

I DON'T KNOW WHAT I WOULD DO

*I don't know what I would do,
I don't know what I would do,
I don't know
What I would do without the Lord,
When I look around and see
All that He has done for me
I don't know what I would do without the Lord*

*I don't know what I would do,
I don't know what I would do,
I don't know
What I would do without the Lord,
When I look around and see
All that He has done for me
I don't know what I would do without the Lord*

*Without Him I can't do nothing
Without Him I'd surely fail
Without Him I would be drifting
Like a ship without a sail*

*So I'll ask Him to be my pilot
His Word, my compass and guide
Until I'm anchored safely in glory
For without Him, I'd drift with the tide.*

JESUS MY JESUS

*Jesus my Jesus
Do you know Him today,
Please don't turn Him away,
Oh Jesus, My Jesus
Without Him how lost I would be,*

*Jesus my Jesus
Do you know Him today,
Please don't turn Him away,
Oh Jesus, My Jesus
Without Him how lost I would be,*

Here we are not ashamed of Christ, the devil would like to make us ashamed of Jesus. Why should we be ashamed, it is the opposite, but see the devil tries to intimate you, people look down on you, but you can look down at us that does not matter we are not ashamed of Jesus.

JUST A CLOSER WALK

*I am weak, but Thou art strong;
Jesus, keep me from all wrong;
I'll be satisfied as long
As I walk, let me walk close to Thee.*

Refrain:

*Just a closer walk with Thee,
Grant it, Jesus is my plea,
Daily walking close to Thee,
Let it be, dear Lord, let it be.*

*Through this world of toil and snares,
If I falter, Lord, who cares?
Who with me my burden shares?
None but Thee, dear Lord, none but Thee.*

*When my feeble life is o'er,
Time for me will be no more;
Guide me gently, safely o'er
To Thy kingdom shore, to Thy shore.*

I COULD NEVER BE ASHAMED

*As my Lord walked to Calvary
There was no beauty in that scene
He was bruised and put to shame there
As the crowd did cheer and screamed
It wasn't his fault nor do things he'd done
But for my sins, he stood condemned
Now how could I be ashamed of him*

*How could I be ashamed
Off that side dripping with blood
How could I be ashamed
And that mocking crown that he wore
No, he had every reason to be
Ashamed of me
I could never be ashamed of him*

*Now he's the same Lord today
With his nails pierced feet
And there's no beauty
That this old world desires
And His holy Word they wouldn't keep
But I'll take him and the scorn I'll bare
Until my journey is complete
Because I could never be ashamed of Him*

This song says: I could never be ashamed of Him. It goes back to Moses, Moses considered it greater riches to be identified with those losers down in these mud-pits than all the wealth that Egypt could give him. There is tremendous wealth that you and I have here. It is beyond Human description, beyond anything that the world can give you. Moses tapped into it the Bible says so. Moses considered the reproach of Christ greater riches than to be identified with anything that Egypt had to offer. Here we are the same, they hate us because of Christ, they look down on us because of Christ, and they think we

should be ashamed of Him, I will gladly go through what we have to go through for His sake. That is what it is all about that is why we are being looked down on. I like it, it keeps the want-to-be away, the game players. That is why we can never be ashamed of Christ. Why should we be, look at what He has done for us. Everything that you see out there, that tree, the squirrels, everything is there because of Jesus Christ. Now, why would you be ashamed of someone with such a high profile. Everything was created because of Jesus Christ, the stars twinkle because of Jesus Christ, and here they are trying to make us ashamed of Him, why should we be. I am glad to be identified with Him, the reproach of Christ, that is why they hate us, that is why they don't want to have anything to do with us. That is all right.

Lorraine speaks: I always say there is a sweetness in it when you tap into that it is so sweet to be in that dimension, the reproach of Christ that rejection. The carnal man does not like that, the natural man, but the spirit man wants that and it yearns for that and to get to that place I don't think it is easily attained.

Sam speaks: It has to be given to you, God has to give it to you. I was reading about this guy who wanted to follow Jesus. Jesus just told him the foxes have holes but the son of man has nowhere to lay his head. That was the end of this guy wanting to follow Jesus, then in the next breath, Jesus said to another guy - follow me. That one wanted to go bury his dad first, and Jesus told him - let the dead bury the dead come and follow me. He called this one guy but this other guy wanted to come on board and Jesus did not give him the time of day because He knew his make-up.

WHERE WOULD I BE

Where would I be without Jesus

Where would I spend eternity

Lost in a world full of sorrow

Without Jesus where would I be

VISION OF JESUS

*1. As I travel along on this Pilgrim way,
There are heartaches and burdens to bear;
But a vision of Jesus in Heaven above
Our cross is much lighter to bear.*

*Ch: Don't lose your vision of Jesus,
Keep your eyes looking only on Him;
Many friends and dear loved ones have lost their way.
They have lost their vision of Him.*

*2. I remember the time, I remember the place,
When Jesus so sweetly came in;
How he took all my burdens I carried so long,
When I first saw the vision of Him.*

*3. Now Jesus will come and He'll take us all home,
To a beautiful mansion so fair;
But if you're not ready He'll leave you behind.
You'll reap in this life what you sow.*

GOD WILL MAKE THIS TRIAL A BLESSING

*I've just come into a valley
one like I've never been before
I keep searching for a way out
Seems like padlocks are on the doors
Oh there must be another sunrise
Another sunset that I'll see
God will make this trial a blessing
That's the love He has for me*

CHORUS

*God will make this trial a blessing
Though it sends me to my knees
Though my tears flow like a River*

*Yet in Him there's sweet relief
There's no need to get discouraged
There's no need to talk defeat
God will make this trial a blessing
And the whole wide world will see*

VERSE 2

*I was not the first one
To come into this place
You see every child of God
This test he must face
It is here that God will mold you
And make you what you ought to be
God will make this trial a blessing
Just be patient you will see*

VERSE 3

*Now I'm standing on the mountain
Looking back and I can see
When I was in that lowest valley
His strong hand was leading me
Oh it's good to see the sunshine
And to taste sweet victory
God has made this trial a blessing
Oh the grace He gives to me*

That is the truth, I tell you, I've lived that song, you don't know what the next day will bring, everyone thinks that you are crazy, and your family wants to take you to the mental home, but I only had one way to go, I knew what is back there and I knew one thing I am not going back so there is only one way and that is ahead. You don't know what is ahead, you really don't, I don't know if it was a vision or a dream I saw myself running down a deep valley. On every door there were padlocks and the only way was to go down that deep dark lonesome valley. You have to walk that lonesome valley you have to walk it by yourself. I lived that song, the only thing that kept me sane was I knew what is back there and I am not going back. I don't know what is ahead I just knew that I had to trust the Lord and I will just praise Him even though I don't feel like it.

Lorraine speaks: That valley is not that bad, the Lord gave me a song: This valley is for me, the waters have been made so sweet a cool water to rest these weary feet, this valley is for me.

Sam speaks: When I was going down that valley, I didn't see what was down there but once I got down there, Oh was it ever beautiful. The trees and the undergrowth everything was so lush with a spring running through, it was good stuff. That is exactly what my life has been nothing but goodness and mercy. I would not trade it for anything. It is like Moses, he counted the reproach of Christ as the greater riches. Just wish yourself something, like all the money in the world, it would not compare with what we have, because we have all the riches, and the Lord gives us everything that we need. It says - Seek ye first the kingdom of Heaven and His righteousness and all of these things will be added unto you. Everything that you need for daily living.

