

I WOULD NOT BE DENIED

*When pangs of death seized on my soul,
Unto the Lord I cried;
Till Jesus came and made me whole,
I would not be denied.*

Refrain

*I would not be denied,
I would not be denied,
Till Jesus came and made me whole,
I would not be denied.*

*As Jacob in the days of old,
I wrestled with the Lord;
And instant, with a courage bold,
I stood upon His Word.*

Refrain

*Old Satan said my Lord was gone
And would not hear my prayer;
But praise the Lord, the work is done,
And Christ the Lord is here.*

IT'S ALMOST TIME TO SAY GOODBYE

*Perilous times will surely to come
That great Apostle Paul declared
Men loving pleasure more than God
Apostasy is ever where
and if you look around you'll see
God fearing men are hard to find
And though it breaks the heart in me
I know by the signs it's almost time*

Chorus

*It's almost time to say goodbye
to a world that's vexed this heart of mine
trials faced on every hand
Brought on by the curse of sin
I feel it won't be very long
'Til Jesus comes to claim His own.*

*We must keep this thought in mind
By His Word, it's almost time*

*Now there's those who have no hope
Our Saviour died but He arose
As living proof appeared to men
He walked with His chosen ones again
He led them out to Bethany
Then on a cloud He went away
And as they gazed up in the sky
The angels said He's coming back*

WE'VE GOT THE POWER

*We've got the power in the name of Jesus;
We've got the power
In the name of the LORD;
Though Satan rages,
We cannot be defeated;
For we've got the power
In the name of the LORD.*

*1. Come take my hand, let's agree together
That all of our enemies
Will crumble at our feet:
For whatever we bind on earth
Will be bound in Heaven
And at the name of Jesus, Satan has to flee.*

*2. For many years now,
Satan's tried to stop us,
But the church of Jesus is still alive:
Like a mighty army,
We keep marching onward,
Winning every battle
With the LORD by our side.*

HE'D HAVE TO WALK THROUGH THE BLOOD

*Sometimes when I'm weary,
Satan wars with my soul
To get my mind off of the cross,
Then I start fighting battles
Christ has already won
In a war Satan's already lost.*

Chorus

*But if I hold fast to the foot of the cross
I'll be caught in its life cleansing flood
If I'd stay on my knees
When Satan wants me
Then he'd have to walk through the blood*

*2. Oh can you picture Calvary
And that one spotless lamb
That suffered and died for my sins,
His blood ran so deep
That it covered my soul
And Satan you cannot enter in.*

Chorus

THE DAY OF REDEMPTIONS IS NEAR

*Nations are breaking, Israel's awaking,
The signs that the prophets foretold;
The Gentile days numbered,
With horrors encumbered;
Eternity soon will unfold.*

Chorus

*The day of redemption is near,
Men's hearts are failing for fear;
Be filled with the Spirit,
your lamps trimmed and clear,
Look up! Your redemption is near.
The fig tree is growing;
Jerusalem's restoring*

*Her national life, long dethroned;
Today she is calling, her latter rain's falling.
"Return, O dispersed, to your own."*

*Heaven's powers are shaking,
And many are mistaking
God's meaning to be of the sky;
God's Church is the power
That's shaking this hour;
The day of redemption is nigh.*

*False prophets are lying.
God's Truth they're denying,
That Jesus the Christ is our God;
Though this generation
Spurns God's revelation,
We'll walk where the apostles have trod.*

The song says - *False prophets are lying. God's Truth they're denying.* They are completely out of touch. We are just doing our part we decided back in the day that we will follow Jesus no matter what and when we decided to do that the Lord set things up for us, we had nothing to do with it, and that is what He will do for everybody.

WITH ALL MY HEART I THANK YOU, LORD

*Thank you, dear Lord, for being so good to me
When I was alone, you took me in your sweet family
and gave me new hope, said that I could live eternally
now with all my heart Thank You, Lord*

Chorus:

*Yes with all my heart, and with all my soul,
Thank You, for Calvary, its treasure untold
Thank You for Heaven fair
That place you prepared me there
Now with all my heart Thank You, Lord*

Life is full of snares, trials seem so hard to bear,
it's then that I reach for that hand, I know is always there
and finding He still cares, I bow my head
and say this simple prayer
With All My heart I Thank you, Lord

HIGHER GROUND

1. *I'm pressing on the upward way,
New heights I'm gaining ev'ry day;
Still praying as I'm onward bound,
"Lord, plant my feet on higher ground."*

Refrain:

*Lord, lift me up, and let me stand
By faith, on heaven's tableland;
A higher plane than I have found,
Lord, plant my feet on higher ground.*

2. *My heart has no desire to stay
Where doubts arise and fears dismay;
Though some may dwell where these abound,
My prayer, my aim, is higher ground.*

3. *I want to live above the world,
Though Satan's darts at me are hurled;
For faith has caught a joyful sound,
The song of saints on higher ground.*

4. *I want to scale the utmost height,
And catch a gleam of glory bright;
But still I'll pray till heav'n I've found,
"Lord, lead me on to higher ground."*

SEEK YE FIRST THE KINGDOM OF GOD

*Seek ye first the kingdom of God
And His righteousness
And all these things*

Shall be added unto you Hallelu, Hallelujah

*Man shall not live by bread alone,
But by every Word
That proceeds from the mouth of God
Hallelu, Hallelujah*

*Ask and it shall be given unto you
Seek and ye shall find,
Knock and the door
Shall be opened unto you Hallelu, Hallelujah*

LET'S JUST LOVE JESUS

*Let's just love Jesus, that's why we gather
Here in His presence nothing else matters
Worship His name, Adore Him with praise
Right here and now, Our hearts are bound
Let's just love Jesus*

I HAVE A SOURCE

*I have a source of strength
when I am weak,
That takes me through
When life is pressing me.
I have a source of power from above
I'm covered over by a shield of Blood.*

*I claim the blood Jesus shed on Calvary,
Those precious blood stains,
Were made there just for me.
For all my sins, my sickness and my pain
When I need healing,
I claim those precious blood stains.*

*I do not know how others make it through,
Who never go to Calvary as I do.*

*For there's a healing cleansing stream that flows,
With peace, that only His redeemed can know.*

THIS IS WHAT HEAVEN MEANS TO ME

*A country where no twilight shadows deepen,
Unending day where night shall never be.
A city where no storm clouds ever gather,
Now, this is just what Heaven means to me.*

CHORUS:

*What will it be when we get over yonder
And join the throng upon the glassy sea?
To greet our loved ones and crown Christ forever,
Oh, this is just what Heaven means to me.*

*A place where there is no misunderstanding,
And from all enmity and strife, we're free.
No unkind words to wrong the heart are spoken,
Now, this is just what Heaven means to me.*

