

THERE IS NONE LIKE YOU

*There is none like you
No one else can touch my heart like you do
I could search for all eternity Lord
And find there is none like you*

I SAY YES LORD YES

*I say, yes, Lord, yes
To Your will and to your way
I say, yes, Lord, yes
I will trust you and obey
When your spirit speaks to me
With my whole heart I'll agree
And my answer will be yes, Lord, yes*

HOW DEEP THE FATHER'S LOVE FOR US

*How deep the Father's love for us
How vast beyond all measure
That He should give His only Son
To make a wretch His treasure*

*How great the pain of searing loss
The Father turns His face away
As wounds which mar the Chosen One
Bring many sons to glory*

*Behold the man upon a cross
My sin upon His shoulders
Ashamed, I hear my mocking voice
Call out among the scoffers*

*It was my sin that held Him there
Until it was accomplished
His dying breath has brought me life
I know that it is finished*

*I will not boast in anything
No gifts, no power, no wisdom
But I will boast in Jesus Christ
His death and resurrection*

*Why should I gain from His reward?
I cannot give an answer
But this I know with all my heart
His wounds have paid my ransom*

I SEE A CRIMSON STREAM

*On Cal'vry's hill of sorrow
Where sin's demands were paid,
And rays of hope for tomorrow
Across our path were laid.*

Refrain

*I see a crimson stream of blood,
It flows from Calvary,
Its waves which reach the throne of God,
Are sweeping over me.*

*Today no condemnation
Abides to turn away
My soul from His salvation,
He's in my heart to stay.*

Refrain

*When gloom and sadness whisper,
"You've sinned—no use to pray,"
I look away to Jesus,
And He tells me to say:*

Refrain

*And when we reach the portal
Where life forever reigns,
The ransomed hosts' grand final
Will be this glad refrain.*

WHAT A FRIEND WE HAVE IN JESUS

*What a Friend we have in Jesus
All our sins and griefs to bear!
What a privilege to carry
Everything to God in prayer!
O what peace we often forfeit,
O what needless pain we bear,
All because we do not carry
Everything to God in prayer!*

2

*Have we trials and temptations?
Is there trouble anywhere?
We should never be discouraged,
Take it to the Lord in prayer.
Can we find a friend so faithful
Who will all our sorrows share?
Jesus knows our every weakness,
Take it to the Lord in prayer.*

3

*Are we weak and heavy-laden,
Cumbered with a load of care?
Precious Savior, still our refuge—
Take it to the Lord in prayer;
Do thy friends despise, forsake thee?
Take it to the Lord in prayer;
In His arms He'll take and shield thee,
Thou wilt find a solace there.*

GOD WILL MAKE THIS TRIAL A BLESSING

*I've just come into a valley
one like I've never been before
I keep searching for a way out
Seems like padlocks are on the doors
Oh there must be another sunrise
Another sunset that I'll see*

*God will make this trial a blessing
That's the love He has for me*

CHORUS

*God will make this trial a blessing
Though it sends me to my knees
Though my tears flow like a River
Yet in Him there's sweet relief
There's no need to get discouraged
There's no need to talk defeat
God will make this trial a blessing
And the whole wide world will see*

VERSE 2

*I was not the first one
To come into this place
You see every child of God
This test he must face
It is here that God will mold you
And make you what you ought to be
God will make this trial a blessing
Just be patient you will see*

VERSE 3

*Now I'm standing on the mountain
Looking back and I can see
When I was in that lowest valley
His strong hand was leading me
Oh it's good to see the sunshine
And to taste sweet victory
God has made this trial a blessing
Oh the grace He gives to me*

That's the truth, I am glad that back in the '90s the Lord poked me, He tapped me on the shoulders and said, we have a work to do, let's go, and I am sure glad that I surrendered. I was not a happy camper at the time, like the song says, I've just come into a valley one like I've never been before, I keep searching for a way out seems like padlocks are on the doors. It says, there is no need to get discouraged, a person could sit down and grumble and complain and

bellyache, but for some reason or another, I never did. There is always an open door you never go on defense, never grumble, never complain, never feel sorry for yourself, you just move on, and lo and behold there is an open door, and you walk through that open door. I remember back in that system when they took away everything from me, what are you going to do sit down and complain. I did one time - Lord, they took my truck away from me, Lord they took my job, and the Lord told me - You still have feet ,you can walk can't you. I saw people that were in a wheelchair, and that was the last time that I complained so I walked to work for a mile every day, and walked to church. God always has an open door, don't complain, and just be grateful. I never did complain after that.

Lorraine speaks: That open door is always the best door to take, you just take it and let the chips fall where they may.

Sam speaks: Like I remember it as if it was yesterday, I had just come into a valley one like I've never been before, and of course you are going to search for a way out, but the only way out was down that valley. I had this dream and I dreamed I was running down that deep dark bottomless valley. I saw that there was no way out so what are you going to do, well I decided right then and there I can't get out of this so I am just going to praise Him, and that is how I kept my sanity. I had a young family at home, the very people that were supposed to take you to that Heavenly City were the very people that were trying to rob you from it.

Lorraine speaks: That's what Jesus did He prayed - O my Father, if it be possible, let this cup pass from me: nevertheless not as I will, but as thou wilt. In other words Jesus was asking - Father is there no other way.

Sam speaks: Yes, There is nothing we can do but to yield to His will.

Lorraine speaks: Now we can sing that song - Bring many sons to glory. That is the price that Jesus paid to bring many sons to glory.

Sam speaks: That is what our lot in life is. I guess last Monday around 2 o'clock the Lord gave me this to talk on. See what we say and do here it does not come from a seminary, all week I wait on the Lord. Then this scripture came to me in *Luke 21*:

28. And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.

That is the scripture that I got last Monday - when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh. All week long there was this rejoicing. You have to see this as being a week of rejoicing, it has to come from the inside, and in order to rejoice, you have to have something to rejoice over. You can go out there and sing praise and worship songs but a lot of times it is just from the outside, but this here once you get what we are trying to say here you are going to rejoice that you can't even stop it. Like it is an order from Heaven, not something that you do from the outside in, like emotions go. We were watching that Clay Clark thing yesterday and they flew this guy in from Iraq to sing this praise and worship thing. You can motivate people and stir up their emotions, he seems to have a gift of praise and worship but at the end of the day all that they have looming on their horizon is a civil war. There is really nothing in America to rejoice over, they have a corrupt government down there, but when we are finished with what we are going to say here today, it will give you a reason to rejoice. If you can get the drift of what we are trying to say in the last 2 weeks here, but here it is an order from Heaven in *Revelation 18*:

20. Rejoice over her, thou heaven, and ye holy apostles and prophets; for God hath avenged you on her.

That's talking about the saints in Heaven and people that are here on earth. I want to go to another one in *Revelation 19*:

1. And after these things I heard a great voice of much people in heaven, saying, Alleluia; Salvation, and glory, and honour, and power, unto the Lord our God:

2. For true and righteous are his judgments: for he hath judged the great whore, which did corrupt the earth with her fornication, and hath avenged the blood of his servants at her hand.

3. And again they said, Alleluia. And her smoke rose up for ever and ever.

Now in order for you to really get this and I know that I really don't have the capacity to bring it out the way I'd like to, that is why we asked the Lord to give the increase, but all week long and

especially Wednesday I could not sleep, I would doze off for 15 minutes, and then when I was awake this deep rejoicing deep in my soul would come up, and then after an hour, I would doze off again for a bit and then when I was awake again this rejoicing was there. If you have been listening in on these conversations for the last 4 weeks you will have a reason to rejoice but they don't mean anything if you don't believe it.