VICTORY IN JESUS

*I heard an old, old story,
How a Savior came from glory,
How He gave His life on Calvary
To save a wretch like me;
I heard about His groaning,
Of His precious blood's atoning,
Then I repented of my sins
And won the victory.*

Chorus

*O victory in Jesus,
My Savior, forever.
He sought me and bought me
With His redeeming blood;
He loved me ere I knew Him
And all my love is due Him,
He plunged me to victory,
Beneath the cleansing flood.
I heard about His healing,
Of His cleansing pow'r revealing.*

*How He made the lame to walk again
And caused the blind to see;
And then I cried, "Dear Jesus,
Come and heal my broken spirit,"
And somehow Jesus came and bro't
To me the victory.*

*I heard about a mansion
He has built for me in glory.
And I heard about the streets of gold
Beyond the crystal sea;
About the angels singing,
And the old redemption story,
And some sweet day I'll sing up there
The song of victory.*

REACH OUT AND TOUCH THE LORD

*Reach out and touch the Lord
As He goes by
You'll find He is not too busy
To hear your heart's cry
He is passing by this moment
Your needs to supply
Reach out and touch the Lord
As He goes by*

LASST MICH GEHN

*1. Lasst mich geh'n, lasst mich geh'n,
Dass ich Jesum möge seh'n;
Meine Seel' ist voll Verlangen
Ihn auf ewig zu empfangen
Und vor seinem Thron zu steh'n. :::*

*2. Süßes Licht, süßes Licht,
Sonne, die durch Wolken bricht,
O wann werd' ich dahin kommen,*

*Daß, ich dort mit allen Frommen
Schau' dein holdes Angesicht? ::*

*3. Ach, wie schön, ach, wie schön
Ist der Engel Lob-Getön!
Hätt' ich Flügel, hätt' ich Flügel,
Flög' ich über Tal und Hügel
Heute noch nach Zions Höh'n. ::*

*4. Wie wird's sein, wie wird's sein,
Wenn ich zieh' in Salem ein,
In der Stadt der gold'nen Gassen!
Herr, mein Gott, ich kann's nicht fassen,
Was das wird für Wonne sein! ::*

*5. Paradies, Paradies,
Wie ist deine Frucht so süß,!
Unter deinen Lebensbäumen
Wird uns sein, als ob wir träumen;
Bring' uns, Herr, ins Paradies. ::*

That is something that we can all look forward to in this song, the marriage supper of the Lamb. That invitation will be extended until the middle of the week and that is it, there is a lot to look forward to, I can't even imagine. As I keep saying, this is a completely different chapter, it is not anything that the world has ever seen. No church age has ever had that era that we are in now, the invitation to the marriage supper of the Lamb. It is all in this song the way to go to that heavenly bliss. Once that invitation is over the Christians that are left behind have only one thing to look forward to and that is the guillotines. They will have to give their lives, everyone that has missed this invitation. The holy spirit will be gone and there is only one way left that I can find in the scripture and that is you will have to give your life to get on that sea of glass. How did they get there on that sea of glass - They had to give their life. They will have to be martyred to get on to that sea of glass that it speaks about in Revelation. That sea of glass represents persecution. All people have to do is accept this invitation,

prepare themselves for the marriage supper of the Lamb and they get all that bliss, all that glory. You cannot even imagine what it will be like to be going to the marriage supper of the Lord Jesus Christ. Whatever it will entail it is going to be good. It will be better than the guillotines because the Holy Spirit will be gone, Satan is on the rampage he has control of this planet after the middle of the week and it will be full persecution and martyrdom because the Holy Spirit will not restrain it anymore.

KEINER WIRD ZUSCHANDEN

*Keiner wird zuschanden,
welcher Gottes harrt
sollt ich sein der erste,
der zuschanden ward?
Nein, das ist unmöglich,
du getreuer Hort
Eher fällt der Himmel,
eh mich täuscht dein Wort*

*Du hast zugesaget:
Wer da bittet, nimmt
wer da sucht, soll finden,
was ihm Gott bestimmt
wer im festen Glauben
mutig klopft an
dem wird ohne Zweifel
endlich aufgetan*

*Nun, so will ich's wagen,
Herr, auf dein Gebot
alle meine Sorgen,
eig'n und fremde Not
all mein heimlich Grämen,
alles was mich quält
dir ans Herz zu legen,
der die Tränen zählt*

*Du bist mein Erbarmer
und mein bester Freund
meines Lebens Sonne,
die mir lacht und scheint
auch in finstern Nächten
und durchs Todestal
mir hinüberleuchtet
zu des Lammes Mahl*

That journey will lead you right to the marriage supper of the Lamb. We have so much to be grateful for and to look forward to. Just in time too when this world is falling apart. Who wants to be part of this world, there is nothing in it just hate and everything that Paul warned us of - Perilous times, men will be lovers of pleasure more than lovers of God. We are right at the peak of it, we only have 2 years left in this jungle until the middle of the week of Daniel. We know that we have it right, we have it out of the scripture by revelation, not by studying. You cannot see it by studying you will come up empty-handed there are too many loose ends but if you get it by revelation then everything ties together. Then you will know what Jesus meant when the disciples asked Jesus will you at that time restore Israel. Jesus replied: It is not for you to know the times and seasons. When you put all of that into your database and what Paul said in 1 Thessalonians 5:

1. But of the times and the seasons, brethren, ye have no need that I write unto you.

Jesus knew that the disciples will not be living in that time frame, but those people who are going to be living in that timeframe, they are going to know. Just like Simeon in the Temple received a promise that he will not see death until he saw the Christ. Here it is the same thing, God has His ways.

I have a strange topic today: Run! Samson, run! You sometimes just have to get out of Dodge. This is what the Lord has been dealing with me on for the last 3 weeks - Run, Samson, run. Sometimes people go where angels fear to go. The saying goes: Fools go where angels fear to tread. There are places that you don't go into because

there is too much demonic activity there, you don't want to go near that danger.

I remember reading about this General Custer, he was back when they were fighting the Indians. He was a pretty smart warrior, and he defeated a lot of Indians but he made a mistake he went in when the Indians were having their pow-wows, and they got so infuriated that they completely wiped him out. That is how he got defeated. It kind of lets you know there are places that you don't go otherwise you are going to meet your doom - Fools go where angels fear to tread.

As I said, sometimes you just have to run. I don't know if you have ever been in a situation where the only escape route is to get out of there. Sometimes you just have to get out of Dodge. Run Samson run. Everyone knows the story about Samson, after the first encounter, he should have ran. When Delilah was trying to find out where his strength lies, she was trying to get it out of him, and he would not tell her the truth at first. He told her if you tie me with ropes so they did that and he just tore those ropes apart. That should have been sign number one, but he kept playing her game and kept repeating it until finally he gave in, and told her his secret where his strength lies and then it was too late. He should have gotten out of there when he knew what she was after because she obviously could not be trusted. She was hired by the Philistines and would pay her big-time money if she could get him to tell her where his strength lies. He had the opportunity to run - Run, Samson, run. Sometimes we come across a situation like that where your only way out is to run.

Last night, the Lord was letting me know that before we go into that subject I should go into how the Lord dealt with me back when I was 20 years old. I cannot understand how people can go from day to day without having secured their eternal destiny. When you reach the age of accountability then you have to do something with this Jesus. Just like the children of Israel it was from the ages of 20 and over that they were held accountable, for what they had witnessed in Egypt and crossing the Red Sea, they did not go into the promised land, but the younger ones that had not yet reached the age of accountability they got into the promised land. I was carefree until I was about 21 years old, around that time, I knew that I had reached the age of

accountability and I knew that I have to do something with my eternal destiny.

Everything that we do we back it up with scripture because it says the Holy Ghost will come and he will convict the world of sin and of righteousness and of judgment. All of a sudden I realized I was a sinner and I needed a Saviour, I was convicted, maybe for 2 years, I was going around almost like in a daze I was so convicted I was concerned that if I die I am going to Hell it is just that simple. As it says I was born in sin, I was shaped in iniquity coming into this world speaking lies. There is nothing good about me and I began to realize that and I saw the scripture that the Holy Spirit came to convict the world of sin and of righteousness and of judgment. To me, it was so real. I tried to quit smoking and I could not even quit smoking, and all you become is self-righteous. I came to the realization that I needed a saviour and I kind of took it for granted that everyone was doing the same thing as I did, and through all that you create a contrite heart and a broken spirit. You are so broken about your eternal destiny. How are you going to get out of this dilemma. Then one day Jesus came by my way He made me whole that day just a sinner was I until Jesus came by my way. That is the song I was looking for:

***Jesus came by my way,
He made me whole that day
Just a sinner was I and Jesus came by
What a change in my life,
when Jesus passed by***

For two years I was under tremendous conviction and as the song says: Then one day Jesus came by my way, just a sinner was I, until Jesus came by. The Lord came by my way and I have a testimony. As I said, I was taking it for granted that everyone was doing that when you reach the age of accountability. I didn't rest until Jesus came by my way, and like the song says: I know the time and the place when Jesus so sweetly came in. Nobody is going to take that from me, when you are ever in a time of discouragement and the devil tries to throw everything at you, I remember the time. I have a testimony. I know exactly when it happened it was 10 minutes after 10 pm Friday night. I know exactly the place, and I had eternal life, Jesus

gave me eternal life. It was back in 1971. I had eternal life but I had no reward and it scared me, and it was more than 20 years later I realized I had eternal life and the most horrible thing is coming to the realization not having done anything for Jesus. Like the song says: *Muß ich gehn hit leeren Händen* - Must I go empty-handed. I knew that living in that Hutterite Colony that does not give you a reward.

