

THE FAMILY OF GOD

*I'm so glad I'm a part of the Family of God,
I've been washed in the fountain, cleansed by His Blood!
Joint heirs with Jesus as we travel this sod,
For I'm part of the family,
The Family of God*

*You will notice we say "brother and sister" 'round here,
It's because we're a family and these are so near;
When one has a heartache, we all share the tears,
And rejoice in each victory in this family so dear.*

Chorus

*I'm so glad I'm a part of the Family of God,
I've been washed in the fountain, cleansed by His Blood!
Joint heirs with Jesus as we travel this sod,
For I'm part of the family,
The Family of God*

*From the door of an orphanage to the house of the King,
No longer an outcast, a new song I sing;
From rags unto riches, from the weak to the strong,
I'm not worthy to be here, but PRAISE GOD! I belong!*

Chorus

*I'm so glad I'm a part of the Family of God,
I've been washed in the fountain, cleansed by His Blood!
Joint heirs with Jesus as we travel this sod,
For I'm part of the family,
The Family of God*

I'VE BEEN TOUCHED

*I was heavy burdened down
The hand of Satan had me bound
I called on Jesus, He had compassion on me
Then His love came rushing in
And He took away my sin
I was changed Satan knew I'd been set free*

(Chorus)

*Cause I've been touched by those hands That were hanging
From a tree on a lonely hill that day
He put a song in my heart that keeps me Singing
It was Jesus who made me this way!*

*And the world can take all the things
That I've worked for through the years
They can take this old house I'm living in
Oh, but there's one thing, I know,
They'll never take away from me
And that's Jesus who's living within!*

MERCY WALKED IN

1. *I stood in the courtroom,
The judge turned my way
It looks like you're guilty
Now what do you say?
I spoke up, "Your honor,
I have no defense"*

*But that's when mercy walked in
Chorus*

*Mercy walked in and pleaded my case
Called to the stand, God's saving grace
The blood was presented that covered my sin
Forgiven when mercy walked in*

2. *I stood there and wondered
How could this be
Someone so guilty had just been set free
My chains were broken, I felt born again
The moment that mercy walked in*

THANK GOD, I'M FREE

*For a long time I've traveled
Down a long lonely road
My heart was so heavy,
In sin I sank low
Then I heard about Jesus,
What a wonderful hour
I'm so glad that I found out
That He would bring me out
Through His saving power*

*Thank God I am free, free, free
From this world of sin
Washed in the blood of Jesus,
And then born again
Hallelujah I'm saved, saved, saved
By His wonderful grace
I'm so glad that I found out
He would bring me out
And show me the way*

*Like a bird out of prison
That's taken its flight
Like the blind man
That God gave back his sight
Like the poor wretched beggar
That found fortune and fame
I'm so glad that I found out
He could bring me out*

Roman Catholicism, the universal prison, a religious prison, the Bible says the inhabitants of the earth were saturated with that wine of her fornication and they don't even know it. Then they hate us because we are free, and they are still in prison.

THANK YOU SAYS IT BEST

*As I count my many blessings, Lord
And name them one by one, I am amazed
I feel so undeserving of the love,
You bestow on me each day
My heart is overflowing
With many things, I wish I could express
Though my gratitude inside I can't describe
Thank you says it best*

Chorus:

*Thank you for the price you paid on Calvary
For a sinner such as I
Thanks for every time that you spoke peace,
When my storm was raging high
Lord, I'll never understand
Just why you love me,
And why I am so blessed
When my words have failed me Lord I find,
Thank you says it best*

V2:

*I can't forget the times
That you've shown mercy
When I knew I had done wrong
And I remember how you carried me,
When I just could not go on
And I recall how faithful you have been,
In my hour of distress
Though I can't fully convey my gratefulness,
Thank you says it best*

GOD IS MY REFUGE

*God is my refuge,
A strong and mighty tower
That I can run into
God is my refuge,
Without Him what would I do.*

I'M GONNA TAKE A VACATION

*When summer finely gets here
Its the one time of year
People go on vacation
They go far and near
Someday i'll take a journey
And no star will outlast
I'm going home for vacation,
But I'll be coming back*

*I'm gonna take a vacation
Pass the moon and the stars
I'm gonna walk down the Golden streets
No traffic no cars
I'm gonna lay in the sunlight
Gonna swim in the river of life
I'm going home for vacation
I'm waiting for my flight*

*If you want to go with me
Here is what you must do
Get your ticket from Jesus
He will show you through
Heavens not on the road map
And there's only one way
To enjoy a vacation
Like we'll have someday*

*I'm gonna take a vacation
Pass the moon and the stars
I'm gonna walk down the Golden streets
No traffic no cars
I'm gonna lay in the sunlight
Gonna swim in the river of life
I'm going home for vacation
I'm waiting for my flight*

*I'm going home for vacation
I'm waiting for my flight*

That vacation is talking about the rapture, and we will be going in about 2 years from now. We do not know the exact day of the rapture which is why it says 'about' in *Revelation 8*:

8. And when he opened the seventh seal, there followed a silence in heaven about the space of half an hour.

The Bible is so precise so from October 15, 2021 to 3.5 years, (1260 days) will give you the middle of the week. Everything that we say and do is backed up by scripture, we got to where we are today because there are these two pillars that stand towering above everything else in the Laodicean church age and that is brother Branham and brother Jackson and what we know we got from that scripture where Jesus said in *Matthew 11*:

25. At that time Jesus answered and said, I thank thee, O Father, Lord of heaven and earth, because thou hast hid these things from the wise and prudent, and hast revealed them unto babes.

The only credit that you and I can take is that we were willing to learn and we learned it from these two pillars from these two towers that stand above anything else in this Laodicean church age in the last 100 years, that is where we learned all this information from. If it was not for them we would know nothing, we would be like everyone else out there, like millions, like the multitudes out here groping in the dark not knowing the hour that we are living in. We would be ignorant as a duck, but because we were teachable and what Jesus said - *revealed them unto babes such as would learn*. That is the only credit that we can take for ourselves we were willing to learn and we found out about these church ages, we found out about the whore of Revelation, we found all that out what we are saying here to the point where we can now tell even more than they because it says continue thou in the things that you have been taught and God gave us the midnight cry.

We find out that everything hinges on this Laodicean church age - At Midnight there was a cry. When I got that revelation at midnight there was a cry, I got it simply because of being teachable from what was being taught by the ministry of brother Branham and brother Jackson when that midnight cry was. That midnight cry took place in

1963 when those angels came down. That is when the midnight cry was, that is when that constellation came down. Had I not been teachable and under the ministry of brother Branham and brother Jackson I would not know these things but because, as I said, we were teachable. We are where we are today because of that, and what Jesus said - *and hast revealed them unto babes*. He revealed to us these truths. That is why we can tell you exactly the day and hour we are living in. We are now in the week of Daniel the grey horse and his rider is no longer riding. It is no hit-and-miss, it is exactly right. It is right to the day.

Where are you going to hear the day and hour you are living in, we have it down to the day from October 15, 2021, it is 1260 days to the middle of the week of Daniel (a seven-year period of time) to the prophets being killed. You will hear it nowhere, nobody will tell you the day and hour that we are living in, but you will hear it here. Somebody has to know, and as I said, we have been led and guided by the Word of God all of our lives. That is why we are here where we are because everything is backed up with scripture. We know who that Vatican is we see it in the scripture. In order to find out who the Vatican is you have to see it in the scriptures.

As that song says, we are going on vacation. When all is unleashed on this earth for 3.5 years, we will be out of here but we are coming back when it is all over. The original song says - I'm going on vacation and I am not coming back but we will be coming back. The vacation is somewhere in the heavenly. I don't know just where up in the sky, maybe just in another dimension, but we are coming back down here to rule and reign. There are still 1000 years left for mankind here on earth and then we go into the eternal age. God has this program all mapped out. We are going home for vacation; that is the rapture. That is why there is silence in Heaven for about the space of half an hour, once that rapture happens there is no more silence and then after 3.5 years and 75 days we come back to rule and reign with the King of Kings and Lord of Lords, with the Lord Jesus Christ. It is a wonderful program and we are just fortunate to be part of it because we have made these sacrifices throughout the years. We walked away from this materialism, we sold everything we have, we have nothing, no hangups; no weights. It says to lay aside every weight. Simply

because we are living by the Word of God there is no other way to live in this hour. It is a wonderful picture.

