

## **THANKS, THANKS**

*Thanks, thanks, I give you thanks  
For all you have done  
I am so blessed, my soul has found rest  
Oh Lord, I give you thanks*

## **I'VE GOT SO MUCH TO THANK HIM FOR**

*When I look around and see  
All the good things God's done for me,  
I know, I'm not worthy of them all.  
For His good pleasure He truly gives,  
I owe my life to Him,  
Because, I have so much to thank Him for.*

### **CHORUS**

*And I've got so much to thank Him for,  
So much to praise God for, you see,  
He has been so good to me.  
When I think of what He's done.  
And where He's brought me from  
I've got so much to thank Him for.*

*Sometimes, while I'm on my way,  
I'll stop, I'll kneel and I'll say  
Thank you Lord, for all you've done for me  
And when I reach sweet Heavens shore.  
Oh please, let me kneel once more,  
Cause, I've got so much to thank Him for.*

You can spend 10 lifetimes you would not even scrape the surface when you think about where He has brought us from, how He saved us; He gave us salvation. It is not a game, He really did, I know exactly when I was born-again. He gave me eternal life, and He let us see this end-time picture you can't even begin to thank Him. Like, saying thank you is not enough, but it is all He requires.

Lorraine speaks: God said to the children of Israel remember what I did for you when I brought you out of Egypt and Jesus said remember what I did for you at Calvary. That is all God requires.

Sam speaks: It is so simple then they take this communion and they have all kinds of stuff tied to it now, do this, do that. If you don't do this or that, no, He said, just remember what I did for you at Calvary. That I gave my life for you and all I want you to do is remember and be grateful. That is it, in the early church that is all they had.

Lorraine speaks: That is right they had no confused picture.

Sam speaks: We are going back to the faith of the early church.

### ***HALLELUJAH, PRAISE THE LAMB***

*Hallelujah, praise the Lamb*

*I will sing His praise again*

*Hallelujah, praise the Lamb*

*Hallelujah, praise the Lamb*

*Hallelujah, praise the Lamb*

*I will sing His praise again*

*Hallelujah, praise the Lamb*

It says John wept much but the Lamb of God was able to take the book and was found worthy to open it. *Revelation 5:*

*4. And I wept much because no man was found worthy to open and to read the book, neither to look thereon. That lamb came and was slain for our sins and was found worthy to open the book, and to make intercessions for our sins.*

Sam speaks: I say it again, there is not enough praise you can give and not enough you can do for Jesus and here people take it for a secondary item. You just have to stop and think and take time out sit down and think about what Jesus did for us. This religious world confuses the picture. That is where we are going back to, to the early church. We have no part of this religious system we are going back to the early church, we are the church of the living God. We are going to be and we are like that first church. The first church did not have this Christmas, celebrating Christmas because it is a pagan day, it is the

sun-worshippers day. It all leads to confusion. Of course, we believe in the birth of Christ. I was thinking today, I know when He was born in my life. So celebrate that, it is never the same, there is a reason why the birth of Jesus is not recorded. Like the Passover, and the crucifixion we pretty much know but for the birth of Christ, He did not let us know when it was and there is a reason that He didn't. I know that it was sometime in October, but as I said, I just thought about it today it is when He was born in your life that is the one that you celebrate, for you it might have been October, but for me it was February, it is different for everybody. You have to know when you were passed from death unto life. That is when Jesus was born in my heart. Not on December the 25th when they worship the Sun. The devil wants to be worshipped so he knew how he is going to get people to worship him so he took Christ's birthday and he puts it over to the sun-worshippers when the Catholic church was born. For 2000 years the church world has been worshipping the devil and they don't even know it by doing this Christmas thing, behind it is a spirit, he mixes it with Christianity a bit but behind it is the sun-worshipper spirit. You don't even worship the sun you are worshipping the devil, commerce, and all that is attached to it. I never did like celebrating Christmas I get depressed. So we cut it out 20 years ago. It is a pagan festival, Satan mixes it with Christianity or so-called Christianity. The real Christians did not go for that Nicene Rome. They had to go underground, they had to be butchered and slaughtered.

### ***STANDING ON THE PROMISES***

*1 Standing on the promises of Christ, my King,  
Through eternal ages let his praises ring;  
Glory in the highest, I will shout and sing,  
Standing on the promises of God.*

*Refrain:*

*Standing, standing,  
Standing on the promises of God, my Savior;  
Standing, standing,  
I'm standing on the promises of God.*

*2 Standing on the promises that cannot fail,  
When the howling storms of doubt and fear assail,  
By the living Word of God I shall prevail,  
Standing on the promises of God. [Refrain]*

*3 Standing on the promises of Christ, the Lord,  
Bound to him eternally by love's strong cord,  
Overcoming daily with the Spirit's sword,  
Standing on the promises of God. [Refrain]*

*4 Standing on the promises I cannot fall,  
List'ning ev'ry moment to the Spirit's call,  
Resting in my Savior as my all in all,  
Standing on the promises of God. [Refrain]*

### **ROCK OF AGES**

*1. Rock of Ages, cleft for me,  
Let me hide myself in Thee;  
Let the water and the blood,  
From Thy riven side which flowed,  
Be of sin the double cure;  
Cleanse me from its guilt and pow'r.*

*2. Not the labor of my hands  
Can fulfill the law's demands;  
Could my zeal no respite know,  
Could my tears forever flow,  
All for sin could not atone,  
Thou must save, and Thou alone.*

*3. Nothing in my hands I bring,  
Simply to Thy cross I cling;  
Naked, come to Thee for dress;  
Helpless, look to Thee for grace.  
Foul, I to the fountain fly,  
Wash me, Savior, or I die.*

*4. While I draw this fleeting breath,  
When my heartstrings break in death,  
When I soar to worlds unknown,  
See Thee on Thy judgment throne,  
Rock of Ages, cleft for me,  
Let me hide myself in Thee.*

Sam speaks: It says here - *Could my zeal no respite know, Could  
my tears forever flow, All for sin could not atone, Thou must save, and  
Thou alone - Only Jesus could do that job.*

**DRAW ME NEARER**

*I am Thine, O Lord, I have heard Thy voice,  
And it told Thy love to me;  
But I long to rise in the arms of faith,  
And be closer drawn to Thee.*

**CHORUS**

*Draw me nearer, nearer, blessed Lord,  
To the cross where Thou hast died;  
Draw me nearer, nearer, nearer,  
blessed Lord,  
To Thy precious, bleeding side.*

**2**

*Consecrate me now to Thy service, Lord,  
By the pow'r of grace divine;  
Let my soul look up with a steadfast hope,  
And my will be lost in Thine.*

**3**

*O the pure delight of a single hour  
That before Thy throne I spend,  
When I kneel in prayer,  
and with Thee, my God,  
I commune as friend with friend!*

**4.**

*There are depths of love  
That I yet may know*

*Ere Thee face to face I see;  
There are heights of joy that I yet may reach  
Ere I rest in peace with Thee.*

**I DON'T KNOW WHAT I WOULD DO**

*I don't know what I would do,  
I don't know what I would do,  
I don't know  
What I would do without the Lord,  
When I look around and see  
All that He has done for me  
I don't know what I would do without the Lord  
I don't know what I would do,  
I don't know what I would do,  
I don't know  
What I would do without the Lord,  
When I look around and see  
All that He has done for me  
I don't know what I would do without the Lord*

*Without Him I can't do nothing  
Without Him I'd surely fail  
Without Him I would be drifting  
Like a ship without a sail*

*So I'll ask Him to be my pilot  
His Word my compass and guide  
Until I'm anchored safely in glory  
For without Him I'd drift with the tide.*

**JESUS MY JESUS**

*Jesus my Jesus  
Do you know Him today,  
Please don't turn Him away,  
Oh Jesus, My Jesus  
Without Him how lost I would be,*

*Jesus my Jesus  
Do you know Him today,  
Please don't turn Him away,  
Oh Jesus, My Jesus  
Without Him how lost I would be,*

**I LOVE YOU LORD**

*I love you Lord, and I lift my voice  
To worship you. Oh my soul rejoice.  
Take joy my King, in what you hear  
May it be a sweet, sweet sound in your ear*

**THE ONLY REAL PEACE**

*The only real peace,  
That I have, dear Lord is in you  
The only real peace,  
That I have, dear Lord is in you  
In life's frustrations, I need you, I know I do.  
The only real peace,  
That I have dear, Lord is in you*

That's the truth Jesus said in *John 14*:

*27. Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid. Jesus is the only one that can give you peace.*

Sams speaks: He is the Prince of peace, the world talks about peace there is only one peace giver and that is the Prince of peace. All we need to have is Jesus and all this turmoil in this world would not be. It is Satan's peace and at the end of the day, he is going to show his true colors. A big slaughter, when they say, peace and safety, that is Satan's peace then sudden destruction comes. When you reject Jesus, take Him out of school, take Him out of the courthouses, and take Him out of society, you are not going to have peace until you bring Him back in.

