

HALLELUJAH, PRAISE THE LAMB

*Hallelujah, praise the Lamb
I will sing His praise again
Hallelujah, praise the Lamb
Hallelujah, praise the Lamb
Hallelujah, praise the Lamb
I will sing His praise again
Hallelujah, praise the Lamb*

I KNOW THE LORD WILL MAKE A WAY

*I know the Lord will make a way for me
I know the Lord will make a way for me
If I live a holy life
Shun the wrong and do what's right
I know the Lord will make a way for me*

*I know the Lord is coming back for me
I know the Lord is coming back for me
If I spend my life in prayer
I will meet Him in the air
I know the Lord is coming back for me*

MORE THAN ANYTHING IN MY LIFE

*More than fame, wealth or desire
More than all this world's attire
More than anything
In my life I've got to make it
Take my possessions great and small
Friends and family you can take them all
But more than anything in my life
I've got to make it
Refrain*

*Yes more than anything in my life
I've got to make it
I've got to know my name's inscribed
In the Lamb's Great Book of Life
And I've got to hear Him say "Well done,
Enter in my child you've won"
But more than anything,
in my life, I've got to make it.*

*What good is all I've come to know
I'll gain this world but lose my soul
But more than anything, in my life
I've got to make it
If I can run and keep the pace
Then I'll see His blessed face
But More than anything
In my life, I've got to make it*

I KEEP LISTENING

*We hear about the wars,
See famine in the land.
There's questions in the Children's eyes,
Trouble in the East again.
The whole world is shaking,
There's no sure place to stand.
And mournful sounds are
Heard throughout the land.*

CHORUS

*But I keep listening
For a different sound.
The sound of the city
That John saw coming down.
The sound of the Bride
Being united with the Groom.*

*Oh I keep listening, I keep listening,
Oh I keep listening for a different sound.*

*I remember the preacher sayin'
"Son, it shall come to pass,
There will come a generation
That will be the last."
I can't believe I'm standing here,
Seeing the end of time,
And the preacher's voice,
Echoing in my mind.*

This is the last generation and we need to keep repeating it, there is no other generation from this time to the Millennium. It is hard to believe when you see people building and the way things are going. For us it is so real, when you look around, people think this will go on forever. See we read the Bible all of our lives and we see the picture. We are like Daniel, when Daniel saw that the seventy years were just about up he went to fasting and to prayer. That is what we did that is why we see the picture so crystal clear, but you have to take time out.

Lorraine speaks: That is why I was so scared when I was listening to all these preachers and to their ideas, my picture was starting to get so murky and vague, and I got so scared it is like a life and death matter not seeing a clear picture, you are in a very dire situation.

Sam speaks: That is the time when you need to do something, if you don't do anything it festers and before you know it you are completely lost.

Lorraine speaks: Then you become drunk with the wine of her fornication, and you are in oblivion, and oblivious to your surroundings and you are just existing and just going through the motions of this life, like going to the ball game, going to this event and so on, and you are missing the whole picture.

Sam speaks: That is when you do something in that initial occurrence. Like you were saying, your life depended on it, now if you has not done anything you would be out on the left field so far you would not realize that you are out there. We did something about it, I

had a vision - the Lord said I am taking the people down to the water to test them, and when you analyze everything that is why you saw murky waters because you were listening to these preachers and they were messing up the picture that brother Jackson brought us. Right from the get-go we did something and we had to separate ourselves from that stuff to keep our sanity. Imagine having to believe all the things that they are teaching now, you are on this rollercoaster that you just can't get off, but by the grace of God, He has kept us from all of that stuff, and found us faithful to deliver meat in due season and to roll out that living water. That living water has to be somewhere on this earth, where else is it.

TAKE TIME TO BE HOLY

- 1. Take time to be holy,
Speak oft with thy Lord;
Abide in Him always, and feed on His Word.
Make friends of God's children,
Help those who are weak,
Forgetting in nothing His blessing to seek.*
- 2. Take time to be holy, the world rushes on;
Spend much time in secret,
With Jesus alone.
By looking to Jesus, like Him thou shalt be;
Thy friends in thy conduct
His likeness shall see.*
- 3. Take time to be holy,
Let Him be thy Guide;
And run not before Him, whatever betide.
In joy or in sorrow, still follow the Lord,
And, looking to Jesus, still trust in His Word.*
- 4. Take time to be holy, be calm in thy soul,
Each thought and each motive*

*Beneath His control.
Thus led by His Spirit to fountains of love,
Thou soon shalt be fitted for service above.*

That is very important in this hour to take time out to be holy and speak oft with the Lord. We are living in a world like never before, it is like a giant vacuum sucking you into the filth of this world and you have to put an effort in and to take time to be holy. That is what we have been doing we get up before six and spend time with the Lord, sing some songs, that is taking time to be holy, and read the Bible. Take time to be holy every day instead of sleeping in. That is what the Lord dealt with me when He saved me to get up before six and read the Word, that is taking time out to be holy; speak oft with the Lord. It is serious stuff, it is a serious thing, we are not just saying it we are in it. At first, you force yourself to take time out but now to us it is a way of life, and we could not do it any other way. I was singing that song all week - Take time to be holy. It is the spirit of the living God that gives you these songs - take time out to be holy. You have to put in an effort. A piece of driftwood does not put any effort in, it just drifts along the road of life.

BATTLE HYMN OF THE REPUBLIC

*My eyes have seen the glory of the coming of the Lord
He is trampling out the vintage where the grapes of wrath are stored
He hath loosed the fateful lightning of His terrible swift sword
His truth is marching on*

*Glory, Glory, hallelujah!
Glory, glory, hallelujah!
Glory, glory, hallelujah!
His truth is marching on*

*I have seen Him in the watch-fires of a hundred circling camps
They have builded Him an altar in the evening dews and damps
I can read His righteous sentence by the dim and flaring lamps*

*His day is marching on.
Glory, glory, hallelujah!
Glory, glory, hallelujah!
Glory, glory, hallelujah!
His day is marching on*

*I have read a fiery gospel writ in burnished rows of steel
"As ye deal with my contemners, so with you my grace shall deal"
Let the Hero, born of woman, crush the serpent with his heel
Since God is marching on*

*Glory, glory, hallelujah!
Glory, glory, hallelujah!
Glory, glory, hallelujah!
Since God is marching on*

*He has sounded forth the trumpet that shall never call retreat
He is sifting out the hearts of men before His judgment-seat
Oh, be swift, my soul, to answer Him! Be jubilant, my feet!
Our God is marching on*

*Glory, glory, hallelujah!
Glory, glory, hallelujah!
Glory, glory, hallelujah!
Our God is marching on*

*In the beauty of the lilies Christ was born across the sea
With a glory in His bosom that transfigures you and me
As He died to make men holy, let us die to make men free
While God is marching on*

*Glory, glory, hallelujah!
Glory, glory, hallelujah!
Glory, glory, hallelujah!
While God is marching on*

GOD IS MOVING US ON

*God is moving us on, He is leading the way,
It's a way we have never gone before,
There are mountains to climb,
There are valleys to cross
And before us He has placed an open door.*

YOU RAISE ME UP

*When I am down and, oh, my soul, so weary;
When troubles come and my heart burdened be;
Then I am still and wait here in the silence,
Until you come and sit awhile with me.*

CHORUS

*You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.*

*There is no life - no life without its hunger;
Each restless heart beats so imperfectly;
But when you come and I am filled with wonder,
Sometimes, I think I glimpse eternity.*

It is going to be an exciting time, it is actually already if you can just saturate yourself with that Word and the hour that we are now living in.

