even though it was thousands of years ago it will happen. We are in that same chapter we believe in the Word of God and it is going to happen.

Just like we believe that Trump is president and it is going to happen. God just allows all this and Trump can sit back and take a break. God is allowing this thing in the Whitehouse, God is testing and bringing everything to light, but there will be a time when Trump will be back in the Whitehouse, and you can say that on June 6 he is on his way back to the Whitehouse. It is not going to go into reverse anymore, it might take a week, a month, or months, but whatever it takes the process has started. It is all by faith that we see that, and now all we have to do is believe it, when it will happen we will know that we by faith believed it.

That is why we sang that song: My eyes have seen the glory of the coming of the Lord. That is going to happen someday when the Lord is coming but there are things happening today like our eyes have seen the glory of Trump coming back to the Oval office again. Everything is happening currently and by faith, we are doing what we are doing, by faith, we bought that truck and went trucking for Payne, by faith we quit trucking for Payne because of the socialistic system that was coming in. We could not support that socialist agenda and by faith, we sold the truck. When this

guy phoned me one day that his transmission is going in his truck I knew in my heart of hearts that he is going to buy the truck that we had up for sale, and so it happened he bought the truck.

That is all by faith, everything in our life has been by faith and by believing and now all these people have to do that will come under our watch is believe. We have done the homework, we have done the research, we have done the work, we have done been slaughtered, we have been butchered and we have been done to whatever they could do to us and if the Lord would have allowed it they would have taken our lives, but everything that they could do, they did to us. They threw us under the bus, sabotaged us, spoke evil against us, everything that the devil could he threw at us, but we were ok with it because that is just that rejection mode. It is part of the cross when you have to go through if you are that slaughtered fatling and oxen. It is just how it is according to scripture, you can't be out there having a good time and be those slaughtered oxen. That is what we had to go through and now all they have to do is come. It is just that simple, it is going to be a hard sell, and people are going to need faith, and God is going to have to do something to give them the faith.

Sam has been telling us that all along and now here it is, he told us about the miracle war, he told us about Israel taking their land back, he told us about 2021, and here it is. They will say this is true and then this must be true too. This is that living water it has to be, I never even thought about it but here it is that Sam and Lorraine chapter. Right now it is that meat in due season and to whosoever will, but like I was saying try to yank people into believing this. First of all, you have to connect to all these church ages and you have to connect to these stars, and you connect with everything to what the scriptures say. It is very simple for you and me but how are you going to convince anybody. I don't believe we have convinced anyone yet in the last 30 years, even baptism in Jesus name, there is one or two people that did it but

other than that it is over their head, and they go down the road of life, they don't see the judgment coming on this planet they don't see it the way that we see it.

Since the Lord began to deal with me I could not go to a wedding how can you celebrate when you are in a war zone when judgment is looming on the horizon how can you celebrate a wedding, for me it worked the opposite, I could not get away fast enough from these good time things. How can I buy a boat and a camper when we are in a war zone, I'd rather go sit on a log somewhere then involve myself in these pleasure things. We are living in the hour and time where you need to prepare yourself for the coming of the Lord. When the Lord spoke to me - Sam I am coming soon, prepare yourself for what is coming up the road. We are ready for what is coming up the road, let it come, let it happen. That is what I'm trying to get across - Only believe. Only believe what - Only believe this message there is nothing else out there. We did the homework, we did the research, we went through every spiritual hellhole that they call the churches.

The Bible calls them cages - its become the habitation of devils, the hold of every foul spirit, and a cage of every unclean and hateful bird. Revelation 18: 2

That is what they have evolved into even these universities that is what they have become. This one guy he tells his students when you see a white man empty your six-shooter right into his face. They have become schools and churches of indoctrination, of brainwashing.

