

*Let's talk about Jesus, the King of Kings is He
The Lord of Lord's supreme throughout Eternity
The Great I am the way, the truth the Life the door
Let's talk about Jesus more and more.*

LIVING BY FAITH

*I care not today what the morrow may bring,
If shadow or sunshine or rain,
The Lord I know ruleth o'er everything,
And all of my worries are vain.*

Refrain:

*Living by faith in Jesus above,
Trusting, confiding in His great love;
From all harm safe in His sheltering arm,
I'm living by faith and feel no alarm.*

*Though tempests may blow and the storm clouds arise,
Obscuring the brightness of life,
I'm never alarmed at the overcast skies—
The Master looks on at the strife.*

*I know that He safely will carry me through,
No matter what evils betide;
Why should I then care though the tempest may blow,
If Jesus walks close to my side.*

*Our Lord will return for His loved ones someday,
Our troubles will then all be o'er;
The Master so gently will lead us away,
Beyond that blest heavenly shore.*

You wouldn't believe it when you look around the world that the King of Kings is the Lord of Lord supreme throughout eternity. It doesn't look like it but man has a choice. He is still Jesus He is still the supreme ruler. God gives mankind a choice to do what you want to do with this planet earth. You choose how you want to run your position in government you choose what you are going to do with your life, it is your choice, He is still King of Kings, He is still the Lord supreme. A lot of people they do not understand that, they don't understand God. God gave everyone the freedom of choice.

Lorraine speaks: Even with this vaccine, it's a choice, people make a choice. Some say that there are ingredients in there from aborted babies, the next people say, that the vaccine was made from aborted or harvested in aborted baby cells, but all in all, it is an anti-God vaccine. I don't care who you are or what excuse you have it is an anti-God vaccine. What they are meaning to do is rob you of your soul with that vaccine there is something diabolical about it. When you look at these people that promote it, Bill Gates, Fauci, Soros the Vatican, when you look at that new world order propaganda and you look at these people what do you see very wicked people that have sold out to do the devil bidding. Just like Constantine at 325 AD where these bishops sold out to do the devil bidding with this trinity baptism. So likewise these people have sold out to do the devil's bidding and they are out to get your soul, and behind it all is the devil. The devil is such a copycat.

Sam speaks: Everything is in the Bible, we decided to follow Jesus, we decided we are going to believe Psalm 91, when you make the most high your dwelling place no pestilence will come nigh your dwelling. If - there are a lot of if's in there, it is up to us. See there is that choice again 'if' you choose. I have been fighting this fight for so long I am getting accustomed to it, in fact, I don't want it any other way. I really don't want easy street, I like to be in the fight. It is quite something you are so used to fighting and being in the fight, being rejected and that is all part of the fight. It is standard procedure for us. It is all part of the program.

GOTT IST DIE LIEBE

1. *Gott ist die Liebe, lässt mich erlösen,
Gott ist die Liebe, Er liebt auch mich.*

Refrain:

Drum sag ich noch einmal:

Gott ist die Liebe!

Gott ist die Liebe,

Er liebt auch mich.

2. *Ich lag in Banden der bösen Sünde,
ich lag in Banden und konnt nicht los. [Refrain]*

3. *Er sandte Jesus, den treuen Heiland,
Er sandte Jesus und macht mich los. [Refrain]*

4. *Jesus, mein Heiland, gab sich zum Opfer,
Jesus, mein Heiland, büßt meine Schuld. [Refrain]*

5. *Du heilst, o Liebe, all meinen Jammer,
Du stillst, o Liebe, mein tiefstes Weh. [Refrain]*

6. *Dich will ich preisen, Du ewge Liebe,
Dich will ich loben, solange ich bin. [Refrain]*

7. *Das Wort der gnade ist meine speise
Das Wort der gnade stilt meinen Durst*

NUR DAS BLUT DES LAMMES JESU

Was macht mich von Sünden rein?

Nur das Blut des Lammes Jesu!

Wo mag für mich Heilung sein?

Nur im Blut des Lammes Jesu!

Ref.:

*O köstlich ist die Flut,
macht allen Schaden gut.*

*Hier meine Seele ruht,
in dem Blut des Lammes Jesu.*

*2. Was erlöst mich von der Schuld?
Nur das Blut des Lammes Jesu!
Was schenkt mir des Vaters Huld?
Nur das Blut des Lammes Jesu!*

*3. Was versöhnet mich mit Gott?
Nur das Blut des Lammes Jesu!
Was errettet aus der Not?
Nur das Blut des Lammes Jesu!*

*4. Was macht grad', was krumm und schlecht?
Nur das Blut des Lammes Jesu!
Was macht mich vor Gott gerecht?
Nur das Blut des Lammes Jesu!*

*5. Was bezwinget Sünd' und Welt?
Nur das Blut des Lammes Jesu!
Was macht mich zum Gottesheld?
Nur das Blut des Lammes Jesu!*

*6. Was tilgt alles Erdenweh?
Nur das Blut des Lammes Jesu!
Was führt in des Himmels Höh'?
Nur das Blut des Lammes Jesu!*

Here is the cure for the vaccines - *Was macht grad', was krumm und schlecht? Nur das Blut des Lammes Jesu!*

The blood of Jesus can cure that jab, forgiveness of sins.

Lorraine speaks: There will have to be a gut-wrenching repentance for that to cure the vaccination, because what it is the devil is trying copycat God, everything that God does the devil copycats. God gives you eternal life through salvation, and the devil he gets these people to make a fake christianity, the trinity baptism and now here with this vaccine, they call it transhumanism. They want

to create a species that is untouchable, but what it is the devil through these people puts God out of the equation but we know that everything that is not in God will be destroyed.

Sam speaks: I was wondering why these people live forever like Clinton, Carter, they must have something that prolongs life. God allows it but up to a point. That is the hour that we are living in.

WHEN HE SEES ME

*When He sees me
He sees the blood of the Lamb
He sees me as worthy and not as I am
He views me in garments
As white as the snow
For the lamb of God is worthy
And He loves me this I know*

That is only effective if you endure to the end, you have to endure to the end, because if you don't endure to the end it makes it obsolete. Satan has come up with an artificial christianity too, this charismatic thing, and man you can't talk to these people you can quote them scripture. I have tried and they look at you strange they are convinced that that they are right, but they are deceived. I have talked to people and tell them what the Bible says and when you tell them they don't believe you. They are into this once saved always saved. They have this experience I've talked to tons of people - Oh I had an experience, or I've got my convictions. They had a touch of something like that Jarod and they know exactly when something happened to them. Ja, the devil came into you. They can be so convincing and you wonder if you are wrong and maybe they are right, well I've had an experience too but it is ongoing, I can't relax. I am in a fight, a fight for my life. It does not get easier, you can't make it without fasting I have tried. About 5-6 years ago the Lord came on the scene and He let me know - you are not going to make it without fasting. I have tried without fasting but there are just too many hurdles that you can't do it, and Jesus proved it. His disciples asked Him why they could not get the devil out of this guy and Jesus told them that

these ones do not go without fasting and prayer. So the fight that we are in now it is all or nothing.