THE GLORIOUS CITY

*There is a place I read about in God's holy Word
It's built upon the mountainside, the New Jerusalem
The walls around that city are in layers of pure jewel
Twelve gates along the walls and every one a single pearl.*

Chorus:

*The glory of that city would blind these human eyes
More glorious still will be the face of Jesus Christ the King
In garments pure and white as snow, we'll gather 'round the throne
And join the saints of yesterday in singing Home, sweet Home'.*

*Inside the city walls I'm told are mansions of pure gold
Where death is vanished for all time, we'll never more grow old
We'll walk beside the river with the lion and the lamb
All worries will be gone and every pain be left behind.*

THERE WAS ONE DROP

*When the man of Galilee,
Hung upon the cruel tree,
He was dying for sinners like me;
As the blood came dripping down,
From the cross unto the ground,
There was one drop He shed just for me.*

Chorus:

*Just for me and the sins of my soul
Just to cleanse me and make me whole,
There was pardon extended to me;
As the blood came dripping down,
From the cross unto the ground,
There was one drop He shed just for me.*

*2. When they pierced His precious side,
'O forgive them now,' He cried,
There was pardon extended to me;
As the blood and water came,
Glory to His precious name,
And that one drop He shed just for me.*

3. *When with all the saints I stand,
Over in that happy land,
And it's beauties I'm able to see;
As I look upon His face,
I shall thank Him for His grace,
And that one drop He shed just for me.*

OH MY LOVING BROTHER

*Oh the judgment day is coming
What an awful day 'twill be
Christ forever is my refuge
Rock of Ages cleft for me.*

Chorus:

*Oh my loving brother... ' sister
When this world is on fire
Don't you want God's bosom
To be your pillow
Hide me over in the rock of ages
Rock of Ages cleft for me*

*At the sounding of the trumpet,
At the dawning of the day,
Worldly pleasures with their treasures,
Shall forever pass away.*

Chorus:

*Poor lost sinner will be crying
For the home they'll never see
But the ransom will be singing
Rock of Ages cleft for me*

That is what we are about, trying to send out an SOS, a warning signal to the whole human race. We got the picture right we are that church of the living God, you will hear it right here, you don't have to guess, if you are concerned about your eternal destiny, we are trying to warn you about what is coming and it is coming it is rapidly. That thing that is out there that is called church they are trying to make sure that you don't find the day and hour that you are living in. We have had enough discussions about what Satan's game plan is to make sure that you do not know the hour that you are living in. This is what these false teachings are all about - We are in the 3rd day, and we are after 2 days that is what that is all about, perverting the scriptures. We are still spot on.

We will try to explain this chart where we are at in time - In the 70th week of Daniel. I am not going to go into those that pervert the scripture, eventually, if you pervert the scripture you become a pervert with everything in your whole life, eventually, you become as it says in the Bible - If God would not have given us a seed, a Word, a truth we would have all have become as Sodom. It is sad that people treat the Word of God like a pretzel, they think they can just rant something off - We are in the third day. That is perverting the scripture. After 2 days that is perverting the scripture. What that is all about is they are trying to keep you away from knowing the day and hour you are living in. Here we are just the two of us trying to beat the drums, for thirty years trying to wake people up, and going up against these forces. As we said earlier, we are that church of the living God, that will show to the principalities, the powers in the heavenly realm, in the spirit world the manifold wisdom of God. We do know the day we are living in. God can activate it and you can feel it in the spirit, we don't even have to speak to people, it is out there in the spirit world because we have a truth for this end time.

We are trying to warn people from this horror; from this nightmare that is coming. From October 15, 2021, it is 1260 days to the middle of the week, you can do the calculations on how many days are left. It is 1260 from October 15, 2021, when these two prophets are killed. Satan is kicked out of Heaven he is given the key to the bottomless pit, and out of this bottomless pit come these demonic forces like never before, it is Hell on Earth. All we are trying to do is inform people

to prevent them from this Hell that is coming. It is going to be a horrible 42 months from the middle of the week on. It is Hell on Earth. To us it is so real, that is what the devil is trying to hide, he is trying to keep people from the truth; trying to lull people to sleep. Then they accuse us of being false anointed ones at the end time, false prophets, and all we are doing is telling people the truth, go check it out, but I guess, that is all part of the program.

I want to explain that chart, but before we do I want to go to Ephesians. Paul had this revelation about how everything that ever was, every drop of water, and everything that was predestinated happened here in Ephesians chapter one. That was before the foundation of the world, when God had that great council; and He made this big blueprint. We know that the Bible was written before the foundation of the world. It says - The Lamb was slain before the foundation of the world. You and I were hewed out to do this very job that we are doing before the foundation of the world, I am just trying to lay a foundation here, that we were back here in *Ephesians 1:*

3. Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places in Christ:

Firstly all things were created because of the Lord Jesus Christ. We are here to serve because of Christ. God created us in Him before the foundation of the world. It goes on to say He has chosen us. We did not choose this route, we did not choose this job, God ordained it so.

*4. According as **he hath chosen us in him** before the foundation of the world, that we should be holy and without blame before him in love:*

He hath chosen us before the foundation of the world, way before there was an angel, before there was a star before anything ever happened God had a council with himself, and He made a blueprint, He knows exactly how many drops are in the ocean, He knows how many grains of sand are on the seashore, He knows how many mosquitos there are. He knows all that because He is the Creator of it all and by predestination, He knows the path that each one of us takes. Everything is in God. I was born in 1947 and He put us down here to do this very job that you and I are doing, that is just

as simple as I can put it. There is no point in being jealous of it because we are just doing our job, He hewed us out back before the foundation of the world.

5. Having predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of his will,

6. To the praise of the glory of his grace, wherein he hath made us accepted in the beloved.

7. In whom we have redemption through his blood, the forgiveness of sins, according to the riches of his grace;

8. Wherein he hath abounded toward us in all wisdom and prudence;

9. Having made known unto us the mystery of his will, according to his good pleasure which he hath purposed in himself:

What you and I are doing that is the mystery of His will, according to his good pleasure which he hath purposed in Himself.

10. That in the dispensation of the fulness of times he might gather together in one all things in Christ, both which are in heaven, and which are on earth; even in him:

11. In whom also we have obtained an inheritance, being predestinated according to the purpose of him who worketh all things after the counsel of his own will:

12. That we should be to the praise of his glory, who first trusted in Christ.

With that I want to lay a foundation that we are not doing our own thing here, we are hewed out before the foundation of the world.

Now I want to go the Ezekiel where God told Ezekiel - I have made you a watchman. Ezekiel was just a young guy here starting out his ministry and God told him in *Ezekiel 3*:

17. Son of man, I have made thee a watchman unto the house of Israel: therefore hear the word at my mouth, and give them warning from me.

So when did God make him a watchman, God didn't say - I will make you a watchman because he was still young he was just starting out his ministry here and He said - **I have made you a watchman.** When did God make him a watchman - Way back before the

foundation of the world. He said, I have made your forehead twice as hard as theirs, you don't have to be intimidated by what they say, do, or, think, because He said, I have made you thus, I have made you a watchman before the foundation of the world, I have prepared you for that, I have put it within you and you just have to walk in it, that is what I am trying to say.

Then I want to go to *2 Peter 1*:

*10. Wherefore the rather, brethren, **give diligence to make your calling and election sure: for if ye do these things, ye shall never fall:***

11. For so an entrance shall be ministered unto you abundantly into the everlasting kingdom of our Lord and Saviour Jesus Christ.

12. Wherefore I will not be negligent to put you always in remembrance of these things, though ye know them, and be established in the present truth.

This is our calling, this is what we have been called to do before the foundation of the world, we have had enough conversations on it, but what I want to do now is to lay a foundation that we are not just here doing our own thing. This chart did not just happen to show up. It was way before the foundation of the world, God that great eternal spirit prepared us to do this very thing that we are doing today, and I believe this is the highlight of our mission to put out this chart. It is now out in the heavenly realm and it going out to all seven continents and people have access to it, if people have a hunger and a thirst it is available.

When God told us to start up this website He let me know if there are people out there who have a hunger and a thirst I will bring it to them, just start this website up and put it out there, and this chart here that is the highlight the highlight of our mission of what God created us to do. Just like Brother Branham the highlight of his mission was that meeting out in Sabino Canyon to bring forth 'The Seven Seals' and from there it went down. The same with brother Jackson the highlight of his mission was 'The Countdown is On', 'The Miracle War' and from there his job was pretty much done, and now here we have this chart and we are going to put it out there. That is why I went over these scriptures that this did not just happen, we are not just some fly-

by-night. We know what we are talking about. Brother Jackson said - If you do not know what you are talking about you had better shut up and sit down until you do know what you are talking about. We do know what we are talking about because everything that we say and do is backed up by scripture.

When you look at this chart here there are a lot of people that do not even know about the church ages. If you go to the right corner at the top. You have to go to Revelations chapter one where John was on the Island of Patmos and he was given this vision about what is to come, and he saw the son of man standing in the midst of the seven golden candles sticks, which are the seven church ages, and in His right hand, He held the seven stars. When you read on it explains that the seven stars are the 7 angels to the seven church ages. That is what you see here. There were these 7 churches in Asia Minor, but there were actually more churches than seven, but God used them as an example of what would come afterward. We know that there was a church of Ephesus, but they were a type to the church ages.