As I said, we have the picture, we were teachable, and after brother Jackson went off the scene God gave me the vision about Gideon, He let me know that He is taking the people down to the water to see who is going to qualify to go on into the next phase. I did not know what that next phase was, I did not even know what God was testing for, and then I found out, He was looking for that wise and faithful servant who is going to deliver meat in due season as it says in *Matthew 24*:

45. Who then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season?

Then He goes on to say: *Matthew 24*:

47. Verily I say unto you, That he shall make him ruler over all his goods.

Now that servant has been tested and He knows that He can trust Him with that Word because He has been found faithful to deliver meat in due season and that is you and I, and now we are rolling out that living water. It is just that simple it is no big phenomena, and you have to be small in your own eyes. That does not make us anything special. As I said, we just got what we have from being teachable.

IS THAT WEDDING MUSIC THAT I HEAR

CHORUS

*Is that wedding music I hear?
The bride's adorned and ready to appear
There's Heavenly preparation
For the wedding celebration
Is that wedding music that I hear?*

*The family is preparing for a wedding
All have been invited to attend
The bride is standing ready,
waiting for the signal
When the Groom says,
"Rise, my children, come on in*

*Soon we'll rise to leave this land of sorrow
For that ceremony in the air
The Father then will lead us
Through the holy land of splendor
Have you made your preparation to go there?*

The Vatican, that is the subject for today - The Vatican. We are going to expose that system today. In order to do that you have to know who the Vatican is. Who is the Vatican? As I said, to know that you have to go to the scripture. Everything is in the scripture. Everything that is, everything that will be, and everything that has been it is all in the scripture just as clear as daylight. I want to talk about the Vatican today and you have to have scripture. I want to show you where the birth of it was and the end of it. The spirit of it happens back then, but the birth of the Vatican happened in 325 A.D and in order to tell you where it originated from we have to have history and we have to have biblical history. That is why it is so important to have these two towers - brother Branham and brother Jackson. They taught us about that whore of Revelation, that beast, and who that Vatican is that is why we are putting the pieces together here in this end-time. We are seeing it operating in full display in front of our very eyes, the whole world sees it but they do not know what it is. So they simply say it is China, it is George Soros. No, it is the Vatican it has always been the Vatican. I just want to read some scripture. There are three scriptures I want to start with. The first one is - Jesus came to destroy the works of the devil. *1 John 3:*

*8. He that committeth sin is of the devil; for the devil sinneth from the beginning. **For this purpose the Son of God was manifested, that he might destroy the works of the devil.***

That is why Jesus came and that is to destroy the works of the devil. Then the next one is where Paul says not to have anything to do with the unfruitful works of darkness. That is why Jesus came and that commission is left with us now to have nothing to do with that Vatican system but to expose it. The second scripture is *Ephesians 5:*

10. Proving what is acceptable unto the Lord.

11. And have no fellowship with the unfruitful works of darkness, but rather reprove them.

12. *For it is a shame even to speak of those things which are done of them in secret.*

13. *But all things that are reproved are made manifest by the light: for whatsoever doth make manifest is light.*

14. *Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light.*

15. *See then that ye walk circumspectly, not as fools, but as wise,*

16. *Redeeming the time, because the days are evil.*

17. *Wherefore be ye not unwise, but understanding what the will of the Lord is.*

18. *And be not drunk with wine, wherein is excess; but be filled with the Spirit;*

Then the 3rd scripture is in Revelation where the inhabitants of the earth have been made drunk with the wine of her formation. *Revelation 17:*

1. *And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters:*

2. With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication.

These are the three scripture that I saw during the week. It is all about the Vatican we want to expose that thing. Who is behind all this covid, this destruction of Western civilization? It is the Vatican but you have to go to the scripture to prove these things. We have the right to destroy and expose that thing. Once you expose it, like out in the garden you pull out the weeds and you put them in the sun and they dry up but as long as they are rooted down they just keep growing. The same with this as long as nobody exposes that system, that the Vatican is behind it, it just continues to fester and take in more land and do more damage but see what we are doing we are exposing it. We are tearing it out by the root and we are putting it out there to be

exposed for the world to see. It is just that simple we are exposing it, the victory is already won, but see Satan works behind the scenes, he is putting out all these phoney once. The George Soros, China, Communism, and all that. Brother Branham said - Don't fear communism fear Romanism that is the power behind that whole destruction of American civilization, but we are just wanting to expose the Vatican today.

Heavenly Father, we just read your Word here, we just pray that you will give us the grace to be able to express the things that you allowed me to see during the week. How this Vatican system has got to be exposed. We come against every weapon, everything, word or deed that is spoken against us in a negative way and we bind that Vatican spirit according to your Word, it has no mandate here in this country here. You have placed your Word above your very name and here this thing is festering and nobody seems to touch it. We want to do that today because you allowed me to see all week who is behind all this. We've known it all along but now comes the time when we have to expose that system, and now, as I said, we come against every weapon that is formed against us, every word or deed that is spoken in a negative way, and we bind every spirit that will try to invade and will try to make us say something that is not real and relevant like the many preachers out there today, they are saying things that have no bearing, they are irrelevant. We just pray for grace to stay on target and take that system and blow it out of the water and bind it in the name of Jesus, and we loosen the Constitution upon Western civilization Lord. We ask these things in Jesus name. Amen.

It is the Vatican, and as I said, in order for us to show you who is behind it you have to have scripture. Who is that whore of Revelation, who is that woman that is riding that beast. It is the Vatican that is riding it, and what is that beast she is riding, that beast system is NATO. I am just bringing it out, as clearly as I know how. That woman cannot do anything without that beast. Like right now she is powerless as she sits there, but in the last part of that week for 3.5 years she takes over NATO and that pope rides that scarlet-coloured beast. That is where she gets the power from in *Revelation 17*:

3. So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns.

4. And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication:

5. And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.

6. And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.

You saw a little bit of a touch of it when they came and gave you a ticket for those mask mandates how powerful and forceful that Vatican system is. Behind that Covid, behind that mask mandate, it is all man-made and the Vatican spirit is behind it. The Vatican is right behind that thing and the Jesuit. That phoney artificial president that that they have occupying the Whitehouse, Joe Biden, is a first-class Jesuit, he is out there in broad daylight doing the Vatican bidding and there are a lot of people involved in it. That whole left agenda, the whole news media. Just to prove how powerful that system is when Sidney Powell and Rudy Giuliani went after the election with the electoral vote and they could not get any standing with all these judges, they could not even take it to the supreme court. That whole infrastructure has been taken over by the Vatican, they own the judges, they own the news media. In that court case out in Arizona with Keri Lake, they don't let her get any footing, sometimes they let her win one but they will make sure that she will not win two in a row.

If you can only open your eyes and see and realize who the enemy is here. It is not George Soros, it is not the Supreme Court judges, they are just puppets to the Vatican, to the Jesuits. It is not even Joe Biden, he is just a puppet to the Vatican. Obama and those Bush's are just puppets to the Vatican. We know the history of America, we know the Constitution and we know what Abraham Lincoln said not to let one Catholic into the Whitehouse and have power in the government. Then guess what happened - The Vatican got rid of Abraham Lincoln. As long as he was there they could not get

their foot in the door, then as time evolved in the 60's here comes John F. Kennedy a very prominent President, he ran his first term and they asked him what are you going to pay homage to - Are you going to pay homage to your religious affiliation which is Catholicism or are you going to pay homage to the American Constitution. Well, he said the American Constitution. What they wanted from him is for him to become their puppet just like with all these presidents except for Donald Trump and Ronald Reagan. See they could not persuade him to become their puppet so they got rid of him. Then automatically Johnson got in there and he was just a Vatican puppet. That is how the Vatican has infiltrated the United States of America, and now it is all purely controlled by the Roman Catholic church.