Lorraine speaks: A lot of these talk show hosts fall into the rhythm it just becomes a game, a big circle and they never accomplish anything.

Sam speaks: Just when they get close the devil misdirects them, they will never come to the fact that in 1960 they rejected the prophet, these old preachers know about brother Branham but nobody will tell them that there is your problem, it started in the 1960s when you rejected the message that God had for American and God could not do anything else He had to give the devil the key, here Satan it is all yours they reject Me. When you reject the Lord then I guess who takes over - The devil. That is what you have in America today.

Lorraine speaks: It then has to go through a process, like when you look at Israel and Judah when they became so wicked and God said He will send them in dispersion, and it happened. It could not have gone any further without it going into judgment. In the same way with America, it will not happen without suffering the consequences of that rejection. God even said even if Samuel and Moses stood before me I will not relent because there is only one thing that God looks at in America right now, the consequences of that choice that they made back in the '60s by rejecting that prophet, now it has to go through this process just like Israel had to go through their dispersion and their Holocaust. It is just the way it is, it has to play out.

Sam speaks: I wish that there would be a better way but you have to face reality there is no better way. There is only one thing and that is a civil war. They are trying to patch something up. It can't work they are going to have to walk through that. You sow the wind you are going to have to reap the whirlwind, you can't patch it up with a band-aid. There is only one thing that you can do and that is prepare yourself for what is coming. You can't stop what's coming but you can prepare yourself.

## **KEINER WIRD ZU SCHANDEN**

**1)** *Keiner wird zu schanden, welcher Gottes harrt;  
sollt ich sein der erste, der zuschanden ward?  
Nein, das ist unmöglich, du getreuer Hort!  
Eher fällt der Himmel, eh mich täuscht dein Wort!*

**2)** *Du hast zugesaget: Wer da bittet, nimmt,  
wer da sucht, soll finden, was ihm Gott bestimmt;  
wer im festen Glauben mutig klopft an,  
dem wird ohne Zweifel endlich aufgetan.*

**3)** *Nun, so will ich's wagen, Herr, auf dein Gebot,  
alle meine Sorgen, eig'n und fremde Not,  
all mein heimlich Grämen, alles was mich quält,  
dir ans Herz zu legen, der die Tränen zählt.*

**4)** *Du bist mein Erbarmer und mein bester Freund,  
meines Lebens Sonne, die mir lacht und scheint  
auch in finstern Nächten und durchs Todestal  
mir hinüber-leuchtet zu des Lammes Mahl.*

## **LASST MICH GEHN**

*Lasst mich geh'n, lasst mich geh'n,  
Dass ich Jesum möge seh'n;  
Meine Seel' ist voll Verlangen  
Ihn auf ewig zu empfangen  
Und vor seinem Thron zu steh'n. ::*

*2. Süßes Licht, süßes Licht,  
Sonne, die durch Wolken bricht,  
O wann werd' ich dahin kommen,  
Daß, ich dort mit allen Frommen  
Schau' dein holdes Angesicht? ::*

*3. Ach, wie schön, ach, wie schön  
Ist der Engel Lob-Getön!*

*Hätt' ich Flügel, hätt' ich Flügel,  
Flög' ich über Tal und Hügel  
Heute noch nach Zions Höh'n. :::*

*4. Wie wird's sein, wie wird's sein,  
Wenn ich zieh' in Salem ein,  
In der Stadt der gold'nen Gassen!  
Herr, mein Gott, ich kann's nicht fassen,  
Was das wird für Wonne sein! :::*

*5. Paradies, Paradies,  
Wie ist deine Frucht so süß,!  
Unter deinen Lebensbäumen  
Wird uns sein, als ob wir träumen;  
Bring' uns, Herr, ins Paradies. :::*

This writer had a longing, he was daydreaming about the heavenly he is saying let me go, that I may see Jesus. His soul had a longing for that Heavenly home, and here we have it. It is the closest thing you are going to find on this planet earth to Heaven is this end-time message. This invitation to the marriage supper of the lamb, that is it, this is all that's left, and you can saturate yourself with it. It is a blessed thing, you don't have to exhaust yourself you don't have to daydream about it, it is here for the taking. Just go home and sing the songs with us because this is the church of the living God, and this will take you to the marriage supper. This is the only place where you will find where it will do that. All you have to do is come and join us, this is the church of the living God, and this is the only place where you will find where we will not celebrate this Christmas. This is the only place where you will find the New Year according to the scripture. These seven feasts are very close to the heart of God, He commanded the children of Israel for 1500 years they had to observe these feasts and in the end, they didn't even know what they were doing. The real Passover come and they missed it. It was something that they had been observing for 1500 years and there was nobody that saw Jesus for who He really was, that He was that Passover

lamb. It was not until afterward that they came to the understanding and the first one, that is recorded, that recognized Jesus was a Roman Centurion. He said, truly this was the son of God. To the rest, He was just some guy hanging on the cross, but He was that Passover lamb, see they missed Him. They missed the true meaning of these feasts. Then at the turn of the century, there was the feast of the trumpet. Here we came down to the feast of atonement, a very important one, and you and I are the only ones that recognized that true Yom Kippur. We are the only ones who knew when that sixth feast started. In 2021, October 14-15 was the true Yom Kippur but in that year 2021, the Israelites and the world had the Passover, not the way the Bible says, so they had that Yom Kippur wrong. They had the Passover earlier, they did not have it right.

Lorraine speaks: They didn't wait for the Spring Equinox to establish things, they have some guidelines that they use, if it's close to the Spring Equinox they will go with that one, but God established the New Year after the Spring Equinox and that will establish all the other feasts throughout the year.

Sam speaks: We were into that and then we realized that the true Yom Kippur is in the year 2021, but like I say they kind of had it mixed up, the Israelites had it a certain day, and the world had it a certain day, but we went to the Bible, we went to the first New Moon after the Spring Equinox and we had it right down pat. One thing that stood out in the year 2021 and it was very serious and very solemn was the true Yom Kippur. We are the only ones that had it right, we had it on October the 15th, that is when Jesus went off the seat of mercy, and God went back to the Jews. The restoration of Israel began. That is why we have a sound mind.

Lorraine speaks: A lot of people don't understand how God works things out, people are waiting when the 70th week of Daniel will start for those two prophets to be on the scene right there, but prophecies don't work that way. They have a time where they begin and where they end and that is what God is looking at. What God is looking at now is the 70th week of Daniel. That is what He is looking at. It does not mean that those two prophets are going to be there on the day when the week started which was October 15th and they are

going to be there right up until the middle of the week. It has a beginning and an end.

Sam speaks: That is the key it has a beginning point, a starting point, and the beginning point was October 15th, 2021, but it has not reached its peak. Just like brother Branham's ministry it started back in 1930 but it didn't hit its peak until 63 when He preached the 7 seals, but up until then, it was all leading up to that. It is the same thing here. These prophets are somewhere and they may be doing the early stages of their thing. I don't know where they are but I know the beginning point has been. The restoration of Israel has begun.