One day we had a man come to our house, he had a heart attack and he was dead for 7 minutes, and he went from colony to colony to give his testimony saying that the Hutterite life is not your ticket to glory. He saw himself trying to get into Heaven and they would not let him in. They asked him what did you do for Jesus, and he said - I worked in the colony this, that, and the other, and he was told that is not doing it for Jesus. See these things kept coming to me and then this person here in Sunnyside everyone knows that Mumma, that Mike for Sunnyside, he had cancer and he realized that he has not done anything for Jesus. These things kept coming to me, and sometimes I would wake up at night in a cold sweat, realizing that I have not done anything for Jesus. I had eternal life but what good is it to go to Heaven without having a reward. *Muß Ich gehen mit leeren Händen, muß ich so vor Jesu stehn.*

That did something to me I had many sleepless nights. That man come to our house and he told his testimony and that other guy admonished his children not to be like he was just going down to the shop and working on those trucks and not doing anything for Jesus to make your life count. These are some things God would use to convict me, Sam, what have you done for Jesus. It was not until I was crying out to the Lord all night long wanting to know what Paul meant when he said - *Oh that I might know Him, the power of His resurrection the fellowship of His suffering.* I knew there was something that I did not have because I read a lot of books and these people had something that I wanted.

As I said, I was praying all night and the Lord came down letting me know that He heard me and He said - I have a work for you to do, I want you to expose these preachers, go speak for me, before those Hutterite preachers, and how corrupt they are. It is not that they go down to the bar or things of that manner, but it is spiritual wickedness in high places. These people are wicked, they would do whatever it

takes to hold up their empire. That is what I have been doing for the last 30 years exposing that system for what it is and it gets plainer and plainer every day that these religions out there, these so-called churches, are nothing but weapons to deceive the people.

We were talking today about this program that we listened to yesterday and this guy was saying before you can accept the lie you have to reject the truth and before you can bring in that diabolic satanic artificial counterfeit water baptism of father, son, and Holy Ghost you have to reject the real baptism because there is only one baptism. It's like this jab that they call a vaccine, but I call it a death jab, they are forcing people to get that jab and it is the same with that baptism they are being forced to take on that phony counterfeit water baptism of father, son, and holy ghost. It is not a real baptism, the real baptism had been killed by the time 325AD came. We knew the history of how Satan was able to implement his phony baptism, and people are still practicing it today for 2000 years people all around the world have been baptized into that phoney baptism and I am trying to sound the alarm for the last 30 years that it is not of God. That is not just that Hutterite system it is all these churches out there, and they are being coerced into it.

Lorraine speaks: They are all believing the lie because that Trinity water baptism is a lie. It is not scriptural it is not the truth. A lot of people want to stay ignorant they don't want to make a sacrifice. That is the problem with a lot of people they cannot make the cut and that makes them a coward. They will say to you that they would rather take the words of Jesus what it says in *Matthew 28*:

19. Go ye therefore, and teach all nations, baptizing them **in the name** of the Father, and of the Son, and of the Holy Ghost:

If you read it, it says to baptize them in the name and that name is Jesus. The only name whereby man can be saved is in the name of the Lord Jesus Christ and to be remitted of sins is in the name of the Lord Jesus Christ. The apostles knew who that name was. Father is not a name, son is not a name, holy ghost is not a name. They are titles and Jesus Christ for what He did at Calvary He is the only one that has the rights to those titles that is why it is in the name, and that is singular, it is not plural, in the name of the father, son, and holy

ghost. You take those titles and Jesus has the rights to those titles because of Calvary, because of the work of redemption.

That is why the world lies in darkness it is because they are believing a lie. There are a lot of people that don't want to know the truth. It's like when you listen to those radio talk show hosts they will sound good and they will fight for America but when it comes to making the final cut they cannot do it and the reason is they like to play the game. It becomes a game to them because they need to perform. Like Mark Levin we used to listen to him all the time when we were trucking, come 5 o'clock we would listen to Mark Levin for three hours he would be on Monday-Friday. We used to listen to him but it came to a point where I had to step back it became more about him selling his books and having a New York Times bestseller, that became more important than saving America all because they cannot make that final cut. After a while, it becomes more about the ego and you like the attention you like to perform and want people to listen to you, instead of - Buying the truth and selling it not. They cannot make the cut and that is what happens to a lot of people when it comes to water baptism in the name of the Lord Jesus Christ they cannot make that cut because they like the lie and then they are taken over by deceiving spirits.

Sam speaks: I was thinking it is a good thing that we know our history, we can go back to biblical history, the early church had no questions, they had no qualms with how to get baptized, it says in Ephesians 4: There is only one Lord, one faith and one baptism. We had a conversation on that subject some time back that is the first scripture that the Lord gave me when He told me to go up and speak for Him. The Lord has taught us over the years, as it says, He has hidden these things from the wise and the prudent but has revealed them unto babes such as would learn. You and I have been learning all of this for 20-30 years. One of the things the Lord allowed us to see is how Satan infiltrated that baptism in the early church, he had an objective in mind, he wanted to destroy that water baptism because that is the foundation of Christianity water baptism in the name of the Lord Jesus Christ. He knew that if he can destroy that baptism, then he can bring in his diabolical phoney water baptism. First, he had to destroy the real baptism, but because we have been taught and we

know our history and we can see exactly what will happen. The world is encased in darkness simply because they have left the truth. Like this episode that we saw the other day before you can believe a lie you have to let go of the truth, but we are staying with the truth there is only one way there is only one baptism, there is only one God; there is only one faith and this here is it.

As I said, last night the Lord was dealing with me that before we go into this subject - Run, Samson run we need to go over how this works. Many times I take it for granted that everyone went through what I went through. Everyone when they reach the age of accountability the thing to do is to settle that score where you are going to spend eternity. I just took it for granted that everyone was the same in that aspect.

The Bible talks about how He goes out at the 3rd hour, that is what He did with me and I responded, I yielded when He first came when I reached the age of accountability at the 3rd hour. When you reject that then He comes again at the 6th hour, and He comes again at the ninth and He comes again at the eleventh hour to nudge people to surrender, to deal with their eternal destiny. You don't want to discourage anybody, if you miss it when you are young when you did reach the age of accountability He will come around again at the sixth hour, then you have to accept, but if you don't He comes around again at the ninth hour and tries to woo you because He is not willing that any should perish.

That is how my life has been since 1991 when He told me to go up and speak for Him and I lost everything overnight. There are enough conversations that we've had on this website. You can pretty much walk through my life I don't have to take time out to explain it all here but that is what the Lord dealt with me on last night, before you go into this topic, Run, Samson run, you have to know what you are going to run from. As I said, fools go in and they don't even know what they are messing with, you are putting your soul at risk. I look back and I think about certain things back in the day, fresh out of the box, when I went up against these preachers and Satan at the get-go will put all of his forces at work because he knows that once you get your footing down he can't stop you anymore, that is what happened to me back when I went up against these preachers. I went to this

prayer meeting, I got called up for going to this prayer meeting, they don't allow you to go to a prayer meeting outside the colony, so they wanted me to come over to their meeting to explain myself, I already knew that they had already determined what they are going to do with me. They already made their judgement call, it is a no-win situation.

It is like Martin Luther when he was beginning to come out against Catholicism with the just shall live by faith and begin to break away from the Roman Catholic Church then some people tried to sweet talk him and told him to go down and speak to the pope. He told them - See the pope, I might as well go and speak directly to the devil. That is what they were trying to do with me with this meeting they had already determined what they are going to do, and on the spiritual side of it, I was under such spiritual attack. J.K., he sends in his hardliner, he sent in my father-in-law to shut this thing down, and behind it all was the spirit of Satan, they have to realize that because Satan did not want me to rock that boat. The Lord called me to stand up and expose that thing for what it really is so he sends in these hardliners. That bishop, he is like the pope, let's just be honest - Der Satan ist der herr darin. So that J.K., that bishop sends in the hardliners, my father-in-law, wanting to shut it down before it gets anywhere, and he sends my dad and that Elie to round me up and bring me over to the church meeting, but I might as well go talk to the devil. So I eluded them but they finally found me down at the pump house, and they were vicious, that young preacher there that Elie, there was even foam coming out of his mouth, then they sent my brother John after me to get me to come to their meeting.

