Gathered in His name to worship Him,
We have come into His house
Gathered in His name to worship Him,

Concentrate on Him and worship Christ, the Lord
Worship Him, Jesus Christ, the Lord.*

*Let us lift up holy hands
Magnify His Name and worship Him,
Let us lift up holy hands
Magnify His Name and worship Him,
Let us lift up holy hands
Magnify His Name and worship Christ, the Lord
Worship Him, Jesus Christ, the Lord.*

*He is all my righteousness
I stand complete in Him and worship Him,
He is all my righteousness
I stand complete in Him and worship Him,
He is all my righteousness*

*I stand complete in Him and worship Christ, the Lord
Worship Him, Jesus Christ, the Lord.*

STANDING ON HOLY GROUND

*We are standing on holy ground
And I know that there are angels all around
Let us praise Jesus now,
We are standing in His presence on holy ground*

THE ONLY REAL PEACE

*The only real peace,
That I have, dear Lord is in you
The only real peace,
That I have, dear Lord is in you
In life's frustrations, I need you, I know I do.
The only real peace,
That I have dear Lord is in you*

STANDING SOMEWHERE

*Standing somewhere
In the shadow you'll find Jesus
He's the one
That always cares and understands
Standing somewhere
In the shadows you will find Him
And you'll know Him
By the nail prints in His hand*

*I shall know Him, I shall know him
As redeemed by His side I shall stand
I shall know Him, I shall know Him
By the prints of the nails in His hand*

O WHAT A SAVIOUR

*O what a Saviour, O what a Saviour
O what a Saviour is mine
Unto the uttermost
He so wonderful and glorious
O what a Saviour is mine*

*He is my everything He is my all
He is my everything both great and small
He gave His life for me
Made everything new,
He is my everything
Now how about you*

THE SHEPHERD OF MY VALLEY

*What would I do without Jesus,
The Shepherd of my Valley.
Lord, I just couldn't walk this road alone.
When I'm hungry He feeds me,
When I'm thirsty He's my water.
I couldn't make it without Jesus,
What would I do?*

CHORUS:

*When I need someone to talk to,
He's always there to listen.
When arms fold without me,
He wraps me in His bosom.
What would I do without Jesus,
The Shepherd of my Valley.
I couldn't make it without Jesus,
What would I do?*

*2. When my tears flow like a river
and my burdens are high as a mountain,
When the ones that I've counted on
Have let me down.*

*That's when I go to Jesus,
He's the one that I can count on.
I couldn't make it without Jesus,
What would I do?*

I'M STILL HOLDING ON

*People said I'd never make it
They said I'd never see it through
But they don't know what keeps me going
I guess they never have met you
My life was in shambles
Until the day you came along
You turned my tears into laughter
Lord, you gave me a brand new song*

Chorus

*I'm still holding on
Lord I'll never let you go
You gave me a smile
You touched my heart
you touched my soul
And the bridges that's behind me
Lord, I burn them to the ground
I'm still holding on
To the best thing I ever found*

*Voted likely not to prosper
Was left hanging 'ore my head
You'll never count for nothing
That's what most people said
I've been known to be unsettled
I never stayed around too long
But Lord you're the treasure I've been searching for
And Lord I'm still holding on*

MY HOPE IS IN THE LORD

*My hope is in the Lord,
From this time on and evermore.
Oh, my hope is in the Lord forevermore.*

*I stand in awe
Within the presence of the Lord.
In Whom the wisdom of the ages lies.
For whom the raging of the seas subsides
The living sacrifice, the only source of life.*

*My hope is in the Lord,
From this time on and evermore.
Oh my hope is in the Lord forevermore*

*His tender mercies
Come with every rising sun.
To meet the sinner in his brokenness.
To offer healing and forgiveness.
And those who trust in Him
Will find their hearts at rest.
My hope is in the Lord,
From this time on and evermore.
Oh, my hope is in the Lord forevermore.*

WASN'T THAT LOVE

*In a town called Bethlehem
God came down to visit man
Wasn't that love, wasn't that love
He knew pain and loneliness
As He wore that robe of flesh
Wasn't that love, wasn't that love*

CHORUS

*Wasn't that love,
As He left His home above
To die on Calvary*

*Just to save someone like me
Every day I'm still amazed
There's only on thing left to say
Wasn't the love, wasn't that love*

*As He stood in Herod's Hall
He never said one word at all
Wasn't that love, wasn't that love
He heard the mob cry crucify
But He knew that He came to die
Wasn't that love, wasn't that love*

*As He laid Him there in the tomb
He did what He came to do
Wasn't that love, wasn't that love
But then He rose up from the grave
So that I can rise someday
Wasn't that love, wasn't that love*

WERE YOU THERE

*1. Were you there when they crucified my Lord?
Were you there when they crucified my Lord?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they crucified my Lord?*

*2. Were you there when our Saviour knelt and prayed?
Were you there when our Saviour knelt and prayed?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when our Saviour knelt and prayed?*