When you read *Ephesians 4:*

*11. And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers;*

*12. For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ:*

*13. Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ:*

*14. That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive;*

See what these churches are doing they are keeping their people in that church instead of sending them out into the field. That is what they did back in the day, they would have these colleges to train people to go out in the mission field and they went to Africa and all over the world and they were educated and they went out to minister. These churches they wouldn't do that, they keep these people there and they die in these churches, they grow old and they have not gone out to do their thing. When the Lord took me out off that colony He took me through these denominations and then He took me out of these denominations and then He took me to the ministry of Brother Branham. Then from there He put me into that other vessel to the ministry of brother Jackson and then finally after teaching me everything that they could teach me brother Jackson went off the scene. Then the Lord gave us both an exam to write. That is exactly what church was meant to be, to educate you and then give you an exam and that is what the Lord did for us. He gave us an exam to write on 'what we believe' and 'why we believe it'. We filled out the questionnaire and then we handed it in and now God has qualified us to do this here now. It is not us qualifying ourselves, it is not us making ourselves a platform this is the Lord's platform. He is going to back it up and you are going to see as time goes on people will come because they will realize that this is the only thing that is left in this world is this here truth. It is ordained of God, it is not ordained of me. We are just doing our very best from day to day to keep our head above the water, to do what the Lord requires of us, and to continue to walk by faith.

Lorraine speaks: When I was working in Brandon this lady she taught me how to manage a group home, she showed me all the ropes and then she handed me the books and she said - The teacher has done her job now you can go and do what you have been taught. That is how it works. That is what the Lord showed me with the last job that I had, I saw God and this whole world as his classroom, once He has taught you what He wants you to learn in these churches He expects you to go and do what it says - For the work of the ministry. The five-fold ministry is only there until you come to the unity of the faith the perfect stature of Christ for the work of the ministry. Then He expects you to go out and minister.

Sam speaks: That's how education should work. To go out in the field and the field is the world, but they will never preach on that they will never say that word 'until' because they want to keep you in their little box. Then they became exactly what it says in Revelation they become a cage, they cage you in and they make sure that you never excel beyond their doctrine. Even Grace and truth, they are all in the same package, they all want you to stay there and allow yourselves to be brainwashed into their way of thinking because they are not connected to the vine anymore. They can't be fruitful anymore. It says every branch that bears no fruit He will cut off because they are useless, then He prunes the tree so that the tree can bring more fruit. That is what He is doing with you and me, and we have to obey what He is wanting us to do. When He says Sam get your weight down I have to do my due diligence to get my weight down, and then you have to keep it down and I am slacking off there. Then you just have to do it until your obedience is complete. We are still fighting with this obedience thing. *2 Corinthians 10:*

*6. And having in a readiness to revenge all disobedience, when your obedience is fulfilled.*

It is all about faith, it is all about believing, and you can't just believe in anything, you can't go and believe in a rat, or some Moloch.

Lorraine speaks: You have to tap into that great mind of God, what He has for this hour, because He always has a provided way. You have to tap into that and once you are tapped into that you are under His canopy, you are under that pillar of a cloud by day, and that pillar of fire by night. You have His protection you have to do your own due diligence to find that pathway.

Sam speaks: It comes down to one simple word - retain. You have to retain the knowledge of God. You have to embrace it with a passion, once you see that this thing here is the truth you have to embrace it with a passion, and you have to love it above everything else because if not Satan will come in and he is going to feed you some delusional thing. Then what are you going to do you are going to fall for this delusional thing. That is just how it works, back in Romans 1 it says because they did not give God the glory then God gave them over to their own depraved minds.

Like I told this George from the States there, I have been communicating with him for 10 years or more and he left his family back in the colony. I was kind of questioning and wondering how come he has not bitten into this truth here. If he has such a zeal and such a hunger that he left the colony and left his family behind just to seek the things of God why has he not tapped into this yet, because that is the only thing that is out there. If there is a hunger and a thirst there why is he messing with denominations?

Lorraine speaks: That's puzzling to me because you wonder what makes people thick. What makes a person thick, well for me I want to walk with God. Then you wonder why would anyone go away from the colony if he is not in search of truth and deadly serious, and in search of finding God not this charismatic God but the one and true God that Abraham heard. I always say that God would have never taken me off the colony if I would not have

accepted the ministry of brother Branham because that was God's channel for the hour and if I would not have accepted that there would have not been any point for me to be off the colony because all these denominations are just another Hutterite system. It is just another denominational system but because I, by faith, believe it, it was real to me, it was alive to me, God moved me on out of that system because I heard His voice, that angel that proclaimed in the Heavens come out of her my people. I heard that angel, I heard the ministry of brother Branham, and brother Jackson, that was that angel's voice proclaiming throughout heaven come out of her my people. That is what drew me out is the ministry of brother Branham and brother Jackson. If I would have fallen for John Hagee I would have fallen for a delusion but it was the voice of God that I heard through that angel.