I just thought about it all during the week how these people were trying to corral me and shut me down right out of the gate. It got so intense just like it was back in the times of Christ how these Pharisees and these religious leaders got this mob up and going. Jesus had no other option He had to go to Calvary to be crucified. It was the same thing here there was this mob forming and all of a sudden I realized I have to get out of dodge. I had to get out of there, I still had access to that electrical truck and at 10 am it got so intense I just go into that truck and I got out of there for the rest of the day. I went over to some people that I knew were Christians so I spent all day with them. Sometimes you have no other option but to run, sometimes you just

have to get out of dodge because the demonic activity, the mob, is so intense, Satan is using the mob to shut you down right from the get-go, and it is a good thing that I did leave, I don't even think I would have made it if I would not have gotten out of dodge. I have been in that situation time and time again where you just have to Run, Samson run! Delilah is on her way. If Samson would have run after that first episode he would not have had to grind away there for the Philistines for the rest of his life. We sometimes get ourselves into a situation but by the grace of God, the Lord allows me to see that sometimes you just have to run.

It is just like George Washington there are times when he had to retract, sometimes he had to back off and sometimes he had to fight. There comes a time when you have to fight and there comes a time when you have to back off, and as I said, you have to know when to Run Samson run. You have to know when to get away from a certain situation. I have been in so many situations.

I was up at that Joe Waldner at Barnwell, and he baptized me in the titles of father, son, and Holy Ghost and he kind of thought that he owns me now. So I was working there for a month or so and the Lord moved me on, He had already let me know to go out to Vancouver that He has something out there for me. So I was up at that Joe Waldner place and I realized I have to get out of here it felt like just another Hutterite colony. What that title baptism will do it will lock you into their clutches, he thought he had me locked in working for him now, I belong to him because he baptized me in the titles of father, son, and holy Ghost. That is all that baptism does it locks you in their system. I didn't have the guts to up and leave, then I stepped into a big rusty old nail, and it was the Lord warning me you better get out or worse things will happen.

Anyway, it just so happened I was going down to the US and I took that opportunity to run away for there - Run, Samson run. So I had to run away from that situation. Then I ended up in Washington State, and that is where I found out about the message of Brother Branham. See every time you run, every time I had to run when I had to get out of dodge, I was only running into something better. There was always a door open and here I found out about the message of Brother Branham but first I had to run away from that Joe Waldner and

that phoney diabolical water baptism, he thought he was doing a good thing, and today he probably still does but it was just the way that the Lord led me from there. There was that situation again - Run, Samson, run. I had to run away from that situation.

Then I was here with this group in Portage and there came a day when I could no longer fellowship with these people anymore. They were bringing in diabolical teachings, the midnight cry has not happened yet, and the cut-off for the Jews was not where brother Jackson said it was. Now, are you going to go into a debate with him? I had to confront him a few times. We knew when the cut off was and when the midnight cry happened, but talking to Lyle was words falling on deaf ears, so what are you going to do are you going to sit there and debate, no you don't debate with the devil, you don't debate with lies, you don't debate with people that are just trying to destroy everything that we have been taught. So I up and left, and I went down to Tim Relifords for fellowship for 2-3 years. There are times when you just have to move on because there is always an open door like that song that we sing - I am going down that lonesome valley. I've never been there before but God always has an open door. You just don't want to go backward, for me to go back to this group is going backward, to this day they still think we will be back, like this one lady said - Oh I am praying for you that you will come back. Come back to what. Then there are these people that pray that I will go back to the colony.

We were over to that Sommerfeld colony and this one guy goes - So you think you are never going to go back. Like seriously too. I said go back to what. See that is what the devil has been trying to do all these years. Once you leave he wants to drag you back into the same old cluster, the same old gutter. Well, I left that system, there was an open door and I took that open door and I left that Hutterites system. I am not going back to that thing again, and every time the Lord would move me on I had to walk away and it was - Run, Samson run. I had to walk away from that situation, and the next situation, and then the next situation and never to return.

Even when we were working for PTL there came a day when the Lord was dealing me to leave that company. So I went into the office and I told him at the end of the month that is it for me: I am leaving.

He said you will have to pay for the insurance until the end of June, so I had second thoughts there. What am I going to do, it is going to cost me thousands of dollars, and here I am wanting to quit. Anyway, it was the last trip that I made, I had made up my mind - I don't care if it cost me millions of dollars I am out of here as of February 28. There again, I and to run and sometimes it does not matter how much it cost you, sometimes you just don't worry about the cost you just have to leave. That is when we quit PTL and went to work for Payne. Then we bought that new truck and that money that we saved with the fuel savings and getting paid more for hauling their freight I think in a couple of months I had it paid what I had lost at PTL. You never lose when you run Samson, run. Samson would not have lost anything, he should just have gotten out of that situation but see these things were written for our admonition. There is a reason that God allowed Samson to fall into that snare and that is to teach us. 1 Corinthians 10:

11. Now all these things happened unto them for ensamples: and they are written for our admonition, upon whom the ends of the world are come.

So now today we can look at that situation and see the similarity and we can learn from it, and I am sure you went through the same thing, where sometimes you just have to move on. There are times when you are in a certain situation and you just have to get out of that situation - Run, Samson run.

Lorraine speaks: I remember when the Lord saved me when I was 21 years old, He came by my way and took me out of my misery from living under that bondage of the Hutterite system, but I did not leave the colony until 7 years later. I remember sometimes I would go to sleep and I would wake up with my heart beating out of my chest, just about, I was so scared that my life, at the end of the day, will not have matter and that I wouldn't have anything to give to Jesus with my life, that it will be an empty life, it would scare me should that happen to me. I really would try to live right before God, but I would still have these nightmares where I would wake up with the thought that my life will not have mattered, when everything is said and done, that I would have nothing in my life to present to God. That scared me, it was not until 7 years later that the Lord made a way for me to leave the colony. I still remember the day that I left the colony some 18

years ago. The devil has forces that he uses to deter you. I was doing a Bible study but it was by mail and the preacher's wife opened up my mail and threatened to report me for doing a Bible study. That is how demonically driven that system is when they will see that there is someone that is seeking God they will try to shut you down. Even Mike I told him what he is doing he created an atmosphere where there is striving and he started saying that I am cursed because I am coming against him. When you speak up against that system and its corruption they have forces behind them. The Lord gave me a scripture, I had just become a Christian but I was intimidated by him even though the Lord gave me that scripture in *Matthew 5*:

11. Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake.

12. Rejoice, and be exceeding glad: for great is your reward in heaven: for so persecuted they the prophets which were before you.

I should just have stood my ground and told him, you know what, you can say all manner of evil but God is going to bless me. I knew I was right but I was intimidated, because I knew what is behind that system it is not just one man there is a demon behind that system, and not just one there is a rank of them. When you come against that religious system you had better be prepared. It was not until seven years later when I believed the message that God had for this age, brother Branham, water baptism in Jesus name, that the Lord saw fit to take me off the colony. I still remember the day, the devil was trying to stop me that day. Myrna had called me during the week to ask if I wanted to leave the colony and I said, yes I do, she had already left and was down at Brandon with Maxine. That was at the beginning of the week that she phoned. The week went by and I didn't hear anything anymore, so I thought that it had all just gone to sleep. So anyway, Sunday evening I was down in the laundry room when the phone rang and I was upset at the time because of something that had transpired in the kitchen so I thought I am not going to bother to take the phone. I was already going up the stairs when I stopped and something told me to take the phone and it was Myrna on the phone, Maxine had asked if I still wanted to leave the colony and if I do they will come and pick me up. So I confirmed that I do and they said they will be there in a couple of hours to pick me up. I had told my family

that I was going to leave during the week and they were in denial they did not want to accept it. So if you want to believe a lie then it's not going to happen, but I had told them, but what I want to get to is this, how the devil will try to hinder you. When Maxine and Myrna came in the door I was standing there in the kitchen along with Megan one of the grandkids. Myrna comes in the door and she sees Megan and she starts bawling, you have no idea the racket that she left off. Right there that spirit was already trying to hinder me from moving on in God. Maxine, by the grace of God, was there, and she looked at me and she saw my face and she saw me hesitate there for a moment as I thought what is going on here anyway. Maxine was looking at me and by the grace of God she said - Lorraine, it is not that bad.

