

Hallelujah, praise the Lamb,
Hallelujah, praise the Lamb,
I will sing His praise again,
Hallelujah, praise the Lamb.

HOLY GROUND

*We are standing on Holy Ground
And I know that there are angels all around
Let us praise Jesus now
For we are standing in His presence
On Holy Ground*

I LOVE YOU LORD

*I love you Lord, and I lift my voice
To worship you. Oh, my soul rejoice.
Take joy my King, in what you hear
May it be a sweet, sweet sound in your ear*

LORD, PREPARE ME

*Lord prepare me to be a sanctuary
Pure and holy, tried and true
With thanksgiving, I'll be a living
Sanctuary for you.*

THANKS, THANKS

*Thanks, thanks I give you thanks
For all, you have done
I am so blessed my soul has found rest
Oh Lord I give you thanks*

CONSTANTLY AWARE

*When I think of my Lord and how He sought me
Then I just think of His blood and how He bought me
And my blessings are more numerous
Then the stars up above
I am constantly aware of His love.*

Chorus

*Constantly aware that He's everywhere
In my soul, there is no fear
For I know He's always near
And in my heart there's contentment
Like the peace of a dove
I am constantly aware of His love*

*Now when the storms clouds of life around me rage
Then I just cling to that mighty Rock of Ages
And to my soul, He whispers sweet peace
From Heaven up above
Oh, I am constantly aware of His love.*

ON A HILL CALLED CALVARY

*On a hill called Calvary,
Jesus, my Lord, suffered for me;
Carried the cross on that day,
My sins to atone.
Then they nailed him to the cross;
Great was the pain and the cost.
And he suffered it all,
Because he loved me.*

Chorus:

*Because he loved me, my Savior died,
On the cross was crucified.
No greater love, by mortal man,
Has ever been known.
Oh, praise his dear name, I love him so.
I am his, he's mine I know.
And he suffered it all,
Because he loved me.*

*2. Then they carried him away,
Placed him in a lowly grave.
Surely they thought that this would be,*

*The end of this man.
But on the third and glorious day,
God came and rolled the stone away.
And he rose from the dead,
Because he loved me.*

WERE YOU THERE

- 1. Were you there when they crucified my Lord?
Were you there when they crucified my Lord?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they crucified my Lord?*
- 2. Were you there when our Saviour knelt and prayed?
Were you there when our Saviour knelt and prayed?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when our Saviour knelt and prayed?*
- 3. Were you there when they took Him in the night?
Were you there when they took Him in the night?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they took Him in the night?*
- 4. Were you there when before Pilate He did stand?
Were you there when before Pilate He did stand?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when before Pilate He did stand?*
- 5. Were you there when they mocked Him in the street?
Were you there when they mocked Him in the street?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they mocked Him in the street?*
- 6. Were you there when they nailed him to the tree?
Were you there when they nailed him to the tree?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they nailed him to the tree?*

*7. Were you there when they pierced him in the side?
Were you there when they pierced him in the side?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they pierced him in the side?*

*8. Were you there when they crucified my Lord?
Were you there when they crucified my Lord?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they crucified my Lord?*

*9. Were you there when they laid him in the tomb?
Were you there when they laid him in the tomb?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they laid him in the tomb?*

*10. Were you there when he rose up from the grave?
Were you there when he rose up from the grave?
Oh! Sometimes it causes me to tremble, tremble, tremble. Were you
there when he rose up from the grave?*

*11. Will you hear when the Saviour calls your name?
Will you hear when the Saviour calls your name?
Oh! Sometimes it causes me to tremble, tremble, tremble. Will you
hear when the Saviour calls your name?*

*12. Were you there when they crucified my Lord?
Were you there when they crucified my Lord?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they crucified my Lord?*

TO BE LIKE JESUS

*From Bethlehem's manger, came forth a stranger,
On Earth, I've longed, to be like him.
My faithful saviour how rich His favor,
On Earth I long (oh I long), to be like him.*

Chorus
To be like Jesus, to be like Jesus
On earth, I've longed just to be like Him
All through life's journey
From earth to glory
I only ask, Just to be like Him

Serene and holy, obedient, lowly
On earth, I long to be like Him
By grace forgiven, an heir of Heaven
On earth, I long to be like Him.

I don't know why it's so strange for some people to believe that we are here doing the Father's will just like Jesus did, Jesus said, the works that I do you will do. We are just following the same pattern, yet people think that we are crazy when we take that upon ourselves. This is the Lord's website, this is the Lord's doing. It is not our doing. Then they accuse us of everything under the sun. We have nothing to do with it, we have volunteered to offer our service to Him. That is all, I even prayed Lord, use us for your honor and glory. Somewhere along the road of life, He heard me, and He set up this whole program. One day He told me to start up this website and take you on board, He told me without you there is no program, it is all His doing. We are just following along, like He said, as I was on earth so you will be, greater works than these shall you do. So it's nothing strange to us, yet people think that we are crazy when we take it upon ourselves to say that we are only doing the Lord's will.

Lorraine speaks: These kinds of people were back in Jesus day too. They are not just here in this age, and when they did all that to Jesus how much more will they do it here.

WHAT WILL YOU DO WITH JESUS

*Jesus came unto His own
And His own received Him not
He healed the sick and
He caused the blind to see
He made the lame to walk again
And He set the captives free
But they turned their back upon the Lord
And nailed Him to a tree*

*What will you do with Jesus Christ
As He pleads with you today
Will you let Him change your life
Or will you walk away
Will you let Him change your life
Or will you walk away*

*Jesus Christ is still the same
He will do the same for you
The peace He gives is hard to understand
He'll be the kindest truest friend
That you have ever had
Don't crucify the Lord again
Don't turn your back on Him*

*The Lord who died upon the cross
Will come to earth one day
His coming now is even at the door
Will your soul be ready
Will your sins be washed away
OR will He turn His back on you
And say I know you not*

*What will you do with Jesus Christ
As He pleads with you today
Will you let Him change your life*

*Or will you walk away
Will you let Him change your life
Or will you walk away
Don't away, Don't away*

This is what the song says here: Will you let Him change your life or will you walk away. There are a lot of people when Jesus comes knocking with things to clean up in their life they don't surrender it; they don't yield to Him. That is why when you see them 20 years from today they are still the same person, there is nothing that they have surrendered or given up, these old habits, these unnecessary carnal things to the Lord Jesus Christ. That is why Jesus can't change them because people will not give it up and surrender.

Sams speaks: They don't let Him do it, Jesus is the only one that can clean a person up, He does everything if you only yield. Where would we be if we would not let him do with us as He wants, we are still battling. It is still not over yet. If you think we don't have our battles, but you look back on your life it was all about allowing the Lord to change you. I used to smoke cigarettes, and I tried my best to quit smoking, but I could not even quit smoking on my own, one day the Lord came by my way and He just took it away. I kept having nightmares that I am still smoking, and sometimes it would take me until noon to realize that I am not smoking anymore. That nightmare was so real that I was almost convinced that I'm still smoking. The last smoke I had was back in 1971. The devil does not want you to give up these old habits, but the Lord came by and He took it all away, alcohol, I can't drink any hard liquor, I can drink a little wine, but I can't drink any hard liquor anymore the Lord took it away. He came by one day and just took it away overnight, but you have to yield it to Him, you have to want to change. The things that I used to do I don't do them anymore, I have no desire to do them. Anyway, I have a thought here the Lord has been dealing with me on it. Phillip, one of the disciples said to Jesus show us the father. In *John 14*:

6. Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.