*And when at last we see the face of Jesus,
Before whose image, other loves all flee.
And when they crown him Lord of all I'll be there,
Now, this is just what Heaven means to me.*

UNTIL YOU KNOW

*Until you know that loving hand
That reaches down to fallen man
And picks him up above the plan
Where he has trod
Until you know just how it feels
To know that God is really real
You know nothing
Until you know the love of God*

I KNOW THE LORD WILL MAKE A WAY

I know the Lord will make a way for me

I know the Lord will make a way for me

If I spend my life in prayer

I will meet Him in the air

I know the Lord will make a way for me

Our title today will be - False anointed ones in the end-time. When we went through that Hutterite baptism rigamarole there were these questions that you memorize, and according to that system that is how you get into the kingdom of God by memorizing all these verses, and then you get baptized in Satan's baptism and they figure that is the way you go to Heaven. In it all, they have a bunch of literature that you have to memorize, questions, and answers. The one says - *Waß hast du fur ein glauben und wie last du dich nennen? - Ich bin ein Christ*. These are some of the questions that you memorize.

Anyway during the week the Lord was dealing with me on false anointed ones in the end-time. There are about 50 questions in their baptism ritual and the one question that is asked is - *Warum heist er Christus?* (Why is He called Christ?) The answer in German is - *Weil Er unser gesalber König und Hohenpriester ist*. Now if I translate that into English - Why is He called Christ? - Because He is our anointed King and High-priest.

That is a good question - Why is He called Christ? Now if you go into Matthew 24: Mark 13, and Luke 21 everywhere the disciples asked Jesus what will be the sign of the end and Jesus said - Deception. Then He went on to say many false Christ. In other words, falsely anointed ones. That is where we get our title today - False anointed ones. We know that Christ means anointed one. So when you put false in front of Christ then you have false anointed ones. Jesus said in the end time that is what is going to be many false Christs - *Matthew 24:*

24. For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.

That is where we get the false anointed ones in the end-time. In this age that we are living in we are surrounded by them. We have a lot of preachers who sit as kings and as high priests preaching to people from the pulpit. Like James Allen, he is falsely anointed and he is deceiving these people down there. I have proof what I am saying here is the truth. You can't be truly anointed and tell people that we are in the 3rd day, it is utterly impossible, you have to be falsely anointed to do that, and he says it so convincingly that people believe it.

I remember it was around 2010, I was still driving a truck for PTL, and at 5 am the Lord woke me up - Sam, I want you to listen to Faith Assembly today, I'll show you something. So I am waiting at 9 o'clock, our time, ten o'clock their time, I'm all charged up because the Lord told me that there is something there that I need to listen to and pay attention to. I don't know if I can bring that particular message back up again but I was listening with eyes and ears, and all of my attention was focused on what is going to be preached today, what these two cowboys are going to say there that day. I knew that no matter what they say it is not going to be valid because, by now I already knew that their stuff is invalid, the things that they teach and everything. We know that they teach that we are in the third day and a child knows that we are not in the 3rd day. Can you imagine being in the third day with the mess that is going on all around us.

Anyway, as I said, I am paying attention, it is a very solemn morning down at Faith Assembly, the song service was solemn then there were tongues of how serious a message it is going to be today, that everyone needs to pay full attention what brother Allen is going to preach today. Then Bud comes out and does his spiel about how everyone needs to pay attention, as I said prophecies come out speaking in tongues then they interpreted the tongues and I am listening and watching because I didn't know what will take place, but I know I was told to listen, to tap into Faith Assembly. The service goes on then Allen goes up to preach he has a subject, he goes on to say that he has a very important subject today, that he has been trying to teach it a number of times, and that he is going to try again at it. Then here he comes out and tells the congregation that there are going to be 7 women going after that one man in the millennium.

Well, I knew that was wrong, but the whole service, the whole spiel of it was how that antichrist spirit works and how he convinced the people of it. Then when he was done preaching Bud comes up and I believe it was even Bud that spoke in tongues and had the interpretation of tongues how this message is the yea and amen and don't you go question it, you just have to believe what Allen was preaching. I am sitting back and I am watching and observing how that antichrist spirit is at work and how he took all these people for a loop. People had questions about it and that is why he was preaching it again. There were questions being raised because people didn't quite believe that there are going to be 7 women in the Millennium going to go after one man wanting to be called by this one man's name. He was preaching polygamy in the Millennium. Before the service I am sure quite a few people had questions but after he was done he had these people so taken in that you are a fool if you don't believe Allen after the tongues and the interpretation, and then Bud doing his spiel and I saw that antichrist spirit at work in broad daylight down at Faith Assembly. What brother Jackson had prepared the people for, now has become, like Amos said, a Roman Colosseum. It is a dangerous place to be and there are people there that grew up there and they don't see through that antichrist spirit. Brother Jackson when he preached the Seals he said the bride will be able to recognize that antichrist spirit and how it works and you and I can detect that thing from miles away.

That is just one sign of how that antichrist spirit works, it says many false Christs are going to come and deceive many. After that moving sermon you didn't hear any more questions about that subject because he had them so deluded and so convinced. I could go on and on about the things that he preaches they are so far out, but I want to focus on the falsely anointed ones, and the church world is full of false anointed preachers. They are off the truth they don't 100% tell the truth. They are falsely anointed and they take in so many people.

Lorraine speaks: Yes, brother Jackson said, that the men in the ministry will be made up of men that will be able to detect how that antichrist spirit works. The thing of it is after he went off the scene all of the ministries that were under him fell by that antichrist spirit, they were not able to detect what the devil was using to destroy. They

could not even detect that the 3rd-day teaching is a lie from the devil. They could not detect that when they started teaching we are after 2 days that it is a lie from the devil. That the midnight cry has not happened yet that it too is a lie from the devil and they picked it up and ran with it, and that is what the antichrist spirit does.

