And I know that there are angels all around
Let us praise Jesus now
For we are standing in His presence
On Holy Ground*

STANDING SOMEWHERE

*Standing somewhere
In the shadow you'll find Jesus
He's the one
That always cares and understands
Standing somewhere
In the shadows you will find Him
And you'll know Him
By the nail prints in His hand*

*I shall know Him, I shall know him
As redeemed by His side I shall stand
I shall know Him, I shall know Him
By the prints of the nails in His hand*

Come quickly and abide, or life is vain
I need Thee, oh I need Thee, every hour I need Thee*

Oh bless me now, my Savior, I come to Thee.

*I need Thee every hour, most Holy One
Oh make me Thine indeed, Thou blessed Son
I need Thee, oh I need Thee, every hour I need Thee
Oh bless me now, my Savior, I come to Thee.*

I give to You my life's dedication
Inspire my heart to do what is right
Jesus You are the inspiration of my life.*

*1. Oh Lord, You gave the light and salvation
How can I stand without condemnation
With Your precious blood, cover me forevermore
Oh Lord, your gift to me, salvation for my soul.*

*2. Father, give me strength and moderation
That I may walk in continuous preparation
For the time and day, when I shall see Your face
Father, give me strength and moderation everyday.*

THERE'S NOT A FRIEND LIKE THE LOWLY

*There's not a Friend like the lowly Jesus
No, not one! no, not one!
None else could heal all our souls' diseases:
No, not one! no, not one!*

*Jesus knows all about our struggles;
He will guide 'til the day is done:
There's not a Friend like the lowly Jesus:
No, not one! no, not one!*

2

*No friend like Him is so high and holy,
No, not one! no, not one!*

*And yet no friend is so meek and lowly,
No, not one! no, not one!*

3

*There's not an hour that He is not near us,
No, not one! no, not one!
No night so dark, but His love can cheer us,
No, not one! no, not one!*

4

*Did ever saint find this Friend forsake him?
No, not one! no, not one!
Or sinner find that He would not take him?
No, not one! no, not one!*

5

*Was e'er a gift like the Savior given?
No, not one! no, not one!
Will He refuse us the bliss of heaven?
No, not one! no, not one!*

WHAT A FRIEND WE HAVE IN JESUS

*What a Friend we have in Jesus
All our sins and griefs to bear!
What a privilege to carry
Everything to God in prayer!
O what peace we often forfeit,
O what needless pain we bear,
All because we do not carry
Everything to God in prayer!*

2

*Have we trials and temptations?
Is there trouble anywhere?
We should never be discouraged,
Take it to the Lord in prayer.
Can we find a friend so faithful
Who will all our sorrows share?
Jesus knows our every weakness,
Take it to the Lord in prayer.*

*Are we weak and heavy-laden,
 Cumbered with a load of care?
 Precious Savior, still our refuge—
 Take it to the Lord in prayer;
 Do thy friends despise, forsake thee?
 Take it to the Lord in prayer;
 In His arms He'll take and shield thee,
 Thou wilt find a solace there.*

HE BLESSES ME AGAIN

*I'm a pilgrim on a journey
 Seeking for a better land
 The way gets rough
 And the trials so hard to bear
 But I call on Him who started with me
 Said He'll be there to the end
 And when I need the strength
 He blesses me again*

*And It's so hard to comprehend
 That He takes thought of me
 The stars that shine
 The sun rises at His command
 I'm just a small, small grain of sand
 And the wonders of His Hand
 And when I need the strength
 I find He blesses me again*

*I've not always been the best man
 For the Lord that I could be
 I've stumbled, Yes, sometimes I've given in
 But the Lord is great in mercy
 And the moment I repent
 I find He blesses me again*

HE PAID THE DEBT

*He paid the debt he did not owe
I owed the debt I could not pay
I needed someone to wash my sins away;
And now I sing a brand new song,
“Amazing Grace” all day long
Christ Jesus paid the debt
That I could never pay.*

*He paid that debt at Calvary
He cleansed my soul and set me free
I’m glad that Jesus did all my sins erase;
I now can sing a brand new song,
“Amazing Grace” all day long,
Christ Jesus paid the debt
That I could never pay.*

*One day he’s coming back for me
To live with him eternally
Won’t it be glory to see him on that day!
I then will sing a brand new song,
“Amazing Grace” all day long
Christ Jesus paid the debt
That I could never pay.
Yes, Jesus paid the debt
That I could never pay.*

THE ONLY REAL PEACE

*The only real peace,
That I have, dear Lord is in you
The only real peace,
That I have, dear Lord is in you
In lives frustrations,
I need you, I know I do.
The only real peace,
That I have dear, Lord is in you*

DRAW ME NEARER

*I am Thine, O Lord, I have heard Thy voice,
And it told Thy love to me;
But I long to rise in the arms of faith,
And be closer drawn to Thee.*

CHORUS

*Draw me nearer, nearer, blessed Lord,
To the cross where Thou hast died;
Draw me nearer, nearer, nearer,
blessed Lord,
To Thy precious, bleeding side.*

2

*Consecrate me now to Thy service, Lord,
By the pow'r of grace divine;
Let my soul look up with a steadfast hope,
And my will be lost in Thine.*

3

*O the pure delight of a single hour
That before Thy throne I spend,
When I kneel in prayer,
and with Thee, my God,
I commune as friend with friend!*

4.

*There are depths of love
That I yet may know
Ere Thee face to face I see;
There are heights of joy that I yet may reach
Ere I rest in peace with Thee.*

OH MY LOVING BROTHER

*Oh the judgment day is coming
What an awful day 'twill be
Christ forever is my refuge
Rock of ages cleft for me.*

Chorus:

Oh my loving brother...' sister

*When this world is on fire
Don't you want God's bosom
To be your pillow
Hide me over in the rock of ages
Rock of ages cleft for me*

*At the sounding of the trumpet,
At the dawning of the day,
Worldly pleasures with their treasures,
Shall forever pass away.*

Chorus:

*Poor lost sinner will be crying
For the home they'll never see
But the ransom will be singing
Rock of Ages cleft for me*

Anyway, it was Tuesday morning when I got up and this scripture came to me in *Matthew 12*:

29. Or else how can one enter into a strong man's house, and spoil his goods, except he first bind the strong man? and then he will spoil his house.

Like these past 2 weeks, we have been obsessed with this freedom convoy as they are trying to bring down these mandates, which is just a communistic system made to lock people up in their prison and at the end of the day, it is all just genocide. People are starting to rise up and we observed all of that. Like we are talking about things that are current here, and then God comes down and He gives me this scripture here when I got up Tuesday morning. I knew what that scripture meant, I knew that there was a strong man down there in Ottawa and then I asked you if you have any idea who that strong man could be down there in Ottawa, and here lo and behold you were already doing some researched and you were researching this one guy that Kyle Kemper, Trudeau's half-brother had mention, this Mark Carney, I guess he is an influential person that is whispering into Trudeau's ears, according to his brother. So we pursued that, and then if it's that Paul Martin, we realize that Trudeau does not have the

brains to do that, he has to have some backing of some kind. As we journeyed on and did this research trying to find out who would be influenced by this program and we came up with thousands of people and a lot of entities that are influential but there has to be a strong man and if we don't get the strong man, and flush him out and find out who he is then we can't bind the strong man until we know who or what it is.

