

HALLELUJAH, PRAISE THE LAMB

*Hallelujah, praise the Lamb
I will sing His praise again
Hallelujah, praise the Lamb
Hallelujah, praise the Lamb
Hallelujah, praise the Lamb
I will sing His praise again
Hallelujah, praise the Lamb*

*Hallelujah Hallelujah Hallelujah
Hallelujah Hallelujah
Hallelujah Hallelujah Hallelujah*

'TIS SO SWEET

*'Tis so sweet to trust in Jesus,
Just to take Him at His Word
Just to rest upon His promise,
Just to know, "Thus saith the Lord!"*

Chorus

*Jesus, Jesus, how I trust Him!
How I've proved Him o'er and o'er
Jesus, Jesus, precious Jesus!
Oh, for grace to trust Him more!*

*I'm so glad I learned to trust Him,
Precious Jesus, Savior, Friend
And I know that He is with me,
Will be with me to the end.*

*Oh, how sweet to trust in Jesus,
Just to trust His cleansing blood
And in simple faith to plunge me
'Neath the healing, cleansing flood!*

*Yes, 'tis sweet to trust in Jesus,
Just from sin and self to cease
Just from Jesus simply taking
Life and rest, and joy and peace.*

LEANING ON THE EVERLASTING ARM

*What a fellowship, what a joy divine
Leaning on the everlasting arms
What a blessedness, what a peace is mine
Leaning on the everlasting arms*

*Leaning, leaning
Safe and secure from all alarms
Leaning, leaning
Leaning on the everlasting arms*

*What have I to dread, what have I to fear
Leaning on the everlasting arms?
I have blessed peace with my Lord so near
Leaning on the everlasting arms*

MY WAYS ARE NOT YOUR WAYS

*1. Oft the way to the goal seems so weary and long
Trials almost take away our song
Then we sigh and we cry and we ask Father, why
Does this life my wishes all deny?'*

*Ch: My ways, My child are not your ways
My thoughts are higher than thine
Let Me lead you each step of this long weary day
Let Me clasp thy trembling hand in Mine.*

*2. It is my heart's desire to do His blessed will
And to serve my Master every day
But when things all go wrong and the world doubts me still
Then, oh Lord, I cannot understand.*

3. So I'll leave all to Him, He has promised to share
All my load and every care to bear
There is joy in my heart and on my lips a song
Even though, Lord I don't understand.

THE LILY OF THE VALLEY

I've found a friend in Jesus, He's everything to me
He's the fairest of ten thousand to my soul
The Lily of the Valley, in Him alone I see
All I need to cleanse and make me fully whole

In sorrow He's my comfort, in trouble He's my stay
He tells me every care on Him to roll
He's the Lily of the Valley, the Bright and Morning Star
He's the fairest of ten thousand to my soul

Oh, He all my grief has taken, and all my sorrows borne
In temptation, He's my strong and mighty tow'r
I have all for Him forsaken and all my idols torn
From my heart and now He keeps me by His pow'r

Though all the world forsake me and Satan tempt me sore
Through Jesus, I shall safely reach the goal
He's the Lily of the Valley, the Bright and Morning Star
He's the fairest of ten thousand to my soul

He will never, never leave me, nor yet forsake me here
While I live by faith and do His blessed will
A wall of fire about me, I've nothing now to fear
With His manna, He my hungry soul shall fill

Then sweeping up to glory to see His blessed face
Where rivers of delight shall ever roll
He's the Lily of the Valley, the Bright and Morning Star
He's the fairest of ten thousand to my soul

MY HOPE IS BUILT ON NOTHING LESS

*My hope is built on nothing less
Than Jesus' blood and righteousness
I dare not trust the sweetest frame
But wholly lean on Jesus' name*

CHORUS

*On Christ the solid rock I stand
All other ground is sinking sand
All other ground is sinking sand*

*When darkness veils his lovely face
I rest on His unchanging grace
In every high and stormy gale
My anchor holds within the veil*

*His oath, his covenant, his blood
Supports me in the 'whelming flood
When all around my soul gives way
He then is all my hope and stay*

*When He shall come with trumpet sound
Oh may I then in Him be found
Dressed in his righteousness alone
Faultless to stand before the throne*

I NEED NO MANSION HERE BELOW

*When burdens come so hard to bear
That no earthly friend can share
Tears drive away the smiles and leaves my heart in pain.
Then my Lord from heaven above
Speaks to me in tones of love
Wipes the tears away and makes me smile again.*

Chorus

*I need no mansion here below
For Jesus said that I could go
To a home beyond the clouds not made with hands.*

*Oh won't you come and go along
We will sing the sweetest song
Ever played upon the harps in gloryland.*

*Oh the thought to me is sweet
That my loved ones I shall meet.
At the ending of the journey here below
Seems I hear their voices blend
In a world without an end
I won't worry when my time shall come to go.*

*When Jesus comes to claim his own
I will move to my new home
I'll walk and talk with him upon the streets of gold.
A mansion is waiting me, soon it's beauty I will see
In that city where we never shall grow old.*

O HERR JESUS DU BIST WERT

*O Herr Jesu, Du bist's wert,
Dass man Dich im Staube ehrt
Dass man Dich beständig lobt und ehrt
Niemand ist so gut wie Du,
Meine Seele jauchzt Dir zu
Meine Seele jauchzt Dir freudig zu.*

Chorus:

*Von der Erde reiss mich los
Mache meinen Glauben gross
Gib mir einen treuen Sinn
Nimm mich ganz, mein Jesus, hin.*

*Deine Hand hat mich gemacht,
Wunderbar ans Licht gebracht
Wunderbar ans helle Licht gebracht
Und Dein Blut hat mich erlöst,
Dass ich ewig sei getröst't
Dass ich nun auf ewig sei getröst't.*

*Huldreich blickest Du mich an,
Sagst mir, dass ich kommen kann
Sagst mir, dass ich zu Dir kommen kann
Und dass Du der Sünden Schuld
Nicht gedenkst nach Deiner Huld
Nicht gedenkst nach Deiner Gnad' und Huld.*

ICH WEISS EINEN STROM

*Ich weiss einen Strom, dessen herrliche Flut
Fliesst wunderbar stille durchs Land
Doch strahlet und glänzt er wie feurige
Glut Wem ist dieses Wasser bekannt?*

*O Seele, ich bitte dich, komm
Und such diesen herrlichen Strom
Sein Wasser fliesst frei und mächtiglich
O Glaub's, es fliasset für dich.*

*Wohin dieser Strom sich nur immer ergiesst
Da jubelt und jauchzet das Herz
Das nunmehr den köstlichen Segen genießt
Erlöset von Sorgen und Schmerz.*

*Der Strom ist gar tief und sein Wasser ist klar
Es schmecket so lieblich und fein
Es heilet die Kranken und stärkt wunderbar
Ja machet die Unreinsten rein.*

*Das Wasser des Lebens, das ist diese Flut Durch
Jesum ergiesset sie sich
Sein kostbares, teures und heiliges Blut
O Sunder, vergoss Er für dich.
"Wen dürstet, der komme und trinke sich satt"
So rufet der Geist und die Braut
Nur wer in dem Strome gewaschen sich hat
Das Angesicht Gottes einst schaut.*

Help is on the way, but it is not the way people think that it is coming, it is not like a million dollars package. That is what I have been thinking about all week, I have a thought and it is pretty hard to bring a thought out, and to bring it all together. We are going to read from *Matthew 6*:

31. Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed?