Lorraine speaks: Yes, it was all pointing for brother Branham to be in Arizona, when he was in Indiana he knew he will have to go to Arizona one day because when he was younger he wrote a poem and it was all about that meeting that he is going to have there on that Canyon in Arizona. It was all pointing to that all of his life's journey was pointing to that day when he is going to have an encounter.

Sam speaks: From the day that he was born, and even before the foundation of the world really, but the day he was born he had that rendezvous with that canyon, that Sabino Canyon, that was the highlight of his ministry, and from that, it dwindled down.

Today we want to talk about the subject of how nobody can stop what is coming. It is a continuation of last week in a sense. The title is Nobody can stop what is coming, but we can prepare ourselves for what is coming. Like Noah he could not stop that flood, but he could prepare himself, and what we are trying to put out to the world, is we cannot stop what is coming, it is coming. Jesus prophesied it, the whole Bible talks about what is coming. The seventieth week of Daniel, the middle of the week when Satan is kicked out of Heaven, and then that scripture kicks in - he must continue for 42 months. It is coming just as sure as the sun is coming up. I want to really emphasize that there is nothing that you and I can do to stop it, there is nothing that God can do to stop it, there is nothing that Jesus can do to stop it, and if all the Christians in the world would get together and pray they could not stop it, like this one guy that said to me - Sam don't you think that if we all get together and prayed then the book of Revelations is not going to happen. Ja, sure, not even God can stop it

because God has put His Word above His very name so this thing is coming.

We are really the only ones that really believe it, I know that there are lots of people that are listening but they don't really believe it to the point where they would do something about it, maybe some do but very few believe what we are saying is right. That on October 15th was the beginning of the week of Daniel, and you have 7 years left. Then that sets in motion that 1260 days from October 15th to the middle of the week is when those prophets are killed, right to the day. You can set your watch and you can take it to the bank because we put our trust in the Word of God. We don't put our trust in prophecy because prophecy will fail, we don't put our trust in tongues because tongues shall cease, but the Word of God endures forever. That is how we know the midnight cry, that is where we got the formula from, right out of the Word of God. It had to go back to that Laodicean church-age prophet, and it continued with brother Jackson and here we are. You were on those feasts like a Doberman, these feasts are so close to the heart of God. Like you are always saying it is a timeline and you can set your watch on those feasts, right on that day, on that real Passover feast there was Jesus going down to the garden and when the moon was at its fullest Jesus was being crucified.

Lorraine speaks: The real Passover Lamb, all these 100s of years that they were sacrificing the lamb it was all pointing to the One and only One, that shadow was being cast and it was pointing right to the real Passover Lamb, and there it happened in 33 AD. At the Passover there when the full moon was at its brightest, there was the true lamb of God, there on the cross, He gave His life for lost mankind.

Sam speaks: All these feasts, there are seven of them they are so close to the heart of God, just like that first one was, that is why we took that 2021 so seriously, we went back and forth, something was missing until God checked us, and we realized we had to stay with that Spring Equinox, and now you can take that to the bank.

Lorraine speaks: When you go over it, I had it all wrong, in your carnal mind you envision things, I had envisioned that at the Yom Kippur there has to be this altar there, they will have to have that sacrifices there and they are going to be gathered around there and they are going to recognize Jesus. The two prophets are going to be

there presenting Jesus to the Jews and they are going to recognize their Messiah. It is not until God in a split second set that whole picture out before me, then I was able to see that it has only one purpose and that is to establish that week of Daniel. When that week of Daniel started on October 15, at Yom Kippur, where in that week of Daniel the Jewish people will recognize Jesus whom they pierce and those two prophets will reveal Jesus to the Jewish people for those that will accept Him. That is what is going to happen in the first part of those seven years. Also, that woman will be prepared to flee to America it is all in that first part of the week Daniel in those 1260 days, where that time is allotted to those two prophets to do that. Sam speaks: We are in it, we are right in that 1260 days, we are in the 3.5 years, and within that 3.5 years is that invitation to the marriage supper of the lamb - *Come and drink out of the water of life freely*. That is the only place where it fits in history. We have been over it but we are just going over it again.

What we are trying to say today is you can take this to the bank this is the truth and you cannot stop it, it is impossible that anybody can stop it, but we can prepare ourselves. Noah was told to prepare for that flood that was to come, and he did, and when he was finished he went in, and that flood did not affect Noah, neither will that affect you if you can only believe what we are trying to say here. As I have said, we are trying to prepare a people for the marriage supper of the lamb.

As I said, we don't celebrate Christmas, because the early church did not celebrate Christmas and the last church of the living God will be like the first church it is just that simple. We have been trying for the last 10 years to lay out a platform for people to come and drink out of the water of life freely because this is not our thing here when we have done everything we can, and believe me, we are putting all our effort in, all of our resources in, but at the end of the day, we are still classified as unworthy servants and have only done our job what is rightfully our God-given duty to do. What the Lord has hewed us out to do before the foundation of the world. There is nothing in us that has any value or any virtue if people could only see that. We have our struggles like everyone else has, but we have a job to do, and we have been found faithful like the scripture says - Who

then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season. Where are you going to find what you are hearing here on this website, simply because the Lord found us faithful to do what - To bring forth meat in due season.

Like I was saying when we sang that song *Laß mich gehn*, this person had such a desire, and the closest thing that you will find in this hour is to tap into the message for your day, and then you will see this whole thing. I want to see Jesus. The only way you see Jesus is in His Word, in the Word for your day and hour. It is just that simple, that is why we saturate ourselves, we are so content and happy and at peace, because we are trying our level best to stay with that Word. Back in the day, 30 years ago, I already began to get very depressed when it came to Christmas time and I did not know why, but as time went on the Lord brought it to me that it is a pagan holiday. Satan wants to be worshipped, and what he did, he got all these bishops together along with Constantine in 325 AD at Nicene Rome and joined the Christians with the sun worshippers, what does he do, the devil always has an agenda, and he got Christ birth moved to December 25th. You can go on the internet and find out everything that I am saying is true, these sun worshippers celebrated for a whole month, but the climax was December 25th when the sun started coming back. They were sun worshippers and Satan loves to be worshipped and he got all these Christians for 2000 years to worship him. Behind it is a spirit, they put Christmas in there with the birth of Christ but it has nothing to do with the birth of Christ, behind it is that spirit of Satan wanting to be worshipped. That is why I was so depressed, I found out about it and I just dropped that thing like a hot potato. There is no way I am doing this Christmas thing.

Lorraine speaks: That is the same thing that he is doing now all around the world, he wants to be worshipped, he wants to take the place of Jesus when the Millennium reign will be on, Jesus will rule and reign He will be the King of King and the Lord of Lords, He is going to rule this whole world, and that is what Satan wants to do here, he wants to be worshipped, that is why they are working 24/7 to get God out of society and get people so full of these perverted things, and your mind so occupied that there is no room for God in your life.

Sam speaks: He is forcing it on mankind, with these shots and these masks and intimidation and behind it, is the spirit of Satan, and people don't recognize it, they will give it names such as the left, or its China, behind it all is the spirit of Satan. I think we went into it quite a bit last week about who is the culprit and all of that - It is Satan himself. What the devil wants us to do is he wants us to fight with each other, the left with the right, this group against this group, race against race, but how about fighting against Satan. That is the enemy we have to put him out of commission. Every weapon that is formed against us cannot prosper, we don't fight this thing with guns and knives and things of that matter, we fight it by faith, and we have to have truth to be effective. In order to be effective in the Heavenly realm, we have to have this New Year down pat. We have to have everything according to the scripture. It is such a peaceful thing, as the year approaches, we are watching it very closely, that Spring Equinox, March the 21st then we watch very closely and we see that New Moon there it comes and that is where the years started right at that New Moon and you and I, we recognized it, we don't celebrate we observe it. That whole celebration of things this party stuff it is of the devil, we observe it and that is what we do we observe that New Year. Who do you think is behind that April Fools thing - it is Satan. He knows the real New Year is in March - April. What does he do he has his phony artificial diabolical New Year in January, then he has the April Fool in April. A lot of people go out and do the April fool thing, and they think nothing of it, behind it is a spirit, everything is driven by a spirit, and it just so happened that in 2022 that it happened to fall on April the 1st, and really exposing him what he is really after. April fool, he is trying to make a fool out of God, everything that God does Satan is right there to either pervert it or copy it or make a fool of it.

