

I HAVE DECIDED TO FOLLOW JESUS

*I have decided to follow Jesus;
I have decided to follow Jesus;
I have decided to follow Jesus;
No turning back, no turning back.*

*Take the whole world,
but give me Jesus,
Take the whole world,
but give me Jesus,
Take the whole world,
but give me Jesus,
No turning back, no turning back.*

*The world behind me,
the cross before me,
The world behind me,
the cross before me,
The world behind me,
the cross before me,
No turning back, no turning back.*

*Though none go with me,
I still will follow,
Though none go with me,
I still will follow,
Though none go with me,
I still will follow,
No turning back, no turning back.*

*For I have decided to follow Jesus,
I have decided to follow Jesus,
I have decided to follow Jesus,
No turning back, no turning back.*

THERE'S NOT A FRIEND LIKE THE LOWLY

*There's not a Friend like the lowly Jesus
No, not one! no, not one!
None else could heal all our souls' diseases:
No, not one! no, not one!*

*Jesus knows all about our struggles;
He will guide 'til the day is done:
There's not a Friend like the lowly Jesus:
No, not one! no, not one!*

2

*No friend like Him is so high and holy,
No, not one! no, not one!
And yet no friend is so meek and lowly,
No, not one! no, not one!*

3

*There's not an hour that He is not near us,
No, not one! no, not one!
No night so dark, but His love can cheer us,
No, not one! no, not one!*

4

*Did ever saint find this Friend forsake him?
No, not one! no, not one!
Or sinner find that He would not take him?
No, not one! no, not one!*

5

*Was e'er a gift like the Savior given?
No, not one! no, not one!
Will He refuse us the bliss of heaven?
No, not one! no, not one!*

CONSIDER THE LILIES

*Consider the lilies
They don't toil or spin
And there's not a king
With more splendor than them
Consider the sparrow
They don't plant or sow
But they're fed by the master
Who watches him grow*

*We have a heavenly father above
With eyes full of mercy
And a heart full of love
He really cares when
Your head is bowed low
Consider the lilies
And then you will know*

*May I introduce you to this friend of mine
Who hangs out the stars
And tells the sun when to shine
He kisses the flowers
Each morning with dew
But He's not too busy
To love me and you*

WE'VE GOT THE POWER

*We've got the power in the name of Jesus;
We've got the power
In the name of the LORD;
Though Satan rages,
We cannot be defeated;
For we've got the power
In the name of the LORD.*

DO YOU KNOW HOW IT FEELS

*Do you know how it feels
To know something's missing?
To hear a still small voice
That you just keep dismissing?
Do you know how it feels
To be troubled inside?
To think just for you on a cross
Someone died?
Do you know how it feels
When He knocks to surrender?
How your sins washed away never to be remembered?
And know that it's real, tell me
Do you know how it feels?
(chours)
Then how does it feel
To know your a child of the King?
Your Heavenly Father owns everything,
How does it feel to know you are loved?
By the one who created the stars up above,
How does it feel to know your alright?
When you lay your head on your pillow at night,
And know that it's real, tell me
Do you know how it feels?*

*Do you know how it feels
When your cold heart has melted?
And tears started flowing the moment you felt it,
Do you know how it feels
To know you've been changed?
And it seems that the whole world has been rearranged.
Do you know how it feels
Wherever you roam?
You still get a feeling your not at home,
Knowing Heaven is real, tell me
Do you know how it feels?*

IS THAT WEDDING MUSIC THAT I HEAR

CHORUS

Is that wedding music I hear?

The bride's adorned and ready to appear

There's Heavenly preparation

For the wedding celebration

Is that wedding music that I hear?

*The family is preparing for a wedding
All have been invited to attend
The bride is standing ready,
Waiting for the signal
When the Groom says,
"Rise, my children, come on in*

*Soon we'll rise to leave this land of sorrow
For that ceremony in the air
The Father then will lead us
Through the holy land of splendor
Have you made your preparation to go there?*

EASTERN GATE

*I will meet you in the morning
Just inside the eastern gate
SO be ready faithful pilgrim
Lest with you it be too late.*

CHORUS

*I will meet you (in the morning)
I will meet you (in the morning)
Just inside the eastern gate
I will meet you (in the morning)
I will meet you (in the morning)
I will meet you in the morning over there.*

*If you hasten off to glory
Linger near the eastern gate
For I'm coming in the morning
So you'll not have long to wait.*

*Keep your lamps all trimmed and burning
For the Bridegroom watched and wait
He'll be with us in the morning
Just inside the eastern gate*

*Oh the joy of that glad meeting
With the saints before us wait
He'll be with us at that meeting
Just inside the eastern gate.*

There is a thought here that I have I'll read it from Genesis 4:

25. And Adam knew his wife again; and she bare a son, and called his name Seth: For God, said she, hath appointed me another seed instead of Abel, whom Cain slew.

26. And to Seth, to him also there was born a son; and he called his name Enos: then began men to call upon the name of the LORD.

Heavenly Father, we just read your scripture here, I just pray that you will give me the grace to expound on the things that you have allowed me to see. Help me to say them in such a way that it will be easily understood and most of all I pray that you will give that increase in Jesus Christ name we pray. Amen

I don't know if I will be able to say what I see, it is almost like a daring adventure. If you could visualize yourself going back to that time frame here, to the days of Seth - *Then began men to call upon the name of the Lord*. See you and I, we can easily identify with that, there came a day when we came together and all we did was we talked about the things of the Lord. So we can easily in a way go back in our minds to how it was back in those days. I checked it and I believe it pretty much lasted about 1000 years. They lived in an environment where people were not interested in sex, they were only interested in what you and I have been doing ever since we knew each other. All we were interested was in the things of the Lord. That is all that I was ever interested in but see you are in an environment that wants to suck you into this filth path. If you were living back then where Adam knew his wife and she had a son and named him Seth, *and to Seth, to him also there was born a son; and he called his name Enos and then began men to call upon the name of the Lord*. They were not interested in that other stuff that was going on down in Nod.