We could go after the Chinese and try to bind the Chinese but they have nothing to do with it, that would only be a front. So you have to get to the root and the core of it, and from the things that we know from the hour and the time that we are now living in we know that it is the Vatican. Now you tell people that are listening to this that it is the Vatican they will think that you are crazy, they will think that it is a conspiracy, but the proof will be in the pudding. Once we realized who is behind all of this that it is the Vatican, so we prayed and we bound that strong man. Not just for Canada, that strong man I saw it this morning again, it affects Canada and from here it will go to the USA, to Mexico to Central America, these countries are all controlled by the Vatican, and I can prove it to you too. It goes into Central America, South America, the Vatican has depleted these Countries that these countries are 3rd world countries, and all the resources go into the Vatican Coffin. That is what they are trying to do in Canada, they finally have a puppet, that they have put through their brainwashing school that they call WEF, that will dance to their tune. So that puppet that we have down there that Justin Trudeau guy he dances to their tune. He does not dance to Canadians to this Mark or that Martin, I just know that Paul Martin praised him for what a great man he is. That is why I was looking at him, but see our job when the Lord wakes me up and He puts a spotlight on that scripture to bind that strong man. That is current, that is what you and I have to do then, we have the goods, and we have the qualifications to do that, now if you would give this job to anybody else, like let's say that Arthur Palowski he would not know how to go about this thing. First of all, I don't think that he is baptized in Jesus name. You have got to fit the criteria, you have to see the importance of the seven stars, what their role is, that Jesus held in His right hand, and then you have to

believe and realize that the star that we have for our era is William Branham then it goes on to brother Jackson.

We see this end-time picture and then you also have to realize the day and the hour that we are living in. We are living 2-3 months into the week of Daniel, as of October the 15. The week of Daniel started and there is silence in Heaven because Jesus is no more on the mercy seat. Jesus is down here in spirit form, He is now King of King and Lord of Lords. We believe that, by believing that God can wake us up and drop a scripture into our soul, we don't follow no curriculum, or a government platform, or a church program. We just simply wait on the Lord, and then like I said, Tuesday the Lord gave us that scripture, and He was already working on you if you know of anyone that could be a strong man. See it is not just my idea or something that the Lord gave me, that is why it says, by the mouth of 2-3 witnesses let everything be established. In this hour of time that we are now living in you better have some Biblical facts, Biblical Truths, even if you think you have something you have to have someone to bounce it off, by the mouth of 2-3 witnesses I can't come up with my own idea. Even if it is the Lord, I still have to have somebody to confirm it, so to speak. So here we were spending all morning putting this together and at the end of the day we came up with one conclusion and there is only one entity, there is only one strong man that is trying to control the western hemisphere and that is the Vatican, that office of the pope and today it is Pope Frances.

Lorraine speaks: When you look at the fruits of it with all these regulations, this Carbon Tax, these mandates, these are all Vatican, this Vatican apparatus techniques what they enforced in the dark ages, to take the freedom and wealth away from the people. In the dark ages, it had a lot to do with penance, to pray people out of purgatory and all their creeds and dogmas were in place to control people and people had to pay for these things. These are the same tactics that they use on the middle-class people today, they overtax them with carbon tax every entity in your life is already taxed and controlled, and those are all the same tactics of that Vatican regime that they enforced in the Dark Ages, in order to control the people. When they have the wealth in their hands and the people are poor then they can manipulate things. That is what it is all about to take the

wealth away from the people then these tyrants have control of the people, a lot of people call them the elites, the elites that want to establish themselves over the people and that is totally anti-God.

When you go through history you will see how it all transpires. That is why Bible history is the most beautiful history that you will find, and brother Jackson was the real historian all the other historians don't know anything because they do not line it up with the Word of God. When you go through history and as time evolved there came a time around 500 AD, even 300 AD, we will start at 300 AD when that trinity Nicene Rome water baptism came in of the father son and holy ghost, then as time evolved, slowly it is said in history when you come to 500AD- 800AD, there were two chairs in Rome and there were times that people didn't know who was really in charge, whether it was the Pope or the Kings in the country, like the King of France the King of Germany, the king of England, and it said that people didn't know who was really in charge if it was not the pope himself and that is how Satan slowly progress into establishing his throne through these popes. Then finally Pope John XII came out when he crowned Otto the Great the Holy Roman Imperial empire. That is why the Bible calls it the 7th is of the 8th in *Revelation 17*:

11. And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.

He took that seat upon himself when Otto the Great passed away his son Henry became king and he kind of did what he wanted if he didn't like a pope he dethroned him, and when he passed away these bishops came together to change that, that nobody will be able to dethrone a pope but a pope himself, and after that, he had established his throne and that is where it is slowly coming back to where that pope has the final say and then in the middle of the week for 42 months he becomes that man of sin, and sets himself in the Temple in Jerusalem. That is why you have to look at that throne that Pope office, we can say the Vatican but we have to hit the target. Like you were saying this morning we can say the Vatican and that whole Vatican apparatus but you have to put the emphasis on the office that individuals because it holds that name Vicarius Filii Dei, which means supreme leader. That name is an abomination to God because there is only one Supreme God. That is why our Charter of Rights says that

this country is founded on the supremacy of God and that is why they are in violation of this country here and I don't care if it is the pope and I don't care if it is the Vatican, these people are in violation and they know it thinking they can rule over people.

That is so not a godly principle when you look in the Bible at History how God loved Israel when they were alone, they had no one ruling over them, and how He was mad at them when they asked for a king for someone to rule over them. It was not something that God wanted for His people someone ruling over them. That is the same here when they founded this country it was founded by we the people, not someone dominating over somebody, and controlling people. Catholicism came into this country too and how they do it is when the countries are weak through wars. Like at the Civil War they slowly came in. They love wars that is how they can come in and infiltrate the country. Even the assassination of Abraham Lincoln you can trace it back to the Vatican. They were celebrating in Wisconsin in a bar somewhere and when they traced it back to what time it happened and when these people were celebrating and when he was actually shot they were celebrating before he was killed. That is how you can see how they plan things out and the next week or so they found that same guy that was involved in the shooting over at the Vatican. It is all a network and they have established it so well that it has controlled every aspect of our society already, and now they are so in control that they can rule and ruin it and tell you what you can and cannot do, here is a clip from Brother Jackson's Contender.

WHO WAS RESPONSIBLE FOR ABRAHAM LINCOLN'S ASSASSINATION?