Lorraine speaks: Those churches were picked because those particular churches in those churches in Asia Minor best reflected what the church will be like in the Grace Age; in the 2000 years of Grace. The church of Ephesus reflected what the condition of the church will be like from 53 - 170 A.D. These 7 churches will let you know what the condition of the church will be like in each age for the 2000 years of the Grace Age.

Sam speaks: On the chart you will see the seals, everyone that is in Heaven has to be under those seals, there are seven of them. The first to the fourth seal pertain to Christianity under the Grace Age. Just to make a long story short if you really want to know about the seals you can listen to brother Jackson explaining them, they are on our website under the tab 'Archives' then select brother Jackson and you will find the sermons - The Seals. That will explain the whole part here on the top right very thoroughly. These horses that you see are the spirit of the antichrist, the first is the white horse. These horses are not of God they are of the devil, the devil is riding these horses and the white horse portrays deception because it says he had a bow but he did not have any arrows.

Lorraine speaks: There you will see the four beasts that John saw in Heaven, they represent the spirit of the living God. The first is the Lion beast and that beast combated the spirit of the antichrist that went out riding. When Jesus went forth to sow in the first Parable of Matthew 13, He went forth to sow and then the enemy came and sowed tares, that is that antichrist spirit already starting to ride there and that is that white horse rider, and the reason it is white is that it is very deceptive; it went out to deceive.

Sam speaks: As you were saying that Lion Beast is combating the forces of Satan to be bold and stand for the truth, because he has a bow but no arrows, in other words, he is just a bluff, and you have to see it as such. It is all explained here, when you go to the next one it is the red horse rider and there was bloodshed like never before, but grace was poured out, that is why the second beast is an ox it is a burden of sacrifice, and people were glad to be butchered and slaughtered because that is what that ox beast did, it gave them the grace to be killed and sacrificed. That is why that horse is red, it represents blood, and Satan started to have the Christians killed.

When you go to the third seal there is a black horse rider, and that is in the Dark Ages, now it is selling the Word of God. That is what Roman Catholicism did in the Dark Ages. These 4 horses that you see, behind them, is really that 4th world kingdom that Daniel saw, it is Rome, and we know that the Roman Empire evolved into the Roman Catholic Church. Satan is using that Catholic Church as these horses continue. That is what they did in the Dark Ages the black horse rider, they were selling the Word of God with their penance and paying the priest to pray their loved ones out of purgatory. Then there was the man-beast, through the man-beast God gave these men (such as Martin Luther, Calvin, and Knox) the grace and courage to combat that black horse rider by going up against these priests and combat them with scripture.

Lorraine speaks: That is why when you read *Revelation 6:*

6. And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine.

They were selling the Word of God and people became so povertized that it was hard to exist, but it says hurt not the oil and the wine. If you stood up for the truth God gave you power to overcome.

Sam speaks: If you had gumption, if you had a boldness and you knew what you believed and what you were standing for that force had no power because it says, touch not the oil and the wine: touch not the anointing.

Then you come to the fourth seal, which is the last horse, that grey horse was riding in the last 100 years. It is over now but Laodicea was under the grey horse rider. When you look around you will see nothing is right anymore, it is all mixed - wrong is not right and right is not wrong, it is a mixture of black and white. That is why it is called the pale (grey) horse rider, it is the effects of that charismatic spirit, but there again, you had that beast and here it is the eagle. That eagle has the ability to fly up above it all, and he can see right through the motive and the intent of that grey horse rider's tactics, and that eagle spirit gives the believer the discernment to what is going on, and to overcome the spirit of the age.

When you look at the chart you see stars these represent the stars that Jesus held in His right hand. It says the stars are the angels to the seven church ages, and each church age had an angel. Then it goes on to show you that the first one was Paul, then the second one in the church of Smyrna was Ireneus, and you can follow on the chart who the messenger was on earth in each church period, as you will see the seventh was William Branham. When you read *Revelation 10:*

7. But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.

These men they were only the voices of these angels and these angels got their message from Jesus. These men only spoke what these angels instructed them. Paul said, my angel is always before me and that is where he got these tremendous revelations from.

In *Revelations 1:*

1. The Revelation of Jesus Christ, which God gave unto him, to shew unto his servants things which must shortly come to pass; and he sent and signified it by his angel unto his servant John:

This is very important that you can see God's chain of command here and how He is going to work in the Grace Age - The Revelation that God gave to Jesus Christ to give to His servant and in the first church age it was the apostle Paul and it was signified by His angel. That servant on earth brought out the message to the church for that hour.

We want to zero in on the Laodicean church age, that seventh church age, where it says - *But in **the days of the voice of the seventh angel***. You will see how those messengers were just the voices of those angels. If brother Branham is just the voice of that seventh one, it explains that all of these others such as Martin Luther he was just the voice of the 5th angel (*and he sent and signified it by his angel*).

Lorraine speaks: When you will read over the seals in the book Revelation and how they were presented. In the first seal, it says *Revelation 6:*

*1. And I saw when the Lamb opened one of the seals, and I **heard**, as it were the noise of thunder, one of the four beasts saying, Come and see.*

When you go to the second seal it says:

*3. And when he had opened the second seal, I **heard** the second beast say, Come and see.*

*5. And when he had opened the third seal, I **heard** the third beast say, Come and see.*

Now when you come to the fourth seal it words it differently.

*7. And when he had opened the fourth seal, I **heard the voice of the fourth beast say, Come and see.***

That lets us know that in the Laodicean church age, which is under the fourth seal, there is going to be **the voice** and you line it up with *Revelations 10:*

*7. But in the days of **the voice of the seventh angel**, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.*

That is that voice, when brother Branham will be on the scene that voice in the Laodicean church hour it will mark the time when the

mysteries of God should be finished. That happened when those seals were opened. Up until then, they were sealed up.

Sam speaks: Nobody knew what was going on.

Lorraine speaks: I was always reading the book of Revelation, I was always drawn to it, and I always wondered what those beasts were in *Revelation 4*:

*7. And the first beast was like a **lion**, and the second beast like a **calf**, and the third beast had a **face as a man**, and the fourth beast was like a **flying eagle**.*

There was nobody who could explain it to me, I read a lot of books on the book of Revelation to get an understanding of it, but it was not until I came to the ministry of brother Branham and he was able to tell me what those 4 beasts are and represent. When you read those 4 seals it is the beast that said come and see. Those beasts combated that white horse rider, that red horse rider, that black horse rider, and the pale horse rider, they combated the spirit of Satan and that is how Christianity under those beasts was able to thrive and to live, and overcome the spirit of the antichrist.

Sam speaks: Just to clear it up those horses represent Satan, that spirit of the antichrist, Satan is riding them, and the 4 beasts represent the spirit of the living God to combat them. If you really want and if you have a hunger and a thirst to really know, you will find on our website the sermons from brother Jackson titled: The Seals. Those sermons will give you a crystal clear picture of those church ages and how they work.

Lorraine speaks: Also with each church age comes a parable of Matthew 13. Each will fall in line with a church age. In the first parable, the Sower went forth to sow, which represents the Lord Jesus Christ, He is the good sower, that is the beginning of the Grace Age and that parable goes along with the first church of Ephesus. Then you go to the second parable where the enemy came to sow tares, which goes along with the church of Smyrna, and so on.

Sam speaks: He explains very well how the seven parables type the 7 church ages, and how they walk hand in hand. You will have the 7 parables and with each church age, you have a parable.

Also, I want to explain what those moons represent in each age you will see a moon and you will see how there are black and white areas the black area lets you know the degree of darkness whereas the white is the degree of truth and light in that age. For example in the first age of Ephesus, at the beginning of Christianity, you will see more white than black, that is more light than darkness, Satan had not infiltrated Christianity, and the truth of God's Word was clear, whereas, in the church of Thyatira and Sardis, it is mostly dark, the truth of God's Word was snuffed out, that is how dark it was in the Dark Ages, the Word of God was hid within the Roman Catholic church with all its creeds and dogmas: The truth God's Word was hidden.

Now if you go over the other side of the chart you will see the two pillars that is the ministry of brother Branham and brother Jackson. Brother Branham was that voice, he was the voice of that angel to the church of Laodicea. There is that scripture in *Revelation 10*:

*7. But in the days of **the voice** of the seventh angel, when he shall **begin** to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.*

The reason the word 'begin' is in there is brother Branham only began and then he died in 1965, but that angel did not die, that angel had to continue on and then he used the vocal cords of Raymond M. Jackson. So that continues on without missing a beat, and the reason it is such is because God knew that in the end-time there would be such magnitude of deception that He could not do as in the other church ages. For example, in the first age, it was Paul, and then as that church age ran out you had to wait for the next messenger to come on the scene, and that messenger then informed the church.