In order, to walk you through the whole thing I have to go back to maybe to 2010 somewhere around there we were going to church here and this guy from behind the pulpit goes on to say that the midnight cry has not happened yet. I thought you have every right to your opinion, we were taught that the midnight cry happened in 1963 on February 28, and I was in no position to dispute it, whatever he sees and says that is his right. So the next day I drove to Calgary with a load of freight and I said Lord you heard him say that the midnight cry has not happened yet, but that is his take, I was just talking to the Lord just like I am talking to you here now, and then I said - Lord, what is your take. Just like that and I waited, I was waiting for an answer and for about 20 minutes the Lord dropped something down into my spirit and I have never been the same since - At midnight there was a cry. It illuminated my whole inner being, that midnight cry that is in the Bible and I saw in a split second how God made the universe. When I heard that - At midnight there was a cry, all other scriptures started to come together, just like a giant vacuum and the first scripture that came to me is *Acts 1:*

7. It is not for you to know the times or the seasons, which the Father hath put in his own power.

Jesus disciples ask Jesus - *Lord, wilt thou at this time restore again the kingdom to Israel?* Jesus answered - *It is not for you to know the times or the seasons, which the Father hath put in his own power.* I want to paraphrase it here it is not for you to know because you are not going to live in that time frame but there is going to be a people that will live in that time frame and it is going to be for them to know, and I did not realize this until yesterday when I went through this whole thing that this is the key verse in this hour of time that we are living in. It has nothing to do with the rapture but it has to do with the restoration of Israel. Once you know when the restoration of Israel is

on then you are going to know this whole end-time picture, so there is the first scripture - At midnight there was a cry, and you and I, we can go back scriptural wise, we are not living in delusions, we are not living via prophecies, we are going via the Word of God. We go back to the midnight cry and we know that for a surety that it happened February 28, 1963, via the scripture and via the prophet. We know that 1906 was the beginning of Laodicean and now you have the 2 numbers, then all you need is the end number, and we know all you have to do is a little math. You subtract 1963 from 1906 and you come up with 57. So when I put all that together we have reason in getting excited. That does not give you the time when the rapture is but when the restoration of Israel is. Then I went around for 10-15 years telling everyone that it is 2020 and then here sometime back in last August I went to bed and I realized that the 2020 that I was talking about was dead wrong. I might have slept an hour that night, all night long I was going over and over that that 2020 is wrong and I could not understand where it was wrong because I did the math 1963-1906 is 57, then I added 57 to 1963 and I came to 2020. All night long I ask the Lord where did I go wrong, and I could not come up with any answer. I was blank and I wrung myself out. Like when you put clothes through the wringer, just as soon as I was awake my mind would go over 1963 subtract 1906 is 57 years that add 57 years to 1963 it came to 2020. That would happen every time that I would go over it. It wasn't until I got up in the morning and I told you about it then the Lord gave me the answer.

I remember back in the day I had an accident down in Illinois and I smashed up this car, it was the woman fault, but anyway, as I was contemplating what to do there the Lord spoke to me - Call up Mike Hefner. He was just living down the street and I did not want to call up Mike Hefner, because I thought he did not need to know. He will just tell everyone that I smashed up this vehicle but the Lord repeated just like a tape recorder going over and over in my head, so finally, I give in and I called him up. The next day, I asked the Lord what is going on here why did this happen and I knew that the Lord was in it, He was trying to teach me something, and then I guess it was 2 days later He let me know - Sam, I am going to show you something, this is not going to be a one-man show from here on out, you are going to have

to learn to cooperate with other people and that is how I am going to bring my body together. It is no more a one-man, and if you are not going to put in an effort to communicate with one another and throw things at one another you are going to get yourself into a lot of trouble. I see that happening to people who want to do this one-man show thing and before you know it they come out with some stupid teaching. So I learned that early on, that when the Lord brought you on board that I have to throw everything at you. I am not going to have all the answers no matter how hard I try.

Anyway, when I got that here about this 2020 when I went to bed at 11 o'clock at night and all night long it was as if I was in a wringer, I was wringing myself into a frenzy, I knew that I was wrong because it was obvious that it is not going to be 2020, I thought I will have to wait until morning because I will not be able to figure this out until I tell you about it. I couldn't wait until morning and when I got up and when you got up I told you - did you know that that 2020 is wrong, we are going to have to sit down and figure out where we when wrong with this 2020 because it is not right. Then maybe 10 seconds later I sat down at the table here with my Bible and there the answer came, the Lord spoke to me - Sam, you counted 1963 twice. The reason that the answer came is that He told me that I am not going to be able to figure this out on my own because it is not going to be a one-man show anymore. The minute that I told you about it, there came the answer. See God sticks to His Word; He sticks to His principles. I could never in a million years figure out where I went wrong even though it is a very simple thing. He let me know and the reason He let me know is that I told you about it.

You probably remember that and little did I know that the Lord had given you the clock, He gave you all the missing pieces that we needed to make this thing complete, more or less to set it in stone that this, now it is not 2020 anymore, now it is 2021. See I counted 1963 twice. I know we went over it before but I am trying to get to something I'm trying to get this out what I am seeing and what is on my heart and you will not help and will not be able to stop rejoicing, because you will know the day and the hour that you are living in. I just want to walk you through this thing how we came up with 2020 and then why I missed it because I counted 63 twice. You can try it

from yourself - Take $1963 - 1906 = 57$, and then when you add 57 to 1963 you come to 2020, but see I already counted 1963 so I have to start from 1964, and then you know for a fact that it is 2021. We don't go by illusions, we don't go by prophecies, we go via the scripture. So now try it for starting at $1964 + 57 = 2021$. Then you were working on that Yom Kippur feast.

Lorraine speaks: Well, I was reading about the 7 feasts that God gave to Israel and that was probably around 2017 and I saw how God hid time in the feast. Like the feast of Passover, it was all a shadow, a type for something to come, for the real thing to come, and then I realized that God hid time in those feasts. When you take the Passover, the feast of Unleavened Bread represents the seven church ages. This means that during the church ages in the grace age not to partake of leaven bread to keep the Word of God undefiled, not to leaven it and teach falsely, to keep it as-is for those seven church ages. Then you go to the feast of the First Fruits which is typed the resurrection and then the feast of Pentecost. As they were having their feast of Passover back in 33 AD the real feast of Passover what God was looking at through time and what it represented came to pass, Jesus was the real Passover lamb. Then the Yom Kippur is going to be that feast where the Jews are going to recognize their Messiah. The only thing in the scripture that you can find where they will recognize their Messiah is in the week of Daniel. So that Yom Kippur was a type for the real one to come, the others were just a shadow of this year's Yom Kippur. It is very important to take the midnight cry without that you have nothing to gauge it off. The Laodicean church age is that time frame that we are focused on here that is where that midnight cry took place.

Just like they went around Jericho 7 times, and on the 7th time is when the walls fell. After that 7th church age, God is going to revive Israel and that is that Yom Kippur. It cannot be any other way but you have to have the Laodicean church age in order to find the true Yom Kippur. This year is a little bit of a complicated year because of the Equinox and where the New Moon was. The Jewish people themselves have a little bit of a problem when it falls out that way because all of the other feasts fall later too. So they have different means of how they pick the Passover. How they choose the Passover

will determine all the other feasts. So we basically, took their word for it, and then one day you came out and you asked where I got that Yom Kippur from. I let you know that we took the Jewish people's word for it, and we asked that Artist that we know over in Israel, and we went according to that.

Anyway, we had to go back to the drawing board and take the Equinox as our measuring line, because that is what God looks at and that is what establishes the feasts. What you do is you take the Spring Equinox and then the first New Moon after it is when you start counting because that is the beginning of months to you, the month of Abib; the month of Nissan. *Exodus 12:2 This month shall be unto you the beginning of months: it shall be the first month of the year to you.* That is what you need to take. First, it is the Spring Equinox then the first New Moon after the Spring Equinox will give you the New Moon, and then from there you count 15 days and that will give you the Passover, and then all the other feast will follow suit.

Sam speaks: When we will be done with this conversation you are going to have a reason to rejoice you are not going to be able to stop it, you will not have to bring someone in from Iraq to boost it up, because it will come from the inside out, because it is an order from Heaven to rejoice, and because of what - Because that Babylonian thing is falling. I just want to make sure we lay it out clearly how we got the answers.

Lorraine speaks: As I said, you take the Spring Equinox, that is number one, and that will determine God's New Year at the first New Moon, which is the beginning of months and the beginning of the year, and this year it was April the 12th 2021. That is what God goes by, He does not go by what Israel does, or anything else He goes by the Spring Equinox. Then from the New Moon you count 15 days and that will give you the Passover and this year it fell on April the 27th. That was the true Passover for 2021. Every year it is a little different because of when the Spring Equinox falls on and where the New Moon is. Then the 7th month is the Feast of Trumpets, and from the 7th month you count 9 days and you will come to the Yom Kippur and that fell on October 14-15 this year. The feast starts at 6 pm the previous day and goes the 6 pm on the next day. That is how God established it so the feast fell on the evening of the 14th and goes

until the evening of the 15th and that is when the end of the Grace Age was and that set in the 70th week of Daniel because that is the week (in those 7 years) where they are going to recognize their Messiah.