After she said that to me nothing could stop me, no devil in Hell could stop me from going out that door. Even as I was going out the door Frank phoned and wanted to talk to me and I said - No, I am not talking to anyone I am gone. That is how the devil will try to stop you. Myrna has that on her, she has a spirit that will try to stop me every inch of the way and she still is trying to do that. She would find people that I was associated with and through those people, she would try to get to me. Like there was a lady in Brandon that I was associated with and when I had cut myself off from Myrna, you know what she did, she phones up that lady and asked her in an accusing way what she has that she doesn't that I am talking to her and not to her. Then she would go to Brandon to the people that I used to live with and she would dig to see if she can find dirt on me. If you want to find some negative things about a person you are going to find things, nobody is perfect, but you see the mentality and the spirit of Myrna that wants to destroy me. That is why I had to cut myself away from everyone, I could not even phone Lynda the minute that she heard that I was phoning Lynda she would be on a rampage and phone up Lynda and make Lynda feel that she needs to step in and be a mediator between me and Myrna. Lynda almost got herself killed because of that.

Sam phones: She texts you up one day, if you don't shoot Sam then I will. I tell you what, she does not know how close she was to not seeing the sunrise again, but I realized Myrna was behind it.

Lorraine speaks: That is how powerful these demonic forces are when you do not disassociate yourself with these people they will

come and get you and they will destroy you just like they did with the Israelites. I want to read from *Judges 2*:

1. And an angel of the LORD came up from Gilgal to Bochim, and said, I made you to go up out of Egypt, and have brought you unto the land which I swore unto your fathers; and I said, I will never break my covenant with you.

2. And ye shall make no league with the inhabitants of this land; ye shall throw down their altars: but ye have not obeyed my voice: why have ye done this? Wherefore I also said, I will not drive them out from before you; but they shall be as thorns in your sides, and their gods shall be a snare unto you.

God brought them out of Egypt and brought them to the land of promise and God never broke His covenant even though they kept sinning against Him. That is what happens when you don't cut yourself off from these people that a spirit has a hold on them and that spirit is set out to destroy you. That is why if Samson would have been smart he would have ran at the first warning. That is why when you have a weakness in your life you deal with these weakness. Samson has a weakness for beautiful women so this Delilah got to his heart. That is why you need to deal with these issues in your life so that these spirits cannot find a weakness. If I would have a weakness and think that is family, you have to realize one thing the Bible has one word for you - Those of your own household will be your biggest foes. So if I have a weakness for family then the devil will get me through my family so I had to cut myself off from my family to make it spiritually and to keep my head above the water. Just like these false gods, the Israelites did not get rid of the people in the land that would become a snare to them that they always had a weakness where they went into apostasy, into sin, and worshipped their gods. Then God would send in a deliverer and then when they had a deliverer to free them from the hand of the enemy that was oppressing them they had peace, but when that judge went off the scene they went into the worse phase of apostasy, and it became a vicious cycle, that is why you want to break these cycles in your life, you get rid of issues or people that the devil uses to destroy you, and it is all so that you can live a victorious life in the Lord Jesus Christ.

Sam speaks: I always say the best thing that you can do for your family and for your children is to continue to walk on with the Lord and to cut off all these ties that Satan has. *Mark 10:*

29. And Jesus answered and said, Verily I say unto you, There is no man that hath left house, or brethren, or sisters, or father, or mother, or wife, or children, or lands, for my sake, and the gospel's,

30. But he shall receive an hundredfold now in this time, houses, and brethren, and sisters, and mothers, and children, and lands, with persecutions; and in the world to come eternal life.

The Lord will give real brothers and sisters, like for you and me, we left all of that behind and the Lord comes down and He gives me a real sister someone that I can trust, someone who will not stab me in the back, someone that is a real benefit and an asset to this journey to this heavenly city. We live by the Word, the reason we are where we are today is that we put that Word above our very reputation, our very name. That is why we can be qualified to bring forth that meat in due season. When I look back on my life I was seven years old when the Lord began to deal with me. Then back in the 90s, He set me on a course, and He said - Sam, I have a work for you to do. I followed that Word, I was up at six in the morning on my knees for an hour, then the Lord let me know this guy is going to come today trying to interrogate you. I was ready for the fight throughout the day. I knew the danger that I was in. It usually came from your own household, your own family can be your worse enemy, the Bible warns us of that in *Matthew 10:*

36. And a man's foes shall be they of his own household.

Back in Deuteronomy, it says the one that is sleeping in your bosom could be your worse enemy. I had to come to grips with reality. It is not that you hate your family or anything it is just the only way that if you are going to survive you just have to walk away from it - Run, Samson, run. Sometimes you just have to get out of Dodge, and cut all these ties off because the only way you can help your children and your siblings, your family is just to continue to walk on with the Word of God. God is going to make a way because there is absolutely nothing that you can do unless it is directed by God. I was thinking of that last week you cannot give your family salvation, only the Lord Jesus Christ can give them salvation and He will if we do our part. He

did it back in the days of Abraham. Abraham had a heart for Lot, and that angel came to Lot and told Lot we cannot bring destruction on this city until you are out of here. You can see it throughout the scripture, it might not be put very plainly, but it is there when you look at Rahab, she was the only one in that family that stood up and believed it, she knew that the God of the Israelites is something else, that they were a force to be reckoned. She said in *Joshua 2*:

11. And as soon as we had heard these things, our hearts did melt, neither did there remain any more courage in any man, because of you: for the LORD your God, he is God in heaven above, and in earth beneath.

The men of Jericho were completely shaken but she believed, *she said unto the men, I know that the LORD hath given you the land, and that your terror is fallen upon us, and that all the inhabitants of the land faint because of you.*

When those spies left they said in *Joshua 2*:

18. Behold, when we come into the land, thou shalt bind this line of scarlet thread in the window which thou didst let us down by: and thou shalt bring thy father, and thy mother, and thy brethren, and all thy father's household, home unto thee.

It is the same today, Rahab did her part and her whole family was in that house when the destruction came and they made it to safety. It is the same today God is not going to change His mind today, He is going to do the same for your siblings, but see, we have to stay faithful to that Word, right to the very bitter end, even though sometimes it does not look like we are doing much and we are terrorized from every angle but we still have to do stay the course.

We just have to sometimes separate ourselves from certain things. I was down at Tim Reliford for 2-3 years and there came a day when the Lord let me know - Sam, we have to move on from here. There is partiality being shown here. He did not tell me what the next step will be He just gave me that one song - *Ich geh den schmalen Lebensweg. Wenn auch verlassen hier, so bin ich dennoch nicht allein mein Jesus bleibt bei mir.* I am going down the narrow road of life and even if I stand alone Jesus will always be with me. That is all I had, I did not know where I am going to end up when I left Grace and Truth, I thought Grace and Truth is the end all where all, the final chapter,

where are you going to go from there, but as I cut my ties off with Grace and Truth, it was not until 2 weeks later that the Lord told me to pick you up, but I had to walk away from this comfort thing. I was comfortable there I was okay but see the Lord wanted me to move on and I had to run Samson, run. Sometimes you just have to get out of Dodge, you are in a situation, where the mob is after you, and Satan would like to keep you locked up in there.

Like when I was staying up with Joe Waldner, and with this group but see God always has an open door and you have to know when to move and when to stand and fight. I just happened to learn over the years when I have to get out of a situation when I had to cut myself off completely from certain individuals. I used to go back to the colony for a visit after I was terminated from the colony. I don't think I have been back there for 10 years because every time I would go back for a visit it would sometimes take me 2 weeks to recover, to get my spiritual footing again, my peace that I had in the Lord, because every time I would go there to visit there is such a depression there, and it would affect me, it was not something that I was used to. I was used to praising the Lord, I would wake up in the morning praising the Lord and throughout the day, and here it took me about 2 weeks to get that back when I visit these places. I think that I have not been there for 10 years. Every time that you break away from these strongholds the devil tries to use them to cage you back in, and it takes you quite a while to recover.

We had a message, about spiritism, sometime back, about how these spirits work how these spirits can make contact with one another how they can keep you locked in, and once you break away how they try to get you back into their clutches. I broke away from that Dave Waldner, he thought laying hands on me that I belong to him now, so I had to go and break away from that spirit. They don't like you breaking away from them, apparently, he had a prophecy come over him and he is going to be the vehicle that God is going to use to convert the Hutterites, and he believed it because some guy from Nigeria prophesied over him. I didn't believe it. It took me quite a time to get away from his clutches. That is when the Lord showed me how these attacks work when I got that attack, here was that Dave Waldner group sending out these demons. Exactly like in the time of

Balaam, Balak went to his demons, to his priest, they are in contact with the devil, and Balak's priests gave Balak information if you can get a man of God to curse these Israelites they are done, but see God would not let him curse them. Today these so-called Christians can put curses on people, back 15 years ago I heard what was going on in the churches they cursed people that did not agree with them and that is how they fearmonger them.