What happened in the garden, and we said it before, there was a commission given to Adam and Eve. That commission was to be fruitful and to multiply, but there were two laws that were given to Adam and Eve. The animal kingdom was also told to be fruitful and to

multiply but there was only one law for them. In the Bible it is referred to as trees but we call it laws for a better understanding of what happened in the garden, and down in Nod with the descent of Cain and what happened over in Eden where Seth and his sons were. As I said there were two laws given and God told them that they should only partake of the tree of life and that simply means sex for reproduction purposes only. Just like the deer and the animal kingdom, it is so simple for you and me to understand it but there are people that are so steeped in lies and untruths that they cannot handle the truth for this hour they can't handle it when we talk so plain and yet it is there for everyone to see. You see it all around you what that other tree the tree of knowledge of good and evil brought with it. That tree was a law and it was a means of reproduction but this law God told them not to partake off. It was that serpent creature in the garden and for the sake of this conversation we are going to call him George, and George he was more subtil than any of the other creatures, he was part of the animal kingdom. He was actually the resurrected Neanderthal man from the pre-historic hour but we call him George for the sake of the simplicity of things. George beguiled Eve into having a sexual relationship. When you look up the word beguiled it means - *1 charm or enchant (someone), sometimes in a deceptive way*. Through that relationship, they brought forth Cain, which is as simple as I can make it.

They partook of the wrong law, sex for pleasure and therefore brought mankind into all this chaos that they are in today. That is the foundation and the root of all the problems. Had they partook of the tree of life then every child that Adam and Eve would have born would have been born a perfect off spring for God and you would not see this mess that is out here today, but it is as it is now, Adam and Eve they made the wrong choice. It is all about choices, God gave mankind the freedom to make a choice the freedom to choose what is right. That other tree was actually forbidden, because God told them not to partake of it, and they did it anyway, they were deceived into partaking off that tree of the knowledge of good and evil. After Eve partook of that law she went to Adam and introduced sex for pleasure. They had no intent for reproduction it was sex for pleasure between

Eve and the Serpent and it was sex for pleasure between Adam and Eve. When Eve was seduced by that Serpent and partook of it in doing that they set the law in motion for all of mankind that that is how man will reproduce, and in order to reproduce it is mostly sex for pleasure, but you can also choose to live a holy life, shun the wrong and do what's right, you can also choose to have sex for reproductive purposes only, and we know that sex is only allowed within the marriage boundary.

What I am trying to say is those were the two laws, and that is what brought mankind into the mess that they are in today that is the root problem. Adam and Eve, they made the wrong choice.

Lorraine speaks: When you go to *1 John 3*:

12. Not as Cain, who was of that wicked one, and slew his brother. And wherefore slew he him? Because his own works were evil, and his brother's righteous.

See Abel was a pure seed, and Cain was from that wicked one. He was brought forth from a thought from the devil to entice the Serpent to entice and beguile Eve into a sexual relationship.

Sam speaks: I've never seen it so plain that wicked one was not Adam, see some people think that Adam fathered Cain, but here it says as clear as daylight that Cain was from that wicked one. Remember Adam was a son of God, but that Serpent was enticed by Satan, I call that Serpent George because when people hear the word Serpent they automatically think of a reptile. He was not a reptile in the Garden and to make the picture more clear the Serpent was more subtil, that was because when God resurrected him he was not crawling on his belly it was only after God came on the scene and cursed him and took out his vocal cords and turn him into a snake.

Lorraine speaks: Why else would God say to the serpent *Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life:*

That lets you know that before God cursed the Serpent or George he was an upright creature.

Sam speaks: He was the highest form of animal life and then he became the lowest form of animal life, and that is how it will be throughout the millennium he will never regain his former status, and

just for the sake of the conversation there are a lot of people that don't understand this Neanderthal man. That serpent creature came from a former civilization, from that pre-historic era, most of the animals were resurrected from that former era, like the dinosaur it's a little lizard crawling around today. That's why when you read in Genesis it says let the earth bring forth *Genesis 1:*

24. And God said, Let the earth bring forth the living creature after his kind, cattle, and creeping thing, and beast of the earth after his kind: and it was so.

God just gave them all a different spirit. He created that spirit first, like that serpent in the garden he was that Neanderthal man, God just gave him a different spirit and he was a good creature he did what Adam and Eve told him to do. When Adam wanted some fruit and work done then he did the work, he was a servant. He was Adam's servant because that is what God created him to do but see the devil got into his head to entice Eve to have this intimate relationship with him and therefore brought mankind into the chaos that they are in today. We know how the story unfolds and one day Cain and Abel brought God a sacrifice and God had pleasure in Abel's sacrifice. He didn't accept Cain's and Cain got jealous, and God came to Cain and spoke to him about why he is acting up like that and He told him if he does good he will be accepted. Then it came to the point where Cain slew Abel his brother. Then Cain had to leave the area and go down to the land of Nod, and Nod means to wander, in exile.

Lorraine speaks: Going back to the serpent to give people a clearer insight on what happened in the garden. After they sinned God came and found them naked and He said to Adam in *Genesis 3:*

17. And unto Adam he said, Because thou hast hearkened unto the voice of thy wife, and hast eaten of the tree, of which I commanded thee, saying, Thou shalt not eat of it: cursed is the ground for thy sake; in sorrow shalt thou eat of it all the days of thy life.

Like you said before up until then the serpent did the work, this George creature was there and God placed him there in the garden to be a servant to the human family. He did not have a soul he was an animal creature, but he could communicate with mankind he was the highest form of the animal kingdom. After God cursed the serpent God spoke to Eve and told her in *Genesis 3:*

16. Unto the woman he said, I will greatly multiply thy sorrow and thy conception; in sorrow, thou shalt bring forth children; and thy desire shall be to thy husband, and he shall rule over thee.