When you follow on the right side after Paul there were Irenaeus, Martin, Columbo, Martin Luther, and Wesley, but in the last one, in the seventh one, with the deception being so great God did not leave a gap, He had someone before brother Branham went off the scene already set up to continue on where brother Branham left off. That is why there is the word begin, that is where brother Jackson comes in. He continued on from 1965, brother Jackson had a dream that he told brother Branham how he saw these 2 horses, and those are those two

pillars. To prove to you that it was brother Branham the opening of the Seals you can get on the internet and type in mystery cloud 1963 and that whole thing will come up about this cloud. That cloud appeared when brother Branham was out in Arizona and he received the opening of the seals and that is that Midnight Cry. If you don't believe what we are saying you can go check it out it was in the Times magazine about this cloud and it was seen for miles, it was up where no clouds formed it was a supernatural cloud, and it happened when he was up in Sabino Canyon and he saw that constellation of angels.

I just want to prove where we are in time. That is that Midnight Cry. That is the midnight of Laodicea, and just for the record, when you look in the corner you will find that Laodicean started in 1906, we have scripture that the middle of Laodicea was 1963, that midnight cry happened in 1963, so what we did we took the beginning which is 1906 and we subtract it from 1963 and we come to 57, and when you add 57 years to 1964 you will come to 2021. There is your end of the Grace Age. That explains it perfectly, that is the end of Laodicea, that is the end of the Grace Age, that is the end of that grey horse rider. These horses are not riding anymore, they have served their purpose throughout the Grace Age. We are not in the Grace Age anymore, we are now in the week of Daniel. We are now close to 2 years into the week of Daniel, things are going on like normal for most people but for you and I, we know that we are already in the week of Daniel things are already happening. The destruction of that Great Babylonian system, that whore, that Roman Catholic church system is already being destroyed, because it says, it will take one hour, in one hour she will be destroyed. We know that one hour in Revelation language is seven years. It is already on its way out, that whole Roman Catholic diabolical infrastructure, that Satan is using. Just for the sake of this message at the end she gets an atomic bomb, it is all in the book of Revelation.

As we were saying, you will see on this chart these two pillars and that cloud, these two men, throughout the Grace Age, they stand up as powerful pillars, without them, you will not know where we are in time and what is going on around the world.

Lorraine speaks: You find me another brother Branham and a brother Jackson in this Laodicean church hour, you find them for me

and you point them out. We were down in Israel and we saw this little preacher guy he came from America and we started talking with him, and when we mentioned brother Branham he wanted to push brother Branham aside. I told him if this is not where it is at then what have you to offer me, they cannot offer you anything. The only ministry that can offer you something is when the Lord Jesus Christ and that angel, that star messenger, are behind that man, they will offer you the truth. The rest, like it says, under the 4th seal and what that pale horse rider is going to do - It is going to lead you out to Hell and Death. That is what that pale horse rider's job is - To lead people out to Hell and death.

Sam speaks: We found out when that mystery cloud occurred - It happened in 1963, and we know that Laodicea started in 1906, and with a few calculations you can figure out that the end of the Grace age is 2021. You will also find out that the calendar is out by 17 years, we know exactly when that midnight cry happened - February 28, 1963. Like I said earlier, when you subtract it from 1906 it gives you 57 years. Then you add 57 to 1964, (because you have already counted 1963 you have to use 1964), and it will come to 2021, and that will tell you exactly how many years the calendar is out because you have to go to Brother Jackson's 2004.5.

Lorraine speaks: Brother Jackson did the calculations of 2000 biblical years, the 2 days of Hosea, (2000 years of the Grace Age), he took those calculations starting at 33 A.D., from the year of the crucifixion to 2000 years. That is a 360-day calendar year (a biblical calendar) it is not the 365-day Georgian Calendar, it is prophetic years of 360 days. With his calculations, he came to 2004.5 when the Grace Age is concluded and that concludes the 2000 years.

Sam speaks: We know that Paul wrote *Romans 11*:

25. For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles be come in.

Those 2000 years came to an end on October 15, 2021, (if the calendar would not be out the year would have been 2004.5). When you look at the 2004.5 that is exactly the middle of October. It is exactly so precise that October 15, 2021, is exactly the 2004.5. As I

said, when you add 17 years to 2004.5 it will come to exactly to October 15, 2021.

There are three things that dovetail together here. I have seen it for the last couple of years and you come up with the same answer. You have brother Branham's midnight cry, you can't make a mistake, because we know for a fact, that that mystery cloud, that Midnight Cry happened in 1963, when the seals were opened up to brother Branham and he went down to Jeffersonville to preach them. We know that brother Jackson's 2004.5 is spot on because he did the math, and we did it too and it comes to 2004.5, and like he always said - If the Roman Calendar is right. We know that the calendar has been changed several times to the point where it is out by 17 years. The Bible backs it up - It says in *Daniel 7*:

*25. And he shall speak great words against the most High, and shall wear out the saints of the most High, **and think to change times and laws**: and they shall be given into his hand until a time and times and the dividing of time.*

They changed the calendar back in the Dark Ages, I don't believe they changed 17 years at once, I believe they might have changed it in 3 sessions so that people would not notice, but behind it was Satan, he wanted to hide that day. We went over it last week how Satan worked overtime to make sure that mankind does not find out the day and hour they are living in. That is why it will say on the chart that the actual year we are now in is **2006**, and if you let it run its course it will match up with the Mayan calendar. The Mayan people were not Christian people they studied Astronomy, they could know the signs according to Astronomy. They knew by studying all of that and predicted that civilization would end in 2012, they called it doomsday.

My brother called me up one day telling me that something was to happen in 2012, I knew that nothing would happen because I knew that the calendar was out, it was not the real 2012, back when he said that it was probably 2003. Now when you take that Mayan calendar and you add 17 years to it, it is exactly right, you will come to 2028-29 that is when civilization as you and I know is over. Satan's reign is over, the Mayans had that figured out, Satan's civilization as they

know it, and they saw through Astronomy when it was going to end. We know that 2012 came and went and yet nothing happened because it was not the real 2012. That is what Satan's plan was all along to get people so disillusioned. We all know the story about that little boy who cried wolf, wolf, Satan is not stupid he knows exactly how to run this show, and he is going to make sure that anyone speaking about the end time is pegged as a lunatic, and that is what it has come to. I believe back in 1977 they said the Lord is coming, then in 2000, they said the Lord was coming, then again in 2012 the Lord is coming, now everyone has become so disillusioned that it has become the crime of the century to even suggest that the Lord is coming. Satan has done a number on mankind.

Lorraine speaks: That is true because one of the first things that people will say is - Oh they said that since I was a boy, or - They said that in my grandfather's day too. You can clearly see that the devil has an agenda behind it all.

Sam speaks: He has success with it because when we tell people about the end time we are the losers, we are the false anointed ones, but we know that we are spot on with this chart, this is what God created us for before the foundation of the world to bring out this chart here. I get excited when I see it. The fact, that the Lord hewed us out for this special thing, and lets you know that it is spot on. We know that the calendar is out by 17 years, once you realize that we are now in 2006 everything as you study it and listen to this message you will find out that it will start to make sense, and it will get the excitement going that this is real and you can know the day we are in. October 15, 2021, is the beginning of the week of Daniel and March 28, 2025, is the middle of the week of Daniel.

When that middle of the week of Daniel happens you do not want to be around. That is why this message is so important - The invitation to the marriage supper of the Lamb. If you can accept what we are saying here, and you can allow yourself to be saturated with the message for your day and hour, the meat in due season, and you partake of that living water, because it will only be on until the middle of the week and then it shuts off. If you believe it and you allow the Word of God to clean you, to dress you that you be not naked, and to have on that eye salve, then you will be at the marriage supper of the

Lamb. It is impossible not to be because that is why God has that living water. As I said, as you study it you will begin to see that something will happen in your soul and spirit because you will see it as the truth in this massive hour of confusion that we are living in. Once you begin to understand that the calendar is out by 17 years and we are now in the year 2006, and it lines up with the Mayan Calendar. I know that some people put a lot of weight on this Mayan Calendar thing, but we put our weight on Brother Branham's Midnight Cry and brother Jackson's 2004.5. That is why I had you put in the Mayan Calendar day because some people don't see the spiritual side of it. We can see the spiritual side of it and we can connect all 3 of them and they dovetail together and come to 2028-9. You add 17 years to 2012 it will come to 2028-9 and civilization as we know it will be ended, Jesus is already on the Throne, He is already down here running the show, but it is not the Mayan program, they called it the end of the world: doomsday.