When the pope came to America a while back, where did he go? He followed the very route that the early Catholic priests and explorers came through. The Catholic Church, up until the Civil War period, was not in the original 13 states in a predominantly powerful position. They had begun to make their immigration slowly. In New York City you had a lot of Italian Catholics, and also Irish Catholics. There was a strong

settling of Catholics there, but they were not in governmental positions to affect things. Father Chiniquy became a personal advisor to Abraham Lincoln. He told him not to give the Catholic Church a place to put her foot. Abraham Lincoln said at one time, that the Catholic Church system was like a black plague; And that it should be driven from the shores of North America. It is known that the Catholic Church played a very important role to certain southern government leaders who wanted to secede from the Union during the Civil War, and their approach was to use it and seeking opinion of southern leaders to work with them. In so doing, it would split the nation, and the Catholic Church would gain a position. It was hoping to split the Union and causing the south to secede, placing themselves under the protection of England, or some other European power. Not that the Catholic Church was going to rule it, but it was going to use this opportunity as a greater springboard to get into the nation in a more rapid way. There is always that secret element who work and manipulate to apply the cause of that system. I will tell you of an incident that shows just how the Catholic church was sticking her hand into the cause of the Civil War. About the time the war was starting, there was a priest that wanted to call a strike against a certain function in New York City. Father Chiniquy, as I mentioned earlier, the advisor to Abraham Lincoln, told President Lincoln not to give them an inch. It was because of this advice, Abraham Lincoln sent word to his troops to tell the Bishop, Call off your strike or I'll bring in the troops. He realized the nation was at a point, and the south was under an influence, and it if wasn't handled right, this new nation would wind up a split society, no longer to progress. So he called in the troops and put the bishop and his cause in place. Those things are written in history, but they are looked upon by our modern politicians as radical. He did what he had to do at a time when it was necessary. The Catholic Church was not necessarily the cause of the Civil War, but they were observing conditions that helped to bring it about, and they took advantage of those conditions. That is what you have to look at. The Catholic system, somehow or other, knew that it was time to strike at the leadership of America. The Catholic system was also involved in the assassination of President Lincoln. The government agency that investigated this assassination traced it right back through the Catholic

areas of Montreal Canada and right on back to Rome. It is a known fact that the people who hid Lincoln's assassin, were Catholics. You might say, How do you know that the assassination of President Lincoln was brought about by a conspiracy of the Catholic system? All of this information was recorded in an investigative report. For a long time the outside world did not know the reason for President Lincoln's assassination. We know the man that shot him was supposed to have broken his leg in making his escape from the theater. After his escape he reached a certain doctor. This doctor, not knowing how his leg had been broken, ministered to him. Later when the authorities heard about this doctor having treated the broken leg, they investigated the incident and arrested the doctor. They thought he had collaborated with the different agents behind the conspiracy. That doctor eventually spent many years in a prison off the shore of Florida. That prison stands there today as a museum of that period. It is also a known fact in the state of Wisconsin, in a remote area of predominantly Catholic people, there was a telegraph agent that ran a general store. A message came through one day stating that President Lincoln had been shot. The Catholic community seemed to be overjoyed. But then when the newspapers came out the next day, it told exactly the hour he had been shot, and when they compared the time in the newspaper with the time the little store got the message, the officials began to realize there had been a discrepancy. The telegram was well in advance of the time he was actually shot. It was from that finding that secret agents began to investigate. They found a certain Catholic home in which three specific men had collaborated with this man, John Wilkes Booth, that had done the shooting. When Booth had been caught, one by one these men began to make their departure. One of them, John Harrison Surratt, succeeded in getting into Canada. He went to Montreal. They traced him there, and through their sources of information, traced him on to Halifax, Nova Scotia where he had taken a boat. Months later they found him in Italy at the Vatican, using the name John Watson. All of this is recorded in an investigative report. The question was asked years later, Why was there not an immediate exposure of this and certain Catholic officials brought into question?

The nation was in a desperate state, the war had taken many lives, much livestock had been lost and progress was at a standstill. They felt it was better to heal the wounds of the nation than to create a religious confrontation between Protestantism and Catholicism, like there is in Ireland today. So the records were closed and remained that way for a long time. But little by little, men working in government, who were definitely Protestant leaders, began to have access to the Congressional files. Decades later it was available information.

Sam speaks: Now it has all come to a climax where people are not going to take it anymore this has been going on for the last 2 years. They have been taking potshots at it here and there, take a look a little over a year they have taken Trump out and they have put this puppet in the Whitehouse. The Democrats and the Republicans they are all part of that Catholic wing, all the way to the Vatican to that office of the Pope. Really the bottom line is Satan is in it all and what he is trying to do he is trying to take over God's job. Like it reads in Ezekiel and Isaiah, Isaiah 14:

12. How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!

13. For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:

Satan still has that same ambition, behind that Vatican is still that spirit of Satan and what he is trying to do is, he is trying to get this New World Order thing going. Well, it will never flourish, you don't have to be intimidated by it, but here he has finally got a puppet in Ottawa that just does his bidding. Well, he can only go so far because we have a Constitution and we have a Charter of Rights and Freedom. We have a National Anthem God keep our land glorious and free, and he has no legal jurisdiction here in this country he has no Biblical mandate here in this country. We were at it here the other day and you can read it in Ephesians.

Lorraine speaks: That is what people have failed to do too when you read Deuteronomy 6, how God was admonishing the children of Israel through Moses, to keep His Commandments and His statutes

and to live according to them and to tell their children, to diligently tell their children and to teach them. *Deuteronomy 6:*

7. And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up.

That has been forgotten in this country, when you read that chapter how Moses was telling them to keep the commandments of God, and to keep His statutes and all will be well with you, and you will be a blessed people and that will be for your righteousness. It is the same way here God allowed this country to be founded by the Protestants they wanted out of the tyranny of that Roman yolk, and they sought first the kingdom of God and His righteousness, through the Reformation with the just shall live by faith and then through the revelation of John Westley to live a holy life. It was a prosperous and beautiful country but they have forgotten their way and neglected to teach their children about God, to teach them diligently so when the 60s came around and God had His prophet here on the scene to move them on to higher heights and higher ground in His Word they rejected Him and you see the results of that in our country today.

Sam speaks: That is why you and I qualify for this task, this tremendous task, because we are part of that stream, those 7 stars, the Grace Age, and how important it is to accept these prophets that God has foreordained. In our age He sent brother Branham and he was rejected, when we found out about it we embraced it with a passion, and there was nothing going to get between us to try to divert us no matter how charismatic one gets with this Jesus thing and this, that and the other. See we have that foundation and we have the stream and now we qualify, we not only say it we can put that strong man out of commission, we will speak it out of existence simply because the Bible gives us the go-ahead where it says - First bind that strong man. Before you can go into Ottawa and take Trudeaus goods so to speak or the Vatican goods, first you have to bind that strong man. First, you have to find out who that strong man is and it is none other than the Vatican that office of the Pope. That Catholic church that Catholic system because the Bible tells us that in her was found the blood of all the Martyrs. We go by scriptures and I

have here a different translation that I want to read over in Ephesians and it will let you know how God will not allow this country to be taken over. You cannot go against this Word, you can go out and argue and get involved with these marches and everything but really you are just taking potshots until you go to the core, to the heart, into the center, into the lion's den, and put that thing out of commission and make that thing crumble and we can do it by the Word of God because God has put His Word above His very name. You can challenge God on that, here it says in *Ephesians 1*:

*11. In Christ we too have been claimed as God's own possession, since **we were predestined according to the one purpose of him who accomplishes all things according to the counsel of his will***

12. so that we, who were the first to set our hope on Christ, would be to the praise of his glory.

13. And when you heard the word of truth (the gospel of your salvation) – when you believed in Christ – you were marked with the seal of the promised Holy Spirit,

14. who is the down payment of our inheritance, until the redemption of God's own possession, to the praise of his glory.