Lorraine speaks: That is why it is so important to know the day and hour that you are living in, like when you go back to the days of Noah it says that all flesh was corrupted, it was all corrupted there was Noah, not one of these people back then could recognize the sign of the times because they were so corrupted, not one of them could connect that there is a flood coming, they could not even receive the words of Noah because they were so corrupted. Then you come to the Holocaust God was warning the Jews with those Rabbis

warning the Jews to go back to their homeland because that war was coming that WWI, and WWII. In it all God was establishing something that beast system had to be re-established back together again, it was wounded at the Reformation in the 1500s and now in the 1900s, it was coming back together. There was turmoil happening when a change is in the making there is turmoil, so if these people would have been sensitive, the Jewish people would have recognized the signs of their time. There will be a war, and these Rabbis have been warning us to go back to our homeland. The same way with America if they would recognize their day, like when Jesus was here and He wept over Jerusalem and said thou knewest not the time of your visitation. Jesus walked in their midst and they did not recognize the sign of the time, and they totally missed that whole Grace Age, and so America missed what God was doing in their midst when He had a prophet here on the scene, I don't know if there was ever something like that in all of History the anointing of God that you felt when you were under the ministry of brother Branham and brother Jackson, it was an anointing that I have never experienced before.

Sam speaks: I could not sit, as I have told over and over I was sitting listening on the internet listening to brother Jackson I could not sit I had to go on my knees because that anointing came so strong it is 1500 miles off but you could feel that anointing, you could feel that angel, it was that angel speaking through the vocal cords of brother Jackson and millions missed it. To us, to you and I, it was such a glorious thing.

Lorraine speaks: They missed their day of visitation when Jesus was being revealed and that is why we try to stress it so much that we are in the week of Daniel until you receive that, that we are in the week of Daniel, that is where you are going to be in the present truth. You are going to know the hour that you are living in, and you are going to recognize the signs all around you, that God is speaking. Like it says in Proverbs it's on the Billboards, He is everywhere, God is speaking, but you have to recognize and understand where God is at in time. He is right now in the week of Daniel,

Sam speaks: Proverb talks about it, the sound is everywhere, the sound of silence, people hearing without listening, we have been trying everything, all our energy all of our resources are going in to

wake up a people, and I was thinking yesterday the reality is nobody believes us. They listen to us but they are not willing to put their life on the line and accept the fact that we are in the week of Daniel. Like you were saying at the turn of the century when the sound of the trumpet was sounding, these Rabbis went around pleading with the Jews to go back to their homeland. See they could not stop the second World War. That second World War was coming and had the Jewish people listened to these Rabbis when they pleaded with them to go back to the homeland, had all of them gone back to the homeland there would have been a Holocaust but not for the Jews, it would have been for the gays, the criminals and all that, that war was eminent to happen. God sends it in to clean up the country but not one Jew would have been effected with the Holocaust had they listened to the Rabbi's and that is all we are doing. We are doing what these Rabbi's did, we are trying to warn people what is coming, and it is coming. If you are listening to what we are having to say it is not going to affect you, you will be out there and you will have been prepared, and allowed yourself to be washed by the washing of the Word, you will have on that eye-salve, you will get yourself dressed so you don't stand naked before God.

This message here is not ours, it comes right from the throne of God, it will prepare you for the marriage supper of the lamb, and that Hell that is looming on the horizon is not going to affect you. That is all our mission has been we are trying to warn people about what is coming and to prepare them for what is coming. It is just that simple, you just follow what we are doing, you get up in the morning at 6'clock and you spend time with the Lord, and you recognize that New Year when God has it, and you discard all that other garbage, like that Christmas thing, it is off the devil. The devil wants to be worshipped, and that is what is happening, all these Christians around the world, think that they are doing God a service by celebrating this Christmas. If you want to celebrate Christ's birthday do it in October sometime when Jesus was born. The closest that we got is October the 3rd, somewhere around there. Although I was thinking today celebrate when Jesus was born in your life, for me Jesus was born in February, that is when the Lord saved me, I passed from death unto life in February. I know exactly the place I don't know exactly the day

but I know the time was 10 minutes after 10 pm on Friday. I know the place. Now if I want to celebrate the birth of Christ I can celebrate when He was born again in me. If every individual did that, this Christmas thing is nothing but paganism. It took me a long time to find that out but now I can really say it. That early church did not have any part in this Christmas, go search it out and see if you will find it, it is nothing there.

All of our energy goes into trying to make this message so simple, just come, and drink out of the waters of life freely. I never knew what that meant, it is right here, we are living in that 3.5-year period when that scripture is activated - ***Come and drink out of the water of life freely.*** Where that invitation went out in Matthew 22, for the guest to be invited to the wedding. Jesus sent out His servants and these people refused they had other priorities in their lives, and guess what Jesus said - I ***will send in my armies and will destroy these murders and burn down their cities.*** That is coming right after the last part of that week. It is coming all we are trying to do is we are trying to warn people what is coming, we can't twist anybody's arm, we can't force it on anybody, we can just warn just like Noah did, and when you look at Lot, his son-in-law's they would not even listen to him, they thought that he was stupid, and down throughout history, you can see it all.

As we mentioned earlier about the Holocaust these Rabbis went around the world for 10-20 years, brothers it is time to go back to the homeland, to build up Israel to prepare for the second coming of the Lord to prepare for our Temple to be built, and it is going to be built within those 7 years here. You are going to see things happening. We have it right when it says *who then is that faithful and wise servant who the Lord has found faithful to bring forth that meat in due season, surely I tell you He will put him in charge over all His goods.* That is why He has hewn us out to deliver that living water. That is all His goods, that is all that is left in this world is this here living water so that you can prepare yourself for the marriage supper of the lamb, allow yourself to be washed by the water of the Word. Like I said earlier, put on that eyesalve so that you may not be found naked. All week long the Lord has been dealing with me on this topic you can't stop what's

coming but you can prepare yourself for what is coming. Go back in history judgment came, and disasters come ever so often. I want to read from *Revelations 3*:

*16. So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth.*

*17. Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked:*

*18. I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eye-salve, that thou mayest see.*

That's what you need to see, the hour and the times that you are living in and you need to dress yourselves so that you will not be found naked. These conversations are going to dress you, you are going to know what hour you are living in, and you are going to know where you are in time. You are going to know what you need to do, and the things of this world are just going to fall off. The things of this world are all going up in smoke in 7 years from now there is nothing going to be left of that Roman Catholic thing. These religions out there these false religions, this Mennonite, this Hutterite, this Amish, this Muslim, God is going to famish them all, He is already starting to famish them, all He has to do is shake the life out of it. What do you have left then when you famish that demon, behind that false religion. These false religions are fed by a spirit. That Hutterite religion is fed by a spirit, now when God comes down and He famishes that spirit then you have nothing left of it. All they have now is tradition and Satan is behind it.

Lorraine speaks: He likes tradition because you can never move on with God with traditions and religion and you can never really know the signs of the time and what is going on.

Sam speaks: I was reading on the Internet about this colony in Alberta they are going to have to decide on what they are going to do if they are going to give up their tradition or adopt the new modern way of farming the technology, and all of that. How about accepting that fine linen and getting some eye salve and knowing the day and hour you are living in, how about making it worthwhile to why God has

persevered these colonies, and that is this invitation to the marriage supper of the Lamb.