Lorraine speaks: It is also important to know that God's calendar starts in the month of Nissan (March-April). It is not January to December.

Sam speaks: The New Year with God is the first New Moon after the Spring Equinox so it is March - April.

Lorraine speaks: When you come to the seventh seal, that is the opening of the week of Daniel. You were saying when you add 17 years to 2004.5 and you come to October 15, 2021, that is the ending of the Grace Age. When you apply the feasts according to the types and shadows that God has placed. You take the feasts in Leviticus 23, and the first feast is the feast of Passover. We know that feast was pointing to the Lord Jesus Christ the true Passover Lamb at 33 A. D., and then it brought in those 7 church ages. The seven days of eating unleavened bread represent the 7 church ages.

Sam speaks: I was going to elaborate on that second feast the feast of unleavened bread, and what it represents. When you take it from the Old Testament it says - That whoever partakes of leavened bread would be taken out of the commonwealth of Israel. Here again, it is the same God, the same yesterday, today, and forever and you should not partake of leaven bread. What it represents is if you twist that Word, if you pervert that Word that is leavened bread. Such as to

say we are in the 3rd day, or we are after 2 days, that is leavening that bread; leavening that Word. If you say something that was never meant to be said then you are partaking of leaven bread. To find out what the penalty of it is you have to go to Corinthians where Paul says you are bringing judgement on yourselves. Simply because you have twisted that Word and you have taken that bread and you have leavened it, and you have fed it to the people. As I said, therein is that penalty you are bringing judgement on yourself. You can see these churches in South Africa and these so-called Christians are being butchered and slaughtered, they are partaking of leavened bread by baptizing in the titles of Father, Son, and Holy Ghost. That is partaking of leavened bread because the only biblical baptism is Acts 2:38. Satan has infiltrated the church and now people are bringing judgement upon themselves and that is why the devil has access, it is through that baptism. It is when you stay with the true water baptism then Satan has no access. Paul said, you are bringing judgment upon yourself not discerning the Lord's body. It says in *Exodus 12*:

19. Seven days shall there be no leaven found in your houses: for whosoever eateth that which is leavened, even that soul shall be cut off from the congregation of Israel, whether he be a stranger, or born in the land.

It is serious stuff and people just do it like it's a common thing. They are taking communing unworthily - *1 Corinthians 11*:

29. For he that eateth and drinketh unworthily, eateth and drinketh damnation to himself, not discerning the Lord's body.

I just thought I would bring that in when we explain the second feast. These feasts are so close to the heart of God, and they are spot on.

Lorraine speaks: You can see the principles of God, how He set types and shadows in His Word, how the first crop represents the first four feasts. Israel rejected the real Passover Lamb and God went to the Gentiles and that is where the Grace Age was set in, then you come to the second feast the 7 days of unleavened bread are the 7 church ages. Then you come to the feast of the first fruits the resurrection of the Lord Jesus Christ, then the feast of Pentecost, and that is the Grace Age crop. Israel had 2 crops, the spring crop and then the fall crop. The spring crop represents the gentile church and

then the late crop is Israel coming in as they will recognize their Messiah. That is why at the turn of the century at that fifth feast the rabbis started to go out sounding the trumpets saying - It is now time to go back home; to go back to the land of Israel. That was in 1900, they were proclaiming that it was now time to go back home. That is why you will find the 5th feast on the chart - The sounding of the trumpets for the Jewish people to go back to their homeland and you will find that feast in Leviticus 23.

That is why when you line up the 6th feast with the ending of the Grace Age, (and the ending of the Grace Age is 2021 according to the Midnight Cry 1963, with the starting of the Laodicean church age in 1906 you come to 2021), you will come to the 70th week of Daniel. God has given us these scriptures in His Word so that we can understand where we are in time. When you take the Yom Kippur feast from that year, it falls on October 15, 2021. It had to line up with the ending of the Grace Age. That is the day that the Grace Age terminated and that seventieth week of Daniel came into effect and Jesus went off the mercy seat. We know that there is one more week (7 years) left for the children of Israel, because of the scripture in *Daniel 9* which says:

*24. **Seventy weeks** are determined upon thy people and upon thy holy city, to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the most Holy.*

*25. Know therefore and understand, that from the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince shall be **seven weeks**, and **threescore and two weeks**: the street shall be built again, and the wall, even in troublous times.*

It goes on to say - *And after threescore and two weeks shall Messiah be cut off.* $7 + 62 = 69$, which gives you one more week. That week, of 7 years, is now in effect. That is why you line up that 6th feast, and you can only line it up when the Grace Age ends and God goes back to the Jewish people and that is that feast of Yom Kippur. It is a feast of mourning and repenting where they will recognize their Messiah. Messiah was cut off at 33 A.D., which was at the end of the

69th week when they pierced Him. You can read about it in *Zechariah 12* how they will mourn and repent every house apart and that is in the timeframe of the 6th feast where they will do that and that represents that in the week of Daniel they will do that.

Sam speaks: We initially thought with that Yom Kippur feast every Jew will repent but it only sets the stage that the window is now open. Just like that window is now opened for those 2 prophets to come on the scene one of these days. I wanted to go back to the 5th feast, to the 1900 century, as it says in *Jeremiah 16*:

16. Behold, I will send for many fishers, saith the LORD, and they shall fish them; and after will I send for many hunters, and they shall hunt them from every mountain, and from every hill, and out of the holes of the rocks.

These rabbis were the fishers they were fishing out people, they went all around the world sounding the trumpet by letting the Jews know it is time to go back home to build up the homeland, to get the land ready for the building of the Temple for the return of Jesus. God took it so seriously that He put a feast in there, the 5th feast, and if you read that scripture it says if they don't obey the fishers he will send in the hunters. As I said, God took it so seriously that when they did not listen to the rabbis (those fishers) He had to send in the hunters (Hitler) to hunt them out of every nook and cranny, out of every corner they brought these Jews out and took them to the gas chamber. Simply because they rejected the fishers and then He sent in the hunters. When that WWII was over those Jews had one ambition and one plan and that was to go back to their homeland. See God gets the job done even if He has to bring in a Holocaust. I just want to bring that in, so that it is understood that it is all fulfilling scripture. That is why you had a Holocaust, God allowed Hitler, and Hitler was raised up by the Roman Catholic Church to do that dastardly thing, God allowed it to bring the Jews back to the homeland. There would have still been a war but there would have been no Jews killed in it if they would have obeyed the fishers.

That was around the time when the Laodicean church age started, it started in 1906, then at midnight on February 28, 1963, it concluded that age at October 15, 2021. It is a wonderful picture once you see it, there is nothing to be intimidated or scared of because

once the Grace Age is over, it is only the Grace Age that is over it is not grace that is over, now God is really pouring out His grace, all you have to do now from here to the middle of the week is to accept that living water. As you will see on the chart during the first part of the week, for 3.5, is that invitation to the marriage supper of the Lamb. That period is on right now all you have to do is believe what we are saying here. The righteousness in the eyes of God has always been to believe the message for your day. Noah believed the message for his day and he got saved. Let the rains come if they want to. Abraham believed the message for his day. The woman at the Well believed the message for her day and out of her belly flowed rivers of living water because she went and told the people in the town to come and see if that is not the Messiah. You can go down throughout history you will find it to be so. Once Jesus went off the scene He was going to work through a vessel on earth that is why it says in *John 13*:

20. *Verily, verily, I say unto you, **He that receiveth whomsoever I send receiveth me;** and he that receiveth me receiveth him that sent me.*

We know that Paul was sent by the Lord Jesus Christ and whoever believed what Paul was saying was part of that living water in the days of Paul, and on it goes to the days of Martin Luther - The just shall live by faith, and if you believed it you had your ticket to glory all you had to do is believe the message for your hour. Then it went on to John Wesley and then it went on to Branham, all people had to do was believe that he was that, and you blend in and you followed what he taught. When Brother Branham went off the scene it was under brother Jackson's umbrella. Now if you believed what brother Jackson said in his hour they were a happy camper. I could still remember the wonderful times we had under brother Jackson's watch when he was still here. Now when he goes off the scene, you and I, we had to pass that test, the Lord is looking for that (singular) faithful and wise servant to bring forth meat in due season. Then he goes on to say - He will put him in charge of all His goods, and all His goods are that living water. This is as simple as I can make it and all you have to do now is to believe what we are saying here because we did not choose this route, we did not choose this job this was ordained, (our lot in life),

before the foundation of the world. That is why we can speak so boldly because it is not our thing, and if you believe it and you allow that Word to penetrate, like it says - The washing of the Word. Just drink in that living water and it will do something for you.