*3. Were you there when they took Him in the night?
Were you there when they took Him in the night?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they took Him in the night?*

4. *Were you there when before Pilate He did stand?
Were you there when before Pilate He did stand?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when before Pilate He did stand?*

5. *Were you there when they mocked Him in the street?
Were you there when they mocked Him in the street?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they mocked Him in the street?*

6. *Were you there when they nailed him to the tree?
Were you there when they nailed him to the tree?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they nailed him to the tree?*

7. *Were you there when they pierced him in the side?
Were you there when they pierced him in the side?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they pierced him in the side?*

8. *Were you there when they crucified my Lord?
Were you there when they crucified my Lord?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they crucified my Lord?*

9. *Were you there when they laid him in the tomb?
Were you there when they laid him in the tomb?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they laid him in the tomb?*

10. *Were you there when he rose up from the grave?
Were you there when he rose up from the grave?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when he rose up from the grave?*

11. *Will you hear when the Saviour calls your name?
Will you hear when the Saviour calls your name?*

*Oh! Sometimes it causes me to tremble, tremble, tremble.
Will you hear when the Saviour calls your name?*

*12. Were you there when they crucified my Lord?
Were you there when they crucified my Lord?
Oh! Sometimes it causes me to tremble, tremble, tremble.
Were you there when they crucified my Lord?*

WENN MEINE SÜND' MICH KRÄNKEN

*1. Wenn meine Sünd' mich kränken,
O mein Herr Jesu Christ!
So laß mich wohl bedenken,
Wie du gestorben bist,
Und aller meiner Schulden Last
Am Stamm des heil'gen Kreuzes
Auf dich genommen hast.*

*2. O Wunder ohne Massen!
Wenn man's betrachtet recht,
Es hat sich martern lassen
Der Herr für seine Knecht',
Es hat sich selbst der wahre Gott
Für mich verlornen Menschen
Gegeben in den Tod.*

*3. Was kann mir denn nun schaden
Der Sünden große Zahl?
Ich bin bei Gott in Gnaden,
Die Schuld ist allzumal
Bezahlt durch Christi theu'res Blut,
Daß ich nicht mehr darf fürchten
Der Hölle Qual und Glut.*

*4. D'rum sag' ich dir von Herzen
Jetzt und mein Leben lang,
Für deine Pein und Schmerzen,*

*O Jesu! Lob und Dank,
Für, deine Not und Angstgeschrei,
Für dein Unschuldig Sterben,
Für deine Lieb' und Treu'.*

*5. Herr, laß dein bitter Leiden,
Mich reizen für und für,
Mit allem Ernst zu meiden
Die sündliche Begier,
Daß mir nie komme aus dem Sinn,
Wie viel es dich gekostet,
Daß ich erlöset bin.*

*6. Mein Kreuz und meine Plagen,
Soll's auch sein Schmach und Tod,
Hilf mir geduldig tragen.
Gib, o mein Herr und Gott!
Daß ich verleugne diese Welt
Und folge dem Exempel,
Das du mir vorgestellt.*

*7. Laß mich an Andern üben,
Was du an mir getan,
Und meinen Nächsten lieben,
Gern dienen Jedermann
Ohn' Eigennutz und Heuchelschein,
Und wie du mir erwiesen,
Aus reiner Lieb' allein.*

*8. Laß endlich deine Wunden
Mich trösten kräftiglich
In meinen letzten Stunden,
Und des versichern mich,
Weil ich auf dein Verdienst nur trau':
Du werdest mich annehmen,
Daß ich dich ewig schau'.*

WHEN O'ER MY SINS I SORROW

1 *When o'er my sins I sorrow,
Lord, I will look to Thee
And hence my comfort borrow
That Thou wast slain for me.
Yea, Lord, Thy precious blood was spilt
For me, O most unworthy,
To take away my guilt.*

2 *O what a marv'lous offering!
Behold, the Master spares
His servants, and their suff'ring
And grief for them He bears.
God stoopeth from His throne on high;
For me, His guilty creature,
He deigns as Man to die.*

3 *My manifold transgression
Henceforth can harm me none
Since Jesus' bloody Passion
For me God's grace hath won.
His precious blood my debts hath paid;
Of hell and all its torments
I am no more afraid.*

4 *Therefore I will forever
Give glory unto Thee,
Jesus, loving Savior,
For what Thou didst for me.
I'll spend my breath in songs of thanks
For Thy sad cry, Thy suff'rings,
Thy wrongs, Thy guiltless death.*

What a price that had to be paid, and people think they can satisfy God by a wearing certain dress code or living in a commune and they think that is what is going to cut it.

Lorraine speaks: That is like saying what Jesus did at Calvary is nothing.

Sam speaks: The Lord has been dealing with me all week on a subject: You only have one run at this. You have to get it right and if you miss it you miss it forever. That is why we put in so much effort. In order to have it right you have to go to the scriptures, the only way you are going to find your rights is to go to the scripture because we have to seek out our own salvation with fear and trembling, you cannot just trust anyone with your salvation. You have to know that Word and I am thankful to the Lord when He saved me back in 1971, and I took a lot of timeout to read the scripture, I read Proverbs, and Ecclesiastics, and all these books in the Bible, I just could not stay away from it. I was hungry, and we want to be right because we only get one run at this. There are no two chances, you don't get a do-it-over kind of thing.