7. *If ye had known me, ye should have known my Father also: and from henceforth ye know him, and have seen him.*

8. *Philip saith unto him, Lord, **shew us the Father, and it sufficeth us.***

This is the scripture I want to focus on, in another translation it says - **Lord shew us the Father and we will be content**. The Lord had just finished telling them here if you know me you will know the Father. That is how I sometimes feel. It is kind of a slap in the face, here the Lord had been walking with him for a year or more and they don't see that it is the Father. Jesus over and over kept saying the works that I do are not my works, I am just doing what I hear my Father say. I am just doing the will of my Father. That is why He was up early in the morning praying and sometimes all night, and the God of Heaven, that great eternal spirit showed Him what He needs to do, He was only doing the Father's will and that is what you and I are doing. This website came into being because one morning the Lord woke me up at 5 am, and told me to start up this website. I have told it often enough how it began, it was not my doing. I would never in a million years have started up a website but when the Lord came on the scene and He said Sam I want you to start up a website and then He even gave me the title for it - Let the truth be told. Who is going to let you tell the truth nowadays. The Lord said, let it be told.

That is all we are doing we are not trying to sell our wares because we have no wares to sell. We are just telling the truth and putting it out there, we are putting the content out there, but it is not our content. It is the Lord's content because He has trained us over the years. Go back over your life, the Lord has trained you for this very hour, for this very job that we are doing. It is really His doing and people will accuse us of doing our own thing, we are not doing our own thing, never in a million years would I take that upon myself to deliver meat in due season. The Lord has called us into that and has prepared us for this before the foundation of the world. He set it up this way that when we will be born in this era of time He is going to prepare us, that is why we had to go through what we have gone through to get us to where we are today. It has nothing to do with us.

9. *Jesus saith unto him, Have I been so long time with you, and yet hast thou not known me, Philip? he that hath seen me hath seen the Father; and how sayest thou then, Shew us the Father?*

10. *Believest thou not that I am in the Father, and the Father in me? the words that I speak unto you I speak not of myself: but the Father that dwelleth in me, he doeth the works.*

11. *Believe me that I am in the Father, and the Father in me: or else believe me for the very works' sake.*

12. *Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and **greater works than these shall he do; because I go unto my Father.***

13. *And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son.*

14. *If ye shall ask any thing in my name, I will do it.*

See here it says, *greater works than these shall he do; because I go unto my Father.* To us it is not a riddle, it is not a strange thing, but you know we have been speaking for 10-15 years and still, people don't believe that it is possible that we can be so in touch with God, that great eternal spirit, that we are actually doing His will.

This one guy comes through here and I go to bed minding my own business and the Lord lets me know that guy out there has a demon. It was just as natural as water running downhill. I just told that demon in Jesus name you will have to go. It was not me, it was that great eternal spirit, the Lord brought it to my attention that man out there has a demon. As I said, I said in my spirit, in Jesus name you will have to go. I didn't even have to voice it, it was just in my spirit that I said that, and that demon recognized it and he started listening and I said it again, in Jesus name you will have to go. The third time that I said, in Jesus name you have to go, then he just took off, he could not get out fast enough but it was not me it was the Father that great eternal spirit. Jesus said the works that you see me do you will do. *John 6:*

29. *Jesus answered and said unto them, This is the work of God, that ye believe on him whom he hath sent.*

The Lord showed us what to do and we did what he came here for, what he does with it now is his business. We can only go so far

with people and then the rest is up to them. As you were saying people don't yield and then they go back into the same gutter that they came out of simply because they can't move ahead, they can't yield, or they are too proud to admit it. I don't know what the hold-up is. Like you live this sinful life and you are sick and tired of your life and you want a new life so you yield it to the Lord.

Lorraine speaks: That's what Jesus told that man at the pool of Bethesda, Jesus healed him and Jesus saw him later on in the temple and He said to him: *John 5:*

14. Afterward Jesus findeth him in the temple, and said unto him, Behold, thou art made whole: sin no more, lest a worse thing come unto thee.

Sam speaks: That's right, He warned him. That is exactly right.

Lorraine speaks: That is why you need to shape up.

Sam speaks: Yes, pay attention, read the Bible there are things that you can avoid by getting up in the morning pray in the day. You can't expect to sleep until noon and expect this to automatically come to you. That is when the fight begins now you are in a fight, in a battle and you are not going to make it if you want to be lazy, this is a fight to the finish. The Lord saved me back in 71, I was a fireball for 3 years and then I backslid for maybe 10 years or so, but I was miserable and the Lord saw my misery, and by His grace and mercy, in the early 90s He came knocking and said - Sam, let's go, we have some work to do. This time I didn't want to backslide anymore. This time I put in every effort that I could I was up before 6 am, and I was up praying in the day. I was beginning to be sober and to be vigilant, because I knew how easy it is to slip back into the gutter if you are not sober and if you are not vigilant, and if you don't do your due diligence, and I have been going ever since the early 90s. For 30 some years now, I'm firing away on all four cylinders or all eight cylinders. Now I am unstoppable, people try and stop us, they try to throw us a curve ball. As we moved along in this journey I would sometimes beat myself up because I have all this information and I know that I am right and I know that it is true about the 7 stars that Jesus held in His right hand and I know about the 7 church ages, I know about the church age messenger, I know about brother Branham and about brother Jackson

and yet I have all this information and nowhere to vent it; nowhere to express myself.

One night, at 10 pm at night, I got a call and I was asked - Sam, who is Jesus Christ. I don't know if it was a trap, but as I have said before, I told him, before I can tell you who Jesus is I have to tell you first who God is, and I spent about half an hour talking. Then I was very frustrated with myself, here I have all this information and I can't tell the people. I didn't know what to do, I couldn't sleep and around 4 am I dozed off, and at 5 am the Lord woke me up, and He said - Why don't you start up a website. Then of course, I didn't know anything about a website and you know the story and how it went. I did what I could, I didn't know anything about setting up a website and about computers and that stuff, but I had a friend that was a computer teacher, he taught in school how to work with computers so I got in contact with him, and he could only help me so much and then the Lord brings you on board and you get it up and running. It is all the Lord's doing. It is the Lord that put in my heart to do this website.

What I am trying to say today, all week the Lord has been dealing with me that these are not our works, these are the works of God. Before I can go too much into this we have to go back to who the natural man is. We have to realize who we are, we are born in sin, we are shaped in iniquity, and we come into this world speaking lies, there is absolute, no matter how deep you dig, nothing decent and moral and godly about this carcass that we are living in. When everything is said and done Paul said who is going to deliver me from this man that I am living in but I thank God through Jesus Christ. That is what I want to make clear before I go too far into this I want to make sure that people get who you really are without the Lord. The song says: *Wer bin ich, wenn es mich betrifft. Ein Abgrund voller Sündengift.* If I translate, it would be, Lord, when it comes really down to it what am I, nothing but an abyss full of poisonous sin. That is it.

Lorraine speaks: The proof is all there, when they caught that woman in adultery, they brought her to Jesus wanting to stone her, and Jesus bend down and wrote on the ground as though He heard them not, so they kept harping away saying *Moses in the law commanded us, that such should be stoned: but what sayest thou?* So Jesus stood up and said, *He that is without sin among you, let him*

first cast a stone at her. Then He stooped down again writing on the ground and slowly bit by bit they all disappeared. There was just the woman standing there before Him, then Jesus said: *Woman, where are those thine accusers? hath no man condemned thee?* She said, *No man, Lord.* And Jesus said unto her, *Neither do I condemn thee: go, and sin no more.* Go and sin no more, once you realize your sin go and sin no more. That is who the natural man is, there is nothing in the natural man.

Sam speaks: I went through it during the week that natural piece of garbage and everyone wants to protect and defend him. Like when you say something negative about the natural man something rises up a defence mechanism. I was thinking about how bad can it get before people will realize and admit that there is no good in this thing that we call ourselves. There is no good in Sam, no matter how deep you dig. I was thinking about what is written in Ezekiel when the Lord looked down and He saw this girl she was like a day old and was laying out on the field. It records this birth, there was nobody there that could help that girl, there was nobody there to rub the blood off her, and there was no one there to cut the biblical cord. Absolutely nobody could help that birth that was laying there, and then the Lord rich in mercy looked down, and from the depth of His soul, from His innermost care and compassion, He said you shall live, you shall live.