Conception was not the way it is today God multiplied it and we don't know by how much it was multiplied and with sorrow you will bring forth children. So those are the results of eating the fruit of the tree of good and evil. Then Adam had to go out and labor and do his own work and till the ground because that serpent was no longer there to do it for him. That was the result of making the wrong decision.

When you take the scripture and look at scripture with new eyes, not with preconceived ideas that are out there in the world today. They have a preconceived idea that it was an apple and the Bible does not even say that it was an apple. Why is it that when they realized that they had sinned that they hid their reproductive organs, now they knew that they were naked, up until then they had no sin, they didn't have the realization that they were naked. Now they realized that they did something wrong, up until then they were pure, they were upright and they lived in an atmosphere that God could come and have fellowship with them. If you can imagine that He came at the cool of the day and had fellowship with them, but when they realized that they sinned they realized that they were naked and then they covered up their reproductive organs, and that was the result of choosing the tree of knowledge of good and evil - sex for pleasure.

Sam speaks: It is all because of the choices that they made, these things are written in such a way for our understanding that we can make a choice. When you continue where Cain went down to Nod, and it was not a good setting down at Nod, killing, polygamy, you can read about it. I just read it this morning what Cains off-springs did down in the land of Nod.

Then you can also read what happened up in Eden, Seth and his son called upon the name of the Lord. That is what you and I have been doing. All we were interested in was sitting around the table go to Tim Hortons for coffee and talking about the things of the Lord. It is kind of like you and me we want to live in Eden and then the other bunch of people want to live down in the land of Nod. I'm trying to bring out a picture here by the choices that you and I make we can

actually live in the same environment that they had down in Eden. I know we are living in an environment where this life down in Nod, it wants to drag you in, but you and I, we have to make choices on a daily basis to get up in the morning and sing some spiritual hymns. I talk to some of these ex-Hutterites and I wonder how many of them get up in the morning and sing these hymns from that German songbook, the Lord moved on me, and let me know when you get up in the morning sing these songs, that is our lifeline. What we do is we get up in the morning and the first thing that we do is I go check my weight to see if my weight is all right so I don't get overweight and then we sing some songs in the morning and even in the evening. I sometimes wonder how many of these ex-Hutterites do that. I know with my dad, he used to wake up every morning to sing some songs. What the Lord did He reminded me of that and we started to sing these songs. It drags you out of this Nod living environment and yanks you into the Eden lifestyle.

That is what I am trying to get out with this conversation, its with the choices that you and I make, at the heart of it all it's our desire to serve Jesus, to live down in Eden to do what is right that is our desire, to talk on the things of the Lord. That is all you ever wanted to do and that is all that I have ever wanted to do. As I said, there are times where you do get caught up in the things of this world because it is a constant vacuum and if you don't do due diligence to wake up in the morning and to sing praises unto the Lord, *Mein Gott nun ist es wieder Morgen und Wie ein Vogel lieblich singet*. Things of that nature that gets your mindset out of this filth that we are surrounded with and yanks you back into the land of Eden where Seth and his group lived. You can't read anything wrong with these people down in Eden. It must have been glorious. All week long I have been visualizing it going back to the line of Eden where Seth and his sons and their offspring enjoyed themselves in, talking on the things of the Lord.

You have to sit back, step back and see it as a whole down in the land of Nod there was sex and there was filth, but in the land of Eden when you go and read in Genesis 6, and I know that there are a lot of different versions out there and in order for you to understand it right you have to go back and read it as the scripture says.

I'll read *Genesis 6*:

1. And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them,

2. That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose.

I'm going to explain here these things are hidden from the wise and the prudent and are revealed unto babes such as would learn. It has been revealed to you and I what actually happened and I am going to read it the way that it is meant to be read because these scriptures are written in continuity and they are hidden from the wise and the prudent. I am going to unveil it and take the covers off. I am going to go over it again

1. And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them,

2. That the sons of (Seth) saw the daughters of (Cain) that they were fair; and they took them wives of all which they chose.

Here you can see this mingling, the daughters of Cain and the sons of Seth, I guess these women down in Nod, they knew what was going on down in Eden, they were just calling on the name of the Lord. They had great fellowship and they began to come around to the sons of Seth.

3. And the LORD said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years.

4. There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.

That is where these giants come from, they mingled, the daughters of Cain and the sons of Seth.

5. And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.

6. And it repented the LORD that he had made man on the earth, and it grieved him at his heart.

7. And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping

thing, and the fowls of the air; for it repenteth me that I have made them.

8. But Noah found grace in the eyes of the LORD.

They did not want to be led by the spirit of God anymore - My spirit shall not always strive with man, for that he also is flesh.

It says *Genesis 6:*

12. And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth.

See in the land of Eden they depended on the spirit of God to tell them when to mate and when not to mate. It was no sex for pleasure in that environment whatsoever, I saw it throughout the week Adam and Eve knew what their problem was and of course they told their children what the problem was, it was sex for pleasure. So I imagine that they only had sex for reproduction purposes only. I know I am going out on a limb here because people are going to think that I am forbidding people from having sex, all I am doing is going back to Adam and Eve, they realized what they did to the whole human race, and when you put it together with what is pleasing to God and what pleases him. In one translation it says - that they did not want to be led by His Spirit, because it is the spirit of the Lord that let them know who to mate with. What happened was they were straying and did not take heed to the spirit of the Lord.