MEINE ARMUT MACHT MICH SCHREIEN

1. *Meine Armut macht mich schreien
Zu dem Treuen,
Der mich segnet und macht reich.
Jesus! du bist's, den ich meine,
Da ich weine,
Damit ich dein Herz erweich.*
2. *Ach, wo nehm' ich her die Kräfte
Zum Geschäfte,
Dazu ich verbunden bin? Herr!
Mein armes Herz anfeu're
Und erneu're
Den zerstreuten Geist und Sinn.*
3. *Sieh' es eilt zu deiner Quelle
Meine Seele,
Von dem Durst geplagt und matt,
Du kannst die Begierden stillen,
Und mich füllen,
Daß ich werd' erfreut und satt.*
4. *Treibe ferne, die mich hindern:
Du kannst mindern
Der Versuchung starke Kraft;
Laß nichts meinen Glauben schwächen,
Dich zu sprechen,
So empfind' ich Kraft und Saft.*
5. *Eil' mit ausgespannten Armen
Zu mir Armen,*

*Drücke mich an deine Brust:
Du erkennst mein tiefes Sehnen
Und die Tränen,
Jesu, meines Herzens Lust.*

*6. Du bleibst ewig meine Freude,
Auch im Leide,
Wenn mich Angst und Kummer plagt;
Denn du bist der Auserkorne,
Das Verlor'ne
Hast du nimmer weggejagt.*

*7. O vergnügter Kuß des Mundes
Und des Bundes
Zuckersüße süßigkeit;
Ach mein Gott! was soll ich sagen?
Mein Behagen
Bleibest du in Ewigkeit.*

The reason I am on this is I've been singing this song all week long and I'm trying to tie the message together. I'm going to read from *Matthew 5*:

3. Blessed are the poor in spirit: for theirs is the kingdom of heaven.

I tried all my life trying to figure out what that scripture means in the raw. In German it says,

3. Selig sind, die da geistlich arm sind; denn das Himmelreich ist ihr.

I hope I can bring it out, everyone on earth wants the kingdom of Heaven, and the kingdom of Heaven it belongs to them, so in order for the kingdom of Heaven to belong to us, you have to be poor in spirit. As I said, I tried to figure out all my life what that means poor in spirit and to condense it, to put it in the raw, I would have to say - Blessed are the ones that have no agenda. We don't have an agenda here we don't go by this universal catholic script that every church has across America. I know because I have been there I have been down

to Edrans to that church there and they have that formula that is hatched out at the Vatican. Then I was up at Lethbridge up at that Alliance Church and they have that same book, where they have a certain sermon for that day. It is all universal it is all set out for them but here we don't have that and the reason that we don't is that we are poor in spirit we depend on the Lord on a weekly basis, and on a day to day basis we mind the Lord what He will have us speak on for Sunday. We don't come up with our own plan we are spiritually poor, and spiritually poor simply means we have nothing on our own that is what I am trying to say.

Heavenly Father we just read your Word here, I just pray that you will help me say the thing that you allowed me to see all week Lord, give that increase in Jesus Christ name we pray, Amen.

Blessed are the poor in spirit: for theirs is the kingdom of heaven. Selig sind, die da geistlich arm sind; denn das Himmelreich ist ihr. That is quite something, simply all you have to do is to be spiritually poor we do not depend on our own intelligence. On a week-to-week basis everything that we say and do here is orchestrated in Heaven. All we do is to be so poor before the Lord that He will come and fill us on a weekly basis.

Anyone that has been listening to any of these conversations that we have been having will have to realize that it is utterly impossible for us to come up with this it has to be ordained of God. That is one of the first things that the Lord dealt with me on was - Sam, I can only award you for what you have allowed me to do through you. In order to do that I just have to be empty before the Lord. I keep going back to Revelation, it is the foundation.

What motivates us and what our foundation is and what keeps us going on a week to week basis because you have to have scriptures, we don't have our own agenda. Even at that, with you being empty before the Lord and trusting in Him to feed you every week, you still have to go to scripture, these two have to walk hand in hand. I can't just come up with an idea - oh, the Lord showed us this week what we should say and do and have no scripture to tie it together. I am sure that there are lots of people out there they think that they are led of the Lord but do they have scripture, do they have this foundation here. I will read it to you here in *Revelation 1*:

10. *I was in the Spirit on the Lord's day, and heard behind me a great voice, as of a trumpet,*

11. *Saying, I am Alpha and Omega, the first and the last: and, What thou seest, write in a book, and send it unto the seven churches which are in Asia; unto Ephesus, and unto Smyrna, and unto Pergamos, and unto Thyatira, and unto Sardis, and unto Philadelphia, and unto Laodicea.*

12. *And I turned to see the voice that spake with me. And being turned, I saw seven golden candlesticks;*

13. *And in the midst of the seven candlesticks one like unto the Son of man, clothed with a garment down to the foot, and girt about the paps with a golden girdle.*

14. *His head and his hairs were white like wool, as white as snow; and his eyes were as a flame of fire;*

15. *And his feet like unto fine brass, as if they burned in a furnace; and his voice as the sound of many waters.*

16. *And he had in his right hand seven stars: and out of his mouth went a sharp twoedged sword: and his countenance was as the sun shineth in his strength.*

17. *And when I saw him, I fell at his feet as dead. And he laid his right hand upon me, saying unto me, Fear not; I am the first and the last:*

18. *I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death.*

19. *Write the things which thou hast seen, and the things which are, and the things which shall be hereafter;*

20. ***The mystery of the seven stars which thou sawest in my right hand, and the seven golden candlesticks. The seven stars are the angels of the seven churches: and the seven candlesticks which thou sawest are the seven churches.***

That is where you and I keep going back to, that is the foundation of the Grace age, these 7 churches are types that are going to happen in the Grace Age and I know we said it before but just to make sure what we say here ties together with scripture. We are not out here like a loose canyon we don't have our own opinion of things, we have to go back to that scene that John saw on the Isle of

Patmos. Jesus allowed him to see what must be hereafter, He allowed him to see the church ages in the Grace Age. Ja, there were seven churches in Asia Minor, there were more than seven but these ones typed the conditions that will be within the Grace Age. We are in Laodicea and it all started out at the church of Ephesus. That first church typed the first church age where Paul was the apostle to the gentiles. Ephesus was a very strong church, in fact, it was responsible for all the other churches, she was the foundation. Yet with even that we have to go back to this scene, this scene that John saw in Heaven on a constant basis. Where do we get our information from - we get it right here from this foundation where John turned around and He saw Jesus standing in the midst of the seven candlesticks and in His hand He held seven stars. Then it goes on to explain the seven candlesticks are the seven churches and the stars are the messengers to those church ages. This is the foundation that we have to go back to and this is also very important that if someone comes along and does not have this foundation like there are a lot of people on the internet a lot of preachers preaching out there, but if you ask them about this foundation they don't even know what you are talking about. That is how you can protect yourself from deception because believe me if you keep listening to that and they don't bring this with them it says in *2 John 1:*

10. If there come any unto you, and bring not this doctrine, receive him not into your house, neither bid him God speed:

11. For he that biddeth him God speed is partaker of his evil deeds.

It is the same thing today only this here is a different scenario, back in John's day it had something to do with the deity of Christ, *2 John 1:*

7. For many deceivers are entered into the world, who confess not that Jesus Christ is come in the flesh. This is a deceiver and an antichrist.

They were trying to bring something in and John said if they do not bring this with them don't even bid them farewell and today you can truly say if they do not even know that there is such a thing as a church age and that there is such a thing as angels to the church age then you put yourself at risk for believing him and even giving him an

ear. See we go back to those seven stars, in our age of Laodicea we know that in the days of the voice when he shall begin to sound. We know that that beginning was brother Branham, once you have that down in your Urim and Thummim, down in your soul then nothing can veer you off that. There is a little word there that a lot of people don't know, I have never even heard it being talked on, there is a little word there 'begin' the Bible is so condensed and if you miss that Word you will miss the purpose of brother Jackson. I going to read it out of the Bible because these things are so foreign to people that they think that we are making it up. In Revelation 10:

*7. But in the days of the voice of the seventh angel, when he shall **begin** to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.*

See brother Branham was the voice of the seventh angel, one of the stars, there were seven of them and brother Branham was the last one to the church age of Laodicea. As I have said he was only the voice, he was the voice of the seventh angel then it goes on to say when he shall begin to sound, you have to look at that word 'begin' and you have to blow it up to about ten times the size that it is for it to have meaning, otherwise you just read over it. When says - when it shall begin to sound the mystery of God should be finished as he had declared to his servants the prophets.

