

HALLELUJAH, PRAISE THE LAMB

*Hallelujah, praise the Lamb
I will sing His praise again
Hallelujah, praise the Lamb
Hallelujah, praise the Lamb
Hallelujah, praise the Lamb
I will sing His praise again
Hallelujah, praise the Lamb*

I KNOW THE LORD WILL MAKE A WAY

*I know the Lord will make a way for me
I know the Lord will make a way for me
If I live a holy life
Shun the wrong and do what's right
I know the Lord will make a way for me*

*I know the Lord is coming back for me
I know the Lord is coming back for me
If I spend my life in prayer
I will meet Him in the air
I know the Lord is coming back for me*

UNTIL YOU KNOW

*Until you know that loving hand
That reaches down to fallen man
And picks him up above the plan
Where he has trod
Until you know just how it feels
To know that God is really real
You know nothing
Until you know the love of God*

STANDING SOMEWHERE

*Standing somewhere
In the shadow you'll find Jesus
He's the one
That always cares and understands
Standing somewhere
In the shadow you will find Him
And you'll know Him
By the nail prints in His hand*

*I shall know Him, I shall know him
As redeemed by His side I shall stand
I shall know Him, I shall know Him
By the prints of the nails in His hand*

I KEEP LISTENING

*We hear about the wars,
See famine in the land.
There're questions in the Children's eyes,
Trouble in the East again.
The whole world is shaking,
There's no sure place to stand.
And mournful sounds are
Heard throughout the land.*

CHORUS

*But I keep listening
For a different sound.
The sound of the city
That John saw coming down.
The sound of the Bride
Being united with the Groom.
Oh, I keep listening, I keep listening,
Oh, I keep listening for a different sound.*

*I remember the preacher sayin'
"Son, it shall come to pass,
There will come a generation
That will be the last."
I can't believe I'm standing here,
Seeing the end of time,
And the preacher's voice,
Echoing in my mind.*

THIS IS THE EVENING TIME

*The god of this evil age,
Has blinded the minds today;
Of people who walk their own way
According to God's own Word
Denying the things He's done
Of sending His only Son:
Accepting the creeds of Man
Rejecting the Word of God:*

*This is the Evening Time,
It's later than you think.
The Bride is preparing now
For Her Lord to meet.
All things are ready now,
So come by near here,
He that hath an ear to hear
The Evening Time is here.*

*The darkness throughout the land
This world just can't understand.
A Prophet has walked this Land;
Proclaiming the way to God;
If you would be saved today,
Then follow the words he gave.*

*Accepting the Word of God;
For this is the Evening Time.*

THE HANDWRITING IS ON THE WALL

*A King made a feast for a banquet
Invited all his men to come and play
But he didn't know
Before the night was over
That the kingdom that he held
Would pass away
As the crowds began to roar
In their drunkard slumber
A worried look soon took his smile away
As he looked he said behold I see a finger
And it's writing something on the wall today*

Chorus

*The handwriting is on the wall
Can't you see it
The message tells a story again today
Don't be weighed in the balance
And found wanting
Don't turn down the truth for your day
I've sent warning and now
I'm sending judgment
On a nation that's forgotten how to pray
And there is no way to erase it
The handwriting's on the wall again today*

*Now this world is getting closer to destruction
As you walk the streets
you can hear the words doomsday
And we all know
That something soon to happen
For wicked men refuse to stop and pray*

*Soon their laughter
Will one day turn to mourning
And the cries for help
Will be heard far away
Like the king when he finally
Saw the message
It was then that he realized
He waited too late.*

LASST MICH GEHN

*1. Lasst mich geh'n, lasst mich geh'n,
Dass ich Jesum möge seh'n;
Meine Seel' ist voll Verlangen
Ihn auf ewig zu empfangen
Und vor seinem Thron zu steh'n. ::*

*2. Süßes Licht, süßes Licht,
Sonne, die durch Wolken bricht,
O wann werd' ich dahin kommen,
Daß, ich dort mit allen Frommen
Schau' dein holdes Angesicht? ::*

*3. Ach, wie schön, ach, wie schön
Ist der Engel Lob-Getön!
Hätt' ich Flügel, hätt' ich Flügel,
Flög' ich über Tal und Hügel
Heute noch nach Zions Höh'n. ::*

*4. Wie wird's sein, wie wird's sein,
Wenn ich zieh' in Salem ein,
In der Stadt der gold'nen Gassen!
Herr, mein Gott, ich kann's nicht fassen,
Was das wird für Wonne sein! ::*

*5. Paradies, Paradies,
Wie ist deine Frucht so süß,!
Unter deinen Lebensbäumen
Wird uns sein, als ob wir träumen;
Bring' uns, Herr, ins Paradies. ∴*

UNSEEN HAND TO ME

*There is an unseen hand to me
That leads through ways, I cannot see
While going through, this world of woe
This hand still leads, me as I go*

CHORUS

*I'm trusting to the unseen hand
That guides me through, this weary land
And some sweet day, I'll reach that strand
Still guided by, the unseen hand*

*This hand has led through shadows drear
And while it leads I have no fear
I know will lead, me to that home
Where sin nor sorrow ere can come*

*I long to see, my Saviour's face
And sing the story saved by grace
And thereupon that golden strand
I'll praise him for his guiding hand*

SOME GOLDEN DAYBREAK

*1. Some Glorious Morning Sorrow Will Cease,
Some Glorious Morning All Will Be Peace;
Heartaches All Ended, Schooldays All Done,
Heaven Will Open, Jesus Will Come.*

CHORUS

*Some Golden Daybreak, Jesus Will Come;
Some Golden Daybreak, Battles All Won,
He'll Shout The Victory, Break Through The Blue,
Some Golden Daybreak, For Me, For You.*

*2. Sad Hearts Will Gladden, All Shall Be Bright,
Goodbye Forever To Earth's Dark Night;
Changed In A Moment, Like Him To Be,
Oh, Glorious Daybreak, Jesus I'll See.*

*3. Oh, What A Meeting, There In The Skies,
No Tears Nor Crying Shall Dim Our Eyes;
Loved Ones United Eternally,
Oh, What A Daybreak That Morn Will Be.*

THERE IS A LAND

*1. I have seen some pretty towns,
Guess you could say that I've been around
Found no place to settle down,
There is a land
Oh, I'm just a pilgrim here,
Toiling through a world of fear.
My time to leave is drawing near,
I'll go to that land*

Chorus

*There is a land I'm homesick for,
Though I've never seen it before
I've got loved ones waiting on that shore,
There is a land
And it's not a million miles away,
Or on some far of distant strand
I'll speed up and there slow down,
There is a land.*

*2. Why am I so homesick for,
Just not myself here anymore
Waiting for that open door,
That leads to that land.
So I'll dry these weeping eyes
Lift my head towards the skies
Farewell to this world goodbye,
I'm going to that land.*