Brother Branham at the beginning of his ministry he told people to go to their churches but toward the end of his ministry, he didn't do that, towards the end when the churches of America rejected the message that he had, baptism in the name of Jesus Christ and this end-time message then he called them dead a carrion, eating dead meat. That is all these churches are content with dead old meat, but I heard that angel and by faith, I believed it and I went out from the colony and by faith, I left, and now I can say these systems are all cages like it says in Revelation if they do not leave them they are going to receive judgment. As it says in the church age of Thyatira because they rejected the message for their age they are going back to Catholicism, to that whore of Revelations, and they have lined themselves up with her because they did not move on into more revelation, to water baptism in the name of the Lord Jesus Christ for remissions of sins. Now they become part of that whore and are the harlots, and they will go through the tribulation period. God will not take them out by the rapture.

Sam speaks: It says *Revelation 18*:

*4. And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.*

Then it continues and says for strong is the Lord God who judgeth her. If you don't come out you are going to partake of her sins, you are going to receive her plagues. That is the Catholic church, there is cancer there, and all these plagues, it says people that are part of it partake of her sins and will partake of her plagues. It is not a very good scenario so why not take this here. This is where it is at this is not something that we woke up one morning and decided that that is what we are going to do. We would not even know where to begin we are just going from week to week, sometimes it does not make sense but we just follow what God has. Like this week it is all about believing - to believe as the scripture says. You heard the Lord come out of her my people as the scripture says, and we can tie everything that we are saying it all ties back to as the scripture said. We are not gee-whiz and by-golly thing. This is all as the scripture says, you can test us and our conversations they are as the scripture says.

Lorraine speaks: Not only that we have a testimony of how God has worked in our lives, we didn't come to where we are on our own, it was the hand of God that has led our lives and brought us to where we are today.

Sam speaks: It has been a good journey it says in the Bible that the trials and tribulations when we go through them they don't look too good but at the end of it all I would not have done anything else different, in fact, it all worked for my good. I don't look forward to this being over, it is the cross of Christ and in there Paul says that the cross of Christ is foolish to them that perish in *1 Corinthians 1*:

*18. For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God.*

It is all these good things and someday He will put us out there for His glory and we will be longing back for these quiet and private times where we are hated by everyone for His name's sake. We are blessed from day to day, we are blessed so much we can't contain it. We are in that canopy, in this journey, in this box, this Heavenly box, in this cross, we are in this blessing.

*Like it says in Matthew 5:*

*11. Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake.*

That blessing like Jesus said, blessed is he who is not offended in me. All these things and this week it is all about, he who believes in me (in Jesus) as the scriptures say. Only believe. This one guy, he believes money will come and some time ago he believed in a flat earth, but see it is not believing as the scripture says.

Lorraine speaks: Now he believes in this bitcoin that it is going to make him rich, and if you look who is behind the bitcoin it's that Twitter guy. Anyway, if you research it, I have not read up on it, but I'm just going to explain how I see it, it seems like imaginary money. You put money towards imaginary money and it never really materializes and one day you wake up and there is no money there. It was all an imagination. It's a delusion, and if you put your money towards a delusion then in the end you are going to have nothing. That is how it looks to me.

Sam speaks: That's how it is that is exactly right. It reminds me of that guy that was selling me that Master Miracle soap he is a Christian man he was down from the deep south, and he was trying to introduce me to this new currency that is coming with George Bush and Cheney, they were doing this oil and they were going to pay off the American debt and to do that they have to bring in this new currency. If you can get into early you only have to pay twenty cents on the dollar for this new currency and

apparently, he invested all his money into buying this currency all his savings so to speak. He said it is going to happen within a year or two. When I hung up the phone and in a couple of weeks I called him back up and I told him it is not going to happen, it is a delusion, it is an imaginary thing. It is not going to happen and he even got mad at me, because I didn't believe it. It is like they are injected into this ideology that if you find someone that does not believe in it just disconnect yourself from that person because they have to believe this delusion to make this thing happen.