32. (For after all these things do the Gentiles seek:) for your heavenly Father knoweth that ye have need of all these things.

33. But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.

34. Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof.

Heavenly Father we just read your Word I just pray that you will help me to expound on the things that you have allowed me to see throughout the week Lord, I just pray that you will give that increase in Jesus Christ name we pray, Amen.

It is pretty hard to bring out this thought - Help is on the way. To bring it out the way God wants it to be brought out, because back when Jesus was here, He said - My peace I give to you and my peace I leave with you. *John 14*:

27. Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid.

When God gives you His peace, His joy, and all of that then all of a sudden everyone is on your case, it seems like every devil in hell is after you, they want to take you to the mental home, they wonder if you are all right. Jesus said - Let not your heart be troubled. Peter goes on to say in *1 Peter 4*:

12. Beloved, think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you:

That is all part of the program, and here it is the same thing when I am saying help is on the way. I like to help people, that is just part of my makeup it is just who I am, at the end of the day I want to help people.

Just like back in the days of Moses, Moses was concerned he saw the Israelites and with everything they were going through in Egypt and he wanted to help them. So he did it naturally, he went out and he had such a zeal for these Israelites that he ended up killing an Egyptian and here I had such a zeal to help people and the natural man he thinks naturally, so I was thinking if I had a million dollars I could help people. If I had 200, 000, 000, or if I had a bunch of money I could help people out. I could pay off their debt, there is a lot of good that I could do, I think I even made a list of all the good I could do if I ever happen to win a lottery. I remember I was trucking at that time. I went into California and as soon as I crossed the border I was wondering what the lottery is in the United States it used to be pretty big. I had not been trucking for a while at the time, because I had stopped for a while and then I went back to trucking again, and the first thing when I crossed the border when I came to Billings MT and I looked at the Newspaper and in great big bold letters it was written Wednesday night lottery 268,000,000. My head went into a spin when I thought of what all I could do with that money.

This guy here needs some money and that guy over there needs some money, all because inside of me there was something yearning to help people. I almost worked myself into a frenzy, and that is how I tried to go to sleep, and then the Lord shows up, Sam, you are going to have to make up your mind who you are going to put your trust in, are you going to put your trust in me or this lottery thing, you are going to have to make that decision. I had to give up on that lottery thing, that lottery will run out and then you are going to have nothing but what the Lord gives that will never run out, so I decided right then and there that I am not going to buy any more lottery tickets, I am not going to put my hope in this lottery thing.

At the end of the day what is driving this is I want to help people, but see as we journey through this journey from where you and I are coming from the Lord wanted me to establish in who I would put my trust in. He knows what is in my heart and He knows that I want to help people but we are not going to go out like killing an Egyptian, we are going to spend 40 years in the desert and then the Lord will take me back there and really help people that is what He did with Moses. He spent 40 years in the desert and then one day the Lord appears to

him in a fiery bush and said let's go back and we are going to help people.

Here it is the same thing, the Lord put me through all of this, through all this journey, through the ministry of brother Branham and through the ministry of brother Jackson, through all of the denominations, and then He takes brother Jackson off the scene and He gets us to write an exam, He gets us to start up this website, then He brought you on board and now it is the two of us, and at the end of the day we want to help people, and it is not with millions, it is not with money because we tried, and it does not work. I tried to give money to my family and the more money you gave them the worse it got, and I am sure that you tried the same thing with your family. Here again, I repeat, help is on the way but it is not coming the way that you think that it is, the way that the natural man thinks it to be - Help is on the way.

When you say that they automatically think - oh I am going to pay his debts off. When you watch these movies, these Christian movies at the end of the day someone comes along and they leave them an inheritance, or they leave them money but that is not the way that God does things. God is going to help people but He is going to help them according to this scripture - Seek ye first the kingdom of God and His righteousness and all these things will be added unto you. I spent most of my life seeking for that kingdom. When the Lord brought me to the ministry of brother Branham I thought that I got it, but see, when it says, seek ye first, it lets me know that you have to go out there and look for it, He is not going to hand it to you on a silver platter, today that scripture is so powerful to me where it says -Seek ye first the kingdom of God and all His righteousness and all these things will be added unto you. The kingdom of God is simply the message for your day and hour. Back in the day of brother Branham, it was - Then shall the kingdom of heaven be likened unto a net. In *Matthew 13*:

47. Again, the kingdom of heaven is like unto a net, that was cast into the sea, and gathered of every kind:

48. Which, when it was full, they drew to shore, and sat down, and gathered the good into vessels, but cast the bad away.

Back in the '60s, God through the ministry of brother Branham was casting that net, and whoever came under that umbrella of that kingdom of Heaven he had it made, he was part of that kingdom of Heaven. First of all the kingdom of God is within you, once you are born again your spirit is born again, and then the Bible says, the kingdom of God is within you. Now the kingdom of God and the kingdom of Heaven are two different things, the kingdom of Heaven is an ongoing process, you can go and read in Matthew 13 where Jesus tells the seven parables. The first parable is Jesus sowing good seed, and it continues on. When you come to Martin Luther the 5th parable it was about that hidden treasure that he found it was hid in the 4th parable by the Catholic church when she hid the truth with her dogmas and creeds and that Nicene Rome water baptism in the titles of father son that holy ghost in 325 AD. God through Martin Luther started to restore and he brought the revelation out - **The just shall live by faith.** That was that hidden treasure and everyone that was under Martin Luther's umbrella they were part of that kingdom of Heaven, they were born again and the kingdom of God that is within you it linked up with the kingdom of Heaven that Martin Luther brought out in his hour and they had a glorious time.

I can't even imagine the glory that they had back in them days, you can see it in these songs that were written under the man-beast when that man-beast was predominated in the 14th century to the 15th century under John Wesley that is where we get all these glorious hymns from. I have to say if you don't know these German songs you are missing out on a lot because they keep you on track from this delusion that is out there. The world is now full of delusions and ideas and seducing spirits and we need these songs that were written back there under that man-beast. Here we are, I was thinking when Jesus asked when the son of man will come will He find faith, and you dug out that other scripture where it says faith will be taken from the earth in the last days, and the way of truth will be hidden that is why it is hard to come through to this generation. Now when you put that together as I said, and I pray that God will help me bring this thought out, there is so much in this topic - Help is on the way. You have to look at the environment of this world where there is no faith because

we know Jesus asked that question when the son of man comes will he find faith.