BATTLE SCARRED SOLDIER

CHORUS

*Open your eyes you battle scarred soldier
It's later than ever before
He will appear some glorious morning
His coming is nigh at the door*

*Men will be lovers of self
More than lovers of God
Filled with vain pride
Worldly pleasures have drawn them away
But if we're His children
We must feel the chastening rod
For those that He loves
He will teach them to trust and obey*

*Some people believe
That his coming is still far away
They often grow weary
And so often they lay down their load
But just up ahead are the signs
Of a much brighter day
So don't lay down the load child
We're too near the end of the way*

WOUNDED SOLDIER

*Wounded soldier pick up your weapons
Let's fight the battle, we're not alone
For the angels are camped around us,
We're not defeated, we'll soon be home*

There is a brighter day coming, it looks pretty grim out there right about now. Some people are fixing to give up, it looks pretty hopeless when you listen to all the chatter. That is all it is - chatter. This whole world is steeped in darkness. We can see it for what it really is, but for a world that is steeped in darkness a lot of them give up the fight. They see massive hordes of darkness coming at them, and I was thinking about it during the week behind it all is the spirit of Satan, and then there is the Vatican. A lot of people don't even know that the Vatican is the enemy. Then I was looking at all these forces, the UN, and all these organizations all it is a bunch of chatter. Then there is the World Economic Forum, the globalists, the Klaus Swab, the elites of this world, Soros, all these forces put them all together in your database, the globalists, the covid, the mandates, and the jab, when you put all these together in a heap it looks like a powerful force. That is all you keep hearing and then the odd one tries to stand up and fight and when they can no longer fight they give up, and they cave.

All week long I was looking at this scripture here. In *Psalms 2*:

1. Why do the heathen rage, and the people imagine a vain thing?

2. The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying,

3. Let us break their bands asunder, and cast away their cords from us.

4. He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

5. Then shall he speak unto them in his wrath, and vex them in his sore displeasure.

It says the people imagine a vain thing, and that is all it is they think that they can pull it off, that is what Satan did in the pre-historic when he came up with this thought in *Isaiah 14*:

13. For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:

*14. I will ascend above the heights of the clouds; **I will be like the most High.***

That is what this is it is a bunch of chatter, and behind it all is Satan driving it, behind this world dominance, Satan still has that ambition when he wanted to go up against God, and this is a repeat of what Satan is doing again and again but he does not have a mandate for it, and to me it is just chatter. That is why it says in *Psalms 2*:

1. Why do the heathen rage, and the people imagine a vain thing?

*2. **The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying,***

3. Let us break their bands asunder, and cast away their cords from us.

That is what they are saying, they are trying to go up against God, like the Trudeau's of this world, the Charles, and all of these big henchmen, they think that they have a say-so. They are the kings of the earth, these big names, the world forum, and all this filth that is out there, and as I was saying it is just Satan repeating himself and trying to go up against God trying to have world dominance, but he is doomed before he even starts. They are after the Christians, they want to get rid of them, but here it says - ***He that sitteth in the heavens shall laugh: the Lord shall have them in derision. Then shall he speak unto them in his wrath, and vex them in his sore displeasure.***

They are nothing, less than nothing, He that sits in Heaven shall laugh, it says - the Lord shall have them in derision. At the end of the day, they have nothing, they put so much effort into trying to put this infrastructure together that is a lot of work that they are putting in with this COVID-19, they have their policeman all over town, and every

town they are in to make sure that people don't overstep there mandates that they put in place.

Lorraine speaks: It is like you said - The devil just has repeats. We can go through the Bible and we know how these things come about. When you go to the early church on the day of Pentecost, Peter was given the key for the kingdom and he said: Repent and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.

Peter was given a formula, then you came to 325 A.D where that formula was changed, it was completely distorted to the titles, to a trinity of father, son, and holy ghost. That real baptism was totally null and voided, what happened then was the church started to head to the Dark Ages. In 325 A.D. Constantine was the Emperor he was the ruler of the Roman Empire. As time went Rome fell in 476, then what happened was Lords started to rise and took over the regions in Europe. The same with these people when you look at Klaus Swab and Soros and these elite people, they have the wealth of this world and they basically rule. That is what happened there between 300 - 1000 A.D. There were prominent people but bit by bit Satan was using that papal office to get momentum, he wanted one leader, and slowly by 1000 A.D. you came to that ecclesiastical system, that little horn that Daniel saw, you have to take everything back to the Bible. Then the world was cased in darkness, nothing was changed, no progress was made, and things were starting to go backward it was all controlled by that pope, what the Bible says is that little horn.

Sam speaks: It backs it all up with that little horn that Daniel saw in *Daniel 7*:

*8. I considered the horns, and, behold, **there came up among them another little horn**, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things.*

It is also what John saw in Revelation 17:

10. And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space.

*11. And the beast that was, and is not, **even he is the eighth, and is of the seven**, and goeth into perdition.*

Lorraine speaks: The eighth is of the seventh, the eighth is not really a new head on that beast it just lets you know that the 7 head evolved into that Holy Roman Empire. The Roman Empire that was founded by the Caesars began there, those emperors slowly died out and then that pope took over, and it is all backed up by the Bible. That is why these people who do not know their history or take out certain scriptures will all come to nothing. Going back to where that head that received a wound that it speaks of in *Revelation 13*:

3. And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

It received that wound at the Reformation. God had Christopher Columbus discover this new world in 1492 and that whole system collapsed. When you see how God in the last 100 years was restoring truth. It was a very important century, God was restoring truth. When you came to the hour Brother Branham the world and the American churches rejected the prophet and his message to get back to the Word. That World Council of Church took over, it is no different from when those Lords took over Europe when Rome fell. The World Council of Churches, that is what you see now. That World Economic Forum, all these entities are the same Satan-instigated propaganda to govern this world. Here it is just on a global scale.

Sam speaks: They have everything really sown up.

Lorraine speaks: You saw how they had everything sown up when they manmade this COVID-19 virus and they had every entity at their fingertips you could see it, but they do not know that God is fixing to do something great. The devil does not know, but he knows his kingdom is crumbling because he can't be that stupid because you can see how desperate these democrats are getting in the US with trying to indict Trump. They are desperate.

Sam speaks: It is all a repeat, and what it does is get people paranoid. They have no faith, to us it is an accident waiting to happen. That is just something that I wanted to throw in, don't lose faith. **Wounded soldier pick up your weapon**, now is the time to

really put your shoulders to the wheel because something is fixing to happen the whole infrastructure is coming down. It says what will happen to those people that come against Jerusalem, they want to wipe out the Jewish race. In that they are going against God, the apple of God's eye. It is all held together by the UN, and they are just going to shatter like splintered wood. He will make it a cup of trembling and a burdensome stone, and God is going to shatter that system, He will destroy every entity that will come up against Jerusalem. It says in *Zechariah 12*:

3. *And in that day will I make Jerusalem a burdensome stone for all people: **all that burden themselves with it shall be cut in pieces**, though all the people of the earth be gathered together against it.*

That is what is coming up the road here, he will cut them in pieces.