Sam speaks: They didn't know that when brother Jackson left the scene what is going on there, because when brother Jackson was here we were all under that cloud so to speak, under that anointing, and no matter where you went you felt at home with everyone, you didn't know their lifestyle or any of that but they were a brother and a sister to you as long as brother Jackson was here. When the Lord took brother Jackson off the scene you and I are probably the only two people that knew what was going on. When the Lord took brother Jackson off the scene, then with that he lifted that cloud that anointing He took it away, and now He was going to see what people heard and how they heard. The Lord is testing everybody because shortly after that is when I had that vision about Gideon The Lord was saying, I am taking the church down to the water, now I am going to test them for the final test. It was then that I knew what was going on. I even shared it a few times but it does not click with them, when I say something it is like they put the brakes on. Who is he, he is just a Canadian truck driver he does not know anything. See the brakes they go on and then they don't even consider thinking about it, but see you and I, we watched that whole ordeal. As long as brother Jackson was here there is absolutely no way that Allen could have preached we are in the 3rd day. See once brother Jackson when off the scene bingo there is that scripture activated in *Revelation 22*:

11. He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still.

Now it is free for all, that happened in 2004 when brother Jackson went off the scene, after that they all came out with their wares. We are in the 3rd day, we are after the 2 days, and on and on it goes, and what is being taught now I do not know I can't even go there. The Lord had warned me, first He had given me the vision about Gideon and then about a month later He had given me the dream about the minefields, these people that were sitting under brother

Jackson's ministry, have now turned it all into minefields and you can't go near them. As I said before, we went listening to Fred Cormier one time and we had such a horrible nightmare and I could not figure out why I had such a horrible nightmare, then around 9 o'clock I told you - I had such a horrible nightmare I am still shaking and then you said that you had the same thing and all we could trace it back to we were going near a minefield when the Lord had already given me that dream about the minefields to stay away from these minefields, stay away from Fred Cormier, stay away from Faith Assembly, stay away from these churches because they have now evolved into a minefield. That is all they are, I don't like saying that. They are respectable people, people that you know but I tell you what that is exactly what they have evolved into. See when you are not connected to that vine, what the Lord was looking for when you go back to read it, He was looking for that faithful and wise servant. He was looking for that one, it is singular, through all that smear that came out when brother Jackson was taken away He was looking for one - *Who is then that one faithful and wise servant who the Lord has found faithful and wise to deliver meat in due season.*

That is you and me and here we are, we have not missed a beat it took us maybe 2-3 years to know what was going on after Allen and Bud did their spiel. I phoned up Allen and told him I can no longer support him because he is preaching wrong, and then Davis did his spiel - we are after 2 days. Which is just about the same thing but see behind it all is the spirit of Satan and Satan is trying to make sure that people do not get the hour that we are living in. That is why he brought out we are in the 3rd day. Who is going to be able to convince them now what we are saying and where we are at in time. When he was done there was a split because some people didn't believe that we are in the 3rd day, but then they came up with something worse, the Hefner crowd come out we are after 2 days which is more subtle but it is basically the same thing. That is how Allen started his spiel by saying we are after 2 days he kept going on for about a month and then finally he came out to say we are in the 3rd day, but all in all behind is the spirit of Satan, that antichrist spirit to hide the very thing that you and I hold so dearly - The day and hour that we are living in. Jesus warned us many false Christs will arise and deceive many even

the very elect if it would be possible. So these falsely anointed preachers, falsely anointed high priests, falsely anointed kings are in the pulpit and the world is full of them.

Lorraine speaks: It is full of them, this is talking from the basis of what we know of people in this movement; in this truth. I like to sometimes go on uTube to see what is going on at that end. This week, I went on there and there was Joel Olsteen, and he is actually a very good example of how that antichrist spirit is in this world setting. He is preaching prosperity but will he tell people the truth of the day and hour that they are living in. No, he will not. These people are so deceived that they will just sit there and be deceived. I have told you this before, we were still trucking and I was on the internet and I came across this article written by a freelance journalist, he was not a Christian, just a writer. What he did was, he went to search things out in order to write a story, so he heard that this Olsteen has this big megachurch and he wanted to go check it out to see what is behind it all. These writers go in with open ears and eyes that see, they are not deceived, they are neither here nor there, they are searching things out. So he goes in and sits down and right away he picks up that there is this guy up there that is selling his ware and that is how he put it there is this Olsteen preaching and he is selling his ware. That is what James Allen is doing with preaching that we are in the 3rd day. He is selling his ware to the people, it is not the truth. So anyway, there was this lady sitting in front of this writer and she was on her phone texting her friend about how she gave money to Olsteen because he had said if you give then you will be blessed, and she was saying how she is being blessed already. See how deceived these people are, they don't even think for themselves they just take it verbatim that what this preacher is saying is the truth. That is how people are sitting in these congregations and Allen preaches we are in the 3rd day and they believe that they are in the 3rd day. Even though there is no logic behind it. The 3rd day represents the Millennium. We can't be in the Millennium if Jesus is not here.

Then this week, I was going through uTube and there is Joel Olsteen with his wife, so what they do is they stage a nice setting, so there is Joel and his wife sitting with a dog, so people go - look at that dog it's so cute. It is just showmanship. That is how that antichrist

spirit works just to deceive people and keep people from knowing the truth and the day and hour that they are living in. That is what you see in a worldwide setting. Even with these transgenders, these people are being deceived. These children in the school are being deceived by that woke curriculum. I feel bad for these people and how they are being presented with falsehood instead of being taught about God and redemption and what God has done in this day and age. I feel terrible for these people who are just heading down that wide road to Hell, and there is nothing that you can do about it.

Sam speaks: All we can do is make sure that we stay clean and that we stay on board. As I was saying back in the day the Lord let me see what is going on and not one of us knew what was going on. How did they get this teaching that we are in the 3rd day, and we had to completely step back from everything and watch this thing unfold. We had to go back and re-evaluation things. I had a vision about Gideon and how he is taking the people down to the water to see who is going to be qualified to pass the next test. In the meantime, God was checking everyone, He was testing everyone, and then finally He gave us this test to write, and we qualify, we are telling people the truth, we are not false prophets and false Christs.

During the week I got this email, accusing us of things after the message we had last week. It fits in here, they accuse us of being false prophets. Here is the email that they write us.

Which do I believe? Not everyone that says to me Lord, Lord will enter the kingdom of Heaven but He who does the will of my Father which is in Heaven. False prophets you don't have to do anything just believe our message and you will enter the kingdom of Heaven.

I went back to listen to the last message, in order, to see what was said for people to say these things in these negative emails because you can rest assured that you hit the devil. You got on to the devil's turf and you did some damage to his kingdom. I could not figure out what I said that would bring this on so I went back to listen to it. They misinterpreted it, that I say just listen to our message. I went back to listen to it and over and over again I go over that it is not our message we are just vessels we are just like that screwdriver, that screwdriver can't put that screw in by itself, it needs someone behind it, all along I have been telling people that it is not our message we are

just vessels in God's hand and we are just transmitting what the Lord gives us to transmit, but yet they come out and they pick up something just like that wasp, no matter what, that wasp will find poison in that flower, whereas, the bee finds the honey. These people come in with these derogatory emails and they accuse us of saying that we are saying that you have to follow our message and you don't have to do anything else. When over and over again I keep saying it is not our message, and over and over again I tell them about the king coming in to check on the guest. I keep saying that you have to believe the message for the day and hour that we are living in, and then when you believe it God is going to see to it that you are going to get in there somehow. I didn't know what I said that triggered this but then we get the second one, and it is basically the same thing, accusing me that I am saying that you don't have to do anything, that all you have to do is believe. I went back and I took inventory of myself, I don't mind these emails coming whether they are good or bad, I go back and I take inventory and I take it to the Lord, but I could tell that the devil got mad when we had that message because I went back to listen to it, then I realized back in the day when I heard brother Branham say - Only believe, and the angel of the Lord told him if you can get people to believe you. That all you need to do is believe, and it took me a long time to be able to see it and to say it, and tell people the same, - all you have to do is to believe, but see it looks too simple it took me forever because I thought that I had to do something about it, but if you truly believe, like truly believe then you will do something about getting ready.