Just like the left does in the States, even with this jab, how they are trying to intimate people and fear-monger them into taking this jab. It is going on a rampage in the spirit world. That is why back when you left Skyview, Satan used Myrna, that episode to try to keep you from leaving, because those spirits had it made, they had you locked up in a system and you will never go anywhere, you will just wake up day after day with a nightmare that you have not done anything for the Lord, and the only way that you can do something for the Lord you have to get out of that system before you can do anything for the Lord, and now the Lord is using you for His glory to put these books into print and now you are really doing something for the kingdom of God. Then when you get to the other side you are going to get a reward, but you could never have done that back in that Skyview colony and the devil knew that so he puts all his forces at work to keep you from reaching your potential.

I could never have done anything if I would have let myself be intimidated by my brother when he said you need a damn good licking, but see I had to get out of Dodge I had to run, it had become a mob thing, if I don't get out I am done, that is the only escape route, I can't fight with these mobs anymore. There are just times when you just have to run, you cannot fight these demons. There is nothing in you to protect yourself, these seducing spirits are so strong. That is why we will not get into a debate, our words are yea and amen you either believe what we are saying or leave it alone it is not up for debate.

Maybe sometimes we may say something that you may not agree with, but just put it on the back burner and just let it simmer for a while. That is what we are about here, we went through these things, through all this all of our life and it was all to train us so that we have something to teach the people that are going to be going through the

same thing. I literally went through that valley: you have to walk that lonesome valley, you have to walk it by yourself, there is no one there to walk it for you, you have to walk there by yourself.

I keep saying it over and over again, until you came on board I was all worn out, I was tired of fighting, the family wants to take you to the mental home and you know that you have something and sometimes they almost convince you that you are crazy but why do I have this peace way down inside of me. The joy of the Lord is your strength, the peace of God will lead and guide you. I can't give that up so I am just hanging in there by myself and like I said it was not until the Lord brought you on board now it is the two of us and even at that we still have our struggles. Satan 24/7 is seeing if he can invade, seeing if he can try to separate us. My family wants me to drop you off in some back alley and your family wants to shoot me, the devil is trying 24/7 to separate what God has put together here, He put this together so that we can have something to teach people, that this is the journey to that heavenly city, this is that journey to that marriage supper of the lamb and all you have to do is come on board and believe it. You don't have to go through what we had to go through. All you have to do is believe it and if you believe it then you adjust your life accordingly and believe me you will end up at the marriage supper of the lamb. The most glorious event for the last 6000 years God has preserved it for this era of time right now, and it is now in effect until the middle of the week of Daniel this invitation to the marriage supper of the lamb.

This is that living water, come and drink out of the water of life freely. It is not our water, we are just repeating what the Lord has dealt with us during the week, we are just verbalizing it to the best that we know how, but you are the beneficiaries of it. It is His living water, it is not ours, we are just like a vessel, like that screwdriver, that screwdriver cannot turn that screw by itself it has to have someone behind it turning that screwdriver and that is all we are, we are just vessels for the Lord and at the end of it we want to be found faithful and true. At the end of the day we don't seek for money or prestige or fame or anything of that manner we just want to be found faithful. So that at the end of the day, we can hear that voice say - well done.

We have nothing here in this world and there is nothing that we can produce for the Lord. Like that one guy that had a heart attack that had an out of body experience. He thought he was doing a lot of things for the Lord, living in the community, and doing all these things but at the end of the day, he found out that he had not done anything for Jesus. It is just that simple and ever since the Lord touched me and said - Sam, let's go, we have some work to do, to expose that system for what it is. These people don't even know that they are locked up in a system, some of them might and they would like to be out of there and be free like you and me, that is why we keep informing people. We don't hate the people, we hate that demon that has them locked up in that system, that has them deceived. The devil knows how to do it, he gives that leader that preacher all the power, and control over all those people the devil knows how to do it, but they are caged in themselves.

Lorraine speaks: People will think that they are strong enough to handle those spirits. When all these preachers came out with their perverted teachings: we are in the 3rd day, we are after 2 days, the midnight cry has not happened yet, and the cut-off for the Jewish people was in 56 AD when Paul shook the dust off his feet. The Lord gave me 2 scriptures: *2 Timothy 3:*

14. But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them;

Then also the one in *Romans 16:*

17. Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them.

In another translation it says to withdraw from them, we have only one biblical advice when it comes to these seducing spirits and that is to withdraw because when you are in a bad environment long enough you will become part of that environment and you cannot get out of it, and that is why you run from these spirits because if you don't they are going to get you.

Sam speaks: They are going to cage you in and you will not be able to get out when you prolong it, you will not be able to get out. Like there is a window when you run but you don't have a guarantee that that window will stay open.

Lorraine speaks: I would not have had a guarantee in leaving the colony when Myrna came into the house and started to bawl, leaving off a racquet. If I would have stepped back and decided I am not going would the Lord have given me another opportunity to leave the colony because that opportunity was from God, if I would have allowed the circumstances there to make me stop from going out the door would I have ever have gotten another chance. That is what people do not realize when God knocks at your door and you do not make a cut, will God give you the grace to ever get you out of a situation again. That is why you have to run and get out of these situations. Like you were saying earlier: Fools rush in where angels fear to tread. Man indeed does that, when you look at when Napoleon met his Waterloo. Was that his battle to fight when he met his Waterloo. I know when he put that pope in prison that it was God ordained but sometimes people get carried away. As Jehoshaphat went into a battle with Ahab, that was not his to fight, and even King Josiah went into a battle that was not his, he was one of the best Kings that Judah ever had but he messed with a situation that was not his to fight and people go places that they shouldn't and they meet their Waterloo, that is why you have to use discernment. Like when these mask mandates came out and these jabs and everything the Lord had given me a scripture: *Isaiah 26*:

20. Come, my people, enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast.

This is not our battle, this is the battle of rejecting God's prophet, God's message for this age, this is the battle for this Laodicean church age that has gone lukewarm, it is not my battle because I have fought my fight, I have fought the fight of faith where I have fought to get out of that religious system and fought my way through these murky waters that came out when brother Jackson left the scene when all these false teachings came about, we came out victorious because of withdrawing from these minefields, from this muddy waters that they produced with all these false teachings. I withdrew from them and that is when you can have victory. If I mess with those spirits it is going to defeat me, because it is not my battle to fight.

Sam speaks: That is right, our battle was to accept the prophet and the message that came in the 60s. The prophet said if they would have accepted the message there would be no need for hospitals. We accepted it when we heard, when it was introduced to us, and we grabbed a hold of it and we grabbed it with a passion. There was nothing that would come between me and brother Branham. As I said, the minute I found out about brother Branham they made sure that my wife gets an anti-brother Branham book trying to tell me that he is a cult and all those things, but I knew what the Lord had shown me - This is my prophet if you believe it then you will be blessed. There was nothing, no devil in Hell, that could get me away from it.

That is when I went back on probation and asked to join the colony again. I had written them a letter telling them that God sent a prophet and about water baptism in the name of the Lord Jesus Christ. They rejected it and they wanted me to reject it too, otherwise, I can never join the colony. Why would I reject it when I know that it is the truth. So there I was terminated again, but it was just the way the Lord dealt with me through life and down through time as a testimony against them that someday they are going to realize that this guy was right in the first place he was trying to show us something and we did not believe him and now he is out there. As it says in Wisdom, is the guy that we thought to be a fool. It is a powerful scripture about how they look at us now and how they are going to look at us over there when the tide turns, and the page is turned and they will say amongst themselves look at that guy is that the one we thought to be fool.

1. Then the righteous will stand with great confidence in the presence of those who have oppressed them and those who make light of their labors.

2 . When the unrighteous see them, they will be shaken with dreadful fear, and they will be amazed at the unexpected salvation of the righteous.

3. They will speak to one another in repentance, and in anguish of spirit they will groan,

4 . “These are persons whom we once held in derision and made a byword of reproach—fools that we were! We thought that their lives were madness and that their end was without honor.