That is where we would be, the whole human race would just disintegrate into nothing if it was not for the mercy and the grace of God, and here people think that they are something. There is your picture if you want to know who you really are, go and read it in Ezekiel. It was just because of God's mercy, rich in compassion that He took it upon Himself and He said I am going to make something of you if you let me. You can read it, how He dressed her, and then she come to age and saw how pretty she was, and all of a sudden she turns her back on God, the very one that took it upon Himself to help her. That is where the danger is the Lord does things for us and we need to continue to praise Him, to give Him the glory. It talks about Jerusalem but it also applies to the Human race. *Ezekiel 16:*

1. *The word of the Lord came to me:*

2. *"Son of man, confront Jerusalem with her detestable practices*

3. *and say, 'This is what the Sovereign Lord says to Jerusalem: Your ancestry and birth were in the land of the Canaanites; your father was an Amorite and your mother a Hittite.*

4. *On the day you were born your cord was not cut, nor were you washed with water to make you clean, nor were you rubbed with salt or wrapped in cloths.*

5. *No one looked on you with pity or had compassion enough to do any of these things for you. Rather, you were thrown out into the open field, for on the day you were born you were despised.*

6. *"Then I passed by and saw you kicking about in your blood, and as you lay there in your blood I said to you, "Live!"*

7. *I made you grow like a plant of the field. You grew and developed and entered puberty. Your breasts had formed and your hair had grown, yet you were stark naked.*

8. *"Later I passed by, and when I looked at you and saw that you were old enough for love, I spread the corner of my garment over you and covered your naked body. I gave you my solemn oath and entered into a covenant with you, declares the Sovereign Lord, and you became mine.*

9. *"I bathed you with water and washed the blood from you and put ointments on you.*

10. *I clothed you with an embroidered dress and put sandals of fine leather on you. I dressed you in fine linen and covered you with costly garments.*

11. *I adorned you with jewelry: I put bracelets on your arms and a necklace around your neck,*

12. *and I put a ring on your nose, earrings on your ears and a beautiful crown on your head.*

13. *So you were adorned with gold and silver; your clothes were of fine linen and costly fabric and embroidered cloth. Your food was honey, olive oil and the finest flour. You became very beautiful and rose to be a queen.*

14. *And your fame spread among the nations on account of your beauty, because the splendor I had given you made your beauty perfect, declares the Sovereign Lord.*

15. *“But you trusted in your beauty and used your fame to become a prostitute. You lavished your favors on anyone who passed by and your beauty became his.*

16. *You took some of your garments to make gaudy high places, where you carried on your prostitution. You went to him, and he possessed your beauty.*

17. *You also took the fine jewelry I gave you, the jewelry made of my gold and silver, and you made for yourself male idols and engaged in prostitution with them.*

18. *And you took your embroidered clothes to put on them, and you offered my oil and incense before them.*

19. *Also the food I provided for you—the flour, olive oil and honey I gave you to eat—you offered as fragrant incense before them. That is what happened, declares the Sovereign Lord.*

You can read the whole chapter, it talks about Israel how God called them out of Egypt, and how they turned their back on God and just spat Him in the face and went into idolatry. That is the whole human race if you don't do due diligence and if you don't sober up that is what we all become, each one of us was laying in our blood, there is nothing that you and I can do, spiritually speaking, for our destiny but the Lord rich in mercy said you shall live. He took it upon Himself that He is going to do something for mankind because mankind back in the garden of Eden chose to go down that path, and God rich in mercy promised that He will send a deliverer and redeem all things, and God made provisions through His only begotten son Jesus Christ. That is why I say, there is absolutely nothing in the Human race about the natural man, that is why it is so important that we tell people, there is nothing that we bring to God, there is no value, no matter how deep you dig, the only thing when you do something it is self-righteous, and the Bible says is it filthy rags. When you try to be righteous it is all a self-made righteousness and it does not amount to anything.

All week long, I was walking through that natural piece of garbage. I was taken back to Ezekiel, that is who we really are, without God's grace that is what would have become of us. We cannot do anything on our own, Jesus was doing the will of the Father, and they

still could not see the Father, and that the Father was doing it through Jesus. Now when we say that we are about the Father's business they think that we are crazy, they send us these stupid emails that do not make sense, but behind it is the spirit of Satan trying to shut us down because we are transmitting what the Lord deals with us on. I can walk you through my life back in the early 90s the Lord tapped me on the shoulder and told me I have a work for you to do. Now fast forward to 2010, I didn't know anything about computers and the Lord moved the program ahead. I didn't know anything about brother Branham and brother Jackson back before God started me on this journey. Then I spend 10 years with Faith Assembly and then things started to develop and I had to separate myself because I stuck with the Word of God. Sometimes the Lord will not move by His spirit but He has it in His Word. It says in *Romans 16*:

17. Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them.

See we have been taught by brother Branham and brother Jackson what the 3rd day is and all of these doctrines. That is why I said the Lord does not have to come down and shake you up, you just see it in the Word. I saw it in the Word, and we can't go along with we are in the 3rd day when I know very well we are not, so what does the scripture teach us to do, it says to mark them that cause divisions, teachings that are contrary to the doctrines that we have been taught and it says from such turn away. What causes divisions - when people do not hold on to the doctrines and come out with a different belief structure saying we are in the 3rd day, and the 2 days are done, it tells us to withdraw from these teachings, and we withdrew ourselves from all of these teachings.

The Lord took me down to Grace and Truth and I was down there for 3 years and then there was partiality being shown, and the Lord did not want me to be contaminated with that spirit of partiality. They treated Allen one way and then Davis another way. They really came down hard on Allen, so much that there was a church split, and here Davis comes along and does the same thing by teaching the 2 days are done which is even more subtle. I even asked Tim Reliford what are you going to do about it - Nothing. Like he is saying, I am going to

reach for a different set of scales. Well, that is not the way that the Lord works, and eventually, the Lord took me out of there, and it was not until Tim preached that message - Spiritual ADHD, he was saying how can I fellowship with you when you have a different view. He was spot on with that message and the Lord took me back in there. What happens now is God is going to test you. I was telling you this morning when that thing developed, all of a sudden Davis preaches things that are contrary and Benjamin Boyd goes down to Davis and before you know it that whole thing is like that leavened bread and nobody takes a stand for the truth anymore, Keith Meeks goes up to Hefner knowing full well that Hefner teaches that the 2 days are done, knowing full well that it is wrong teaching, and there is a mishmash. All it takes is a little leaven and that lump is leavened.

When you look back because you have to step back and you analyze where these false teachings take you and now there is nothing there anymore. It is all leavened and you don't know if you are coming or going. So the Lord took me out, the Lord just pulled me out of there completely. As I said some time back, I didn't know what direction it was all going to go but the Lord has led and guided me. He promised Sam, I will never leave or forsake you. So He pulls me out of Grace and Truth and now where am I going to go from there, I can't go back to this group here because this group here believes that the Midnight Cry has not happened yet, they are even worse than Faith Assembly. I can't fellowship with people like that, and I can't go in and debate and argue back and forth about it. You either get it or you don't, my Bible tells me to mark them and separate yourself from them and that is what we did and maybe a month later the Lord tells me to pick you up and go trucking and then He lets me know without you there is no program. That was back in 2010-2012 and we have been doing this ever since, but it is not our work. When you look back and you analyze it all it is the works of Him, just like Jesus said, the works that you see me do are not my own, they are the works of Him that sent me. That is what we are trying to do, we are trying to present God, that great eternal spirit, we are trying to do everything that we can so that people will see Jesus in us. That is why it says: *Wer bin ich, wenn es mich betrifft. Ein Abgrund voller Sündengift;*

Who am I Lord, when it comes down to it, an abyss of poisonous sin. That is why it is a constant battle to crucify the flesh, it is set up that way so that you mortify the flesh because the natural man will do everything that he can the minute he wakes up in the morning he is going to try to throw you a curve ball because the natural man and the spirit man they are at war with each other. You have to make sure that natural man, that piece of garbage, that you drag out of bed, stays under subjection. That is where the battle is. The saying goes whichever dog you feed the most, that is the one that wins.