Like this one guy that I know, he said don't you think that if we all get together and prayed that the book of Revelation is not going to happen, that we can short circuit the book of Revelations. I thought to myself, are you crazy, how can you short-circuit the Word of God. That is what these people are caught up in and it still to this day has not materialized it all fell flat and he lost all his money. Iraq never did pay off the American debt, they thought that they would take all that oil and pay off the American debt. That whole thing fell by the wayside all because they believed in the wrong thing. He believed in it with his whole heart to the point that he even got mad at me because I didn't believe it. I said it is a delusion why should I believe it and he believed that stuff. That is not believing as the scripture says. God is in charge of the money thing. The only place where this cashless society will work is over in Europe the devil will control Europe and he will run this cashless society and it will be digital over there, and they will not be able to buy and sell if they don't have the mark of the beast. That is only going to happen in Europe it is not going to happen in the western hemisphere. It may affect it but God controls the money thing too. He owns the cattle on a thousand hills, everything is His. Over in Europe God allows the devil and that beast system to run the show. There he can bring in that phony currency but here in America God has a different plan. According to George Washington's vision, it is the

birth, the process, and the destiny. Trump will be back and this thing that is in the Whitehouse now he just there to test everyone. That is what you kept saying we are all being tested. Like this Covid they make it more serious than it is, when they take this shot, which is even worse, then it is a fear tactic and people get all worked up over it, and then that virus multiplies faster. That is all that is required is to believe this message than people have all the benefits.

Lorraine speaks: Then they take the vaccine and they get the virus because what else do they expect it is the virus. They end up getting sick. That virus is not as harmful as they made it out to be it was all part of propaganda.

Sam speaks: The devil knows that there is pestilence because he knows the Bible so he cashes in on it and the Lord allows it to test people. Like this one doctor, she said don't take it because for you to take it you have to push God aside and you are acting by fear. God has not given us the spirit of fear but of love and of a sound mind.

Lorraine speaks: She said that these people that took that vaccine acted out of fear and they will have to repent of that fear, now God can forgive them for acting out of fear when they took the vaccine but God is not liable to take care of the consequences of that sin. Let's say that vaccine will cause cancer then He will let you go through the consequences and not heal you.

Sam speaks: God could heal the cells and all that to the place they were before a person took that vaccine and on some occasions, He might.

*Heavenly Father we just had a conversation around your Word about believing and about faith, I just pray use what has been said and use it for your honor and glory, and most of all give that increase in Jesus name we pray, Amen*

That is the way it works faith and belief, I heard the Lord and I moved, He told me to pick you up and go trucking together, He

told me to start up a website. I believed it but I am waiting for the next phase how do I do it, then everything started to fall into place and we got it up and running and it was by faith. We didn't just hear the Lord we moved on it. That has been my journey that is what God has prepared us for. We are just doing our job we just want to be found faithful to what He has created us to do, we are not competing against anyone. This is not a competition, some people think that Christianity is a competition, that is why I hate sports, someone has to win and someone has to lose, but in this chapter, everybody is a winner. It is like a marathon everyone can run and of course not everyone can be the first there but everyone can make it to the finish line. That is the way this is the only thing that you compete is - I want to find my place in Christ. That is it, because God ordained it before the foundation of the world for that place in Christ.

After all, we lost it through those angels in Jude. You get it all on this website how this thing works. We can go from eternity to eternity and we can explain things as the scripture says and you will understand it perfectly. You will understand John chapter one, in the beginning, was the thought. It is so simple we see the simplicity of it. God is not that hard to understand because we are created in His image, all you have to do there is something in us that can identify with this God, but the churches and religion have snuffed out that very thing and brainwashed people into a different way of thinking, thinking that there is a trinity when there is not. Now here we are fighting all these forces and we try to combat them and yank people back into the reality of what is really meant, what it is really saying. It says the churches have become cages, they are institutions of indoctrinations of brainwashing and we see that and we do not go near them. Now this ministry that was under brother Jackson they have evolved into minefields, to the point that we had nightmares listening to them and it took us hours to recover, just by simply listening to

Fred. I have to say it the way it is. They think that we are blaspheming when we say that, but it is the truth we both experienced it.

Even with this Covid thing and this mask thing we have to be careful what we do because in it God is doing something and we have to fall under that jurisdiction, we can't go out and cause trouble I don't believe that that is what God wants. In the meantime, God is testing everybody we don't like it and we don't go for it, we don't fall under it. We are not going to take that genocidal vaccine, we are not going to honour that mask because it does not do anything for nobody. The devil takes advantage of these things and turns it to his advantage and that is only up to a point when the Lord is done with that He will shut it down. That is the best I can say to believe as the scripture says, it is simple, we can't just believe anything.