Like my son Steven when he became 15 and up and I know how it is with every guy they want a mate and he was alone for quite a while so we talked one day and I let him know if you want a mate you need to go to the Lord. You can't just go out there and take what you chose I advised him to pray about it and the Lord will show you who to marry and who not to marry, because you and I, we don't know the genetics of that person, only God knows the genetics and he knows exactly the genetics that will fit and that are good for you. You have to go to God to get the perfect genetics and I imagine he did because a year later he found this girl and he got married, and that is how it was back in the land of Eden. It was the Paradise part that God removed, Eden the physical landscape was still there the river and all that. These people down at Eden still multiplied but they were led by the spirit of God and they had fellowship.

Like, let's say you have teenagers what they did is they got together and they talked about the things of the Lord. I am sure that there were some that never did marry but some they did marry, but they were led by God. Let's say that there were some that didn't get married they would just do like you and I do we are just fellowshiping around the Word. We live here in this home and I'm renting a place from you and we don't worry about anything, I do the finances and everything and I pay you for rent and you do the cooking and dishwashing and laundry and we are just living exactly like they were living back in the land of Eden. That is the prototype that we are living in. We are not living before the fall we are living in the land of Eden before all that filth from Nod come down. The reason we are living like that is that on a day to day basis we make choices, we chose to live right, we chose to live for the Lord, and by doing that we are yanking ourselves back to exactly as it was when the sons of God called on the name of the Lord. There has to be somebody here that sets a prototype, that sets an example.

First of all, we are in this world but we are not of this world, and in this day and hour that we are living in everything is centered around sex and this perversion and this homosexuality, and it is simply because people make the wrong choices. They choose to do it that way, but you and I have chosen to live a holy life, like the song says - If I live a holy life, shun the wrong and do the right, I know the Lord will make a way for me. We have overcome this sex thing, we have overcome the things of this world, the pleasures, the boat, the beach thing. We have overcome all of that and all you and I are interested in is this Word and the things of the Lord.

That is all that we are interested in and by making these choices God blesses us, and they are out there for each and every one by making these choices you can live down in the land of Eden where none of this filth affects you. I know we're surrounded by it but we do not have to succumb to it. We don't have to yield to it, but it is a daily battle it starts with even the food, I know that food is something that we need but we don't have to do the indulgence thing. It is food for survival, that is what we are getting into instead of food for pleasure. That's the gutter that I was caught up in for 10-15 years, and then 15 years ago the Lord slowly started to drag me out of that gutter to lose

100 lbs. It has not been easy but you have to drag yourself out of that and be an overcomer. To be an overcomer for the food thing, and for this sex thing, and the things of this world. That is what He is asking of us to be - to him that overcometh, and you and I, we are overcoming these things. We have overcome the food thing and the world, we don't have any use for it whatsoever because what it brings in hard-ache, pain and suffering, and a grieving spirit, it grieves the Lord. So we have decided many years ago, we decided to follow Jesus.

When I was terminated from the colony I decided to stand up for truth and by doing so you are automatically going to be terminated because that Hutterite thing is not built on a good tree. It is camouflaged as one but really the root of it is not good it is built on Nicene Rome, water baptism in the trinity. I have a message out - Planting a good tree. You have to go back to Acts 2:38. First of all, you have to repent and then be baptized in Jesus name and then you are in route, you are not there, but you are in route back to that time and that dimension where men started to call upon the name of the Lord. It has been like a thirty-year journey out from bondage and slavery, you can't be free to serve the Lord in that system, because the minute you do the preacher will not let you.

Anyway, what we are trying to do is you and I are trying to set an example first of all with the waistline, there are a lot of things that we could choose to do, we could choose to go down the sex path but we don't want to because we see the heartache and the suffering, there is nothing in it, it is a delusion. So we decided to follow Jesus we decided to live for the Lord. We decide to do what the sons of Seth did - they called upon the name of the Lord.

As I've said, that is all that I have ever been interested in, that is to sit down at the table and talk about the things of the Lord, and there again we are in the world but we are not of the world. There is nothing in this world that has any attraction for me. I can't go to a movie because I don't want to go there, I can't go out and buy alcohol because I don't want any, I don't do these things because I don't want to do them. There is nothing in it but pain and suffering and heartache. You step back and go through it, and ask yourself is it going to benefit me, what is it going to do for me, is it going to take me down the Nod path, down the gutter path, where there is no end to what that lifestyle

does, but see you and I, we have decided to follow Jesus. We want to make the right choice and we are not just saying it we are actually living the life, there are things that we could do but we decided we don't want to do these things, it is not that we couldn't but we don't want to. Adam and Eve, were deceived, and even to this day Satan tries to lure you into a lifestyle that is not godly, he is still on our case.

The first thing that he tries to do is divide, the devil knows that this is not a sex thing but he tries to separate us because when he can separate us who am I going to fellowship with there is nobody out there that I can fellowship with, I can't fellowship with any of my family, you can't fellowship with any of your family, the only person that I can fellowship with around the Word of God that is real and genuine is you, and the Lord brought this together and they are working overtime driven by Satan, that same one that was in the garden using the serpent to destroy God's creation.

The devil always goes after the main thing and he goes all out to try to separate us. He knows that this is not about sex and romance and all this filth that he tries to implement into the human race, this is simply like they did in the days of Seth - Then began men to call upon the name of the Lord. He is trying to separate us if he can get a wedge between us then we are useless and we are useless to set a standard, the devil knows that and that is why 24/7 your family and then my family they never give up. That is why we have to be continuously on the ball. The Holy Spirit already let me know where the next attack is going to come from, and then he comes along to attack, and then we have people coming in like that Jeremy to try to get a foot in the door all to divide us.