First of all, what a person needs to realize is that we are born in sin, we are shaped in iniquities we come into this world speaking lies, and there is nothing that has any spiritual value in the natural man that is why Jesus had to go through what He had to go through to deliver us from that Hell that we were Hellbound. That is why it says we are born in sin we are shaped in iniquity we come into this world speaking lies, there is nothing good about the natural man, and it is really your spirit that has to be born again. Your flesh cannot be born again you have to come to grips with yourself, the flesh you have to daily work to crucify that thing, to mortify it, but the spirit has to be born again, and until your spirit is born again that journey that Jesus took to Calvary is all in vain, it has to be your spirit that has to be born again. Adam and Eve lost it in the garden when they died a spiritual death, and we have to get that back and that is why Jesus came, to make a way for that.

It is all in these songs, it is all about Jesus, and what He had to go through for mankind, and like I said people think that they can satisfy the Lord with a self-righteous way of life, like joining a church or believing that God sent a prophet all that is all in vain if you are not born again. That is why you need to be born again, it is a daily

challenge, two animals are fighting within you, the flesh and the spirit, they are always at war with each other. That is what I have been seeing all week and some people don't even know that they need to be born again, that they need this Jesus. They think that if they have gotten baptized in that colony or if they join a church that is going to be sufficient. Just look what it all cost the Lord Jesus Christ to purchase our salvation so that we don't have to go to Hell, and all we have to do is believe what the Bible says about that. That we are born in sin and we are shaped in iniquity we come into this world speaking lies there is nothing that has any value in the human being. It is completely a minus and I was thinking about that all week and some people will use a substitute and they really do not know that they need to be born again.

Lorraine speaks: That is right, Paul talks about it in *Romans 7:*

15. For that which I do I allow not: for what I would, that do I not; but what I hate, that do I.

16. If then I do that which I would not, I consent unto the law that it is good.

17. Now then it is no more I that do it, but sin that dwelleth in me.

18. For I know that in me (that is, in my flesh,) dwelleth no good thing: for to will is present with me; but how to perform that which is good I find not.

19. For the good that I would I do not: but the evil which I would not, that I do.

20. Now if I do that I would not, it is no more I that do it, but sin that dwelleth in me.

21. I find then a law, that, when I would do good, evil is present with me.

22. For I delight in the law of God after the inward man:

23. But I see another law in my members, warring against the law of my mind, and bringing me into captivity to the law of sin which is in my members.

24. O wretched man that I am! who shall deliver me from the body of this death?

25. I thank God through Jesus Christ our Lord. So then with the mind I myself serve the law of God; but with the flesh the law of sin.

Sam speaks: That is exactly right, now that you are born again you have an enemy and it takes more than joining a club to become born again. Back in the day, we had a German school teacher, it was my Uncle Ike. He said some pretty interesting things from time to time and one of the things that stuck with me over the years was when he said when God does something Satan is right there to put something right there and it might even look better than what God has, and he called it a kapala.

All week the word kapela kept coming up, and that is how he explained how Satan does it. I guess the best way you can explain it is a carbon copy, it is not the real thing. God took a lot of pains to bring us to the birth of the church Acts 2:38. He sent John the Baptist as the forerunner, and look what John the Baptist had to go through to bring in this new era. This new thing, to bring us to Acts 2:38, to the birth of the church, it cost him his head. Everything that he had to go through just for that specific reason he lived in the woods, in the forest, down by the riverside. When you look at all that John the Baptist had to go through to bring in the kingdom to bring us to the place where we can have what we have today. Then after Jesus was crucified Peter was given the key to the kingdom and he was given Acts 2:38. There on the day of Pentecost the people that were there saw their dilemma, and that is the question today that people should ask themselves, what must I do to be saved and then Peter replied: Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost. For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call. Then it says in *John 16*:

13. Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come.

First, the holy spirit will convict the world of sin, and of righteousness and of judgment. There on the day of Pentecost God implemented that true water baptism and then Satan was right there with his kapala, his carbon copy, he placed it right beside the real thing and it would almost look more attractive than the real thing, but it was Satan's carbon copy and people do not realize it, they just

devour it, this phoney, artificial, diabolical, satanic, Nicaea Rome water baptism. See we did our homework we sought out our own salvation with fear and trembling because we realized we only have one run at this, this is not a re-do. You cannot overdo this journey of life, so we have to make sure that we are right, and when we say we are right and they are wrong we have scripture to prove it. You need that scripture to back it up to make a statement like that. In this diabolical satanic Nicene Rome, Satan foundation of his carbon copy of his church. Acts 2:38 is the birth of the real church, and Nicene Rome is the birth of Satan's church and people just do not seem to get it. They think that we are just out here looking for trouble - No, we want to get it right. We want to seek out our own salvation with fear and trembling.