When I heard the Lord speak to me at 5 am in the morning, He woke me up - Sam, I am coming soon. When the Lord speaks it goes right into your bloodstream, into the marrow of your bones, into your whole makeup and I believed it, and by believing it that is why we are where we are today. I lost interest in the things of this world, I didn't have to do anything all I had to do is believe what the Lord said when He said He is coming soon, He is coming in my generation. Then by walking in that and believing it something started to take place in my life. As I said before, let's say that I would have just had the attitude of 'big deal' and I would have put it on the back burner or under the rug, then I would not be where I am today, and I would be like millions of

other people out there in a delusion land, lost, and undone and not knowing the hour that I am living in, but by believing it the Lord kept taking me on by giving me a revelation on that midnight cry. I took 30 years of this journey by simply believing; it did something to me. That is what I am trying to say, if you believe the message for your day, just believe it then you are going to do something about your lifestyle. If you truly believe that we are now 1.5 years into the week of Daniel then there is something in your makeup that will make you want to do something to prepare yourself. It is just the way that believe structure works. You know the hour that you are living in, you know what the Bible says that you should walk as one ready. That you need to prepare yourself for the coming of the Lord - Watch and pray that you may be found worthy to escape all of these things. You cannot just continue on with a carefree lifestyle like millions are doing.

The world is on fire and floods and what do they do they keep going to their ball games and it is business as usual. They don't see the writing on the wall, the birth pains, like the floods in California I have never seen floods like that out there, complete towns under water. You can't even imagine it, then the shootings that are going on. I just read this morning 10 people got shot, all these things are part of the birth pains that the Bible warns us about in Luke 21. Birth pains and Paul said perilous times will come, those perilous times are here and people just continue down the road of life as if nothing is happening. Here we are trying to wake up a people.

I remember back in the day, 30 years ago, when the Lord spoke to me and I began to get ready for this day and hour. The Lord gave me Isaiah 65, that you need to prepare yourself for the coming of the Lord. When the time of opportunity is to do so, He let me know that now is the time to seek Him while He can be found. You can go and read Isaiah 65, Seek the Lord while He can be found call on Him while He is yet near. That lets me know that there is going to come a time where He is not going to be found. There is coming a time up the road and that time is probably already here for a lot of people where you can scream and holler all you want it is over it is done. Catastrophe, upon catastrophe, is coming, like when this Covid thing came the Lord had taken us off the truck 2 years prior to that Covid thing because He knew what was coming up the road, He knew the weather patterns

that are coming so He told us to get off the truck, and when that Covid hit, He let us know to go home *Isaiah 26*:

20. Come, my people, enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast.

That is His fury out there that you see, simply back in the 60s people rejected the prophet. You can trace everything back to when the American preacher and the churches of America rejected the message that God had for America. They rejected the prophet, water baptism in Jesus name. There came a time when God was bringing the church back to the original - water baptism in Jesus name. They rejected it, when you sow the wind you reap the whirlwind. That is what you see in America today and it is not going to change it is just going to pick up momentum. It does not matter who is president or who is in Congress, or the bunch of promises that they make but nothing is going to happen until George Washington's vision is completed. He was shown the future of America and in the third peril, there is going to be the most bloodshed. So you can see what is going to come over America. It is just picking up momentum, picking up speed but there comes a time when you get ready, and we took the opportunity when the time was to prepare, and the Lord by His grace and mercy brought us to where we are today. I watched the floods that are going on around the world and we are sitting here safe and sound and it almost looks like we didn't have a winter. It does not affect us, you go east there are horrible storms, and you go out west there are terrible storms. Then you go out to BC, rain, and then you go south there are blizzards, and here we are sitting right under the canopy. Simply because we believed when He told me Sam - I am coming soon. We prepared ourselves for that day. It is going to happen, you are not going to hear anywhere else the things that you are hearing here.

Going back to these emails that we keep getting, when we got the second one accusing us of being false teachings, we are saying that you don't have to do anything. I want to say this again - If you believe you will do something about it. It is just the way it is. We were watching this movie yesterday and this girl got lost in the desserts, and this other lady, she was a tracker, so she could track her tracks,

and she could follow her and track her down. She had to spend all day and night looking for this girl and she was dehydrated. So what they did was they gave her some water to drink with some electrolytes. Then before you know it she was up walking again simply because she was being recharged. There she was coming back to life. I saw that as being the same thing, if you believe what we are saying here, the message for your day, is not our message, we are just transmitting it. We are verbalizing it to the best that we know how, but it comes from the Lord, the Lord deals with us during the week, all week long. The Lord gives lets us know what to speak on, and we can tell when we make a home run because the devil gets so riled up, and he takes things out of context you know, because over and over I was telling people if you really believe it you are going to do something about it, because at the end of the day the king comes in and if you did not take that opportunity to dress, to take that eye-salve then you will not be made ready. As it says over in revelation to buy of Him gold tried in the fire, and if you didn't do anything so when the king comes in and you are sitting there naked. You are still sitting there naked, you have no eye salve and you have not dressed yourself and then the king will have to say out. That means that you have to do something about it, and yet they pick things up and they take things out of context, saying I said, you don't have to do anything, you just believe what we say.

Lorraine speaks: Brother Branham always said that the sin is unbelief, smoking is not the sin, drinking is not the sin, and all of these things out there that people name as a sin, people do these things because of unbelief. It is all the result of unbelief. So what is the sin he said, the sin is unbelief, and that is scriptural. When Jesus fed the multitude, the 4,000 and the 5,000, they were fed with bread and some fish. They received a revelation of who Jesus was, *and they said this is of a truth that prophet that should come into the world*. Moses had told them that a prophet will come, so they were waiting for this prophet, *Deuteronomy 18*:

15. The LORD thy God will raise up unto thee a Prophet from the midst of thee, of thy brethren, like unto me; unto him ye shall hearken; Now right in front of them was the one from whom they received the revelation, here is that prophet, He fed them, then they started

reasoning it out, then they just wanted that natural bread. They just wanted to be fed naturally instead of being fed spiritually. Then Jesus said, when they followed him after that that they have not come because of the miracle but because they were fed. What was the problem there - They didn't believe that Jesus was that prophet.