Brother Branham had visions of what it will be like in the end time, he saw these electric cars, and he saw people driving down the road without a driver at the steering wheel, and the car was driving by itself. That is what is coming on now it is another sign of the end-time. Then he said that there is going to be an evil woman in the Whitehouse and he did not know if it was a literal female or if it was the Vatican. During the night the Lord allowed me to see that it is the Vatican because it is not only in the Whitehouse that the effect of that evil woman is seen it has encased everything that the Whitehouse stands for. It has encased and eaten up all the departments in America. You can't navigate, you can't do anything, they have it all sewn up.

Like I said, the judges the news media, now they are trying to take away free speech and they are trying to take the guns away and then they will have full reign. I have been chaffing at the bit all week we have to expose this Vatican system. Nobody even mentions it, even those that do know it is the Vatican they would not last very long because they will go after them. Here we are exposing that system because the time is right and we are not afraid of the governments and what the thugs will do to us we are just going to do what the Lord wants us to do and let the chips fall where they may. In fact, this week we are going to expose this Vatican system. As I said, it is right in front of your very eyes if you can only step back and look and you will realize it was there all along. Brother Branham said there will be an evil woman in the Whitehouse. Well, that woman is a 'her', it is a 'she', it is

a church, a religion, it is the Vatican, and not only is it the Vatican it is now the Protestants. They have lined themselves up with the Vatican and they are now, as the book of Revelations says, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.

The harlots are doing the same thing as the whore. The Protestants are in it like a dirty shirt with the immigration, the churches are pushing this immigration regime and behind it all are the Protestants and it is all married together now, and here we are just a few people just the two of us exposing that system for what it really is because we are in touch with the Lord. As I said earlier we are teachable, we got our information from these two towers, these two pillars of the Laodicean church age - Brother Branham and Brother Jackson and we are just continuing on where they left off, they would be saying the same if they were still here, they would be saying the very same thing if they would be here and they would not be bashful about it either, but it has now fallen on our lot and we are doing it via the scriptures.

We can only do it that way, as I said earlier regarding the day and hour that we are living in - Where did we find it - We found it in the scripture. It is as plain as anything. At midnight there was a cry, now if you know what that Midnight Cry was, it happened February 28, 1963. It took me a whole year before I got the true answer. What is the Midnight Cry - It is the middle of the Laodicean Church Age. The reason it is a bit confusing is that today you have midnight where it begins a new day, but see you have to go back to Bible times because Satan has been trying to hide it all and pervert it all to make it all very confusing but back in Bible times the night starts at 6 p.m., and it continues until 6 a.m. Then the day starts at 6 a.m. and then it goes on until six o'clock in the evening. So the night it starts at 6 pm and then in the middle of the night (that is at midnight) there came that shout at the middle of Laodicean and now you have 6 more hours until it all ends.

So you can gauge yourself exactly from February 28, 1963, we know that the beginning of Laodicean is 1906 we have been over that, but just for the sake to go over how accurate the Bible is when you add 57 years to 1964 you come out to 2021 it is just as plain as can

be. How did I get it - I got it because I was teachable because I allowed myself to be taught what that Midnight Cry was and now the Lord could work with me and just drop that scripture down - At midnight there was a cry. Then in a split second, all these scriptures came together, and now everything in Laodicea depends on the Midnight Cry. The whole end-time hinges on that Midnight Cry. The Bible says here is wisdom, and the wise shall understand. Not that we are wise in our own eyes but we are wise because we have allowed ourselves to be taught and here came that Midnight Cry revelation and we did the math and we came out to the exact day. You were into these 7 feasts in Leviticus and we could find exactly when that Yom Kippur was. Once that Yom Kippur day arrives Jesus goes off the seat of mercy and that is the restoration of Israel that is that Yom Kippur when God will go back to the children of Israel and they will recognize Jesus who they pierced and *they will ask where did you get these wounds from and He will say from the house of my friends Zechariah 12*. That will be when Jesus reveals Himself to the Jewish people through those two prophets. We thought it is all going to happen on that very day, but no, it is the 7-year era and it is now in motion. Ever since October 15, 2021, we are just bringing all of this out just to show you how accurate the Word of God is. We got all this information: the history of the Vatican, and the day and hour that we are living in, and it is all taken out from scripture. It has nothing to do with us we are just following that stream, and guided by that unseen hand - Thy Word is a lamp unto my feet and a light unto my pathway. That is why we know all these things we don't have our agenda, we don't have any ambition of our own.

Lorraine speaks: As you were saying we have to take everything to scripture. We could say something and it would have no meaning but if you take it to the Word of God because we know the Word of God will be the only word that will be left standing at the end of the day. When you go back to 2020 when they kicked off President Trump, a sitting United States President, the most powerful man in the world off his Twitter account that let me see something. I want to read something and tell you what it is all about. When you go to Daniel 7, Daniel had a vision about the Kingdoms of the world, and the reason that they were the kingdoms of the world was it we are dealing with

the European biblical world, and the only way that they could be classified as a world kingdom is when Jerusalem was taken. When Israel the 10 Northern Tribes were taken it was still not classified as a world kingdom because the Assyrians did not conquer Jerusalem. Jerusalem is the hub of the world, and it was conquered when Nebuchadnezzar came in around 600 B.C and conquered Jerusalem. The first kingdom Daniel saw in his vision was the Babylonians with Nebuchadnezzar and then it evolved into the Median-Persia Empire in 538 B.C and then the Grecian Empire with Alexander the Great in 332 BC, and then the fourth Kingdom is what we want to focus on. It says in *Daniel 7*:

After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns.

8. I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things.

That fourth beast is that Roman Empire, which evolved into the Holy Roman Empire which is Roman Catholicism. Those ten horns are ten regions in Europe and amongst the ten there came up a little horn and that is that Papal system, that is that Ecclesiastical system. As you were saying the birth of the Roman Catholic church happen in 325 A.D when Constantine took it upon himself to change the very foundation of Christianity the water baptism in the name of the Lord Jesus Christ. They replaced it with Satan's baptism, the trinity baptism in the titles of Father, Son, and Holy Ghost. A counterfeit, false, fake baptism, and Constantine with the help of all these deceived Bishops took it upon himself to change that baptism and then slowly bit by bit that Roman Empire that started with Pompey, Julius Caesar, Augustus, Tiberius, Caligula, Claudius and Nero, then to the Flavian Emperors, to the 5 good emperors, then to Constantine the 6th head in 306, and then over to the 7th head which is Charlemagne. Then bit by bit the Roman Empire changed into that Holy Roman Empire into that little horn that Daniel saw, that ecclesiastical system, where the

Pope was now in charge it was the church over State. They took over that whole region they were the law of the land, they were able to dictate to kings and that is where those 3 that were plucked up come in. It says here three were plucked up. Here are the three horns that were plucked up:

FIRST HORN WAS PLUCKED UP BY GREGORY (LITTLE HORN) 1077 A.D.

Henry V, ruler of Germany, did not refuse an opportunity to challenge the pope. He wrote Gregory calling him no pope but a false monk, telling him Christ never called him to the priesthood and bidding him to come down. Come down from Saint Peter's throne! Gregory in quick response deposed Henry as Emperor excommunicated him and freed his subjects from their allegiance. This severe sentence made a profound impression in Germany. Henry's followers fell away and it seemed probable that the German nobles would surely elect another ruler in his stead. Henry then decided on abject submission. He hastened across the Alps and found the pope at the castle of Canossa, on the northern slopes of the Alpines. It was January and the snow lay deep on the ground. The emperor stood for three days shivering outside the castle gates, barefoot and clad in a coarse woolen shirt, a garb of penance. At last upon the entreaty of the Countess Matilda of Tuscany, Gregory admitted Henry and granted absolution.