4. *In that day, saith the LORD, I will smite every horse with astonishment, and his rider with madness: and I will open mine eyes upon the house of Judah, and will smite every horse of the people with blindness.*

5. *And the governors of Judah shall say in their heart, The inhabitants of Jerusalem shall be my strength in the LORD of hosts their God.*

That is the way the world is going, I want to say we are spot on here. My thought today is in *Isaiah 55*:

6. ***Seek ye the LORD while he may be found, call ye upon him while he is near:***

That is what the Lord came to me with in the early 90's, seek the Lord while He may be found. I had to seek the Lord because I did not have the Lord. I had a Lord, I was born-again but I had lost sight of things and I was not where I needed to be. That is the scripture that the Lord gave me back in the day - Seek the Lord while he may be found, call on Him while He is near. I tell you what, you will not find Him in that Hutterite church, He is not in there, He cannot be found in there. So the Lord had to take me out of that system because there is absolutely nothing in there.

I told this before how we had a man come to our house, who had a testimony, he had just recovered from a major heart attack and he

came to see my dad. He gave his testimony about how he had an out-of-the-body experience. He was dead for 7 minutes. We talked about it in another message that we had, and here he thought he was on the right track, he worked for the colony all of his life, he put all of his energy in and here he comes up short, he has this heart-attack and he tries to get into Heaven and they would not let him in. They asked him what did you do for Jesus. Oh, he said, he did this and that, and they let him know that is not for Jesus. I was boss on the colony and all of that sort of thing, and they would not let him in, and he begged for one more opportunity, another chance. He did recover, and he recovered very rapidly, maybe in about 2-3 months, and he came to our house and he gave his testimony, and that stuck with me.

There is nothing in that Hutterite colony, you are not going to find God in there, it is pure socialism, it is Roman Catholicism on steroids because they have their pope. They don't call him a pope, they call him Eltestoh, it is such a deception, it is first-class socialism. It looks good when you are in there but see they take away your freedom, and the ability to think for yourself, and like I said, it is first-class communism, first-class socialism, that is why I can say you will not find God in that system. From there the Lord took me out with a strong and mighty arm. The first thing they do is they use it for a weapon - You can't come to church here anymore. So I just went to town for church. I wanted to go to church so I went to this Mennonite church. So that is when I went to the Mennonite church, and I found out the Mennonite, to the shock of my life, is just another Hutterite colony. Then I went to the Pentecostal church.

That is how the Lord has led me because it was engraved in my bones - Seek the Lord while He may be found. I was seeking the Lord throughout this journey. The Pentecostal church looked good there for a while and then after a while, lo-and-behold, the Lord gave me a vision of what controls that Pentecostal church. I used to be an electrician, I used to hook up these telephone wires and the Lord showed me this network and how these churches were all tied together with Rome. It is called Pentecostal but through the World Council of Churches it is all integrated and it is controlled by Rome by the Vatican. I wanted to settle down so I went to that big Maranatha church down at Steinbach, I wanted to get involved there because I

wanted my life to count, I wanted to do things for the Lord, and in this search, I came across this big church there and it looked good on the outside and that is when the Lord gave me that vision and then I did not even attempt to go there.

Then my journey led me right through that Dave Waldner. Then I found out that it was just another cult. I journeyed through all of that as I was seeking the Lord. I know He can be found out there, because that man that came to our house, he knew my dad good, and he said, John, there has to be something out there somewhere we just have to put our heart in it and go look for it. That set me on a course because I knew in my heart there was nothing to be found in that Hutterite colony. As the Lord was leading me through all of that, the Lord was leading me to the ministry of Brother Branham out in Vancouver and that is where I found the Lord through the ministry of Brother Branham. I was there for 3 years and then the Lord led me to the ministry of Brother Jackson. I was guided by that unseen hand, not knowing that deep inside my soul the Lord was leading this whole charge. He had work for me to do and this is why I say this - This is why we are where we are today because I allowed the Lord to lead and guide me, and I took it seriously when He gave me that scripture - Seek the Lord while He may be found, call on Him while He is near. That was back in the early 90's and now it is 2023, and now it is late in the day for people to go through that same situation, that same chapter that I had to go through. You don't have the time to go through this Mennonite system, and then through this Pentecostal and all these denominations then through Brother Branham and then through brother Jackson, there is no more time left for that. Time is running out.

That is why when we see these fires, we have been speaking on it for the last 5 years, we see these birth pains coming. Some people just go about as if it is all normal, they think they will just build up the town again and they will start all over again, but no, it is birth pains for that new era that is coming: That Millennium. These birth pains God cannot stop them they are just part of the scripture, part of the Word of God, part of the hour that you and I are living in today, but praise God the Lord set me on this route back in time where I still had time to seek the Lord. I had to go through all these systems and now I can tell

people it is all just a farce, it is all just a scam, it is all man-made ideas. It is all Satan's distractions, the only thing that is left now is the invitation to the marriage supper of the Lamb. That is why the Lord put this thought on my heart - Seek the Lord while He may be found. Well, you don't have time to seek the Lord anymore, all you have time for is to believe what we are saying here and come and drink out of the water of life freely. That is what is left.

You can see the signs of the time the minute you open your eyes and you look around, you see the fires out in Maui, and you see these forest fires in Kelowna now, these are the birth-pains. You see the big Hurricane coming into California, these are the birth pains Jesus talked of, one is not even finished and then another birth pang comes along. You know how a birth-pain comes upon a woman you don't expect it, and there is that birth-pains. Then it is like that lasso that we talked about last week how it comes on that cow. Just like the Bible says the end is going to come like a lasso on those that live on the earth that are just materialistic minded and before you know it bingo there comes that birth pain, there comes that fire, it completely wiped out a town out there. These people are so caught up in materialism; they did not seek the Lord back in the 90s when it was time to seek the Lord. We have been talking about that song that the Chamber brothers sang - People Get Ready. That is what happened in the 60s, the Lord was already beckoning mankind to seek the Lord while He is yet to be found. *People get ready there is a train coming, it is picking up passengers from coast to coast, Faith is the key, open the doors and board them.* Everyone can come, everybody is welcome. That song went around the world since the 60's but people are so caught up with materialism. It is the order of the day, now all of a sudden what do they have, all their belongings all that they ever worked for gone up in smoke.

Lorraine speaks: It is true what you said, that the Hutterite system cannot produce Christians. When the Lord saved me I was down and out, I did not see any future in the Hutterite system, no future what-so-ever and I was out for a walk and there God met me through a man and he led me to the Lord Jesus Christ, He is the way the truth and the life. The Lord Jesus Christ, not the colony. That day the Lord saved my soul and things began to change in my life, that is

when I was 21 years old, I was still in the colony for 7 years after that, and it was not until I came to a place where there were so many questions in my life, and I wanted answers. I had read my Bible so many times over. It was the only book that I read, but I did read books trying to understand the book of Revelation, it was not until 7 years later that I wanted to know what really happened in the Garden and why we are sinners, what happened in the Garden of Eden, the Lord saw my desire and I was given the book - The seven church ages.

