

THEY THAT WAIT UPON THE LORD

*Teach me, Lord, to wait down on my knees
Till in your own good time*

You answer my pleas.

*Teach me not to rely on what others do
But to wait in prayer*

For an answer from you

Chorus

They that wait upon the Lord

Will renew their strength;

They will mount up with wings like eagles.

They will run and not grow weary;

They will walk and not faint.

Teach me, Lord, Teach me, Lord, to wait

Teach me, Lord, to wait

While hearts are aflame

Help me humble my pride

And call on Your Name

Keep my faith renewed,

Keep my eyes on Thee

Help me be on this earth

What You want me to be.

CONSTANTLY AWARE

When I think of my Lord and how He sought me

Then I just think of His blood and how He bought me

And my blessings are more numerous

Than the stars up above

I am constantly aware of His love.

Chorus

Constantly aware that He's everywhere

In my soul there is no fear

For I know He's always near

And in my heart there's contentment

*Like the peace of a dove
I am constantly aware of His love*

*Now when the storms clouds of life around me rages
Then I just cling to that mighty Rock of Ages
And to my soul He whispers sweet peace
From Heaven up above
Oh, I am constantly aware of His love.*

That is all you need where two or three are gathered in His name, we don't have to go to Jerusalem we don't have to go to these pow-wows, these big churches, where two or three are gathered that is what the Bible says. Where two or three are gathered in His name and you worship Him in spirit and in truth you have to have a truth. That is why you and I are here Sunday morning in spirit and truth that is all that is required. Just be honest in spirit and in truth. That is all that is required it is not that big conglomerate, just be honest with each other in spirit and in truth. Jesus said, you will no longer have to worship in Jerusalem but you can worship Him wherever you are, in spirit and in truth.

WHERE COULD I GO BUT TO THE LORD

*Living below in this old sinful world
Hardly a comfort can afford
Striving alone to face temptation so
Where could I go but to the Lord*

*Where could I go oh where could I go
Seeking the refuge for my soul
Needing a friend to save me in the end
Where could I go but to the Lord*

*Life here is grand with friends I love so dear
Comfort I get from God's own word*

*Yet when I face that chilling hand of death
Where could I go but to the Lord
Where could I go oh where could I go
Seeking the refuge for my soul
Needing a friend to help me in the end
Where could I go but to the Lord*

I BOWED MY KNEES AND CRIED HOLY

*I dreamed of a city called Glory,
So bright and so fair.
When I entered the gates I cried, "Holy"
The angels all met me there:
They carried me from mansion to mansion,
And oh the sights I saw,
But I said, "I want to see Jesus,
The One who died for all."*

*Then I bowed on my knees and cried,
"Holy, Holy, Holy."
I clapped my hands and sang,
"Glory, Glory to the Son of God."
I bowed on my knees and cried,
"Holy, Holy, Holy."
Then I clapped my hands and sang,
"Glory, Glory to the Son of God."*

*As I entered the gates of that city,
My loved ones all knew me well.
They took me down the streets of Heaven;
Such scenes were too many to tell;
I saw Abraham, Jacob, and Isaac
Talked with Mark, and Timothy
But I said, "I want to see Jesus,
'Cause He's the One who died for me."*

*I thought when I saw my Saviour,
Oh! Glory to God!
I just fell right down before Him.
Singing, "Praise to the name of the Lord"
I bowed down and worshipped Jehovah
My friend of Calvary
For I wanted to give praise to Jesus
For saving a sinner like me.*

Lorraine speaks: The writer says - *For I wanted to give praise to Jesus for saving a sinner like me.* There are a lot of people that do not realize that they are actually a sinner. They blame the devil for everything but they don't realize that they are a sinner and they need a savior. I could never understand that sinners prayer that Billy Graham was reciting.

Sam speaks: It did not work for me that way, I realized I was a sinner one day I was bound for Hell, I was afraid of Hell, and for two, or three years I just tormented myself, I am a sinner. One day I saw the Lord going to Calvary blood streaming down, that did something to me, He did it for me, I saw Jesus going up to Calvary carrying that cross for me, He did not have to, but He did it for me, that got me thinking I am a sinner He did it for me, there was nobody else that could have done it. The very thing that I was fighting is what I needed, I wanted to go to God without this Jesus, that is the problem with mankind, they will use religion, and they will memorize the Bible, anything but Jesus. I fought that for a while, and then one day Jesus came by my way, He made me whole that day, just a sinner was I, I was a sinner and I needed a saviour. You meet these people sometimes, we meet this one the other day, he does not even know that he is a sinner if they could only see themselves as a sinner then Jesus could help them.

BLESSED ASSURANCE

*Blessed assurance, Jesus is mine!
Oh, what a foretaste of glory divine!
Heir of salvation, purchase of God,
Born of His Spirit, washed in His blood.*

Refrain:

*This is my story, this is my song,
Praising my Savior all the day long;
This is my story, this is my song,
Praising my Savior all the day long.*

*Perfect submission, perfect delight,
Visions of rapture now burst on my sight;
Angels, descending, bring from above
Echoes of mercy, whispers of love.*

*Perfect submission, all is at rest,
I in my Savior am happy and blest,
Watching and waiting, looking above,
Filled with His goodness, lost in His love.*

SOFTLY AND TENDERLY JESUS IS CALLING

*1 Softly and tenderly Jesus is calling,
calling for you and for me;
see, on the portals he's waiting and watching,
watching for you and for me.*

Refrain:

*Come home, come home;
you who are weary come home;
earnestly, tenderly, Jesus is calling,
calling, O sinner, come home!*

*2 Why should we tarry when Jesus is pleading,
pleading for you and for me?
Why should we linger and heed not his mercies,
mercies for you and for me? [Refrain]*

*3 Time is now fleeting, the moments are passing,
passing from you and from me;
shadows are gathering, death night is coming,
coming for you and for me. [Refrain]*

*4 O for the wonderful love he has promised,
promised for you and for me!
Though we have sinned, he has mercy and pardon,
pardon for you and for me. [Refrain]*

It is coming people are not ready for what is coming, they don't take it seriously what is coming they fear not God. *Shadows are gathering, death night is coming*, you can't stop what is coming, it is coming, but Jesus is tenderly calling.

*Time is now fleeting, the moments are passing,
passing from you and from me;
shadows are gathering, death night is coming,
coming for you and for me.*

Lorraine speaks: Every generation thinks that it is not going to happen to me, it is not going to come my way, but it is going to come if you are not prepared.

Sam speaks: It is coming, that has been our obsession to prepare ourselves, I was delivering windows out in California to a place right by the ocean, I was telling these guys why are you building these big mansions don't you know that it is going to sink. Oh, ya we all know that but it is not coming in our lifetime so why should we worry.

Lorraine speaks: Even if it does not come in your lifetime you should still live as if it would come, so you are prepared.

Sam speaks: People have been talking about the coming of the Lord for centuries but somewhere there is that deadline. Jesus said He is coming back.

Lorraine speaks: The Bible talks about the second watch, and the third watch, you still always have to be watchful and prayerful that is what the Bible teaches us to do. Watch and pray, watch and pray,

there is always that warning because you can easily be lulled to sleep and become insensitive.

Sam speaks: I know that the Lord dealt with me back in the early 90s and I can still hear it like it was yesterday at 2 o'clock in the morning, I have said it and I will keep on saying it because it set me on a course that is why I am here today. I heard a voice an audible voice - Sam, I am coming soon. Just barely above a whisper, I could easily have missed it, because my wife was sleeping right beside me, and I heard it - Sam, I am coming soon, Sam, I am coming soon. He said it twice. I have never been the same since. Something began to set me on a course, the Lord is coming in my lifetime it is not a game I heard Him. That is why we put in all this effort and all of our resources go into this. We have one message the coming of the Lord Jesus Christ. I was thinking about that today thousands, upon thousands of people all around the world are going to church this morning not one of them will tell you the day and hour you are living in. Not one of them, that is why at the end of the day the prophet said they have all evolved into tables of vomit. It has absolutely no bearing, no rhyme, or reason with what they are out there trying to sell. Everyone has an agenda, I have watched them, these people in this truth that we come out of, and not one of them will tell you the day and hour we are living in. Not one of them will tell you we are now almost a year into the week of Daniel. That is why the prophet said they are tables of vomit, brother Jackson said, it is not fit for a dog to eat, because it is irrelevant to the hour that we are living in. If you know what I am trying to say, why talk about something that is not relevant.

Lorraine speaks: It's like when you look at Israel and Judah Jeremiah was warning and warning them what is coming, and they were still worshipping their gods, even in the midst of chaos they were still wanting to worship their gods, because they said these gods brought us blessings. They were so deluded in their minds to think that it was these false gods that were protecting them and caring for them all these years.