Lorraine speaks: It's like back in the Old Testament with the Israelites they were so busy with their feasts and their burnt offerings and their scarifies that they missed what God was trying to show them. He didn't have delight in those sacrifices and in those burnt offerings, He wants a heart that knows what is going on. That is how it is with these people in this truth, they don't know what is going on in their hour. They preach but they are unaware, the Lord gave me a scripture, these people in this truth, they are so busy with their conventions and this, that, and the other, and the scripture the Lord gave me when I was listening to what they had going on down there. *Matthew 15:*

*8. This people draweth nigh unto me with their mouth, and honoureth me with their lips; but their heart is far from me.*

If you do not know the day and the hour and where God is in time your heart is far from God, you can speak with your mouth, and with your lips but if you do not know and declare and confess with your mouth the hour and the time that you are living in then your heart is far from God. It just narrows it down to that, your hearts are far from God.

Sam speaks: The proof is in the pudding when I was down there to declare that midnight cry, not one whimper of it not one echo from any of them, in fact, they worked overtime to try to shut it out, to shut it down and therefore they missed it and now you can truly say that their hearts are far from God. It was far from God back then already how much more so now.

Lorraine speaks: Like when you read *Isaiah 1:*

*1 The vision concerning Judah and Jerusalem that Isaiah son of Amoz saw during the reigns of Uzziah, Jotham, Ahaz and Hezekiah, kings of Judah.*

### **A Rebellious Nation**

*2. Hear me, you heavens! Listen, earth! For the Lord has spoken: "I reared children and brought them up, but they have rebelled against me.*

3. *The ox knows its master, the donkey its owner's manger, but Israel does not know, my people do not understand."*

4. *Woe to the sinful nation, a people whose guilt is great, a brood of evildoers, children given to corruption! They have forsaken the Lord; they have spurned the Holy One of Israel and turned their backs on him.*

5. *Why should you be beaten anymore? Why do you persist in rebellion? Your whole head is injured, your whole heart afflicted.*

6. *From the sole of your foot to the top of your head there is no soundness—only wounds and welts and open sores, not cleansed or bandaged or soothed with olive oil.*

7. *Your country is desolate, your cities burned with fire; your fields are being stripped by foreigners right before you, laid waste as when overthrown by strangers.*

8. *Daughter Zion is left like a shelter in a vineyard, like a hut in a cucumber field, like a city under siege.*

9. *Unless the Lord Almighty had left us some survivors, we would have become like Sodom, we would have been like Gomorrah.*

10. *Hear the word of the Lord, you rulers of Sodom; listen to the instruction of our God, you people of Gomorrah!*

11. *"The multitude of your sacrifices—what are they to me?" says the Lord. "I have more than enough of burnt offerings, of rams and the fat of fattened animals; I have no pleasure in the blood of bulls and lambs and goats.*

12. *When you come to appear before me, who has asked this of you, this trampling of my courts?*

13. *Stop bringing meaningless offerings! Your incense is detestable to me. New Moons, Sabbaths and convocations-I cannot bear your worthless assemblies.*

14. *Your New Moon feasts and your appointed festivals I hate with all my being. They have become a burden to me; I am weary of bearing them.*

15. *When you spread out your hands in prayer, I hide my eyes from you; even when you offer many prayers, I am not listening. Your hands are full of blood!*

16. *Wash and make yourselves clean. Take your evil deeds out of my sight; stop doing wrong.*

*17. Learn to do right; seek justice. Defend the oppressed. Take up the cause of the fatherless; plead the case of the widow.*

*18. "Come now, let us settle the matter," says the Lord. "Though your sins are like scarlet, they shall be as white as snow; though they are red as crimson, they shall be like wool.*

*19. If you are willing and obedient, you will eat the good things of the land;*

*20. but if you resist and rebel, you will be devoured by the sword." For the mouth of the Lord has spoken.*

That is what God is saying here with their conventions, they can get together and have their conventions and their stuff, but it is like those feasts those burnt offerings that the Jewish people were offering to God, and all the while their hearts were far from Him because they were a rebellious people they did not recognize what God was doing among them. It is the same thing here with the people in this truth.

Sam speaks: Like we were saying the other day, the Bible just repeats itself, what God did back with Israel, He wanted to gather them together, and here the ministry of brother Jackson, if you were actually in touch with reality and with God, you heard the anointing and you felt the anointing and you did something about it. The Lord through the ministry of brother Jackson has tried to woo us to prepare a bride for Jesus Christ, and what do they do as soon as he leaves - go back to their pow-wow, go back to their meetings. We saw it all last weekend it is the same thing it is nothing really it is just a waste of time, they are not in touch with reality, not one of them said anything about the day and hour that they are living in, just kicking the can down the road, just entertainment, and like you said it is all a distraction, and behind it all is the spirit of Satan to keep them away from this the day and hour that we are living in.

That has been Satan's plan for the last 100 years to make sure that nobody finds out about that day and hour that we are now living in. First, he did this wolf, wolf thing the Lord is coming in 1977, then they had this 2000, then there was 2012, and then 2004, it is a trick of Satan crying wolf, wolf and by now you can't and you are not even allowed to say anything about where we are in time. He convinced mankind, even people in this truth, he has them convinced that nobody knows the day and hour they are living in. We have it on a clip

of what Neil Connelly said, where he said this guy gets up in church and says the Lord is coming in 2020. Like it was an unpardonable sin, I never said the Lord is coming in 2020, but you can see the spirit behind it, they could not wait to pervert it and shut it down fast enough that behind it is the spirit of Satan, making sure that mankind does not know the day and hour they are living in.

Lorraine speaks: Then when you go to these false teachings, such as, we are in the 3rd day, and you look at what the devil's main objective is here, saying we are in the 3rd day, that takes you totally out to no man's land, there is no week of Daniel here. Then you look at the group that says we are after 2 days, what is the tactic of the devil here, it leaves you nowhere. When you are after two days you have no timeline you are out of sink, you have no rhyme or reason. Look at how precise God is with time when you look at the 7 feasts, they have a purpose, and everything flows. Look at the midnight cry with what Lyle Cook is saying the cut-off for the Jews was in 56 when Paul shook the dust off his feet and went to the Gentiles, it has no bearing. We are looking at the Grace Age, it has nothing to do with when Paul shook the dust off his feet and went to the gentile people. These are all distractions and all perversions, you have to understand what the devil is doing. Then you come to Tim Reliford it is all hush, hush it up it is all the same spirit, those are all tactics of the devil, to make sure that you do not know the hour that you are living in, so when these things come they will take you unaware because they are still implying we are in the 2 days, we are still in the Grace Age or wherever they say we are. We are right now in the week of Daniel and once you embrace that you will be in touch with where God is in time.

Even sometimes when God shows you something it is a little difficult even for you to really believe because of the opposition that you receive and also because nobody believes you. The Lord was reminding me all week how God dealt with brother Jackson, he was always sick, and he was depressed because he was doubting, where there is doubt there is depression and sickness, and the Lord spoke to him firmly - How long will you doubt My Word. After that nothing could stop brother Jackson anymore because he knew he was that vessel that God had established before the foundation to carry on from brother Branham. It is the same way here sometimes it can be hard

against all opposition to believe without a shadow of a doubt that you are in the week of Daniel, but once you do that you will feel that you are in sync with God because you know the hour and the time that you are living in, and that is you are now in the week of Daniel.