Sam speaks: They got a glimpse of it, they got the revelation

Lorraine speaks: ... but because they started to reason it out God took it from them; it was taken from them. That is what it is all about when you believe you are going to do something about it. Then Jesus let them know that He is that manna, He is that bread from Heaven. John 6:

58. This is that bread which came down from heaven: not as your fathers did eat manna, and are dead: he that eateth of this bread shall live for ever.

Then it says: *For Jesus knew from the beginning who they were that believed not, and who should betray him.* See it is all about believing, and when you don't believe you are not going to do anything. You are just going to continue to go down the road but if you believe when God gives you a revelation for the truth for your day and hour and you believe it then you will do something about it.

Sam speaks: Believe me Satan is going to work 24/7 to take that away from you. People don't realize it, I had to go back many times and hang on to what I heard. Then if the Lord finds you faithful and true then He will give you another revelation to build on that revelation, but if you take it recklessly and you just try to reason it out then you will be like that seed that fell on stony ground but if it falls on a real heart, a real broken heart and a real broken spirit it will bear fruit some 30 some 60 some a hundred.

Lorraine speaks: That is the dangerous part of these church systems, the Hutterite church baptism they think when you go through that rigamarole of a baptism answering these questions and memorizing these verses they think that you are automatically transformed into this new birth and go to Heaven. It is not like that, it is deception and it was brought in through Constantine through that Nicaea water baptism, everyone is now a Christian, and that is what that Trinity water baptism brings with it. They think that when you go through this rigamarole baptism then automatically you are entering

into the kingdom of God, and into the kingdom of Heaven, and you don't have to do anything about it. It is deception. Jesus said to Nicodemus *John 3*:

11. Verily, verily, I say unto thee, We speak that we do know, and testify that we have seen; and ye receive not our witness.

You can say that to these people that write us these emails, with all the things that God has allowed us to see, walking us through our journey when He saved us, how He walked us through these denominations and brought us to the ministry of brother Branham and brother Jackson, and after brother Jackson left the scene He walked us through these murky waters these false teachings and allowed us to see what was going on. We tell people these things but they don't believe our testimony; our witness. Then Jesus goes on to say:

12. If I have told you earthly things, and ye believe not, how shall ye believe, if I tell you of heavenly things?

These people think that we are claiming that they just need to believe what we say, then they are going to go to Heaven.

Sam speaks: That is how they interpret it.

Lorraine speaks: When you go to all these church-age messengers they were the voice of that star angel that was communicating with them to bring forth the gospel. You go to Paul, Ireneus, and down to brother Branham, the angel said to brother Branham if you can get people to believe. That is all it took he tried to build their faith so that they can be healed. Now was that brother Branham, no, he was presenting the Lord Jesus Christ; he was presenting to the people what that angel of Revelation was interpreting to him. It was not his message.

Sam speaks: It is like it says in *Revelation 1*:

1. The Revelation of Jesus Christ, which God gave unto him, to shew unto his servants things which must shortly come to pass; and he sent and signified it by his angel unto his servant John:

In each church age, it was the same, this is the revelation that God gave to Jesus that Jesus gave to the angel that angel gave it to the apostle Paul, then when the apostle Paul went off the scene then that angel can no longer speak to him. Then it continued on with each church age and here in the Laodicea it was the revelation that God

gave to Jesus and that Jesus gave to His angel to give to brother Branham. We have been over it all if people have been listening.

Lorraine speaks: These people writing these emails saying that brother Branham is a fraud how can that person receive truth because he has already rejected the church-age message for the age of Laodicea, so how can he continue in it the things of God when he has rejected what God had for this age.

Sam speaks: It is amazing when this email came that all of a sudden someone down in that area is listening. These demons, these spirits collaborate one with another, and when we say things here, they are true. Jesus said in *John 6*:

63. It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life.

We are just saying what the Lord deals with us during the week, and it says - My words will not return void. They are His words but we are speaking them in English the best that we know how. We fail by a million miles we are not these highfalutin speakers like John Haggee they can bring tears to your eyes. We can't speak like that and even Paul mentioned it. We are just trying to express ourselves what we see and what the Lord has shown us during the week and we are taking it back to the Heavenly realm. It says - My words will not return void. So we are just speaking into the heavenly world the things that the Lord has dealt with us during the week.

This week He has dealt with us on false Christs; false anointed ones. Why is He called Christ? Because He is our King and High-priest. There are many false Christs and many false priests. They are in a kingly position because they are in charge of the whole congregation. There are up to 10,000 people in that church, and of course, they operate as a king, and they operate as high priests, but he is false; he is not real. This week the Lord wants us to deal with these false teachers out there, false anointed ones, false Christs. That is what Christ means: the anointed one. That is what we are doing it goes into the heavenly realm and the demonic world is hearing it and it is being shaken up and slowly their kingdom is falling apart; their kingdom is crumbling.

As I said, last week we must have really hit a home run because all of sudden we get these crazy emails accusing us of things like

being a false prophet, when we are the only ones that tell people the truth. Then they take things out of context by saying - If you believe our message. We never said that it is our message, it is the Lord's message. The Lord knows that they are going to do that so He puts it on my heart to talk about that screwdriver. That screwdriver cannot do anything on its own, and it blows their accusations right out of the water. We don't do that to get into a debate, we don't mind getting these emails, because all they are doing is they show us how the devil reacts, because the devil heard it and he does not like that his kingdom is crumbling up in the heavenly realm; in the spirit world. The Bible says the church will represent to the principalities in the heavenly realm the manifold wisdom of God. That is all we are doing here, and when we speak here that voice, the vocal cords the vibration keeps on going. Somewhere someone with the right instruments can pick up what we are saying here.

Lorraine speaks: There are a lot of people that are baptized in Jesus name, and I always wonder about it because there are a lot of people that are baptized in Jesus name and you don't see any results. The problem is people don't believe they just went ahead and were baptized. Brother Branham would say the inoculation has not been taken effect yet. If you don't believe then that inoculation is not going to take effect; there is not going to be a change in your life. Jesus said - If you believe you will be saved.

Sam speaks: We know the story about the woman at the well, and He said to her *John 4*:

14. But whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life.

There as she was sitting talking with Jesus something inside of her rose up, and she started to believe. Then she ran into the city and said *Come, see a man, which told me all things that ever I did: is not this the Christ?* She believed, and even on the way into the city that river was already flowing and bubbling out - Is that not the Christ and that whole town believed - *And many of the Samaritans of that city believed in him for the saying of the woman, which testified, He told me all that I ever did.* That is simply because she believed if she would

not believe she would have grabbed her water jug and walked back to town but she believed it, insomuch that it created an action. I

That is why I say if you really believe what we are saying here you will do something about it, if you really believe it where we are in time you will prepare yourself.