Sam speaks: I have a topic here the Lord was dealing with me on all week long. The Lord was dealing with me on this topic with such an intensity almost like on a daily thing. It must be important that we have

this conversation today because there is so much in it. It's in *2 Peter 1*:

10. Wherefore the rather, brethren, give diligence to make your calling and election sure: for if ye do these things, ye shall never fall.

What I want to emphasize is you have to make your calling and election sure, you have to know what God created you for, that is what I am trying to say. I am saying you and I have to know that before the foundation of the world God set up this program and we have to get that down into our Urim and our Thummin, right into our structure **that we do know our calling and our election, we are in it we are doing it.** All week long the Lord has impressed on me this to make your calling and election sure don't let anything disrupt you from your calling because people will make fun of you, people will be jealous of you but that is our calling what we are doing here. It says here at the top: **Confirm your calling and election.** You have to confirm it. I want to read the whole chapter because all week long the Lord was dealing with me with such intensity in *2 Peter 1*:

1. Simon Peter, a servant and an apostle of Jesus Christ, to them that have obtained like precious faith with us through the righteousness of God and our Saviour Jesus Christ:

2. Grace and peace be multiplied unto you through the knowledge of God, and of Jesus our Lord,

3. According as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue:

4. Whereby are given unto us exceeding great and precious promises: that by these ye might be partakers of the divine nature, having escaped the corruption that is in the world through lust.

5. And beside this, giving all diligence, add to your faith virtue; and to virtue knowledge;

The founders were asked about America and the Constitution, and to that, they replied America can only function with virtuous people. If you don't have any virtue then you have the America that you see out there now, people running the government with no virtue of no kind. The Clintons, the Bidens, the Obamas, and the Bushes have absolutely no virtue, that is why America is running amok

because there are people that are at the helm that has absolutely no virtue. That is why they said the republic cannot function if people have no virtue. It is for virtuous people.

Even this truth that we have, cannot function if people do not have any virtue, you can sit under brother Jackson's ministry for 10 lifetimes if you don't have virtue, and you are not a virtuous person it is not going to amount to anything. You have to have all these attributes that are listed here add to your faith virtue, knowledge, temperance, patience, and godliness. You have to know when to talk and when not to talk and when to back away and not to back away.

6. And to knowledge temperance; and to temperance patience; and to patience godliness;

7. And to godliness brotherly kindness; and to brotherly kindness charity.

8. For if these things be in you, and abound, they make you that ye shall neither be barren nor unfruitful in the knowledge of our Lord Jesus Christ.

9. But he that lacketh these things is blind, and cannot see afar off, and hath forgotten that he was purged from his old sins.

We know a lot of people that lack these things they are born again but they lack these things. They are blind and they lack these things and they cannot see.

10. Wherefore the rather, brethren, give diligence to make your calling and election sure: for if ye do these things, ye shall never fall:

11. For so an entrance shall be ministered unto you abundantly into the everlasting kingdom of our Lord and Saviour Jesus Christ.

Jesus came unto His own and His own received Him not but those that did receive Him, to them did He give the power to become sons of God. It is a daily process. He gave them the power to become a son of God.

In another translation it says

3. I can pray this because his divine power has bestowed on us everything necessary for life and godliness through the rich knowledge of the one who called us by his own glory and excellence.

God did it all for His own sake, there is nothing in us, there is nothing in us that has any value. It is a daily grind it is crucifying the

flesh like we were saying today walk in the spirit and you will not fulfill the lust of the flesh. Romans 8:

1. *There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit.*

The flesh amounts to nothing, that is why we need to escape the worldly corruption that is produced by evil desires. That natural man wants to rule the roost. We just have to be honest he wants to rule the roost. Too many times he shows up like he is in charge that is why you have to crucify that carnal man and get him out of the way, keep him under subjection. It says self-control is very important, not to fly off the handle. Like we listen to Stew Peters, he sometimes goes on ranting and raving he needs some self-control. He is doing a lot of good but he says things that he does not need to say, he needs to step back a bit. Sometimes you have to step back for a whole year until you get the whole picture and here he goes flying off the handle. They might read the Bible and they might go to church but do they really administer this in their own life.

4. *Through these things he has bestowed on us his precious and most magnificent promises, so that by means of what was promised you may become partakers of the divine nature, after escaping the worldly corruption that is produced by evil desire.*

5. *For this very reason, make every effort to add to your faith excellence, to excellence, knowledge;*

6. *to knowledge, self-control; to self-control, perseverance; to perseverance, godliness;*

7. *to godliness, brotherly affection; to brotherly affection, unselfish love.*

Here it covers unselfish love, a love for the human race. If we would not care about the Human race, you know what I would be doing, I would sleep until nine, and then I would drag myself out of bed, and then I would go make myself bacon and eggs and we would just let Sunday go by. I would not be concerned about what is going on out there, if I would not care for the human race and if I would not have a love and the passion of Christ for the human race. That is why we put so much effort into this truth, all of our resources go into this, simply because of the passion of Christ for a lost and dying world. That is it, if it won't be then we would be like Jonas we would go find

a nice place to sit in the shade and wait for the demise that is coming, but what we are doing we are sending out an alarm on a weekly basis, many times on a daily basis, wherever we can we sound the alarm to warn the people of what is coming. Like the message - Nobody can stop what is coming. It is coming we can't stop it, if we would not care, if we wouldn't have that unselfish love for mankind that is what we would be doing, but see it is the passion of the Christ, that is moving us that is driving us on. That puts us on this course with an unselfish love for the human race, whether it is black, or white, it does not matter what race, nationality, religion, or anything that is why the Lord instructed me to put this website out there. It goes out to all seven continents it is for whosoever will, like never before has there ever been an invitation to whosoever will let him come and drink of the waters of life freely.

Never before has there ever been a time where a message has gone out to come to the marriage supper of the lamb. This is the only message that you have in this hour, we are the only people all around the world, you can go on the internet and tap into all of these churches, and not one of them will tell you that we are almost a year into the week of Daniel. In fact, we were talking about it today, we have so many days from the killing of the prophets to the middle of the week of Daniel. That began counting October 15/21, now we are almost a year into that. We could tell you right to the day how many days there are and you can take it to the bank, this is according to the scripture. You can do the math, we are past the Laodicea church age, that grey horse rider. According to the Yom Kippur we have gone over everything that we went through in the last 2-3 years. In fact way back in the dark age when Satan through the Roman Catholic Church was able as the scripture says, *to change times and seasons*. He already messed with the calendar, he made sure that the calendar is not the real 2022 now. It is really 2006, the calendar is really out by 17 years. You can do the math but we found out through the scripture where we are at in time. Satan back then already had an objective in mind and that is to hide the very thing that we have been talking about here in the last 22 years. That is the very thing that he has been hiding to know the day and hour that you are now living in. We got on to it we put all of our expertise into it, and by God's grace, He allowed us to

see the midnight cry and all of that. This is the very picture that the devil has been trying to hide.

First, it was said that the Lord is coming in 1977, then it was in 2000, 2012, it was this, that, and the other. It was all just Satan driving to lull mankind to sleep and to make sure that they never find out the day and hour they are living in. We tapped into it and we found out. It says in Daniel the wise shall understand. What shall they understand - They will understand what Daniel saw, they will understand the day and the hour that we are living in, and we are trying our best to bring it out. We are the only two people that are bringing it out that we are now living almost a year now in the week of Daniel. As I said, go put your radar on, we will sometimes tap into the groups we come out of from under Brother Jackson, and not one of them will tell you anything relevant for the day and hour that we are now living in. That is why if would the prophet be here today he would have to say, they are nothing but tables of vomit because it is not relevant for the hour that we are living in. There is only one message that is relevant to know and that is to know the day and hour that you are living in. That is the only thing that matters from here to the middle of the week.

Lorraine speaks: People take prophecies literally they think that the 2 prophets will be there in Jerusalem for 1260 days and they believe when they see that then it will give them the understanding that we are now in the week of Daniel, but they do not realize that a lot of things are taking place in the spirit world and that God has with those days given to us as an indication where we are at in time. When it says 1260 days that period is allotted to those two prophets to go out and to reveal Jesus to the Jewish people, to prepare that woman to flee to the wilderness for the last part of that week, and also for the sealing of those 144,000. A lot of these things are taking place in the spirit and it takes time to manifest.