See we belong to the Lord, there is no entity that owns us, that Hutterite thing did not own us, the time came and the Lord said, ok, Sam, let's go we have some work to do. See we know what the counsel is for the western hemisphere, when He made that counsel back there this program that Trudeau wants to implement, this global prison it was not in that great counsel and here it says in this translation, **according to the one purpose of him who accomplishes all things according to the counsel of his will. It says, he accomplishes all things according to the counsel of HIS WILL.** He doesn't just take a potshot He accomplishes it, it is going to be a done deal in Canada, North America, even the western hemisphere will never ever come under that Roman Catholic yolk. They have it there now but this is all temporary until the time is right because the country needs some kind of infrastructure. If you would take it out all of a sudden the whole country would collapse and it would go into anarchy as it did over in Iraq when those Bush's went into Iraq and upset that whole government. They were way better

under Saddam Hussein at least there was stability there. What do you have there now is nothing but chaos and anarchy and nobody knows who is boss the same thing happened over in Libya, as soon as they took that guy out there was anarchy they don't have a country there now.

The Lord allowed this Vatican thing in here up to a certain time and then He is going to have to go back to Europe where his mandate is, he does not have a mandate here but the Lord allowed him to be here but now his days are done here, he has to go back to Europe to fulfill his mandate for seven years. To do what - to bring Europe back to that beast system, we know the scripture and we know the program, and we know the day and the hour that we are now living in. We have been in the week of Daniel since October the 15th, that is when Jesus went off the seat of mercy and we are now in the week of Daniel. You have to know the day and hour that we are living in, so that you can know what is going on. Everyone talks about the rapture, but it is not important to know the rapture. When you know that true Yom Kippur the day when God will begin to restore Israel when you know that time frame if you have any spiritual insight you will know about the time of the rapture. We know that the rapture cannot come until the two prophets are killed.

Lorraine speaks: When you look at the trucker convoy and something that Dr. Shivas said, anyway he was saying that people need to say things at the right time, there are a lot of doctors that are coming out now and are speaking against this vaccine but the time to speak out against it was really 1-2 years ago when this thing came out. Those that did were getting heat from speaking out against it. Now even Tucker Carlson is coming out because the pressure is off. The persecution is off, now there is already too much evidence of it what that vaccine is with the deaths, the injuries, the stillborns are extremely high, and there is now proven evidence of what it is doing to the people. It is a spike protein killing agenda.

Anyway, he said the trucking convoy is really not the real direction to go, you should go after the Pfizer and those Moderna companies and these entities that are doing this, but that is not hitting the target. That is still just part of the Vatican apparatus, just another tentacle how to destroy people. What I find beauty in is how people

are coming together, what the devil likes to do is cause division and rob the Human soul and spirit, social distancing them, keeping them away from each other, but the human spirit is so strong that it overrides all of this diabolical agenda.

Sam speaks: Yes, usually as a rule it is the french against Ontario and the East against the West and visa-versa and here the bridge is full of people from all over coming into the marches. On that bridge in Ottawa they were coming together and some of them couldn't speak English but they somehow found a way to communicate this is unity, this is now the Lord is putting this on, the devil has to go. It was Tuesday night when the Lord impressed it on us and we cut this thing off.

Lorraine speaks: That is the human spirit and that is what they were trying to kill, and it is beautiful to see that nothing can kill that, it is there the love that people have for their country and for freedom. When you look at the scope of everything, then you will see that the Vatican apparatus has its purpose in this country, it has helped this country flourish in many ways. When you look at the commerce and big corporation they have helped to make a strong middle class, but now is a time when people are starting to rise up and reclaim their country, up until now they were not willing to take that responsibility upon themselves.

Sam speaks: They were actually asleep.

Lorraine speaks: Yes, now here, these people are starting to rise up, and now you can go in and bind the strong man and let the system collapse because the people are finally rising up and taking responsibly, now that responsibly goes all around, you have to take care of your health, and you have to start taking responsibility of things you cannot just think that you can go back to your old ways of life, sorry that is not how it works. You can now rise up and be accountable and take responsibility.

Sam speaks: Now it has come to a place where it compares to this movie we were watching yesterday about this horse, a hospital was there to get mended, but man-a-living if you get an accident now and you get into the hospital, especially in the United States they will try to kill you to get a \$100,000 pay-check. Like this one guy he had an accident and there was nothing wrong with him, maybe a scar and

he ended up in the hospital and they put him on drugs that kill people and it is not safe anymore. That whole hospital apparatus is a killing field.

Lorraine speaks: What happens is they get money when they admit a person, like this guy that had an accident and they did a covid test, and it almost looks like these tests are designed to show up positive so right there already they get money for that. They get money for every pill that they give, and they get money if they put a person on a ventilator, all those pills whatever they need to administer, it is as if there is a bounty on your head, a \$100,000 bounty on your head, if they can kill you. That is the spirit behind those hospitals back in the days it was just to fix some minor ailments and some broken bones and stuff, but now it has evolved into something deadly.

Sam speaks: That is what it was designed to do because if you reject the prophet you reject healing. Like brother Branham said, if they would have accepted the message for their day and hour there would not be a need for hospitals, and now it is not safe to go to a hospital they will kill you if you go in there and I don't care who it is. That is what it was all designed for, in God's kingdom there is no need for that, I don't need that, I don't need any doctor the only reason that I go to see one is for my class 1 driver's license to do a medical check-up. I would get out of that one too if I could. It is all by design but God allows it to go so far, and then it is like it says what I read to you here in Ephesians where it says that He will accomplish, He will make sure that this thing that Satan is trying to do it will go so far and then come to nothing. Just like the Holocaust that was there for one purpose and that is because the Jews did not listen to God when He sent in those Rabbi's to tell them to go back to their homeland then He had to send in the hunters, the Nazi's. God allowed Satan only to go so far, his jurisdiction is in the Bible, he does not have a Biblical mandate to do what he is doing, and you and I, we qualify to stop him dead in his tracks. Just because we are part of that stream of the living God, and we get our orders from Heaven and when I got up the other morning, He give me that scripture and I knew that that is what we are going to consume ourselves with for the rest of the week to bind that strong man. So we did our homework we found out that strong man is none other than the Vatican that Papal system and it all

points to that seat, that office of the Pope. It is not that Paul Martin we would be shooting at Paul Martin at him for ten lifetimes and still not get anywhere.

Lorraine speaks: Even when I phoned Candace Bergen office and asked them who is in charge of what he is doing, they said he has a lot of people that influence what he does, and all of them have their own idea of how to govern a country, it is not one single person that talks to him it is a whole network of people that surround him.

Sam speaks: That is why you can't really pinpoint it on one person and they got a little ticked off when you drove them in a corner. At the end of the day before the sunset we came to the conclusion, and it is a fact that the Vatican is that strongman and that is the one we had to bind, and there you are going to see the effects now. You are going to see that whole thing crumble like a bunch of dominoes they would be out there marching for the next 50 years and they would not get anywhere until they bind that strong man and maybe it will end up with a war, but you are going to see that thing crumble. I don't know how far God is going to allow it to go because last week He gave us that scripture about the king's heart is in the hand of the Lord. The Lord controls that Trudeau guy, he is the king down in Ottawa he can do it this way or that way, we do not know what God will do, and what direction it is going to go. I hope and pray, and that is just my theory and thing, that he will do the right thing, but God is bigger than I am, I didn't get any inspiration for what he is going to do. All the Lord gave me is the king's heart is controlled by the Lord how He is going to control him, I don't know. Is He going to control him and harden his heart so that he doesn't listen to the people, it could be. Could He control him so that he does like Darius and gives the Jews the green light to go back and build their temple it could be. However the Lord is going to direct it we wouldn't know until it happens we can hope that it will not come to bloodshed. We can hope that he can finally come out and say all the mandates are dropped and start listening to the people and give the county back to the people, but it is not just this mandate it is these carbon taxes and all these regulations that are in place to kill the country.