Just like your brother Ernie, he came here and for one reason only he wasn't interested in the things of the Lord he came here to see if he can't find a way to drive a wedge between us. Then, Jonas he comes and he is unrelenting saying he wants to go trucking, we were trucking together so out of compassion I took him trucking and I took him along to teach him how to truck. I want you to teach me how to truck, he said. So I took him along for a month and I taught him how to do the border crossing, and all that. All he was trying to do is try to drive a wedge between the two of us, to separate us. Eventually, he went back drilling, then I give him a truck to go trucking and that

didn't last very long maybe six months, and the other day he told me he never did want to truck. Why did he come to me to go trucking, it was all a trap, a trap from the devil to try to divide us. All these tricks, I wasn't on to it until later on, two weeks ago it really hit me that that was his game all along. Wherever we go there is Satan 24/7 trying to figure out a way and a means to divide and that is how Satan works. That is how Satan works after the apostles fell asleep he was trying to get into the church to separate, and the first thing that he destroyed is that water baptism Acts 2:38. Then 300 years later he had infiltrated the ministry so much that they were powerless, then he was able to bring in this phony Nicaea Rome baptism: the trinity baptism.

That is how the devil works but see we are on to him, on a day-to-day basis, we have to stand on guard we have to watch him because he wants to pervert what we have here. By the choices that you and I make by setting a standard, we can go back to as it was before the flood down in Eden to the sons of Seth. We can actually live in that environment, you can't read of anything negative, the only thing was that they all had to die within 1000 years. That is all that you can read because God said the day that you eat therefore that is the day that you die. We know that one day is with the Lord as a 1000 years. They didn't reach a thousand years, I believe Methuselah was 969, Enoch was 365 when the Lord took him but see what I am trying to say is you can't read about no sickness; no health issues, nothing bad. The only thing like I said before they reached 1000 years they died, that is it.

Then down in Nod all kinds of things happened there was killing, filth, simply because that was the result of the wrong decision, Cain, one day, decided that he is going to kill Abel. God came on the scene and warned him to smarten up and told him - If you do good, then you will be accepted. That is what I can say to these people out there they don't have a revelation they don't know what you and I are talking about they don't get it, but the least that they can do is to do good. That is what God told Cain and all that God requires of some people is to do good.

Like that Kenneth, I had him with me for 3 years and the Lord let him know to hang out with Sam because the Lord had given him a revelation - This is bride material if you like it or not go stand with him.

We were in at the air show, he was with his buddies from Windy Bay and I was there by myself, and the Lord gave him a revelation and he came and told and he stood with me, but how long did that last. He tried to reason it out when all he would have had to do is stick with it. I meant it well with him because he really never had a dad, that doctor Bell guy, he was a poor excuse of a human being never mind a dad, so he really never had a dad. So the Lord brings him in and all that he would have had to do is listen to what I have to say, but as time went on he started to work against me, so I said, Lord, I can't have that guy around, you need to get him away from me because he was starting to wear me down, he was beginning to be a weight. It says to lay aside every weight and eventually he got married and he started to work against me.

When we went trucking together he went and told everybody that we were shacking up, he saw this as a shacking up program, he knew who I was from driving with me for 3 years, and he knew who you were because you were down there, he knew that you were not interested in that filth and yet he goes around telling people that this is a shacking up program. There you can apply what God told Cain - Ken if you do good you will be accepted, but what does he do he does the opposite. You can take that from one person to the next the people that I have tried to help they get jealous and they turn around instead of learning what I am trying to tell them they turn against me. You are the only person that is going in the same direction, the only person that I can trust, the only person that hears what I am trying to say. I have been honed out before the foundation of the world and I didn't even know that, I know that I am right and I know that the things that I say are true but yet nobody believes me. Everyone taught that I was crazy, in fact, my parents wanted to take me to the mental home because I didn't blend into their program. I did the best I could in the Hutterite colony but there are things that I saw and when the day came I had to rise up against that system. I started to expose it for what it was, it is a cult system, it is only a form of godliness, but it has no Biblical spiritual root.

As you were saying it was not implemented with faith, they heard it all but it was not mixed with faith, even with this movement with brother Jackson we heard brother Jackson and they all heard him but

yet they will not hear what we have to say, they never really heard brother Jackson. They heard him, but what they heard was not mixed with faith. Just like coming through the wilderness journey, there were 600,000 left but only two came into the promised land. The Bible bares witness and it is all because it was not mixed with faith. With Joshua and Caleb, theirs was mixed with faith, they had faith in it, they knew who Moses was, they knew what he said was true, and that is what pulled them through. They didn't go into this grumbling camp, they knew that there is something here, and when you and I heard brother Jackson we knew that there is something there and we knew if there is coming two lines of thoughts we are going to stick with brother Jackson and we were all being tested. When this Strommen thing came up and this Tim Mckay came up we were all being tested, and I purposed in my heart that I am going to stay with brother Jackson even if I have to stand alone. I didn't even know what I was saying I just said it from the debts of my soul, if there is two line of thoughts I am going to stick with brother Jackson because I knew who he was, it was that voice of that angel that spoke with brother Branham and he continue with brother Jackson. I never heard anyone talk on that, that brother Jackson was the voice of that angel because it says, in the days of the voice of the seventh angel when he shall **begin** to sound. See you have to step back and analyze it, that word begin, that lets you know that he is only beginning and he is going to continue with another voice, and that voice was brother Jackson, and now here, is the third phase and now he is going to finish it off with us, it is just that simple. If people want to believe it that is fine, if they don't that still does not change the fact.

Like this one guy, he said, he does not believe in a God, I say that does not matter if you believe in a God or not, that does not change the fact that there is a God. Then the next person does not believe in a Hell, well it does not matter if you believe in a Hell or not, there is still a Hell because the Bible says that there is a Hell.

Just because they don't believe in it does not mean that it is not going to happen. Like my Uncle Sam and his wife Emma, they don't believe in a Hell and they will do what they can to believe that there is no Hell. I even wrote them a book about Hell and they threw it away,

but see just because they don't believe it that does not mean that it is not going to happen.

Lorraine speaks: Like when God spoke to you about brother Branham, when He told you that he is God's prophet if you believe it or not he is still His prophet.