In German

7. Sondern in den Tagen der Stimme des siebenten Engels, wenn er posaunen wird, soll vollendet werden das Geheimnis Gottes, wie er hat verkündigt seinen Knechten, den Propheten.

We started out with blessed are the poor in spirit now if John on the Isle of Patmos would have been full of himself he could not have heard that voice because he would have had his own opinion of things. The same thing with brother Branham if he would have been full of himself and if he would have had his own agenda he would not have heard this seventh angel. I am just trying to break it down where we are coming from and kind of laying a footing where we are going to go, we are going to go to the image of the beast. There again we didn't pick this up from some denominations system, we are just following the truth that is why the Lord has really been dealing with me

on this blessed are the poor in spirit for theirs is the kingdom of Heaven.

Lorraine speaks: I can really vouch for that I was on the colony and the Lord saved me when I was 21, I was on the colony for seven years after that and I read my Bible, and I listened to a lot of preachers on the radio, I read a lot of books that I picked up, and for seven years I did that I lived a life before God. I listened to all these preachers to Chuck Swindoll, Charles Stanley, that David Jeremiah, and also to some that are not as well known and at the end of those seven years I said Lord there is something that I am not understanding in your Word, there is something that I am not getting. It felt like a carrot in front of a donkey, you never really get it, you just never really get it, there is something that you are missing almost like a Chromosome is missing. There is something in you that is not getting what it wants because they never deliver. I experienced it I even took my Bible and I said - Lord there is no point in me reading your Bible if I don't understand it, there is something that I don't understand. I desired to know, I longed for it. Like what happened in the Garden of Eden, why are we sinners, why are we the way we are, why are we this natural man, and the spirit man always at war with each other.

Then I was given the book by brother Branham - The Church Ages, and there were all my answers to the questions that I had from the Bible when I came to the ministry of that seventh star. That angel that I heard come out of her my people, and that angel that I heard speaking through the voice of brother Branham and the through the voice of brother Jackson. That is what I heard, and when you were saying here these churches follow the same curriculum and they do. It is a curriculum where you sit in this church for the rest of your life and you are really never getting fed. All of a sudden here I was getting fed I had my hearts desire right there, that is why when you were saying that they have the same curriculum and what stabilizes us, what sets our foundation sure, is being connected to the vine, going back to those seven stars that Jesus held in His right hand. These are the ones that Jesus is going to use to communicate to us, to tell us where we are at in time to give us a revelation of His Word, meat in due season as it is needed for the time and the hour that we are living in. He is going to provide it to us.

Sam speaks: Where he gets it from and you have to read that scene over and over again how close it was to the heart of God that He would give Jesus, and allow John to see what actually took place you have to see the power and the majesty that He is addressed as - His head and his hairs were white like wool, as white as snow; and his eyes were as a flame of fire;

15. And his feet like unto fine brass, as if they burned in a furnace; and his voice as the sound of many waters.

16. And he had in his right hand seven stars: and out of his mouth went a sharp twoedged sword: and his countenance was as the sun shineth in his strength.

He said I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death. I am Alpha and Omega, the first and the last: you have to absorb that, you have to read it over and over again to get the drift of what we are trying to say here. Throughout the week you really had to have your senses tuned to hear Him, kind of like a whisper. There is no end to what you could talk about how John turned around and he saw all that, and heard the sound of rushing water. All that is consumed in the energy that it took to bring this message to John. God was saying this is how I am going to communicate throughout the Grace Age, anything else is amiss, I am putting that in there but I am putting that in there for a reason. If you listen to anything else you are going to be deceived. In 325 AD, here they come changing the water baptism, and all throughout the whole Grace Age you have these deceivers you have the Dark Ages where the popes controlled it all, you have that woman that added leaven to the three measures, that is where the Catholic church perverted the Word with her creeds and dogmas. You have all that but if you don't connect with that church-age messenger you would not know what is going on. You have to go back and connect to what that church-age messenger said, what Paul said, what Ireneus said, what Columbus said, they all warned the people in their hour to what is coming and to stay the course. They were that representative for that star, these angels were speaking through these men to warn the people what is coming up the road. Then along came, Martin Luther - the just shall live by faith. Those that tapped

into that had the same benefits the freedom to get out of this Roman Catholic, Communistic, demonic environment.

That is where all these songs come from *Meine Armut macht mich schreien*. That is why all week long the Lord gave me that song, that is why I was wondering if it is in English there is so much in it, but when it is done it is condensed into one thing - Blessed are the poor in spirit for theirs is the kingdom.

They didn't have a program an agenda, we didn't get up in the morning to read this curriculum. These denominations of religion go out and read their sermon according to that Roman Catholic program. It is all the same and people go there and they flock there by the thousands. Then they go home just as empty and the first thing that they head for is the buffet. It does nothing for their soul I went to every nook and cranny until I heard about brother Branham. I went to B.C and the Lord spoke to me - This is my prophet if you believe it you will be blessed, if you don't it is still my prophet. I chose to believe it, and all that I have ever been taught I had to flush it down the toilet because it didn't amount to a hill of beans, it was just an obstacle to me. I believed that prophet, and like I said, we have that Word begin. When brother Branham goes off the scene, and if you know that story of brother Jackson at all he already had his church-going, he was already riding with his horse but he was passing brother Branham and brother Branham told him just keep on going. There is scripture again the scripture that God gave you *2 Timothy 3:*

14. But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them;

We are continuing on from what we have learned from these two men, if it would not have been for brother Branham and brother Jackson we would have been clueless because brother Jackson had questions too, and that little man answered all his questions. One morning brother Jackson was reading his Bible and the pages fell open to this verse in *Luke 1:*

17. And he shall go before him in the spirit and power of Elias, to turn the hearts of the fathers to the children,

That consumed him until he actually shook hands with the man, and he said to himself this is that man, it has got to be that man, and he consumed himself and he said that I am going to see to it that

there will get no daylight between him and me. Everything that he did he consumed it and he absorbed it and he was really the only person that could take it on. Like it says, as it was in the days of Noah so shall it be when the son of man is being revealed, brother Branham was beginning to reveal the Son of Man, and brother Jackson was the only one that got it because he continued on, he was the one where it says - continues thou on. He shared a dream with brother Branham and he told brother Jackson there is something fixing to happen and when it does you stick with this Word. He stuck with the Bible, not what people said. That's what happened when the Lord took him off the scene people went in every direction, but there was one vessel that God continue on with and that was brother Jackson.

The Branhamites still have not accepted that. That is where God led me to, I was guided by that unseen hand, I was hungry for the Word of God, when I was done with the Branhamite group I was still empty there was still something inside of me searching, I still had not found something that could settle in me. Then the Lord took me away from the Branhamites and I asked the Lord - where am I going to go, and the Lord spoke to me, He said - I am taking you and putting you in that other vessel. The ministry of brother Branham is that net. In Matthew 13:

47. Again, the kingdom of heaven is like unto a net, that was cast into the sea, and gathered of every kind:

I don't want to go through all that for the sake of time. I would have to go right through the ministry of brother Branham he was that ministry of that net the 7th parable of Matthew 13. The Lord was telling me I am putting you in that other vessel. I didn't know of no other vessel, like I said, I am walking by faith then about 3 months later I was up at Kelowna and this man put on a tape and there was brother Jackson preaching, and I said - who is this man that he would take the Word of God with precision accuracy and place it exactly where it belongs. Here again, it was my soul that was searching, and here was this man and I knew that this was that which I was looking for. I didn't know what I was looking for but I knew when I'd find what I am looking for I'll recognize it and here it was the ministry of brother Jackson and that was that other vessel that the Lord was taking me to. In *Matthew 13*:

48. Which, when it was full, they drew to shore, and sat down, and gathered the good into vessels, but cast the bad away.