2ND HORN PLUCKED UP

A hundred years passed by and Fredrick I, called Barbarossa from his red beard, became Emperor. He was imaginative and ambitious taking Charlemagne and Otto the Great as his models and aspired like them to rule Christian Europe and the church. However, things have gone too far – – NO ONE IS GOING TO TELL THE POPE NOW WHAT TO DO, NOT EVEN THE HOLY ROMAN EMPEROR! Soon Fredrick was in conflict with the papacy over an Italian policy. The ambitious Fredrick suffered a severe defeat and sought reconciliation with the Pope, Alexander III. In the presence of a vast throng, Frederick knelt before the pope and humbly kissed his feet.

3RD HORN PLUCKED UP

The papacy reached the height of its power under Innocence III, 1198-1216 a.d. Innocence III declared, as the moon receives its light from the sun and is inferior to the sun so do kings receive all their glory and dignity from the Holy See. Continuing, Innocence III said, God has set the prince of the apostles over kings and kingdoms with a mission to tear up, plant, destroy, scatter and rebuild. Innocence's) claims were not idle boasts either for when the King of France. Philip Augustus divorced his wife 1 and made another marriage, Innocence declared the divorce void and ordered him to take back his discarded queen. Phillip refused and Innocence III put France under an interdict. From this hour all religious rites ceased. The church doors were barred; the church bells were silent; the sick died unshriven, the dead lay unburied. Phillip. deserted by his retainers was compelled to submit.

These are the three horns and by now the Pope had full reign. When I saw that they shut down a sitting President of the United States from his Twitter, the most sought after Twitter, everyone that was anyone was following what Trump was saying and they shut down his voice that is pure Roman Catholicism. That is what happened when the Pope started to have control of these regions and from 500 A.D - 1500 A.D that is when Satan reigned and he took the whole church into the Dark Ages and nothing could be done it was so steep in darkness, and you had to wait until his time ran out. You had to wait until Martin Luther came on the scene and he dealt that head, that papal head a wound when he came out with the revelation - The just shall live by faith. That it is not by purgatory and all their penance, where they took people's money and they had no mercy they would take everything you have and they made no conscience about it. They pretend to go around in poverty like Mother Theresa did, but Roman Catholicism is so wealthy. When you go to these South American countries they have them in bondage, along with other Third World Countries.

There was a girl in South America that wrote her story about how Jesus took her down to Hell, she saw the popes down in Hell, and she saw that John Paul down in Hell counting money. The reason why it was relevant to her and her people is that South America is a Catholic-controlled country, and she saw how behind every statue they have, and Roman Catholicism has all these statues of saints and

figures of Mary, she saw how behind them was a demon and when people fall down and worship them, they actually worship these demons. She saw these demons behind these statues in the spirit. The people are worshipping that demon, not these statues. Why would a person be drawn to worshipping a statue, they are drawn to worship a spirit and that is the spirit of Satan, because if you are not worshipping the true and living God you will fall for these decoys that are out there. That is how you will see how Roman Catholicism, the Vatican, in the United States took over these elections, they stole the elections, they rigged that whole Covid thing and that is why they don't want you to speak on it and they took Trump out because he was standing in their way. The reason they could do that was back in the 60s America rejected the prophet to the age of Laodicea and now you see the fruits of it, just like the Dark Ages was the result of perverting the true water baptism.

Sam speaks: That is how powerful they are. I just want to make sure we have scripture for everything that we say and do, and to find the birth of that system you have to go to the seven parables in Matthew 13, and the seven church ages in Revelations. There are seven parables and seven churches and they run simultaneously. I want to focus on that third parable that took place in 325 AD at the Council of Nicaea. In the first parable, the sower went forth to sow. That was the Lord Jesus Christ He is the sower, and you can see the result on the day of Pentecost how God added daily to the church many people were converted. Then you come to the Ephesus Church Age. Satan had not yet infiltrated that church age, in a few short years the apostles had that middle east Christianized, and they evangelized that whole region. There was no opposition yet, Satan had not yet infiltrated it, but Paul warned after our departure grievous wolves will come in not sparing the flock. What happened was in that first era when all these people were converted in Ephesians they had these temples to the goddess of Diana and these people were converted to Christianity just in a few short years leaving that Diana temple empty and Satan was sitting back and he saw that happening, he knew what he was after, and what was he after - he was after that water baptism the foundation of Christianity - Acts 2:38: You can go and read it, how Peter told them:

36. *Therefore let all the house of Israel know assuredly, that God hath made that same Jesus, whom ye have crucified, both Lord and Christ.*

37. *Now when they heard this, they were pricked in their heart, and said unto Peter and to the rest of the apostles, Men and brethren, what shall we do?*

38. *Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.*

39. *For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call.*

They were desperate, Peter told them: ***Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.***

That is still the baptism that is valid to this very day, Satan knew he has to attack that water baptism, that foundation. So what he does in the first era he could not get in as long as the apostles were around he could not infiltrate it. As I said, Paul warned them that after their departure grievous wolves will come in. Then John spoke of many antichrists have entered in. See how Satan has his forces at work he has one objective in mind - I have to destroy that water baptism, to destroy the foundation of Christianity. What he does he sends in these antichrists, what they do is they confuse the picture. They already started to baptize in the trinity, in the titles, before 325 A.D. but it was not made into law. It only became into law when Satan had all these bishops in confusion and he allows these Bishops to come together to that Council of Nicaea, and they were debating that water baptism to bring into law, because there was the Arian doctrine and that was Satan's objective to create this confusion. Behind it all you have to see the spirit of Satan how he creates confusion he brought up this Arian doctrine because he had to bring in confusion and create division to get his plan, he knew he had to get to that water baptism. He knew exactly what he was after, then when 325 A.D came he had it to a point of such confusion that he had Constantine call for a council, and after that council was finished he had a plan implemented, he had his satanic, diabolical, counterfeit phoney water baptism in the trinity,

in the titles of the father, son and holy ghost. These titles are not names and from then on he steeps the whole human race into the Dark Ages and to this day that is what people follow. That is what I want to get to the birth of the Roman Catholic Church, the birth of that system the Vatican. Now the spirit of it, it started back at Nimrod already but it went through different stages, and in 325 A.D the birth of the Roman Catholic church occurred. The popes still did not have full power but as time went on from there from 500 - 700 when Charlemagne came on the scene who is labeled as the pope maker. It was a gradual possession of power and how he gained authority over kings.

As we mentioned earlier in 1000 A.D. the popes now had the power to unseat kings. Just like they did with Trump, you can see how they rule but the good thing is back then they had a biblical mandate to do all that, but here they do not have a biblical mandate we can challenge the devil, he has no biblical mandate here in America. He stole that election and he is out of his jurisdiction, the only mandate that he has is to go to Europe and put that beast system together. He has no jurisdiction in America. This country was founded on the Constitution, even in Canada we have a Charter of Rights, we have a national anthem, the same with the United States and the devil cannot erase that. It is written in stone, he will try but it is only stealing. Today we are challenging him. God has put His Word above His name, and God is accountable to His Word, and how much more Satan, he has only the power that is given to him.

That is why we want to really go over the Vatican and the birth of it, and the birth was 325 A.D. You can go throughout biblical history and you will read how much damage that system has created and done for the last 2000 years. All the heartache that that system has caused, the terror and the butchering, the maiming, and everything in between, and now that system has managed to infiltrate every aspect of society. She brings in this Covid and he has everyone around the world wearing masks that is how powerful that Roman beast system is and as I said behind it all is the Vatican. It is the spirit of Satan and he uses the Vatican to do his dirty work, he uses these Jesuits, and they probably don't even know that they are used by Satan. That Joe Biden was saying there are things not seen yet as to what they can

do, but he does not know that they have no jurisdiction, they do not have a biblical mandate. If you don't have a biblical mandate then you can only go so far then God brings it to a stop. You can see it in the Dark Ages, how it came to an end when the Reformation happened. At the Reformation that head only got wounded, but see here in this end-time. He only has 42 months to put that system back together again and implement exactly what it was like in the Dark Ages. That is why in the middle of the week of Daniel after 1260 days from October 15, 2021, Satan gets kicked out of Heaven and is given the key to the abyss and he comes down to earth having great wrath because he knows his days are short, he had exactly 42 months to do his diabolical thing exactly how he operated in the Dark Ages, and he is going to use that man of sin, that false prophet, that pope to do it.