There is no faith out there that is why these seducing spirits are predominate out there and that is why it is so easy to tell people that we are in the third day because they have no faith. See we are still connected to that faith, we see things through the eyes of faith. That is why we can put these things out there and we can go back to when God had that great council that Paul writes about in Ephesians one. When He was done with that council it says that God is going to see to it that that counsel is going to be fulfilled right to the T, and if anyone gets in the way of that counsel it is Katie bar the door. Then when He put it into motion the first thing that He did was He created angels, when He was done creating angels, and you can read it in Isaiah, when He was finished creating that last angel, Lucifer sealed up the sum. There they stood. See we go by the Word of God, we don't go by our intelligence we go by what the Bible says and there in Job 38, you see how these angels, the morning stars, and the sons of God all sang in harmony and once God was finished with creating the angels, He created the universe. You can read it Lucifer sealed up the sum of angels in *Ezekiel 28:11 Thus saith the Lord GOD; Thou sealest up the sum, full of wisdom, and perfect in beauty.* Lucifer was created at the dawning of time, the universe holds time. God told Job in *Job 38: 6. Whereupon are the foundations thereof fastened? or who laid the corner stone thereof;*

7. When the morning stars sang together, and all the sons of God shouted for joy?

There you can see that whole angelic host when they were all one happy family, and the next thing God did was He created the universe and this planet earth to test these angels. If you have been listening to our conversations that we have been having you will know that these angels in Jude got tested first and they failed and God destroyed the life on this planet and then He tested the morning stars. I believe there are only three morning stars: Gabriel, Micheal, and Lucifer. Some people think there are seven, well they can go for it but I believe that there are only three morning stars. All these three, they are going to be tested now, and as they were tested Lucifer was found to be unfaithful. One day he rose up and he was found to be unfaithful.

What I am trying to get to is this we can walk through all these scriptures where God had that great counsel in Ephesians and we can walk right through that stream, as it says in that song - *Ich weiß einen strom*. I know a stream and that stream has never stopped flowing from the throne of God from when He started to first create, when He had that thought in His great mind, it was all a done deal. The lamb of God was slain before the foundation of the world everything is one stream. Here in this hour we tapped into the scripture when the son of man comes will He find faith, and you tapped into that scripture that faith will be taken and the way of truth will be hidden. Then you put it together, you and I, we still have the faith. We are still connected to that stream. That is why you and I can roll out that meat in due season because there is no obstruction in our understanding of the Word of God. When brother Jackson was here it was one happy family, it was a glorious time under that anointing, when brother Jackson went off the scene we thought things will just continue on, and before you know it here comes Allen out that we are in the 3rd day. As time went on there came a split.

Then like you were saying you were sitting here after that split and you were listening to Fred and you saw your picture getting muddy. The Lord had already given me that vision about Gideon where God is taking the church down to the river to see who is going to qualify to bring forth that meat in due season. So you were sitting here and you saw that it was getting muddy, and the Lord allowed me to see why these three hundred were picked. I can't prove it to you, these 300 singled themselves out. I am only assuming this but it makes sense those that made it through were up above the waterfall where the water was clean. I lived beside a river and there was a little dam there and below the waterfall the water gets murky. That is what you were seeing when you were sitting here when you were listening to these preachers and you saw the water getting mirky. When you mentioned it that is when I shared with you the vision that I had. That is what these ministers out there are now, they are just mirky waters, what you and I do we go up above the waterfall and we drink that crystal clear water, it is all interconnected simply because we are still connected to that stream. We are those people that walk by faith we see things by faith. The faith has not been taken from our eyes yet, we

can connect all the dots we know exactly what has been going on ever since brother Jackson left, and we continued on with this stream and that is why we can say help is on the way, but it is not going to happen the way the masses think that it is going to happen. Especially when they hear that it is supposed to come from us.

There again I want to go back to the lottery tickets the natural man wants help but he wants help with money. That is completely contrary to what we are presenting. We are giving you that kingdom of God, and you will have all your needs met, that is what it is all about - Seek ye first the kingdom of God and all His righteousness and all these things will be added unto you. If you believe what we are saying you really don't have to seek that kingdom you just take it and you walk in it, and God will make sure that all your needs are met, because He said He will when you seek first that kingdom, then all these things will be added unto you.

I remember back in the day I was still searching when I came to the ministry of brother Branham, I was still searching, I was looking for a job and I was looking for this and I didn't know what I was looking for, and then when the Lord brought me to the ministry of brother Jackson and that is when I knew that I found it. Then I was tested it says - Seek ye first the kingdom of God and His righteousness. That righteousness is simply to believe the message for your day. I was just coming out of the Branhamites, I was there for 2-3 years and I knew that they didn't have what I was looking for. When the Lord brought me to the ministry of brother Jackson there was no church here that I knew of, just a little group here, not what I was used to, because I was used to going to church every Sunday, and to me it was tradition Sunday morning meant time for church. When I went to the Branhamites they had church every Sunday and every Wednesday night, and when I came to this group here there was a transition taking place. The Lord is not going to tolerate me continuing to go to the Branhamite church because He had moved me on. The only problem was there was no church here, and Saturday night I prayed - Lord what I am to do, and where do I go to church.

That night I was able to hear a song, I had already been to Convention once down at Faith Assembly and the Lord brought that song to me - Endless supply - Upon the mountain, they followed the

Lord for days. I knew that song and I knew the only people that sang that song were the Faith Assembly people and there was a little group here in portage that is part of that group. So I knew, for a fact, that it was no use in going over to the Pentecostals, the Baptists, or to the Branhamites this is where the Lord wants me to fellowship, with this little group here. So I set my face as-a-flint, so to speak, that is where I am going to fellowship with this little group here.

Like I have said, I had already been to one of their meetings, I didn't think that it was much of a group here because they only got together about 3 times a year, whenever they would bring a preacher up then they would get together and fellowship. That was not the church that I was used to, but that was where it was at. Anyway, I got a call one day that Bud Thompson was going to be up here to do the preaching, and I already knew that I am going to be there. Once I knew that this is where its at then nothing was going to veer me off course, so I drove up to Moosehorn that is where they had their meetings at. I guess Lyle was calving and they couldn't get away during that time. It was around the spring of the year so I drove up there and then Saturday it was down here in Portage. Anyway just to give you a picture here, I am not complaining about this, I went up there staying at a hotel and when I got there everyone was invited to be at Lyle for breakfast, well I was not invited. When they come to portage they went out for lunch in the afternoon at that Koko Plaz place and I don't know why I went to that place, I didn't know that they were planning to go there for lunch. First of all, I had never been to that place, maybe the Lord was trying to test me, so I go there, and here the whole church was lined up for lunch. I was surprised to see them and they were surprised to see me. There again I was not invited yet I knew that this is where the Lord wants me to fellowship with this group here. They didn't invite me for breakfast and they don't invite me for lunch, not that this bothered me it just lets you know that the Lord was testing me - Sam, do you really believe that this is that. I set my face a flint I didn't care if I was invited or not, it is not about being invited, it is that this is where the Lord's anointing was at. Then of course we had service and I never missed a beat, I never missed one service that I know of, in fact, I promised the Lord once I found out where He wants me to go - Lord, I will make sure that I will do

whatever I can to go to every service, to every convention that I can, and I did that for the next 10 years.