Practically, every night before I go to bed I put on a message, or sometimes when we go take a drive we will put it on, and whenever we can we listen to it because it is living water. I could listen to the same message ten times over and I still get more and more out of it, because it is exactly how the Bible describes it - It is that living water. Come and drink out of the waters of life freely. If those Hutterites would be smart they would over and over again play these messages on their PA system, if someone wants to listen in, then fine, if not, shut it off. There is only one message worth listening to and this is this message here, the invitation to the marriage supper of the Lamb. Anyone that is preaching something else is just a waste of time. It is nothing but tables of vomit. We are not in charge of this, we are just in charge of what the Lord told me to do when He told me to start up this website, and I didn't know anything about starting up a website and He brought you on board and He lets me know that without you there is no program and now it is the two of us running this program, and all we have to do is put it out there, make it available, and let people do whatever they want. If you want to get away from this Hell that is coming just accept that invitation to the marriage supper of the Lamb.

As I said earlier, the grace of God knows no bounds, it is unlimited, but the Grace Age has run its course. Here the grace of God is in effect, more than ever just accept that invitation and then you have a ticket to the marriage supper of the Lamb. It is just that simple and I don't know how else to say it. That is on until the middle of the week and once the middle of the week is on it goes into something else.

Lorraine speaks: The first part of the week is also the ministry of the two prophets. They will come on the scene and through their ministry they will seal the 144,000 Israelis in Revelations 7. Then the 144,000, their ministry will then start in the last part of the week, they will preach the everlasting gospel, warning the people not to take the mark of the beast, warning them against Roman Catholicism and what

it is all about, to stay clear of that beast system, the image of the beast, the number of his name, and the mark of the beast. When you will read about those that are on the sea of glass and what they overcame it will list the things that they overcame. That is what the ministry of those 144,000 will do in the last part of that week they will preach the everlasting gospel. That angel that it speaks of in *Revelation 14* represents what they will be preaching.

6. And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people,

7. Saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters.

Sam speaks: No forces can touch them even though Hell is unleashed they cannot be touched because they are sealed. I just want to bring something in here, when people will see this chart here, people automatically say - No one knows the day and the hour. I just want to make it clear again that this has nothing to do with knowing the day and hour of the rapture. When Jesus said no man knows the day and hour, that is when Jesus comes to take His bride for the rapture, we do not know that day but we do know that it cannot take place until the 2 prophets have been killed. You can read in 2 Thessalonians - *that day will not come until there comes a falling away first and **that man of sin is being revealed**, the son of perdition.* That man of sin is revealed when Satan is kicked out of Heaven and then those two prophets are killed by the hand of that man of sin. That is what reveals that man of sin, so it cannot happen before that. When the bride sees that the prophets have been killed she knows that she is next on the hit list, then she will say - Come quickly, Lord Jesus. So anytime after those two prophets are killed the bride will be crying out - Come quickly Lord Jesus. That rapture can now be happening anytime, that is why it says about the space of half an hour, meaning about the space of about 3.5 years, because we do not know how many days, or months it is after the prophets are killed that that infrastructure is set up to kill the bride. Then the Lord comes for the bride. I am just guessing that part because I do not know the day and

hour. That is the day and hour that nobody knows. It could be a month, it could be a week, it could be two months but it is going to happen because the bride is taken out and then that dragon, (that false prophet, that man of sin) goes after the foolish virgins, and that remnant of the Jews, and then there is another Holocaust. That is why it says in the 5th seal - Rest until a little season until thy fellow servants and brethren will be killed.

Revelation 6:

9. And when he had opened the fifth seal, I saw under the altar the souls of them that were slain for the word of God, and for the testimony which they held:

10. And they cried with a loud voice, saying, How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth?

*11. And white robes were given unto every one of them; and it was said unto them, that they should **rest yet for a little season, until their fellowservants also and their brethren, that should be killed as they were, should be fulfilled.***

There will be another Holocaust in the last part of the week but somewhere after the killing of the 2 prophets and before that man of sin gets a hold of 'that remnant' the rapture will take place.

Lorraine speaks: It is really important to know that the 5th seal started at the Holocaust, even though it happened in the Grace Age, but it lets us know that the Jewish people are still looked upon in the eyes of God under the old Covenant and they are still relevant. It is important to know that it started during the Holocaust period from 1939 - 1945 it was a slaughter that took place, 6,000,000 Jews got killed, that was a major event and those souls under that altar are those Jews crying. They want vengeance for their blood that was shed.

Sam speaks: It says - how long will you not avenge our blood that was shed when we were led into those gas chambers. Their soul was crying out - *How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth?*

Lorraine speaks: Then they are given reassurance to rest a little season until their fellowservants, (those are those 2 prophets) and

their brethren (those are Jews, that remnant, that that man of sin will go after). That represents the Israeli people, and those do not get avenged until the end of the week of Daniel, they do not get their blood avenged until the day of the Lord. That is that little season, and it started in 1939 and it will come to an end around 2028.

Sam speaks: That is when the day of the Lord kicks in under the 6th seal. His vengeance on all these people that did that to the Jews and He takes vengeance on them on the day of the Lord. The Bible is full of scripture about what happens on 'the day of the Lord'. The planet will reel to and fro like a drunkard. It is going to be a horrible time, and right now is the time to grab a hold of this truth here. Just saturate yourself with it and it will prepare you for the marriage supper of the lamb. You have to remember if you think you are just going to float in there it does not work like that because the King comes in and He is going to check out the guest to see if they did something about it, about their lifestyle, and to see if they have on the proper wedding garment. It says He will find one that has not on the wedding garment the wedding garment is a revelation, you have allowed the message for your day to clean you up to put on that eye salve, and to dress you so that your nakedness does not appear. The wedding garment is simply a Revelation, you believe what you hear, you believe the message for your day, that is that living water - *Come and drink out of the water of life freely; Whoever hears let him say come*. Once it gets passed the middle of the week that opportunity is over to be part of the marriage supper of the Lamb.

Lorraine speaks: Also in the first part of the week, in those 1260 days those two prophets also warn the Jewish people what that antichrist is going to do, and they warn them to flee to that wilderness. That will bring you to *Revelation 12*:

14. And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent.

15. And the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood.

16. *And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth.*

17. And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ.

They will flee to the wilderness for protection and the earth swallows up that persecution (flood) that comes after the woman and they will find safety in that wilderness. We know that brother Jackson said that wilderness is North America, because when John was on the Isle of Patmos in 96 A.D. America was still a wilderness until it was found by Christopher Columbus and the Pilgrims and slowly it became a civilized country. We know that it is no longer a wilderness, but when John says it, it was a wilderness and therefore that would be that wilderness that they would flee to where they would have protection.

Sam speaks: It says - There they fed them. There has to be an infrastructure here, maybe that is why God is preserving these colonies because it says - There they fed them. They will be glad to feed these people. There again, I don't have the answer to that. I know I will not want to be around, but maybe some of them will accept what we are saying so there will be lots of room in these colonies. Let's say half of them would go - There they fed them. Who are the 'they', whoever God has set up, it is here in North America, we know that it is that wilderness.

Lorraine speaks: We know that that the mark of the beast is only enforced in that region of Europe, that is that biblical world there. They cannot reach beyond that point, but the fact that there is the image of the beast, in order, for the foolish virgin to be killed there has to be an entity that goes after those foolish virgins. The reason is, that those foolish virgins have to end up on that sea of glass as well. It says in *Revelation 14*:

3. Blessed are the dead which die in the Lord from henceforth:
In order to reach immortality they will have to be killed.

Sam speaks: The Bible lets us know that mark of the beast only belongs to that European world. That European biblical world is that

power that was under the Babylonians at the time of Nebuchadnezzar, then Medes and Persians, and Grecians and then the Roman Empire. It only belongs to Europe where they can really enforce that mark of the beast, and that will be enforced for 42 months. Here it will only be an image, but over there it is a mark and you are going to be killed if you don't take that mark. It will be forced on people because they will not be able to buy or sell. Here you can still buy and such, but there will be the image of the beast. Like these churches they know exactly where we are, that Gospel Hall church knows exactly where we are at and what we are about, if we don't go in the rapture they will find us and butcher us and slaughter us, and bring us to that guillotine where it says - Blessed are the dead which die in the Lord from henceforth.