I had it interpreted all wrong I thought they are for sure going to have their altar of sacrifices there. The Miracle War will have been fought, the Ezekiel War is going to be fought, and they are at least going to have the altar of scarifies there and the two prophets are going to be there. You know how your imagination gets the best of you.

Sam speaks: Basically, you're carnal thinking how it is going to fall out.

Lorraine speaks: As the time was getting closer to the Yom Kippur, I went to bed and I was pondering and it reminded me of Daniel he was wondering what was going on the 70 years had transpired where they had been in captivity for, and he was fasting and praying and inquiring of God where they were in time. Daniel realized those 70 years are over, and I was wondering as I was laying in bed - Lord, what is wrong with the picture, I know that the midnight cry is right, that was given by revelation, and the Yom Kippur is right, and I know those two things are set in stone. You can't change those two but what is wrong with the picture, and as I was laying there it was as if God was taking the Miracle War and the Ezekiel War that we had been taught were before the week because of what brother Jackson had said, and God took that and in a split second I saw it and I went - Oh ya, it is going to be in the week of Daniel, why did I not see it before. Then all of a sudden I could see how the Yom Kippur was going to transpire, it is a day that God has set to usher in the week of Daniel. That now the 70th week of Daniel is on, it has now begun. Then I could see that scripture in *Isaiah 60*:

1. Arise, shine; for thy light is come, and the glory of the LORD is risen upon thee.

That is Israel's hour where they can arise and shine, for their light is now come. We are no longer in the 2 days, we are now in the day where God is going to revive them. Then what I saw too, was that the grey/pale horse rider, now that the Laodicean church hour is over that grey/pale horse rider, does not have to go out and deceive people

anymore. Things are no longer going to be grey anymore it will be black and white. Things are going to be exposed and you can see it in the United States, especially in the United States because it almost looks like that is the heartbeat of God, because of the Constitution, that God took North America as a country that was founded on Judea-Christian principles. Brother Jackson has a message out - these two nations. Israel and North America are God's nations and He works with these two nations. So you can see how God is exposing this Rome/Babylonian apparatus. These open border policies, abortions, sex trafficking, these are all diabolical agendas from Rome. What they are doing to children taking these young children's minds and robbing them of their purity, the youth of a child is their purity, how they see things, everything is pure and clean and they are taking that mind and making it filthy. They are robbing them of their childhood and to me, that is the most diabolical thing a person can do is take a child's youth from them. I have no punishment that is severe enough for those people who do that.

Sam speaks: It is all hatched out at Rome. They have China, they have the democrats, all these politicians and here it has been the Vatican all along, behind the scenes the Jesuits.

Lorraine speaks: I call it the Roman Senate this government system, that overpowering bloated government that is all Rome that is why it is speaking as a dragon, and all these things are being exposed and underneath the surface, you know what you are going to find, that lamb beast, that founding father, that article the constitution that they founded, not this bloated oversized government this corporation, that is all not real that is all not America. All that is being exposed and that is why you say we have reason to rejoice.

Sam speaks: It is just speaking as a dragon. When we are done here and that has been my prayer all week - Lord, I see it and the people out there and there are quite a few listening to our website, and I will take this opportunity to give a heads up to Indonesia and to Virginia because when you read in there they only have one job description and that is to tell - him that heareth say, Come. I will go over that later on. First I want to really stress so people can see that this is 100% accurate via the scriptures and once you see it you will have a reason to rejoice. It is not like someone came to prophesy,

because prophecies will fail and tongues will seize but the Word of God abides forever. We are going via the scriptures, via what the prophet said that at midnight there was a cry, that is how we operate here. It is too crucial a time to all of a sudden drop the scripture and go to a prophecy because anyone can prophesy. I want to get this date out, that this thing happened October 14/15, 2021 all of a sudden the week is on, and all that contributes to it and it is now the hour where Israel can arise and shine. It is like conception, when that conception takes place all that little fetus is capable of doing is at that moment where conception took place. He is capable of driving a backhoe but he is not even born yet, and it is the same here I have been seeing it all week. The birth of that arise and shine happened whether people believe it or not, it happened on October 15, 2021 that is when that conception took place. The time when God implemented it to start rolling, not only towards arise and shine but towards the destruction of that Vatican system, that Roman Catholic church that whore of Babylon. That is why it says in *Revelation 18*:

20. Rejoice over her, thou heaven, and ye holy apostles and prophets; for God hath avenged you on her.

Why - because Babylon is falling. That was the beginning of that, that is why that date is so detrimentally important for you to get excited once you see it beyond a shadow of a doubt. I see it so crystal clear, insomuch that I could not sleep, I was so excited at night, and what I am trying to do is I want people to get excited. It is not from the outside in, it is from the inside out. Once you see that with clarity that on October 15 2021 was the beginning of the fall of Babylon. Even Heaven rejoiced because I read it here.

Lorraine speaks: It's like we were listening to that Clay Clark that was back in April when they had a conference in Tulsa OK, and we got so involved in their world, that is their world what they are doing exposing this thing and fighting. See we accepted the prophet to our age and that is the key. We accepted the prophet of our age William Marrion Branham and we embraced him with a passion and our whole world changed and we submerged into that this was the prophet to the Laodicean church age, that Malachi prophet. We were listening to this Clay Clark program and we got so involved in it, and we thought we have to go out and force this thing away, this mask mandate, these

vaccines sort of like a bully. Before all that the Lord had given me that scripture in *Isaiah 26*:

20. Come, my people, enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be over-past.

21. For, behold, the LORD cometh out of his place to punish the inhabitants of the earth for their iniquity: the earth also shall disclose her blood, and shall no more cover her slain.

You think to yourself that you can do something, that you can kind of manipulate something to happen but when I finally took that scripture and I yielded to this scripture that God had given, that I can't go out and do my own thing.

Sam speaks: Yes, you can't just decide that you can go out and defy all odds their mandates and go into the store without a mask, that is what we did. I even said as much, that I am not going to wear any more masks.

Lorraine speaks: We thought we had every right to do that, but then that scripture came back to me again, and then I yielded to this scripture, you yield to God and what He would have you do and then I had this overwhelming sense of peace that overcame me. I don't have to go out and do what these people are doing, my role is different I accepted the prophet.

That is how it worked with this Babylonian thing, we are now in the 70th week of Daniel, Babylon is falling, and when you believe that, it took me a while when God showed me, when He gave me the revelation how it is going to come about with the Yom Kippur, I was kind of sitting on the fence and was reasoning things out, what are people going to say, what if, what if, what if, and I could literally see myself going backward in life, as if my life has been a lie, and I thought I can't stand this I have to say what God put on my heart to say. I have to say it. Anyway, we came out and spoke on what God had revealed to us.

Sam speaks: Yes, Sunday morning we put it out in the airways.

Lorraine speaks: Like you were saying, I am going to go out on a limb here, that is what we did. It is what God showed us and it is our duty to put it out there. To speak it out there, it has to be spoken. It has to go out in the Heavenly realm, like God told brother Branham -

don't cry speak. That is the same here when God shows you something don't go into your reasoning things out, speak it. That is what we did and now that we spoke it, slowly this became a reality to us. It is now real to us, God let us see that Babylon is falling and since it is now falling guess what is happening - we can rejoice.