Sam speaks: People believe when they don't see it then it is not happening, but we saw it by faith. We saw that midnight cry, we were waiting because we knew that there comes that Yom Kippur. Back at the turn of the century, when God was calling the Jewish people back to their homeland, that 5th feast in Leviticus 23 was in effect. Those trumpets were sounding, and they were beginning to call people back to the homeland, but it had not yet manifested to the full score where

they own their land and they were building their temple, but it started back in the 1900s when the feast of the trumpets started sounding. Here it is the same thing, as I was saying you didn't see the effects when those Rabbi's first started going all around the world and telling the Jews to go back to their homeland, nothing had yet manifested. Here it is the same thing that Yom Kippur is in effect but you and I see it through the eyes of faith, and eventually, it will manifest itself, but right now it is all in the spirit that is why we see it through the eyes of the spirit. We see the midnight cry and we see how time has evolved.

We have had enough conversations about those scriptures and it comes to 2021 October 15 right to the day. I saw it this week we know that that grey horse rider of Revelation is finished riding. The saddle is off, the bride is off, he is done riding, and he has done and served his purpose under the Grace Age. The Grace Age is done, and the silence in Heaven has begun. That grey horse rider is not riding in the week of Daniel, now it is black and white, now the time can start counting what it speaks of in the week of Daniel those 1260 days. That started the countdown for the middle of the week of Daniel which are 7 years and the middle is 3.5 years when the Pope is going to go after those two prophets and kill them in the streets of Jerusalem. Then guess what happens then the bride is still here, she is not gone yet but she knows that she is next on that hit list, and she cries outcome quickly, Lord Jesus. There is war in Heaven and the devil gets cast out and he has great wrath because he knows that his time is short and he goes after Christians and Jews. He is out to kill the bride, but the bride will be raptured out of this world. Then the Lord comes and then there is your rapture. The marriage supper of the lamb will take place. That invitation is going out from the day of that Yom Kippur October 15/21 that scripture was being activated come and drink out of the water of life freely. Now for 3.5 years that is the only message really, that is relevant. Those preachers not one of them is going to tell anybody, not one is going to tell the people the day and the hour that they are living in. That is the key because when you go back to when Jesus was talking about the end times, he said, as it was in the days of Noah and as it was in the days of Lot so shall it be when the son of man is being revealed. Over and over it goes and they knew not, they did not know the hour they were living in. That is why Jesus wept over Jerusalem

He wept because they did not know the day of their visitation. Today you can weep too because people do not know the day and hour that they are living in. We have done and put all of our resources out there to warn the people about the day and hour they are living in, but is it acceptable. It says in the scripture, *who is going to believe our report, to whom has the arm of the Lord been revealed.* We know that they're will be a few. I'm going to continue reading.

8. For if these things are really yours and are continually increasing, they will keep you from becoming ineffective and unproductive in your pursuit of knowing our Lord Jesus Christ more intimately.

9. But concerning the one who lacks such things – he is blind. That is to say, he is nearsighted, since he has forgotten about the cleansing of his past sins.

10. Therefore, brothers and sisters, make every effort to be sure of your calling and election. For by doing this you will never stumble into sin.

11. For thus an entrance into the eternal kingdom of our Lord and Savior, Jesus Christ, will be richly provided for you.

12. Therefore, I intend to remind you constantly of these things even though you know them and are well established in the truth that you now have.

See you and I are established in this present truth, but millions and millions of people out there do not even know the day and hour that they are living in. They are not established in the present truth. See back in the days of Peter and the apostles some people were established in the present truth. Then it continued with Paul, and then Ireneus, they had the present truth for their hour, and it keeps on evolving down through time. Then we come to this hour and brother Branham, the prophet to this age, comes on the scene and now he is bringing forth the present truth, then brother Jackson comes on the scene and now he has the present truth, and he has now gone off the scene and now you and I, we have to carry this present truth, we are carrying on the torch of truth. There is only one message from here on out, just because it is us that does not make it invalid.

The Lord all week long was reminding me - Sam you make sure that you know your calling and your election, you have been called and you have been elected for this very purpose, don't let anyone intimate you, don't let anybody make you irrelevant, just make sure that your calling and your election is sure. That is what we are doing and that is what Peter was warning about. The drift of this message is all about us, that we need to know what God has called us to be, we need to know that just like Esther she was born for such a time as this. You and I, we were born for such a time as this, the Lord brought us together for such a time as this, because back in 2010 when the Lord told me to go and pick you up and go drive truck with you, and I was kind of wandering what people will say, and the Lord told me - You know what people are going to say that without you there is no program. I would not even be alive if it would not for you. This program could not move forward because after that the Lord told us to put up this website, and when you go and listen to these conversations that we are having it is pretty obvious that without you there is no program, and we have to make sure that we know our calling and election. That we know that God raised us up, and allowed us to be born in this hour and time to do this very thing that we are doing. - Rolling out this living water, and letting people know right to the day we that are living in. We are a year into the week of Daniel, and in the middle of the week, that devil gets cast out of Heaven. Lucifer was cast out back in time but he still has access to the Heavenly realm. After the middle of the week, Satan has absolutely no more access to the Heavenly realm the spirit world. In the middle of those 7 years, there is a war in Heaven. *Revelation 12:*

7. And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels,

8. And prevailed not; neither was their place found any more in heaven.

9. And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

He is cast out of Heaven and he is raising hell, and the first thing that he does is he invades, incarnates that pope, and then that pope evolves into that man of sin and the first thing he does is he goes out

and he kills those two prophets and then for 42 months that European world goes back into the Dark Ages. That pope the Bible calls him the false prophet and he rules that European world just like in the dark ages. *Revelation 13:*

5. And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.

It says must continue for forty and two months, which means where he left off in the dark ages. When Martin Luther put that Roman Catholic church out of commission and dealt it a deadly wound, he put it to sleep, but now here it says that he must continue for 42 months for 3.5 years to do the very same thing that he did back in the dark ages and nobody is going to stop him. That is why the bride will say, because that antichrist has that power now, they will say come quickly, Lord Jesus. That is when the rapture will take place. It is not in 56 AD that some people say. Fred is using 56 AD when Paul went to the Gentiles which would take you to 2028 when the Grace Age would end and 2034 for the end of the seventieth week of Daniel. They have this all stretched out. That is why the things that Fred is saying it is so out of kilter, it is nothing but tables of vomit, it is not fit for a dog to eat, and it is irrelevant for the hour that we are living in. In fact, it is worse than that it lures people into thinking that they still have lots of time. We know how much time is left. You have approximately 2.5 years left and then after that is when those 42 months set in. We have the program right.

Lorraine speaks: When you look at the history when the Grace Age began in 33 AD that is when the 70 weeks of Daniel was brought to a stop when Messiah was cut off there at 33 AD at the end of the 69th week that is when the Grace Age was implemented. Those are the 2 days representing 2000 years that Hosea speaks of. When you go through the history of the Grace Age, God had the church age messengers it started with Paul in the church age of Ephesus. There were 7 different periods within those 2000 years, and those messengers brought forth the truth for their day and hour, they had the present truth for their day and hour. Paul preached the present truth for his day to the church of Ephesus, then it went on to Ireneus in the church of Smyrna, Martin for the church of Pergamum, Columbus for

Thyatira, Martin Luther for Sardis church age that is where you come to the Reformation where God was starting to restore us to the faith of the early church the process began. Up until then, it was all heading for the dark ages. In Paul's day the church was heading toward the Dark Ages, because that seed, the faith of the early church had to die, the church had to die and it went into the ground during the dark ages. Then at the reformation, it started to grow again. With Luther God restored - the just will live by faith, then you come to John Westley for Philadelphia church age God was restoring holy living. Now when you come to the last century the 1900s was a very crucial century. In the last 100 years, God was doing so many things when you look at the church world and also look at Israel. You look at the 5th feast, the feast of the trumpets that were sounding for the Jewish people to go back to their homeland. God was in to process of re-establishing that beast system, that beast system had to be re-established because it was getting ready for the week of Daniel for those 42 months. It needs to be established for that week of Daniel so that process was getting started in Europe. The Jewish land has to be established and Israel has to be restored, the Jewish Temple has to be built and it is all coming together for the coming of the Lord Jesus Christ. The son of man was being revealed through the ministry of brother Branham, God sent a prophet in this generation we had a prophet to restore the church to the faith of the early church to come to that full statue of the Lord Jesus Christ, it continued with brother Jackson.

When it speaks of rightly dividing the word of truth it has to be rightly divided in the hour that we living in. John Hagee, these preachers out there these denominational preachers, they cannot rightly divide the word of truth because they do not have the present truth. If they could rightly divide they would have come through brother Branham then under the ministry of brother Jackson and then where you have going to get the present truth for your day and hour. Like Peter said here you have to be established in the present truth. In German it says *gegenwartige wahrheit*. That is the present truth, when you are in the present truth you will be able to rightly divide the Word of truth. It is not going to tell you there is a flat earth, or we are after 2 days, or in the third day, it is not going to say when Paul shook the

dust off his feet because that is not rightly dividing the Word according to the scripture it is deceiving spirits.