I know that there are lots of people in the brother Jackson movement, they are completely clueless about what we are trying to say, simply because they got born into it. Like in the colony when you get born into the colony you are there forever until the day you die, some of them. Unless you have a calling to get out of there and it is the same thing here with this movement with brother Jackson they figured their parents brought them here and it is good enough for them, but with us it is different we were not born into this, we had something when we came to brother Branham and brother Jackson. We had salvation before the Lord brought us this way. It was something that we needed to prepare us for the hour that we are now living in. They were the message for our hour. Then when brother Jackson left the scene, now what do we do, well we are going to stay with that Word, we are going to do exactly what we did when we came from brother Branham to brother Jackson we are going to stay with the Word, we are going to check it out with the Word, and here lo and behold they come along with we are in the 3rd day. I knew that something was wrong here, then come the 2 days are done, we know that that is not true but we didn't know what is going on. Why would these people say that, people that we are looking up to, they are preachers in the pulpit and here they come. They preach wrong and they show partiality, they use a different scale when it comes to certain people, their family is more important than anything else and here we are all by ourselves. Well, we can't follow all of that, and there again the Lord takes me out of Grace and Truth. The Lord gave me a song - *Ich geh den schmalen lebens Weg, wenn auch verlassen her so bin ich dennoch nicht allein mein Jesus bleibt bei mir.*

That was all I had to move on from there, I am going down the narrow road of life. It has been a very narrow road for me, with very few friends, very few people that were interested in what I had to say. I really didn't have anything to say because I was on this journey, I didn't know why but I knew the Lord was leading me on. I am going down that narrow road of life, and it says, though everyone forsakes me yet Jesus will never forsake me. That was all that I had because I didn't know what was up the road. I thought that Grace and Truth was

the end-all-where-all, and here lo and behold the Lord moves me out of there, and for about two weeks I'm minding the Lord then He gets me to pick you up and He tells me without you there is no program, and I knew that that's my next chapter, I don't know what will become of it but it is the next chapter that we are in now. I am taking you along and sure as anything there is absolutely no way that I will be able to go back to these churches, just because I picked you up, and it was the Lord's doing because He didn't want me to flirt back and forth. I was done with them they have nothing for me they are partial. They are fellowshipping with people that they know are wrong, they broke away from the 3rd-day group but they fellowship with the 2 days are done, crowd, that's partiality.

Lorraine speaks: It is so hypocritical to me you have no idea how that sounds to me, is Allen who he is, what he is teaching is lowlife, we don't even know half of what he is teaching now, his stuff gets so derogatory. Is Allen who he is, you have no right to treat one person who teaches wrong and the next person that is also teaching wrong you put them up to your pulpit. You know what that is so hypocritical.

Sam speaks: I know you kept bringing it up but I didn't get it until the Lord practically had to put my face in it, He had to take me out of there before I could actually see how hypocritically Tim Reliford operates down there, he is throwing Allen under the bus and here embraces David which is ten times worse we are after the 2 days, and then what they start teaching on top of that I don't even want to go there.

Lorraine speaks: Like he had every right to throw Allen under the bus, but make sure then you throw David under the bus too when he starts preaching wrong. Why treat one person like this and the next like that. That is partiality and that comes from the pit of Hell.

Sam speaks: Why don't you read what the Lord gave you there about that. *1 Timothy 5:*

21. I charge thee before God, and the Lord Jesus Christ, and the elect angels, that thou observe these things without preferring one before another, doing nothing by partiality.

It even says before God, the Lord Jesus Christ, and the elect angels not to show partially and here they are doing it wholesale, in

broad daylight and we are supposed to listen to that junk. There is another scripture somewhere else. In *James 3*:

13. Who is a wise man and endued with knowledge among you? let him shew out of a good conversation his works with meekness of wisdom.

14. But if ye have bitter envying and strife in your hearts, glory not, and lie not against the truth.

15. This wisdom descendeth not from above, but is earthly, sensual, devilish.

16. For where envying and strife is, there is confusion and every evil work.

*17. But the wisdom that is from above is first pure, then peaceable, gentle, and easy to be intreated, full of mercy and good fruits, **without partiality, and without hypocrisy.***

18. And the fruit of righteousness is sown in peace of them that make peace.

See that wisdom descendeth not from above and when you take that with the fruits of the flesh in Galatians. It is wisdom that comes from beneath, it is so derogatory you don't even want to go there.

Lorraine speaks: Partiality is earthly, sensual, and devilish, it is because of what you are doing when you are being partial and when you don't stand up for the truth, in all actuality, you are actually crucifying Jesus Christ because you are stepping on those people who are standing up for truth and for righteousness. While you are following an ideology, following a man you are denying Jesus.

Sam speaks: Really what you are doing you are throwing the wrong people under the bus.

Lorraine speaks: You can even see it in those politicians everyone is being exposed for who they really are.

Sam speaks: It says, before He comes He is going to expose everyone and not only expose He will expose the motives. The motive is hidden, what is his motive, what is his agenda, and the Lord will expose what his motive is. We have to check ourselves what is our motive, God knows what our motive is, we might not even know our own motive ourselves, we mean well, but God is going to bring it out whether we do or not.

Anyway, having said that the things that we are saying we don't come up with on our own we want to go into the image of the beast here. I was always saying I can never understand what the image of the beast is but I figured if it will be here I will recognize it and here it has been in our face for a year. The image of the beast and we can really say this is going towards it with the mask mandates this vaccine mandate. It is not a vaccine it is a jab to do something to your system, insomuch it actually affects your soul because it does something to your DNA and immune system.

Lorraine speaks: These people are coming out with more and more things with what it actually really is, it is all going to be exposed because what happened January 06 when God let me see how close the devil was in taking over this country, he only came close, up until then it was coming to the point where they are going to do a takeover of this country. When January 06 happened something happened to put everything in reverse now everything is going to get exposed. All the things that you are seeing now are the effect of things being exposed.

Sam speaks: In *Revelation 13* it talks about the images of the beast. Just to help you understand some things, in the scripture that will follow, the lamb beast here is America, right now with this fake media and those politicians it is speaking as a dragon, but it was not always like that and when God will be done with America it will go back to that lamb beast. The beast system is Europe and that wound that it speaks of is what happened in 1520 when Martin Luther dealt that Roman Catholic church a deadly wound and put it out of commission, when God give him the revelation, the just shall live by faith. Then people were free from its yoke of bondage. Now here in the last 100 years it has slowly been healing, coming back to power again. The image is this whole jab agenda, and the network behind it how they use it to control people with.

11 Then I saw another beast coming up from the earth. He had two horns like a lamb (America), but was speaking like a dragon.

12 He exercised all the ruling authority of the first beast (Europe) on his behalf, and made the earth and those who

*inhabit it worship the first beast (**Europe**), the one whose lethal wound had been healed.*

13 He performed momentous signs, even making fire come down from heaven to earth in front of people

*14 and, by the signs he was permitted to perform on behalf of the beast, he deceived those who live on the earth. He told those who live on the earth to make an **image to the beast** who had been wounded by the sword, but still lived.*

*15 The second beast (**America**) was empowered to give life to the **image of the first beast** so that it could speak, and could cause all those who did not worship the **image of the beast** to be killed.*

16 He also caused everyone (small and great, rich and poor, free and slave to obtain a mark on their right hand or on their forehead.