Lorraine speaks: When you will read *Revelation 13 & 17*, you will find that it is a specific beast structure that it is talking about.

Sam speaks: It says *Revelation 17:8 behold the beast that was, and is not, and yet is*. That system ruled in the Dark Ages and was wounded at the Reformation, and here for 42 months it will come back again, it will be healed and functioning.

Lorraine speaks: It has a physical territory, and that only pertains to the territory that was conquered by the Babylonians, Medes and the Persians, the Grecian Empire, and then the Roman Empire. It evolved into the Roman Empire and then it evolved into the Holy Roman Empire that ecclesiastical system that little horn. That is that territory of the beast system where you will read in *Revelations 13&17*.

Sam speaks: When you trace the land that was conquered you will find that England is in there, Germany, France, and these countries in Europe.

Lorraine speaks: So that mark of the beast can only be enforced there but the image of the beast will be felt universally because it is a universal system but it cannot be enforced like that mark of the beast can but there has to be something in order for those foolish virgins to end up on that sea of glass. We know that there cannot just be foolish virgins over in Europe.

Sam speaks: In order to be immortal you have got to be killed during the 42 months. Right now in order to be immortal you have to believe the message for your day, and it will take you to the rapture.

Like I said, it has always been the message for your day. In the hour of Martin Luther, it was the just shall live by faith. It has always been the message for your day. Like it is said of Abraham because he believed God it was imputed unto him for righteousness. It is still the same principle all you have to do is believe it, it is just that simple. You don't have to wear a dress code or join a commune. You simply believe the message for your day.

Lorraine speaks: Even when you go to Exodus there were a lot of foreigners that join the Israeli camp. Rehab was a foreigner and there were many along the journey that came along. You can read it in the books of Moses, and what was required of them. They could be accepted into the camp and that was their salvation. When you came to the Grace Age there was still grace for Israel we can see how God looked at them under the 5th seal. There is still grace, they are under the Old Covenant, because it says, which keep the commandments of God. If they are faithful to the Old Covenant then God will make a way for them. When you come to the Grace Age it is mostly God calling out a bride for Jesus Christ. When you come to the 7 years of the week of Daniel, the grace that is poured out is #1. The invitation to the marriage supper of the Lamb. #2. There are 144,000 that will be sealed through the ministry of the two prophets. #3. The woman of Revelation 12 gets a Safe Haven in the wilderness because they believed the report of what those two prophets when they warned them about that man of sin. These are the provided ways that God has and if you want to make it to safety you will have to fall into God's provided ways, and then He will be obligated by His Word to take care of you. It is just that simple.

Sam speaks: All you have to do is believe Him. It says in Nahum - God knows those who put their trust in Him. If you will put your trust in Him He will see you through somehow. It is just His characteristics, all you have to do is be at a place where you can believe it. Believe this message. It is not ours, as we said earlier, we have been hewed out before the foundation of the world, God prepared us for that but it took us a lifetime to find our place in Christ - *Make your calling and election sure*. You have to know what God has called you to be, He has called us to do this very thing here.

Lorraine speaks: Also in the first part of the week you are looking at the Miracle War. The Miracle War is when God will restore the land to Israel that He promised to Abraham.

Sam speaks: That could happen this year yet.

Lorraine speaks: Then they will dwell in safety will the Arabs according to Numbers 14 they will not be fighting, and that is where Ezekiel 28&39 will come in. The hordes of Gog and Magog will come against them and God is going to deal with them with great hail and natural disasters. There is not going to be literal fighting God is going to take care of them.

Sam speaks: They will be lying around dead on the trees, those two prophets will be there on the scene doing their work, and when the middle of the week comes in March 2025 it will mark the three woes. At the sounding of the 5th Trumpet the bottomless pit is opened up and those two prophets are killed - it will be woe, woe, woe. That will mark the beginning of that 3.5 years (42 months) of Tribulation. It is not that great tribulation that it speaks of in Matthew 24, this is the week of Daniel tribulation. The one in Matthew is when the destruction of Jerusalem took place in 69 A.D. So you come to those 3 woes the bottomless pit is opened up, the prophets get killed, then it says woe to the inhabitants of the earth because now is Satan kicked out of that heavenly realm and he is coming down and he knows that he has a short time. He goes after the SEED, the seed represents the Israeli seed, and the gentile seed. That dragon goes after them to kill them. There is going to be a remnant left over in that region that did not listen to those two prophets and those are the ones that he is going to go after, and it says what will happen to them in *Zechariah 13*:

8. And it shall come to pass, that in all the land, saith the LORD, two parts therein shall be cut off and die; but the third shall be left therein.

*9. And it shall come to pass, that in all the land, saith the LORD, **two parts therein shall be cut off and die; but the third shall be left therein.** And I will bring the third part through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, It is my people: and they shall say, The LORD is my God.*

Sam speaks: The woman flees to the wilderness: In the first part of the week they get their orders, in the second part of the week they flee to America. Don't ask how it will all happen I know that the Word of God has to be fulfilled whether I like it or not, but I like it.

The Mark of the Beast is enforced for 42 months, the 144,000 go out and preach the everlasting gospel, and like you were saying the sea of glass has to be filled. Once the bride is gone, the holy spirit is gone. Satan is kicked out of Heaven and the abyss is opened, imagine the Hell that will be going on earth, Satan has full reign if he does not like someone he just kills them. It will be back in the Dark Ages when you read about the history of what happened in the Dark Ages. These popes when they gave orders for someone to be killed they were killed right there or burned at the stake and such. That time is coming back again. As we were saying it pertains to that biblical world, in Europe when Nebuchadnezzar saw that statue, it only pertains to Europe, it does not pertain to China because that beast never did control China or America. Like you were saying, the image of the beast has a universal effect because you want to die in the Lord because you then become immortal, otherwise, if you do not die in the Lord from henceforth then you will never become immortal and you end up with the sheep and you will be here on earth during the Millennium as a mortal. Which is still a glorious thing, you are here on planet earth throughout eternity but you have to depend on the sun, food, and physical things. If you become immortal you don't have to, and in order, to become immortal you have to be killed. If you don't you will end up as a sheep if you are in the category of righteous. The 144,000, they cannot become immortal they are going to have eternal life but they will be here on planet earth throughout eternity which is a blessed thing. That is why they are the first fruits of mortals and the other mortal will follow into the Millennium. Jesus Christ will rule and reign, and Satan will be bound for 1000 years. *In Revelation 14:*

1. And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads.

2. And I heard a voice from heaven, as the voice of many waters, and as the voice of a great thunder: and I heard the voice of harpers harping with their harps:

3. *And they sung as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth.*

4. *These are they which were not defiled with women; for they are virgins. These are they which follow the Lamb whithersoever he goeth. **These were redeemed from among men, being the firstfruits unto God and to the Lamb.***

Lorraine speaks: When you look at the chart you will see where the Trumpets are being poured out, they lean toward the middle of the week, and it lists what they are and what they will do. When you come to the 5th Trumpet that is the middle of the week, the 5th and the 6th happen close together. The way is going to be prepared for Armageddon, now those four angels that held back the winds are going to be told to prepare the way. The 7th is the day of the Lord at the end of the 7 years. There you can see the vials, they happen during the last half of the week, all seven of them. So the 6th seal, the 7th Trumpet, and the 7th Vial are one of the self-same thing they mark the end of the week and the beginning of those 30 days of wrath: the day of the Lord.

Sam speaks: We have been into this all of our life, and to us, it is crystal clear, but for somebody who does not understand who cannot accept the fact that God sent a prophet, William Branham, to open up all of this, the minute you mention brother Branham a red flag comes up - Oh don't go there. For us, it is the opposite, we embraced it, and that is where we got all of this information from and then the Lord added to, I could never have seen this without him. That is why Jesus said - *I thank thee, O Father, Lord of heaven and earth, that thou hast hid these things from the wise and prudent, and hast revealed them unto babes: even so, Father; for so it seemed good in thy sight.* We learned it from these two pillars, but like I said, to us it is all very simple. It is a beautiful program that God has, you don't have to be scared or intimidated all you have to do is believe what we are saying, and you will end up at the marriage supper of the Lamb. That is the exit route out of this Hell that is coming.