5. Why have they been numbered among the children of God? And why is their lot among the holy ones?

6. So it was we who strayed from the way of truth, and the light of righteousness did not shine on us, and the sun did not rise upon us.

7. We took our fill of the paths of lawlessness and destruction, and we journeyed through trackless deserts, but the way of the Lord we have not known.

8. What has our arrogance profited us? And what good has our boasted wealth brought us?

9. "All those things have vanished like a shadow and like a rumor that passes by;

10. like a ship that sails through the billowy water, and when it has passed no trace can be found, no track of its keel in the waves;

11. or as, when a bird flies through the air, no evidence of its passage is found; the light air, lashed by the beat of its pinions and pierced by the force of its rushing flight, is traversed by the movement of its wings, and afterward no sign of its coming is found there;

12. or as, when an arrow is shot at a target, the air, thus divided, comes together at once, so that no one knows its pathway.

13. So we also, as soon as we were born, ceased to be, and we had no sign of virtue to show but were consumed in our wickedness."

14. Because the hope of the ungodly is like thistledown carried by the wind and like a light frost driven away by a storm; it is dispersed like smoke before the wind, and it passes like the remembrance of a guest who stays but a day.

The Reward of the Righteous

15. But the righteous live forever, and their reward is with the Lord; the Most High takes care of them.

16. Therefore they will receive a glorious crown and a beautiful diadem from the hand of the Lord, because with his right hand he will cover them, and with his arm he will shield them.

17. The Lord will take his zeal as his whole armor and will arm all creation to repel his enemies;

18. he will put on righteousness as a breastplate and wear impartial justice as a helmet;

19. *he will take holiness as an invincible shield*

20. *and sharpen stern wrath for a sword, and the world will join him to fight against the senseless.*

21. *Shafts of lightning will fly with true aim and will leap from the clouds to the target, as from a well-drawn bow,*

22. *and hailstones full of wrath will be hurled as from a catapult; the water of the sea will rage against them, and rivers will relentlessly overwhelm them;*

23. *a mighty wind will rise against them, and like a tempest it will winnow them away. Lawlessness will lay waste the whole earth, and evildoing will overturn the thrones of rulers.*

It really comes out in German, most of these Hutterites that are locked up in that prison, they think that because they have been around for 600 years that God is in it, no - *der Satan ist her herr darin*. It is built on Roman Catholicism, it is built on Nicaea Rome. It is not built on Act 2:38. Try to go in there and baptize in the name of the Lord Jesus Christ there is no grace for him, and he is terminated in a heartbeat, but see at the end of the day what we are saying is 100% accurate. It is 6 more years until that whole infrastructure, that whole beast system is completely destroyed and all that is going to be left is the truth, as it says here - **The sun did not shine for us**. This is right now in the making we are not playing a game here, we are putting these things out for people that have a hunger and a desire for their eternal destiny.

1. *Zu späte Reue der Gottlosen*

Als dann wird der Gerechte stehen mit groszer Freudigkeit wider die, so ihn geängstet haben und seine Arbeit verworfen haben.

2. *Wenn Sie dann solches sehen, werden sie grausam erschrecken vor solcher Seligkeit, der sie sich nicht versehen hätten;*

3. *und werden untereinander reden mit Reue und vor Angst des Geistes seufzen: Das ist der, welchen wir vormals für einen Spott hatten und für ein höhnisches Beispiel.*

4. *Wir Narren hielten sein Leben für unsinnig und sein Ende für eine Schande.*

5. *Wie ist er nun gezählt unter die Kinder Gottes, und sein Erbe ist unter den Heiligen!*

6. Darum so haben wir des rechten Weges, gefehlt, und das Licht der Gerechtigkeit hat uns nicht geschienen, und die Sonne ist uns nicht aufgegangen.

7. Wir sind eitel unrechte und schädliche Wege gegangen und gewandelt wüste Umwege; aber des Herrn Weg haben wir nicht gewusst.

8. Was hilft uns nun die Pracht? Was bringt uns nun der Reichtum samt dem Hochmut?

9. Es ist alles dahingefahren wie ein Schatten und wie ein Geschrei, das vorbeifährt; so wie ein Schiff auf den Wasserwogen dahinläuft, von welchem man, so es vorüber ist, keine Spur finden kann, noch seine Bahn in der Flut;

10. oder wie ein Vogel, der durch die Luft fliegt, da man seines Weges keine Spur finden kann; denn er regt und schlägt in die leichte Luft, treibt und zerteilt sie mit seinen schwebenden Flügeln, und danach findet man kein Zeichen solches Fluges darin;

11. oder als wenn ein Pfeil abgeschossen wird zum Ziel, da die zerteilte Luft alsbald wieder zusammenfällt, dasz man seinen Flug dadurch nicht spüren kann.

12. Also auch wir, nachdem wir geboren waren, haben wir ein Ende genommen; und haben kein Zeichen der Tugend bewiesen, aber in unsrer Bosheit sind wir verzehrt.

13. Denn des Gottlosen Hoffnung ist wie ein Staub, vom Winde zerstreut, und wie ein dünner Reif, von einem Sturm vertrieben, und wie ein Rauch, vom Winde verweht, und wie man eines vergisst, der nur einen Tag Gast gewesen ist.

14. Der Lohn der Gerechten - Aber die Gerechten werden ewiglich leben, und der Herr ist ihr Lohn, und der Höchste sorgt für sie.

15. Darum werden sie empfangen ein herrliches Reich und eine schöne Krone

That gives you the other side of the page. Right now it looks like we are the losers. When reality sinks in it is going to be a horse of a different color.

Lorraine speaks: I always say when we walk through our life how God has led our lives from living in that Hutterite system and took us off to walk on a journey with Him and brought us to brother Branham

and brother Jackson and here we are now today we came through all of these minefields. When I look back at the midnight cry, it happened in 1963, I was not even born then: The time when that midnight cry happened was in 1963 but I will say when I heard the midnight cry the truth for my day and hour when I heard the message of brother Branham and brother Jackson I accepted it, and the Lord has blessed me because I accepted His righteousness for my day and hour. That is what He can do for everyone when they hear this message and believe it, that is their righteousness for their day and hour where God is preparing a people to be ready for the marriage supper of the Lamb.

When you look at the Hutterites, and when you envision a person that has all the food that you can think of and is always full like in the colony you are always full there is always food, there is breakfast, lunch, and supper, and in-between, I could never eat all that food that they have, and that is the way when you are so full how can you receive and how can you ever be hungry. That is the same way spiritually there is no hunger there when you look at the Hutterites the way of life does not create a hunger, but when God is going to create a condition in the earth where there is going to be a hunger and then people are going to start looking around and it is only going to be the truth that is going to set people free. If you don't present people with the truth when the time will come what these preachers are preaching is not going to set people free. You keep saying you have been beating the drums for 30 years and the fish are not biting, it is because they are not hungry for spiritual food.

Sam speaks: They are deceived into thinking that when they go through this baptism, Satan's counterfeit gemeinschaft and baptism, they go to sleep and they are convinced that it is the way to glory but here we are we come on the scene and let them know that it is deception it is going to take you out to hell and death. People will say, you mean to tell me that all these people will go to Hell, I can only tell you what the Word says, and I am going to stick with the Word. I am going to stay with that: one Lord, one faith, and one baptism. I don't know how the Lord is going to deal with all these people in the past, it is none of my business because I am not going to be responsible for what my dad did, and he is not going to be responsible for what I did. Each one has to carry his own package. I believe my dad did what

was required from him in the hour that he was living in, and now God is requiring this from me. He does not require it from everyone, what God requires from me I have to be faithful to what God has required from me. He has required from me to expose that system for what it is. It is a satanic, diabolical, satan's counterfeit that is all it is. It is not real it is not Act 2:38, all we are doing is we are trying to expose it to set these people free. There are people out there, and they know that there is something not right. They love to hear what we have to say, but there is a price to pay, and that's when people say - Oh, you do not want to be identified with that loser. The scripture says: The stone that the builders rejected has become the cornerstone. Every generation has a stone that the builders rejected but nothing can move us we know that we are right, we know that we have been hewed out for this particular job - Who is then, that faithful and wise servant. We have had enough conversations on all of this. *Matthew 24:*