Then the Lord took brother Jackson off the scene, and like I said I went to every convention because this is where the anointing was at. Once brother Jackson was gone we were all being tested, that is when I got that vision of Gideon. God was taking the church down to the river to see who is going to pass the next test. There were no 300 people God was just showing me what He is doing, He is taking the church down to the water, everyone that was under brother Jackson's umbrella, so to speak, He is going to take them down to the water and He is going to test them. It was not until later that I found out that God was looking for somebody that is going to be found faithful and wise to bring forth that meat in due season and He found you and me when everything was said and done. After all the dust settled, after I had the vision and I had the dream about the minefields the Lord let me know this ministry, these preachers coming out from this umbrella, has become nothing but minefields. It is no use listening to them, we had the experience, we tried listening to them from time to time and it set us back into reverse, and we knew that we could not trust not one of them. Then God gave us that scripture in *Psalms 73*:

17. Surely thou didst set them in slippery places: thou cast them down into destruction.

When you put all that together we are walking by faith, as the scripture says, The kingdom of God cometh not with observation: If it would come by outward observation you would automatically think of Fred Cormier or Faith Assembly or Tim Reliford, it would be outward observation it would surely not fall on us because that is the last place you would look but the kingdom of God it is within you, it does not come by observation. We are driven by the Word of God. This ministry has become minefields, God has set them on a slippery slope. When you put that all together that is what this package is all about, coming out from all of what the Lord has given us with the visions, the dreams, and the scripture that the Lord gave you in *2 Timothy 3*:

14. But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them;

When you put that all together what the Lord gave us, and what brother Jackson said, he said if you don't get your own revelation

sooner or later I am going to say something that will throw you out into left field that you will not even know that you are out there. There is a reason that he said it because their heart was not right, I heard him say that, I was actually down there when he did say it. Then when you sit back and you observe all of that and you see it happening you see that slippery slope, seven men from the ministry is going to bring forth the thunders, you see the slippery slope with the things that he said that are not biblically true. He also said that there is going to be a rapture in the first part of the week. Those are all slippery slopes, and people believe it, instead of going to the Word, see you and me, we are walking by the Word of God. That is why we have passed that test that is why we know when Jesus said when the son of man comes will He find faith, we are walking by faith, we are walking by that Word. As it says faith is the substance of things hope for and yet not seen. We see it yet not with outward observation we see it through the eyes of faith, through the Word of God, and through the visions and dreams from the Lord, when you put all of that together we know we are still on track.

As I was saying the other day I was done, then the Lord brings you onboard, the Lord was telling me, Sam, you are not going to make it on your own, I am going to bring somebody along your path and now it is the two of us, we are going to need each other along this journey. You are a gift from God, and it is all to continue along this stream because I could never do it on my own. When you look back on all the things that the Lord has shown us over the years you can see it so clearly now. Now it is the two of us delivering the meat in due season, and to do what else - to help people. The bottom line and the end of the day our passion and our desire is to help people and how do we help them - by giving them this meat in due season. I know people can't accept it because it comes from us. There again Jesus said, my peace I give you but I don't give it the way the world gives it. Let not your hearts be troubled. Don't be troubled when you hear Sam say this Sam and Lorraine chapter. That is the only thing that will pull you through is this message here. This is that living water, and it all comes together with the scripture in *Matthew 24*:

45. Who then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season?

46. *Blessed is that servant, whom his lord when he cometh shall find so doing.*

47. *Verily I say unto you, That he shall make him ruler over all his goods.*

Then when you come into the week of Daniel then this applies - ***Truly I tell you I am going to set him over all his goods.*** That is the best that I can explain it, no where else are you going to find living water and what will take you to the marriage supper of the lamb. Nowhere will you find it unless right here, this is that meat in due season. Go out there and listen to them. If you do you will end up like that Matthew Cox, you can go on our website and listen to that message, the Matthew Cox episode. The Lord with a strong and mighty arm brought him to this message here. I had nothing to do with it the Lord just told me back in 2010-12 Sam start up a website and eventually we got the website up and rolling and the Lord also let me know that we don't have to advertise if someone has a hunger God is going to bring them to it. Then the next thing we know we got this email from this Matthew Cox and he wrote us that he has been searching desperately for years and the Lord gave him a dream and told him He is going to lead him to the truth and the Lord lead him straight to this website. There for a while, he was really exuberant about it. He really enjoyed it, so he said, and I can believe it, because he was searching and I believe he was honestly searching and then sometimes God will test you to see if you really want it, God will even give you a way out. He did it with me, back in the day, I had to be tested to see if I am really serious. Then guess where Matthew Cox ends up - at the worse place he could possibly be at down at Fred Cormier. Some time back the Lord unctioned me to communicate with him again and I find out he is nowhere.

Lorraine speaks: Well there was a wrong motive in his heart, he wanted to be this apostle, right there when you have a motive in your heart then you cannot perceive truth because the devil is going to block it because of this motive in the heart. Like for that Matthew Cox, he wanted so badly to be this apostle. At first, when the Lord led him to this website I believe he was hungry because he said he is starving for truth and in a dream, the Lord told him he will lead him and He did

He led him straight to our website. Then after a while the devil was there whispering in his ear didn't you want to be this big apostle and he fed that disillusioned dream and slowly his interest started to fade and he went over the Fred Cormier where he could feed his ego, and in the same token, he fed Fred with half-truths about how God led him to his website. It was us that let him know about it because he wanted to have access to brother Jackson's messages and we told him that the easy way to access them is on Fred's site.

This is what happens to a lot of people that hear the truth for their day, let's go to the parables the first parable in *Matthew 13*:

3. And he spake many things unto them in parables, saying, Behold, a sower went forth to sow;

4. And when he sowed, some seeds fell by the way side, and the fowls came and devoured them up:

5. Some fell upon stony places, where they had not much earth: and forthwith they sprung up, because they had no deepness of earth:

6. And when the sun was up, they were scorched; and because they had no root, they withered away.

7. And some fell among thorns; and the thorns sprung up, and choked them:

8. But other fell into good ground, and brought forth fruit, some an hundredfold, some sixtyfold, some thirtyfold.

9. Who hath ears to hear, let him hear.

Then further down Jesus opens up the parable to his disciples for their understanding in *Matthew 6*:

18. Hear ye therefore the parable of the sower.

19. When any one heareth the word of the kingdom, and understandeth it not, then cometh the wicked one, and catcheth away that which was sown in his heart. This is he which received seed by the way side.

*20. But he that received the seed into **stony places**, the same is he that heareth the word, and anon with joy receiveth it;*

*21. **Yet hath he not root in himself, but dureth for a while: for when tribulation or persecution ariseth because of the word, by and by he is offended.***

22. He also that received seed among the thorns is he that heareth the word; and the care of this world, and the deceitfulness of riches, choke the word, and he becometh unfruitful.

23. But he that received seed into the good ground is he that heareth the word, and understandeth it; which also beareth fruit, and bringeth forth, some an hundredfold, some sixty, some thirty.

If there is a motive in the heart then after a while that joy will run out because you are looking to build up your own ambition, that ambition will snuff out the truth for your day.