Sam speaks: Ja, I had questions about that, I thought that it was a cult, I fasted and the Lord came to me, He came on the scene and He said to me: This is my prophet if you believe in him you will be blessed, if you don't believe in him he is still my prophet. I chose to believe it, everything, all my preconceived ideas that I had about the Bible I flushed them down the tube and I began to listen to what brother Branham had to say and by doing that because I wanted that blessing, just like Jacob he wanted that blessing above anything else. I wanted that blessing because the Lord told me - If you believe it you will be blessed. I chose to believe it, and man, I have been blessed ever since. I can't express the blessings that I got, not only spiritually but also finically as I moved into it. The Lord tested me and from there He moved me on to brother Jackson's ministry and then He started to add all the natural things to me, like a job and finances. These things He added unto me and to this day we worry about nothing. He said he will add them to us, He even gives more than we expect. He made sure we get a new truck, God is true to His Word. He will add on. He gave you this house here, like supernaturally, everything He gives us because He said He will add unto us. If you seek first the kingdom of God and His righteousness and that is what I did - I sought God. I believed that prophet, He said if I believe it I will be blessed, and by doing so and by choosing no matter what, no matter what it cost me I chose to believe that God sent a prophet, everyone can do the same thing.

They can choose to do the same thing, they can choose to believe what you and I are saying and they will be blessed. Just like the Bible says out of his belly will flow wells of living water. They will not know what happened all they have to do is believe it as the scripture say. If you believe what we are saying because what we are saying is the truth. What we are saying here today is you can choose to live back in Eden, and you have to overcome this environment that is out there. It is all geared towards sex and food and you have to

overcome this food thing. As Jesus said beware lest at any time your heart be overcharged with eating and drinking and all you have to do is pull away from these things. If you can't pull away then fast and pray about it and get away from that lifestyle. When I go down to the store just about everyone is overweight, there are very few people that don't have a waistline problem. Some of it is genetic, but then there are other issues that they have. I am trying to say that with the choices that we make, we can choose to live back in the land of Eden, we'll have no pain, we'll have no sickness. I still have some issues from living in the gutter for 10-15 years, the Lord one day tap me on the shoulder and told me to leave all that behind and took the alcohol away from me. I have no desire for alcohol whatsoever, none of that filth that was down in the land of Nod. I am not interested in that, I just want to find someone that I can talk to about the things of the Lord, that is what you and I are doing. That is the life that we are living, that is the dimension that we want to live in. Ja, you have Satan pulling you but really he knows it is a cheap shot and that we are not interested in what he has to offer.

The only tactic he has - If we could only divide them then we can conquer them and that has been what we have to be on guard for. I completely had to tell my family that you don't even exist unless you are willing to come and join the fight, that is it, other than that you are nothing more than the person walking down the street. Really the Bible warns of that, those of your family will be your biggest adversaries. You have to take the Word of God seriously, you have to take what it says at face value. We had a message about - The blatant disrespect for the Word of God. We have a respect for the Word of God when it says - Those of your own household will be your biggest foes. You have to take that seriously, we are prove of that. First thing when I picked you up all Hell broke loose, the family, your family, and then my family. I don't want to even go there and to this day every chance that they get, if we would have that door open but see we had to make sure that that door is closed, we can have no fellowship with them whatsoever. I told them if you want fellowship and if you want family time, if you want dad time to spend time with your dad - Sunday morning at 10 o'clock right here, they can come together anytime, but other than that I am not interested in your boat, and I am

not interested in your good times. They actually don't lead to anywhere and at the end of the day you have nothing. It is just a delusion.

I just wanted to say, you and I, we chose to do that, there are people out there, they chose to do that. All they have to do they don't have to indulge in all this food thing, you don't have to indulge in this sex thing, it is just a delusion, there is nothing in it. It was meant for reproduction purposes only and the only way that you can do that is in the confines of being married. You can't just go out there and shack up with anything and everything. You have to overcome these tendencies than the Word of God is your only desire, get up and sing a song and pray the day in, and things of that nature, before you go to bed sing a song and give some attention to the Lord throughout the day. Like the Bible says, to have God before you all day long, and when you wake up at night like King David he was always mindful of the Lord. Like Mike Lindell says - *Proverbs 3*:

5. Trust in the LORD with all thine heart; and lean not unto thine own understanding.

6. In all thy ways acknowledge him, and he shall direct thy paths.

God has given us the desire of our hearts to be holy and to save souls, how many people want to be saved if you tell them the truth they run you out of town but our radar is always on. Sometimes you will run into someone that is a little bit interested but nothing resonates because darkness covers the earth and gross darkness the people. They can't handle the truth that we tell them, they can't even handle what happened in the garden, when you tell it to them this way or that way it is damnable heresy to them. When you can't believe it, if you don't have a desire for truth because darkness perceives it not. The darkness cannot perceive what you and I are saying here. These conversations that we are having are not for everybody, but there will be people out there, because 10 years ago the Lord told me to set up this website and that He will bring people in that have a hunger and a thirst. When people see that there is nothing else out there and when He famishes all gods of the earth, He will famish these religions; He will famish these phony artificial gods, these Imans, these preachers, these Hagee's, and these Olsteens, He will just famish them and when He will famish them they will have nothing.

Like when you put a garden in and no rain falls and the sun is hot it famishes the plants, it does not produce anything, that is the way it will happen with these false religions. These false religions of this world He is going to famish, this Muslim, this East India thing, this Buddha thing, all the gods of this earth. There is only one thing that will remain and endure and that is this Word. Those that don't take this Word, they are going to be sucked into this world council of churches and back to the Vatican and therefore bringing judgment on themselves.