Lorraine speaks: There are a lot of things to look into it's not just one thing, it has affected every aspect of society.

Sam speaks: It has its roots down and now this is it, it is as far as it can go, now it is reversing and now with these marches with these convoys it activated this whole thing and now this scripture can be applied where that strong man can be bound. There is an infrastructure and now it is up to how God is going to direct his heart. Is God going to harden his heart so that he does not listen to the people we do not know, we do know what is going to happen on the side of the convoy, the people are not going to back down any more they will go to civil war and they will do whatever it takes, they are not backing down period.

Lorraine speaks: I was reading in Deuteronomy how God did not let the children of Israel take possession of Esau, Mount Seir, and the possessions of Moab and Ammon because they were the descendants of Lot. Unlike the land of Sihon king of Heshbon. Unlike the land of Sihon king of Heshbon that we read in *Deuteronomy 2:*

30. But Sihon king of Heshbon would not let us pass by him: for the LORD thy God hardened his spirit, and made his heart obstinate, that he might deliver him into thy hand, as appeareth this day.

So whatever God is going to do with Trudeau's heart if he is going to harden his spirit, harden his heart that he can be manifested more it's all in God's hands how He is going to do. Like it says in Ephesians that He will work things out to the counsel of His will.

Sam speaks: If God is going to harden his heart I don't know. Like we were saying last week it is up to God how He is going to direct this, He directs the waters and He is going to direct his heart. Right now it does not look too good for him, can he still salvage himself, I do not know, whatever direction it goes, behind it all is God because God sees the whole picture. The country has to be cleaned up and it's not just the mandates that is not really doing nothing. Just by lifting the mandates will not cut it, it goes deeper, the way he is throwing money away just to get the country broke and the Vatican gets all that money. This carbon tax is a pile of garbage this environmental thing. What do you think you can do to control the planet there is nothing you can do it is actually this carbon tax that is designed to destroy it.

Lorraine speaks: It is, I always said North America is a wealthy nation and what makes it poor are all these regulations and these

programs that they have in place. Just like all that personal protective equipment, PPE this safety equipment that you had to put on just to drive a truck at Payne they made you wear a hardhat just to walk across the yard, and walk around your truck, and people might say what is wrong with that. I'll tell you what is wrong with that, behind it is a spirit to take God out of the equation so that they can control you. It is all a diabolical anti-God program. It sounds good and they have the right name for it but behind it is the spirit of Satan to take you away from God and put your trust in a safety vest and a hard hat. If your walk in His will God will protect you.

As I said before, I always said, even before Trump came to be President, if I would be president the first thing that I would do is drop every program that hinders production and all these regulation that hinder product in order to deplete this country. They are not set there for the good of the country they are placed there to put a damper on it, and who gets all these funds from Al Gores global warming, all these programs and the people pushing them, they are connected to the Vatican, it is all a Vatican program how to deplete a country of their resources so that they can come in and take over the country. The Chinese are just a tool that they use, don't be deceived they are just a tool at the end of the day these Eastern Communists will go up against Europe. That is where they are going to meet their waterloo at the battle of Armageddon.

Sam speaks: See you and I, we know the program and we can talk about these things if you don't know who the real enemy is then it is just taking potshots, see we go to the heart of the thing because God has honed us out before the foundation of the world. If you read Ephesians one how He predestinated us and designed us in such a way all the way back before there was even a star and he knew the makeup that we are going to need, He knew that we are going to need each other because 10-15 years ago when He told me to pick you up and go trucking, He told me that without you there is no program. So back before the foundation of the world, God knew that, that it is going to need the two of us to bind that strong man and flush him out, and He knew that we are going to have all the qualifications. That we will believe the church age messenger and all this, the prophet of the age, that when we come in contact with him we are not going to reject

him so that we can be part of the nucleus of people that have the power to do that very thing and it is going to end up to that living water.

That living water is simply the journey to the marriage supper of the lamb, and if you miss that living water then you are going to have to be beheaded. This is the final chapter to get out of this nightmare that we are in, simply because there are only 3.5 years left and then you go to the marriage supper of the lamb. We are not telling you the time of the rapture, we are telling you at the Yom Kippur of 2021 October 15 is when those 7 years started, that 70th week of Daniel. When you know the true Yom Kippur, the feast of atonement, when Jesus makes Himself known to the Jewish people, that is on now. It is not going to happen in a 24-hour setting, that has a 3-year timeframe to take place. The prophets will come on the scene to tell them to flee to America. See you and I, we know the program and we have the program down-path. We can go back and sit with the God of Heaven, with that great eternal spirit. We can sit there beside Him and see how He planned this thing, how in His great mind He came up with this great plan. God knew every drop of water that He is going to need and we are sitting there and from there once that plan was made it was a complete done deal, and it says right there in Ephesians. It is saying that nobody is going to get passed that plan that He made back before the beginning of time because if it does, He is going to flex His arm, that is why Lucifer ended up in Hell because he was trying to bring in a program that was not decided on back in Ephesians one. He ended up down in hell and those subjects that were already down there said to him when he arrived - have you become weak as we.

Isaiah 14:

*10. All they shall speak and say unto thee, **Art thou also become weak as we? art thou become like unto us?***

11. Thy pomp is brought down to the grave, and the noise of thy viols: the worm is spread under thee, and the worms cover thee.

12. How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!

13. For thou hast said in thine heart, I will ascend into heaven,

I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:

He was going out of his jurisdictions he was created for a certain specific job and he went out of it and he went beyond what he was created to do, and God intervened and he was cast down. That is where all these wars come in, it is Satan driving these wars to do what, he still has that ambition this new world order thing and it is just a farce, it is just satan's idea, but when we tell people that now they are so brainwashed into this new world order thing they think that it is actually going to happen. Now here we come along and we tell them it is null and void, as of in eternities past. It was null and void back in that great counsel and we don't have anything to worry about. It is just the fact that you and I, we know that Word, and by knowing the Word we know the day and the hour that we are now living in. We can truly say that Jesus is down here, He is down here in spirit form you will not see Him and He is going to reveal Himself to the Jewish nation in spirit form, they are not going to see Him literally, but the 2 prophets are going to reveal Him to them.

Like I said, it is not going to be Jesus that comes down and checks the guests through, it is going to be people down here who He has entrusted to deliver that living water. That is the way God works when you use your intelligence you can't see it that way, but because we have allowed the spirit of God to direct us, to lead us to brother Branham, to the church ages message, and all these things that the Lord has done with us for the last 30 years. He brought this light to us, and the fact that He brought this prophet on the scene and we believed it and we embraced it with a passion. There is nothing that is going to divert us off. They have been trying to divert us off, first of all, the family, and every entity that the devil can get his hands on. That is why it is just the two of us here because we can't have someone negative around that the devil can infiltrate to try to destroy this little fellowship here. It is just the two of us we see eye to eye, it is just that simple. You see the same thing and I didn't brainwash you, you found that out yourself you found the prophet before I even knew you, and then when I got up the other morning with the scripture to bind that strongman and you were already on it. You were already engaged in it, the ball is already rolling because we are of the same spirit, the spirit

of God, and He shows you things as I said some time back, you say it and I think it or vice versa. That is God's thing that He is doing here it is not our thing and now we have the power to go in and do what - To bind that strong man, and it is a dead-on shot; it is dead-on hit. Like when you go hunting and you shoot a deer you get him in the head and you hit the bullseye.