17 Thus no one was allowed to buy or sell things unless he bore the mark of the beast—that is, his name or his number.

18 This calls for wisdom: Let the one who has insight calculate the beast's number, for it is man's number, and his number is 666

Here it talks about the image of the beast and the mark. The image is not the mark - **And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.** The mark pertains to Europe, it pertains to the area that the popes had control over in the Dark Ages. The number 666 is the Pope, when you take his title add the letters with Roman Numerals it comes to 666.

As it says in *Revelation 17*:

*8. The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, **when they behold the beast that was, (in the dark ages) and is not, (at the Reformation) and yet is. (Wound is now healed again)***

We know that the mark of the beast is in Europe, but we want to focus on the image of the beast you were reading something yesterday where the image is universal.

In *Revelation 15*:

2. And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his image, and over his mark, and over the number of his name, stand on the sea of glass, having the harps of God.

In *Revelations 19*:

20. And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone.

In *Revelation 20*:

4. And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years.

Sam speaks: We know that the sea of glass will be full at the last part of the week, these will be those that will have to give up their lives for the testimony of Jesus and those that keep the commandments of God. In the middle of the 7 years that scripture will be now implemented - *blessed is he who dies in the Lord from henceforth*. Right now you don't have to give up your life all you have to do is let the Lord be Lord of your life and you can have a successful life and at the end of the day you die and you go to Heaven, but in that era of time, in the last 3.5 years, it says in *Revelation 14*:

13. Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them.

That scripture will be active in the last 3.5 years of the 70th week of Daniel and you will have to die, there is no other way and that is where the sea of glass people fall under. They have gotten like it says - victory over the beast, and over his image, and over his mark, and over the number of his name.

That mark of the beast is that Roman Catholic system which will be like the Dark Ages coming back and that pertains to Europe. They didn't overcome but they will have victory over the beast and over the image. That is what we are talking about that jab that is out there, this is a universal thing it is worldwide where this Coronavirus which is man-made, under the inspiration of satanic forces. They can't force it on you, people need to know that, they can intimate you, they can do whatever but they cannot actually force you if you are willing to lay down your life. We were driving through town here and we talk about this program and I was confronted - Are you willing to lay down your life. I was willing to give up my life if need be but I am not taking this jab and getting involved in this junk. I will still wear a mask if I have to because if I need something from the store, which I don't really have to, but let's say I need to, and these people have not made up their mind where they are willing to lose it all, their business, or their job, and I am going in there without a mask and of course they are not going to be too happy about it. I am just making it hard on them because they have to make that decision themselves, maybe I will wear one or maybe I won't it really does not matter, what matters is knowing the spirit behind it all. What is that mask for, it is to coerce you into taking that jab, it is not a vaccine, it is a bio-weapon to kill people and to control you with it.

Lorraine speaks: They have to use a vehicle to make it miserable so you end up buckling in taking this jab. That is how the devil does it he makes your life miserable so you try to have a normal life and you will do anything to regain that normalcy and that is how he works, but if you are willing to lose your life then it does not matter. The freedom lies in not being controlled.

Sam speaks: We talk to some people, and they say they had to do it because my grandma says we should do it so we can visit, and stuff like that. The other person has to do it so they can fly, is that willing to give your life, see you and I, we are willing to give up our life, if need be, we have already done it. We are not taking a jab, let's say they will make it so that you can't go anywhere, you can't go into the store and they clamp down more, it is all a mechanism from Satan, just to coerce you. They can't force you if you are willing to give up your life if need be, that is what we are going to do, if I die I die. That

is what I did back in that colony system. They did everything that they could and if the law of the land would have allowed it they would have killed me. It is just all a bluff of intimidation, it is all to try to coerce you, and here it is the same thing it is driven by the same demonic diabolical forces.

Going back to the image with these masks and these jabs people take it voluntarily. It is still not quite the mark but it is the image, it is something like the mark, but here you can still get out but with the mark, you cannot get out. If you are living in Europe this European area there and you don't take that mark then you will not be able to buy and sell in the last part of the week which is 3.5 years. Here you can buy and sell, there is curb-side and things of that nature, what they are doing with the image they are coercing you. They are fear mongering you, and you have to make your decision if I lose my job, if I can't work here in this hospital then find another place to work.

Lorraine speaks: The thing of it is there are a lot of people they are forced to take the job, they go and take it and then they get sick, some have to amputate some limbs and some die, what good is it then having lost your job anyway, if you would have laid it down at least you would have gained something.

Sam speaks: If they would have trusted the Lord, if I lose this job the Lord will supply, if I trust the Lord. That is why it is so important to trust Psalm 91, there is absolutely no way that that pestilence will come near your dwelling if you put the Lord as your first and most priceless possession, it is impossible. Trust in the Word, because God has put His Word above His name. We decided that we are going to trust Psalm 91, and we will do whatever we can to cuddle up to the Lord and to make Him, the most high, our most priceless possession, that is all you have to do. Then if you lose that job well there is another job waiting for you. Back in the colony when they took everything away from me I lost my job and everything but the Lord had something else for me, from there I went there, and from there, I went there, but the Lord always had another job for me, and it was always better than the one I had before.

The Branhamites are basically the same thing, if you leave that Branhamite movement you can't fellowship with them anymore. That is when the Lord moved me on He had something better for me. He told

me to go down and fill out a resume at this trucking company and it has been good ever since. God always has something better, if you can't work as a nurse then resign and God will have something better if you put your trust in Him. This image can only coerce you, intimate you, and to some degree, it can force you if you allow it to force you.

See I want people to know that there is a difference between the image of the beast and the mark of the beast and I want people to be able to differentiate between those two. The mark of the beast can only be in Europe, that is where that beast system is, over there will be the only place where all four of them will be combined, the image, the beast, the mark, the number, and there will be people that will have victory over it. The image of the beast is a universal thing but they cannot force you.

Lorraine speaks: You are going to see it in the churches too, there is this one woman preacher, they are promoting this vaccination so much and behind it all is the spirit of Satan, she even instead of having a necklace with a cross on there she has one on saying vaccinated. See that is their image, their god, all because of what they did in the sixties they rejected the message for their hour, they rejected brother Branham and then they are being corralled into this image, and that is basically who they worship because it says the ones that don't fall for it they got the victory over it and they don't worship it.

Sam speaks: We have gotten the victory over it, we have accepted the prophet back in the day, and here again you have to go back to those seven stars. If you rejected that prophet, that he was the message for your day then you will fall into another category. Back in the '60s the churches of America rejected that very thing, that star messenger that Jesus held in His right hand, they were blinded by greed, they were blinded by a pay-check, they were blinded by that church system, and there today you see the results of that church system, of rejecting the prophet now you see all the pedophiles ,and you see what the churches have become, that is why it says come out of her my people. It has evolved into a cage and a hole of every foul and hateful bird.

Lorraine speaks: We were talking about people who had victory over it and then there is scripture for those who fall for it, who give into this image of the beast. *Revelation 14:*

11. And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

In Revelation 16:

1. And I heard a great voice out of the temple saying to the seven angels, Go your ways, and pour out the vials of the wrath of God upon the earth.

2. And the first went, and poured out his vial upon the earth; and there fell a noisome and grievous sore upon the men which had the mark of the beast, and upon them which worshipped his image.

See it is all about falling and worshipping something, they are worshipping the beast and his images, whereas people who do not fall for this have victory over it, and they will have eternal life, but they will have to lay down their lives if they have not prepared for the rapture or for the marriage supper of the lamb.