Sam speaks: It all evolves into doctrines of devils that is all that this thing is out there, this collaboration of churches, they come together on Sunday and it is nothing but weapons of mass deception. It is there to distract you from the real thing. You can watch those conventions they are having in Cartersville, and in Cullman, not one word was ever mentioned about the day and hour that we are living in because they simply have one message and that is to distract you. Just like when we talk about that killdeer bird, just when you get close to his nest he really makes a fuss he pretends his wing is broken or his leg is just to lure you away that is all these churches out there are. That is all that Cullman was about to make sure that you don't talk one word about the present truth and the day and hour that you are living in. You told me that Jason Bright is going to go down to Moncton and he is not going to mention one word that we are in the week of Daniel. All it is, he is flying down there, I guess he must have taken the jab to be able to fly, so he is going to be down in Moncton and he is not going to mention one word because Fred already had his stuff out there when the week starts.

Lorraine speaks: They have it somewhere around 2028, is there going to be anything decent left by then. Then that would mean another 7 years for the week of Daniel, which will take you to 2035 for the coming of the Lord Jesus Christ. Then you wonder if will there anything be left by then. The Bible says this generation will not pass away.

Sam speaks: Well in 2035 the generation will have passed on from 1948, I think they must have moved it to 1956 for some reason. This generation started in 1948 when Israel became a nation he moves that 10 years ahead to fit his narrative. You can't take 1956 when Israel became a nation for this generation. When Jesus said in *Luke 21*:

32. Verily I say unto you, This generation shall not pass away, till all be fulfilled.

I was born in 1947 by the time 2035 comes around I would be so feeble I would be a walking corpse. I would be a skeleton, you would somehow have to put machines on me for me to be alive until 2035, I

would be close to 90 years old. I know I'll not be alive at that age. *This generation shall not pass away, till all is fulfilled*, if it is 2035 then that generation will have completely died out.

Lorraine speaks: You were reading here -

5. *For this very reason, make every effort to add to your faith excellence, to excellence, knowledge;*

6. *To knowledge, self-control; to self-control, perseverance; to perseverance, godliness;*

7. *To godliness, brotherly affection; to brotherly affection, unselfish love.*

8. *For if these things are really yours and are continually increasing, they will keep you from becoming ineffective and unproductive in your pursuit of knowing our Lord Jesus Christ more intimately.*

People wonder what is brotherly kindness; what is brotherly love; what is unselfish love; what is it. To some people they have their own interpretation of it, but if you go to Corinthians. *1 Corinthians 13:*

1. *If I speak in the tongues of men or of angels, but do not have love, I am only a resounding gong or a clanging cymbal.*

2. *If I have the gift of prophecy and can fathom all mysteries and all knowledge, and if I have a faith that can move mountains, but do not have love, I am nothing.*

3. *If I give all I possess to the poor and give over my body to hardship that I may boast, but do not have love, I gain nothing.*

This goes hand in hand it lines up what we read in Peter - knowledge, temperance, patience, godliness, brotherly kindness; and brotherly kindness charity.

4. *Love is patient, love is kind. It does not envy, it does not boast, it is not proud.*

5. *It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs.*

6. *Love does not delight in evil but rejoices with the truth.*

7. *It always protects, always trusts, always hopes, always perseveres.*

8. *Love never fails. But where there are prophecies, they will cease; where there are tongues, they will be stilled; where there is knowledge, it will pass away.*

9. For we know in part and we prophesy in part,

10. but when completeness comes, what is in part disappears.

11. When I was a child, I talked like a child, I thought like a child, I reasoned like a child. When I became a man, I put the ways of childhood behind me.

12. For now we see only a reflection as in a mirror; then we shall see face to face. Now I know in part; then I shall know fully, even as I am fully known.

13. And now these three remain: faith, hope and love. But the greatest of these is love.

What do you classify love to be. Like you were saying earlier if you would not care for people to make them aware of where we are at in time you would sleep in until 9 am and let the day just roll on by, but you make an effort to do these things so that people become aware of the hour and the time that we are living in. So that they can be informed and prepare themselves. It is the truth that sets people free and sometimes the truth can be harsh but in it lies freedom and who does not want to be set free.

Sam speaks: When you put it all in a nutshell when you care for someone you tell them the truth and the truth is going to get you persecuted in this hour of time. We didn't have service last week because we felt it was important to listen to Mike Lindell's truth summit. It is very important in the hour that we are living in because here you have a world completely estranged from truth, and here this Mike Lindell for the last 2 years has been working overtime to bring this truth out about this fraudulent election, and that this thing in the Whitehouse is an impostor, and people still cannot accept the fact that that election was stolen. I felt something moving and you were even saying that we need to listen to that moment of truth summit so we didn't have service last week, and people should listen to that, that second preacher had a good message, the first one we didn't agree with some things, but that summit throughout the day it yanked people from out of this delusion that this thing in the Whitehouse that is there now is nothing but an impostor and Mike Lindell was bringing a moment of truth to the American people and to the world. I felt that it was very important that we listen to it. That is what you and I are about this week and the week before last week it was all about people

believing the lie, but here we are continuing to bring it out believing the truth what we are saying here is the truth, we told you the truth right down to the day when that middle of the week is. We are the ones that God revealed it to, we know our calling and our election. We can say like Esther we were born for such a time as this you and I, we are rolling out this living water and this meat in due season for the hour we are living in, and it is all combined to the simple fact that we do know our calling and our election, we have to get that down and it does not matter what people say, do or think about us.

This week we went to see this guy that I used to know but instead, we went to see another guy and crossed paths with this Alden from Airport. He used to live at Airport and then he left, I worked at Airport for a month back in the day and I would go and visit with him. If you really wanted to talk about the Bible you would go and visit Alden and his wife Katherine, and you could spend an evening talking about the Bible, and then I heard that they left and they moved over to Sidney, and I have been out of contact with him for some time. Then I heard 2-3 years ago that his wife passed away. I said Lord what are you saying here just when a man, supposedly a man of God from my understanding, needs his wife the Lord takes his wife off the scene. I saw something I had already forgotten around the time.

Anyway, we drove up there I wanted to know about this guy that I use to know back in the day Kim Clever I had a dream about him, and I didn't know where he lived anymore so I saw these 'eggs for sale' sign at his place so we stopped in and I went in to talk to Alden to find out more about this Kim Clever and I found out he died back in 2013 he was drugging and drinking and all of that stuff, and he kind of brought me up to date what is going on. So when we left there, I'm still wondering in the back of my mind why did the Lord take this man's wife just when he needs a wife to support him in his older age, and the Lord takes his wife away and it is kind of a puzzle to me. Sometimes you have to wait a lifetime until you get the real answer of what this person is about, like I said back in the day if you wanted to talk about the Lord, you saw him as a godly man why else would he talk about the Bible but in the back of my mind is this question why would the Lord just take his wife away just when he needs her and it makes you wonder, but you can't pass a judgment, that is why you

have to be patient you have to have virtue, knowledge and you have to wait like we were singing in that song - *They that wait upon the Lord*, and you have to wait until the Lord brings these things to you and when the Lord brings it to you you know that it is going to be right it is going to be a home run.

So anyway he has one of these mini-cars. It is a small car or whatever it is they do about 60 miles to the gallon or something and he has one of those little things so here we were driving down we were heading down on Saskatchewan Ave and this little mini-car drives out from the Co-op and I said I wonder if that is that Alden so I followed that car, sure enough, it is him he stops in at the Canadian tire. So we followed him we had some work at Canadian Tire and you walked out of the car and you walked behind the car and you walked into the store, and I was kind of dillydally because I was waiting until he goes past me because he was 2-3 cars to the right because I wanted to run into him and have this talk with him because he is this godly man that you always went and talked to about godly things and here the first thing that came out of his mouth was - Did you trade your wife in. Like right away his mind was pure filth. I didn't hear him at first what he was saying and he repeats it - Did you trade your wife in. It was like he was saying did you trade in your car for a different car, you traded that woman in for a different one. Like very derogatory, and here just by that little phrase the whole of who he really is, comes out. See the Lord put this together and here he is exposing himself to what he is about. You can read in Jude exactly what these people are, just because people talk about the Lord that does not mean that they are Christians *Jude 1*:

8. *Likewise also these filthy dreamers defile the flesh, despise dominion, and speak evil of dignities.*

9. *Yet Michael the archangel, when contending with the devil he disputed about the body of Moses, durst not bring against him a railing accusation, but said, The Lord rebuke thee.*

10. ***But these speak evil of those things which they know not: but what they know naturally, as brute beasts, in those things they corrupt themselves.***

In another scripture, it speaks of speaking evil of dignities this has been on my mind all week. Here is a man when you want to talk about the Bible you go to him, and you would think that he is a godly man but here the first thing out of his mouth was speaking evil. I don't even know how he saw you he must have 6 sets of eyes because you were walking behind the car and you were already in the Canadian Tire store and the first thing out of his mouth was did you trade in your wife for another one. Little does he realize that God put this together and he speaks evil of those things. I guess he does not know when you were around 20 years old the Lord moved on you to get rid of these romance books and you took them and burned them all up, the Lord convicted you, and you got rid of them. Then also around that time one of your brothers asked you what are you going to do with your life, are you going to get married or what you have planned, you told him that you are going to follow Jesus and see what Jesus has planned for your life.