That is why I want to bring out the parables to give you an understanding of the 3rd and 4th parables. The first parable, as we said, is about the sower that went to sow, and then the enemy came and sowed tares among the good seed and then he went his way, then after some years, it starts to spout. This antichrist started to come forth and then you come to 325 A.D., there it was in full bloom, there you come to the 3rd parable that mustard seed that grew into a great tree in *Matthew 13*.

31. Another parable put he forth unto them, saying, The kingdom of heaven is like to a grain of mustard seed, which a man took, and sowed in his field:

32. Which indeed is the least of all seeds: but when it is grown, it is the greatest among herbs, and becometh a tree, so that the birds of the air come and lodge in the branches thereof.

We have to have scripture for it all about how the kingdom of Heaven is likened onto. See the kingdom of Heaven keeps evolving just as time, first it was the sower that went forth to sow, and then the devil came along sowing tares, and then there was that mustard seed. That mustard seed represents Christianity, how that middle east was converted to Christianity, and when 325 AD came Constantine implemented his phoney counterfeit water baptism and now all of a sudden all these birds of every description could come along and lodge in that great tree. Up until then Christians were martyred and persecuted for their faith, and that set an end to that, now everyone is

to be a Christian if they have the new birth experience or not. Then he united the sun worshippers with the so-called Christians. The real Christians had to go underground. Christianity was watered down everyone could claim to be a Christian according to Constantine's decree. It all runs parallel with the Church Age of Pergamon.

Then when you come to the fourth parable Satan is always moving ahead so what he does is he uses the Roman Catholic Church which represents that woman in the parable and he leavened that whole lump. *Matthew 13:*

33. Another parable spake he unto them; The kingdom of heaven is like unto leaven, which a woman took, and hid in three measures of meal, till the whole was leavened.

When you come to the Dark Ages there is no sign of justification, sanctification, and the baptism of the holy spirit. There is no sign of it, there are just the creeds and dogmas, and doctrines of religion, she took those three measures and leavened that whole lump. That happened in the Thyatira church age. That is where you get your Dark Age. The glorious thing about it we don't have to go through that anymore, all that is coming to an end. We have gone through the 5th parable where that man found that treasure. That treasure represents when Martin Luther received the revelation - The just shall live by faith. Then Wesley found that pearl of great price - sanctification. Then when you come to the 21st Century that net was being cast to gather together make-believers, unbelievers, and the true believer, God through the ministry of Brother Branham drew all these people together. Then as he started to go into water baptism in Jesus name these make-believers and unbelievers went back to their denominational system and the true believer went on with God and His Word, and God continued with brother Jackson. Those two men are the pillars of the Laodicean church age, and that is why we can see daylight now.

Lorraine speaks: I want to read from the Thyatira church age to see what has become of those Protestants because they did not move on with God, that Church Age goes along with that 4th parable. That woman took those 3 measures of meal and hid them in leaven - Justification, Sanctification, and Glorification.

Sam speaks: Those are the three measures that the Catholic Church mixed in her dogmas and her creeds until it was all hidden, and it took Martin Luther to come along to allow people to see that justification measure again and that is what dealt the Roman Catholic church a wound that it speaks of in Revelations.

Lorraine speaks: Those are the three measures that were restored. When the reformation came justification was restored, when God gave Martin Luther the revelation the just shall live by faith. Then you come to John Wesley and it was holy living - which is to live a sanctified life before God. Separate yourself from the things of this world and live a sanctified life before God. Then when you come to the last 100 years, the Pentecostal movement happened the pouring out of the holy spirit, that is the glorification, you come to the water baptism in the name of the Lord Jesus Christ was restored Act 2:38. That was the restoring of those three measure of meals that were hidden in the 3rd century in that leaven that the Catholic church took and hid in her dogmas, and with her penance, along with all her methods of keeping people in bondage. That woman represents the Thyatira church age, that Jezebel. It says in *Revelation 2*:

18. And unto the angel of the church in Thyatira write; These things saith the Son of God, who hath his eyes like unto a flame of fire, and his feet are like fine brass;

19. I know thy works, and charity, and service, and faith, and thy patience, and thy works; and the last to be more than the first.

20. Notwithstanding I have a few things against thee, because thou sufferest that woman Jezebel, which calleth herself a prophetess, to teach and to seduce my servants to commit fornication, and to eat things sacrificed unto idols.

21. And I gave her space to repent of her fornication; and she repented not.

22. Behold, I will cast her into a bed, and them that commit adultery with her into great tribulation, except they repent of their deeds.

23. And I will kill her children with death; and all the churches shall know that I am he which searcheth the reins and hearts: and I will give unto every one of you according to your works.

It says that she was given a space to repent and she repented not, and because she did not repent God is going to cast her into great tribulation along with those that commit adultery with her.

Sam speaks: That is that last 3.5 years of tribulation those 42 months.

Lorraine speaks: Those children represent the Protestants, that is why she is the whore and she has her harlots. That is what the Protestants evolved into when they did not move on with God, they rejected the prophet and his message, they rejected the kingdom of Heaven for their hour, and then what happened was they committed adultery and went back to Mama. All of that transpired in the 60s. God had a prophet on the scene to go back to the Word and then because they did not go back to the Word they went back to Roman Catholicism, and that is when they created that image of the beast.

Those Protestants because they rejected what God had for their day and hour they started hatching out their program. The devil is right there with his program. That World Council of Churches that is their program that you see around the world, America started funding it and that is that image of the beast that is the confused picture that you see in America today, this transgenderism etc, that is the confusion that the devil is putting out their thought these systems. Just like what he did with that water baptism in 325 A.D., first, he created all this confusion, and then he made it into law. That is the same mechanism the same spirit that you see out there today, creating confusion, pitting people against each other. So that he can implement his diabolical agenda. That is that old Roman spirit wanting to be worshiped and wants people to bow down to worship it, but God has a way out here with the marriage supper of the Lamb, and when you don't go to that marriage supper of the Lamb the message for your day and hour you are going to fall under the domain of that Roman beast in that tribulation. That old Roman beast thinks everything belongs to him but it doesn't, this is not his territory, we read it here where his territory lies.

Sam speaks: It is those 4 empires, Alexander the Great never owned anything in China or America, and neither did the Babylonians. It stays within the confines of that European world, the biblical world. He is way out of his jurisdiction to do his diabolical thing. He is going

to have to be dragged back to where his agenda is. He does not have any rights here according to the Bible.

Lorraine speaks: The Bible also says behind every war is the Vatican, I used to work with this guy and he blamed the Christians behind the Spanish Inquisition. It was not the Christians, it was Roman Catholicism behind the Spanish Inquisition. The Spanish Inquisition was around 1478 - 1734 AD, in 1787 Napoleon rode in and unseated the pope. The Reformation happened in 1520 A.D but it was not until 1787 when Napoleon came in with his General Bartier and dethroned the pope. That is how long it took for it to be felt in the physical. In the spirit, it was dealt with when Martin Luther dealt it a wound but it was not until 1787 when Napoleon came riding through and dethroned the pope that is how powerless it had become that they could not do anything. Now if you compare it to the time as we read earlier when those popes unseated the king of France and Germany, those three horns, to the time when Napoleon dethroned the pope that is how weak Roman Catholicism became that is that wound that it speaks of in Revelations.

The Spanish Inquisition was such a brutal regime there was place in Madrid in Spain. Roman Catholicism had this church and people heard horror stories of what has gone on there and the many people that have gone to that place and never came out. There was a Colonel there and in these writing it states the following as written in Contender Faith Assembly Church Identifying The Antichrist, Part 3 May 1984

HISTORICAL ACCOUNT CONCERNING SPANISH INQUISITION

Co. Lemonowski says, "One night about 10 or 11 o'clock I was walking one of the streets of Madrid. Two armed men sprang upon me from the alley and made a furious attack." French soldiers came to his rescue and it was found that those making the attack were guards from the Inquisition. The Colonel then went to Marshall Soult, who was the governor of Madrid at the time, and reminded him of Napoleon's decree for the suppression of the Inquisition. The governor bade him proceed to put the decree in force. He tells us that he found the

dungeon to be five miles from the city and that it was surrounded by a great wall. On his arrival, together with his troop of soldiers, he approached a sentinel and demanded that the priests who conducted the Inquisition open the gate. The sentinel fell into conversation with some official and presently turned and shot one of the soldiers. Immediately the wall of the Inquisition was covered with soldiers who were there to do the bidding of the Inquisition General. A lively battle ensued, in which the French soldiers were victors. They at once captured the place and proceeded with their duty.