I was thinking during the week, that is what I did back 30 years ago, it was the same scenario back in the Hutterite colony. This bishop Kleinsasser rose up, he is actually a pope and he tried to do the very same thing that the Pope's did in the dark ages, he brought in these things that were so very anti-God and anti-Bible and I am sitting back and watching all of this I knew it is not right. I was right in his program and I sat back and watched as people started rising up like they were doing up until now, and they started to take potshots at him, this Ben from Rock Lake took a potshot at him, these guys from Aspenheim took a potshot at him, there were people that had receipts and proof but they had to go home empty-handed because they went after the man, not after the spirit. I am sitting back and I am watching this because the Lord had ordained back when He saved me, He said, I have set you as a watchman over the Hutterite nation. That is as simple as it is, black and white, so here I am watching and observing this, and I got involved with my father-in-law and told him you are the man that can stop that bishop from his diabolical things. He said, he agrees with me, but see, he said, we need each other. I build a killing plant and he built a shop and we are going to support each other right or wrong.

Anyway, at the end of the day, these people were only doing potshots and more potshots. I had some friends out of the colony and this one guy gave me some tapes, and I said it before, about spiritual warfare, and then I saw scripture in the Bible if you can get two or three people to agree with you, then I am going to do it for you. At that time I was going to these prayer meetings, until that prayer meeting was administered it was just potshots it was not going anywhere. I don't know how many people tried, that Leonard from Delta tried, and they were getting very verbal, and then what that Jake Kleinsasser would do is he would threaten them, if you say one more word you are done, you are out. I saw all of that taking place and I saw the same

scenario during the week again, you have to be willing to put your life on the line because when you go up against that tyrant you are going to be terminated. Unless you are willing and unless you have sat down and considered what it is going to cost you to go with this army against that army, or if you can build this tower and finish it off or else you are going to be the laughing stock of the county. I observed this thing it took me two-three years and I saw all of these things developing and building up, and once I found that scripture if you can get 2 people to agree with you, to put that guy out of commission, that strong man, then I will do it for you, and that Friday morning when we were up at that prayer meeting we got 4 people at the prayer meeting to agree. I told them we have a problem, there is this tyrant, everybody is trying to take potshots at him and he is a danger to that whole Hutterite corporation, if he continues he will completely do away with that system, there will be no Hutterite colony left anymore. He even said as much, he said, if I had 6 more weeks I would have had them exactly where I wanted them. Where is that, sold them to the Vatican. That is what the spirit behind it was, up until we went to that prayer meeting that is the direction it was heading, then 9 months later he was terminated, that split came in, he still existed but he didn't have that sting anymore. He couldn't enforce his diabolical plan, up until then he could go up to Rock Lake and tell that boss there that opposed him you are done, you are off the job. He could go into Aspenheim and completely seize that whole colony, just shut it down he could do that because he was that strong man, but the minute we administered that prayer meeting, guess what, the Lord began to move because he found somebody that was willing to lay down his life, to lay down his life for that Hutterite nation, otherwise there would be none.

When God saw that, He started to get things into motion He raised up that Gibb that wrote that book, He raise up entities, he raised up Joe Wipf from Pearl Creek down in the states, he was the elder down there and he was like a fiery brand. My father told me about it, he said he has never seen something like that, he had a mission to accomplish and he was going to get that mission done. See these people they could not get out of it anymore, because now the strong man is tied, and he is left on his own, and he can't do

anything on his own, but had that strong man not been bound he would have just walked all over them again and again, and again. The minute that that strong man was gone the Lord of glory found somebody that was willing to put his life on the line then He goes on the move just like with Queen Ester.

Here this thing is the same thing, we have been watching this Sidney Powel, we have been watching how they have been trying to go up against this thing in the Whitehouse, and all of that nobody is even giving them an ear. We went before the counsel of God, we went to the supreme court of Heaven and we shut that Chinese thing down. Then you see what is happening down in Arizona and really what it is they are just taking potshots and what is behind it all is the spirit of that Vatican. Just when the whole country and the whole state are in to try to get these votes counted they can't get it pulled down, and there is one person that stalls it. That is the spirit of that strong man. We watched it and we observed it for two years now. We saw this election and nothing is coming from it, even Mike Lindell, look at all the effort that he is putting in there, trying to get the election pulled down but it is not going to happen until God opens up the time where that strong man can be bound. Behind all of it is the Vatican and Papal system the office of that Pope and that is what we have done this week. We bound that strong man and now the system is going to collapse you are going to see it all fall like dominoes. Now Arizona will finally get her thing done, and one after another, but it was not until that strong man got bound.

Until then it is all just potshots they are strong potshots. Those are pretty strong potshots that Mike Lindell is throwing out there with that Cyber Symposium. They have the proof and everything but it is all quenched by the media, Fox news they have a way of shutting it down because behind it all is the spirit of Satan. Human Beings cannot go up against Satan you have to have the spirit of the living God, you have to have the Holy Ghost. That is what we are doing here, this week we are shutting down that spirit, simply by the Word of God, that is all we are doing. It is a very simple process, but you have to be able to pinpoint and you have to have the qualifications, you have to have that armor of truth, you have to have all the spiritual weaponry and

then the most important thing is you have to know the day and the hour that you are living in so that you can call this thing out.

This would not have worked 200 years ago, or even 50 years ago, it had to be this week when that march is in high speed, that trucker convoy right at the pinnacle and now you will see it crumbling. How God is going to direct this guy I don't know, because the God of Heaven was waiting for that opportunity for someone to bind that strong man, somebody that qualifies to do that, He could have told Arthur Palowski to go bind that strong man, He could tell him ten times - Arthur bind that strong man, because he claims to be a Christian but he would not have known where to go. He wouldn't know anything about the church ages, he does not have the machinery. Like I don't even believe that he is baptized in Jesus name. One of the most important things is to be baptized in the name of Jesus Christ, by immersion, and you have to have all the qualifications. You and I are the only 2 people that could do this job, and we do it gladly, we put our life on the line and it has cost us everything, the family turns against us, your own family wants to take you to the mental home. All these things, but you have to be willing to lay down your life for your country, for your people, for the Lord, for His sake and the gospel. It says so in *Luke 14*:

26. If any man come to me, and hate not his father, and mother, and wife, and children, and brethren, and sisters, yea, and his own life also, he cannot be my disciple.

27. And whosoever doth not bear his cross, and come after me, cannot be my disciple.

Mark 10:

29. And Jesus answered and said, Verily I say unto you, There is no man that hath left house, or brethren, or sisters, or father, or mother, or wife, or children, or lands, for my sake, and the gospel's,

30. But he shall receive an hundredfold now in this time, houses, and brethren, and sisters, and mothers, and children, and lands, with persecutions; and in the world to come eternal life.

Lorraine speaks: There are a lot of people that are not willing to lose their life, it says in *Mark 8*:

35. For whosoever will save his life shall lose it; but whosoever shall lose his life for my sake and the gospel's, the same shall save it.