Sam speaks: Yes because it will take over. The last time I communicated with him he is nowhere, it almost looks like he was somewhere homeless, it was not a very good setting anyway. If you want to know the whole story go and listen to that message Matthew Cox episode and it will give you the drift of what this leads to when you come here and you don't take it seriously, you have to stay with it. There is nothing besides this and if you come here and you veer off you are just going to end up where he is at and that is nowhere because there is nothing out there. The Lord told me that He is going to bring them this way if there is a hunger. It was maybe 2-5 years after we had this website going and he was the first one that contacted us that was interested. Other than that we just put it out there for the world to see, and grab. Then lo and behold he sends us an email and testified how the Lord brought him to it, this all confirms that this is that. We have nothing to do with it we are just, week by week, putting it out there and what people do with it that is for them to decide, here it is. It has nothing to do with us, we are just trying to be faithful to what the Lord has called us to be, and at the bottom of my heart and your heart, we just want to help people that is it. I want to help you. How can I help you, I can only help you if you find that kingdom and you don't have to go looking, here is that kingdom and now what God will do once you have found that kingdom, once you can get to that place, once you can get to the place where you can believe what we are saying here to be the truth you are automatically in that kingdom. You will be tested to see if you will believe it and then you are on your way to the marriage supper of the lamb, and on that journey to the marriage supper of the lamb, guess what, God is going to meet every need that you have need of. He will meet your need, if

you have sickness, it says, all these things will be added unto you. Everything that you need for the kingdom of God, for the journey to the marriage supper of the lamb. He is going to do it for you. I was thinking today about the disciples where Jesus asked them if they ever lack anything in *Luke 22*:

35. And he said unto them, When I sent you without purse, and scrip, and shoes, lacked ye any thing? And they said, Nothing.

See they were part of that kingdom journey back in that day. They were walking with Jesus and they realized that they never lack anything. When I go back over my life I had lacked until I came to the ministry of brother Jackson. I was tested, as I mentioned before when I came to this group here I was not even invited there in the beginning, later on they would invite me, but I had to be tested. Once I had my footing down that this is it, I am not going anywhere else, this is where I am going to fellowship at because this is the kingdom of heaven for my hour, the ministry of brother Branham and brother Jackson. Up until then, I had some odd jobs, here a job, there a job, kind of a little bit here and there and no where. Then one day at 6 o'clock in the morning the Lord said, Sam, I want you to go down to Blumennort to PBX and fill out your resume, and the next day I was taking a load of eggs into Montreal. I had my job now, now He was doing the next part, God was adding everything that I need. First I was seeking the kingdom of God and His righteousness and the Lord brought me to the ministry of brother Jackson and now God was adding, He supplied a job, and meeting all my needs according to His riches in Christ Jesus As it says in *Philippians 4*:

19. But my God shall supply all your need according to his riches in glory by Christ Jesus.

He is not going to put money into my account He is not going to bring money to me by just sitting on the couch thinking that money is going to flow in. Thinking millions of dollars are going to flow into my account. Like this one guy that I know he dreams that this guy from Nigeria is going to put millions of dollars into his account. No, but what does He do - He tells me to go down to the trucking company and fill out a resume for a job in trucking. Ever since then all the things that I need for daily living were added unto me, simply because I

believe the message for my day and hour and God was adding unto me all that I need for daily living.

For me that is the way it worked, it wasn't someone coming along and giving me a million dollars, no the Lord gave me a job. Then as time went on it got better and better and eventually, the Lord gave me a truck to buy. Truly it has been over and abundant, more than we need, and plus. Let's backtrack a bit and say that the Lord gave me a lottery or I would give you a million dollars and pay off your debt, you still would not have that joy unspeakable and full of glory, but here on this journey, guess what is in that package, in that package is joy unspeakable full of glory and in that package is health and your well-being. In the package is faith, everything that you need to take you to the marriage supper of the lamb, and once you follow that stream here you are going to be clothed with that wedding garment and when the king comes in and checks you through you are not going to be cast into outer darkness. The Lord said my tables will be full. Right now in this hour for the bride, for the Christians, for us, there is only one thing and that is the marriage supper of the lamb. There is only one thing and that is the journey to the marriage supper of the lamb, and this is on right here now and you are going to get it by tapping in. If you can get people to believe it, if you can get people to believe this here, it has all been paved for, the fatlings and the oxen have been butchered. Everything is ready just come, just like it say in *Revelation 22*:

17. And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will let him take the water of life freely.

Let them just come and accept this truth here, there is nothing else out there, believe me, if there would be, guess where you and I would be at, we would be sitting right where it is at. If it would be over in Australia we would be tapping into Australia but it is right here. When I walk through the journey of my life, before the foundation of the world the Lord has honed us out for that, He knows that we are never going to get a big head and that we are not going to abuse this.

I was also thinking this week with all that comes a tremendous responsibility to whom much is given much is going to be required. We can't just take this thing for granted, we have to do due diligence, we have to do our part. We have to fast, we have to pray, we have to

get up in the morning before 6, and do something to active the heart of God. Like it says, to whom much is given much is going to be required, and there is going to be required a lot from our hand. Sam, you can't go sleeping in, I can hardly sleep after 6 I have to get up before six, and I sing some songs, and if the Lord gives me a burden to pray for somebody we pray through. That is how our life is you have to be up and like I said, to whom much is given much will be required you just can't take it for granted that we are going to get a free pass, we have to do our due diligence, we have to keep ourselves at a place where the Lord can give us something, that we are sensitive to His spirit. Like this week He gave us this - Help is one the way. The only way that we can help you is this here message this here truth. This website will take you to the marriage supper of the lamb. I don't know how God is going to do it, He deals with each individual differently. He may send you somewhere to get this job, or He may leave you an inheritance but with me it was Sam, go down to the trucking company and fill out your resume. Then 2 years ago He told us to get out of trucking, to sell the truck and our whole life was devoted to do this, to educate people, to write these books. We are trying to do everything that we can to send them to whoever He wants us to. That is 24/7 our job, to try to keep ourselves at a place where He can use us for His glory, and to try to keep ourselves in shape. All these things, these are all part of much is going to be required. We can't be slothful, we can't be lazy, we can't pretend that it is going to come automatically. We are always in a fight, we are always grinding away, we can never sit back and relax. Maybe sometimes for a couple of hours or a day or two, but then you go back in the grind again, back in the fight.

Lorraine speaks: It says strive to enter in, it does not say that it will be handed to you on a silver platter. It is by striving. When these Pharisees came to Jesus with a trick question to try to entangle Jesus with what He was saying, they came and asked if they should pay tribute to Caesar. So Jesus asked for a coin and He asked who's face is on here. They replied in *Matthew 22*:

21. They say unto him, Caesar's. Then saith he unto them, Render therefore unto Caesar the things which are Caesar's; and unto God the things that are God's.

That lets you know that you will need this material world to get by but it is not where your heart should be at. That is where the rust and the moth come in these material things will decay. It should not be the top priority. Jesus said in *Matthew 6*:

20. But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal:

When you buy a vehicle today 10 years down the road it is full of rust, your heart should not be set on those things. God will give to you what is needful to live. God is not extravagant.

Sam speaks: Back in the day when we went working for Payne, the Lord told us to go buy that brand new truck out of the showroom. We could afford it and the Lord wanted us to have it, I was not worried about paying for it because the Lord was in it, and as time went on we had it paid off in 2 years. That is just the way that Lord dealt with us. That is all part of it, God will add all these things to you. That is all part of all these things, I didn't think that we needed one but the Lord saw fit, and we got that automatic one. See God knows all of that, one day I woke up and it was fridge day. Believe me, the Lord is concerned about our physical well-being. This is no word of a lie, He told me to go out and get a fridge, and we found a fridge the last one on sale. These may sound like little things but God is true to His Word. I just wish that I could transmit the importance of trusting Jesus.