Lorraine speaks: That is why you have to be armored up with the truth. You need to have your loins girt about with truth and the breastplate of righteousness. You have to be armored up so that you don't fall for these devices.

Sam speaks: I was actually thinking about that, we are about the Father business, Jesus said, I've come to destroy the works of the devil, and we are just continuing to destroy the works of the devil. We come out of that Hutterite nation and that Hutterite nation is not built on Acts 2:38, it is built on Nicaea Rome, and Nicaea Rome is built on the Roman Catholic church. The foundation is demonic, that is when Constantine instituted that from now on you are going to be baptized in the titles of father, son, and holy ghost, and the Hutterite foundation is built on that diabolical satanic phony water baptism. The foundation is no good, and I was seeing it all week long you are trying to help these people but how can you help them their foundation is corrupt it is not going anywhere. We run into them from time to time, and some will say we are not like the other colonies we are a little bit more liberal but their foundation is all the same, a dirty rotten foundation, it is built on Nicaea Rome. That is what the Lord has walked us through and taught us through the ministry of brother Branham and brother Jackson. The Hutterites, don't even know what Nicaea Rome is but see we do, it is Satan's counterfeit diabolical church. That is what it is that is the birth of it, it is Nicaea Rome. When we go out there and say these things they think that we are crazy, but we are just telling them the truth. The Bible says to plant a good tree because we know that a rotten tree can't bring forth good fruit, and neither can a salty well bring forth sweet water it is utterly impossible.

My dad tried, bending over backward, to try to make that Hutterite system work, and one day I told him, Dad it is not going to work because it is not a good tree. If it would be a good tree it would bring forth good fruit, and he could not even raise any money to help missions to India, he could not even raise one cent a person, it would have just taken \$1 a day, and he could not even do that. He almost had a stroke because of that, I think, he really tried to put his heart into trying to do something for God with that system. I told him it is impossible because it is not a good tree. If it was a good tree you could pull it off, but because it is not a good tree he could not do it, he could not persuade anyone to put in \$1 a day for missions to India. Then I saw how it works, you have to plant a good tree. How do you plant a good tree you have to demolish that rotten tree that Nicaea Rome foundation. That is the first thing that the Lord put me through, the ministry of brother Branham and I found out that before I can do anything and be of any value I have to get baptized in Jesus name for the remission of sin. Now you are planting a good tree, now the foundation is good, at least I got baptized in the proper baptism Acts 2:38. Then from there, you have to be sober and you have to be vigilant and you have to do your part, you have to be praying, you have to make sure you stay the course, and not fall back into it. I was in a backslidden state for 10 years, I don't ever want to go back there again, so what do you have to do, you have to put in due diligence and then God can use you for His glory.

For some reason when the Lord saved me that was my prayer - Lord use me for your glory. I knew outside of that your life does not amount to anything. Later on, I prayed - Lord, help me to be faithful to what you have called me to be. I began to see some things, I read my Bible, and I saw what happened back with those angels in Jude. Those angels kept not their first estate, therefore I lost my estate because of the decision those angels in Jude made. I lost my purpose for living. We are born in this world in sin, shaped in iniquity, we come into the world speaking lies. There is nothing of any value in us, just like it says in Ezekiel, we had no compass, we lost our job, so to speak, because of what happened in the garden. God has a calling for each one of us, and that is why I prayed, Lord, help me find my calling, this is our calling what we are doing. As time went on the Lord

would just drop some scripture down - Make your calling and election sure, bit by bit the Lord did all this educating, simply because we yielded to Him and we made our calling and election sure. I found out my calling is to do exactly what we are doing here. When we say, the Sam and Lorraine chapter, they think that we are bragging about ourselves, and we are doing something that is completely unheard of. No, we finally found our place in Christ, like the angels in Jude left their estate, and the whole Human race lost their place and now we have to find our way back to it, because of Calvary Jesus made it possible.

When you go back and see the life of Peter and the apostles and they all wanted to be the big guy on the block, even after the resurrection Peter wanted to know what Jesus is going to do with John and I am paraphrasing this - Is he going to be the big boy on the block. See they still had that ambition to be something and what did Jesus tell him - What is that to you if he tarries until I come, follow thou me. Jesus was saying, I have a work for you to do. God that great eternal spirit has a job for each and everyone, all a person needs to do is tap into what God has for him. Jesus was saying to Peter meanwhile you follow me. That is all we are doing, we are following what God has hewn us out to be, and it just happens to be this. When we walk through our lives with brother Branham, and the ministry of brother Jackson and when they left the scene there were false teachings arising causing mirky water, and the Lord had us write an exam about what we believe and why we believe them. Then it goes on to who then is that faithful and wise servant who the Lord has found worthy, who is faithful and wise to deliver meat in due season: Matthew 24:24.

Finally, He found somebody that is going to stay the course, that is not going to cave when these false teachings come along, such as, we are in the 3rd day. We separated ourselves, He is not going to find us compromising with the 2-day crowd, we just separated ourselves. He is not going to find us joining hands with the teaching that the midnight cry has not happened yet, we separated ourselves. We did exactly what the Bible says to do, from such withdraw. God is going to find a way, we are not going to compromise, we are not going to leaven that bread, we are just going to keep on going. We are guided

by that unseen hand. That is why we are where we are today, simply because He found us faithful and true and now He is allowing us to deliver that living water. He gave us the revelation about the midnight cry. I know that I know that He is the one that gave me the midnight cry. Without that midnight cry, I would not know where we are living at in time. So He gave me that midnight cry, and we do the math, we have a certain amount of brains that we can use. He gifted you with the desire with those 7 feasts. I know we have been over this again and again but we have to repeat it just like Peter said, even though you know these things you have to remind people until it is established in your hearts. Apparently, it is not, because of the emails that we get we get accused of doing our own thing and this, that, and the other, they just don't seem to get what we are trying to say here. We are not doing our own thing.

Lorraine speaks: When I go back in my life when I was seven years how God walked me through that Hutterite system of religion, that oppression when I look back I didn't understand all the things that I experience living under that system. Now, not everything is bad, that is not what I am saying, but the spirit of it is what we are talking about. Brother Jackson would always say I am not talking against a Catholic person I am talking about the spirit of that system. That is what we want to make clear when we talk about these things it is the spirit behind that system, I have experienced the oppression of that system and now looking back at what it all is I know that it is that Nicaea Rome system. When I was just a young child I felt that oppression, I felt the pain in people and nobody can take that away from me. We run into some Hutterites and they ask you where you are from and when I let them know they will make a face. So I ask why and what's the matter and they tell me that there are a bunch of families that left there because they could not live out their faith there. I tell them, it does not matter where you go the Hutterite system it's all the same, and they tell me - It's not, where we live we have a lot more freedoms. I told them - It does not matter where you are from your infrastructure is against you. Then they tell me the preacher is not supposed to be a policeman, but the spirit of that system, with their Nicaea Rome water baptism, is against them how can it be any different. Like I've been to a number of different colonies, and I was in Baker Colony for a month

which is the worst, the oppression there was even worse than in Miami, and Skyview and they claim to be liberal, but that spirit is stronger there. So nobody is going to take that away from me, I walked through these systems of religion, that Hutterite Nicaea Rome foundation. I told these people that we ran into until I was 21 years old it was an all-right system to grow up in. I had a bunch of friends and it was a secure place to grow up in until I was 21 when the Lord saved me, and then I started seeking out my own salvation and that system could not give me what I was searching for and I had to leave. The foundation is built on a false foundation and it cannot give you what your soul and spirit want.