Then I knew what that was that happened in the garden. Then God led me off the colony. I listened to a lot of preachers on the radio, I listened to every program that I could, even Billy Graham, but he never did something for my soul and spirit, and I could not ever understand why until later on. The only thing that did something for me was William Branham's ministry, Brother Branham had already passed on, and that righteousness for the day and hour had already moved on to the ministry of brother Jackson. So I came right into the ministry of brother Jackson, and one of the first things I heard him say was that he does not classify himself to be the smartest man with only an eighth-grade education. I was just listening to the pre-historic world and these messages, I had so many questions about dinosaurs, and those questions were answered about the prehistoric world. When he said he was not the smartest man, to me he was the smartest man I've come across. What is education anyway, for the most part, it is just indoctrination.

Let's use an example of a massage therapist, they are all trained in the same school and they all use the same mechanics, I would rather have someone who has zero education but has a gift, that person will fix you up a lot better than a person that is taught mechanics, because they have a gift in their hands, and I would rather go see a person like that. That is the same way here when you came to the ministry of brother Branham because behind his ministry was that star angel that was guiding him, when he was young, the Lord spoke to him through that angel - I have a work for you to do. It was God speaking through that angel to brother Branham - I have a work for you to do when you get older, don't defile yourself with women with alcohol or these things. That is how he lived his life, and God protected him and shielded him so that when his ministry came to

fruition he was an upright man and people could not find anything on him.

Then when he went off the scene that ministry continued with Raymond M. Jackson and you can go through this whole world, round about and you will not find another brother Jackson I will guarantee you that. I mentioned earlier about Billy Graham I listened to him but something about his ministry just did not latch a hold of me. It was not until I came to the ministry of brother Branham, and brother Jackson that latched a hold on my soul and spirit and it brought me to heights that I had never been before. I have a book here and it was opened to the page with a picture of Billy Graham, and I could see clearly what brother Branham said about Billy Graham and about his ministry. He said that it portrays the two angels that went down to Sodom after a visit with Abraham, and they went down to blind the people. Brother Branham said that was the ministry of Billy Graham and these other world preachers, Billy Graham wanted to be the greatest most pronoun evangelist there ever was. I am not saying what he said was wrong or anything, but his ministry had a purpose. They rejected the prophet of the age and his message to go back to the Bible with water baptism in the name of the Lord Jesus Christ. When the churches rejected the message for their day, that pale horse rider in Revelation started to ride. These were these ministries that were set out to deceive the people.

Sam speaks: Yes, he said these two angels represent Billy Graham and Oral Roberts that went down to Sodom to blind them, and that is what their ministry did to mankind, they blinded them from the reality and the truth of Brother Branham. It was kind of a detour or decoy.

Lorraine speaks: They will never go in the water baptism of Acts 2:38 and the new life, they can only touch on it. Like you always say these preachers preach it but we are living it. These preachers a lot of them preach it but they themselves could not enter. They rejected the message of water baptism in the name of the Lord Jesus Christ, and to go back to the Bible.

Sam speaks: See you have to meet the conditions so that the Lord can lead you into what you are in. See I had to forsake all things like the Bible says in *Mark 10*:

29. *And Jesus answered and said, Verily I say unto you, There is no man that hath left house, or brethren, or sisters, or father, or mother, or wife, or children, or lands, for my sake, and the gospel's,*

30. *But he shall receive an hundredfold now in this time, houses, and brethren, and sisters, and mothers, and children, and lands, with persecutions; and in the world to come eternal life.*

The circumstances in my life required me to go that route, it is not required of everyone, I did not set this program up but it was required of me as the scripture says - ***There is no man that hath left house, or brethren, or sisters, or father, or mother, or wife, or children, or lands, for my sake, and the gospel's***, see, I had to meet the conditions. I could not barge in and break the door down to get what I have today, and expect it to just come falling into my hands. I had to meet the conditions before the Lord could transmit this tremendous truth to me. You have to meet the scriptural conditions before the Lord can open up this to you. The wealth of this world is a secondary item, and people want to hold on to it, and then they cannot enter it.

Like Randy he thinks he is born-again, he thinks he is saved, and he is trying his level best to enter in but see you have to meet the conditions, humility, and all these things that you have to meet, he is so deceived that he does not even know it. I saw that during the week he is trying to enter in and he is trying to take the kingdom by force, he is trying to get in under his conditions, no he has to meet scriptural conditions before the Lord will open up that wealth and that heavenly treasures to you. It says, how can God give it to you if you are unfaithful with the natural things, how can God give you that spiritual understanding. You have to meet the conditions and once you meet the condition, then bit by bit he leads and guides you. That is why He led and guided me because I was willing to lay my life on the line. I was willing to give up everything, I lost it all overnight just for the sake of Christ.

Lorraine speaks: That is what I cannot understand when people think that it is so foreign, when it is scriptural, about meeting the requirements. I remember I was still in the colony, the Lord saved me when I was 21 and I was looking out of my window one night, and the

Lord spoke to me just like Abraham was called out from his father's house to a land he did not know, but he walked by faith to where God led him. God had made a promise and Abraham walked by faith. The Lord let me know just like Abraham had to leave his kin folk behind and that is what I am going to require of you, and it happened and bit by bit the Lord removed my family from me. People think it is so strange, they think you are a cruel and alienated person. I will never understand, what part of the Bible they read. We just read what Jesus said - *For my sake, and the gospel's*. I did not do it for my sake, it was for His sake and the gospel's because that is what He called and required of me.

Sam speaks: He may not require it from everybody, the only one that owns us is the Lord Jesus Christ. When I went through all these churches they wanted to own me, they wanted to make me a Sunday school teacher. They wanted me to do this, then that, when I was in that Hutterite colony they thought that I belonged to them, and on it goes. The Pentecost they thought they owned me, then Dave Waldner, then that Joe Waldner thought he owned me, and all along it was the Lord Jesus Christ that owns me, He was the one that died on the cross of Calvary for me. He is the only one who is worthy to have control over my soul and over my life. That is what I surrendered to him, He can have it all, to lead and guide me. I did not know where it was all going to end up but I knew one thing I am going to trust Him, that is why He has led and guided us to where we are today, and that is why He has found us to be faithful. As it says in *Matthew 24*:

45. Who then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season?

We are delivering meat in due season, that program Reawaken American, it is just a waste of time. There is nothing there, then they have these high falutin people doing the speaking and all of that stuff, but it is just chatter and a waste of time. This, here, is it, we are the only people who will tell you that you have only a certain amount of days to the middle of the week. Then when that middle of the week comes you will not want to be around. You will want to have settled the score with the Lord Jesus Christ so that He can take you in that rapture. You don't have to go through this whole journey that I had to go through, all you have to do is come and drink out of the water of

life freely. That is what it says, I did not write the Bible. It says in *Revelation 22*:

17. And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely.

Once you hear it once you understand what we are saying it is your God-given obligation to go and share it with people, it is not our job it is your job - *And let him that heareth say, Come.* You don't have to go bragging yourself up because Solomon at the end of the day said it is the just duty of man to do that. That is what we are created to do don't expect some payouts, and nobody to glorify you because it is the just duty of man. Jesus backs it up *Luke 17*:

10. So you also, when you have done all that you were commanded, say, 'We are unworthy servants; we have only done what was our duty.'"