Lorraine speaks: Just like Abraham when he heard God calling him, he put action to it and it was counted unto him as righteousness. The same with Noah when God told him there is a flood coming he followed all the instructions that God gave him, and he was called the preacher of righteousness.

Sam speaks: Jesus warned and said in *Luke 12*:

35. Let your loins be girded about, and your lights burning;

36. And ye yourselves like unto men that wait for their lord, when he will return from the wedding; that when he cometh and knocketh, they may open unto him immediately.

It is saying that we should be alert, sober, and vigilant, that is why we fast and that is why we are always on the sober side of things. *Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour.* Especially in the end-time, we read what will be in the end-time, we read *Matthew 24, Mark 13, and Luke 21 - Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.*

When we are sober and vigilant we can detect these antichrists, they don't bother us much anymore the only way is we get these rotten emails ever so often. We look at them and we examine ourselves, but it is of the devil because we gave the devil a black eye, and he does not like it and he starts roaring. He uses these, I don't want to call them retards but you almost have to call them that when they send in their emails, and how they take things out of context. They don't even know that you spell God with a capital letter and the way they text there is an imbalance, like a chemical imbalance in their system, and the devil likes people like that he can tell them anything and they believe it. So if you have to send them do so, but you are only telling us what the devil is up to. He does not like what we are telling him.

As I said, I went back and I listened to it twice, what did I say that would cause the devil to get mad, they write these emails but they don't say who they are they keep themselves anonymous, but I went back to listen to it and it was not until that second one came along accusing of saying, you don't have to do anything all you have to do is believe us. There again, it is not us, it is not our message. You have to come to that realization that it is the Lord's message, He just found us to be faithful and wise that He would give us these things to deliver that meat in due season. We don't have the know-how to know what people need it comes from God, it comes from Heaven. Otherwise, it would not return - My words will not return void. They are not our words, and today we are dealing with these false antichrists; these false anointed ones. It is like brother Jackson said that the bride is going to detect that antichrist spirit.

I watched Allen I had so much respect for him, but all of a sudden things started to take a turn, I let him know - I can't support you anymore you are preaching wrong. He did not like that but I had to cut myself off from him. It says, *Romans 16:*

17. Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them.

That is what we did we withdrew from these false teachings, what shocks me more than anything is that none of brother Jackson's family is able to detect that antichrist spirit that is on that man it is so obvious.

Lorraine speaks: It is obvious to us, but do you think the devil is going to come as a wolf, he comes as a wolf in sheep's clothing. He comes with deception, to deceive people, and people are not sober and vigilant so they are not aware of what is going on. They are not aware of the day and hour that they are living in, and what Jesus said to take heed and to be sober and vigilant. So they have no discernment, they cannot discern that these people are out there to deceive them.

Sam speaks: I have seen it when God took brother Jackson off the scene, I saw how easily they were picked off. We were watching this movie about this sniper and that is what I saw happening, first, that sniper got Allen, the devil just gave him that false revelation that

we are in the third day, then slowly bit by bit Allen brings it out, and behind it is that sniper and takes him out. Then there is Bud and the same sniper takes him out, and all these preachers that sniper takes them out left, right, and center. Then I saw him come after me and he could not get me, I had a way of eluding him. It is just the way it is I stay with the truth, he could not get me to believe that lie. Before that sniper could get me I would have had to believe a lie or compromise, show partiality or do something that is off from the Word. That is why he could not get me because I stuck with that Word, and today he is still trying, he almost had us destroyed through that Jeremy. I still don't know what his game plan was but I know it was not good.

That is why you have to be sober and vigilant, so that you can detect these antichrists, they are false, they are false anointed ones, false Christs. The apostles wrote about it when Jesus was asked what will be the sign of the end, and right out of the gate, Jesus said - *Take heed lest any man deceives you*. That lets me know deception, deception, deception of such magnitude that it would deceive the very elect if it would be possible. So when you get up in the morning you have to have that on your radar that there is a world out there a world of deception. Then Jesus goes on to say in *Matthew 24*:

24. For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.

But there is something in our makeup we believe that Word, He started to work in us when we were 7 years old. He started to prepare us for what we are doing here today so that in the end time there will be a truth, and there will be people that will know the day and hour that we are living in. That is the crux of everything if you do not know the hour that you are living in you are just living in confusion city. Like you and me when we go back 7 years, how we were searching these things out, we were on the feasts and on that midnight cry. The Lord had been dealing with me for a couple of years on that until I got all the wrinkles out of it and here we come up with the year 2021 when Yom Kippur came about. We were sitting there waiting because we knew that the day was October 15, 2021, we did the math and we were sitting and waiting, so to speak. Then you saw how you were able to crown Him King of Kings, you could not crown Him King of

Kings if He would still be on the seat of mercy, and I saw Him going from the seat of mercy and taking on that kingly position. He is now King of Kings and Lord of Lords, it has not yet manifested as such but that is where He is, the grace age is over, and He is now getting ready for that 1000 years of reign where He will be ruling and reigning as King of Kings and Lord of Lords, which is forever. The Bible says that He will be a King forever, He was a High priest forever, and forever in the Bible means until it has served its purpose. He was on that seat of mercy as an intercessor forever until it had served its purpose until October 15, 2021, until it has served its purpose and now He can start His Kingly position. It has already begun, as I said, you are not going to see Him around with His kingly robes yet, it is by faith, the momentum has begun. You are going to see Israel restored, it is not restored yet, they are fighting back and forth with these politicians but it is en route. We were singing a song about Israel coming back. Finally, they will be coming back they have been in dispersion these 2700 years and now they are coming back. No, they are not back yet but it is en route and that season is now in effect for it to happen. Arise and shine has not happened yet but it is en route and there is no stopping it because we are right in that week of Daniel where it says that Elijah spirit will restore all things. That Elijah comes to the Jews. It is en route.

Lorraine speaks: We are only saying what the Lord shows us and reveals to us, and that is what Jesus did when He fed the multitude and then they started to reason things out. *John 6:*

42. And they said, Is not this Jesus, the son of Joseph, whose father and mother we know? how is it then that he saith, I came down from heaven?

Then they started to reason things out - Oh this can't be and then unbelief takes over then it says *John 6:*

66. From that time many of his disciples went back, and walked no more with him.

It is not going to be different in this day and age it is going to be worse. We are not doing our own thing.

Sam speaks: Jesus said I can't do anything without my father. I can only do what I see my father do. That is all we are doing. We have people coming through here, some last a week, that Cox lasted a

couple of months, they start reasoning it out and they end up out in the left field somewhere never to return again, like these here but see you have to stay the course. You have to be determined this is it and of course, the devil will come along and try to take it away from you, but you have to stay the course.