There are a lot of preachers who are not willing to lose their life they want that position of power over people, like that preacher from Valley View that Levi these preachers they are not willing to lose their life, or their position or their job. What is going to happen is in the end they are going to lose it all, they have not accumulated anything in this life whatsoever, but if you are willing to lose your life for His sake and the gospel you will gain, because you will have built up a reward in Heaven, and that is what our life is all about. We are not here to gain wealth and fame, we are here to live for Him according to the Word of God.

Sam speaks: That has always been my ambition and my prayer - Lord use me for your glory. That is why I have been in the Bible since the Lord saved me when I was 23 years old. I made a lot of mistakes along the way, and like I've said sometimes I get faint in my heart, but you have to dust yourself off and keep going. The Lord has found us worthy to bring that meat in due season because we have a reverence and respect for the Word of God. I was going to say during the week it is not God, it is not Jesus, it is the Word of God that is going to have the final say-so because God has put His Word above His very name. God is accountable to His Word, even if He would like to change it He couldn't, because it's in His Word. Jesus when He went to Calvary, it was that Word that put Him on the cross. He tried to get out of it, but God that great eternal spirit had it in the Word, and Jesus knew what the Word says, and there was no other way. Jesus said if there is no other way then I'll take it, I'll drink it, the many times that I would have liked for God to give me a break, and if there was no other way out of this.

I was reading in Exodus when God instructed them to build the Tabernacle and to bring the offerings and material, and He said those that voluntarily bring the material to build the tabernacle. You and I, we volunteered our life to go on this journey to lose it all, we voluntarily did it. Nobody stood over us with a big stick. I just read my Bible I wanted to be blessed, when the Lord told me about this prophet if you believe it you will be blessed. Well, I chose to believe it even though I was terminated and excommunicated because I believed the prophet. That was the truth, that is what I saw in the Bible.

I know when people will hear this message it will be so foreign to them because when you go on Twitter and try to tell people that it is the Vatican you will not get very many likes. They will say the Rothschild this, that, and the other, but they are just playing a part in it. These are all entities and behind it all, is the spirit of Satan, and behind that is that strong man and we bound him. The Bible says in Jesus name you bind them. First you bind that strong man before you can go into Ottawa, you have to first bind that strong man, before you can see Central America, Venezuela, and before all these countries can flourish you have to first bind that strong man. We will read it again in *Matthew 12*:

24. But when the Pharisees heard it, they said, This fellow doth not cast out devils, but by Beelzebub the prince of the devils.

25. And Jesus knew their thoughts, and said unto them, Every kingdom divided against itself is brought to desolation; and every city or house divided against itself shall not stand:

26. And if Satan cast out Satan, he is divided against himself; how shall then his kingdom stand?

27. And if I by Beelzebub cast out devils, by whom do your children cast them out? therefore they shall be your judges.

28. But if I cast out devils by the Spirit of God, then the kingdom of God is come unto you.

29. Or else how can one enter into a strong man's house, and spoil his goods, except he first bind the strong man? and then he will spoil his house.

30. He that is not with me is against me; and he that gathereth not with me scattereth abroad.

That is the scripture that we got when I came out Tuesday morning when I got up. See God is not going to give you that order if you don't qualify. As I said earlier, we get our orders from Heaven, we don't get it from a church curriculum. That is where I got it from, last week the Lord gave us - The heart of the king is in the hand of the Lord. This is what the Lord gave us this week and all week we pursued it, and this is simply what we are doing, God gives it to us to speak and then we speak on it then it says, my word will not return void. That is why it is important for us to have this conversation. It

originated from Heaven, I got up and this is what the Lord put in my heart, and we had a conversation on it and by the spirit of God He was already dealing with you on the same thing, and we combined it and by speaking on it then these words that were inspired by God will not return void. They go into the heavenly realm even if nobody ever hears this message or sees it they still goes into the heavenly realm and God is going to see to it, because God is accountable to His Word, that they do not return void, it was not your idea, it was not my idea. See to prove it, let's say I would get up and it was just my idea and you are not connecting with me what I am saying, and it would be out of line, but when I get up and I get something and you are already on it. In fact, you even phoned up Candace Berman's office. It consumed us all day and at the end of the day we are going to knock that thing out of the park and it will all fall like dominos, just like that Hutterite thing did. That bishop still kept going but we took that sting out of him that he could no longer enforce his garbage on the people.

Lorraine speaks: Even when you look at what happened at the Reformation with Martin Luther it was 1520 when that beast was dealt a deadly blow and it was wounded, but it was not until Napoleon came in 1792 that he came to put the pope into prison.

Sam speaks: These things in the natural take a while to manifest itself, but it had a starting point Tuesday night at 10 o'clock we went on our knees we just bound that thing in the name of Jesus we saw it for what it is the Vatican that office of the pope and it began to crumble and you are going to see it as time goes on. You might see bloodshed it is not going to be over in a day, just like when Queen Esther went to the king, if I die I die, and that was the beginning of the restoring of the Jewish people of what Haman had done, otherwise they would all have died. They did not have any way to protect themselves, because the seal of the king was put on the document but what he could do is write another letter that they could go and arm and defend themselves.

That is what I can say to Canada and I saw it this morning, get some guns, it might get worse, arm yourself up it might get bad, just get them. We don't know how far it is going to go.

Lorraine speaks: We only know what we know from George Washington's vision we know that with the first peril came the

revolutionary war, the war between Britain and America to get the Brits out of America ,and then there is the civil war, the north against the south against slavery, and the third peril it has started but you don't see any bloodshed yet, but when you read it, it says that it is going to be the worst peril. The third peril is going to be worst than the other two.

Sam speaks: So this thing is building up and building up and you better have your guns loaded because what that angel told George Washington about that first peril, and the second peril they happened exactly word for word. After the Civil war in the vision, they said we are brethren and laid down their weapons and stopped fighting, so the north and the south came together, but here there is no brethren here in this third peril is a dark omen, and it will be Kathie bar the door.

Lorraine speaks: With every change comes conflict, people don't automatically switch over, these people are sold out to do evil. They are not going to change their mind. It says in *Revelation 22*:

11. He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still.

These people are not going to change their minds overnight.

Sams speaks: They have already made up their mind. I was reading something, I pretty much know the Bible by heart I used to think that it says that things will wax worse and worse but it says the wicked will wax worse and worse *2 Timothy 3*:

13. But evil men and seducers shall wax worse and worse, deceiving, and being deceived.

Then in Daniel is says, *Daniel 12*:

10. Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand.

It is the evil man, I thought it was everyone but it is only those that are evil that have nothing inside of their DNA that they could even respond to something good.

Lorraine speaks: If you look in History with the wicked every time it resulted with war. It does not transpire without one, they don't decide to come together one morning and sign a peace treaty and

everyone is happy these people have sold out to be evil and wicked, and to deceive.

Sam speaks: Like we were saying with the January 6 episode that determined what side they are on they can dance and sweet talk all they want, they made up their minds, those politicians when they refused to hear the voice of the American people to do an audit for that election fraud. They made their decision, they exposed themselves if they can go after Trump after 4 years what he did for them. They were ready to collapses like Britain until Churchill came on the scene. That is the same way with America they were done, and after 4 years they are ready to throw him under the bus. These are these sick politicians, and I tell you I have no empathy for none of them. They have made their decision they have made up their mind.