That is where you and I are sitting we are just grateful and thankful that the Lord did give us this crystal clear picture of the end time. What a joy it is to wake up in the morning knowing the picture, you are not living in a confusion city. You see the picture crystal clear and you see exactly what is going on. You see these fires around the world and we have been talking about that for some time already that it is the birth pains. The Bible says it as such and that is the sign of the end time. Just like that lasso, Jesus talked about it in Matthew 24, Luke 21, and Mark 13, and we are living in that time frame.

The things that we say and do are no mystery they are exactly laid out in the scripture. You will not hear people talking about it as being birth pains, or the coming of the Lord, no, they want to rebuild the town, and the only place you will hear it is right here. That is the hour that we are living in, the birth pain hour, and then it leads to the new birth of the Millennium. These are just the beginning of horrors, it does not affect you and me, because we put our trust in Jesus, and your only way to escape is Jesus, if you have not made your peace with Jesus by now then do so. There is no other way, no safety net or backup plan, that is your only place of refuge, your only place of safety and that is in Jesus Christ and it has to be reality. You can't just pretend to be a Christian like some people we know. I told this one guy if you have a hunger and a thirst for truth, for reality and God, you

will end up exactly where I am because you will be led to the same water fountain as I. This is that, just because it comes from you and me it doesn't mean that it is obsolete. It will come on like birth pains that come upon a woman and these are what you see. Like these fires, people do not see it coming and in no time the whole town is on fire, their house is gone and their whole heart is on it, and these rich people think that they have it made. Their money is not going to save them on the day of the Lord when they will cry out to the rocks to fall on them to hide from him that cometh. It says in *Matthew 24*:

7. For nation will rise against nation, and kingdom against kingdom, and there will be famines and earthquakes in various places.

8. All these are but the beginning of the birth pains.

As the time comes closer to the coming of the Lord these will intensify and will happen closer together just like birth pains happen. There are the fires and the flooding and the hurricanes and they will only intensify, these are just the beginning and they will lead you right up the day of the Lord where the earth will reel to and fro like a drunkard, and the heavens will shake, and with these big tsunamis, those Islands will just disappear. *Revelation 6*:

14. And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places.

Lorraine speaks: Like you were saying we did not bring us to where we are, we were just telling you how God led our lives to where we are today. God still uses these entities such as the Vatican as servants just like He used Nebuchadnezzar, He said, my servant Nebuchadnezzar. When you came to the apostasy that Israel was into, contrary to what God had required of them when He set His laws in motion.

Sam speaks: They did everything to bring His wrath upon themselves, then He sent in Nebuchadnezzar to chastise them.

Lorraine speaks: You can see how they became greedy and they did not let their land rest every 7th year, and they disregarded the laws of God. They did not seek God or walk in His ways. You come down to King Manasseh where he offered up his son for a sacrifice like these foreign gods that the people worshiped in the land. It says in *2 Chronicles 33*:

9. *So Manasseh made Judah and the inhabitants of Jerusalem to err, and to do worse than the heathen, whom the LORD had destroyed before the children of Israel.*

He started to do that and that really brought God to a place of no return where He is going to have them go into captivity. 2 Kings 21:

10. *And the LORD spake by his servants the prophets, saying,*

11. *Because Manasseh king of Judah hath done these abominations, and hath done wickedly above all that the Amorites did, which were before him, and hath made Judah also to sin with his idols:*

12. *Therefore thus saith the LORD God of Israel, Behold, I am bringing such evil upon Jerusalem and Judah, that whosoever heareth of it, both his ears shall tingle.*

13. *And I will stretch over Jerusalem the line of Samaria, and the plummet of the house of Ahab: and I will wipe Jerusalem as a man wipeth a dish, wiping it, and turning it upside down.*

14. *And I will forsake the remnant of mine inheritance, and deliver them into the hand of their enemies; and they shall become a prey and a spoil to all their enemies;*

15. *Because they have done that which was evil in my sight, and have provoked me to anger, since the day their fathers came forth out of Egypt, even unto this day.*

16. *Moreover Manasseh shed innocent blood very much, till he had filled Jerusalem from one end to another; beside his sin wherewith he made Judah to sin, in doing that which was evil in the sight of the LORD.*

God had prophets on the scene and he let them know how it was going to be, He told them they were going to go into captivity for 70 years, and they were led into captivity around 600 B.C. Daniel was one of the first to be led into captivity and it came to the closing years when those 70 years were running out and as he was fasting and praying, and confessing his sins and the sins of his people, God let him know the layout through an angel that was sent to him. And he let Daniel know in Daniel 9:

24. ***Seventy weeks are determined upon thy people and upon thy holy city, to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in everlasting***

righteousness, and to seal up the vision and prophecy, and to anoint the most Holy.

*25. Know therefore and understand, that from the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince shall be **seven weeks, and threescore and two weeks**: the street shall be built again, and the wall, even in troublous times.*

*26. **And after threescore and two weeks shall Messiah be cut off**, but not for himself: and the people of the prince that shall come shall destroy the city and the sanctuary; and the end thereof shall be with a flood, and unto the end of the war desolations are determined.*

When Nehemiah set out to rebuild the walls around Jerusalem in 445 B.C. the clock started ticking. We know that there are 70 weeks and that is 490 years altogether and those are the seventy weeks of Daniels. At the end of the 69th week it says- **And after threescore and two weeks shall Messiah be cut off**, and you line it up with 33 A.D., with that Passover Lamb, it happened exactly so, everything was so lined up with that Passover feast. First, it was the Spring Equinox, then you take the first New Moon after the Spring Equinox in the month of Abib and that set in the new year. Then in the middle of the month on the 15th day the Full Moon would shine at its brightest and there Jesus the true Lamb of God, that sacrificial Lamb, was crucified.

When you go to Exodus when God set in the type of the Passover all of those sins were just pushed ahead to the real Passover Lamb to Calvary. Every year when they had that Passover Lamb the sins of the people were just pushed ahead to when the real Passover Lamb would hang there at Calvary. God was setting a type for the real one to come, and if the people had been sensitive and in line with God they would have known exactly the season and the times that they were living in. That is why Jesus said because *thou knewest not the time of thy visitation*. They did not know the hour that they were living in, and so they rejected Jesus and that 70th week of Daniel was cut off at the 69th week, (483 weeks), and that leaves you with one week (7 years).