Sam speaks: I saw something here as you were talking - It says come out of her my people so that you don't partake of her sins, you are going to receive these plaques, all these plaques that are written in the book of Revelations there, they are all coming, so people don't have anything really to lose. I am not taking that jab because if I do I am going to fall into that category, it never used to be like that but now it has become that. The churches, they used to be a haven back prior to the 60's it used to be the place to go but now that whole church system has sold out. Therefore it now says - *Come out of her my people or you are going to partake of her sins and receive of her plaques because great is the Lord that judges her.*

I was going to say the reason this is here, this image, is we here, we realize that we are living in the last generation we are living in the time now that the Grace Age is shut down and that happened October 14-15. Jesus is no more on the mercy seat, that is why you and I can say what we are saying because we know where we are at in time. Like it says, they knew not, in the days when Jesus wept over Jerusalem they knew not the day of their visitation. As it was in the days of Noah, they knew not, they just kept on building and doing

whatever. In the days of Lot, they knew not, it is the same thing today when you listen to these so-called preachers, even this Brannon Howse they talk like this is going to go on for another 100 years. You know why they are saying that, simply because they knew not. Simply because - They know not the hour that we are living in. I could never have a conversation with them knowing what I know, I could not build on anything else other than the grace age is over and we are now in the week of Daniel. Would they know they would not talk like that, and they claim to be Christians. They would never fit into this category here, but there are other categories that they can fall into. They can fall into the category where it says in *Revelation 14*:

13. Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them.

It is going to be a blessed thing the only thing is you will have to give your life for it, you are going to have to go under that guillotines, they are going to find you. That is what we see already beginning, this one guy he wanted to know our names and where we lived, it is all geared towards these so-called churches, such as these Gospel Hall, these Baptist churches out there they already have your name and number where we live and everything and they know that we are these radicals that believe in these stupid serpent seed thing and this God sending a prophet. We know that and it is gossip around town in these churches to stay away from Sam and things of that nature. They already have our number but they cannot touch us. It is impossible for them to touch us because in the middle of the 7 years the pope will kill those two prophets, and the bride will know that she is next then we will be saying - Come quickly, Lord Jesus. That is when the rapture happens that is why they can't touch you, you just have to stay the course, but see there are some that do not fall into that rapture because they are not ready because it says those that were ready went in and the door was shut see they are going to have to take a different exit route.

There are different exit routes, there is the bride, then there are the foolish virgins they will have to give up their lives like it says - *Blessed are they that die in the Lord from henceforth*. Then there are the sheep people and then there are the guest to the marriage supper

of the lamb. They still have an exit route they still have a way of an escape but they are going to have to give up their life. What I am trying to say is this, that the rapture is not the only exit route.

Lorraine speaks: The sheep and the goat category are those where it says in *Daniel 12*:

12. Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days (1335 days).

These sheep people are those people that will go on into the Millennium to repopulate the earth as mortals after they are judged and separated from the goat people, as it says in Matthew 25, the sheep people helped out the Christian people, whereas the goats did not.

Sam speaks: Then there are the 144,000 that will go on to preach the everlasting gospel in the last part of the week of Daniel (3.5 years) they will warn people not to take the mark. Whatever it is at least people will have a choice and will not have to go to Hell. At least they will not have to suffer that judgment that those that cave will face. You and I, we can talk about these things because we know where we are living at in time, if you try to tell that to people out there they kind of look at your funny like this charismatic world does. They cannot believe that this is the end of the Grace Age, by listening to these seven stars, by listening to that Laodicean Church Age messenger, it was that angel that spoke through Brother Branham, in 1963 that Midnight Cry happened on February 28, and then we listened to brother Jackson and he calculated the 2000 years of the Grace Age and it came to 2004.5 but he always said if the Roman Calendar is right, and brought out the scripture, that pertains to the Jewish people, in *Hosea 6*:

2. After two days (2000 years) will he revive us: in the third day (Millennium) he will raise us up, and we shall live in his sight.

Then we counted from the Midnight Cry and you take the 2004.5 that brother Jackson calculated and you realize that you have 17 years where the calendar is out. We know that brother Jackson always said 2004.5 is the end of the Grace Age if the Roman Calendar is right. Now if we take the year when the **Laodicean church age started 1906** and subtract the **midnight cry 1963** we have **17 years**

(1963-1906 = 57 years). Now when you add **57 years** to **1964** it will take you to **2021 (1964+57=2021)**. When you put all that together in this giant jigsaw database 2021 is what you come out to. Then we take the 6th Jewish feast, the Yom Kippur, the true Yom Kippur and that is October 14/15 this year. We know that these feasts are very important to the Lord, and we have it figured out by listening to brother Branham, and brother Jackson, by having a reverence and a respect for the Word of God, and for what brother Jackson said, and when you put all that together and put it into your database, what do you come up with - That true Yom Kippur the 6th feast of the 7 feasts of Leviticus 23. The feast of the Passover, the feast of Unleavened Bread, the feast of the First Fruits, the feast of Pentecost, the feast of Trumpets, they have already happened, and now the feast of Anointment (Yom Kippur). The only one left then is the feast of Tabernacles and that is for the Eternal Age.

Lorraine speaks: Basically, it ushers in the week of Daniel where the Jewish people will have their revival, the restoration of Israel, where they will recognize their Messiah, where they can arise and shine, because now the last of the Gentiles has come in and now God turns to the Jewish people and that Yom Kippur sets in that time frame of seven years. Just like the Passover, when Jesus was crucified that ushered in the Grace Age of 2000 years. Those are the 2 days that it speaks of in Hosea. After 2 days He will revive us, after the 2000 years of the Grace Age God is going to revive Israel and that is when the week of Daniel starts. Those 7 years that are left when God is going to restore Israel where they are going to have their land back and their temple is going to be built, but in the middle of the 7 years the antichrist is going to come in which is going to be a pope and he will desecrate the Temple. That is why the outer court is not going to be built because there will be not enough time for that to be built

Revelation 11:

2. But the court which is without the temple leave out, and measure it not; for it is given unto the Gentiles: and the holy city shall they tread under foot forty and two months.

It is going to be a short time frame, that is why there can't be much time from the time the Temple is built to the middle of the 7

years. If it would be 7 years they could have everything built, but we know that it is going to be 2-3 years for the building of the Temple. You can see how fast they can build things nowadays, in one year the lot is empty and then the next year there is this big manufacturing. Like that Roulette pea company outside of town, one year it was empty, and in 2 years, there is this massive manufacturing. It does not take long for things to be built especially if the Gentiles are going to contribute to it with all their riches. As it says they will in *Isaiah 60*:

10. And the sons of strangers shall build up thy walls, and their kings shall minister unto thee: for in my wrath I smote thee, but in my favour have I had mercy on thee.

16. Thou shalt also suck the milk of the Gentiles, and shalt suck the breast of kings: and thou shalt know that I the LORD am thy Saviour and thy Redeemer, the mighty One of Jacob.

Sam speaks: Like you were saying nothing can happen until the fulness of the Gentiles have come in. I was seeing the influence that that grey/pale horse rider that it talks about in Revelation has had in the last 100 years. That is what the purpose of that grey horse and his rider was and that is to deceive the people but now that grey horse and its rider are not riding anymore now people can see reality. They can see things through the eyes of reality. Up until now the news media they had people convinced that Trump is the crook when it is the opposite. All of a sudden that grey horse is no longer riding. It is not going to happen overnight, but it will slowly come about. Like the cut off from the Grace Age and going into the week of Daniel, people are not even going to notice. Like the song says, *The World will go on as before but to the Gentiles He'll close Heavens door.*

You and I are probably going to be the only two people that are going to recognize it and to the rest of the world, it is just going to come in unnoticed just like it was in the days of Noah those animals were in the ark and the door was shut. Everything was going on as before, the sun was shining, the birds were chirping, and nothing was happening right away, here is the same thing. The effects of it will come about, it happens in the spirit first and then it will slowly start to manifest in the physical. Just like at the crucifixion when Jesus said it is done the effect of what really happened slowly happened. Like at first there was only that Roman centurion that realized and said - Truly

this was the Son of God. He received a revelation that this was the Son of God and that is when the 2 days started the 2000 years of the Grace Age. It is going to be the same here with the ending of the Grace Age it is going to come unnoticed but as time picks up momentum, it is just that it is a starting point right now.