It reminds me of taking a walk in the woods, you are walking along minding your own business and that is how you walk through that Hutterite system, it is nonchalant, it's a monotonous life, you know the daily route of things. Here I'm walking along and then when I was 21 the Lord saved me and I started to read the Bible and I would listen to all these preachers on the radio, different denominations. These Hutterite preachers are not Christians, they don't have the new birth experience so they cannot teach you about God and the Bible as a personal experience, they read these sermons but it's not personal. So I would listen to all these programs on the radio, and sometimes I would be up all night listening. That's what I would describe as walking along in the woods nonchalantly and all of a sudden something happens in your life, and you look up and you pay attention, that's what happened to me when I came to the ministry of brother Branham, the Word of God was opened up to me. What do those seven church ages, those seven stars, those 4 beasts (the lion, the ox, the man, the eagle) in the book of Revelation, and those 4 horse riders represent. All these biblical truths were opened up to me. Why am I a sinner, what happened in the garden in Eden, and why were there giants in the land because of the intermingling between the sons of Seth and the daughters of Cain. Seth was a pure line from Adam and Eve, whereas Cain was a result of Eve having a relationship with that Serpent in the garden before God cursed him he was an upright creature. The Bible started to make sense, your understanding is opened up. That is why I use the example of walking along in the woods and all of a sudden something catches your attention that is

what happened to me when I came to the ministry of brother Branham and then brother Jackson my soul and spirit were soaring.

It was like when Jesus was here teaching and these men wanted to shut Him down, and the people said never a man spake like Him. So that kind of perked their attention because nobody had ever spoken with such power and such authority, that is what brother Jackson did for me he spoke with authority because he knew what he was talking about. These other preachers didn't know what they were talking about.

Sam speaks: In fact, everything that you had been taught from them you had to flush out, and you knew that they don't know anything. You start with brother Branham and continue on with brother Jackson. That is what we are trying to implement. Jesus said, I've come to destroy the works of Satan, the Hutterite will never come to the realization of reality until they come to the ministry of brother Branham and brother Jackson. We are the only ones that are actually trying to help them because the foundation they have will never help them. It will only take them out to Hell and death.

You were saying, having your loins girt about with truth, we are having these conversations week after week and we are hammering away and hammering away, but we are not really hammering at the people we are hammering away at the spirit world at the demonic world. That is why we have to know the truth and we have to know the day and hour that we are living in. When you go through these messages that we are having this is absolutely 100% the truth and that is how we are demolishing in the heavenly realm the spiritual wickedness in high places. It is similar to when a hurricane comes in and there is no stopping that Hurricane, it is only when it starts breaking up that it is harmless. That is what we are doing when week after week we are chipping away, we are hammering away because we have our loins girt about with truth and we are sober and we are vigilant, we have that whole armour on, and that is how we are hitting at the demonic world, and eventually, we are going to be successful because we have the right armour to do it. Like we don't hate the people, but they are caught up in a prison just like we were, the Lord rich in mercy saw it, He saw our desire and He called me out, He said

- I have a work for you to do. I have been trying to destroy the works of the devil ever since, to expose that thing.

Lorraine speaks: When the Lord saved me on the colony when I was 21, I read my Bible, there were a lot of things that I did not understand, I read it and I tried to live holy and upright before Him in love, as it says in Ephesians, but it was not until that I had the righteousness for my day and hour that the scales of my eyes fell away and I could see. You don't know what you are fighting if you don't know the truth for the day and hour that you are living in. That is why when you read in *Ephesians 6*:

10. Finally, my brethren, be strong in the Lord, and in the power of his might.

11. Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

12. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

When you don't know the spirit behind that false water baptism you are fighting something and you don't know what you are fighting, you are fighting against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. You don't know what you are fighting until you come to the righteousness for your day and hour then you know what you are fighting. When you have the message for your day and then you can take on what it says here the armour of God.

13. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.

*14. **Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness;***

15. And your feet shod with the preparation of the gospel of peace;

16. Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked.

17. And take the helmet of salvation, and the sword of the Spirit, which is the word of God:

Then you can have your loins girt about with truth and have on that breastplate of righteousness when you have the message for your day and hour. That is what happened to me when I came to the righteousness of my day and hour, then I had power against the wiles of the devil. Until then I didn't have that armour.

Sam speaks: That is right you just fight and fight, you take 10 steps ahead and 14 back.

Lorraine speaks: That's why you tell people - only believe. If you believe, something will happen, something will take place. That is why we talk about our journey, it is not that we talk about ourselves but to display the power of God what He has done for us, and how He has walked us through these systems of religion, these principalities, and these powers. So when we get these emails telling us that brother Branham is a fraud, a false prophet, and that we talk too much about ourselves then I know right away that this is the devil speaking, because brother Branham was that Malachi prophet. I know God gave me a revelation before I even came to the ministry of brother Branham, He gave me that scripture in Malachi that before the second coming of the Lord Jesus Christ, He will send that spirit of Elijah to forerun and to bring us back to the faith of the early church. That is the scripture that the Lord gave me when I was still in the colony, I had no idea about brother Branham and when I read the church age book I knew this is that Malachi prophet. So no devil in Hell can take that away from me, from us. We know who brother Branham was and brother Jackson they were revealing the son of man. So when they say that brother Branham is a false prophet and how about you stop talking about yourselves, we are displaying the power of God and what He has walked us through in this life. So then I know that it is the devil not wanting us to talk about our experiences.

Sam speaks: What the Lord did for us, and what the Lord has done through us, and God using us for His glory and they don't like to hear that, then they tell us that brother Branham is a fraud. Like you were saying right away you know that this is the devil talking. It might be brother Jackson's son-in-law but it is still the devil expressing himself.

We can expose that spirit that is behind those Hutterite people to set them free, they will never be set free until they come and be

baptized in Jesus name; until they believe the message for the day and hour until they come and sit under this invitation - The marriage supper of the Lamb. They will never be free, the devil will just continue to take them out to Hell and death. I was thinking about that lady we met, she said they have more freedom, but I will tell you what that freedom does, behind it is Satan, you just watch what happens, these colonies can only function under law and order, you cannot give 100 people their freedom where everyone does what they want and what is right in their own eyes. Like when those Judges oversaw Israel, once the Judge was gone, it says, that everyone did what felt right in their own eyes, and eventually when everyone did what was right in their own eyes what happened Satan was sitting back and watching and eventually leads them right into idolatry, right into burning their children to that Moloch and all that garbage. That is what will happen in these colonies with this freedom. Well, here is what the devil is going to do he is not going to let you alone what he is going to do is he is going to bring in his program and it will be not good you can't even go there it will be sex orgies and everything that is evil and wicked because that system the foundation of that system is built on Niceae Rome and it is Satan's counterfeit church. That is why they will have to step back and do as we did, you have to be baptized in Jesus name, and accept the message for my day and hour. When the Lord brought me to the message for my day and hour which was brother Jackson I could not get enough of it. I knew that this was it for me, that is where we are trying to bring these people to, but they think that we are trying to destroy them, but no, that system is already being destroyed because the foundation is going to crumble.

It says, in Revelation 18, it is falling, Babylon is falling and all these systems are built on Babylon. Everything that happened when Adam and Eve partook of that tree the knowledge of good and evil, under Satan's advice, they sold the Human race out to the devil and he has been running the show for 6000 years. Now when it says that in one hour Babylon will be destroyed that one hour equals 7 years. That system is going to be destroyed, there are only 6 years left. Now everything that pertains to the tree of the knowledge of good and evil, that Satan has implemented on planet earth, that whole religious infrastructure will fall, that is why that shaking has to be that it speaks

about in Ezekiel 38, that when everything will be done shaking we are going to come up right before the fall, and everything will go according to what God intended it to be. God knew that all this was going to be but He had to have the infrastructure in place to test people with. As we have said over and over again this planet earth is a laboratory to test people to see if they will be found worthy to go into that age of regeneration. That is why we have to be tested here.

Lorraine speaks: You were saying to be careful where those freedoms that you claim to have, and where they will lead you, and if it is not false freedom. When I felt the anointing under brother Jackson's ministry, that was an anointing that can only come from Heaven, that can only come from the Lord Jesus Christ. When Tim McKay did his spiel down in Moncton, NB and the people said I've never felt such freedom where they were dancing even into the night. Then brother Jackson dealt with that spirit, and he said you had better be careful where that spirit will lead you, it will lead you to outer space somewhere. That is where it is going to take them. It is the same here, these colonies that claim they have more freedom, be careful where it will lead you, don't think the devil is not watching and planning something in the shadows.