Like the song goes - Oh so sweet to trust in Jesus. You can trust Him for your everyday activities, don't worry about Covid, if you come on this journey here this Covid thing is nothing. One of the things the Lord gave me in 1991 is that pestilence is not going to come near to your dwelling, and if you come on this journey here you get all these benefits. I have this Bible app on my phone that has a Bible reading plan and every year I read the Bible through, and when I get up in the morning that's the first thing that I do. There again, to whom much is given much is going to be required. You have to put in a bit of an effort to sit down and take time out and read these 3-to 4 chapters in the Bible. So that you have something to sustain you. They speak volumes to me and this is just something that we do here. We don't just sit down and do nothing we just know that lots is going to be required of us, and we have to be faithful, it is not about us we are just

doing our job. We are just waiting on the Lord, just like Jesus said when He went to the woman at the well, I do nothing unless I see my Father in Heaven doing it. He went to that woman at the well because that great eternal spirit started to move within His heart and He said I must needs go through Samaria. Then on the way there the Lord let Him know about this woman at the well, and He said if you believe out of your belly will flow wells of living water. When Jesus went to that woman at the well Jesus did not do that on His own initiative, He was directed by His Heavenly Father to go to Samaria to meet this woman.

In John 4:

3. He left Judaea, and departed again into Galilee.

4. And he must needs go through Samaria.

5. Then cometh he to a city of Samaria, which is called Sychar, near to the parcel of ground that Jacob gave to his son Joseph.

6. Now Jacob's well was there. Jesus therefore, being wearied with his journey, sat thus on the well: and it was about the sixth hour.

7. There cometh a woman of Samaria to draw water: Jesus saith unto her, Give me to drink.

8. (For his disciples were gone away unto the city to buy meat.)

9. Then saith the woman of Samaria unto him, How is it that thou, being a Jew, askest drink of me, which am a woman of Samaria? for the Jews have no dealings with the Samaritans.

10. Jesus answered and said unto her, If thou knewest the gift of God, and who it is that saith to thee, Give me to drink; thou wouldest have asked of him, and he would have given thee living water.

11. The woman saith unto him, Sir, thou hast nothing to draw with, and the well is deep: from whence then hast thou that living water?

12. Art thou greater than our father Jacob, which gave us the well, and drank thereof himself, and his children, and his cattle?

13. Jesus answered and said unto her, Whosoever drinketh of this water shall thirst again:

14. But whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life.

15. *The woman saith unto him, Sir, give me this water, that I thirst not, neither come hither to draw.*

16. *Jesus saith unto her, Go, call thy husband, and come hither.*

17. *The woman answered and said, I have no husband. Jesus said unto her, Thou hast well said, I have no husband:*

18. *For thou hast had five husbands; and he whom thou now hast is not thy husband: in that saidst thou truly.*

19. *The woman saith unto him, Sir, I perceive that thou art a prophet.*

20. *Our fathers worshipped in this mountain; and ye say, that in Jerusalem is the place where men ought to worship.*

21. *Jesus saith unto her, Woman, believe me, the hour cometh, when ye shall neither in this mountain, nor yet at Jerusalem, worship the Father.*

22. *Ye worship ye know not what: we know what we worship: for salvation is of the Jews.*

23. *But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him.*

24. *God is a Spirit: and they that worship him must worship him in spirit and in truth.*

25. *The woman saith unto him, I know that Messiah cometh, which is called Christ: when he is come, he will tell us all things.*

26. *Jesus saith unto her, I that speak unto thee am he.*

This woman ended up converting that whole city, it was that living water, she said I perceive that you are a prophet, and she believed Jesus. She believed who He was she said is this not the Messiah. I am trying to bring out something He was that living water for His day, it says in *John 7*:

38. *He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water.*

Every generation has had that living water, sitting under the ministry of brother Branham, people would feel it, they came from all over the world, what were they coming for, it was that living water. They wanted that living water, and then along came brother Jackson, people wanted that living water. It was that anointing that is why I went, I was so inspired just listening to him over the internet, and

every chance that I got I went to Convention. There was an anointing on everybody. Like I said when he went off the scene that stream went on. I stayed in touch with that stream. Allen and Bud, fell by the wayside. Then once that split come the Lord gave me that vision about Gideon how God is taking the church down to the water to see who will move on. I didn't know at the time, I just told Tim Reliford that I had this vision we were being led down to the water to see who is going to pass the next test. I didn't know what the next test was but now when I look back God was sifting out who is then that faithful and wise servant who is going to bring forth meat in due season. This is what that whole split was all about. Now here we are and now all we need to do is try to get people to believe, it is up to the Lord to open it up to them. The way they look at us you would think we are losers but here it is, it does not come with outward observation. It is not about us you are going to have to walk by the walk of faith, and there is no faith out there but we have the faith for you all you have to do is believe us. Then you will have that living water and you will have all your needs met because God is going to stay true to His Word - All these things will be added unto you. Simply because you have now emerged yourself into the kingdom of God for your day and hour; the message for your day and hour, it is just that simple.

Are there any two people that are more blessed than you and I are. When you look back, I sometimes feel guilty we have it so good. All we have to do is Sunday morning we have a conversation on what the Lord puts on our heart and we put it on the internet for the whole world. When I think of all my dad had to go through and what people have to go through, they have to have this building and all this overhead, all these expenses, and here we are just the two of us and it affects millions and millions of people and it is a very simple setting. I think of all the things my dad had to go through, plus having church every day. He had it pretty tough compared to what we have. That is why it says, to whom much has been given much is going to be required.

Lorraine speaks: When you look at the ministry of brother Branham, he had a divine gift of healing and his angel said to him if you can get people to believe you. That was in the 60's, now you fast forward that 60 years from then and put into consideration the

deception that is out there. The things that are out there to deceive and to mislead people and you present them with the truth it is very hard for them to perceive it because it looks like the whole universe is covered with such deception that it is hard for the truth to penetrate. Like the moons that brother Branham saw. In the period of the Dark Ages, there was hardly any light, and here in this age, it is a very thin sliver of light. When you try to present people with the truth they cannot perceive it because of the darkness that is out there, but it is going to be in every generation where that water of life is flowing. It is all about tapping into it, I know that is where God led me. When I was still on the colony I had many blessed hours, because the Lord saved me and the kingdom of God was within me. I had many blessed hours with Jesus, but there came a time when God led me off the colony towards the kingdom of Heaven, the truth for my day and hour. What God has for this generation and that is part of this living water and I tapped into it and nobody was going to deter me from it no matter what.

Sam speaks: I know we are saying things here week after week there are people from all over the world that have access to it, and we are trying to do it for them. We are trying to help them, we still want to help people and it is not about giving people millions. The best thing that I can do to help is to give you that living water, to roll it out for you and you can enjoy it and you can be on your way, on that journey to the marriage supper of the lamb. The highest thing that God back in that great counsel when He had a council with Himself, as He planned out that great plan of creation He was longing for that day to appear when He will have that wedding for His Son, for the Lord Jesus Christ. That is just up the road here in a few short years, everything comes to a climax, and here you and I have been honed out to deliver that living water so that people can come to the marriage supper of the lamb.