Sam speaks: That right! We can do exactly what Heavens tells us to do, we can rejoice. It is something, when Heaven declares it your whole being, you are one with God and it comes from the inside out. Insomuch, that I could not sleep at night I probably dozed off for maybe half an hour. Then I would wake up and Jesus was happy, somehow Jesus was happy because we believed it. We believed it and we put it out there, first of all, for the Heavenly realm to hear it. The manifold wisdom of God He is going to reveal to the church. That is why we have to speak it out there and once it is out there it is in the Heavens. We don't have this big platform where we can transmit, we don't have a frank speech network, but we have an invisible thing and when we put it out there it goes into the Heavenly realm and it becomes law throughout the universe. Here you are going to find out that the universe is going to pick it up, and people are all of a sudden going to see it because it is out there. Then we put it out on the internet and like I said, heads up to Indonesia and Virginia because we go into every continent in the world and we can see where the hits come from and maybe a year ago Indonesia had one hit and now it is in the hundreds because somebody there is passing on the word. You want to read that in ***Revelation 22:***

17. And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will let him take the water of life freely.

Somebody in Indonesia is passing the word along, just like it says, he that heareth say, Come. People have only one job description, only one passion and that is to tell their friends go tell their neighbor, tell whoever, because if you don't tell him how is he going to know, become it says in the Bible - *Let him that heareth say, Come.* Come where? Come to the spring of living water, and take the water of life freely. That is what this is all about, from here on in this scripture is activated - Come and drink of the waters of life freely. That

is this here. Our job is to put it out there. We are those oxen and fatlings that have been butchered and slaughtered for the last number of years. When you listen to all these conversations what we had to go through such as - The year of the Eclipse, and all the other ones on our website. What we have had to go through, rejection, lost everything overnight, and the Bible talks about it in *Matthew 22*:

4. *Again, he sent forth other servants, saying, Tell them which are bidden, Behold, **I have prepared my dinner: my oxen and my fatlings are killed**, and all things are ready: come unto the marriage.*

I used to think that it talks about that Jesus was slaughtered but it has to be somebody in this timeframe, there are also people here in this timeframe that are going through exactly what Jesus had to go through such as rejection and these things. They didn't literally butcher us. Just like that water of life, it is one and the self-same thing this marriage supper has been prepared - my oxen and my fatlings are killed. That is what they did to us and you have to look at it in the light of reality. It is not talking about what happened back in the forefather's time, it is not talking about what happened back in Jesus day, there are people down here that are being butchered and slaughtered and we just happened to be the ones that the Lord has honed out for this. All these scriptures kept coming to me during the week. My oxen and my fatlings have been butchered and who has been butchered, it is you and I, if the law of the land would have allowed it, of course, they would have butchered us in a heartbeat and they did everything but. As I said, I am not complaining I am glad that the Lord tapped me on the shoulder - Sam, I have some work for you to do. I am glad that I was obedient. In *Luke 12*

42. *And the Lord said, **Who then is that faithful and wise steward, whom his lord shall make ruler over his household, to give them their portion of meat in due season?***

There is another one in *Matthew 24*:

45. *Who then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season?*

46. *Blessed is that servant, whom his lord when he cometh shall find so doing.*

47. *Verily I say unto you, **That he shall make him ruler over all his goods.***

See there are two types here one is that meat in due season, that is what we have been doing. After brother Jackson left the scene you and me, are the only two people that know what happened after God took him off the scene. Once you believe that you are going to see we are not blowing our own horn. The only thing that I take credit for is the Lord tapped me on my shoulder and I was obedient. God made it that way, and that happened in the early '90s and He led me to brother Branham and He led me to brother Jackson, and when brother Jackson left the scene God gave me a vision and He allowed me to have the dreams about the minefields, and we came through that thing. Just as the Lord led and guided us, now He is saying - *Who then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season?*

This here is meat in due season, this website is the only thing that will stimulate you because at the end of the day it is the only thing that will do something for your insides. Then it goes on to say - *Blessed is **that servant**, whom his lord when he cometh shall find so doing.* It is singular, have you noticed that it is all singular. It says blessed is that servant, it does not say servants. Then it goes on to say - *Verily I say unto you, That he shall make him ruler over all his goods.* All His goods is that living water and it is no use being jealous over us, we have a job description to do and all you can do is believe and be part of this glorious thing, you can't go back 30 years and wish that you could have done this and that's what we have had to do. It was all the Lord, directing us to bring us to what this scripture says - *Who then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season?* He has honed us out before the foundation of the world, we just happened to find our place in Christ, we just happen to be that nucleus of people to do that, and we are also that nucleus of people that is going to roll out that living water. It is all the self-same thing.

Now it is no use for you to be jealous or to be wishing that you could have done that, all you have to do is go and tell your friend and neighbor. That is it and you can read in **Revelation 22** *And let him that*

heareth say, Come. You don't have to try to compete against us we are just doing our job, we can't do anything other than our job. We have been honed out before the foundation of the world to do this very thing that we are doing now, and it is all for your benefit because at the end of the 3.5 years there is going to be a marriage supper of the lamb, and the other side of this marriage supper of the lamb there is going to be a Hell breaking loose here because the Holy Ghost is gone and tribulation is setting in and you don't want to be here at that time and you don't want to have missed this glorious thing, and here all you have to do, even if you don't 100% believe it just try it, go tell your neighbor, because that is the only job description that you have from here on out. You can't go back 30 years and do what we have had to do, you can't remake that, but what you can do when you hear it just go and tell your friends and neighbors. That is why I say heads up to Indonesia and Virginia. Things are picking up there, somebody is picking it up and we don't know who they are and we don't have to know as long as God knows. They are telling their neighbors, their friends, their family. That is all anyone has to do that hears us. That is how this is going to get people to the marriage supper of the lamb.

Like I have said there is no use in being jealous of us we were glad to be butchered, we were glad to be rejected, we were glad to have had to go through what we went through for your benefit because there was nobody else that could have done it. I heard it, there are times where things got tough and I heard the angel of the Lord, he came to me at 2 o'clock in the morning and he said - Sam, we don't have nobody else, you are going to have to do this thing, we don't have nobody else. I had two encounters, one when I heard those two angels, they said - there is one sure thing if we have a tough job to do these two will do it. That is meaning you and I, we will get the job done. Then later on I heard that other angel say we don't have nobody else. I guess, I was trying to find a way out, a coup out, and that angel came on the scene and said, we don't have anybody else.

So I just said, no problem, we are going to go for it. See once I see it, I am all in, like Mike Lindell when he saw who Trump was he was all in and he is still all in. That is what we are doing we are all in because I know that this is the Lord's doing and it is marvelous in our eyes. It is a scripture that has been haunting me all week. In *Luke 10:*

21. In that hour Jesus rejoiced in spirit, and said, I thank thee, O Father, Lord of heaven and earth, that thou hast hid these things from the wise and prudent, and hast revealed them unto babes: even so, Father; for so it seemed good in thy sight.

Lorraine speaks: That is what pleased God to do, that it was given unto babes, not to the wise and prudent but it was revealed unto babes such as would learn. To those that are humble, to those that are meek, those that are poor in spirit, these are the people that God can put a revelation in their heart and they are not going to get a big head.

Sam speaks: That is probably what I saw, I was trying to figure out, I woke up at night and I have never seen the Lord in my spirit so happy, He was so happy with us. I guess that was it, in the morning I was wondering what made Jesus so happy. I guess it was that very thing that we are teachable, that He could teach us with this tremendous revelation that we are bringing out here that almost all night long I saw Jesus and He was so happy that He found somebody that believes His Word and that is willing to learn. They not only believe it they are bringing it out, like going out on a limb knowing that we are going to be made fun of, knowing that we are going to be ridiculed but see, we know that it is real. So we put it out there.

See I could just hear them mocking us - you know what these idiots are saying now, they are saying we are in the week of Daniel. You know what they are saying, they are saying that there is silence in Heaven. Well, I can't prove it to you, I can't go up to Heaven and listen and see that there is silence but according to the Word, there is silence in Heaven for the space of half an hour which is 3.5 years.

When that Yom Kippur came on October 15 that silence in Heaven came and it is going to continue for about 3.5 years and I have to put that word about in, because once that rapture happens there is no more silence in Heaven. That is why that Word 'about' is there because it has to back up with the scripture that no man knows the day and hour. So it is about 3.5 years and it cannot happen like I have said before until after the prophets are killed. The rapture is not going to be too long after the two prophets are killed because that is what causes the bride to cry - come quickly Lord Jesus, because we are next on the hit list and I don't think that it is going to take a month

before that antichrist, that pope will go after these people that prophesied, and go after these radicals. The bride knows that she is done she has no defense the only defense she has is to exit out of here.