Lorraine speaks: That is what Peter said: *John 6:*

68. Then Simon Peter answered him, Lord, to whom shall we go? thou hast the words of eternal life.

69. And we believe and are sure that thou art that Christ, the Son of the living God.

That is what kept them going because they believed in Him.

Sam speaks: It is all about believing, if you truly believe like you can say I believe and then along comes a wind, and then whiff you are out in the world again doing the sexcapade and everything, your old life takes over again. Like that Lance Leroux out there and that Barber sitting under brother Jackson all these years and then all of a sudden brother Branham was a fraud. I see all this and I read all these books and I observed all of these things and then I stepped back and I observed them some more and I saw how many people went drifting back, not staying the course, that made me determined to stay the course, I am not going back, what is there to go back to. Then the Lord sees your desire. He tests us and when you are faithful to what God has given you then He gives you another revelation a stronger one than before.

Then He got you on board and then He gives you the desire about those feasts, you even wrote a book on those feasts you were so consumed with those feasts and it was all leading towards up the road you are going to need them. We had the understanding of those 7 feasts, that when the time came for that Yom Kippur feast we were waiting for it on October 15, 2021. We were probably the only ones on planet Earth that had it right. I don't know of anyone else that was waiting for that Yom Kippur, for that transition from the Grace Age to the week of Daniel. Now we can tell people if they believe us that is fine, if not they are going to see it transpiring, and then it will not be by faith, seeing is believing, but you will not be blessed. It says, *blessed are they that have not seen, and yet have believed*. To us it is all a done deal it is so real. I know how God has worked in my life when He

woke me up at 2 am and said - Sam, I am coming soon. Then time went on and my journey took me to the ministry of brother Jackson, I can see why the Lord did not show it to brother Jackson because he was not going to be living in that timeframe. We just walked through this journey and to us it is so solid, to us it has already happened. We get excited about what is next on the move.

This week we are dealing with these false anointed ones and for us, they do not bother us, but people that are listening to them and are still flirting with them. How can you listen to James Allen we are in the 3rd day, and as I said, I don't even go there anymore, sometimes you will check what their titles are and usually, he has the same title for a year or so. I would have gone back to try to dig it out but you are going to have to take my word for it, that is exactly what the Lord did at 5 am, He woke me up and said - I want you to listen to Faith Assembly today because I have something there that I want to show you, how that antichrist spirit works. I saw it all in broad daylight. As I said, he had that service because there were questions asked and when that antichrist spirit was done with that message there were no more questions asked, they were now convinced that there will be polygamy in the millennium. Then the Lord gives me a nugget as I was sitting there watching it when Allen was talking about that scripture in *Isaiah 4*:

1. And in that day seven women shall take hold of one man, saying, We will eat our own bread, and wear our own apparel: only let us be called by thy name, to take away our reproach.

The Lord let me see where that scripture fits in, it has not happened yet but it will happen in the week of Daniel that 7 Jewish women will go after that one man and they want to be called by his last name. I didn't know the answer at the time but I knew that it will not take place in the Millennium. Here the Lord comes down and gives me this nugget it is going to happen after the middle of the week when that pope goes out and kills those foolish virgins and those remnants of the Jewish people and he will mostly focus on the males. They will need the females to do the work so now the condition is such there is this one woman, (let's say she is 50 years old, her husband is dead because they killed him, that pope killed him), that woman is sitting there she has a credit card, she goes to the bank or to the grocery

store and her last name is a Jewish name so they don't want this Jewish name they don't want that reproach because there is a season of time there for that. They don't know that it is just going to last 3.5 years they think it's a permanent situation. Israel is overrun by Romans and these kinds of people. So these women who want to get out of that reproach go up to those men and they say give us your last name we will eat our own bread you don't have to worry about anything just give us your last name so that we don't have to bear that reproach that we are Jewish. That is exactly where it fits in not in the Millennium. Then it started to make sense, I didn't study it out, it was just simply because I did not believe Allen the Lord gave me the real understanding of when it is really going to happen. That is exactly what will happen maybe a year into the last part of the week of Daniel. I will be a time of *trouble, like another Holocaust is coming. It says rest a little season in Revelations 6:*

*11....rest yet for a little season, **until their fellowservants also and their brethren**, that should be killed as they were, should be fulfilled.*

As I said, that man of sin mostly kills the men maybe some women but the majority of the women will stay because that is what they did back in Egypt they killed the males because they need the females to do the work, and these women say we will do our own work, eat our own bread. It all makes sense when you analyze it all that is exactly 100% right. When the Lord shows you this you can take it to the bank. That is why the season for the invitation to the marriage supper of the Lamb is now in effect and you believe it to the point that you are going to do something about it. In fact, we have it down to be around March 28, 2025. That is not the rapture that is just the middle of the week, when Satan is kicked out of Heaven and when he kills these two prophets, you can put in on your calendar. Satan is booted out of the heavenly realm. *Revelation 12:*

7. And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels,

8. And prevailed not; neither was their place found any more in heaven.

9. And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

12. Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.

The devil knows he only has 42 months left and he incarnates that pope and that pope evolves into that man of sin, right now he is that antichrist and that false prophet, but when what middle of the week comes and Satan is cast out then that is what he evolves into. When the bride is raptured the holy ghost is gone. The rapture will not be that far away after Satan kills those two prophets, but it cannot happen before he kills those prophets, and it cannot happen when he kills "their brethren" that remnant of the Jews are killed, it will be in between there. It will not be very long until after these two witnesses are killed because the bride will be on his hit list.

It is all so very simple for you and me the whole program is so simple, the next on the agenda is for Israel to arise and shine. God took care of everything back in Ephesians 1, back when He made that great blueprint when He counselled with Himself, and then He said I am going to make sure that that great blueprint is going to be executed right to the T. What you see in America it is just going to keep going until George Washington's vision is fulfilled. This globalism is not going to be pulled off it will be pulled off in Europe. It will have some kind of effect on the world because of the image of the beast, but not the mark of the beast. It can only be allowed in that European system, but somewhere around the world that image has an effect, because these Christians all around the world have to be killed, they have to be butchered, and slaughtered, and they have to go through the guillotines to end up on that sea of glass.

Lorraine speaks: If it would not be so how would those foolish virgins be killed if that image of the beast would not have an effect around the world why would there be a need for the rapture, for the bride saints to be taken out if it there would not be a universal effect of that image of the beast.

Sam speaks: The only way out is that rapture, if that would not be the case then he would not kill all these Christians.

Lorraine speaks: It says *Revelation 12*:

17. And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ.

That covers the remnant of those Jews that will remain in Israel after the middle of the week of Daniel and the Christians. It covers those two categories.