Lorraine speaks: People do not realize that God allows these encounters to happen to check the motive and the intent of the person's heart and exposes who they really are.

2 Peter 2:

9. The Lord knoweth how to deliver the godly out of temptations, and to reserve the unjust unto the day of judgment to be punished: When you saw him you saw how unkempt he is very unclean, and doesn't even know how to keep himself trimmed.

10. But chiefly them that walk after the flesh in the lust of uncleanness, and despise government. Presumptuous are they, selfwilled, they are not afraid to speak evil of dignities.

In another translation, it says, especially those who indulge their fleshly desires and who despise authority. Brazen and insolent, they are not afraid to insult the glorious ones.

What we are doing we are about the Lord's business, in another translation, it says in they defiled themselves. They defile themselves by doing that and then they add on to that defilement, by passing judgment and in their arrogance, they speak of things that they don't know anything off. He kept going on and on about it you could hear him from the other end of the store - Did you trade your wife in for

another one. He walks right into the gutter thinking this is a sex capade, they have no shame, in broad delight, and just flat out accuse us of shacking up. Like it says, fleshly desires, and what they know naturally, they look through the eyes of what they would be doing. There is that Alden from Airport presumptuously a godly man, he still has the neighbour thinking he is a godly man but here it came out he defiled himself, he speaks evil of dignities. He speaks evil of the things that the Lord is doing, straight out accusing me of trading my wife in for another wife, trading one woman in for another woman. There is that Alden you just have to look at him, I don't hate the man, I'm just shocked as to what would come out of his mouth. In one way I'm not surprised because you can just look at how unkempt he is, his beard is not trimmed looking like a hippie.

I just thought that I would mention it because sometimes you spend a lifetime wondering about a person and here in the endtime everything comes to fruition. Lord, why did you take his wife away from him. He is a pretender, he is a hypocrite, his wife had enough of him, and the Lord had enough. His wife was a godly woman she comes from Jake, that preacher from Fairholm, it was his daughter. She was a godly woman she wanted outreach she wanted to do things for the Lord, but the proof is in the pudding the Lord takes her off the scene and now he can do whatever, but it answered a lot of questions in my own heart about what that man is about.

I was watching Rachel Ray one time and she was doing her cooking show and she made a comment, just make sure you keep your mind out of the gutter. When they see you and me and he is not the only one practically 90% of the people that see us right away their mind goes right into the gutter, that this it is a 'shacking up program' a sex capade and you can't change their mind. God set it up that way for that very reason because their heart is not right and He is testing to see what is in their hearts. If their hearts would be right they would stop and they would consider and they would look at things in a different light. We are related, we are family, and the Lord put this together.

Lorraine speaks: When you go back to Jesus they had the same type of people back then, when they saw Jesus they would throw it in His face saying we are not born out of wedlock. People like to find

something on a person so that they do not have to admit that that person is actually sent from God. That Jesus is the son of God, and He is who He says He is, but they will latch onto a lie so they do not have to accept the truth, and therefore they defiled themselves.

Sam speaks: God actually set it up that way, from the natural point of view Jesus was conceived out of wedlock, and because they could only see naturally according to the carnal man of thinking they threw it into his face, and they defiled themselves. They told Jesus in *John 8*:

41. Then said they to him, We be not born of fornication;

In other words, they were telling Jesus that He was conceived out of wedlock and it was the talk of the town in the bars and here it is the same thing when they see us, they do the same thing but see God set it up that way just to test their hearts and what do they do - They defile themselves, they speak evil of dignities. I looked up the word dignities I have a key study Bible and what it means is speaking against the things that God is doing, things that are holy, things that pertain to the God picture.

For example, when we look at Noah and God told Noah to go build a boat, the mockers, mocked that there has never been any need for a boat, there has never been a flood, and God set it up that way that the mockers will mock and guess where the mockers went, they went out in the flood and guess where these kinds of people will go they will drift down and down into darkness because they defiled themselves and they do not even know it, they think that they are doing God a service when they do that. I tried to reason with the guy I went into the store with him and he just kept on walking and very rudely belted out whatever. He was not going to believe one word that I am saying. No respect, no nothing.

Lorraine speaks: They want to believe a lie, so they do not have to follow the ways of truth. That is what God will do He sets it up so that you make that conscious decision whether you are going to follow a lie or the truth, and when a person does not follow the truth then God over gives you to the lust of the flesh, and it defiles you. People do not realize what they are doing they defile themselves.

Sam speaks: Then people also deprive themselves of knowing the hour that they are living in. We put these conversations out so that

people will listen and take them to heart. I was reminded of the time when we were going to school and we had stories in grades 3, 4,5, and up stories that build some character in you. So there was this story about this chicken she had a whole brood of young chicks so this one chick would wander off from the crowd it went a little bit further than it ought to so the mother hen according to the story (this was a story in one of our readers) the mother hen would tell the chick you need to stay close because the hawk is watching us and if you go too far away you can't come under my wings. That little chick thought he could be smart and said that is all right I will see him coming and when he does come I will quickly go under your wing. So she warned him time and time again, you are way too far off from the group here when that hawk will come and you will be gone. So there is this little rebel of a chick who wandered off too far from the crowd and that hawk came down and pick up that little chick. That little chick was certain that it could quickly go underneath the hen's wings for protection, but that chick happened to be too far away when that hawk came and got it. That little chick did not take warning and here I was thinking about that yesterday, today it is the same scenario people hear us, but they don't really take it to heart, especially now that we have the day to the middle of the week when that false prophet, that man of sin, which is that the pope and will kill those two witnesses. People think we will believe it when we see it happening, like that little rebel of a chick if that hawk comes I will quickly slip underneath your wings and I will be safe, and here it is the same thing people think we will see if it happens, if it does not happens and once it does happen we will quickly slide on board but see it will be too late you will not have time within a week or two to prepare for that rapture and you just decide you are going to believe since he kills the prophets. You will not have time to prepare yourself, you don't have time to put on that eye-salve, you don't have time to dress with that revelation that is coming through this living water here. That is what these messages are for so that you can dress yourself; that you be not naked that you will have a revelation, and to put on that eye salve that you can see, so when that time does come that you will be prepared with the truth for your day. There are people today that are just as reckless as that little chick.

Lorraine speaks: It's like a race when people run a marathon they practice so that they can have that endurance, it does not come overnight you have to exercise and build yourself up so that you have that development, and that endurance that you will need to run that race, so when the time comes for that race to be run that you can make it. Now if you decide one day I am going to run this marathon tomorrow and I am going to win it, you are not going to win it because you have not prepared yourself for it.

Sam speaks: That is why the Lord back in 2010 told me to start up that website, He knew how much time we would need to get it up and running. I didn't know anything I didn't dream about living water or meat in due season I just went day to day listening to the Lord and then He brings you on board and you knew all about computers and you got that website up and running and we have our conversations and it was all for such a time as this to bring out that living water and to prepare a people so that they can prepare themselves for the marriage supper of the lamb. They have less than three years now to get ready for the coming of the Lord so that they can get to the marriage supper of the lamb, so that when that king does come in that the King will not have to say - *Friend, how camest thou in hither not having a wedding garment? And he was speechless.* He waited too long to get dressed, see this is serious stuff, this is more serious than that little rebel of a chicken not taking heed to the warning.

It reminds me of that Jeremy, we tell people the truth here because we care about them, just because we tell them the truth that does not mean that we have a number against them. We had this Jeremy come through here, and most people know the story, we have been over it time and time again. He did come here, and the Lord with a strong and mighty arm brought him here. The Lord had compassion for him, He simply had compassion for the man. There is nothing there that I know of in his history, nothing but stealing and sex, and porn drinking, his record is not a good record. The only thing that he had going for himself is that the Lord had compassion on him, and he brought him here with a strong and mighty arm. He got a hold of the book: Take Heed. You have to take a step back and you can see the hand of God in it all. Just like I saw the hand of God when I saw that eggs for sale sign and I went to talk to that Alden Baer and then a

week later I met him at the Canadian Tire. That is a God encounter, God set it up, and through that meeting, he answered all of my questions that I had over 40-50 years that I wondered about the man. What was always my question about Alder is if he is such a godly man as he portrays himself to be why would the Lord take his wife away just when he would need her in his older age, here it all comes out when he belted out what did you trade in your wife, as you trade in a car, almost like that.