Sam speaks: You are going against the stream against all reasoning and all the stuff that is out there. I was thinking about that yesterday when you said it when God spoke to brother Jackson how long are you going to doubt my Word and it is speaking to us don't even think about it that you are not in the week of Daniel, just bull straight ahead no matter about the opposition, no matter if the whole world is against you, we are now in the week of Daniel as of October 15, 2021, and we have to act like we are and that we believe it and we can't be shaky on that, and we are not. We are putting it out there, if people want it, it is out there, if not calamity will hit you, it will come. You cannot stop it, like I said all week long, we cannot stop what's coming, God can't stop what's coming, Jesus can't stop what's coming but you can do one thing about it you can prepare yourself for what is coming that is all you can do, and you only have less than 3 years. You can do the counting once that pope kills those two prophets, believe me, that rapture is not far off. We don't know the day and the hour but we know one thing that bride is crying out - Lord, come quickly Lord Jesus, because we are the next on his hit list, he has killed the prophets and that is what reveals that man of sin and now he is on a rampage, he is on a war path and guess what he is after, he is after that bride and those radicals. God takes the bride out, and the foolish virgins, they stay here, and the remnant of the woman that did not listen to the prophets, they don't leave Israel, and guess what happens there is another Holocaust in Israel and the pope goes out and kills the remnant of the Jews along with the foolish virgins, those Christians that did not prepare themselves for the hour they were living in because they had other priorities. He can't kill the bride because the bride is gone. It is now open season because the Holy Spirit is gone the Holy Spirit held it all back until then. *2 Thessalonians 2:7. For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way.*

That is the Holy Spirit and now he is not here anymore and now that pope can do whatever he wants to. He is on a war path and he is

going to do a slaughter. This thing is coming and we can't stop it we can only prepare ourselves for what is coming. That is why I have been beating the drums for the last 30 years ever since the Lord said, Sam, I am coming soon. Then the Lord got us to put this internet out and now it is going around the world. I was thinking about that yesterday where it says - *this gospel of the kingdom will be preached in all the world then cometh the end*. It is not talking about John Hagee's gospel when it talks about Matthew 24 when Jesus said this gospel, and you and I are the only ones that have Matthew 24 down pat. We know which one belongs to the siege of Jerusalem and where it cuts off and you can only get it here. The true this gospel of the kingdom shall be preached in all the world then shall the end come.

That is why we are putting all of our energy in there, that is all we have to live for, that is our whole makeup, our whole being is consumed in this because we are going against tremendous opposition all these forces are out there trying to intimate us, they try but they can't. We know they are going to say this guy is crazy he thinks that we are in the week of Daniel and it is really in the spirit world where Satan has accomplished what he was out to do, to begin with, to fill the atmosphere with nobody knows the day and the hour. We do know right to the day when that true Yom Kippur was, because we went to the scriptures we have the midnight cry, and we know that God does not deal with the Jews and the gentiles at the same time. Here it was and nobody can move us away from that because you just try thinking about moving it, where are you going to move it to, you have no scripture to move it to anywhere. The only scripture that you have to back it up with is the midnight cry. Like I said before, Laodicea began in 1906, the Lord had been dealing with me for a long time with that, it is all about Laodicea, and the middle of Laodicea was February the 28th, 1963. Now if you know the beginning and the middle all you need is grade 3 and you can subtract 1906 from 1963 and you come up with 57, and you add 57 to 1964 (just to note we already counted 1963 and now we go from 1964) and you come to 2021. Back in the day, the Mien calendar had it that 2012 is the end of civilization, and they are right on because all you have to do is add 17 years. After all, the calendar is out by 17 years. When you add 17 years to 2012 you come to 2029. They did not know that Jesus is coming back and

taking over. Satan's reign is over in 2012, then you add 17 years to 2012 and it comes to 2029. Even brother Jackson when you add 17 years it lines up exactly right on to the day, 2004.5 comes to October 2021 which ends the Grace Age.

Lorraine speaks: That is why the feasts are so detrimental in the eyes of God, when you have the New Year right in 2021 you would have known the day of the Yom Kippur when that week of Daniel set in.

Sam speaks: There again I was thinking on that yesterday God made sure that it is not traditional, like in 2021 it was not traditional like it was for 2022. In 2022 you could follow that New Moon because the Spring Equinox was right, but in 2021 they changed it as we mentioned earlier we had to move it ahead, the world had it before the Spring Equinox because it was dragging out too long, but we went according to the principle of God.

Lorraine speaks: There are so many indications of how God worked us through this, it is not like we one day woke up with this, God slowly tried to come through to us to let us know where we are in time. At first, we took whatever Passover Israel took, and the world stage, and we asked the artist that we know in Israel, and then we also did some research on what guidelines they use to decide which day to pick for the Passover. The year 2021 was a little bit confusing because the New Moon was very close to the Spring Equinox, it was before the Spring Equinox so they took that as the New Moon instead of the one after the Spring Equinox because they say it is close enough, and they also go by the barley harvest and if it looks like spring. These are the pointers that they have and go by if they are unsure which one to pick, so we just went with that we asked that artist in Israel about it and he said the same thing so we automatically went with that, but one day you woke up and you came out and you said - Where did you get that New Year from. I said, remember we were sitting here and we were wondering which one we should take and we came to the conclusion we will take the one Israel took. Then you said - No, that is not right, we have to go by what God is looking at.

That was a couple of months later it was not even in consideration anymore, we had already thought we have it right, but

God was not happy with that one. You came out and you said where did you get New Year from, I reminded you we were sitting here and debating which New Year to take, and we came up with the one Israel went by. Then you said no, we have to take the one that God is looking at and He is looking at the Spring Equinox. God is not sloppy, He does not take this one year and the next year the other one. He has a principle that He goes by when He establishes that New Year, we had to learn too. It is not like we came up with this, and this is what it should be, no, we had to learn too as God was showing us these things and vindicating it with how He dealt with us with these questions.

Sam speaks: We have to go back to what God is looking at, He is looking at that first New Moon after the Spring Equinox and not before, then we went and redid it, and God was happy with it. In so much, that He even let you crown Him, and on the day of the 15th, I literally saw the Lord Jesus take off His high priestly robe and take on that Kingly position. You can't take that away from me, I know what I saw, I am not hallucinating. I know that October the 15th 2021 is when the week of Daniel started, and the restoration of Israel is on.

Lorraine speaks: I had so many questions because we were already walking into the week of Daniel and the miracle war had not happened yet, the Ezekiel war had not happened yet, and I asked the Lord, I knew that the Yom Kippur is right and the midnight cry is right, but what is wrong with the picture and He took those 2 events the miracle war where God is going to restore Israel borders, and the Ezekiel 38 & 39 war and He put them into the week of Daniel, they are part of the restoration of Israel. Then the scripture came to me - Arise and shine for thy light has come in Isaiah 60, this is now the time where Israel can now arise and shine for their light has come, their hour has come to shine in that week of Daniel, that is their time now. It is no longer the gentile era, God is now back to the Jewish people to those 7 years, that 70th week of Daniel, that is what God is looking at right now. Then after that, I could see how God looks at that Yom Kippur, and when that was all established in my mind, I could see myself crowning Jesus King of Kings and Lord of Lords. When all of these questions were answered and there was no more confusion

everything was placed in its rightful place, I could literally see myself crowning Jesus, King of Kings and Lord of Lords.

Sam speaks: These people that had their convention down their last week they have to have 7 in their clan to bring the Thunders because brother Jackson said seven men from this ministry will bring forth the Thunders and here the Thunders sounded back in 1963 when brother Branham was up on that Canyon those angels were there and from there on all week long when brother Branham preached in Jeffersonville he was relaying what those angels Thundered. It was there in Sabino Canyon that it happened but when he came back to Jeffersonville day after day he preached on it, Seal one, two, three, four, five, six, the Thunders have already sounded because day one was that first angel that Thundered, day two that second one, and so on. We have it down pat we are not looking for seven men from the ministry to bring forth the Thunders because there is nothing in the scriptures to back it up. That seventh seal is simply the week of Daniel and we know that it started October 15, 2021

Lorraine speaks: It says in *Revelation 10:7*

*But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.*

Sam speaks: That happened in 1963 nobody knew what the book of Revelations meant and there he preached it and the mysteries were opened up. Brother Jackson said it but you have to remember in the ministry of brother Jackson was still that fan, that is the separating fan, just like that fan in a combine separates the wheat from the chaff, that fan in Christ's hand separated the true Word believer from the rest and it was still turning us back to that Word. So we can't take everything that brother Jackson said verbatim, we have to take it back to the scripture to find out if these things are so, we can't be lazy. We have to see it in the scripture, I could not see a rapture in the first part of the week, and I could not see seven men from the ministry that will see eye to eye. It says, thy watchmen will see eye to eye, not an evangelist and all these people. It says, thy watchmen will see eye to eye. When the Lord put the spotlight on that then I knew that it is not going to be like we have been told that it will be 7 men from the ministry. The watchmen will see eye to eye when Zion is gathered.

Zion is not gathered yet and they will not see eye to eye until they are gathered.