As I was saying, all week long it was - we only have one run at this, there is no redo. There is no overdoing it. What got me on this is that Joe Wipf from Broad Valley. Apparently, he was a pretty good preacher but where is he now, I don't know, that is why we have to stay with this Word, apparently, he preached pretty good. Did he put in all of his efforts to make sure that he was right or did he blend in with that diabolical Satan artificial carbon copy of a water baptism which is the foundation of Satan's church, people can believe it or not. I know that the things that we are saying here are pretty rough and pretty straightforward but we cannot speak any other way. To make that statement we are right and they are wrong you have to have scripture to back it up, and we can go to history and see what transpired. Just right after the birth of the church of Acts 2:38, the devil was planning and engineering how he could put his own carbon copy out there and he began to work through that antichrist spirit, men began to come in and began to stir up trouble and through them, Satan brought in his formula, and by the time 325 A.D. came around he already had the church in such confusion and that is the way he does it. He brings in confusion and isms so that he can set up his kingdom and that is exactly what happened in 325 AD through the Roman Emperor Constantine he made it into law that for now on it is legal and law to baptize in the titles of father son and holy ghost by pouring or sprinkling and that became law for 2000 years. That became law, and the Lord allowed it through the Dark Ages. Thank God for the

Reformers, Martin Luther, John Wesley, and all these men who were trying to bring us back to that original faith. Like the ministry of Brother Branham, it says in *Malachi 4: he will turn the hearts of the children back to the faith of the apostolic fathers*. That is the work of that Elijah spirit and that is what brother Branham came to do, and here they think when we mention brother Branham's name it is a curse word to a lot of people, but thank God for the Reformers. God was beginning to bring everything back where the devil messed it up. See we are in touch with reality we do not say these things lightly, we have sought these truths out.

As I was saying all week long most people do not even realize that they need to be born again. They figure if they go through this phoney artificial baptism where you have to make these vows and all that stuff, it is all satan's plan, his artificial baptism his carbon copy of the real thing. To a lot of people, it looks a lot more real than the repenting in Acts 2:38: the real water baptism formula. We sought out our own salvation with fear and trembling. We could not trust anyone with our salvation we had to seek it out ourselves and by the grace of God, it is all God's grace in the way He led my life.

I said earlier the holy spirit has come, as Jesus said, to convict the world of sin of righteousness, and of judgement. I remember prior to 71, I believe it was for about a year, I was 22 years old, I guess I had come to the age of accountability, with some people it is different with me I was 22 years old when I reached the age of accountability. I was accountable for my own actions and my own decisions, it is no longer my parents that are responsible, I am responsible for what I do with my life. The Lord began to convict me of righteousness, and of judgement and for a whole year I was under such tremendous conviction and I saw what Jesus did for me. I saw the journey from the garden up to Calvary. In my spirit, I saw what Jesus had to go through to purchase my salvation. I knew I was going to Hell, and I needed something, and I did not know what that something was, but I tried to be righteous, in other words self-righteous. I tried to quit smoking and I could not even quit smoking. For a year I went through this, and it is exactly what the Bible says - he will convict the world of sin. I was under conviction for a whole year, then one day, one Friday night 10 minutes after 10 pm Jesus came by my way and He made me whole

that day. Just a sinner was I until Jesus came by. He forgave me of my sin, He gave me eternal life right then and there. I know the place, I know exactly where it was.

As it says, they overcame by the word of their testimony, I have a testimony, I knew exactly when I passed from death unto life. I did not know anything about this journey, I knew that I was saved I was born again. I was on my way to Heaven, but as time went on I realized I was not this holy person, in fact, I was probably worse than anybody else. It took time to realize that I was fighting with the flesh and the spirit they are at war with one another and I did things that I ought not to have done being born again, but God rich in mercy allowed me to see His Word and He allowed me to journey on. All I knew was I was saved and I got baptized in that Hutterite rigamarole. That is all I knew, that is what my parents told me what I needed to do. That is why I say you need to seek out your own salvation with fear and trembling.

That is what they told me I needed to do and that is what I did, and one day, as I have said in another conversation, we had a man come to our house and told us that the Hutterite system was not it, it is not going to get you into Heaven. It is deception, it was Joe Maendel from the Forest River colony. He had a heart attack an out-of-the-body experience, he was dead for seven minutes, and in those 7 minutes he saw himself trying to get into the corridors of Heaven and they would not let him in. They asked him what he had done for Jesus. He replied that he lived in the colony and did this, that, and the other in the colony, I was the boss in the colony, and so on and so forth. All of that did not rate in Heaven. He came to our home and he shared his testimony.