Anyway, that was an intervention just like it was the Lord intervening on Jeremy's behalf because He had compassion for the man and He brought him here. We had enough conversations about it, but what I want to say is he was here for 3 days on this very couch, for three days he was under that Shekinah glory, and for three days he was bathing himself, the Lord had just delivered him from sin, from porn and from all of his stuff that he was into, the Lord delivered him from them. He brought him here, and the Lord used us to cast that devil out of him. I saw them, those devils, there was more than one, there were legions, there was one big ugly one and he had legions of them. Just like back in the Bible that Legion, Jesus cast out those devils and they went into those pigs.

The Lord had compassion on him, he cried out - Lord save me. Just like that Jeremy, he cried out - Lord save me. The Lord heard his cry and He came to his rescue, and he knew that he had to come here, and we cast that devil out of him, and then for three days he was under that anointing, I don't think he even got off the couch. For 3 days and I knew exactly what was going on, he was under that Heavenly anointing, he was here for three days. All these years he was serving the devil and all of a sudden the Lord delivered him from everything. Like I said, from porn, smoking, drugs, and alcohol from all of his filthy lifestyle.

When he made contact with us I went to the Lord, Lord what say you. We always go to the Lord to see what the Lord says. The Lord gave me the scripture in Jude. I want to read it here because I want to make sure people get how we operate here. We are called for this hour, we care about people. I keep saying it is the passion of Christ. Jesus is still here, we have a passion for a lost and dying world, it is really the passion of the Christ that you see here.

Anyway, we went to the Lord regarding this Jeremy and we asked the Lord and the Lord gave me this scripture in Jude 1:

22. And of some have compassion, making a difference:

This is one category here, and this next verse is the one I want to touch.

23. And others save with fear, pulling them out of the fire; hating even the garment spotted by the flesh.

In a different translation it says:

22. Rescue others by snatching them from the flames of judgment.

23. Show mercy to still others, but do so with great caution, hating the sins that contaminate their lives.

What it is saying is hating even his garments that are stained from his former lifestyle.

23. etliche aber mit Furcht selig machet und rücket sie aus dem Feuer; und hasset auch den Rock, der vom Fleische befleckt ist.

His lifestyle was so corrupt and so polluted that the Lord gave me this scripture here in Jude when I ask the Lord what is the scoop with this guy that is calling, I don't know him from a hole in the ground and the Lord gave me this scripture - *hating even his garments do so with great caution.*

So here he comes and we minded the Lord, he came for help, and he send us an email saying he wants us to baptist him in Jesus name. He came here and here he was laying for 3 days in that glory, I had no problems we had a lot of good talks in the Word and things of that nature. It was a hallelujah time, we were on the same page, and now the Lord lifts that anointing after those 3 days that he was under it. The minute that anointing lifted instead of being grateful, and you came out from the kitchen what was it that he did, he made a mockery of you.

Lorraine speaks: I felt that rejection.

Sam speaks: He rejected everything that we did for him, I didn't see it, you saw it, you didn't say anything, but the next day I got up around 6 am and I ask the Lord what are we going to do with Jeremy now. What is his mission in life, and the Lord gave me this scripture about that Legion, when Jesus cast that devil out of that legion and

that legion wanted to follow Him and the Lord told him, No, you go back home and you tell your family and friends what the Lord did for you, that the Lord had compassion on you. That is exactly what the Lord told me in there when I got up. He told me to tell Jeremy to go back home and tell the people his friends and everyone that he comes in contact with, his ex-Hutterite buddies that the Lord had compassion on him. I asked Jeremy what he was going to do and he said probably go back home. I said, yes the Lord wants you to go back home and tell the people that the Lord had compassion on you. That is the only job description you have. He agreed with it, he said that is what I feel I need to do. So finally around 10-11 he gets in his car and he goes down the road and he floors that car, and I saw his attitude and what he was saying was I don't need those two suckers I can do this myself. See everything that the Lord did for him, everything that we did for him was rejected and his attitude was I don't need those suckers. Here he was rejoicing for three days. Like in that parable the Sower went forth to sow, and some fell on stony ground and they were rejoicing for a season but then persecution comes and they cannot bear it and they just wither away.

I say all this because I get asked what happened to that guy with this testimony, that guy that you baptized. I tell them I don't know, I guess what happened to the 9 lepers that Jesus healed what became of them. There is no writing about what became of them, but I can only imagine. I am saying this to say some things here, to come to a point. He takes off, with that attitude and I said in my heart you are not going to get very far that way. So he goes home and instead of telling people that the Lord had compassion on him and that he had to go to Sam and Lorraine to get that devil cast out of him. I am saying it the way it is, just like Jesus told that legion to go tell your family and friends what the Lord did for you, and in one year that guy that the Lord cast those legions of devils out he had ten counties converted. The next year the Lord came back and they just invited Him in. Here this Jerney, instead of telling people the truth, that this is where it is at, he does not do it. I told him out there when he came over one day saying he is broke and he knew that this is where it is at. If you want help if you want an answer for the end-time it is over at Sam and Lorraine. He knew that become when I told him this is where it is at,

he vehemently repeated - I know, I know. He was even shaking he was so convinced that this is where it is at. In a world of confusion out there all these Hutterites, all these ex-Hutterites he could have answered that question. If you want an answer Sam and Lorraine have it. They are the only ones that have it. He could have directed people in the right direction, down that path for their salvation, it has nothing to do with us, we just know our calling and election. We know what God has called us to be and he could have helped these thousands of people, now their blood is going to be required of him because he didn't do his part, all he had to do and we kept telling him over and over again - You have only one job description and that was to tell the people that the Lord had compassion on you, and you had to go over to Sam and Lorraine to get help. All he would have had to do is try to direct the people to where it is at, in this dark hour that we are now living in, but what does he do, he does the opposite.

Lorraine speaks: That is where love comes in when we read in Corinthians, the greatest of all is love, then all knowledge and all these things by telling people the Lord had compassion on him then he would have shown real love, a real love, and compassion for people.

Sam speaks: For these ex-Hutterites, he claims he cares about them, and maybe to some degree he does, but you got to hate yourself first, you have to get rid of your pride first. We read here about patience, endurance, and virtue if you lack these things you can't pull anything off. That is why he took off and he came back in a week's time, and the first thing he said was, I ended up on my ass real fast. I told him, I could have told you that because when you took off here your attitude was not right, and you think you are going to get anywhere with that kind of an attitude.

Lorraine speaks: His motive was not right. What I want to say is when the devil sees an opening, like you want to take the glory to yourself and prove what a big man you are, then every devil in Hell was let loose because the devil had an opening to attack and he made a good job of it.

Sam speaks: Then he asked me what happens now that the devil is cast out, what happens is when you are not on the ball, what happens is he will take seven worse ones and he will come. If you are not sober, if you don't do your part, he will take seven more and he

will invade again and you become seven times worse than you ever were and thought of being and he will do it in a subtle manner. Sure enough, that is what happened and his whole life became ineffective. Sure enough, when we went back and saw him sometime after and I told him to go and tell the people that the Lord had compassion on him and you went to Sam and Lorraine to get help, and he said, I don't think I can do that. You know why he can't do it is because pride now has filled in and that demon that was cast out of him, he took seven more and he came back in, simply because you are not on guard. He thinks he can make a living sleeping in until noon. Over and over again we told him he has to go to work, and over and over we told him you need to get up in the morning.

I remember when I went through my terrible times. I was up at 6 o'clock on my knees for an hour crying out to the Lord to help me through the day with all the attacks I got. Here he sleeps until noon, and one time he didn't even want to get up for church we were having church and I had to tell him are you not at least going to get up for church. Then one day he shows up at 4 pm we had church at 10 am and he shows up at 4 bragging about how he found a new way saying he sleeps until noon and then he gets up working for the Lord. Something to that effect. Then you made a comment saying that will not get you anywhere in life.