I was reading back in the day of Joshua after God took Moses, Joshua had an unblemished record, he was there for Moses, and he was one of the two spies that was faithful in spying out the land, that brought back a good report and you would think that people would automatically look up to Joshua. He had a way better record than I have and here the Lord came to Joshua and told him that He will work in the hearts of the people that you are that, that you are that leader

now. I could talk until I am blue in the face, I could have an unblemished record but it's not until the Lord opens it up in the hearts of the people that this is it. Like that Lance Leroux, I think he listens in sometimes, God will have to open it up that this is it, because he has this big idea in his head that it is him. I can talk until I am blue in the face nothing is going to penetrate, it is not until the Lord burns it into their hearts that this is that. It has nothing to do with us we are just doing our job, it is the message for your day. It is that living water. We have nothing to do with it, we just happen to be somebody that the Lord found and honed out before the foundation of the world, He knew our makeup and He knew what we are going to do. He knew we are not going to get a big head, we are going to get up at 6 o'clock in the morning and put in an effort to stay on top of it, to sing hymns of praise, like these german songs to yank you back into reality, out of this delusion that this world is in. We have to remind ourselves by reading the Bible so that the Word is within us, so we have something to stabilize ourselves with. He knew that we are going to do that and here we are found to be faithful and wise. You have to have that wise in there because we get a lot of things thrown at us.

Lorraine speaks: When I left the colony when I accepted the message for my day, brother Branham, the church age messenger, then God took me off the colony. I knew that if I would not have accepted it there would have been no real reason for me to be off the colony because this religious world is the same on the colony and of the colony, but if you tap into that kingdom of Heaven for your day and hour. Then God lead me to the ministry of brother Jackson because that was the message for my day, and my soul and my spirit were at rest I found my place. You cannot fully describe when we say the kingdom of Heaven, you live in a different dimension, it is not of this world that you live in. Like for a while there, I went over to the Wurtz's church in Brandon but my soul and my spirit pulled me to this group here, it wasn't that they were special people, what made them special is that they were in the message for the day and that is where the spirit of God was at. What made them special in the eyes of God was that is where the truth was for this day and hour under the ministry of brother Jackson and that's what pulled me there it was not that it was people that pulled me there or anything else it was that that

was where the truth was being presented for our day and hour. That is where the Lord Jesus Christ was being revealed. Now it is hard for other people that have never been part of it to understand or to perceive that, it does not come by observation, the kingdom of God it is within you and God will lead you to that kingdom of Heaven and in this day it was that 7th parable of Matthew 13. How God works it in other people I don't know. How do you tell the Wurtz's that it's the ministry of brother Branham and then it went on to the ministry of brother Jackson the message to the Laodicea church age.

Like Hanna, I talked to her about brother Branham and she said that he went off in the end, well what is your perception of going off in the end, what is your opinion, it is an opinion it is not based on fact. The fact is that God was changing his ministry it was starting to divide to take out the unbeliever and the make believers from the true believers. That is what God what doing He was separating. Separation was starting to take place because in the end-time that is going to happen. When the sower went forth to sow in the first parable, He sowed good seed but the enemy came and planted tares within the field of Christianity and these started to grow together, then His servants said should we go and pull out the tares and Jesus said, no lest you pull out the good with the bad but let them grow together until the end. Then, in the end, He is going to come and He is going to start separating the good from the tares and they are going to bind those bundles. Those church systems out there are bundles they rejected the message for their day and now Jesus is outside the church door like it says in Revelation, and it says come out of here my people. Jesus is no longer in the church system they rejected Him and He is outside the door in the individual heart. Come out of her my people because you don't want to be defiled with their false teaching in this day and age. That is all part of separating. What God started with brother Branham with his divine gift of healing and with that gift it drew in a lot of people, some unbelievers, some make believers, and some believers then God started to change course. He was having brother Branham go into the teaching of the Word and for some, it was too hard and they went back to their denominational church systems. First, it was binding those bundles then when you come into the ministry of brother Jackson it was starting to separate the chaff

from the wheat. It becomes finer and finer and people closer and closer to you are being separated. Like when we separated from this group here, it does not get easier because those are people closer to you, smaller groups and smaller groups, and eventually, you have to walk that road on your own. It separates you from the shuck the grain has to stand alone.

Sam speaks: The proof is in the pudding, like you were saying about the kingdom of God when the Lord saves you, the Lord saved me back in 71 and the kingdom of God was within me, I had visions, I had dreams, I was a happy camper but see inside of me as time went on that kingdom of God that was within me it wanted to link up with the kingdom of Heaven that is out there. That was back in 71, and what was the predominant thing back in 71, it was the ministry of brother Jackson, brother Branham was already off the scene, I didn't come to the ministry of brother Jackson until about 1995 but see in the meantime I was searching, I was yearning, I didn't even know what I was yearning for. I knew it was in a church, in my soul and my spirit there was a hunger. I knew that it was not in that colony, in fact, they will try to keep you away from that kingdom of Heaven. If they would have anything to say they would make sure you would never find it. In fact, when I told them about baptism in Jesus name and about the ministry of brother Branham they terminated me in a heartbeat. Then the Lord brought me to the ministry of brother Jackson. It was that kingdom of God within that was wanting to link up with the kingdom of Heaven for our day and once I came to brother Jackson I knew that that was it. Then and only then is when the Lord told me to go down and fill out a resume, I had arrived now, and as I said now that the kingdom of God and the kingdom of Heaven united you still need to strive to the end. You still have to strive, you still have to endure until the end. You don't have it made, you continue on, and you and I, we have continued on and that is why the Lord has us rolling out that living water.

As I said, we can't convince people we can only put it out there, but at the end of the day there are going to be people out there that are going to get it, that eagle will not be satisfied until he finds that meat in due season. Until he finds that living water. God is going to bring them in because He said my tables will be full. You can see a

great crusade coming to this living water. At the end of the day, Jesus said - My tables must be filled. Not everyone will get it, there are different categories and that has been so throughout the ages. We were watching that CPAC yesterday with that Brannon Howse and all these people they are Christians but they are going to come in another way. The world has people deluded if you are not in the rapture then you are lost they think that every so-called Christian is going to go in the rapture, but they are not. There are lots going to be left here, they are going to be left to fill up that sea of glass. The reason it is called a sea of glass is that to produce glass it has to go through heat and that heat represents tribulation. They will have to go through 3.5 years of tribulation here on earth and they will have to give their life. There are going to be a big number of them going through that. The people who do not come through this channel here, the marriage supper of the lamb by the rapture, those that do not take advantage of this, they are going to be left out in the cold and they are going to go through the tribulation and they will be beheaded in the last part of the week.

Lorraine speaks: They are going to have to go through that tribulation. What happened was in the church age of Philadelphia God was opening up a door to go into more revelation through the ministry of brother Branham and brother Jackson and continuing on. What God was doing He was bringing people to the rapture, to the marriage supper of the lamb, and those that did not go through it, those that are part of the church systems out there, those that are Christians, they will have to go through the tribulation period. As it says in the church age of Thyatira, it says your children will go through the tribulation because they did not continue on to more revelation they did not take that open door. So they are not lost, they have salvation and they will reign with Jesus in the Millennium but they will have to go through the tribulation because they did not prepare for the rapture.