I kind of already knew that it was not it but that really stabilized me, that really opened my eyes and my understanding that that colony is not it, and I began to do some extensive studying and there came a day when the Lord said - Sam, lets go I have a work for you to do. He had woken me up at 2 a.m. and told me - Sam, I am coming soon. He told me twice, and later on He let me know that He has some work for me to do. He told me what He wanted me to do, He wanted me to go up against that system and those preachers and expose it for what it really is. That is what we have been doing for the last 20-30 years. The first scripture He gave me to go up against that system was - There is

one faith, there is one baptism, and there is one God. That cost me to go on this search and eventually, I came up against these preachers and told them the truth, and as a result, I got terminated just like John on the Isle of Patmos. He was on that Island because of what he stood for, for the truth that he had in his hour. They tried to kill him and they could not do it so they put him out on an Island with the wild beast. They figured the wild beast would get him.

So this has been my journey, I was guided by that unseen hand. I had absolutely nothing to do with it. Back in the day, Jesus saved my soul He came by my way and He made me whole that day. That has been my journey but that is where the battle started once you become born again. I did not realize all that back then, I was like an infant, like a greenhorn, but as time went on I began to read the Bible and I began to see some things, I saw scripture how those of your own household will be your biggest foes. There are some things that I had to accept in the Bible, it is pretty hard to accept that those of your own household will be your biggest foes. Sure enough there it came because I was born again, my parents actually wanted to take me to the mental home because they thought I was crazy.

I guess I was saying things that were off the path about that diabolical satanic system. It is just Roman Catholicism, the Hutterite system is just socialism. That is why I say we only have one run at this and, in order, to get this thing right you have to go to the scripture, and then by God's grace He let me go through the denominational systems and He allowed me to see some things that I had never seen before. I thought anyone going to church had to be a Christian but I soon found out it is not so, and by God's grace He brought me to the ministry of Brother Branham, and that is when I began to learn things about the Church Ages, about what has been going on, about how God has been dealing with mankind since the early church. He brought me through church history and led me to the ministry of brother Jackson and he explained things in the messages called - The Seals. That informed me of what has been going on since the Dark Ages, the horses, these beasts in the book of Revelation and he walked us through the Martin Luther era, through the Reformers and here we are in the final stages of that journey, and now there is only one provision left and the last leg of that journey is that rapture of that

true church. It continues on, it started back in Acts 2:38 and then through the Reformers God started to reform. Martin Luther did not restore baptism in Jesus name, what God was doing was He was starting to turn that ship around with the revelation - The just shall live by faith. Then it continued with John Wesley, God is now requiring a holy lifestyle. That is what God expects now from the believer: a holy lifestyle. Then it continued on. In the early 1900s God put in a lot of effort with all these tent meetings that they had in America, and He was driving for one thing and one thing only to turn us back to that Word: to the faith of the early church, to water baptism in the name of the Lord Jesus Christ. We know about the story of Brother Seymour, we know about Azusa Street, we know about the last 100 years how God took mankind through all this prior to the 60s, weaving His way trying to establish something so that people will get it, to bring people back to that original Word.

Lorraine speaks: When you to the faith of the early church on the day of Pentecost. Peter was given the keys to the kingdom of Heaven. Peter on the day of Pentecost took those keys and opened up the kingdom of Heaven and he said - Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost. That is that baptism that the early church baptized in, they understood the Godhead. Jesus is the good sower He went forth to sow, that was Jesus going forth to sow that seed. Then when you come to Paul and John, they were still alive when you come to the first century when that antichrist spirit was already come in and he says in *2 John 1*:

7. For many deceivers are entered into the world, who confess not that Jesus Christ is come in the flesh. This is a deceiver and an antichrist.

8. Look to yourselves, that we lose not those things which we have wrought, but that we receive a full reward.

9. Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son.

10. If there come any unto you, and bring not this doctrine, receive him not into your house, neither bid him God speed:

11. For he that biddeth him God speed is partaker of his evil deeds.

We know what it says in John 1:

14. And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.

Jesus Christ came in the flesh and then in Romans it says
Romans 1:

3. Concerning his Son Jesus Christ our Lord, which was made of the seed of David according to the flesh;

Jesus came in the flesh, they were already trying to disprove the godhead, Jesus Christ the son of God, the only begotten son of God came in the flesh and He was crucified there at Calvary because of sin, for the sins of mankind. There was that sacrifice that God had promised back with Adam when they partook of the Tree of Knowledge of good and evil. Here these men having the spirit of the antichrist as John said **who confess not that Jesus Christ is come in the flesh**, they were saying that He was all deity and that He really did not suffer, see how they were already distorting the picture. Jesus came and He suffered. It says in *Isaiah 53:5*

5. But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed.

Isaiah says *Isaiah 52:*

14. As many were astonished at thee; his visage was so marred more than any man, and his form more than the sons of men:

That is how much they had brutalized Jesus, and what all they did to Him, and here they were already wanting to change the picture. It tells us how much He suffered for us so that we could have life.

Sam speaks: Paul saw it coming and he says after our departure grievous wolves will come in not sparing the flock and there they come.

Lorraine speaks: I want to read what it says because I want to show you how the devil operates. *Act 20:*

29. For I know this, that after my departing shall grievous wolves enter in among you, not sparing the flock.

30. Also of your own selves shall men arise, speaking perverse things, to draw away disciples after them.

31. Therefore watch, and remember, that by the space of three years I ceased not to warn every one night and day with tears.