It is the same with these people in this world system, they tear down the confederate flag, and they tear down statues of men that have fought for this country and they vandalize them. This is all a movement from the devil because he wants to destroy history. That is why he does not want us to talk about how God has worked in our lives because he does not want people to know and understand the principles and ways of God. These are all there to teach you the principles, the statutes, and the laws of God and how He works. How else can you tell people without telling you how he works in your life, when it is something that is foreign you cannot connect to it, you have to have something that you can connect with and relate to. That is why you need to know history. *2 Peter 1:*

19. We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts:

20. Knowing this first, that no prophecy of the scripture is of any private interpretation.

21. For the prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost.

The world is in a dark place but we have a light that shineth in a dark place. We know what the ministry of brother Branham and brother Jackson did for us. They were manifesting the Lord Jesus Christ, and through their ministry, the majesty of the Lord Jesus Christ was displayed, He is that morning star, it says so in *Revelation 22*:

16. I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star.

It says, no prophecy of the scripture is of any private interpretation, these prophecies are not revealed to any Tom, Dick, and Harry that comes along claiming to be a preacher he has to be called by God to do that, you cannot claim sometimes that is not yours, that has not been given to you by God, by the Lord Jesus Christ whom He sends. People claim roles that they have not been given by the Holy Spirit.

That is why it is important to know the history. One of the Judges in the book of the Judges is Jephtaih. It says that the children of Ammon made war with Israel, and Jephtaih was wondering - *What hast thou to do with me, that thou art come against me to fight in my land?* The King of the children of Ammon answered *Because Israel took away my land, when they came up out of Egypt, from Arnon even unto Jabbok, and unto Jordan: now, therefore, restore those lands again peaceably.* So what Jephtaih did was he walked him through the history of Israel gaining and owning the land coming out of Egypt and how coming out of Egypt when they wanted to pass by their land to go to their place but the Moabites, the Edomites, Amorites would not let the Israelites pass by so God told them to possess the land and they did and that is how they came to have possession of it. See he was able to tell the King of Ammon the history and what God has done for them, he walked that king through what God did through the children of Israel and how they came to be the possessors of the land, now if he would not have known that he would have been powerless and would have thought that it is their land.

Sam speaks: It is the same today because you and I have been taught for the last 30 years, the Lord has brought us through this

schooling, and now when we get accused of things we can go back to those 7 stars and our word is sure and amen. The Lord will back up His Word and we can walk you through these 7 stars, these 7 church ages, and through that Nicaea Rome diabolic water baptism and Satan's church the Roman Catholic church and we can say these things because we have walked through these things, and where it is taking them to, out to Hell and death. Whereas this message will take them to the marriage supper of the lamb. We can say that because we have that sure word of prophecy we have our loins girt about with truth and nothing is going to move us no matter how many stupid emails they send us, or call brother Branham a fraud. It is Satan talking through them because we are right over the target, we are about to hit something here and Satan is feeling his kingdom is crumbling.

Like I was telling you about that Hurricane coming in, once it breaks up it is useless that is what we are doing with Satan's kingdom, we are destroying Satan's kingdom week after week we are hitting that thing with the armour of truth. The devil knows that he has been using this phoney baptism to deceive people and here we are hammering away week after week, repeating things, but see what is happening we are destroying the works of the devil in the heavenly realm. Like you were reading in the spirit world, we are attacking it in the spirit world and eventually, it has to manifest itself in the natural, but you have to get it in the spirit first.

Daniel, was praying for 21 days, and the angel was held up by these spirits, by the Prince of Persia. Here it is the same thing week after week that is what we are doing. We have the armour, we have our loins girt about with truth. Where else are you going to find the day and hour that we are living in, we have the right to destroy the works of the devil in the heavenly realm because we have the armour of truth. If we did not know the hour that we are living in we would be ineffective, but you will see as we keep hitting away and eventually it is going to collapse, and people will see for themselves. We don't even have to talk to people, all of a sudden people will start seeing things and they will wonder why they didn't see them before, it is because we killed it in the spirit world. You just read it here - *For we wrestle not against flesh and blood, but against principalities, against*

powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. What we are doing is we can make known, as it says in Ephesians 3:

10. ...to the principalities and powers in heavenly places might be known by the church the manifold wisdom of God.

That is how we can destroy the works of the devil, first of all, in the heavenly realm and then it will manifest in the natural. It is just that simple, in fact, as I said, we don't even have to speak to people, we speak it out there into the heavenly realm and all of a sudden people's eyes will be opened up to the truth. Like how long have we tried to witness to your brother, he listened to the message - Then shall the righteous shine. Now all of a sudden he could understand what really righteousness is in the eyes of God. It is to believe the message for your day. The righteous shall shine like the stars for ever and ever, because all you have to do is go tell the people about this message. It says in Revelation - He that hearth say come, and if you do that you will gain the righteousness for your day and hour and you will shine like the stars for ever and ever. The righteousness in the sight of God is the truth for your day and hour, and then when you tell someone then you will shine. *Daniel 12:*

3. And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever.

It is just that simple, it is actually so simple that you miss it. So finally after all these years, he gets that part and that is when our labor will pay off, week after week we are just doing what the Lord deals with us during the week. This week the Lord has been dealing with me when Philip said to Jesus - Show us the Father. Jesus replied, so long have I been with you and you have not seen the Father. During the week the Lord was letting me know to let people know that there is absolutely nothing in the Human Being. That is why it is so easy to understand that all you have to do is believe and that is the beginning. When you believe the message for your day then the Lord does the rest, but if you don't even believe how can the Lord have something to work with.

Lorraine speaks: It says, For the prophecy came not in old time by the will of man: but holy men of God spake as they were moved by

the Holy Ghost. It does not come by a man, but by holy men of God spake as they were moved by the Holy Ghost. It is all God but He uses man in His plan. God wanted to include mankind, and that is why God created man in His image and in His likeness, He included men in His plan of creation.

Sam speaks: He wanted to work with mankind, but first He is going to test them. He wanted to work with the angels back in the pre-historic hour they were being tested and finally once the final test was done God included the angel that is why it says in Genesis - Let us make man in our own image. God included the angels. The same way here, when God will find us faithful then we will go into that Millennium reign. Humanity has been tested in these 6000 years and there they will be able to contribute to helping Jesus bring the planet back to where it was before the fall, and it will take 1000 years to do that. If we will be found faithful to do what the Lord has hewn us out to do, then we will help in that age of regeneration. God will not snap His fingers and everything will be honky-dory. No, it is going to take a process and it will take cooperation. The Lord wants to work with us and we enjoy working with the Lord. We will not have to put up with the left, and the corruption in this world. It will be business as usual. The only difference is the devil will be out of the way and the left's talking points, and Jesus Christ, a righteous government, will be there to rule and reign and we will be there with Him because we have been tried and tested. As it says, to him that will be found worthy to go into that age of regeneration. It is still not the perfect age, but an age of regeneration.

Lorraine speaks: No, it is not, it says in *1 Corinthians 15*:

25. For he must reign, till he hath put all enemies under his feet. It is not a perfect age but Jesus is going to reign until all enemies will be put under His feet. Then once it will be all under His feet

28. And when all things shall be subdued unto him, then shall the Son also himself be subject unto him that put all things under him, that God may be all in all.

Once it is all finished, and the plan of redemption is completed Jesus is going to hand the kingdom back to God. A lot of these movies that are out there today, you see the demonic-ness of it, you can see the devil's agenda behind these movies. You would

sometimes say you can learn from movies to see and know what the devil is up to. That is how you can see what the devil is doing with these Klaus Schwab and these Bill Gates when they talk about their agenda and you can see the mind of the devil behind it all when they talk about the great reset. The only reset that I see in the Bible is the Millennium, don't think the devil has a reset he has no power over anything he is just there to test people to see which direction you are going to go.