We can only tell you and put it out there, you can't stop what is coming. Like the Jews could not stop the second world war from coming, they could not stop the Holocaust, once they rejected the Rabbi then sure as anything that Holocaust was looming on the horizon. We know about Ann Frank and all these movies and of course your feel for Ann Frank but the parents, what about the parents making a mockery of those Rabbi's that is why she had to go through that turmoil that she had to go through, simply because her parents rejected that call from those Rabbi's at the turn of the Century, in the 1900s calling the Jews to go back to their homeland. Ann Frank would have been in Israel when that Holocaust broke out, she would not have had to be up in that attic. We have been beating the drums for 20-30 years, I have been hammering away and people have made a mockery just like in the Bible.

I just read it here in Matthew 22, it says my Oxen and my failings have been butchered and they have been killed, we have been butchered and killed for the last 30 years, thrown under the bus done everything that they could do to us, but we survived. We are still hanging in there but now all that is left is to come and drink out of the water of life freely. God has been preparing us for this hour because we are unmoved and nothing is going to move us we are so far in it. We have seen too many miracles and too many witnesses, too much in the scripture that aligns everything up with what we are saying here. It is up to you to believe us, if you believe us you will be blessed. When I was introduced to the ministry of brother Branham, I said this is a cult here, and I don't believe a word that you are saying, but what I am going to do I am going to pray and I am going to fast, if the Lord shows me what you are saying is true then I will believe it. Then I began to fast, I believe in day number 2 or 3 the Lord came on the scene and said - This is my prophet if you believe it you will be blessed if you don't believe it, it is still my prophet. So I grabbed a hold of that and I have been blessed ever since, I could have rejected it and I would have missed out on all this glorious revelation that that man brought out. I believed it, I chose to believe it, and the first thing I need to do is get baptized in Jesus name, and a week later I got

baptized in Jesus name, and I have been blessed ever since. I went as far as I could and then the Lord closed the door to the Branham movement and opened up the door to brother Jackson, and it has been a glorious trip. Simply because I believed when the Lord spoke to me when He said - This is my prophet and if you believe it you will be blessed and if you don't believe it is still my prophet. Things will continue whether I believe it or not, with me on or with me off. If I would not have gone on that ship, I would have been left with nothing, but I believed it and God has richly blessed me.

Lorraine speaks: That is right, I was on the colony and I was a Christian for seven years, I read my Bible and I lived a life before God, and I came to a halt, I said there is no point in me to continue reading Your Word because if it is not opened up to me there is something I am not getting, there is something that I'm missing, I wanted to know what happened in the Garden of Eden, and other things that I really wanted to know I had a desire to know and I was given the book from Brother Branham - The seven church ages. I had read a lot of books, Christian books, and when I was given that book and as I read it I lined it up with the Bible I realized this is it. I didn't even know you at that time it was God crossing our path. That is why I can say, I did not come to this as a hand-me-down from someone. It was something that I searched out and was looking for and I knew there has to be something more than what I was hearing from all the preachers that I listened to on the radio, I knew that there is something more and it was not until I came to that ministry of Brother Branham that voice of that 7th angel that seventh star in Jesus right hand.

Sam speaks: You heard the voice and it came through the vocal cords of brother Branham and then when brother Branham passed away that angel continued through the vocal cords of brother Jackson and now brother Jackson goes off the scene, God works in three that angel is still speaking through our vocal cords and here we are delivering that meat in due season and continuing on with that angel's voice, through our vocal cords. To do what - To bring that living water. That is it, is says so in the Bible - *Who then is that faithful and wise servant whom the Lord will set over all His goods.* What is left in this hour - The invitation to the marriage supper of the lamb. Behind it all is

that angel and that angel can only get it from Jesus and Jesus can only get it from God. *Revelation 1:*

*1. The Revelation of Jesus Christ, which God gave unto him, to shew unto his servants things which must shortly come to pass; and he sent and signified it by his angel unto his servant John:*

It is given to that vessel on earth and that vessel spreads it out, that is what I heard when I listened to brother Jackson I could not sit on the couch I had to get on my knees because you could feel that anointing right from that throne of God. To a lot of people, it was just entertainment, but to me, it was like Joshua and Caleb coming through the wilderness journey, they had a different spirit about them. There was something else about them they did not start grumbling when things did not go a certain way. God is going to get us to that promised land all we have to believe it and walk in it. We know it is real, this is so real to us, and there is nothing that could shake us.

When I tried to share the midnight cry down at Cartersville that Savage he got up and said there is somebody that is out of line here. Everyone knew that he meant me, he was saying, Sam, you are out of line, there is no such a thing as a midnight cry that you have been yapping away up there, you are out of line. Do you think they are going to believe it when Mr. Savage gets up there and tells them this guy is out of line. See that is God using it to blind them because He told me three days before that - They are not going to put this out on the internet. God knows their heart, that is why He said their hearts are far from me. You would think when that Wilkerson got up preaching the way he was preaching, you can believe everything that he said. If I didn't know what I know then I would believe him, but it is just a game. If he would have heard the Lord, if he would have been in touch he would not have gone up to that Hefner's pow-wow 7 years ago. He knew that Hefner was the culprit for spreading that we are after the 2 days, yet he goes up and fellowships with him. If he would have been in touch with the Lord he would have said no. That just multiplies and multiplies and you just become more and more hypocritical.

Lorraine speaks: That all the Israelites did they became hypocritical with their burned offerings and their sabbath days and all the while their hearts were far for God because they did not listen in to

what God wanted from them. They were too busy with doing their traditions of doing their convention and whatever it is.

Sam speaks: Back then it was their feast and today it is their convention they advertise it for the next year. There are going to be meetings in Cullman and it is a big deal, but see it is a repeat of what happened back then. Back then they had their feast they had their pow-wows, and it is all about who is the big man here. This year they had Hefner as the big man, who is going to preach Sunday. What can he have to say if he does not know the hour we are living in.

Lorraine speaks: They believe we are after the 2 days but they have been after 2 days for 10 years how long are they going to be after 2 days, saying we are after 2 days is basically saying they are nowhere. Knowing the hour and the time we are living in that is what you need to know because that will prepare you for what is coming up ahead. It is when you don't know where God is at in time that you cannot prepare yourself and all of a sudden catastrophe hits and you will be caught unaware.

Sam speaks: It says - like a lasso, you don't believe the hour we are living in because they rejected it, and guess what will happen they will continue down the road and take Fred's teaching which will take them somewhere out in the left field. You know how the human race is they like to kick the can down the road and push it off, and that is the devil's biggest trick, there is lots of time yet.

Lorraine speaks: Fred is using the cut-off that Lyle Cook is saying in 53 or 56 he is saying that 2028 is when the week of Daniel is starting. I don't really understand his teachings they are very confusing. That is what he is using.

Sam speaks: Then that scripture is going to be obsolete because I am not going to be living until then because it says that generation will not die out until all these things happen. When you put that ahead 7 more years nobody is going to be left.

Lorraine speaks: That is yet another tactic of the devil to shove it off and those people too will be caught unaware because they still believe that we are in the Grace Age era.

Sam speaks: They are saying after 2 days, that is nowhere, you are a floppy disk here you are not going to hear us say that, we have been saying all along we are in the 2 days which is the Grace Age, but

when October 15, 2021st came we switched over and now we are in the week of Daniel, it was a millisecond that separated those two. Just like a millisecond repeated the Law Age from the Grace Age at the crucifixion when that curtain was torn that marked the cut-off, right there in a millisecond you couldn't even count that fast, just a blink of an eye separated the Law Age from the Grace Age. Here it is the same thing the Grace Age is over and the week starts, there are seven more years left for the Jews. It was a millisecond. Don't mess with it, and don't give it a two-hour period it was a millisecond, a blink of an eye separated the Grace Age from the week of Daniel. That began October 14-15 2021. The feast of Yom Kippur starts at 6 pm and goes on the next day until 6 pm. That is a Jewish day. Somewhere between 14 and 15, there is a millisecond that it flips over. Grace is done and the week of Daniel began. The same with their months, they go according to the New Moon cycle. The first day is at the New Moon and the middle of the month would be the Full Moon and the next New Moon would be the next month. The Roman calendar is different. I know that God is very precise when He works these things out and He does not use the Roman Calendar He used the Lunar Calendar.