Once people will see this, I have been listening to this the last four weeks, it started when you had the revelation on the Yom Kippur they too will rejoice. That is what I saw all week, that once you get this thing down in your DNA, and you begin to see for a surety that this talks about that Babylonian system, that whore of Revelation it is going to take 7 years for it to fall. She is falling, she is right now not fallen, she is falling. I got kind of worked up over these environmentalists trying to make everything into electric cars and then you see all these containers burning up on the West coast and all these containers stuck and that one that was stuck in the Persian Gulf. I thought let's get this thing going and here it is the Lord's way of shutting down that commerce, that is all part of that Babylonian system and now I can say bring it on. Let the Biden's do what they want to do all they are doing is they are contributing to bringing down that Babylonian system. We should go over it again because now that we believe it and that it is en route it makes 10 times more sense, but before we do I want to go over this scripture in

Matthew 21:

42. Jesus saith unto them, Did ye never read in the scriptures, The stone which the builders rejected, the same is become the head of the corner: this is the Lord's doing, and it is marvelous in our eyes?

See every generation has a stone that the builders rejected and that is the stone that will become the head corner. When you look at Jesus, He was the stone that they rejected and that was the stone that was needed, that was the most important stone for the building. When you come to this generation and to know where we are in time, that is the most important ingredient and that is to know the day and hour that we are living in, and in it you know what is going on in your surroundings. That is how you can identify things and what is going on and you can see the fall of Babylon. When you don't know where you are in time then you are blindfolded to what is going on.

Sam speaks: Yes, then you wouldn't be scared what they are doing with this environmentalist and what that Biden, and the

Democrats are doing. Here you can see beyond all that, it is all the fall of Babylon and once you see that you can say bring it on. There is nothing that you can do to stop it.

Lorraine speaks: That is why that stone that the builders rejected all of a sudden becomes an important stone. People that will tell you the truth and will let you know where you are in time. That will be the stone that is needed and it becomes marvelous in our eyes.

Sam speaks: Once we knew that we have been saturating ourselves with that for the last 2-3 weeks, and you can see what is going on out there - Alas, alas, what is going to happen to all those containers out there. The ship merchant will go alas, alas.

Lorraine speaks: They will be moaning over her because they will not get all the stuff that they had before. That is why Jesus said - Love not the world nor the things that are in the world. If you have become to love the things that the merchant and the shipmaster are supplying what that Babylon has to offer, then you are going to have a hard time letting go and you are going to be one of them that is going to be crying - Alas, alas that great city is fallen, and they are going to lament, but if you are one of the ones that up until now it has vexed your spirit when you saw all these things you are going to rejoice. Like it vexed Lots righteous in *2 Peter 2*:

8. (For that righteous man dwelling among them, in seeing and hearing, vexed his righteous soul from day to day with their unlawful deeds;)

Then you are the one that is going to rejoice, you are the one that God will give that rejoicing spirit within so you can see what is going on and you can rejoice when you see all that coming about.

Sam speaks: Not only that when you hear the Lord speak to you to go into your Chambers and close the doors behind you. The Lord for the last 30 years has been dealing with us about *Isaiah 65*

13. Therefore thus saith the Lord GOD, Behold, my servants shall eat, but ye shall be hungry: behold, my servants shall drink, but ye shall be thirsty: behold, my servants shall rejoice, but ye shall be ashamed:

We can live very simple, we have prepared ourselves spiritually and physically we bought a little mill, you can go on the internet and buy that little stone grinding mill and we have some grain some

Einkorn grain. We don't need to go down to the store and buy all this fancy junk food. We can go back to the basics of a very simple life, before the '60s where people were grateful and lived a very simple life. The country was not flooded with all these unnecessary items.

Lorraine speaks: There was one guy that touched on it when we were listening to that reawaken America tour. He said something about letting go of these lustful things, you need to let these things go before God can hear you. You have to let these things go and go back to the basics of life. Where things are simple you don't need all these luxurious things.

Sam speaks: We have been listening to the Brannon Howse on Frank speech and when they are done they don't give you the hope that is here, because they don't know the hour that they are living in. If they would know they would change their tone, when they are done talking and all you don't have glorious blessed hope that in 3.5 years from now you can end up at the Marriage Supper of the lamb.

Apparently, it is not for them they are going to be the ones where it says - *Blessed are the dead which die in the Lord from henceforth: Revelation 14:13*. They are the once where it says in *Revelation 20:*

4. And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads or in their hands; and they lived and reigned with Christ a thousand years.

Right now you want to do everything that you can do to prepare yourself for the Marriage Supper of the Lamb. Don't just hear what we are saying, you have to adjust your life so that you can be ready. You can't expect to go to the marriage supper of the lamb being 200 lbs overweight. You have to use the next 3.5 years to condition yourselves and prepare yourself for the marriage supper of the lamb because at the end of the day the King comes in and He checks through the guests and He finds one that is without the wedding garment. That is what this living water is supposed to do, it is supposed to prepare you for when that King does come in and you don't have to be terminated, you can sit there because you have done for the last 3 years everything that you could to prepare yourself.

So Sam what is going to happen to those that reject that invitation to the marriage supper of the lamb. Well, let's see what the Bible says about it in *Matthew 22*:

4. *Again, he sent forth other servants, saying, Tell them which are bidden, Behold, I have prepared my dinner: my oxen and my fatlings are killed, and all things are ready: come unto the marriage.*

5. *But they made light of it, and went their ways, one to his farm, another to his merchandise:*

6. *And the remnant took his servants, and entreated them spitefully, and slew them.*

7. *But when the king heard thereof, he was wroth: **and he sent forth his armies, and destroyed those murderers, and burned up their city.***

The best thing that God has for mankind in this hour is the invitation to the marriage supper of the lamb that will be the only way out of this dilemma here on earth and here it is being rejected. That is what is going to happen to those that will have rejected that invitation, in the 3.5 years when Satan is cast out of Heaven - **(Jesus) he sent forth his armies, and destroyed those murderers, and burned up their city**, and that can be the Hutterites colony as well if they do not accept this living water.

We are going to read about the fall of Babylon Revelations 18:

1. *And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory.*

2. *And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.*

3. *For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.*

4. *And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.*

5. *For her sins have reached unto heaven, and God hath remembered her iniquities.*

6. Reward her even as she rewarded you, and double unto her double according to her works: in the cup which she hath filled fill to her double.

7. How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her: for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow.

8. Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her.

9. And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning,

10. Standing afar off for the fear of her torment, saying, Alas, alas that great city Babylon, that mighty city! for in one hour is thy judgment come.

11. And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise any more:

12. The merchandise of gold, and silver, and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thyine wood, and all manner vessels of ivory, and all manner vessels of most precious wood, and of brass, and iron, and marble,

13. And cinnamon, and odours, and ointments, and frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and souls of men.

14. And the fruits that thy soul lusted after are departed from thee, and all things which were dainty and goodly are departed from thee, and thou shalt find them no more at all.

15. The merchants of these things, which were made rich by her, shall stand afar off for the fear of her torment, weeping and wailing,

16. And saying, Alas, alas that great city, that was clothed in fine linen, and purple, and scarlet, and decked with gold, and precious stones, and pearls!

17. For in one hour so great riches is come to nought. And every shipmaster, and all the company in ships, and sailors, and as many as trade by sea, stood afar off,

18. And cried when they saw the smoke of her burning, saying, What city is like unto this great city!

19. And they cast dust on their heads, and cried, weeping and wailing, saying, Alas, alas that great city, wherein were made rich all that had ships in the sea by reason of her costliness! for in one hour is she made desolate.

20. Rejoice over her, thou heaven, and ye holy apostles and prophets; for God hath avenged you on her.

21. And a mighty angel took up a stone like a great millstone, and cast it into the sea, saying, Thus with violence shall that great city Babylon be thrown down, and shall be found no more at all.