The author of this book makes a notation right here and says that he will let Col. Lemonowski tell the rest of the story in his own words, so from here on we will be reading his own account of what took place there and what they found.

COL. LEMONOWSKI'S OWN WORDS

"Here we met with an incident which nothing but Jesuitical effrontery is equal to. The Inquisitor-general, followed by the father confessors in their priestly robes, all came out of their rooms as we were making our way into the interior of the Inquisition, and with long faces, their arms crossed over their breasts, their fingers resting on their shoulders, as though they had been deaf to all the noise of the attack and defense, and had just learned what was going on. They addressed themselves in the language of rebuke to their own soldiers, saying: Why do you fight our friends, the French? (Notice the flatteries. They always use them to their advantage.) The intention was no doubt to make us think that this defense was unauthorized by them; hoping if they could make us believe that they were friendly, they should have a better opportunity in the confusion of the moment to escape. Their artifice did not succeed. I placed them under guard, and all their soldiers were secured as prisoners. We then proceeded to examine all the rooms of the edifice. We passed through room after room and found all in perfect order, richly furnished, with altars and crucifixes, and wax candles in abundance; but could find no evidence of cruelty - nothing of the peculiar features which we expected to find in the Inquisition. We found splendid paintings and a rich and expensive library. Here were beauty and splendor, and the most perfect order on which my eyes ever rested. The architecture, the proportions, were perfect. The

ceilings and floors of wood were scoured and lightly polished. The marble floors were arranged with a strict regard to order. There was everything to please the eye and gratify a cultivated taste; but where were those horrid instruments of torture of which we have been told, and where were those dungeons in which human beings were said to be buried alive? We searched in vain. The holy fathers' assured us that they had been belied; that we had seen all and I was prepared to give up the search, convinced that this Inquisition was different from others of which I had heard. But Col. DeLile was not so ready as I to give up the search. He suggested that we let this marble floor be examined. Let water be brought and poured upon it and we will see if there is any place through which it passes more freely than others. Accordingly the water was brought. The slabs of marble were large and beautifully polished. When the water was poured over the floor, much to the dissatisfaction of the Inquisitors, a careful examination was made of every seam in the floor to see if the water passed through. Presently Col. DeLile exclaimed that he had found it. By the side of these marble slabs the water passed through fast, as though there was an opening beneath. All hands were now at work for further discovery; the officers with their swords and the soldiers with their bayonets seeking to clean out the seam and pry up the slab; others with the butts of their muskets strike the slab with all their might to break it; while the priests remonstrated against desecrating their holy and beautiful house. While thus engaged a soldier, who was striking with the butt of his musket, struck a spring and the marble slab flew up. Then the faces of the Inquisitors grew as pale as Belshazzar's at the handwriting on the wall; they trembled all over. Beneath the marble slab was a staircase. I stepped to the altar and took from the candlestick one of the candles, four feet in length, which was burning, that I might explore the room below. I was arrested by one of the Inquisitors, who laid his hand gently on my arm and with a demure and holy look said, 'My son, you must not take those lights with your bloody hands; they are holy.' Well, said I, I will take a holy thing to shed light on iniquity; I will bear the responsibility. I took the candle and proceeded down the staircase. As we reached the foot of the stairs we entered a large square room, which was called the hall of judgment. In the center was a large block and a chain fastened to it. On this they had placed the accused,

chained to his seat. On one side of the room was an elevation called the 'Throne of Judgment.' This the Inquisitor-General occupied; and on either side were seats, less elevated for the 'holy fathers' when engaged in the solemn business of the 'Holy Inquisition.' Thence we proceeded to the right and obtained access to the small cells, extending the entire length of the edifice. Here such sights were presented as we hope never to see again. These cells were for solitary confinement, where the wretched victims of Inquisitorial hate were confined, year after year, till death released them of their sufferings, and their bodies were left until they were entirely decayed, and the rooms were then used for others. To prevent their being offensive to those who occupied the Inquisition, there were flues, or tubes, extending to the open air sufficiently capacious to carry off the odor. In these cells we found the remains of some who had been dead apparently but a short time, while of others nothing remained but their bones still chained to the floors of their dungeons. In other cells we found living sufferers of both sexes, and of every age, from three score and ten down to fourteen and fifteen years - all naked, as when born into this world, and all in chairs! There were old men and aged women who had been shut up for many years. Here, too, were the middle-aged, and the young man and the maiden of fourteen years. The soldiers immediately released these captives from their chains and took their overcoats and other clothing which they gave to cover their nakedness. They were exceedingly anxious to bring them out to the light of day, but I, being aware of the danger had food given them and then brought them gradually to the light as they were able to bear it. We then proceeded to explore another room on the left. Here we found the instruments of torture of every kind which the ingenuity of man or devils could invent. The first was a machine by which the victim was confined and then, beginning with the fingers, every joint in the hands, arms and body were broken or drawn, one after another until the victim died. The second was a box in which the head of the victim was so closely confined by a screw that he could not move it in any way. Over the box was a vessel from which a drop of water a second fell upon the head of the victim, every successive drop falling upon precisely the same place on the head suspended the circulation in a few minutes and put the sufferer in the most excruciating agony.

The third was an infernal machine, laid horizontally, to which the victim was bound, the machine being then placed between two beams in which were a score of knives so fixed that by turning the machine with a crank the flesh of the sufferer was torn from his limbs, all in small pieces. The fourth surpassed the others in ingenuity. Its interior was a beautiful woman, or large doll, richly dressed, with arms extended, ready to embrace. The sight of these engines of infernal cruelty kindled the rage of the soldiers to fury. They declared that every Inquisitor and soldier ought to be put to the torture. Their rage was ungovernable. They began with the 'holy fathers'. They first put to death in the machine for joints. The torture of the Inquisitor, who was put to death by the dropping of water on his head, was most excruciating. The poor man cried out in agony to be taken from the fatal machine. The Inquisitor-General was brought before the infernal machine called 'The Virgin'. He begged to be excused. 'No', said they, 'you have caused others to kiss her, and now you must do it.' They interlocked bayonets so as to form large forks and with these pushed him over the circle. The beautiful image instantly prepared for the embrace, clasped him in its arms and he was cut into innumerable pieces. In the meantime, it was reported through Madrid that the prison of the Inquisition was broken open and multitudes hastened to the fatal spot. And oh, what a meeting was there! It was like a resurrection. About 100 who had been buried alive in these dungeons for many years were now restored to life. There were fathers who found their long lost daughters, wives were restored to their husbands, sister to their brothers, and parents to their children and some could recognize no friends among the multitude. The scene was such as no tongue can describe." That is all of Col. Lemonowski's report that was recorded here, but the writer of the book has these remarks following. "This is Romanism pure and simple. This is the cruel, hell spawned iniquity that demands recognition in the holy name of Christianity. And some Protestants are afraid their 'Catholic brethren' will not get justice in this country!"

That is the brutality of Roman Catholicism, and when you came to World War I, and II, you would think that Hilter was behind it but behind it was actually the Vatican.

Sam speaks: The Vatican was training Hilter to do this.

Lorraine speaks: What happened was communism was infiltrating Europe and they could not have that so they created the war, but nothing is outside of God that is where the Holocaust came in, and behind every war, you will see the Vatican.

Sam speaks: That is a scripture that I want you to read - In her was found the blood of all the martyrs so that tells you exactly who is behind all of these wars. The Bible says in her was found the blood of all the martyrs, everything is instigated by that spirit of Satan using the Vatican. That is why we are exposing the Vatican, all week long I have been chaffing at the bit to finally expose the Vatican for what it is all about and if you want more information there are two messages on our website where brother Jackson had a message and it is called - The truth about the Roman Catholic Church. Where this Jesuit broke away from them his name is Alberto Rivera and he began to expose them, he exposed the ways that they destroy a country or a once vibrant church group, and so on.