That is what we are trying to do we are trying to tell people where we are at in time and you can take it to the bank, you can prepare yourself and the only way you can prepare yourself is to listen in. My Oxen have been butchered my fatlings have been killed, all you have to do is partake and drink of the water of life freely. As I said, I never used to know what it is but I do know now. It is this right here, you can take it to the bank you can relax and believe it, and just saturate yourself with it and you can see how in your innermost being will flow a well of living water. All you have to do is believe it. I was thinking people are waiting until it actually happens, but the Bible says blessed is he that believes without seeing it. There are a lot of people who don't believe that the Temple is going to be built, so they say once we see that Temple being built then we will believe him, but what about the blessing? You are not going to be blessed then, you want that blessing as it says in *John 20*:

*29. Blessed are they that have not seen, and yet have believed.*

What more can you say, we are not complaining, I am glad I was butchered for the last 30 years it was a good ride, and I would not

have had it any other way, I got to know God. That is all I ever wanted, was to get to know God. I didn't even know that this was available, least of all for me. The highest thing in human history, the highness thing that God could give a person the right to roll out that living water and that meat in due season. Only God can give it to you if you are faithful and true if your heart is right and your attitude is right. It was not the king of England that found us faithful, it was the God of Heaven Himself Who qualified us to do this. Sure when I look at myself I am not worthy that is my biggest obstacle, there have to be better people around than me, but it is God that chooses, and who am I to complain? Am I going to do what brother Jackson did before the Lord came to him when He told him how long will you doubt my Word. No, I am going to believe it, and I am going to walk in it and I am going to act that I am part of it and I am, and we are whether we like it or not.

Like that guy that came here the other day trying to make a mockery of everything that I have ever done. I told him don't you know that there is a tremendous penalty for falsely accusing a person. See, they fear not God, that is why this message is a continuation of the last one. In the last one, we said quite a bit about judgment, when you reject this. Like I was saying, I have been trying to warn people, I tried to warn Boyd, I send him that CD - Brother Boyd is walking on thin ice, and he does the opposite. You can listen to it, how I warned him. I didn't even know that his second son had an accident in between that time the Lord moved on me to have a conversation about it and here I found out later on that his second son had fallen several levels of a building and broken his legs. The next thing we know we found out a couple of months after that Benjamin Boyd had passed away. See he didn't take the warning seriously, had he taken it seriously when I sent him that cd this thing would not have happened. He would still be alive today but he just disregarded it - Who is he, he is nothing. I keep warning people, I warned my father-in-law, I told him you are the only man that can stop that J.K. from his tyranny, and he told me - J.K. built a shop and we are going to support him. Had he taken warning when I told him that, because I didn't just go over there and warn him, I put my life on the line to warn him; I told him you are the only one that can stop J.K from these lawsuits, what they are going to do is he

is going to destroy you, and it is going to destroy him, and it is going to destroy the Hutterite church. A year later that is exactly that is what happens. I tried to avoid the catastrophe from happening, I warned and warned and warned people. What good is it I warned that guy here from Norquay a week later his wife dies, there is nothing that we can do, it is coming. We are trying to warn people about what is coming so that you can at least prepare yourself for what is coming all you have to do is believe it. Believe it like wholeheartedly. Just like when the Lord told me - Sam I am coming soon. I believed it wholeheartedly I lost my interest in the things of this world, and of course, it cost me everything. When the Lord spoke to me about brother Branham this is my prophet I believed it, and I went for that water baptism in Jesus name and nothing stopped me, that is how you have to believe this here, and believe me, you will be blessed.

Lorraine speaks: That is right, it is the truth. I know when you walk along the journey of life and something is not right with something that you believe you feel and obstacle in your spirit, there is an obstacle until you go back and you reevaluate things to what is wrong. I know what that feels like and when I say we are in the week of Daniel we are not just saying it, we know how God has worked in our lives to bring us to where we are today. How He has taught us how He has instructed us. We were learning too, we didn't come into this life instructed and all, God was preparing us and teaching us and showing us, instructing us with this Yom Kippur, with the Spring Equinox, and all these things just to prepare us so that we know when we are entering into the week of Daniel that we will know the time that we are living in now.

Sam speaks: When we look back and we go over how He worked with us, sleepless nights, then He gives you this and He gives me that and we compare notes and all God is saying is make sure that you do not miss that Yom Kippur. When He looked down from Heaven He saw 2 people recognizing the true Yom Kippur and He was happy. We are probably the only ones, God had to find somebody but He was preparing us for a long time. I always keep saying you were on those feasts and you even made a book on it, you were on them like a Doberman. How important those feasts are to the heart of God, and He would not let us rest until we had it all down pat. We were already

loaded and charged up knowing that it was going to happen on the 15th of October. I stopped many times thinking if you are not going to put it there then where are you going to put it because you have no scripture to line it up with. If you put in 2022, 2025, or 2030 you have no scripture to back it up, we have that midnight cry. Once I saw that midnight cry in 1963 everything fell into place like a giant vacuum that sucked all the scriptures together. The scripture when the disciples asked Jesus - *Will you at that time restore Israel*. I saw it as clear as crystal, that is why Jesus said - It is not for you to know. Then I knew what He meant, it is for these people to know that will be living in that time frame. It is for Sam and Lorraine to know. If other people don't want to know what can you do, they are not wise and faithful to the Word.

As I said, there is nothing in us, it is just that there is something built in that we will not settle until we know that scriptures can back it up. That is why we do the New Year after the Spring Equinox. Next year it will fall on a different day but we will do it according to the scripture. Like when Moses built that tabernacle he had to go back to what he saw in the wilderness, he had to go back to that pattern when God showed it to him, and he had to build that tabernacle exactly what he saw in the vision. Here it is the same thing, we go according to what we see in the scripture.

It makes it simple if you want to follow us we don't have any traditions. We follow Biblical principles and it starts at the New Year. The Lord said to observe the month of Abib. Terminate that Christmas thing, if you want to celebrate Christmas do it in October sometime, don't go worshipping the devil on the sun worshippers day. Satan loves to be worshipped, he is going to get the Christians to worship him and for 2000 years they have been doing it. They do their pow-wow on December 25 not realizing, and not sensitive to the Lord, I was sensitive to Lord I felt depressed at Christmas time. I didn't know why and I went digging and digging and the first thing I heard is it is a pagan thing. Then I dug further and I dug deeper and I prayed and I fasted and I kept digging and I realize it is Satan's Christmas, he wants to be worshipped.

All we are trying to do is say over and over again you can't stop what is coming, God can't stop what is coming, and Jesus can't stop

what is coming, because God has put His Word above His very name. We can only prepare ourselves for what is coming and it is up to each and every individual to do just that. The Holocaust came whether people believed it or not, but those that prepared themselves went back to their homeland, and the war didn't touch them. They had to fight with the Arabs back there but the Holocaust did not touch them. You can see people took warnings there are a lot of people that moved out of Europe before the communists took over. They moved to America they took the warning they got out of that communist regime. So it is all about taking heed.

*Heavenly Father we just had a conversation around your Word, we pray that you will take what has been said and use it for your honour and glory. We just come against every weapon that might be formed against us Lord that will try to pervert what we are trying to say and try to hide it, and from keeping it from going out to the masses to the people around the world. We come against every spirit that will try to stop it Lord, every high thing that will try to exalt itself above the knowledge of God, and we bring everything under the obedience of Jesus Christ. We come against all this weaponry and against all these negative thoughts, all this negativity that will try to hide this day and hour that we are now living in. We just pray the blood of Jesus over this website, and over the things that we are saying so that the devil does not take it and pervert it and try to make it say something that was never meant to be said. We just pray Lord that you will give that increase in Jesus name we pray, Amen.*