That is what God did when He pulled us out of that colony structure into the ministry of Branham and into the ministry of Brother Jackson because that is the way the truth and the life. You are not going to find the way the truth and the life in all these other decoys out there, they are set there to lead you astray, that is that grey horse rider. When brother Branham was on the scene his ministry was all pointing to Sabino Canyon in 1963, when Jesus descended with a shout, there was that Midnight Cry. God gave you the revelation of what is all involved in that Midnight Cry, and to help you understand He gave you that question - The Midnight of what? We know that God gave brother Branham the time frame of the 7 church ages and we know that the Laodicean church age started in 1906. So 1906 to 1963, the middle hour of Laodicea is 1963, we know when we do a little math, when you have two numbers that is all you need and you can find out the end, it is a simple math equation. You don't have to be a rocket scientist or anything of that matter. If you have the middle of something and the beginning you can find out the end. God had given us the beginning and He gave us the middle, and He spoke to you - the midnight of what. The midnight of the Laodicean hour is when that parable was in effect about the ten virgins, five being wise and five being foolish and at midnight there was a cry made, at the middle of the church age of Laodicea there came that shout just like it says in Thessalonians - *He shall descend with a shout*. That is what happened there at Sabino Canyon.

Then with the calculations from brother Jackson, he calculated everything down to a T for the 2000 years. We know that the Grace Age is 2000 years and he came out with 2004.5, but he also said if the Roman Calendar is right and we found out that the Roman Calendar is out by 17 years, so the Grace Age ended in 2021 (it would have been 2004.5 if the calendar would have not been out by 17 years). The devil has these decoys out there to distract and distort to prevent people from finding out the truth. That is why that real Passover Lamb had to happen in the spring of the year at the month of Nissan when all the types that were casting their shadow for the real one that is why when the grace age ended in 2021 you take it to the feast of the Yom Kippur and it will lead you right to October 15, 2021.

Sam speaks: As we said before, we were sitting here waiting for October 15, and you saw yourself crowning Jesus King of Kings and Lord of Lords and I saw Him with the eyes of my spirit, I saw Him take off His high-priest robe and put on His Kingly robes. It is a transition, now He is no longer on the seat of mercy, and we are no longer under the Grace Age we are now in that 70th week of Daniel, and God knows what is going to happen in that 7-year period, but we were ready when that day came and our guns are loaded, so to speak. We are now ready for what is next on the scene. We were waiting for the day to come on October 15, 2021. Now it has switched to the week of Daniel, the Grace Age is over. That is where that scripture comes in - *Revelation 8:*

1. And when he had opened the seventh seal, there was silence in heaven about the space of half an hour.

Now that silence in Heaven begins, the seven seal is open, and to us, it is a beautiful picture, and we believe it, and we believe it because the Word says so, we don't believe it because these high falutin people that are under the influence of these seducing spirits said so. No, we believe it because we saw it in the Word and as we believe the Word, we see the reality of it, and to us, it is so real.

Lorraine speaks: That is what the Lord gave you in Isaiah - Seek the Lord while He may be found, call on Him while He is near. That is all part of seeking Him and calling on Him that led your life to the ministry of Brother Branham and to the ministry of brother Jackson to know the day and hour we are living in. We are not out on some la-la land, we have been led by that unseen hand, and that is why we had to forsake all things; we had to give it up. If we would not have done it the Lord would not have opened up His Word to us.

Sam speaks: We had to meet the conditions, the scriptural conditions, we did not take that kingdom by force. Just like Jesus said - As my father gave me my kingdom that is how I am going to give you your kingdom. We got it the same way, by persecution, by forsaking everything and being treated like a vagabond. We had to go through the same channels that Jesus had to go through, being forsaken by our own countrymen, and we do it gladly knowing that within there was tremendous peace.

Lorraine speaks: And being in the center of gossip just like they did with Jesus they threw it in His face saying - We are not born out of wedlock and mocked Him and they thought they were holier.

Sams speaks: They accuse us of this, that and the other, this one guy last week sent us an email, you are going to have to tell the whole world that you are living in sin. What a joker.

Lorraine speaks: That is what we have been subjected to, the ridicule, the butchering, and the slaughtering, as you always say - my oxen and failings have been prepared. That is the way to the kingdom, it is not by force, it is the opposite, you are going to be ridiculed and you will be despised and rejected that is the way you will gain the kingdom.

Sam speaks: We do it gladly, it does not bother us any because we get that invisible peace.

Lorraine speaks: That is one of the first scriptures the Lord gave me when that preacher Mike said that I was cursed because I told him his wrong, and the Lord gave me this scripture in *Matthew 5*:

11. Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake.

12. Rejoice, and be exceeding glad: for great is your reward in heaven: for so persecuted they the prophets which were before you.

Then it says in verse

10. Blessed are they which are persecuted for righteousness' sake: for theirs is the kingdom of heaven.

It is not by force it is standing for righteousness and for truth and that is what gets you persecuted that is what separates you from the rest of the crowd out there it is standing for truth and righteousness not just going along to get along with all the things that you see out there.

Sam speaks: That is why the Lord gave us such tremendous revelation of the hour that we are now living in. Where else will you hear the hour that we are now living in. The only place that you get it is right here. You will not get it at the re-awaken America tour. In fact, they will tell you the opposite.

Lorraine speaks: In fact, I noticed when you listen to people that have a good size audience when people will inquire about the day and hour because people know that we are living in the end time, and they

will quickly reassure their audience - No man knows the day and hour, I am not giving you the day and hour. They do not want to lose followers, because their followers are their livelihood. That is how they make money on those YouTube channels, I do not know the number, but if you have enough followers you start raking in money, and some people make quite a bit of money, so it is all about making sure that they don't lose followers. We are not dependent on followers we are responsible for telling you the truth and the hour that we are living in, and that is why we get persecuted.

Sam speaks: We don't need their money, in fact, it is the opposite because it says - *Come and drink out of the water of life freely*. This is the only place where you don't have to spend one penny or cent. You can send in tithes if a person so desires and it is not used to bring forth that living water so to speak. The Lord has given us the finances to do that very thing. He pays us. This is where you will find it, that living stream. There is only one message left. If you have not taken advantage of the marriage supper of the Lamb, you are not going to get in there, and then the other phase starts to kick in - *Blessed is he who dies in the Lord from henceforth*.

God has it all taken care of, we are no longer under the Grace Age, it is no longer baptism in Jesus name, now all you have to do is accept the invitation to the marriage supper of the Lamb. It is just that simple and the only condition you have to meet is to believe it. That is it. I did not see it when I first started this journey. I did not see that the Lord was leading me where He wanted, that is part of the scripture - Seek the Lord while He may be found. By being obedient to the Word of God and allowing the Lord to lead and guide me. As it says in Psalm - *Thy word is a lamp unto my feet, and a light unto my path*.