22. And the voice of harpers, and musicians, and of pipers, and trumpeters, shall be heard no more at all in thee; and no craftsman, of whatsoever craft he be, shall be found any more in thee; and the sound of a millstone shall be heard no more at all in thee;

23. And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; for by thy sorceries were all nations deceived.

24. And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.

What John saw here he saw the finished product, he saw that Babylon is fallen, what we see now is it is falling. We can sit back and watch it happening, so to speak, there is nothing nobody can do to stop it. These Hutterite colonies are part of that Babylonian system, they are going to be destroyed according to the Bible, because they are part of that Babylonian system through that trinity baptism, father, son, and holy ghost, Satan's counterfeit water baptism that he introduced at Nicaea Rome in 325 AD through Constantine. There is only one true Christian Water Baptism and that is **Acts 2:38**, and that is **repent and be baptized by immersion in the name of the Lord Jesus Christ for the remission of sins**. Like it says in *Ephesians 4:*

5. One Lord, one faith, one baptism.

These merchants they cry, because they are not in touch with the time that we are living in. All of a sudden they realize their pipe dream and all their luxuries and all their delicacies are coming to an

end, but see you and I, we have for the last 30 years we have prepared ourselves for this day. I believe back in 2010 the Lord gave me *Isaiah 65 - Behold, my servants shall eat, but ye shall be hungry: behold, my servants shall drink, but ye shall be thirsty.* There are perilous times ahead where people are going to be starving to death, it is all in Isaiah 65, but see we have prepared ourselves for that day. It says my servants will eat and you will go hungry because they have rejected when that voice came to prepare yourself, when the time was here. Like it says in Proverbs 1:

24. Because I have called, and ye refused; I have stretched out my hand, and no man regarded;

God tried to get people's attention but they did not listen, now there is coming a payday, where it says my servants will eat, those that were obedient to me, and to the others, he will say, they will go hungry. It is a glorious thing but you have to believe it, you have to get it down into your DNA, to the point where you actually believe it beyond a shadow of a doubt and then you will find out there is a rejoicing taking place in your heart and spirit, and you don't have to look at us, we are just doing our job. Like when brother Branham preached and brother Jackson I did not look to the man it was the voice behind the voice, it was that angel speaking. That is what I saw, that is why I can never worship these two people because they were just doing a job. They did not want a pat on the back and it is the same thing here, we are just doing our level best to keep our head above the water, just to bring out what is our duty to do. The Bible says, when you have done everything that you can you still classify yourself as an unworthy servant and have only done that which you were created to do. I wish people would see it because people have a tendency to want to worship somebody, they want to look up to somebody. Well, look up to Jesus Christ, don't look up to us we are just doing our job. Even at that we are getting shot at, butchered, thrown under the wagon time and time again but really they are not doing it to us they are doing it to Jesus. We are just glad that the Lord found us worthy to bring forth that living water to bring forth that meat in due season. It has nothing to do with us we are just getting blessed every day, and sometimes I get so excited I can't contain myself.

Lorraine speaks: It's like when brother Branham was depressed when his wife and his daughter died, and he wanted to kill himself, and God would not allow it to happen, and what he said stuck with me - He said, it was God preserving the gift that He placed within him. God created brother Branham for a specific role in life, and whoever could believe what brother Branham said had the same blessing. That is the same with us God created us to do what we are doing and whoever believes it can be partakers of that same blessing. So it has nothing to do with us we are just being obedient to that heavenly voice. In doing that people can be blessed.

Sam speaks: We are glad to be available to people. I was thinking this week and maybe I mentioned it earlier, he told Ezekiel early on in his ministry - Ezekiel, I have made you a watchman, I have put your forehead twice as hard as theirs. When did He do it - back before the foundation of the world. You just happen to find your place in God Ezekiel. That is the same with us - when did He create our vocal cord, when did He create our expression. It was back before the foundation of the world. There is no out, we have no escape route.

Like that song we sing - I'm going down that valley I was looking for a way out but there are padlocks on every door, and there is only one way to go and that is down that valley where the Lord taught me what we know today. We were blessed along the journey there are no two people that are more blessed than you and I are. Of course, you are going to have to accept, the fact, that you are going to be persecuted. That is just part of the program and you take it with gratitude that you were found worthy to be used by God. Like that lady that went through the Holocaust, we watched her story, and she was grateful to the Lord that He found her worthy to go through the Holocaust and in there she got to know God. That is the way with us all these experiences that we have had the last 30 years we got to know God, we can hear God we can hear His voice.

Such as when He wants us to go and speak to a particular person He has that person prepared. Like the other day, He had us go to talk with this guy down in Dufresne. I was sitting at the Mall in Winnipeg and I had a pumpkin spice latte, and the Lord laid that guy on my heart that I knew back in the day. I haven't thought about him forever and there the Lord brought him to mind. At first, I didn't think it

was the Lord, and day after day the Lord brought this guy to my remembrance. Then one day I was sitting here kind of depressed and I said let's go to Winnipeg, let's go for a drive and we were barely down the road and I said to you we are going to go see that guy that the Lord has been putting on my heart for the last 2 weeks. I don't know where he lives but I know about where he lives, so we went down there. I know about where he lives so we went all the way to Anola, and I remembered one time I had asked him for directions to his place, and the directions he gave me came back to me. So we took the direction and we arrived at his place and the amazing thing was he was sitting there waiting for us, and it was such a joy, that I heard the Lord. The Lord put him on my heart and here we were able to spend a couple of hours with him talking on the things of God. The Lord set it up and we were used by God to do that very thing. I don't know where it will all lead to. I don't believe the Lord does these things without having a home run. When I when over it all, it was such a joy that the Lord found us worthy to use us to go and talk to this person. That is what you and I are all about. That is what we live for, we don't care for all these luxuries, - but Lord, thy will, that is all we want to do. That is what Jesus found joy in doing. When all was said and done there was no other pleasure in the life of Christ than to do His Father's will. That is where you and I are at, we don't want any pat on the back. We don't want any money everything is free. The Lord pays us more than anyone can give us. I don't know what I would do with money.

Lorraine speaks: That is the only way that the Bible becomes real and alive to you when you walk in His will then all the stories in the Bible become part of your walk. They are not just stories, there is something in those stories, like what is the moral of a story. Back in school when the stories you read in school were still a story. They had a theme and moral, all these stories in the Bible have some kind of a moral that you can in your walk with God, you can identify with all the morals in them and you can apply it to your own life. They are inspirational because they become the inspired Word of God in your life. It is the most beautiful thing that you will experience in life when the Bible becomes real and alive to you. As we were saying earlier about the principalities and powers in *Ephesians 3*:

10. To the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God,

So it is saying, the principalities and the powers in heavenly places depend on the church to make known to them the manifold wisdom of God.

Sam speaks: That is why it was important the other day to voice it. You go out on a limb, first, you think well maybe I should say nothing but the more you don't say anything the more depressed you get. So you have to voice it into the heavenly realm so that these principalities can get a hold of it. It is the angelic world plus it is the demonic world that hears it, and it is given to the church to express it and to expose it. Don't think that the devil is not listening here too.

Lorraine speaks: So God reveals it to His people by revelation what is going on and you speak into the heavenly realm and they know then what is going on, they don't know it themselves. You would think that they would know before us, but it is not, it is the opposite according to this scripture. God puts it by revelation into the hearts of His people, His church, and then you speak it into the Heavens. You always said, and at first, I didn't quite understand it, you said we have to speak it into the heavens.

Sam speaks: It looks too much and it almost looks like a conspiracy but this is what the scripture says.

Lorraine speaks: When you look at God's creations, angels are just spirits, but God has given man a body, a physical body, and a spirit and a soul, that is powerful, that you actually have a body that you can build something and make something. The angels they can't do that, they are not in this natural realm that we are in, that is why the devil hates mankind, that is why he has this vaccine out there, to destroy everything that is from God, he is a destroyer and people fall for his lies.

Sam speaks: Last Monday when the Lord put this on my heart to rejoice and I have been chafing at the bit ever since, and I couldn't wait until Sunday to try to express that people need to get this into their DNA so that they can also rejoice, and this is something that I cannot do, it is impossible for me, the Lord has to give that increase, that is why we always pray for the Lord to give that increase. I will

have to pray to the Lord to give a triple amount of increase so that people will get it and inside of their soul there will be this rejoicing. When you mentioned these principalities, see we don't have this big network, some people have this big network Facebook, Twitter to get it around the world. With us, it is different because we have our loins girded about with truth, we qualify to bring it into the heavenly realm, we qualify because of being obedient and believing the message for our day. Like if someone else comes along and says the same thing the heavenly realm is not going to listen because they don't have that whole package, they don't have their loins girt about with truth because they don't have the truth, they have a truth, they have some truth but they don't have the whole weaponry, so when we say something it does go into the heavenly realm, it is revealed to the principalities the manifold wisdom of God. That is our network it is 10 times more powerful than your Facebook and all this stuff, because of what it does throughout the world, now this goes around and people all of a sudden see things. They don't necessarily have to hear us but it is in the heavenly realm they will pick it up, and they will one day go, why didn't I see that before, why didn't we see that Babylon is falling. They are going to see things differently they are going to see the hour that we are now living in without them even having to hear us. It is all the manifold wisdom of God it goes into the heavenly realm.