All I am trying to say, as simple as I know how, it is all about choices, Adam made a choice and it was the wrong choice, and they let their children know what this is all about in the land of Eden and they knew it and they did not venture into that avenue. I can see them they were led by the spirit of God to mate, because it says that they did not want to be led by the spirit of God anymore that their thoughts were continuously evil. God was trying even down in the land of Nod to teach them to walk holy. So when they came and mixed you can see how God was striving to teach them to walk upright and not to get involved in this filth. That is why Noah found grace in the eyes of the Lord. Noah did not follow that trend, you can see he waited 500 years before he found a mate.

Lorraine speaks: It says in *Genesis 6*:

8. But Noah found grace in the eyes of the LORD.

9. These are the generations of Noah: Noah was a just man and perfect in his generations, and Noah walked with God.

Sam speaks: See Noah was in touch, you and I, we are in touch we know why God sent brother Branham, we know that He continued with brother Jackson, we are in touch. Noah was in touch with the reality of his day, that is why he was perfect in his generation. What made him perfect in his generation if you take the opposite it says, that they took onto them wife who they wanted, but Noah waited on the Lord and the Lord showed Noah who to take for a mate. I don't believe he took anything from that stuff down in the land of Nod. The Lord led him to his mate, he would not have found grace in the eyes of God if he would have used his own intelligence. Seth's descendent down in Eden they were led by the spirit of the Lord. God said be fruitful and multiply.

Lorraine speaks: When you read on it says

10. And Noah begat three sons, Shem, Ham, and Japheth.

11. The earth also was corrupt before God, and the earth was filled with violence.

12. And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth.

13. And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth.

You can see that today too with this Covid virus and this vaccine how little people have left of the knowledge of God, and to give Him the glory. When you talk to people you can't reason with them they think that this vaccine is the end-all-where-all that will bring them back to normal and we can live our merry life, and you have no right and you have no choice. In their eyes you are the disease spreader if you don't take the vaccine, you are the culprit, you are the wicked one. You can see the trend of things, it is all completely upside down. They are the ones that spread it when they have that virus in them. There is no way you can reason with them it is totally foreign to them because like Romans one says, they did not give God glory and did not acknowledge Him, and then God gives them over to their own way of thinking which is a reprobate mind. *Romans 1:*

28. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient.

That is what the fleshly man evolves into. As you were saying today if God would have not have left us a seed we would have all become as Sodom and Gomorrah. If God would not have had this channel starting with Jesus and the Grace Age and the seven stars that Jesus held in His right hand. Then with brother Branham and brother Jackson the truth for our day and hour, if we would not have that then we would have no compass. That is one thing that keeps you on track.

Sam speaks: That is what the Bible says if we would not have that we would all become sodomites, if time was to go on there would be nothing to hold it back. At the end of the day, you are either going to be a sodomite or you will follow truth. It is just the way it is if God

would not have left us a remnant a seed, the seed is Jesus and His Word and then brother Branham and brother Jackson and now here you get the truth. I know it is pretty hard for people to digest - them two, that can't be. All they have to do is believe it and check it out. Do as I did, I didn't understand everything that I heard with brother Branham, I didn't understand but I chose to believe it, and eventually, as I ventured in I got rid of my opinions and I just decided that I want that blessing. The Lord spoke to me and said - If you believe it you are going to be blessed and that is all that I cared about I wanted that blessing. There is nothing in me, if I believe that that is God's prophet then I will be blessed. The Bible says so, and all that people will need to do here is believe it, they don't even have to know us, all they have to do is believe it, and you will notice as the days and the weeks go by and God will test you and slowly you will begin to see something taking place at night, when you wake up, and during the day out of his belly will flow wells of living water.

That is what Jesus said in His hour, I know Jesus is not here but He has a principle. When Paul was here and the people that believe him were blessed, the same with brother Branham those that believed him out of their belly would flow wells of living water. Brother Jackson believed brother Branham and you can see throughout his whole ministry it was like a running river the anointing was flowing so strong. It is continuing here, all that people have to do is believe it. The Lord told us to start this website and put it out there and if someone is out there that has a hunger they will find it, we don't even have to advertise. Then, people, they try to reason it - Oh, that can't be. Just don't worry about it, all you have to do is believe it, and back it up with scripture and it will happen.

There are a lot of things that I heard from Brother Branham that I didn't understand, like there is no eternal Hell. I thought I don't know about that one, but who am I, I had to listen to what he had to say.

Lorraine speaks: I don't know if there is anything that I had a problem with. The Lord had just given me the scripture earlier that He will send the spirit of Elijah to forerun Jesus second coming. God gave me a revelation on that scripture, and when I was given the book from Brother Branham I knew that this was that man. I had read a lot of books and I wanted to know a lot of things in the Bible and that book

cleared up the questions that I had. I knew that this was that prophet that it speaks of in Malachi and nothing was going to take that away from me. When I had a revelation on it there was nothing and nobody that was going to take it away from me. The same with brother Jackson I just absorbed it and you know me I just don't trust anyone. When it came to brother Branham and brother Jackson there was not one ounce of that there. It was almost like a miracle that I just flowed right into it, and nobody was going to change my mind about that. I was sure that this is where God led me and my spirit bore witness with it because that was what my desire was when I became a Christian I wanted someone that I could fellowship around the Word of God and someone that I could trust. That is why when we went for coffee we would sit for hours just fellowshiping around the Word of God, that is the only thing that blesses me in life. What else is there in life, tell me what can give you joy unspeakable and peace and that pure and holy love that is the only thing that does something for your soul. You can't just fellowship with anyone, with a lot of people you hit a brick wall.

Sam speaks: That is what happened down in Eden. You can't fellowship with someone that has different ideas and different desires, I can't fellowship with my kids because they are not interested. They figure that I should come down to their level after everything that I have gone through, that I should go out boating, beaching and camping, and all that pleasure thing. Just give me someone that I can talk to around the Word of God, and we are on the same page. That is all that I care about, I don't care about that filth out there. I have decided to follow Jesus. Jesus took me to His Word and He supplies all our needs. There is no satisfaction except this Word, that is where it is at. To be led by the spirit, get up in the morning and at night and sometimes the Lord will show up and show me something, but He has been pretty silent for the last bit because we are still in this darkness.