We are on to his tricks that is why he would like to get his foot in the door, if we would be asleep and if we would not be aware of his crafty cunning devices he would have us finished off in no time. Paul wrote we are not ignorant of his cunning devices: 2 Corinthians 2:11. The early church, they knew what he was up to and so are we when he sends in these people to disrupt, and his end game is to destroy us. The Lord lets us know that they have their own job, not to let them linger here to do destruction. It says in *Revelation 18*:

24. And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.

Now you have to take that as the truth, we stay with the Word, and everything that we say and do here is backed up by the scriptures. We can't have our agenda; our program here. You can see how accurate everything is when you go through history, we know biblical history and we can walk through it with the revelation of the 7 seals. When brother Jackson preached the seals it is all in there. That is why I say it is important to be teachable, it is important that we give credit where credit is due, because we don't have our own program. As Jesus said - *you have hid these things from the wise and prudent and has revealed them unto babes such as would learn*. That is why we can do what we are doing; that is why we can say what we are

saying and it is exactly 100%. That February 28, 1963 was the middle of the church age of Laodicea and when you have that down pat you can know exactly right to the day when that seven seal was opened - *Revelation 8:*

1. And when he had opened the seventh seal, there was silence in heaven about the space of half an hour.

It is everything so exact so precise and here some people implement these thunders somewhere else, I don't know where they get it from, but you have to go read it 3-4 times to yank yourself out of that ideology that these seven thunders have yet to utter their voices. They belong to a different time they uttered back in 1963 when brother Branham came down each day and each of those angels relayed a message to brother Branham and the seventh seal is silence in Heaven for the space of about half an hour. Then it comes to a full stop.

Lorraine speaks: When you read on in chapter 8 you will read how it then goes on to prepare for those 7 trumpets to sound. When you read Revelation 8 it will walk you through it all - *And the seven angels which had the seven trumpets prepared themselves to sound.* That is what you are going to see next on the horizon. The first trumpet, second trumpet, third trumpet, fourth, fifth, six, and then the seventh will be at the end of the week when you will see the sign of the son of man coming - *The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever.*

Sam speaks: It is all a done deal; it is all winding down, as I said, back then we covered the birth of it and when you go on to Revelations 17 and 18 you will see the end of that thing. You see it has an end, it had its beginning there, the Vatican had a beginning, but the spirit of it is still not dealt with. In 325 A.D. the Vatican had its beginning, and the spirit of it came even back from the Nimrod era and it changed colours throughout history and through church history.

It says that the beast hates the whore, you have to be able to distinguish between the beast and whore. The beast is that European power, that is NATO, it evolved into NATO now, and it is a force to be reckoned with, but the whore is still that papal system that is where

she takes her end. The spirit gets thrown into the Lake of Fire at the end of it. It says *Revelation 17*:

16. And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.

17. For God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.

Those ten horns are the 10 regions of NATO, it had its beginning but you have to be able to differentiate between the spirit of that thing and the vehicle that that spirit rides. It has been the Vatican all along, and to this day it is the Vatican. This whole Covid thing as we said earlier that mask mandate, even that Trudeau down there it is all the Vatican, that Joe Biden it is all the Vatican, they are puppets to the Vatican. Nato will bring an end to the whore, which is the Vatican, and then Nato will go to the valley of Armageddon, to that great battle, where they fight the kings of the East. Then after that is over you will see the son of man coming with his saints bringing an end to these wicked forces.

Revelation 19:

17. And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God;

18. That ye may eat the flesh of kings, and the flesh of captains, and the flesh of mighty men, and the flesh of horses, and of them that sit on them, and the flesh of all men, both free and bond, both small and great.

19. And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army.

21. And the remnant were slain with the sword of him that sat upon the horse, which sword proceeded out of his mouth: and all the fowls were filled with their flesh.

That is the end of the Vatican, we showed you the beginning of it at 325 A.D, and the end happens before Jesus comes. They hate the

whore and they go after that religious system. Now we want to go over the fall of Babylon in *Revelation 18*:

2. And he cried mightily with a strong voice, saying, *Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.*

3. *For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.*

4. *And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.*

5. *For her sins have reached unto heaven, and God hath remembered her iniquities.*

6. *Reward her even as she rewarded you, and double unto her double according to her works: in the cup which she hath filled fill to her double.*

7. *How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her: for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow.*

8. *Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her.*

9. *And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning,*

10. *Standing afar off for the fear of her torment, saying, Alas, alas, that great city Babylon, that mighty city! for in one hour is thy judgment come.*

11. *And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise any more:*

12. *The merchandise of gold, and silver, and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thyine wood, and all manner vessels of ivory, and all manner vessels of most precious wood, and of brass, and iron, and marble,*

13. *And cinnamon, and odours, and ointments, and frankincense,*

and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and souls of men.

14. And the fruits that thy soul lusted after are departed from thee, and all things which were dainty and goodly are departed from thee, and thou shalt find them no more at all.

15. The merchants of these things, which were made rich by her, shall stand afar off for the fear of her torment, weeping and wailing,

16. And saying, Alas, alas, that great city, that was clothed in fine linen, and purple, and scarlet, and decked with gold, and precious stones, and pearls!

17. For in one hour so great riches is come to nought. And every shipmaster, and all the company in ships, and sailors, and as many as trade by sea, stood afar off,

18. And cried when they saw the smoke of her burning, saying, What city is like unto this great city?

19. And they cast dust on their heads, and cried, weeping and wailing, saying, Alas, alas, that great city, wherein were made rich all that had ships in the sea by reason of her costliness! for in one hour is she made desolate.

20. Rejoice over her, thou heaven, and ye holy apostles and prophets; for God hath avenged you on her.

21. And a mighty angel took up a stone like a great millstone, and cast it into the sea, saying, Thus with violence shall that great city Babylon be thrown down, and shall be found no more at all.

22. And the voice of harpers, and musicians, and of pipers, and trumpeters, shall be heard no more at all in thee; and no craftsman, of whatsoever craft he be, shall be found any more in thee; and the sound of a millstone shall be heard no more at all in thee;

23. And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; for by thy sorceries were all nations deceived.

24. And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.

That is the end of the Vatican they have been manipulating the whole system this commerce, this merchandise - these Valentine's

days, these Christmas and Easter it is all about merchandise and about the economy just to get the economy going.

Lorraine speaks: They took Christian events and made them into a pageant merchandise holiday.

Sam speaks: That is all coming to an end now you are going to see the end of it. Over and over it says in one hour, somewhere the light bulb has to come on, when it says one hour it is talking about those 7 years. In Revelation lingo, it is 7 years, and half an hour is 3.5 years. That is where we get this for 3.5 years, and it started October 15th, 2021, the downfall of that system is not going into reverse anymore, it is done, it is finished, and it has not reached its finished product yet. It is the same with this covid thing, they have this poison injected into the human race and it is not going to go into reverse now they are not going to be able to fix it because it has to fulfill the scripture that the inhabitants of the earth they lay like dung on the face the earth, and what caused it - it was that vaccine that jab. They are not going to stop, now they put it into the water, they inject it into the animals, but it says everyone that my heavenly Father has given me will come to me. These people that are going to lay like dung, have made their decision as to what they are going to do and who they are going to serve. It is a point of no return this thing is not going into reverse anymore.

We are now in that time period where it says for in one hour has her destruction come. It is not a 24-hour period, or so and so many minutes. It is 7 years in Revelation lingo, you have to understand that other wise you will think a bomb will fall and everything will be over. It takes 7 years to finally bring it down to nothing it is already in motion. She has to pull out of America, she has to pull out of the Western Hemisphere, because we have a Constitution here. The founders were driven by the spirit of God when they built a Constitution, God had this country founded so that people from all over the world can come and worship the true and living God and not that Vatican thing, but Satan has infiltrated everything. Just like he did back in the Garden of Eden and by deception he had Eve partake of the Tree of Knowledge of Good and Evil, and by deception, he did away with that true Christian water baptism, but God allowed it because He has a plan to fulfill.