Now he is just a casualty along the road of life, and we had his baptism on our website and he wanted me to take that off and he mentioned he wanted us to take his testimony off too, but we are not going to do that because we are going to hold him accountable to it. That is what happens when people are not on the ball. When people are just gambling when they don't take these things seriously. That is what happens to all these people that are listening in they don't take it seriously. They think it is just another John Hagee program, another Joel Olsteen program, just another entertainment session. I tell you what, you need to take it seriously you only have that much time to dress with that revelation because when Jesus comes and you are not prepared when that time will come and you are going to stand there naked with no eye salve, blind as a bat, simply because you didn't do anything you just listened to these messages just for entertainment purposes only, just to build yourself up some knowledge, with no

virtue, no patience, and no endurance. We put them out because we are directed by the Lord to put them out there it is the passion of Christ He is doing it for you, not for us, He has already dealt with us over the years. We are putting this out there for you we get up and we do this every Sunday morning for you so that you can dress with a pure clean revelation so that when that time does come you will not be standing naked. You will not be blind and you will have bought gold tried in the fire. That is what Laodicea has produced a people and a generation of blind, naked, lukewarmness.

Lorraine speaks: A gospel that tickles the ear, how do you get gold it has to be tried in the fire, it has to be purified, why do you think why tribulations and trials come your way because God wants to refine you and make you into gold, He does not send a wishy-washy kind of love, He tells you the truth so that you can prepare yourself so that you can be refined and dressed before Him and not stand before Him naked.

Sam speaks: We are using these examples like Jermei to help people when I asked the Lord what is with this Jermei, the Lord let me know in a heartbeat he goes and works with his aunt. Then he asks, can a person be a Christian and live in sin. That told me one thing he still wants his old life back. Then the next thing he goes, I guess I will get by as foolish virgins. I said, a foolish virgin, you will be terminated. God has given you this so that you can now set your face as a flint towards the heavenly, you had enough of that old life, now you get up in the morning and you pray in the day and you go to work, go get a job, you don't go wanting to cast a devil out of your aunt. You live before her, first of all, you apologize to her for the way that you treated her, and then you go cut the lawn, you vacuum the floor, you go and do the dishes and you live before her as if you were a Christian not talk like you are one. Not getting into a debate to see who knows more, you live before God and be holy. Live before her and be holy so that she sees something in you, but what does he do he goes and tries to preach and thinks that he is supposed to convert that whole Greenwald, and with his record of a life, do you think you are going to get them to accept what he has to say. No, you have to live before them with a change in your lifestyle. Live before her, and them and prove that you are something. It takes a lifetime sometimes. You have

to have all these attributes here. I feel I need to mention this here too, he tells us one day that his dad said that if he would have known that he would call out to Jesus he would not have taken care of him when he was young, but I need to set it right, his dad never said that what he meant was if he would have known the heartache and what Jeremy would put them through the years he would not have taken care of him when he was young. We know that his family was scared of what he was capable of doing, they were afraid that he would cause them harm and start shooting, and if the Lord would not have reached down in His compassion that is what he would have evolved into doing, and that was what his dad was afraid of when he kept saying don't do anything crazy, and Jeremy made it appear that we were condoning his actions, and we were not. We time after time told him to live before them.

So when I get asked what's with Jermeiy I have to tell them I don't know. What happened to the 9 lepers nothing is written about them. What's with that Jeremy, I don't know, the last I talked to him he wasn't anywhere spiritually. How can you be, you have to repent and go back to the Lord where you messed up, you messed up when you rejected Lorraine, you messed up when you went down the street here - I don't need those suckers. Have you ever repented have you ever acknowledged anything? Then you want to be productive, then you want to cast a devil out of your aunt that is how you got the devil in the first place you were trying to cast out this devil when you were on drugs, out of this one guy and the devil went into him. Like the sons of Sceva. We have been over this subject too many times already but I'm trying to show you what happens when you are not on the ball.

Like there are thousands of people listening to these conversations they are listening but they are not taking it seriously especially now that we have it down to the day for the week of Daniel there is no more grey area it is everything black and white, anyway, to you and me it is. Like those preachers they have done and become exactly what the Lord gave me when brother Jackson went off the scene, after that split with Faith Assembly, the Lord was saying I am taking the church down to the water and I am going to test them to see what they are going to drink, just like in the days of Gideon. Then I had the dream about the minefields. Then the Lord gave you the

scripture - Continue thou on remember the things that you have been taught and who you have been taught them from and then it over in Roman, it says, to withdraw from those that preach contrary to the things that you have been taught. See we are still on course simply because we took that thing seriously, it was not just some passing fancy.

Like you were sitting here one day listening to Fred or somebody and you ask me one day why is my picture getting blurry every time that I listen to them, and I told you about the vision I had about Gideon and it makes sense. See you had been listening to these people and all they are doing was making the water blurry. Then the dream that the Lord gave me put the icing on the cake. What those preachers are doing now is whatever brother Jackson brought us they are making minefields out of that whole ministry. Then you went to the Lord again and asked Him, as to why ever since He brought us together we have been persecuted, and the Lord told you, it is to preserve this truth. We are preserving this truth we are the only two people that are preserving this truth and that have this truth. We can take all these scriptures as it was in the days of Noah so shall it be when the son of man is being revealed. That son of man has been revealed since the 60's how brother Branham has revealed the son of man how brother Jackson revealed the son of man, he took the covers off who Jesus really was. It has been going on in the last century and here we are the only two people that really saw the picture. It says *Luke 17*:

30. Even thus shall it be in the day when the Son of man is revealed.

Who is left standing, it is just you and I in the meantime the son of man is being revealed, all throughout the ministry of brother Branham and brother Jackson. It does not say when the son of man is coming, see you have to read it right is says when the son of man is being revealed. Jesus is being revealed. It says it right here in Peter that we may know the Lord at a more intimate level. That is exactly what happens when you take it seriously when the son of man is revealed. Now there is only one message left, come and drink out of the water of life freely and it is for whosoever will. That is all that is left from here on to the middle of the week. You can go and listen to these

perverters out there the Bible calls them tables of vomit. I have said it over and over again it looks pretty harsh and rough, but what are you going to say in the hour that you are living in with this tremendous darkness and tremendous confusion out there. It says in - *Isaiah 60*:

2. For, behold, the darkness shall cover the earth, and gross darkness the people:

What are you going to say to people to yank people into reality, they are nothing but distractions out there, that is all it is. Go and listen, I don't bother listening to them because I know what they are all about. The Lord already warned me what He is doing, He showed me in a vision and He was saying, I am taking the people down to the water to see how people are going to drink, to see who is going to be found to be that faithful and wise servant, to see who is going to be qualified to roll out all His goods to bring forth that living water. That is all that this whole thing was about since brother Jackson left the scene.

When God took brother Jackson off the scene He lifted that anointing with him. When brother Jackson was here you could go to any church that anointing was there, you could feel it, there was reverence and respect. Guess what, brother Jackson leaves and that anointing slowly lifts until there was nothing left of it, and everyone made their own cliques, everyone had their own opinion. This one guy goes we are in the third day another guy comes along the 2 days are done, and on and on it went, nothing is stable, nothing is solid anymore. You can't believe a word that they are saying it is all a distraction from the real thing to what is important for our day, and that is the day and hour that we are living in. We are in the week of Daniel and it is not until around the middle of the week that is when that rapture will take place. They have everything so mixed up, they don't know what that half-hour silence is they distort the picture. If one hour in the book of Revelations equals seven years and we know that it is seven years, then half an hour has to be 3.5 years. It says that there was silence in Heaven for the space of about half an hour. How do you know that it is 3.5 years because seven years equals one hour. It is all so simple that is why that grey horse rider is gone people can see things for what they are now, to you and I everything is black and white it is all so simple, it is right to the day. That is why it is 1260 days

so that people will get it, that is why Jesus told his disciples it is not for you to know the time, but it will be for a people to know that will be living in that time frame, and they will know the time when Israel is being restored. The disciples were asking Jesus, will you at that time restore Israel, and Jesus said, it is not for you to know. When you read between the lines what Jesus saying, it is for people to know that will be living in that time frame, and I will see to it that they will know beyond a shadow of a doubt, I will give them that midnight cry. Then Daniel capitalized on it when he said the wise shall understand and when you put all that into your database you will know and you are going to know right to the day when that week of Daniel starts. We have it all right and down-path that is why the Lord did not let us rest until we had it right. That is why we know our calling and our election, they can talk about us as much as they want, and they can be jealous of us but our calling and our election is moving ahead, moving forward we are moving ahead and we are moving just as fast as the Lord wants us to go, and we are finding out more things every day. He said before he comes He will test the motive and the intent of the heart. That Alden guy just got exposed for who he really is - In says in 1 *Corinthians 4*:

5. Wherefore judge nothing before the time, until the Lord come, who will both bring to light the hidden things of darkness, and make manifest the counsels of the hearts; and then shall each man have his praise from God.

I used to have so much respect for the man, that is why I was shocked to hear what came out of his mouth - What did you do trade in your woman just like you trade in a car, so to speak. The Bible tells us what happens when they do that, they defile themselves, they don't defile us, they can talk as much as they want we are not being defiled by their opinions, and by their phrases, and by their evil talk they defile themselves.