Sam speaks: Yes, it will reset back to where it was before the fall, that is the only great reset. Everyone is talking about the great reset. I would sit back, and I know how the devil works, like with this New World Order agenda. The devil knows he will never have a New World Order but he pretends he does because he knows that God has a Millennium where Jesus Christ will rule this planet so he is trying to run ahead of it. That is what that New World Order is about, and it is not going to be pulled off because he does not have the Biblical mandate to do that. So we are just watching what these corrupt people do, the world forum, they make all these rules and regulations about eating crickets and things of that nature. It is not going to manifest itself because the devil does not have a biblical mandate to do that. We are just sitting back and watching it collapse because it is on the journey to collapse it only has 6 more years and it will all be done away with. You can sit back and relax, it is not like it is starting, it is ending. Babylon is being destroyed - Rejoice o Heaven and rejoice o earth.

Lorraine speaks: It even says - *Luke 21:*

28. And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.

So you can rejoice when you see these things come to pass. Like this Ruth Bader Ginsburg, they have this statue up in memory of her and it is pure demonic, and you can see what that woman represented, you can see how the devil likes to take over and you see his footprints everywhere but he only has power when people yield to him, but when you stand on guard and on the Word of God because the Word is a lamp unto our feet and a light unto pathway, then we will see through the devil's charade and it will not affect us.

Sam speaks: Look how he has tried to invade here, first with your family and my family, then with that Jeremy and all these tugs trying to destroy what the Lord is doing here. Even to this day sending us emails trying to distract us. I was reminded of what happened back in the days of Nehemiah, we discussed it yesterday when Ezra went back to Jerusalem to rebuild the Temple, and the Arabs harassed them so much that they had to quit building, and when Nehemiah was building the wall they made fun saying that if a fox would run on that wall it would collapse. They always had people harassing them, and when Darius was the king they went and started building again, and it was put to a halt again. They then reminded the king about the decree that Cyrus made, and when Darius found the rolls about the decree he said if anyone attempts the stopping the building they would take the very lumber of their own house to hang them on. *Ezra 6:*

11. Also I have made a decree, that whosoever shall alter this word, let timber be pulled down from his house, and being set up, let him be hanged thereon; and let his house be made a dunghill for this.

He meant business, but it took some doing, and I think about these harassers that send these emails, God is going to tolerate it so long and He is going to come in with a swift judgement. They are not going to move us anyway. I was thinking about all that during the week and how they were harassing and mocking them. They had to have a sword in one hand and build with the other hand.

Lorraine speaks. First, it was Ezra that went back, Zerubbabel and his men started building the Temple in Jerusalem and the Samaritans came and thwarted their building and it was all put to a halt. Then Haggai and Zechariah came out and encouraged them to finish building and they set out to build again. Then it was halted again and letters were sent to Darius to search the rolls for the decree that Cyrus made. Darius had the rolls searched and they found the decree, then he said whoever stops this there are going to be consequences. It was finally finished in 516-516 B.C, then Nehemiah heard about the state Jerusalem was in and in 445 B.C the king allowed him to go to Jerusalem, and it was during the building of the walls that they had to have a weapon in one hand and were building with the other hand. They could not stop them anymore so they were making fun of them and were trying to stop them that way by saying if a fox would run on

the wall the walls would collapse. It was not a very strong wall, because when we were in Israel I asked where the wall that Nehemiah had built was because the walls there today are strong walls. So I was wondering where the wall that Nehemiah build and this one guy told us which side still had a remnant left from the days of Nehemiah. You could see the difference between the walls it was a thin wall, but it has nothing to do with being strong, it was just that the God of Heaven wanted those walls to build that when Jesus will come that the infrastructure would be there, so prophecy had to be fulfilled. Like you were saying they shut them down in the days of Ezra and once they could not shut them down anymore they mocked and made fun of them.

Sam speaks: They will mock us and make fun of us only so long and the Lord will come on the scene and the it will be Kathie bar the door. Not that it affects us.

Lorraine speaks: You can see how the devil thinks. Even with this world setting, with this great reset, with the Klaus Schwab and these ilks, that is how you can see what the devil is thinking. How he wants to erase brother Branham and he does not want us to talk about how God has displayed His power as He journeyed us through this walk.

Sam speaks: Imagine if we would cave, there would be nothing left. They would have that building burnt down so fast. We are the only ones that are holding a line with brother Branham and brother Jackson. Sure there are a lot of people that preach brother Branham but they do not have the ministry of brother Jackson, you have to have both of them and you have to connect them with these seven stars that Jesus held in His hand. This is the only place that you will hear it and we are the only ones that have that midnight cry down pat. Why do we have it - because the Lord gave it to us. He could trust us with that revelation. We are wise and faithful to the Word of God. He tested us over the years and we did not even know that we were being tested.

I saw these things develop at Faith Assembly and at Grace and Truth, and I said I cannot support that. I could not be part of that partiality thing down at Grace and Truth. Here we are and He found us faithful and true. We wrote that exam and now we are doing this here and Satan knows that we are the only ones that have a handle on this

truth, but eventually it will break through because it says - My tables will be full. It leads to that marriage supper of the lamb, the invitation to the marriage supper of the Lamb. We have reason to get antsy because there are only 2 years left until the marriage supper of the Lamb and the middle of the week. That is when Satan gets kicked out of Heaven it is not that long from now. We have the picture, simply because the Lord gave it to us because the Lord found us to be faithful and true. It is not our program, I could never take credit for what the Lord showed me, I can't take credit for that midnight cry, I read that over hundreds of times, but it was not until the Lord made it come alive in my soul. Like that day star opened up, and here I saw that whole end-time, I saw the restoration of Israel. It has nothing to do with a rapture. You have to take your eyes off the rapture, and your eyes on the restoration of Israel.

The disciples asked Jesus will you at that time restore Israel, one day the Lord put the spotlight on that world Midnight Cry, and then I could understand, all these scriptures came into focus. All you have to do is do some math, in 1906 was the beginning and 1963 was the midnight cry. You can do the math yourself like we had to do. It took me a year to get it all together. Then we go to the Yom Kippur date October 15/21 and at the end of it all we had that perfect package on, we were sitting and waiting for about a month for that day to come when Jesus will get off the seat of mercy and the week of Daniel began. We were waiting for it because we knew that it was coming via the Word. It was not only that, the Lord took us to the seven Thunders, the Lord allowed you to see when the Thunders sounded, it was back in 1963, and every day a seal was opened up. Brother Branham came to the pulpit and opened up the revelation of what that Thunder sounded. It all happened in 1963 and you and I are the only ones that see it as such because we have been called for this job, because God has hewn us out for this, and people are still waiting for the Thunders to sound they are going to wait for a long time. It does not make sense that the Thunders would sound now, they have already sounded.

Lorraine speaks: It says, the mystery of God should be finished and when was it finished it was in 1963 at that midnight cry. It was

sealed and that marked the day that it was opened in the heavenly realm and that matches up with the scripture in *1 Thessalonians 4*:

16. For the Lord, himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

We know that brother Jackson said that the shout and the midnight cry are one and the self-same thing. So when was the Lord Jesus Christ revealed - It was through the ministry of brother Branham and brother Jackson. The mystery of God was opened up to us in these last days just like it says in *Revelation 10*:

7. But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.

We know that *Matthew 13*:

17. For verily I say unto you, That many prophets and righteous men have desired to see those things which ye see, and have not seen them; and to hear those things which ye hear, and have not heard them.

These mysteries were being opened to us in this last church age.

Sam speaks: When going through the last 2000 years, in the dark ages everyone was clueless what the book of Revelation was about, they lived through these horsemen but they were clueless as to what it was all about. It was not until 1963 when these Thunders sounded that the understanding of them was opened up, it is a beautiful picture.