32. And now, brethren, I commend you to God, and to the word of his grace, which is able to build you up, and to give you an inheritance among all them which are sanctified.

Out from right among themselves there came men speaking perverse things. What did John say - Don't even wish them godspeed. We are required to be vigilant, that is what you call being vigilant because you have to stand up against perverse teachings because if you don't you become lukewarm and you know what Jesus said about being lukewarm - *So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth.* That is lukewarm not being vigilant not standing up against those perverse teachers. These were already coming in during the first century, and now when you come to the fourth century with the water baptism in Jesus name that was completely taken out. It was replaced by a carbon copy it is not the real copy, it appears almost as if it is the real one but it is not real, it is the trinity it introduces a trinity God, a three-god system and we know that there is only one God, and He sent His only begotten son - Jesus Christ to redeem. God invested all of His attributes into the Lord Jesus Christ. That is why He is God the creator and God the redeemer, He redeemed all of creation but it was through Jesus Christ at Calvary, the perfect Lamb of God was slain before the fountain of the world, it was already predestined to be so. That is why Jesus did not go according to His own will, but He did the will of the Father. He knew from the scripture where His destiny would lead Him to and that is where it took Him - To Calvary.

Sam speaks: We are just continuing on, it is a continuing stream. That is why you have to go back to Revelation 1 where Jesus held these 7 stars in His right hand. Then John saw Him walking among the candles, He was walking amongst the 7 churches, that is the grace age Jesus is going to communicate with mankind through these 7 stars, and each one of these seven stars they are going to have an earthly messenger. The apostle Paul was the voice of that angel in the 1st Church Age. Ireneus was the voice of that second angel, and so

on until you come to the seventh, and in the seventh it says - but in the days of the seventh angel: But in the days of the voice of the seventh angel when he shall begin to sound. There is a word there that is not in any other Church Age, that word 'begin' and he began with the lips and the vocal cords of brother Branham and when brother Branham went off the scene the Lord already had a vessel prepared and ready to continue on so that that angel can take his vocal cords and that was Raymond M. Jackson.

We go to the scripture because we know that we only have one run at this, there is no redoing this once you are done with it that is it then you go into eternity, and if you have it right then good, if not you are lost forever. Here that word 'begin' God does things in 3s, not one of us knew what was going on when the Lord took brother Jackson off the scene, we have had enough conversations about what is going on, but God through the ministry of Brother Jackson was looking for someone, (I am talking scripturally wise, pertaining coming out from under the ministry of Brother Jackson) - Who is then that faithful (singular) and wise servant whom the Lord has found faithful with His Word. We have been found faithful with that Word. We did not go for that 3-day teaching, we did not go for after the 2 days garbage. We did what the Word said we separated ourselves from those false teachings. What the Lord was doing is He was looking for that servant that is faithful and true to bring forth that meat in due season and here is the only place where you will find on planet earth that meat in due season.

Nobody is going to tell you where you are living at in time, that will give you the number to the middle of the week, and when that middle of the week will come it will be Katie-bar-the-door. You will not want to be around, you will want to have accepted that invitation to the marriage supper of the Lamb. You will have wanted to do everything you can to be in that bridal chamber because once the middle of the week hits it will be - woe, woe, woe. Satan is cast out of Heaven and he is given the key to the bottomless pit. That is after the first part of the week and that first part of 3.5 years comes to a close on March 28, 2025, that is when that antichrist goes after those two prophets and they will be lying in the streets for 3 days. We have it right! How do you know you have it right? Because we went to the

scripture, everything that we are saying here, we started with Acts 2:38 and we went where John was showed the things which shall be hereafter; John saw Jesus standing in the midst of the 7 candlesticks and having the 7 stars in His right hand, and we walked you through how the Dark Ages came about and through the Reformation with Martin Luther the Just shall live by faith, then it continued with John Wesley with holy living.

Then in 1900, God was starting something with that black brother, Brother Seymour, and then it came to bring back water baptism in the name of the Lord Jesus Christ. We know all about Azusa Street, and you can go into all that through Brother Jackson's messages - The last 100 years. He walks you through what all transpired after Azusa Street. What God was doing He was herding, like a herd of cattle, He was bringing the whole world system towards one thing only and that is water baptism in the name of the Lord Jesus Christ. That is what the conversation was all about in Little Chicago with the Ministerial Association when brother Branham had a conversation with all these denominations and he brought forth water baptism in the name of the Lord Jesus Christ. That is where it was all heading with Martin Luther, John Wesley, and then brother Branham and it was rejected. When you reject the Word of God there is only one thing left the devil takes over. I saw all that when God gave me that vision of that giant stadium when the churches of America rejected water baptism in the name of the Lord Jesus Christ, there God had to give that key to Satan. Now Satan was given the license to do with America exactly what he wanted and that is what you see out there today. That is the reason for it all.