Like I was saying the time when I drove into the United States back in 2012 when Scott Walker won that recount, that is when that civil war began, that has been 10 years, they still have not started shooting but the beginning of that civil war began. It came to a place where there is no more reverse. It is not going to go into reverse anymore it is going to go right to the finish line. He won the election and then they voted him out with these fraudulent elections, but he has nothing to lose he did what needed to be done, and now he can take his motorbike and go for a ride. Just like Trump, he is still the president but they ousted him and it is like the Lord is saying go golfing, take it easy, you worked hard these four years as no other President has ever worked. Now he is having a break until God has this mess cleaned up but he is going to be back in the Whitehouse. You and I, we know that we are living by faith in Jesus above, we are not going by the media or circumstance, we are living by faith, we see it in the scripture and we just hang on to it. Go try to tell somebody how important that midnight cry is, just you and I have that revelation of that midnight cry. You cannot understand the end-time until you get a revelation and understand the midnight cry, and you believe it. It happened on February 28, 1963, that is the middle of Laodicea and that is 57 years, then you add 57 and that brings you to 2021. It is exactly right to the day.

That is why we are on this subject of the image of the beast, I was always wondering what is that image, we know that brother Jackson said it is the World Council of Church, it is to some degree but it is like what does it mean to be poor in spirit, it is all about realizing that I have nothing, then about noontime the Lord starts to fill you because I have no agenda, I have no program. During the week on Monday, Tuesday I'm wondering what the Lord will have us talk about on Sunday, even if I try to manufacture something it would not work because I have too many loose ends. I have to wait on the Lord and most of the time it is right in your face. Then He gave me that

song - *Meine Armut macht mich schreien zu den teuen der mich segnet und macht reich.*

I depend on Him and then it all ties together with being poor in spirit, that is the attitude that you and I are in, we have no agenda, we have no curriculum that we follow. We just simply stand before the Lord and He always comes down and He gives us something and usually, it is in your face but you really have to recognize that you depend on Him. He is the one that shows us these things. That image is right out there, you are right in the age of that image, it is right here, it is right in your face, it has to do with the masks, the jab. They call it a Vaccine but it is really not a vaccine it is something else, it is something that affects your DNA, it messes with your soul. You were saying something when you look at some people who don't have a soul. Like Mike Pence he does not have any feelings, it is nothing to them to kill children and to mutilate them.

Lorraine speaks: You look at these people like Bill Gates, Elon Musk, their eyes are dead, and your eyes are the window to your soul and you can see the soul is gone, they did something.

Sam speaks: Even that guy that we saw down here that was riding his bike and we just happen to ask him if he took the jab and he said he did and he is taking his 3rd one. He carried about him an atmosphere and I wanted to get away from the guy he was so empty.

Lorraine speaks: It was weird something happened, I felt a void there, almost like a void in my soul happen, it was a vacuum, it affects you it does something to your soul I don't care what a persons excuse is why you take it, it has an effect on a persons soul, because #1. It is anti-God, #2. How is it made - It is harvested in aborted baby cells. If you think that your life is worth more than a baby that they aborted and killed I am sorry not in the eyes of God. You are not going to be justified for doing that unless you seriously repent. #3. It has some kind of a technology in it, they are still doing a lot of research about it. They have to surround it with lipids, with fat cells, to stabilize it, almost like it has a technology, something technically in it and when they put it under the microscope it turns into different colours and normally nothing does that unless you add a substance to it and then a chemical reaction will occur but this one if they put it under the white light of a microscope it has a color, it is called a luciferase enzyme and

that enzyme is used to carry the RNA code into the cells and eventually it will change the DNA. There are other things that they are finding out people that are in the field, that do that for a living they do research on these things, and they are seeing things that they have never seen before. Then those spike proteins cause heart failure in young people, and on and on it goes. It is diabolically driven, it is a devilish agenda and these people are wicked and they will stop and nothing. Just like Nicene Rome was the devil's agenda to make believe that people are Christians when they are not, they go to church they get baptized in this trinity baptism in this diabolical baptism and they think that they are Christians but it is not real, that is the same thing here the devil is trying to copy what God is doing in the future we will have immortality, he is trying to copy that but you look at these people they look old sick and ugly, their soul is gone. Your soul is your character who you are. Look at Bill Gates he looks old and ugly, look at George Soros old and ugly their soul is gone. Something that has happened to these people is that the outcome that you want with these vaccines. It looks like something dies within your conscious or something. Now they want to put that jab into children and it is all a mechanism to kill and destroy, and you cannot trust these people. **I would tell people do not vaccinate your children with this jab or any vaccines anymore, and no more flu shots they are deadly too they add these Covid ingredients to the flu shot they can't be trusted.**

Sam speaks: They manipulate with the genetics, just like they did back in the prehistoric hour, you and I, we go back to the prehistoric to the dinosaur age to where it says in *Ecclesiastes 1*:

10. *Is there anything whereof it may be said, See, this is new? it hath been already of old time, which was before us.*

In *Ecclesiastes 3*:

15. *That which hath been is now; and that which is to be hath already been; and God requireth that which is past.*

What is happening today happened back then because the proof is in the pudding, these dinosaurs were harmless when God created them, but God was testing these angels and they left their God-given job and they started messing with the genetics. These fallen angels, they had a way of making these dinosaurs kill each other, they grew

into humongous size. They did not start up like that, they were all grass-eating dinosaurs when God created them. We went to this museum and this guy showed us the original size and what they evolved into. Then we read up on it and the dinosaurs originally they were all eating foliage and these angels messed with the genetics, the law of genetics, just like these Bill Gates and these wicked people are doing today inspired by the devil. Then these angels just loved to sit and watch them kill each other. Just like over in Rome at the Colosseums that is what it was back there, they love to watch people and animals being killed.

That is what these angels did they had these dinosaurs bred with messing with genetics and they made them big, the bigger the better and they would sic them one after the other, and kill each other. Then it got so bad that God called it into judgment and that is how all these fallen angels came to be. That is why it says that in *John 8*:

44. Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar and the father of it.

Here is the same thing it is all coming to the end of civilization and Jesus is off the mercy seat, and you are going to start to see a change of events, He will be King of Kings, He takes off His high-priest robes, and now He is King of Kings and Lord of Lords. You will not see the full impact of it until He comes back, He is not going to be down here literally, but He will be down here in spirit form to them that have put their trust in Him. We see the picture, I used to think I should be over in Israel telling the people what is going on but they are not even going to notice it, it is just going to come about, it is just at October 15 the beginning of the 7 years happen and one day you are going to see the two prophets showing up somewhere, it has been set in motion. The true Yom Kippur happened on October 15, and it is for us to know the day and the hour that we are living in because if you know the day and the hour then you can be prepared for what is going on. Up until now, the Yom Kippur was a type and it was a shadow of the real one to come. Just like the Passover every year since the children of Israel left Egypt they kept the Passover for 1500 years and it was all for the day when Jesus would come and be that Passover

lamb. Many did not even notice it, even after Jesus was crucified because the next year they continued with their feast and it was all because they rejected Jesus that true Passover lamb.