Now here in this end-time it is all being wrapped up, Satan is going to have to go to his territory, he has a few short years and then he has 42 months, and then his end comes. It is just that simple, and he cannot touch the Christians - touch not the oil and the wine. That oil is the anointing from God, you can make a statement and you can get persecuted for it but unless you have that oil and that wine you are going to be intimidated, you are going to be fear mongered. With that anointing you just pull ahead and you don't care where the chips fall. Just like when I went up against that Hutterite system. Sure they threatened me, sure if the law of the land would have allowed it they would have killed me, but they did everything. I was not afraid to die for what I believed in, because I knew what I was saying was the truth - touch not the oil and the wine. They could not touch me, God, always has an open door. Eventually, He led me to the ministry of brother Branham and then brother Jackson and now here we are delivering meat in due season, rolling out the invitation to the marriage supper of the lamb.

It is just that simple, you cannot make it any simpler. When you reject that you can read Matthew 22 and you will see what happens when you reject the invitation to the marriage supper of the Lamb. You will have to pay for it, He will send in His servants to kill these murderers and burn down their city. That happens in that 3.5 years, the tribulation hour, but your only way to escape is to be in that invitation to the marriage supper of the Lamb. That is why back in Revelation He is begging and pleading - *Whomsoever will let him come. Come and drink out of the water of life freely.* It does not cost you anything, just come, because it is your exit route, this whole planet is going to go into a chaotic state. Can you imagine when the Holy Spirit is taken out and Satan has full reign. You will not want your worst enemy to be around, and here people reject the very thing that can help them. There is a lot more a person can say, I saw a lot during the week about the Vatican about the damage that it has cost over the last 2000 years.

Lorraine speaks: It says - *For thy merchants were the great men of the earth for by her sorceries were all nations deceived.* People think it is a good thing with all this wealth but it says - by her sorceries, by her witchcraft, that is what they are doing bewitching

people and by her were all nations deceived. These nations are deceived by her wealth and what she portrays. They present themselves to be poor and needy but they are wealthy you would not even believe the amount of money that is invested in the Vatican, because she is in charge of all of this merchandise. All the ships of the sea have gained wealth because of her, now with her gone it is all shut down, so they are mourning and bewailing because they had become rich because of being associated with the Vatican.

Sam speaks: Back in 325 AD, you have to see the spirit of Satan he wants to be worshiped, he wants that worship. That worship only belongs to God. Satan was sitting back for 300 years, and he saw all these Christians and he figured out a plan, then he goes - I am going to get you suckers, I am going to get you to worship me and you will not even know it. So he brings in this worshipping of the sun god. At that time worshipping the sun god was the god, so he brings in the Christian symbols and now for 2000 years they have been doing that Christmas thing, and all of it is that spirit of Satan saying - I will get you to worship me. They have been doing it wholesale, for the last 2000 years on December 25, behind it is that spirit. Just like you said, with these statues down in South America behind it is that spirit, preachers in the pulpit promoting that Christmas thing, and all they are doing is they are worshiping the devil. When the Lord began to put the spotlight on it, I decided no more of that, but see the devil does not want to let you go that easy he wants you to worship him, and you have to determine - No way am I going to worshipping that Christmas thing because you are worshipping the devil.

Lorraine speaks: That is what is behind when people send these books back, that is that same spirit that is behind it - Roman Catholicism. The devil wants to shut down the truth because when he has the truth shut down he has you in bondage. It is when the truth is being sounded then it exposes him, his works, and his diabolical regime. Just like you were mentioning about those weeds you have to pull them out by the root and let them lay there to be exposed for people to see and that is what we are doing we are exposing the deeds of the Vatican, the works of darkness, and the deeds of Satan, and how he works through Roman Catholicism, and how he has infiltrated the whole world. Just like they were doing back in Nimrod's

time building this Tower of Babel - Come to make a name for ourselves. They were of one language but there came a time, just like at the time of Lucifer when he generated this thought saying - I am going to be like the most high, - they came to a certain height, a certain pinnacle and then God calls it to a halt, just like He did to those angel in Jude. They came to a certain place and then God called a stop to it, and He calls it into judgement. That is what will happen here, God is going to let it come to a certain place and then He will call it into judgement.

Sam speaks: Just when He has tested everyone, I was thinking about that Hutterite system. In order, for us to be fruitful we had to divorce ourselves from that system. After all, it is also part of the working of Satan, because it is bound together by that diabolical satanic water baptism, and it is pure first-class socialism. I know when they are in there and hear us say these things they think that we are blaspheming, but you have to come out and look from the outside in and see how they take away the freedom of choice, they can't even think for themselves, they think for you. The wealth, the kitchen that they build and these houses, it is tremendous wealth but it steals your freedom away and your freedom in Christ.

In order, for you and I to be effective to help these people out we had to completely divorce ourselves from it and not so much as even drink their water. Then you can be effective doing exactly what the Bible says - *have nothing to do with the unfruitful works of darkness, but rather expose them*. We are just exposing it all, you can have your infrastructure your big kitchens, we are just exposing the spirit behind it, once you see the spirit behind it then you will have a different view of things. Go together and do your thing, your pow-wows but you have to be aware of what is the driving force behind it, it is the power of Satan, that Nicaea Rome spirit, that baptism that drives you. God is going to call it into judgement and you are going to get the same dose that the Thyatira system did, and your only escape is to just drop it like a hot potato and accept that invitation to the marriage supper of the Lamb but the sad part is they are too wealthy that when the invitation went out they said, *I have to get married and have this house that we have been building, and this acre of land, I have to build*

another Hutterite colony. These are the obstacles that stand in the way of that glorious rapture and that marriage supper of the Lamb.

We just have to do what we have to do, we are not pushing any punches, we are not watering anything down, we are just saying it the way it is and the way we see it according to scripture, it is the Vatican, the Vatican. We went over the birth of it and going through the Dark Ages and now you will see the end of it all, and she will be done. That whore, that whore is the papal system and all of that. Then later on, time evolves, God comes after the spirit of it, the spirit of Satan He binds him in Hell, and throws those two, the beast system, and the false prophet (that pope) into the Lake of Fire in *Revelation 19*:

20. And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone.

God is going to need Satan for a later day, after the Millennium reign Satan will be let loose for a short period to test the mortals born in the Millennium. When that is done he too will be cast into the Lake of Fire. It is a very wonderful program, and God made that in that great council and He is going to see to it that everything will go according to plan. That is why He only lets things go so far. It all goes according to His own will, He is the great architect and it is going to go according to His plan.

People often ask why God allows all of this. It is because God gives people a freedom of choice, you have the freedom to do what is right, you can do what it says in Ephesians - He created us to live holy upright before Him in love. That is all. It is a lot easier than to live for the flesh all the time.

Lorraine speaks: Solomon in all of his pomp and all of his wisdom came to the final conclusion - *It is the just duty of man to worship God and to serve Him.* The birds do it every morning this little bird sings out there.

Sam speaks: You wonder how that little bird can make all that sound. Anyway, you could go on and on about it, about this Vatican thing, but right now it is right in front of your face and nobody talks

about it. People focus on George Soros, and the Chinese, all of these are just puppets to the Vatican, the Jesuits, it is just a vehicle. Today we told them they have no jurisdiction here, the Word of God is more powerful than any Vatican and anything in this universe. The Word of God applied in its timely matter has the power. Satan has no biblical mandate here in this Western hemisphere. The image of the beast is another thing. The only place that she has power over is in Europe, that European biblical world that is where her jurisdiction is, she is out of line, she is way across her borders and needs to go in the name of Jesus.

Heavenly Father, we just had a conversation around your Word. I just pray that you will take what is being said Lord, and take it and do with it as you see fit. Continue to use us for your honor and glory, we bind that spirit of Satan that spirit of the Vatican that has infiltrated every aspect of society Lord and we bring it to nothing in the name of Jesus Christ. Amen