Lorraine speaks: You can see throughout history where that has happened Satan is right there to make a duplicate, and to distort the picture that is what he did at the early church, he was right there with his perversion. When you come to the 4th century with the water baptism these bishops were in such disarray they didn't know what they believed anymore that is how fast things deteriorated. Then it all evolved into the Dark Ages, and when Martin Luther was given the just shall live by faith it did not take long once Luther was off the scene for it to become a synagog of Satan.

Sam speaks: They went right back to that organized religion. Like Raegan said every generation has to do their part, freedom is one generation away. Every generation has to do their part and if one generation misses it then the next generation has that more of a road to hoe, and these generations have been missing it since Nicaea Rome.

Lorraine speaks: That is why you see so many denominations out there because they all became synagogues they did not move on and continue in the ways of God, they did not seek out their salvation with fear and trembling, they just became complacent and content with their denominational creeds, and that is what happened once brother Branham left the scene, these Branhamites they started to take teaching of what brother Branham said and started to use them as doctrine instead of going back to what the Word of God says. In the same way when brother Jackson left the scene the devil was right there to use that 2004.5 to make brother Jackson look bad. I was not sure if it was that they were trying to protect brother Jackson but you were saying it was all to make brother Jackson look bad and that is what the devil's plan was. Basically, that is what happened when these preachers came out with their perverse teaching, what they were doing was they were drawing disciples after themselves.

Sam speaks: You could see it with this Lyle Cook, he had one mission and one mission only, and I am speaking plainly, and that was to distort everything that brother Jackson ever taught, to make him look like the bad guy. When you sit back and analyze it when I had the dream out the minefields, the Lord was showing me what was going to become of these ministers that were sitting under brother Jackson's watch, all they are going to do now is they are going to turn it into a minefield and if you know what a minefield is it can do a lot of damage if you step on it, it can blow you to smithereens. That is why we stay away from these perverse teachings. That is why you got that scripture - Remember the things that you have been taught and remember from whom you have been taught them. Then He went on to tell you to mark those that cause divisions not holding on to the things to the doctrines that you have been taught. We were not taught that we are in the third day, we were not taught that we are after 2 days, we were not taught that the cut-off was in 56 AD we know

exactly what we were taught. We were taught that 33 AD, at the crucifixion, that is when that prophesy, was cut off. That is what we believe and we had to separate, we did exactly what the Word said we had to withdraw from them. That is why it says mark them that cause divisions not holding on to the things that we have been taught and from such withdraw. That is exactly what we did, we stand alone but I would rather stand alone than live in confusion city.

Lorraine speaks: Shortly after we had that bout up at the Cooks when he was trying to tell us that the cut-off was in 56 Danny and Vivian Funk invited me out for supper. The main purpose of all that was when I read earlier in *Acts 20: men arise, speaking perverse things, to draw away disciples after them*. When I went and met them there for supper I am not exactly sure how the conversation went anymore but what the spirit of the conversation was all about was to draw me away from brother Jackson because I remember what I said during the conversation I told them - I know what I felt and heard when I heard brother Jackson speak and nobody is going to take that away from me.

Sam speaks: That was the plan behind it all to take away from brother Jackson, and it comes from Lyle Cook, these Cooks had one mission and that was to make brother Jackson the bad guy.

Lorraine speaks: That is how I know what the spirit behind these people is, they are trying to take you away from the truth. When I told them that it was like that spirit just collapsed because it could not go anywhere with me, because I stood my ground and I said it with a voice that meant it, and you could see it with the expression on their faces. I could see it on their faces, the expression was well we can't make anything with her and then it was over. That is how the devil does it. Do you think he comes to lead you astray with your enemy, he comes with people that you were close to.

Sam speaks: Like it says here, of your own selves shall men arise.

Lorraine speaks: At times it can be hard to detect but it is the holy spirit within you that will confirm if it is true or not true because if you are born again your spirit will rise and will detect the error of it.

Sam speaks: When Lyle came out with the tribulation not being in 69 A.D. I did not pick it up but my spirit picked it up, my spirit got all

rattled and before I knew it out it came, and I confronted him I told him that tribulation happened in 69 A.D. He was trying to put it somewhere else. See how that satanic antichrist spirit of confusion does things, it comes in and weaves itself in with nice talking - is it really, but behind it is that spirit of confusion that brought that Nicene Rome about, bringing about all kinds of confusion and isms, all kinds of different ideas and before you know it, it was all a big mass of confusion.

That is what they were trying to do but my spirit picked it up, and my lips started to speak, and I tell you if looks could kill I would have been a dead man right then and there. We are speaking plainly because we care about people. Some people say - Sam, you don't have any love. You try telling people the truth, if you want to show people that you care about them you tell them the truth because if you don't they are going down the road of life thinking that they are right but here, at least, they have an opportunity before it is too late to examine themselves and to take note and take inventory of their lifestyle because they have been duped and deceived.