Lorraine speaks: Even brother Jackson often would tell this, (maybe it was a couple of weeks before brother Branham was teaching on the seals), someone had asked him about the Jews, are they going to go to Hell because of rejecting the plan of salvation and not being under grace, and he replied there is no other place where they can go. Then brother Branham preached the 5th seal that the Jewish people are under the old covenant under the altar in the 5th seal. Brother Jackson said he had to change his outlook on that part because when that angel revealed the 5th seal, and what it all pertained to, we now know that Israel as a nation is still under the old covenant and God looks at them accordingly. That is why it says in Hosea - After two days He will revive us. They are still living in that old

era. Once those two days ended, (those two thousand years of the Grace Age), then in came that seventieth week of Daniel to finish the prophecy that you read about in Daniel. Then it says, in the third day He will raise us up. That is the Millennium and in that third day, they will be ruling with the Lord Jesus Christ. That is why you cannot discard the people of Israel if they are faithful to the old covenant God is going to look at them accordingly, but if they are like Klaus Schwab and Soros God is not going to justify these people.

Sam speaks: No, they are going to face judgement.

Lorraine speaks: You can see there is a lot of anti-Semitic, some people really hate the Jewish race, and they don't realize that the Roman Catholic Church has a lot of those Jewish people under their thumb so they are really just puppets to the Vatican, and the Vatican puts them out there and they are doing their bidding. Just like that Greta girl, she is just a tool and she is being played by the devil.

Sam speaks: Even Zelensky is a Jew, the Ukrainian president. The Vatican puts them out there as a puppet to make people hate the Jewish people.

Lorraine speaks: There are some very corrupt Jewish people there is no getting away from that. We were in Israel and there are a lot of good decent people family oriented and they don't want any harm for anyone they just want to live in peace. These things that you see in the media is all a lie of deception.

Sam speaks: You have to see the Vatican behind it all, the Vatican hides behind these people. The Vatican is behind killing Lincoln, they are the ones that got rid of Kennedy. They are the ones that got America into the Vietnam war. They are the problem, but they are still God's whip. The American people rejected God's prophet, if they would have accepted the prophet that God had back in the 60s for America there would be no Vatican destroying America, Kennedy would have gotten the second term, and you would not see the America that you see today, but see they rejected the prophet so when you sow the wind you have to reap the whirlwind.

Now they have to go through this American Holocaust. Just like the Jews they rejected the fishers and then God had to bring in the hunters, that is why they had to go through their Holocaust. Just like when Jesus walked this land, they rejected the Lord of glory, and then

35 years later the siege of Jerusalem happened to put into exile the Jewish race, simply because they rejected the Word. Here it is the same people who will reject this message the invitation to the marriage supper of the Lamb, it is only going to get worse because you can read in Matthew 22 how He is going to send in His army and kill these murders and He is going to burn down their cities. That will all happen in the second part of the week and then Katie bar the door. That is why we are putting all of our efforts into trying to wake people up, trying to invite them to the marriage supper of the Lamb because if you don't take it you will not want to wish it on your worse enemy what they are going to have to go through once Satan will be kicked out of Heaven and then it says in *Revelation 12*:

12. Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.

It is only 2 more years so you need to take advantage of every chance and opportunity to prepare yourself for the marriage supper of the Lamb. As I said, that is why all of our resources go into this, everything that we say and do is to invite the people to the marriage supper of the Lamb. We have nothing else to say, that is the heartbeat of God that is why it says in *Revelation 19*:

9. Write, Blessed are they which are called unto the marriage supper of the Lamb. And he saith unto me, These are the true sayings of God.

Then it says *Revelation 22*:

17. And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely.

Just by believing it, that is partaking of it, all you have to do is believe it and God will do the rest. All you have to do is believe it and you will see something happening in your makeup but God cannot work with you if you don't believe it. Can you imagine trying to tell people if they don't believe it. All God is doing is trying to get people to believe this end-time message.

Lorraine speaks: I know how it works I walked through it when the Lord saved me and it was not until I came to the righteousness for

my day and hour when things in my life I could understand how these principalities and these workers of darkness, how they are working day and night to hinder the plan of God.

Sam speaks: That is why we are doing what we are doing here, this is our job, and we don't need any pat on the back. All you need to do is thank the Lord for it because we are just doing our job and at the end of the day we just want to be found faithful. This is our job this is what we do. It says some people do things so that they can get glory from man and then it says they have their reward here because they did it for the wrong purpose. We are doing this because this is what the Lord has called us to be, we don't need any pat on the back, we don't need this praise thing. The Bible says, woe unto you when men shall speak well of you. If you want to praise someone, praise Him, and thank Him for allowing you to open your eyes to see the day and hour you are living in. Give Him the glory, we don't need it, because it does not belong to us. We are just vessels in His hands that is it. There is nothing in us that has any value. We are trying every week as best as we can and it does not come from us. Go and listen to the message - The natural man versus the spiritual man. Over and over we try to tell people that we really are nothing but an abyss full of sin, everything that is not good. Like that birth in Ezekiel that we read, no one could help until God took it upon Himself to help mankind. That is the Human race. That Hutterite nation, the Lord brought her over here to this country and now when everything is ripe hopefully they will grab a hold of this truth instead of spitting God in the face. Hopefully, they will be grateful for what the Lord has done for them. That is what we are we are just grateful that the Lord saw fit to bring us out of that Hutterite system to show us this truth for the end-time.

Lorraine speaks: He walked us through the understanding of what the system is all about and the foundation of it. We gave glory to God that He allowed us to walk through it all and He opened up our understanding to the works of the devil.

Sam speaks: We didn't just show up, it is about battling and wondering, searching and praying and fasting why is this like that. Why don't they hear us, here we are still chipping away, but it is that spirit world that is keeping the people blind. Just like it says in 2 *Corinthians 4*:

14. in whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.

As we keep chipping away somewhere up the road it will happen, I see one scripture - My tables will be full. They will be marching into these tables because the Bible says so - My tables will be full, even if they will have to be filled up with the highway, and the byway people, but it will happen.

Anyway, that is what the Lord was dealing with me today, what the Human race is, and Paul even talks about it and he said who is going to deliver me from this, he went on to say, I thank God through Jesus Christ. That is the only one that can do it, don't think that there is something in you, you can go and try but you will find out you will get very frustrated, and at the end of the day, you are going to pull off nothing. I couldn't even quit smoking on my own. You would think that it is a small thing, but I had to depend on the Lord to do that. That is what I saw, can't you see the Lord working through us, there is nothing in us, how often do we have to tell people. *Wer bin ich, wenn es mich betrifft. Ein Abgrund voller Sündengift; Wer bin ich, Lamm in deiner Pracht, Ein Mensch, der Engel weichen macht.*

We need these German songs to penetrate through. There is another one -

*Sie scheinen von außen die schlechtesten Leute,
Ein Schauspiel der Engel, ein Ekel der Welt;
Und innerlich sind sie die lieblichsten Bräute,
Der Zierat, die Krone, die Jesu gefällt,
Das Wunder der Zeiten,
Die hier sich bereiten,
Den König, der unter den Lilien weidet,
Zu küssen, in gülden Stücken bekleidet.*

This speaks of the new birth, I am talking about the new birth what happens when you let the Lord clean up when you surrender all your aches and pains and all your issues to Him, but if you go out and say I don't have any issues then the Lord can't work with you.

Like Jesus said in Mark 2:17

They that are whole have no need of the physician, but they that are sick: I came not to call the righteous, but sinners to repentance.

Heavenly Father, we just had a conversation around your Word, I just pray that you will continue to give us wisdom on how to execute these things that you put on our hearts. We just come against every weapon and every high thing that might exult itself above the knowledge of God, every weapon that is formed against us that it will not prosper. We come against every thought any negative email, and everything that will try to hinder us and we bring everything under the obedience of Jesus Christ. We come against the heavenly realm the demonic forces in the unseen world, that you will dismantle them so that they can no more blind the people so that the glorious light of your gospel will shine through with this end-time truth, this end-time message that you brought about with a great price through the ministry of brother Branham and brother Jackson and here we are trying to hold unto the fort, trying to hold unto the things that we have been taught, and most of all we pray that you will give that increase in Jesus Christ Name we pray.