There is something else that keeps coming up here as we are talking and I hate to say it like that we are just doing it for people we want everybody to go to the marriage supper of the lamb that has been my desire: I wish every human being would meet the condition so that they could go to the marriage supper. That is just really who I am, and I can't help but to be who I am, I know a lot of people and I know that people are going to reject it because it comes from us. It will be like that when they were coming through the wilderness journey, I know I keep bringing it up, and they got bit by these serpents, and then Moses cried out to the Lord and God told him to put up that brass serpent. All they had to do is look at it and they will be healed, but there were people in that camp who refused to look up at that brass serpent. That is the way people are today, when they hear it is coming from you and me, because they know us they would rather go through this tribulation, they would rather miss out on this

opportunity to go to the marriage supper of the lamb, then to believe it is coming from us because they think that we are some kind of low-life. Whatever their opinion is they will look for a detour, they will go down that path. The hundreds of people that I have talked to already that this is it. They do the opposite they put the brakes on, they dig their heels in like a donkey that doesn't want to move, but you can't help for that. We are just doing it for you because I had an experience about 10-15 years ago, something came up and I saw myself missing the rapture, and I tell you what, you would not want to wish that on your worse enemy. Think about the worse enemy that you have you would not want him to miss this rapture because of what is on the other side of that rapture there is no more Holy Ghost here anymore. The restraining power of God is not there anymore, Satan is cast out of Heaven in the last 3.5 years, that man of sin will continue for 42 months, all Hell breaks loose.

Lorraine speaks: That's right, Satan is cast out of Heaven and he comes down and he incarnates that pope and it is going to be Hell on earth, it will not be pleasant. The Bible says, *Woe, woe, woe, to the inhabitants of the earth,*

Sam speaks: When I had that experience it was the most horribles experience and that is why I am putting my life on the line, that is why I am putting in so much effort, and I would put in a lot more if I could, but I can't do anything unless the Lord directs me to do something. Like I was telling you earlier I was sitting there having my latte and the Lord put this guy on my heart, and I have to make sure that it is the Lord. So I went home and the next day this guy he keeps coming up for a whole week. It was the Lord putting the pressure on. That is my prayer Lord, use us for your honor and for Your glory. Never mind about personal feelings, I don't care who it is, so finally I am sitting here in the morning, as I said earlier, I am getting depressed I have to go somewhere and we get in the car and go and we were barely down the road and I said we are going to go see that guy. Something was burning within me, and there he was sitting waiting for us. The Lord had everything prepared and it is amazing how everything worked out. When the time is right God has everything all lined up. We didn't even have to say much we just let him do the talking. Somehow we made a home run and the Lord was happy with

us and that is all we live for to make the Lord happy. That is what I live for, if I can make the Lord happy, because He has gone through so much grief how mankind has rejected him and rejected him.

Lorraine speaks: Yes, like you were saying about people and the serpent in the desert and they could not even look at it because of Moses. It makes you sad, that is how it made Jesus feels sad that they would reject Him because He knew that He was the one that God required and that they needed Him to enter in, and it is the same way here it makes you sad that people would look at you and not partake of what God has, that people can't look beyond that, and get over that part. It makes you sad in your heart and you wish that things could be different but it is what seemed right in God eyes to do it and it is marvelous how God does things.

Sam speaks: I got this text message here about this preacher from Woodland that passed away. A year ago, I guess, you had some kind of a dream. How did that go again?

Lorraine speaks: I had a dream about some people in Woodland and in my dream we had things in common with them, like not 100% we were kind of on the same page, and in my dream we had fellowship. I don't know of anyone from there so I asked you the next morning if you know anyone from there, I had this dream and it looked like we had some kind of a common denominator. You said you know only of the preacher's wife apparently she comes from Milltown. You said that their dad raised his family and instilled in them godly virtues. Then we sent them some books and we really meant it for his wife, not really for him. Then here this morning we received a text message that he passed away.

Sam speaks: We sent him some books and we meant it well with him, and he called me back real mean. I couldn't even reply he just hung up the phone. I was going to tell him we didn't mean it for you and explain the circumstances and all. He didn't have to act like a tyrant. We wrote him a letter to explain the situation and in the letter, we also put in that it describes people like that over in the book of Wisdom, and here we heard this morning that he passed away. We did our part, I wanted to help the guy because I kind of know him, there are quite a few people that left that place and why do they leave, even his family most of them left, and why do they leave because he

operates like a tyrant. Unless he changed his ways but he never did call back to apologize after I wrote him that letter, so I do an inventory of myself, did we do everything that we possibly could - Yes I did. You had this dream that you had this comradery going with these people there and the only person that I knew there was that preacher's wife there because I know that John from Miltown and everywhere his girls are there is a spiritual aroma around them. I know some of them, and she happened to be this preachers wife there, I didn't expect him to blow up like that, give me a call, really mean. So we are doing our part. It is kind of sad, that 70 years of his life, a wasted life the way it looks like unless he repented, which I kind of doubt it, if he would have repented God could have given him another 10 years.

They go down the road of life thinking that they have the right to treat people like tyrants. The Bible talks about people like that. It is not good and we were just trying to help him, and I am glad that we did that so his blood is not on our hands. We did everything that we possibly could, and we would have done a lot more if we could. When the Lord nudges you, then you have to act on it. Here about a month ago I was wrestling with him at night and the next morning I said to you maybe we should write that preacher at Woodland a letter and you said - we did write and send him a letter. I had already forgotten and you read the letter to me and in it was pretty much everything that I said.

Why don't you read it for the sake of the conversation, we are doing everything that we can, we mean it well for people. We are glad when God can use us, like I said, that has been my prayer all my life - Lord use us for Your honour and for Your glory. There is nothing in us that can produce anything in the line of godliness. All we would come up with is wood, hay and stubble, so we are waiting on the Lord so this little nudge that he gave you that you were having a comradery with these people in Woodland so we took the next step and send them some books.

Lorraine speaks: It was a month ago when you woke up and said we should write this guy a letter, I guess you had dreamt about him all night and I told you we did write him a letter, and you said no we will have to write him a letter again and this is what we are going to put in it. I said, that is pretty much everything that we put in there believe it

or not. So I read it over and it was practically everything in there except you wanted to add one more thing and you wanted to tell him that he owes you and apology.

Here is the letter that we sent to John and it is based on a conversation setting that we had between us.

To John:

*Last week you (Lorraine) asked me if I know anyone from Woodland's colony so I said I know of them but I don't really personally know anyone there. Then I asked why? And you said that you had a dream about a woman from Woodland and it looked like she had something spiritual it looked like we had something in common because we were singing together and sang the same songs. I said the only person that I know in Woodland colony that would have eternal values is that John Waldner's daughter from Milltown, he taught his children from the Bible, about Heavenly things and they all have some interest in Eternal values. So I said that would be the only one that I know of. As far as I know his children are all educated in things that have eternal values. So we decided that we will send **her** some books. So we looked her up and here she is that Johnny guy that preacher's wife. As far as I know that Johnny guy does not have any Heavenly DNA and will not understand Heavenly things because his spiritual genetics are very poor. Like Cain and Esau, they could not understand Heavenly things. I think we addressed it to John Sarah Waldner, he apparently is a Hofer but we were actually sending the books to her, because I know of that Johnny guy and he is not a very pleasant person.*

Well, anyway yesterday I got a phone call from him and he was not a pleasant person and if he treats his people the way he administered that phone call no wonder almost half of them are gone. I tried to explain to him why we sent these books and I could not get in sideways. All I know he was furious. He reminds me of that Mack from Rosedale die 'gewaltigen Herren'. God has a place for those 'gewaltigen herren'. Then they hijack the language saying it is causing 'a ärginis' and he told me the Bible says 'wehe but let me educate him what it means I will read it in English "But whoso

shall offend (ärginis) one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea.” That is the key here if you offend one of those that believes in Jesus and we believe in Jesus. That is why we send these books out so people can get to know Jesus too.

I would like to let him know that we send out a lot of books and some like them some burn them and some send them back, but just in case he didn't notice we do leave a return address on the corner and he is free to send them back. Then we just put it down here as 'not to send any more books to that person'. He was the first one that called and I'm surprised that I picked up that phone call because I don't usually pick up when it is a blocked number.

Did you know that he is that Truckers brother that used to live with your brother Ernie?