Sam speaks: Those are Christians, they are born-again, and they could not go into the wedding chamber because they had not prepared themselves which is why they are called foolish virgins. They did not believe, the message of the day. That is why the scripture says in *Luke 12*:

35. Let your loins be girded about, and your lights burning;

36. And ye yourselves like unto men that wait for their lord, when he will return from the wedding; that when he cometh and knocketh, they may open unto him immediately.

37. Blessed are those servants, whom the lord when he cometh shall find watching: verily I say unto you, that he shall gird himself, and make them to sit down to meat, and will come forth and serve them.

38. And if he shall come in the second watch, or come in the third watch, and find them so, blessed are those servants.

Jesus is saying that we should walk prepared girded and our lights burning. We need to be walking in such a way that when He comes that we are ready, we are ready and waiting. That season is open now is Matthew 22, that invitation to the marriage supper of the Lamb. When you miss that it says what He will do.

7. But when the king heard thereof, he was wroth: and he sent forth his armies, and destroyed those murderers, and burned up their city.

That will happen to those that reject the invitation to the marriage supper of the Lamb because it is all going to be dismantled, that whole infrastructure, everything that pertains to the fall of man, that tree of the knowledge of good and evil. When Adam and Eve partook of that tree, all of that is going to be destroyed here in this shaking of all things. So when it is all over that whole religious infrastructure, that

whole Roman Catholic Church at the end of the day she gets an atomic bomb, and that is the end of it right at the end of the week of Daniel. That destroys that whole religious infrastructure.

That is why we should walk as one that is ready in this hour of time that we are now living in, we know that we are in the week of Daniel, just watch the world events, just watch Israel. They have the proper Prime minister now. They have all these tugs always fighting over there, looking for all kinds of excuses to look for chaos. The leftists are inspired by Satan, pretending to care for the country. They were at the helm there for a year and they are nothing but sell-outs. Trying to make peace with the Arabs. The Bible says what will happen, that they will be far removed and here they had them in their government.

Anyway, this week it is about False Christs, false anointed ones. *Warum heist Er Christus. Weil Er unser gesalbter König und Hohenpriester is.* Falsely anointed ones in the end-time. Brother Branham has a good message on - False anointed ones in the end-time. When we see these emails that they send us, we just take inventory, we must have given the devil a black eye, it is just the devil expressing himself.

I remember back in the day when Twitter was going strong and I took advantage of it, and sometimes I would put something on there, and then these trolls were all over me. I was wondering what is going on and here I find out they sit in the basement and they check things out that are valid and they try to make them invalid so that people do not find out the truth. Here it is the same thing they remind me of those trolls. They listen to our messages and then they pick out the poison. All to their destruction, they are not going to change us.

Anyway, what it tells you is that you need to be ready and walk prepared. We know where we are living in time, and it takes a certain amount of preparation to prepare yourself, I have been beating the drums for 30 years. That is what I have done I have circumcised myself from this world. The Lord dealt with me on alcohol and a lot of issues that I used to have. Things that I used to do I don't do anymore there is no point in it, it sets you back, and it is all due simply because I believe the Word, and I believe where we are it in time. Prepare yourself for the coming of the Lord. Isaiah 65, my servants will eat;

Seek the Lord while He may be found. These are to be taken seriously, especially in the hour that we are now living in. We put in out there into the heavenly realm then they know that someone knows down here where we are at in time. We know exactly where we are right to the day. You can do the math all you need to know is the midnight cry. We have been over it many times. We know that the Laodicean church age began in 1906, it is just so simple. Then you come to brother Jackson's 2004.5 add 17 years to that because that is how far the Roman Calendar is out. These popes changed the time, the devil through these popes was trying to hide this very hour. It is out by 17 years, brother Jackson figured out to 2004.5 and you add 17 years to that you come out exactly to October 2021. You take the midnight cry which is 1963 then you come out on October 15, 2021. Then when you take the Mayan calendar. They were some kind of a group down in South America and their Calendar stopped in 2012 when they say civilization ends, as they know it, but when you add 17 years to 2012, (that is how many years the Roman Calendar is out), you will come to 2028-9 around there. So these three bear witness to one another. If it would only be one you might have a question but here is the midnight cry, brother Jackson's 2004.5, and the Mayan Calendar. That is when civilization as we know it terminates. That is the end of the week of Daniel and those 75 days and Jesus comes down and Satan is bound in Hell for 1000 years. For you and I, it is so simple a plan it looks like it has already happened, just like with God, that whole program in the eyes of God is already a done deal. It was a done deal back before the foundation of the world before there was a star before it was just a Word. It was all a done deal because He said that He is going to see to it that everything will go according to that blueprint. That is why it says in *Psalms 2*:

1. *Why do the heathen rage, and the people imagine a vain thing?*
2. *The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying,*
3. *Let us break their bands asunder, and cast away their cords from us.*
4. ***He that sitteth in the heavens shall laugh: the Lord shall have them in derision.***

God has it all under control, this world forum what they have planned for the people eating worms and all of those things. That UN is going to be dismantled because it says so. God is going to destroy those that come against Israel and that is the UN. *Zechariah 12:*

3. And in that day will I make Jerusalem a burdensome stone for all people: all that burden themselves with it shall be cut in pieces, though all the people of the earth be gathered together against it.

If people are not spiritually alert you can talk until you are blue in the face they will take the poison out and they will find fault with what you are saying. I am saying all this to them, because we know that for a lot of people, it is just entertainment, they don't really believe it. If they would believe it they would do something about it.

That Cox looked like he was serious back in the day, but see there is that reasoning, that is when you really have to stay the course. The Lord with a strong and mighty arm showed it to him, why does he have to go somewhere else. If you don't like something that you don't agree with just put it on the back burner. That is what I had to do many times. I just knew one thing I knew what the Lord showed me, He is coming in my lifetime and I am going to stay the course no matter what, if I stand alone I stand alone, and I had to stand alone until the Lord brought you one board. It talks about it in *Ecclesiastes 4:*

9. Two are better than one; because they have a good reward for their labor.

10. For if they fall, the one will lift up his fellow: but woe to him that is alone when he falleth; for he hath not another to help him up.

12. And if one prevail against him, two shall withstand him; and a threefold cord is not quickly broken.

Now with the two of us we are a force to be reckoned with, we are all sold out to Jesus so what is the problem. Let the devil rant and rave if he wants.

Heavenly Father we just had a conversation around your Word, we are just trying to express what You put on our hearts to say during the week this week you dealt with us on these false Christ and these false anointed ones. I just pray Lord that you will take what has been said and use it for your honour and your glory. Anoint and inspire and open the hearts of the people, we ask that you will give that increase, in Jesus Christ name we pray. Amen.