There is so much a person can say because we can see everything so vividly clear, but see you are dealing with people that are drunk with that wine of that fornication you are dealing with gross darkness that has covered the land and gross darkness the people. You are not dealing with people that are sober and vigilant, and you have to yank them out of this delusion. So we feel it necessary to

listen to that truth summit especially when Lindell brought that Democrat in and he revealed how he was the one that created that first algorithm, he came out with a program to switch votes. People have to be blind and stupid not to see it and here people try to tell me that guy that occupies the Whitehouse is legit and people still believe that lie. It is the Republican party that is behind it all, they use it for their own advantage.

Lorraine speaks: The Republican party as you see it today wants Biden in there.

Sam speaks: That is why on January the 6th they voted Trump out.

Lorraine speaks: I am not saying every individual but the majority of the republican party are corrupt they are all part of that regime. The FBI, DOJ, the CIA, the Republican party the Democrats are all working for that global world dominance. They are not working for Americanism and Trump came in and upset their whole apple chart, and they wanted him out of there and they were going to go to every means possible to get him out of there because he stood in the way of their diabolical plan.

Sam speaks: They did everything to get him out and they had a coup in broad daylight.

Lorraine speaks: They can do what they want when you go back to King David how God anointed him to be King over Israel and Absalom wanted to steal the kingdom he was no more one day. It is who God anoints to be King, and God raised Trump up and he is the president of the United States, anything else is a lie and an impostor. Sam speaks: They will end up exactly where Absalom did, God is just waiting for His time to expose everything, everything has to be exposed, before Jesus comes He will expose the intent of every heart and that scripture has to be fulfilled.

Like we were saying about that Alden guy, the Lord brought him here as he was driving into the Canadian Tire and there he was exposed, a very evil and wicked man. I thought he was a man of God up until now, I felt for the guy when his wife died. God knew all about it, and Jesus knew all about it because Jesus has the keys to Hell and death. God knew why his wife died because his heart is not right. We are going to see a lot of things being exposed which is why it needs

so much patience. It says they that wait upon the Lord shall renew their strength. Sometimes you have to wait for years until something manifests, and when they do you are shocked. What is going on here I thought this man was a man of God, then the proof is in the pudding.

Lorraine speaks: Like when I was sitting here one day and I asked the Lord what is up with this Jeremy. With everything, the Lord did for him, we had not heard anything positive from Jeremy. It was four months later when I asked the Lord - what is up with that Jeremy anyway, when all of a sudden all these emails started coming through from his mom, telling us where he is at and what is going on, I was shocked, so that took patience and temperance to wait on the Lord to find out what is going on, and you might wonder why is he in the predicament that he is in because he wanted to take the glory for himself by rejecting us and wanting to take the glory instead of giving it to whom it rightfully belongs.

Sam speaks: He was trying to steal it and that's what happens when all you have ever done in life is steal, then he tried to steal what we have here.

Lorraine speaks: If it is not yours, it is stealing. It takes time for things to manifest themselves, and that is why patience is a fruit of the spirit.

Sam speaks: He sat on his testimony for 4 months, he wanted to get baptized and the Lord would not let him get baptized, I didn't know why, I tried to make it happen, but the Lord would not let me until he put his testimony out.

Lorraine speaks: All along he knew what he was supposed to do, and he just sat at home making it difficult for everyone around him. The Lord let me see how shrewdly bad (scheid schlecht) Jeremy is, and he uses it to his advantage. It is hard to comprehend how a person can be like that after everything the Lord did for him he turns around and rejects us and even has the nerve to come back after he rejected us. Hopefully, someday he will come to his senses and grow up, and come to realize who he really is.

Sam speaks: Exactly because the minute his mom sent us that email we sent it to him and asked him what he makes of it, and he goes I guess I have to give my testimony. He knew all along these four months that he was sitting on it, and not putting it out there. That is a

wicked man, he knows what he needs to do and doesn't do it until he gets driven into a corner.

Lorraine speaks: It's like that one guy that was given one talent and when the Lord came back to settle with them on their talents and the one hid his talent. He did not do what the Lord expected him to do, and therefore the Lord called him wicked and slothful.

Sam speaks: He knew what he needed to do and I guess when we sent him that email he saw the handwriting on the wall. Where is Jermei, who knows? Where are the nine lepers, who knows. I know where that one is, that went back to thank the Lord. I know he had a good and expected end, and I know he will be in glory. I don't know where the other nine are it is not written anywhere. They were probably part of that mob that cried, crucify him.

That legion, that Jesus helped in the Bible, he did not have to be nudged, he knew what he had to do, and he gladly did it out of gratitude for what the Lord did for him because in one year he had 10 counties that gladly invited Jesus to come in. The same with that Jeremy God had compassion on him, and all he has going for himself is the passion of the Christ. I want to stress it, it was the passion of the Christ and for the rest of his life to keep his head above the water all he needs to do is be grateful, day and night for what the Lord did for him, otherwise he will be just be another casualty along the road of life or join the others that Jesus helped that were in the mob shouting crucify, crucify, crucify him, but our hope is that he will smarten up and become an asset instead of a liability.

I was reading Psalms 119 everyone should read that chapter at least 4 times a year, the precepts the council, and the laws of God, and how they never change, His precepts are the same. The way that God dealt with Rahab, bring your family in, put that red rope up so that you can be saved when destruction comes, and bring in your whole family. The same with Cornelius all his household got saved, and the same with the jailer all his household was saved. The same principle applies today, you and I, we have made the Lord our number one thing, and God is going to make a way. I don't know how, but I read one day how His precepts, his councils, His laws, and His statutes, never change He is the same yesterday, today, and forever. He did it for Rehab and we know who Rahab was, but she saw

something, she said - Our hearts melted within us, when we heard about all the things that God did for you. The same with Ruth, He is the same today, yesterday, and forever. There is so much in the Word if you are honest and upfront, we have met these requirements in Peter we have proved it. We care about people that is why we go through all of these extremes. There again if we would not have a genuine love for mankind we would not be doing this. If we would be doing our own thing that would require too much energy and we would be worn out in no time, but see they that wait upon the Lord they will renew their strength. It is the waiting on the Lord and when the time is right He gives you the strength to go another mile.

The key is there is only one message from here on out, that stream come and drink out of the water of life freely. I read that scripture many times growing up, I read the book of Revelation and I was intrigued with the book of Revelations I did not understand it, but I was drawn towards Daniel, Ezekiel, and those prophets. People said you shouldn't be reading these books, but through the ministry of brother Branham everything opened up. It was a gold mine. Lorraine speaks: If someone would have told me not to read the book of Revelation I would have told them it says right there in the beginning of Revelation that blessed is he who reads and understands this book. So right there they are going against what the scripture says.

Sam speaks: They did not tell me not to read it but the news is out all over town, it is in the atmosphere you should not be reading the book of Revelation. It says *Revelation 1:*

3. Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand.

There is so much you can say but you are dealing with people that like to gamble their life away, when you look at this entertainment world out there people have because used to this entertainment world and they do not take it seriously when Jesus warned us in *Luke 21: 34. And take heed to yourselves, lest at any time your hearts be overcharged with surfeiting, and drunkenness, and cares of this life, and so that day come upon you unawares.*

We take that seriously because we are living in that time frame right now and you can't make it a lifestyle to go out to those buffets over and over again.

Heavenly Father we just had a conversation around your Word and I know that it is all chopped up. So much is said Lord but it is all in vain if you don't come down and put it together and draw a picture. That the words that have been said will draw a picture for the people to let people know how serious the day and hour that we are now living in, that it is all about that living water, that it is all about that preparation for the marriage supper of the lamb for this end time. We know what is coming up the road, and all we can do is warn people about what is coming so that they can prepare themselves. We cannot stop what is coming we can only put it out there week after week and put our lives on the line to tell people. We know we are being mocked, and we know we are being stabbed in the back in a heartbeat but it is the passion of the Christ that pushes us on and what drives us on. So that maybe one ear will pick it up and do something about it. We are not playing a game, we just pray Lord that you will still it in the hearts of people just like you did for the people back in the days of Joshua you told Joshua that you will work in the hearts of the people that they will know in the hearts who you are. I just pray that you will put it in the hearts of the people, for whosoever will, that we are just doing what we are called out to do, that you have us for such a time as this, that we are just doing what you have called us to be and do. We know our calling and our election Lord, you burned it on our hearts all week, to walk right in it as if you did believe it, we just pray Lord that you will give that increase in Jesus Christ name we pray, Amen

All our efforts don't mean anything what can we say, as Jeremiah said, the more I talk the more they depart and rebel. It does not cost us anything to say it and we will keep saying it, if one guy gets it then fine, if nine guys reject it as long as one guy gets it.