That is where it has led us to. At first, it was me on this journey and then the Lord brought you on board and now it is the two of us, a foolproof system, and now we have one message - The coming of the Lord. That is why He woke me up at two o'clock in the morning. That has been my heartthrob, that has been the only message that I have - The coming of the Lord. Now He has found us to be faithful and wise to deliver meat and due season, and it says that He is going to put him in charge of all His goods, and that is the invitation to the marriage supper of the lamb, that living water. He shows us what to

do and say - *Come, and drink out of the water of life freely.* We are the only ones who know what that seventh seal is. They don't know what it is. They are still looking for the Thunders, for those thunders to utter their voices. Those thunders were uttered in 1963. Here again, you and I are the only ones that know that. We are just doing our part and like I said all week long I was reminded of what Solomon said - It is the just duty of man. We are not looking for payouts, we are not looking for a red carpet or anything like that, we are just doing everything that we can. I sometimes feel that we do so little.

Lorraine speaks: It says in *Revelation 10*:

1. And I saw another mighty angel come down from heaven, clothed with a cloud: and a rainbow was upon his head, and his face was as it were the sun, and his feet as pillars of fire:

2. And he had in his hand a little book open: and he set his right foot upon the sea, and his left foot on the earth,

3. And cried with a loud voice, as when a lion roareth: and when he had cried, seven thunders uttered their voices.

That is what happened in 1963 the whole ministry of brother Branham, when he was young, that star angel was following him, throughout his life and ministry, and in 1933 as he was baptizing at the Ohio River a voice spoke to him - Look up. Look up. Look up. When he looked up, there was a great light hanging right over his head. Then a voice spoke and said, "As John the Baptist was sent to forerun the first coming of the Lord so are you sent with a message that shall prepare the way for His second coming." He was that prophet in *Malachi 4*:

5. Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the LORD:

Why? As it says he is going to change the heart of the children back to the faith of the early church, to take them back to the Word. It was taken at the Nicaea Council in 325 A.D., and now he is going to bring us back to the faith of the early church.

6. And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers, lest I come and smite the earth with a curse.

That is what his ministry was all about, when you come to 1963 he was unction to go to Arizona, there was something that was

drawing him to Arizona and there he went up to Sabino Canyon and he heard an explosion and he compared it to a jet breaking the sound barrier. There he saw a Constellation of Angels there were 7 angels there and those 7 angels were relaying to him those seals that were opened up. Those were the seven thunders that sounded. That mighty angel that it speaks of here is the Lord Jesus Christ. He was still on the seat of mercy when that happened in 1963 but it was an angel portraying the Lord Jesus Christ. When you will take it to 1

Thessalonians 4:

16. For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

That is what happened, the Lord descended from Heaven with a shout. To do what? That little book that you see in His hand, those seals were opened, the first, then the second, third, fourth, fifth, sixth and we know what the seventh seal pertains to. You read in *Revelations 8:*

1. And when he had opened the seventh seal, there was silence in heaven about the space of half an hour.

When you line it up with the Yom Kippur in 2021 that opened up the seventieth week of Daniel, there was silence in Heaven for the space of about half an hour, because Jesus is off the mercy seat and there is silence in Heaven for the space of about half an hour. We know that period is in the first part of the week of Daniel and it will overlap into the last part. We know that the rapture cannot happen until that about is over. That is when the rapture will be, we will never give you a day and hour because we do not know that day and hour.

Sam speaks: That is for the rapture but we can give you the middle of the week when the prophets are killed because the Bible gives us the right to do that so that we know where we are in time. When the Bible says that no man knows the day and hour. That means no man knows the day and hour for the rapture. It does not say that no man is going to know the day and hour when He is going to restore Israel or when the middle of the week is because it puts it down to 1260 days. Then the last part of the week He puts it down to 42 months. Both of them are exactly 1260 days. For us it has already

happened, it is a done deal just like the whole thing in the eyes of God is a done deal because He knew it all when He had that council in Ephesians millions and millions of years ago because He said that that council that He had in Ephesians is going to go exactly according to His will and plan. Ephesians 1:

11. ... ***according to the purpose of him who worketh all things after the counsel of his own will:***

They have names for all these regimes out there but it is all just a bunch of chatter because it is not going to be pulled off. You might as well go down the road happy as a lark because, at the end of the day, Biden will be locked up because there is no way that God is going to acquit the wicked and he is the most wicked person that ever walked in shoe leather.

Lorraine speaks: I never call him a President because he is really not a president because that election was stolen, and it was highjacked, and he does not deserve the title of being President. I will stay with that verdict forever more. I will not change it because I know what happened on the day of the election, that whole thing was rigged.

Sam speaks: It was stolen and it is so obvious I don't know why people cannot see it. So-called educated people say that it was a legal election, how can it be legal when they found all this evidence with these mail-in ballots, then they shut down the voting because Trump was ahead by leaps and bounds, and then you get up in the morning and you have this idiot as president.

Lorraine speaks: A guy that never even campaigned is now supposed to have become president. Look at the rallies that Trump had and the thousands of people that gathered at his rallies all across the United States and you are going to tell me that a dementia patient won, I don't think so.

Sam speaks: It was all stolen and propagandized from these Klaus Swabs and the Vatican. It was all set up by these entities.

Lorraine speaks: But America had it coming because of rejecting the prophet and now this is what it has all evolved into. When they rejected the prophet, the World Council of churches made an image of the beast, that first beast, and that first beast is Roman Catholicism.

When Roman Catholicism was dealt a wound with the Reformation it was put out of commission, and because the Protestants did not continue with God they started up this World Council of Churches. It came out of the area where the Reformation started and then they had a meeting in Amsterdam and then in Chicago where the churches of America started to put money into their organization. That is what breathed life into that image of the beast.

Sam speaks: That is what you see out there now it is Roman Catholicism in the first degree.

Lorraine speaks: They made an image, a likeness to that first beast, that is what you see all around the world, an image of that Roman beast.

Sam speaks: What they did in the Dark Ages.

Lorraine speaks: Do not think that it is anything other than those church systems, they are dangerous. Stew Peters had a guy on his program, and he was talking about South Africa and how the farmers are being killed and their farms destroyed, and he was saying that there are preachers in the pulpit who are preaching a certain message, and he has seen it come to America the same preachers are preaching the same message here in the pulpits in America and he was saying that what is happening over there is at the doorstep of America. You can read in Matthew 22 about the marriage supper of the Lamb and it talks on how he sent forth His armies. People think when God says servant in His Word that they are necessarily good people, Nebuchadnezzar was a servant, he was ordained by God to do what he did.

Sam speaks: Even the Vatican can be God's servant.

Lorraine speaks: When you read Matthew 22 how He *sent forth his servants to call them that were bidden to the wedding: and they would not come But they made light of it, and went their ways, one to his farm, another to his merchandise.* Then it goes on to say in Matthew 22:

7. But when the king heard thereof, he was wroth: and he sent forth his armies, and destroyed those murderers, and burned up their city.