Lorraine speaks: Yes, sometimes you get your own idea of how you think that things will unfold. Just like brother Branham he had his own idea on the book of Revelations and then he was given the understanding, the revelation of what it all means and he saw the real picture of it. That is how I thought the Yom Kippur will happen, I thought they are going to have this altar there and they are going to have a sacrificial feast and the two prophets will be there and it is going to set in the week of Daniel, but it is not the way that you perceive it to be, it is just a day that the God of Heaven has designed to set in motion that Yom Kippur, and in that day within the 7 years they are going to recognize their Messiah whom they pierce and they are going to have a day of mourning. They will have a day of mourning when they realize within themselves, they will no longer be blinded, God will pour out His grace and the veil will be taken off and they will recognize that it was Jesus their Messiah that they killed in 33 AD. They will realize that they got the Roman army to kill Him, and they will repent of it because it says in *Zechariah 12*:

10. And I will pour upon the house of David, and upon the inhabitants of Jerusalem, the spirit of grace and of supplications: and they shall look upon me whom they have pierced, and they shall mourn for him, as one mourneth for his only son, and shall be in bitterness for him, as one that is in bitterness for his firstborn.

Then in *Zechariah 13*:

6. And one shall say unto him, What are these wounds in thine hands? Then he shall answer, Those with which I was wounded in the house of my friends.

Jesus through these two prophets will make Himself known to the Jewish people and they will recognize Him.

Sam speaks: It will not necessarily be a 24-hour thing, let's say Mark Levin, he is a Jew, next week sometime he will realize - Huh, I was blind as a bat and now I see, that is really it. He does not have a revelation right now, he just follows the Christians, and then another guy maybe a week later he will get it. I used to think it will be simultaneously, in an instant, everyone will see it. No, it is an ongoing

thing and an ongoing process. See we understand it, brother Jackson kind of put the blinders on us when he had the Miracle War and the Ezekiel war before the week. When God gave you the revelation on it now it is clear that it couldn't happen while Jesus was still on the seat of mercy. Now is the time that Israel can arise and shine. You can't tell Israel to arise and shine while Jesus is still on the mercy seat. Jesus has to arise Himself off the mercy seat before God can go to the Jewish people.

Isaiah 60:

1. Arise, shine; for thy light is come, and the glory of the LORD is risen upon thee.

Nothing can happen until then, even with the Arizona counts that they have.

Lorraine speaks: While Jesus was on the seat of mercy the grey horse rider was riding and the effects of it is done when Jesus left the mercy seat. When the Laodicean church ended that grey horse rider was finished and the effects that he had, to deceive and mislead people, to take them out to hell and death will no longer be.

Sam speaks: It is over with, it has done served its purpose, it had a tremendous influence, when you talk to them it looks like you are from out of space. I have been reading my Bible, I have been in it all of my life I know what I am talking about. I am connected with those seven stars, with these church-age messengers. I have my church-age messengers brother Branham and then brother Jackson, there is nothing in between and now you and I are the ones in the third phase. God does things in threes, you and I, we are the third phase of that angel. Who do you think that you are. We don't do anything without inspiration. He gave you the revelation the other night on that arise and shine. We didn't know about it before but that angel showed up and showed you. Where else is he, take me around the world and show me where you will hear anything of such a nature then here. They don't even know that word 'begin', where have you ever heard that word begin, where that angel was sounding through brother Branham and then brother Jackson. They see brother Jackson as just an ordinary human being, they think they can change it or they call it package meats or whatever, but they don't have a revelation who was

speaking through him, it was that seventh church age angel that was speaking through him.

Like Roy Mimms, he goes over to Norway and thinks that he can improve behind brother Jackson, basically behind that angel. He didn't even know who was speaking through brother Jackson it was that angel of Revelation 10. That is how blind people are simply because they don't have a revelation who brother Jackson was and don't see that word 'begin'. It is just a little word and people read over it. In *Revelation 10*:

*7. But in the days of the voice of the seventh angel, when he shall **begin** to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.*

That angel began with brother Branham and continued with brother Jackson, and then God does things in threes and who is He going to do it with, He is doing it right here. That is why He told us to put that lighthouse up there. The lighthouse is no longer down at Faith Assembly, it was down there when brother Jackson was there and when he went off the scene, somehow the construction company took it down because they wanted to build a road there. It was actually put up supernaturally, here the Lord told us to put it up personally, and here we are not quiet about saying the Sam and Lorraine chapter. You either get it or you don't I am not ashamed to say it, and I am not bragging. If you could take me wherever, take me where it could be then I will listen but I know that it is nowhere but if it would be I would be sitting there. Just like I sat under brother Jackson for 10 years, I have no problem sitting under someone but then you better have something for me. The Lord honed us out, got us to write an exam on the things that we believe and why we believe them. The proof is in the pudding and it was on the controversial things and one of the most important things was that rapture. It can't be in the first part of the week, when the Lord saw fit and we passed that exam He moved us on. I did not know that you were doing the same thing. Then He put it together, it is so simple but you have to pay attention it is almost like a whisper. There are no stars flying, no dynamite going off. There is no big phenomena happening it is just when you sit back and meditate - God was dealing with us on the same thing and He puts us together

and then He tells me without you there is no program and when you put all that together in your database and here we are. We are just doing what God created us to do and trying to keep spiritual alive, trying to fast, just to keep our head above the water. It comes in just above a whisper, no big phenomena. In fact, that is why people miss it because they are looking for some great miracle, it is by the Word. The midnight cry, the week of Daniel, the day of the voice when he will begin to sound. All of these scriptures when the fulness of the gentile have come in, the Jewish people were blinded in part until the fulness of the gentile have come in. There is a time frame for it all and people don't even know that there is a time frame for the Grace Age, they don't even know that there is a Grace Age.

That Grace Age has to run its course and it has an end, where will they hear any of this. You were telling me that there are quite a few people tapping in and we don't know who is tapping in and if they are getting something out of it. The Lord told us to put up this website and if there is someone out there that has a hunger and a thirst HE will introduce it to them. We don't have to advertise and we don't even have to get emails to see if there are which is not our motivating factor. Our motivating factor is trying to keep ourselves at a place where we are sensitive that the Lord can speak to us.

That image of the beast, I always said when it will be here I will see it, now it is right in your face, here it is, it is too massive a thing not to be Biblical. It has to be in the Bible somewhere it comes in so sleazy and so sly that you kind of figure that it is an ordinary procedure kind of thing, but it is not, it is horrendous what they are doing to people, but people that have not committed their ways to the Lord, people that get up in the morning and figure that God owns them a living that don't even believe in a God, how can they expect God to protect them. Like that Chinese girl that you talked to.

Lorraine speaks: She never heard of such a thing she comes from China, I asked her if she likes Communism and she asked me what is that. She didn't even know what Communism is, they are not even taught that they are a Communistic country. It is quite something. So I ask her if she believes in God, and she goes - I don't know what that is. I told her this mask here is Communism this is not supposed to be in our country we are a democracy we have the

freedom of choice. What is that? You can't even wrap your mind around that, the sad part is that North America already has so many Communistic agendas that these people come here and they think that it is just another country like theirs, they see no difference. Like making people wear masks that is Communism that is socialism, that is not right what they are doing it is a diabolical agenda.

Sam speaks: It is not going to fly here it looks like they don't realize that Jesus is off the mercy seat and all this stuff is going to come to a stop. That will only be able to be fully implemented in Europe for 3.5 years. It is all fulfilling a purpose everything in God is fulfilling a purpose He has to give these mortals immortality somehow. They will not be able to be in the Bride chapter because they have their own agenda, they are doing their own thing but one day they will see that the only exit route out of here is to take that scripture - *Blessed is he who dies in the Lord from henceforth*. They won't fight it they will want it. So I can see them lining up behind the guillotines glad to give their life, because they will gain immortality and will end up on the sea of glass, and will be resurrected like it says in Matthew 24.

Heavenly Father we just had a conversation around Your Word, I just pray that you will take what has been said, use it for your honour and for Your glory, open up the hearts of the people Lord. Let them see the day and the hour that we are now living in Lord. That it will not be said of us and they knew not. We do know, there is someone down here that does know Your program, that is walking hand in hand with you Lord. I just pray that you will give that increase in Jesus Christ name we pray Amen.