Sam speaks: We don't know who they are but they are going to be there. We know that not everyone falls into this category, and we need not be discouraged if not everyone listens to what we have to say. It does not matter they still have other options open, but those that believe what we are saying will be blessed they are going to have that joy unspeakable full of glory and they are going to have all their

needs met. Jesus asked His disciples if they lacked anything when they journeyed with Him, and they stopped and thought and they realized that no they didn't lack anything. That is what you and I can say. That is what will happen to people when they come on board here. Once they come in and are tested and they are tried and true, like I said, once I knew that this is it, once I heard that song, I did not care if I was invited to their meals or rejected or kicked out, I knew that this is it, and I am going to go there because that is where the anointing was at.

Lorraine speaks: That is what I did I didn't go there because of this or that person, I knew, my soul and my spirit knew that that is where it was being fed. That is where it was happy and that is where I wanted to be and that is where I yearned to be. That is where God had me and I was blessed, and I can look back in my life and I have never lacked anything at all.

Sam speaks: I never even knew that this was available, I didn't want it because I didn't know that it was there to be wanted. I knew one thing I wanted to be faithful to be what God wanted me to be. At the end of the day, I don't care about a name, I don't care about fame and fortune, all I want to do is be found faithful to be what the Lord has called me to be. At the bottom of it all, I just want to help people, and God saw that, just like He saw that in Moses. Moses cared about the Israelites but he had to go about it in God's way. That is what Jesus did, He said, I do nothing unless I see my Father do it, He was led by His Heavenly Father to go to Calvary. The same here we were led by the Father to deliver this meat in due season and to roll out that living water and at the end of the day we do it to help people that is all. You don't owe us anything.

Like Mike Lindell he does not care if it costs him millions, he is quite an inspiration to a lot of people that is just who he is, he gets obstructed with everything that he does, with the media, but he keeps hammering away. We don't put in as much effort as these people do we just do what we can do.

Like binding that strong man, they are out there fighting with this guy and that guy and we come in, we are sensitive to the Lord and the Lord lets us know - Sam, you can't go in there without first binding the strongman. So we bind the strong man and now that whole kingdom

will crumble. At the end of 7 years that Babylon, that whole strongman, that whole catholic thing is going down. You can see it in Revelations going up in smoke, but see we had to first bind that strongman and put it out of commission. He is still around but the effects will play out.

Like when we finished off that spirit on that J.K, that bishop, that sting was gone, he could no longer enforce his garbage in the colonies and that is what is going to happen with that Trudeau, now he has forces working against him. His own party will turn against him because a house divided cannot stand. Now that strongman is bound he cannot hold this thing together it has to crumble, and you will slowly see it happening. When I woke up that morning the spirit of the Lord spoke to me - Sam, first you bind that strongman, and you were already on it. So it is the spirit and the bride that is doing this thing. It is not just me, it is the spirit of God and we did the binding, and it goes right back to that Pope Francis that is that strongman. That is what Satan uses to run his show,

Lorraine speaks: That is the seat of Satan and that is what he uses to infiltrate all of society, he might look like a feeble old man but you have to look at the spirit behind it, the spirit of Satan is behind it and behind that seat is where all these diabolical agendas are being hatched out and they are all out to destroy and to defy God. To make society antiGod because back in the church age of Thyatira it says God gave them a space to repent and she repented not. That system of Catholicism didn't repent of all its diabolical ways, and it has evolved into sometimes even more diabolical, and in the end, that Pope is going to sit up at the Temple in Jerusalem and thinking he is king, and it is going to be the end of him. *2 Thessalonians 2:*

4. Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

Sam speaks: We see the whole program, we can go back and we can have a glorious time, we can go back and sit down with God having that council with Him, and we can walk right through His great plan of creation how He created these angels, and over the ions of ages as He created each angel, each angel was a nudge higher. Then He came to that perfect one Lucifer, the son of the morning, he was

perfect in all his ways, beauty beyond description and there he was in all his glory. The anointed cherub he walked among all these precious stones, and you have to see him not as the fallen one but as the most anointed cherub, you have to see him as the good guy. No one even had a question that he will someday become Satan, everyone was a happy camper. It says in Job 38 all the sons of God and the morning stars they all sang together what a glorious time they had. Then God created this planet, the universe and the animal kingdom. To do what - to test these angels to see who will be found faithful in their created role. It says of Lucifer he was perfect until iniquity was found in him. Until that test came, and that is how God created evil, He gives you a choice, that freedom of choice. God did not create evil directly He created the freedom of choice and when you step out from your God-given role then you are going to fall and create sin and be sinful. Like the angels in Jude they kept not their first estate and then the next thing you read about them it says the angels that sinned. Eventually, you are going to sin because you are not connected to that vine.

That is what happened to these preachers they are a mess and in disarray simply because they are not connected to the vine. Each one has their own opinion on things. They have their own take on things simply because they want to be this big guy on the block when you sit back and you analyze it all. They all want to be something that they are not, but it's ok at the end of the day God gets the job done. I always wondered how God is going to clean it up, and it is very simple they are going to have to come here just like the prince and the pauper. They will have to come under this Sam and Lorraine chapter and that includes that Leroux that Fred Cormier, that brother Jackson family, because this is where that meat in due season is, and that eagle wants that meat. He will kill himself to get it but he will have come through this chapter and it has nothing to do with us. There is no use in being jealous of us, I didn't make myself, I didn't create myself but I finally found out as the Lord dealt with me *to make my calling and election sure*. Then you have to walk in it and you have to talk it, and you are just going to have to accept it. Like, brother Jackson, he didn't go around telling everybody that he is that chief apostle but in his voice there was authority. You picked it up there is that something that I have been looking for all my life. There is a man

that knows what he is talking about. That is what attracted me. When I heard him I asked who is this man that can take the Word of God with precision accuracy and place it exactly where it belongs.

Lorraine speaks: What attracted me was the authority that he spoke with, he spoke with authority and I knew that there is only one voice that will speak with such authority just like Jesus did back in His day, He spoke with authority and that is what I heard when I heard brother Jackson, he knew what he was saying and he knew why he was saying it. He was not just mumbling off something, he had a vision, he had a revelation who brother Branham was and nothing was going to separate that from him. That was the voice that God chose to continue on.

Sam speaks: Here it is now, and we are not bragging, there is nothing here to brag. The minute that we would brag it would evaporate. It is just the vessel that God uses. That is what I saw, we want to help you. Help is on the way. In fact, it has been on the way for a while and all you have to do is believe it. This is that. Who do they think that they are? I had a guy say to me once - Sam, you could have used this episode to make a name for yourself. I said, a name for myself, that has never been my ambition. It says in a song in German - *Wer da nichts will sein und wissen der is dem Gott Ehre gibt*. In English it says God gives honor to those that are small in their own eyes. Some people are forever learning but they never come to the knowledge of the truth. They want to be these men of renown but not here in this camp it is a very humble setting here. Just take what has been said and apply it to your life and it will lead you right to that marriage supper. That is the highlight in this generation is that supper: The wedding supper of the Lord Jesus Christ to His bride.

Heavenly Father, we just had a conversation around your Word, I just pray that you will take what has been said, Lord, you will have to ignite it in the hearts of your people that this is that, just like in the days of Joshua. Other than that we are just beating our gums together. I just pray Lord that you will give that increase triple-fold Lord in Jesus Christ name we pray. Amen.