Lorraine speaks: No, I didn't know. Well, I can definitely see him not understanding spiritual things. Just his 500-year-old sermons, they are still living in the 1500s. I remember him saying something about 'they have their sermon' but they don't understand the hour that we are living and know the present truth as it says in 2 Peter 1: 12. Wherefore I will not be negligent to put you always in remembrance of these things, though ye know them, and be established in the present truth.

Sam speaks: The reason some don't like them is that it convicts them and now God is going to hold them accountable. As Jesus said in John 15:22 If I had not come and spoken unto them, they had not had sin: but now they have no cloak for their sin. Now they will have no excuse that they did not know because the truth was presented to them but 'they love the lie more than the truth' as it says in 2 Thessalonians 2.

Then I went and checked his family and the members there at Woodland colony a lot of them left and I remembered back in the day there was a movement and they believed in being born again but obviously, they could not live under his 'gewaltigen herren' or dictatorship reign.

So that is my story and I'm sticking with it, and always remember we are right and they are wrong.

Lorraine speaks: That's the letter that we sent to him.

Sam speaks: He has a whole plate full. This morning we heard that he passed away and his blood is not on our hands, that is for sure, we bend over backward.

Lorraine speaks: You can say that to a lot of people, even that Mike from Sommerfeld we send him some books all he would have had to do is reach out. Even that Lawrence from Riverdale we sent his son a lot of books if he would have done his part, he could have done something but now he is gone and he can't do anything anymore.

Sam speaks: Now his dad is gone. Now he is trying to prop him up as if he was some kind of a pioneer, he acts like he was some kind of a great warrior for the Lord. Well, I differ from him. That is why when I had that experience, like the one I had about having missed the rapture, I want to do everything that I can to warn people. The Lord saw my heart and that is why we are rolling out that living water. That is why that angel said, we don't have anybody else. That is why I am putting in all my energy to do whatever I can, setting this website up, it does not cost anybody anything, we are paying for everything. That is why I was trucking for 20 years to save money to prepare for this day and now we are doing everything for free.

Lorraine speaks: You can look at your own life and you would like for people to see it but it will be given to those people that God will open it up to. It was like brother Branham he was preaching on the 70th week of Daniel and he said to his wife they have got to get it, and his wife said - they are not going to get it, it is too deep for them. See America they were on the trend of going the ways of Babylon. Then there is another incident when he came back from Canada one time and he saw what they had made of him, they were trying to idolize him and baptizing people in the name of Brother Branham, he was a broken man. That is what that dream of that bruised serpent represents the he had people trying to idolize him. Could he have done something different - No, it is just the trend of mankind, it just seems to be the trend that the devil gets people to fall into, worshipping a man instead of hearing the message. Just like it was in

the wilderness with Moses they just could not accept him it is just the way it is.

Sam speaks: I was thinking today we are living in the most glorious time that mankind has ever been, now that the Grace Age is over and that grey horse rider is not riding anymore. Like I said earlier, I used to think that it would not be a good time but see you have to look at it the right way. The time when Jesus served as High-priest it has done served its purpose. Now it is evolving into something better, that grey horse rider is gone and now all of a sudden people are going to start seeing things and we are at the right place at the right time with the right truth, and all people have to do is believe it. All people have to do is partake of that living water to get a ticket to glory and what rings out to me is Jesus said - Go out into the highways and hedges and compel them to come in, that my house may be filled. He was saying that my tables may be full.

Lorraine speaks: That's the difference here, in the Grace Age it is the called and the chosen, it is a called people where God is drawing out a called people, here in this hour, it says, to whosoever will. It is open for everybody to whosoever will. It is open to anybody and everybody that is the beauty of it. It is not for a particular people it is whosoever will can come and drink.

Sam speaks: It almost looks like you don't have to come through Calvary you just have to partake of this living water and do whatever it says in there. These are not our messages, the Lord puts them on our hearts what to speak on during the week and it is for their benefit we are just doing a job and at the end of the day, I just want to hear him say well done. We don't want any money, what would I do with money. I don't want any recognition like a pat on the back. What would I do with a pat on the back the Bible says, woe unto you when men shall speak well of you. That is just who we are, we just love to do this quiet thing here in the morning and put it into the heavenly realm and let God be God. It is worth it all when you can barely sleep because you are so excited and you see the Lord Jesus, He is so pleased with us that we believe His Word and we are willing to put it out there. Knowing that we are going to be ridiculed when we put it out there. We know what people will say, do you know what those fools are saying now, they are saying we are in the week of Daniel but where

are the two prophets. They are en route. You know what else they are saying they are saying that Babylon is being destroyed. It is being destroyed, it is falling, not fallen. John saw the finished product, he saw the smoke, the destruction of Babylon the Vatican it is all the Vatican that Roman Catholicism and it is all being exposed.

Lorraine speaks: It is all being exposed what this New World Order was all about, it is all exposed now, it is all before you, and it is all about that image of the beast which started with the World Council of Churches.

Sam speaks: I was going to say when you listen to this Brannon Howse, and these Clay Clark they preach this New World Order and it gets everyone paranoid about the New World Order. Well, there is no New World Order, there is not going to be a New World Order, there is no use in getting paranoid about it. It is just simply going to be the Biblical Old World Order because we have Bible. There is absolutely no way that Satan is going to run this planet. That is what he has been trying to do from day one and that is why he wanted to unseat God back in the pre-historic and put his throne up. That is still his ambition and that is why all these wars and Satan gets these Muslims and these different religions all worked up to take over the world and at the end of the day, they don't have a mandate. We just want to set people at ease there will be no New World Order, there will be the Old World Order, the European world where the pope runs the business again for seven years that is it. That is the only Biblical mandate if you don't have a biblical mandate then it can't happen. It will come right up to the borders like you saw how close they were in taking over. They couldn't take over it was just very close, and you were actually shocked how close it was.

Lorraine speaks: I think what shocked me most was how close Satan was in taking over the United States but what brought tears to my eyes was the relief that he only came close, that he could not pull it off. That God allowed him back in the pre-historic hour to come so close to destroying everything, and you had mentioned it the other day that the reason that God allowed him to come so close is that for us to really get to know who God is and all of His attributes He had to let him come so close for us to know this great God, and all of His attributes. If He would not have allowed it we could not really

experience who God is and He would be someone that we would never really know, and we could never really identify with Him but because He let all of that come so close we can get to know who God is and all of His principles and status.

Sam speaks: That is all I am asking for all week is for people to believe this and once they believe it, it is a security for them. Really we only have 3.5 years to prepare for the Marriage Supper of the Lamb, and when you miss that it is going to be Katie bar the door you would not want to be in that Hell and all you simply have to do is believe what we are saying and go tell your friends and neighbors because that is the only way that they will ever find out. Like I say, hat tip to Indonesia and to Virginia there are a lot of hits there because people are doing what it says here - Let him that hears say come. Come where - Come to the living water. Just advertise it, we are doing everything that we can. We would do a lot more if we could and we are doing it for you, for your sake, because there is no benefit to us. We are just doing what the Lord puts on our hearts to do. Everything that Jesus did He did it for our sake, and the little that we can do for Him that is all we can do. It does not cost anything the Lord set it up that way. It is free to come and drink out of the water of life freely. That is the only thing that you will find in this world, they want your 10% or they want this, that, or the other. Well, here it is free, just tap in. Some we even send some books if the Lord puts someone on our hearts. We are doing everything plus we did everything that we could for that Johnny in Woodland, even though we pretty much knew that we are going to be bulled for it.

Heavenly Father we just had a conversation around your Word. Lord, if there is ever a time, where we need you to lay it on the people's hearts they need a triple increase, we know that you give the increase and we need a triple increase on the hearts of the people that they will be able to grasp this truth and that they will be able to take advantage of this living water and this meat in due season and prepare for the marriage supper of the lamb. That is what we are here for and we just pray that you will do something for the people that are out there because you said Your tables will be full. Help us to go to the highways and the byways wherever there is somebody Lord, wherever

there is a crying soul somewhere. We just once again ask, use us for your honor and for Your glory Lord we ask these things in Jesus name we pray, Amen.

THERE IS A HEAVEN TO GAIN

*There's a Heaven to gain and a Hell to shun
The way is still straight,
There's a race to be run
You can live as you please
But you must pay the cost
The highway to Heaven
Still goes by the cross.*