Here is another thing if you don't accept what we are saying here, if you don't accept that living water, if you don't accept that meat in due season and you don't accept that invitation to the marriage supper of Lamb it will not be a good outcome. Just because you don't accept it that doesn't mean that you get a free pass, because you can read over to Matthew 22, when the King sent out that invitation to that marriage supper and they refused it and made all kinds of excuses and it goes on to say that He will send His armies. God is in charge of all things He is even in charge of the Vatican, He is even in charge of what will happen to those who do not accept that invitation. It says in *Matthew 22*:

2. *The kingdom of heaven is like unto a certain king, which made a marriage for his son,*

3. *And sent forth his servants to call them that were bidden to the wedding: and they would not come.*

7. ***But when the king heard thereof, he was wroth: and he sent forth his armies, and destroyed those murderers, and burned up their city.***

It says, **Behold, I have prepared my dinner: my oxen and my fatlings are killed, and all things are ready: come unto the marriage.** Who has been butchered more than you and I in the last 20-30 years, for no reason at all, just simply because we are sending out a warning. That song says, oh the Judgement Day is coming. It does not matter to us we are just doing what the Lord has hewed us out to do, we can't do any other, butcher us if you want. *Behold, I have prepared my dinner: my oxen and my fatlings are killed, and all things are ready: come unto the marriage.* All you have to do is come; believe it. I don't know how simple you can make it. We are the ones that have been butchered: That stone that the builders rejected. Every generation has that stone. This one guy told me straight to my face - Sam, I would not believe a word you are saying even if I knew that it is true. Well, he might have to eat crow. We've had a conversation when the Israelites came through the wilderness journey and the people got bitten by these snakes, by these serpents. The people cried out to Moses and Moses cried out to God and God instructed Moses to put up a brass serpent and they will be healed. There were some in that

crowd who would rather die in their pain and in their agony than look up to that brass serpent. That is how people are today, they would rather take a risk and chance it that maybe it will not come about and be just like these people who did not bother looking up at that brass serpent. They had it in for Moses for some reason, and that is the way it is for us, they have it in for us, and they do not even know why. We mean nothing but good for them. We try to send out these warning signals and they say - Oh don't listen to them two. Well, that is the devil in them.

Lorraine speaks: A lot is jealousy.

Sam speaks: We can't be controlled by jealousy, we have to do what God has given us to do, otherwise, we would be counted as unfaithful servants, but so far we are still in queue, we are doing what God wants us to do. I don't know what else to say it is all self-explanatory.

Lorraine speaks: On the chart you will see the resurrections. After the 30 days, there are 45 days where the resurrections will occur. The sea of glass people will be resurrected first - The last shall be first. That is the scripture in Matthew 20.

Sam speaks: The ones that were killed during the last part of the week with the blessing - *blessed is he who dies in the Lord from henceforth*, these are the ones on the sea of glass, and they will be resurrected first.

Lorraine speaks: The reason it says a sea of glass is because it represents persecution and tribulation, and they will be persecuted and killed in the last part of the week. They will be resurrected first, in order, to judge those mortals that stayed alive and made it through the week of Daniel and through the 30 days of wrath. It says in *Daniel 12*:

12. Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days.

Those are the sheep people and they will go into the Millennium reign to repopulate the earth, whereas the goat people, those people who did not help the saints of God get thrown directly into the Lake of Fire burning with brimstone. Then the great multitude will be resurrected, and the saints that died for the last 2000 years they will be resurrected. *Mark 13*:

27. And then shall he send his angels, and shall gather together his elect from the four winds, from the uttermost part of the earth to the uttermost part of heaven.

Then the saints will go into the Millennium to reign with Jesus. Some will rule and some will reign with Him, in different positions and different authorities.

Sam speaks: The bride is not in that in that great multitude. They will have a higher position of authority.

Lorraine speaks: The bride will be resurrected after the middle of the week: The dead in Christ and those that are alive and the called to the marriage supper of the Lamb. Then the marriage supper of the Lamb is on.

Sam speaks: The marriage supper is on for 3.5 years or so during the tribulation hour and then we come back to rule and reign.

Lorraine speaks: That is the Millennium, that is the 3rd day, the real 3rd day. This is that day, the Millennium reign of the Lord Jesus Christ - The 3rd Day. The 2 days is the Grace Age. That is why it says in Hosea - After 2 days, (that means after the 2000 years of the Grace Age) He will revive us, (during the week of Daniel God is going to revive them and Israel will regain their land, they recognize Jesus their Messiah, and He will revive them; God is going to remember the children of Israel), and then in the 3rd day, (the Millennium reign), it says - we will live with Him. *Hosea 6:*

2. After two days will he revive us: in the third day he will raise us up, and we shall live in his sight.

It is all so simple you don't have to try to put in your own idea of things, you just stay with the Bible and then everything will fall into place. Like the half-hour silence, it says, *Revelation 8:*

1. And when he had opened the seventh seal, there was silence in heaven about the space of half an hour.

That is about 3.5 years, Jesus is off the mercy seat, and the word 'about' lets us know that the day and hour of the rapture is not given. That is why it says 'about'. If that word about would not be there you could say 3.5 years, but it falls exactly along with what Jesus said in *Matthew 24:*

36. But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only.

That is why that word is there, and it goes along with what Jesus said, everything in scripture has its place, and you can paint the picture, and describe the picture according to what you see in the Word. It is not messed up with your own ideas you just take it from the Bible and it forms a picture.

Satan will be bound there for 1000 years, during the Millennium reign, then after those 1000 years He is let loose for a short season to deceive the nations, and those nations that fall for his deceptions will get thrown into the Lake of Fire. Whereas, those who remained true and faithful to what they learned throughout the Millennium and they were not deceived by Gog and Magog when Satan is let loose they will go into the Eternal Age. *Revelation 20:*

7. And when the thousand years are expired, Satan shall be loosed out of his prison,

8. And shall go out to deceive the nations which are in the four quarters of the earth, Gog and Magog, to gather them together to battle: the number of whom is as the sand of the sea.

9. And they went up on the breadth of the earth, and compassed the camp of the saints about, and the beloved city: and fire came down from God out of heaven, and devoured them.

10. And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night for ever and ever.

Sam speaks: That only pertains to the morals that are born in the Millennium.

Lorraine speaks: That is right, because the sheep mortals and those mortals that entered into the Millennium after the 75 days they were already tested. That is why they go into the Millennium and they teach people. That is why it is so important to remember the things that you have been taught and not fall for these strange delusions that are going to come out during that short season when Satan is let loose. They will know right from wrong because God is sovereign because He does not send judgement before you know right from wrong. Then it goes on into the Eternal Age and that is the 8 day.

Sam speaks: That is why He gave us that scripture remember the things that you have been taught and continue thou in them, because He knew what was coming down the pipe, teaching such as the 3rd

day. We could not buy into that. The after 2 days teaching we could not buy into that. These people flirt with that, by fellowshipping with these people that teach these things and they become part of their camp, and they wonder why they are ineffective. They are married to that. It is a lot more serious than what people know, that is why we take these things so seriously because we see the fallout, we see the outcome, we saw what happened when brother Jackson went off the scene and these teachings started to surface and that whole camp became one big mess. We stayed clean, we stayed pure, we stayed with the dream about the minefields, and the vision about Gideon, and you got the scripture - remember the things that you have been taught and to separate yourself from those that teach contrary.

That is what we did and that is why we have it so good, that is why we can't have people around here that have a different view because it would muddy up our picture so we don't tolerate these things. As you go over the chart and you line it up with scripture you will see that it makes sense. There is so much more a person could say. There is a lot of information in the messages from brother Jackson about the 7 parables of Matthew, and the seal messages. He explains it all so right and so specifically, for someone who has a hunger and a thirst and for someone who wants to know. The key is to accept, the fact, that God sent a prophet, and the world rejected his message and now you see this mess happening in America, they rejected the truth for their day, they rejected the prophet, William Branham. God had a message for America to go back to the Word, but the churches rejected it and now you see a Holocaust in America. God allowed Biden to come in as a punishment for America for rejecting the prophet. He allowed Kennedy to be assassinated. Mankind brings it on themselves. If you reject this message here it is kati-bar-the-door, there is no more hope for you, but the tribulation hour.

Heavenly Father we just had a conversation around your Word, I just pray Lord that you will take what has been said, and draw a picture in the hearts of the people I know that you can do that. Lord use us for your honour and glory, do with us as you see fit, most of all Lord, I pray that you will give that increase in Jesus Christ name we pray, Amen