Isaiah 60:

2. For, behold, the darkness shall cover the earth, and gross darkness the people: but the LORD shall arise upon thee, and his glory shall be seen upon thee.

We are in that time frame now where everything is dark around us. That thing that is in the Whitehouse and the governments are corrupt, that is all part of the dark thing and you can't change it until

that scripture kicks in there should be light in the evening time. Until that you just hold on for dear life, that is what you and I are doing we are just holding on, what we have learned in the past. As we were saying yesterday it seems like a time where you have to glean from the things that you have learned in the past to survive. Now if you have not done anything for your spiritual walk then you have nothing to glean, you have nothing in your spiritual bank. We have a lot in our bank we can reach back where we can say the Lord did this for me here, and this here, and He helped me here. He gave me a scripture here, that is all that you need sometimes to hang unto, or He will give you a song during the night or in the morning, and that song will pull you throughout the day. It is a wonderful journey, we have no health issues, He takes care of everything, no financial issues. Everything is taken care of shaken together pressed down and running over, more than we can ever dream about.

That is what I am trying to get across you can yank yourself out of the filth that is out there and choose to do what is right. Lord, I want to be more like Jesus. We know that we are not the best of singers but we mean what we say - Lord, I want to love you more, to be more like Jesus. Even if you don't quite 100% desire it, if you sing it often it can become part of you. You want things that are godly to become part of you. Peter talks about that, that we should remind ourselves daily by singing spiritual songs, such as psalms. That was back then how much in this hour with it being so dark, to be in the scriptures and sing spiritual songs. It is a dark hour we don't gauge things by how many people are listening and how many people send positive emails and things like that. The Lord told us to do that and that is what we are doing. If someone is out there and gets something out then so be it. That is all in the Lord's hands He told us to do that, and He gives us what to talk about all week long. You can live back in Eden if you choose to make the right choices in life, you can't live before the fall because before the fall they had eternal life, we still have to die if we do not go in the rapture.

There again we don't really die we just go to sleep. It is all a winning program, we were talking about last week about Goshen but this is even better we can live down as it was in the land of Eden, when the sons of God called upon the name of the Lord. Not everyone

in Goshen called upon the name of the Lord, they were just exempts from the plaques, and these things, they had to slave away for the Egyptians. Here we don't if you live down in Eden, God supplies your needs, we don't have to work all we have to do is work for the Lord now. We did work until the Lord took us off the truck. We still would be doing things but this is what He wants for us now just saturate ourselves with His glory, to set a standard, and an example.

That is what I am trying to say all week. You can live down in Eden, everyone talks about this Utopia but it is the devil's utopia he only makes people believe that he has one but it never materializes only more bondage. This is the only utopia that there is, you have to crucify the flesh, to come against the flesh and everything that is fleshly. The Bible talks about it being led by the spirit. Don't be led by the flesh because the deeds of the flesh, it tells you in Galatians what they are all about, it says walk in the spirit and you will not fulfill the lust of the flesh. That is the key here and if you continue to live in the spirit the Lord will supply all your needs according to His riches in glory, you don't have anything to worry about. You see people walking around with cancer, it says in *Galatians 6*:

8. For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting.

People can choose that for themselves and have the blessings of God, it is everyone's choice, it is available for everyone. All you have to do is put in a little bit of an effort to crucify this piece of garbage that we are caught up in, and Paul talks about it, who will deliver me from this body that I am caught up in. He said - I thank God through Jesus Christ. That is the only way to walk in the spirit. In Romans 7:

24. O wretched man that I am! who shall deliver me from the body of this death?

25. I thank God through Jesus Christ our Lord. So then with the mind I myself serve the law of God; but with the flesh the law of sin.

MERCY WALKED IN

I stood in the courtroom, the judge turned my way
It looks like you're guilty now what do you say?
I spoke up, "Your honor, I have no defense"
But that's when mercy walked in

Mercy walked in and pleaded my case
Called to the stand, God's saving grace
The blood was presented that covered my sin
Forgiven when mercy walked in

I stood there and wondered how could this be
Someone so guilty had just been set free
My chains were broken, I felt born again
The moment that mercy walked in

AT CALVARY

*Mercy there was great and grace was free
Pardon there was multiplied to me
There my burdened soul found liberty
At Calvary*

Heavenly Father we just had a little conversation around your Word I just pray that you will take what has been said and ignite it in the hearts of the people that it is their choices that will give them blessings or curses. Help us to continue to make the right choices in life but must of all I pray that you will give that increase. Open the hearts of the people in Jesus Christ's name we pray. Amen

It is all about the mercy and the choices that we make and there again the Lord had compassion on me, there was nothing in me, when I look back on the many times that He protected me, saved me, and got me out of the gutters of life. He put me on this course and man what more could a person want more than this end-time truth, there is nothing else out there. That is the only thing that resonates with my spirit, when I read about the church ages and brother Branham the prophet I could not get enough of it, and when I was done the Lord took me to brother Jackson. Supernaturally just led me by His spirit

many times dragging me along if I want to or not, but I knew that the Lord was leading it and I could not be satisfied for anything less. Brother Jackson spoke with authority he knew what he was saying and he did not walk on eggshells. It was music to my ears, many times as I was listening on the internet I had to get down on my knees the anointing was so strong, I was listening to that angel in the days of the seventh angel when he shall begin to speak. Then I began to see that it was that angel behind the voice speaking with authority, with flames of fire so to speak with lightning and thunder, he had the right voice and vocabulary he knew what he was saying.