45. Who then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season?

46. Blessed is that servant, whom his lord when he cometh shall find so doing.

47. Verily I say unto you, That he shall make him ruler over all his goods.

That is all we are doing here, I read a lot about that wedding garment, what is that wedding garment. When you listen to brother Jackson and you read 'The Contenders' and nothing would resonate with me, except this past week if someone would ask me, Sam, what is that wedding garment. I would have to go back to the church age of Laodicea these people were naked, they were blind and they were minus a wedding garment. The Laodicean church age is our era of time. In order, to know what that wedding garment is you have to realize what it is like minus the wedding garment. When you go to *Revelations 3:*

14. And unto the angel of the church of the Laodiceans write; These things saith the Amen, the faithful and true witness, the beginning of the creation of God;

15. I know thy works, that thou art neither cold nor hot: I would thou wert cold or hot.

16. So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth.

17. Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked:

18. I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve, that thou mayest see.

19. As many as I love, I rebuke and chasten: be zealous therefore, and repent.

20. Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked:

That is minus the wedding garment, there is absolutely no way that you can get in to the marriage supper of the Lamb without that garment. When you listen to these conversations that we are having here they are meant to dress you, it is putting on that eye salve, it is dressing you so that your nakedness does not appear. The only thing that will dress you is a revelation. When the king comes in to check on the guests and He sees you without that garment He will say - Why do you not have on a wedding garment; why are you still naked. That goes to show some people hear it and they don't do anything about it, you did not let it change your lifestyle, you just heard about it and that's it, you didn't get dressed with that revelation, you did not believe a word that these two people were saying.

Basically, that is what that wedding garment is, it is believing the message for your day, and it has always been that way. You have to believe the message for your day. We have been over and over it. When you go back to the days of Abraham when He believed God it was imputed unto him for righteousness. When you go back and read it, I believe God speaks to a lot of people but they don't pull through with it, He spoke to Abraham and Abraham finally got up and moved, first he went up to Haran and then the time came when he got rid of Lot. Then finally the Lord came to him and said, look east, west, south, north all of that land I will give you. Then it goes to say it was

imputed unto him for righteousness. Not when God first spoke to him, God was going to see if he will walk in it, Abraham walked in it and He believed God and finally, at the end of it, it was imputed unto him for righteousness.

What good would it have been when the Lord woke me up in the early 90s and said - Sam, I am coming soon, and I would have had a who-cares attitude. Like everyone else went to sleep but I took it to heart and I began to move and I began to lose interest in the things of this world and I began to set my face a flint. Sometimes the Lord had to break a leg to keep me on the course but at the end of the day I believed when the Lord said - Sam, I am coming soon, I am coming in your lifetime. It began to do something in my heart, in my soul, and in my spirit to prepare me for the day and hour that we are now living in. He just kept adding to it simply because I believed it. Then He gave us the revelation of the midnight cry. Who then is that faithful and wise servant and He gives us the right to deliver that living water. Simply because back then I believed when He said - Sam, I am coming soon. More or less He was saying I am coming in your lifetime, and until this journey is finished then and only then will I receive that righteousness because I believed what He told me back then. If I would have stopped halfway through the journey I would not get that stamp of approval and righteousness. Abraham received it. You can go and read it, I read it the other day once he separated himself from Lot, it says it was imputed unto him for righteousness. He believed God, and he not only believe God he moved and did according to what God told him, he went to the land that God said He will show him. The same with Noah when you go back and read the accounts of Noah it was not until he was in the ark having followed all the instructions that God gave him, that is when he was classified as righteous. He became a preacher of righteousness. He didn't just simply hear it, he did it. It is the same here, God still has the same principle.

Like Rahab, she put that red ribbon out there and she got her family in and that was imputed unto her for righteousness because she believed it. It is so simple from where we are sitting because we are not encased in that tremendous deception that is out there. We are not part of these seducing spirits, we have already pulled away from that garbage. These false teachings, all these false churches out there,

we see it with clarity, for you and I, it is simple. The Lord has sobered us up, we are not caught up in these seducing spirits and doctrines of devils, and we are not drunk with that wine of fornication. It says the whole world is encased in it. We see with clear eyes, with that eye salve, we see it the way it needs to be seen because we have that eye salve that it talks about. We are about the Lord's business, and we are not ashamed of it.

I don't know what else I could say, I could go on and on about how good we have it but it is all about not being ashamed of Christ, and taking that open door. There are times when you fight, there came a time when I had to go over to their meetings. The Lord moved on me - Sam, I want you to go over to their meetings, not to convert them but as a witness against them, someday they are going to realize that there was someone in their midst that told them the exact truth, and it is what they did with it that will be their responsibility.

We are not here to convince people of anything we are just presenting it here and people can take it or leave it. If you take it you will be blessed, it will get you there, because behind it is the spirit of the living God, and you know He is always right, it is that wedding garment. What is that wedding garment, it is the message for your day. It is so simple that you kind of read over it, and you stumble over it, it is so simple. That is why Jesus said to become as little children. *Matthew 18:*

3. And said, Verily I say unto you, Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven.

We are not here to seek any kind of glory or things of that nature. We only ask for the grace to keep our heads above the water in this horrible hour that we are now living in, with these seducing spirits and doctrines of devils, from every angle the devil has an attack going.

Lorraine speaks: There is a story in the Judges about a Levite and his concubine and what some of the children of Benjamin did to her. When it was made known to all the tribes what had happened the other tribes came together against the children of Benjamin, they had to stand and fight against this wrong that was committed. It was not the whole tribe but they would not give up those people that were partakers of that evil deed. The Benjamin tribe would not give up the

criminals. You can read in places in the Bible where they would give up the wrongdoer and then everyone else could go free. This particular time the criminals were not given up, and therefore all the other tribes went up against them to battle. They made three attempts at it, they had the go-ahead of the Lord to fight the children of Benjamin, but the children of Benjamin were wicked warriors and could not be easily defeated. Anyway, at one point there the other tribes were ready to give up because they were losing a lot of men, but on the third attempt the Lord said to go up I will give them in your hands. So they went up and then they had a strategy. There are times when you are in a battle but you don't know where it is coming from once you know where it is coming from and you can get victory over it. This time they won because they were able to plan out a strategy how to overcome the children of Benjamin. That is the same way with these spiritual battles sometimes you are in a battle but you don't know what it is all about but over time you just persevere and God is going to give you the victory.

Sam speaks: There are certain strategies that you have to use.

Lorraine speaks: Yes, it says in *Romans 8*:

35. Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword?

36. As it is written, For thy sake we are killed all the day long; we are accounted as sheep for the slaughter.

37. Nay, in all these things we are more than conquerors through him that loved us.

38. For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come,

39. Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.

If you are a child of God, God is going to make a way for you.

Sam speaks: We are just here for other people, that is what that website is all about, it is not for us, it is for these people somewhere up the road. That is what the Lord told us to do back in 2010, Sam start up this website. That is all the Lord told us to do, have these conversations and put them out there every week, and that is what we are doing. We are not here to convince people. We just put it out there,

it is up to each and every individual, and you can't push it down people's throats. It does not work like that in the kingdom of God, you can either take it or leave it. Like God told Joshua here it is: I set before you this day your life. God did not force them He just set it before them. Joshua said, as for me and my house, we will serve the Lord. Then they all followed suit at least for that generation. That is all we are doing we are just putting it out there, now if you want it that is good. Take the plunge, try it if you are living in misery, like I was living in misery until the Lord got my attention and said - Sam, we have some work to do. Then my misery ended, and I had the joy of the Lord, naturally it did not go well, you are homeless, penniless, with no job, and everyone is on your case, but that is all part of the program. That is what the Lord told me - Sam, you will become a vagabond, you are going to lose everything and become a vagabond overnight, but that is all good it is all part of the program. It sure paid off too, we have joy unspeakable, we have all our needs met, there are no two people that have it better than you and I have it, and the joy of the Lord is our strength.

Heavenly Father, we just had a conversation around your Word, we are just trying to express the things that you put on our hearts over the last 2-3 weeks. There comes a time when you just have to cut and run, sometimes you stand and fight and sometimes you just have to get out of Dodge. I just pray that you will take what has been said, inspire it, and ignite it in the hearts of the people. Somewhere out there will be people that will want the truth for the day and hour that we are living in, there will be people that will want to be dressed, there will be people that will want to make it to the marriage supper of the Lamb. We just want to give you thanks, you allowed us to go through what we have gone through in life just to present the truth in these closing days. We know that we are in the last generation, we are in the week of Daniel, we know these things according to the scriptures, not according to our ideology, according to your Word we know we are in the week of Daniel now, we ask once again that you will give that increase in Jesus Christ name we pray, Amen.