It says He sent forth His armies, if you are not doing the will of God then His armies will come in. These armies they can only do what God allows them to do and when people reject the invitation to the marriage supper of the Lamb then these armies will be free to go and burn up their cities. What you see happening around the world are things that God allows mostly because people have not sought Him, because it says if you seek Him He will protect you.

Sam speaks: All God does is He takes off His protection and then the devil is ready willing and able. He has his tugs there, but all in all, God allows it to happen. Those fires up in Kelowna, God is allowing them to happen. People forget about God, when it goes well for them they even forget that God exists.

Lorraine speaks: You go through town here and you try to find someone that is on the same page with you, you are not going to find anybody. That is how hard it is to find a person to fellowship with and talk about the ways of God.

Sam speaks: We sure have not had anyone knocking on our door wanting to know about God.

Lorraine speaks: That is how far mankind has strayed from the ways of God, but when you look at the tattoo parlour the cars are always lined up, there is no lacking in the tattoo business, and the girl that works there will let you know that business has never been better. That is the sign of the time, you go to any hockey game, or ball game the bleachers will be filled and the parking lot, and they will walk a mile just to go to the ball game but to find out the ways of God they could not care less for.

Sam speaks: I guess they are finding out in Maui how little these things matter now that they have to live in the streets, all of a sudden it is taken away from them, and if they still can realize that their only treasure is in God not in material things, because even at the end of the day even the rich like Opera will say to the rocks fall on us hide us from Him that is sitting on the white horse. That is why you have to seek the Lord while He may be found.

As I was saying earlier, you don't have time to go through what I had to go through all you have to do is believe us, we have been hewn out, we have been predestinated before the foundation of the world to bring forth that living water, to bring forth that meat in due season. It is

our job and at the end of the day it is like Solomon said - It is the just duty of man. We have been created to do this very thing, we are not looking for any red carpet or recognition. We are just glad that we can do this very thing that God created us to do. He brought you on board and you set it up on the website, and now it can go all around the world. We don't have to do this Clay Clark thing and rent all these expensive buildings and have these big meetings and at the end of the day, it does not amount to a hill of beans. It does not amount to nothing, they are not going to Reawaken America.

Lorraine speaks: There is only one outlet for America and that is George Washingtons third peril.

Sams speaks: It was in the ministry of brother Branham where the son of man was being revealed and when he left the scene these preachers were nothing more than just another Hutterite colony, just a cult, and I was wondering what was going on and the Lord moved me on to the ministry of brother Jackson. Then when he went off the scene the Lord gave you and me an exam to write and we did not know from each other, that you got an exam and I got an exam and here we were comparing notes and you had the same experience as I did, and it was all about getting the rapture right.

Then the Lord supernaturally gave us that Yom Kippur, you were on those feasts and you wrote a book about it. See how the Lord prepared us and He has prepared us for this very thing, back when He told me to seek the Lord while He may be found. He woke me up and told me - Sam, I am coming soon, I am coming in your lifetime, and here we are waiting for the next chapter praising God, we don't have to worry about anything, the Lord is taking care of things, the devil is not in charge, God is in charge. As we were saying earlier it looks like the devil is in charge when you see all this chaos it looks like he has it all sewn up. You have to read a little further you have to read Psalms chapter 2, which says, the Lord laughs because He knows that their day is coming. It is just another repeat of what Satan has been doing time and time again. Back in the time of Daniel when he was praying, that angel came and told him they heard him the first day - *But the prince of the kingdom of Persia withstood me one and twenty days.* They had it all sewn up.

Lorraine speaks: Then people blame God, how can God allow all this to happen if He is a righteous God. It is such a cowardly phrase to me because God puts in everything to steer people in the right direction, these are the consequences of the decisions that people have made. It is not God who is responsible, it is man who is responsible, and the devil is luring so many people away it is very baffling how quickly mankind falls for the lies of the devil.

Sam speaks: God cannot stop these birth pains from coming, because He has put His Word above His name, He can't stop this lasso from coming, or these fires, because mankind has brought it on themselves by rejecting and rejecting. It is just the hour that we are living in, and people need to know that it is not going to go into reverse anymore, we are going to see the dawning of a new day when all this is over. The dawning of the age of Aquarium is what the devil has been working on all along, but it is the dawning of the Millennium. Satan is trying to copy everything from God, but there is a new day coming, there is a brighter day coming.

Lorraine speaks: There is a day coming, just like when Martin Luther received the just shall live by faith and in it dealt that beast a deadly wound, that Roman Catholic beast. Something happened there.

Sam speaks: All of a sudden people were free.

Lorraine speaks: That is what is going on now, in one hour in 7 years Babylon is falling this is just the sign of Babylon falling.

Sam speaks: That system has only got 5 more years, and there will be no trace left, it is going to go up in an atomic bomb and all that can be shaken will be shaken, and here we are entering into that new area. What a glorious hour we are living in and it is going to happen in our lifetime. That is why the Lord back in the day let me know - Sam, I am coming soon. It is a glorious picture and you and I are the only 2 people who not only have the picture we have the courage to put it out there for people to see, but what they do with it is their business. We are not going to force people into seeing it.

I was thinking about Jeremiah when you read the book of Lamentations how he grieved over the children of Israel and here comes Jonas, walks through Nineveh preaching that in 40 days Nineveh is going under, and he cannot wait to watch their destruction.

He even finds himself a comfortable place to watch in the shade, and here Nineveh repents just from a dry old preacher, and yet he had better results than Jeremiah did with all his lamenting.

We can't allow ourselves to be burdened down with other people's choices even if they are next of kin or family, that is the choices that they make, and they are going to live with the consequences. That is what I see, that is just chatter out there, don't be discouraged by the Klaus Swabs and all that, it is going to come to an abrupt end, don't be worried about Biden, he is one of the most corrupt individuals every to live but it says that God is not going to acquit the wicked, it says in *Nahum 1: 3*, **and will not at all acquit the wicked**. We are living by the Word, and to you and I it is so crystal clear because we know the hour and time that we are living in. That is the beauty of it, if you don't know the hour that you are living in it leaves you confused, but we know that it is all winding down.

In 5 more years Babylon will be destroyed, Roman Catholicism that whole infrastructure, and then it turns into the day of the Lord, where finally the planet will reel to and fro like a drunkard. Then eventually everything will be restored and at the end of the Millennium reign everything will be restored as in the days of the Garden of Eden, and then we will go into the Eternal Age, fellowshiping with God Himself. It is a beautiful program and it is a done deal. In fact, to us it is already a done deal we don't have to worry about what people say, do, or, think, it is a glorious chapter.

Heavenly Father, we just want to give you thanks for another day of life for the tremendous privilege of coming together and fellowship around your Word, expounding on your Word, and putting it out in the airwaves for people to see and hear, we just pray Lord that you will continue to lead and guide us by that of your spirit, do with us as you see fit and most of all Lord I pray that you will give that increase in Jesus Christ name pray, Amen.