Lorraine speaks: It says God will expose all the motives and the intent of the heart, and these things are all going to be exposed before His coming.

Sam speaks: It is going to be so obvious that is why it says the wicked will so wickedly. So much so that it will be there for everyone to see. All it is is potshots, if you have not bound that strong man. How does it read it in Mark, the devil is what keeps this thing in tack, he keeps it together and brings all these different parties together like in the United States it is all one big party that is how the devil does it he has united them, the Rhinos and everything. Here in Canada too, that Conservative party is just as united as the Liberals to destroy the country in many aspects.

Lorraine speaks: They are, it is almost as if they have some kind of a meeting to see who is going to be elected and who is going to be the winner, whether it will be a Republican or a Democratic. It is all so planned out.

Sam speaks: Behind all of it is the spirit of Satan, the Vatican is behind who is going to be the leader, but they did not foresee Trump.

Lorraine speaks: No, that they didn't that is what put the nail in the coffin, they had it all so planned out, in the year of 2025 they would have had the people in such a way of being deceived and under control that when they brought in this propaganda they would have been so paralyzed and would have gone along with everything,

because it was last year January 6 that I saw how close they were in taking this country. Trump put a stop to their diabolical plan.

Sam speaks: You were asking yesterday why they do not hear us, see Satan has succeeded in snuffing out light and the truth. Jesus asked His disciples when the Son of Man comes will He find faith on earth. Satan has successfully succeeded in taking away anything that even resembles the truth, that is why they don't hear us. They read the books but they don't do anything for them because Satan has brainwashed them to the point of unbelief and now they have to unbrainwash themselves and you have to wait until the timing is right. Where people see for themselves what is going on here. Just like that convoy a year ago you could not have this conversation we are having here but now the whole country is up in arms, we can't continue down that path, it is not doing anything for us, the country is done if we don't step up to the plate.

In Mark 3:22 it reads

22. And the scribes which came down from Jerusalem said, He hath Beelzebub, and by the prince of the devils casteth he out devils.

23. And he called them unto him, and said unto them in parables, How can Satan cast out Satan?

24. And if a kingdom be divided against itself, that kingdom cannot stand.

25. And if a house be divided against itself, that house cannot stand.

26. And if Satan rise up against himself, and be divided, he cannot stand, but hath an end.

27. No man can enter into a strong man's house, and spoil his goods, except he will first bind the strong man; and then he will spoil his house.

28. Verily I say unto you, All sins shall be forgiven unto the sons of men, and blasphemies wherewith soever they shall blaspheme:

29. But he that shall blaspheme against the Holy Ghost hath never forgiveness, but is in danger of eternal damnation:

30. Because they said, He hath an unclean spirit.

Lorraine speaks: That is why I always say people have no fear of God when they talk about things that they know nothing of. They were blaspheming the Holy Spirit by condemning what Jesus was doing.

Sam speaks: They were trying to convince the people that Jesus was not of God that He was of the devil.

Lorraine speaks: That's right, that is why I always say people have no fear of God when they do these things. They talk about things that they know nothing of, and they defile themselves.

Sam speaks: Then there are those kinds of people they know in their hearts that we are right and then they go and try to prove that we are wrong which is a double whammy.

Lorraine speaks: That strong man can not have been bound until the time is right otherwise it would leave a void and until people are ready to stand up and be counted for, that is how it is going to be, but once people are willing to stand up and be counted for and take responsibility and be accountable for their lives and the things around them and then they can take the country back from these tyrannical governments as, we the people. Until that happens that is how it works.

Sam speaks: It is all to know God, This is life eternal, to know God and Jesus Christ whom he has sent, John 17:3. That has been our passion to get to know this great God as we said in the conversation - Oh that I might know Him. Without knowing God you could not do these mighty exploits, because it says over in Daniel the people that know their God will do these mighty exploits. That is a mighty exploit that we did here, and you are not going to see any earthquakes and no firestorms and fireworks going off, just ordinary daily procedure. It was just that time was right for God to open it up, that scripture opened up in my spirit and in my soul, bind the strong man Sam, bind the strong man. They are all just taking potshots they are wasting their time and their fuel going down there but see we care about people we tell them the truth. We have already put our life on the line and we qualify to go in and bind the strong man, we met all the criteria I don't know what more we could do. We lost it all simply because we care about people enough to tell them the truth. This is not costing people anything this is not a program where we are doing it for money it is simply one thing we care about people we don't want

them to get lost. We are not willing that any should perish. That is our motivation factor what they do with it will their decision, at least we will not have their blood on our hands. I have been beating the drums for 30 years and I will still be beating them, I have no ill feelings about anybody. If time was to go on I'll do it for another 30 years because that is my job, that is what the Lord inspired me to do and that is what I am doing.

Jesus came to destroy the works of the devil, now Jesus is not here so He uses us to destroy the works of the devil. That thing in Ottawa is the works of the devil, it is a complete program of genocide. That thing down in the Whitehouse that is all the work of the devil, and that election fraud in Arizona this stealing this election it is all the works of the devil. We are part of destroying the works of the devil that is why all week it has been - bind that strong man. To a lot of people it will be foreign they have never heard of such a thing, even that Arthur Palowski, he is out there marching and taking a stand to the best that he knows how, and he will be doing it for the next 50 years, because that strong man is not bound, and it has to be bound by someone that has the qualifications. One that has been baptized in Jesus name and has all that is needed for the job, that is delivering the meat in due season and that know the hour that we are living in and that has on the whole armor of God to the core. To have all the weaponry to combat these demonic forces. If we would not have that the devil would come in and destroy us in a heartbeat, he could kill us on the way down to the store, but he can't because we are in the palm of His hand, we have Psalm 91 and those pestilences can't touch us. Like as if it is not even in the country. We didn't even have a thought that it could touch us that is how faithful God is. If we do our part He does more than His part, many times I am amazed at how faithful He is. He called us out to do this we gave our lives to Him, He tapped us on the shoulder and said let's go I have a work for you to do. No problem and here people think that they own us, that Hutterite system it thought that it owns us, they coerce you into taking these baptism vows, and they coerce you into this baptism. The minute I saw the light of what it is all about I discarded that whole thing and I went and got baptized in Jesus name Acts 2: 38. Until that time that thing had a hold on me.

See we met the conditions to do the things that we are doing here and to have this conversation, and as we mentioned it says, my words will not return void. That whole system is going to crumble like dominoes and everybody will want to take credit. Mike Lindell will want to take credit for pulling down this election fraud, but nothing can happen without first binding that strong man and we don't want any credit just leave us alone to do our thing. That is the only thing that we live for on a week to week basis is to hear from the Lord. If I can only get something from the Lord that is all that I care for the rest does not matter. We will always have more than enough. That is about all that I have to say.

Heavenly Father we just had a conversation around your Word, I just pray that you will take what has been said and that you will draw the picture for the people that they will be able to see the hour that we now living in and that we are not just some fly by nighters trying to make a name for ourselves. I just pray that you will show the people that we are only doing what Jesus did when He was here and He said I don't do anything unless I see my father doing, and we don't do anything without your orders. I just pray that you will burn it into the hearts of people that this is that, this is that meat in due season, and what we are saying here is spot on, I just pray that you will give that increase in Jesus Christ name we pray, Amen