That whole church during the dark ages was deceived, the world was steeped in darkness. The whole world is deceived into thinking that joining a club, joining this church or that church is the answer. Then branhamites, there are thousands upon thousands of branhamites, they think just because they believe that God sent a prophet that automatically places them in the bride. The same with the Jacksonites, now they think just because they believe that brother Jackson continued on from brother Branham that now they have a ticket to glory. It is that same spirit that the Hutterite spirit is off. That is what the devil does but see God moves on. When Martin Luther died God moved on, and that whole movement began to die out and people began to form a cult, a religion, a denomination. The Bible calls it a synagogue of Satan. That is what it evolves into. That is what these churches out there have evolved into - synagogues of Satan and you can see the finished product in the book of Revelation where it says - Come out of **her** my people, because that whole church thing out there has evolved into synagogues of Satan and into cages and holes of every fowl and hateful bird. That is what the Bible calls it that is

not me, I am just repeating what I see in the scriptures. That is why we are spot on and why we can say we are right and they are wrong.

All week the Lord was dealing with me - You only have one run at this, there is no redo, there is no overdoing things, and we don't get another chance at running this race. That journey of life that we have you only get one run at it, and you and I have to make sure to make it count. First of all, you have to seek out your own salvation with fear and trembling, don't trust nobody with your salvation. You listen, like when I heard brother Branham I went to the scripture to see if these things be so, and I found them to be exactly right. Then the Lord brought me to brother Jackson and I had to check everything that he said, there were some things that he said that I could not put a checkmark behind, and I didn't because I stuck with this Word.

That is why God was looking for that faithful and wise servant who the Lord has found to be faithful to bring forth meat in due season. Try to find me one person on planet Earth who will let you know where we are living in time. You will find it right here. I have to talk plainly, just because it is us, God has to use somebody, He is not going to use a monkey. It happens to be us and we have to make sure that our life lines up with what He expects from us to do. That is why we are putting all this effort in, in order, to stay on course. To crucify the flesh. That is a subject that not too many people want, that you need to crucify the flesh. I have seen coming up through denominationalism how preachers can be so anointed. I thought can that guy ever preach and bring tears to your eyes, I did not know what was going on until I came to the ministry of brother Branham and he had a sermon on it - False anointed ones in the end time. That Satan can anoint that preacher so that you would not have any doubt but to believe that preacher was a Christian. Just like back in the days of the prophet Micaiah when those lying spirits were allowed to go out to deceive Ahab in *2 Chronicles 18*:

19. And the LORD said, Who shall entice Ahab king of Israel, that he may go up and fall at Ramothgilead? And one spake saying after this manner, and another saying after that manner.

I observed all of that, and the minute they go behind that pulpit a spirit takes over, and you would think without doubt that man is a man

of God, but God allows it to happen because people do not want to hear the truth. They would rather believe a lie.

I remember that Paul Maendel from Forest River we were starting up that Pine Creek colony. I was down there working and I spent the weekend there and he was there and he had the Sunday service and all he talked about was love. You thought that man is really something the way that he could preach on love and how we are supposed to love one another, he had that nice quiet voice that penetrates and your thoughts are - This is a man of God if there ever was one.

Then the next day, on Monday, I was digging a trench for the water system for them. So I was on the backhoe and here was this preacher that preached with such anointing. I would be digging and he would come over every hour and all he did was try to turn me against my dad. I guess he did not like my dad too much. I just listened to what he had to say and after about an hour he would come back again and he would give another dig about my dad. About the 5th of the 7th time, I said - Paul Vetter, you have been trying 7 times now to get me to turn against my dad it is not going to work you might as well give up, you might as well pack it in, it is not going to work. Here he was preaching his heart out about love and here he was working overtime to turn me against my dad. Apparently, he did not have any love for my dad, so that kind of popped my eyes open that guy in the pulpit, just because he preaches love, just because he preaches a lot of these things, but what does he really do before the Lord. How does the Lord look at the man? Just because he is a preacher and preaches from the pulpit, just because he is falsely anointed does not mean that man is from God. Jesus warned us there are going to be false anointed ones in the end times, false Christs. What does Christ mean - It means anointed one. So it is falsely anointed people, preachers in the pulpit.

Lorraine speaks: That is what those seducing spirits do, they know how to seduce people.

Sam speaks: They know when to show up and what to say.

Lorraine speaks: It says in *John 15*:

13. Greater love hath no man than this, that a man lay down his life for his friends.

That is what Jesus did He lay down His life. What did brother Branham do he laid down his life for people.

Sam speaks: What did John the Baptist do he laid down his life by telling Herod the truth, he did not hate him he loved him.

Lorraine speaks: You come to brother Branham and how he was classified as a woman hater just because he told women the truth. A lot of people did not like the way brother Jackson talked but to me, it was music to my ears and to my soul.

Sam speaks: I needed that voice and everything and the way he dealt with things.

Lorraine speaks: When He talked about Jesus, especially in the messages of the seals, how that Lamb of God came and took that scroll, and how he describes the Lord Jesus Christ in certain messages, there is not one person that could do the job that brother Jackson did, he brought out the Lord Jesus Christ and who He really is. That is what he always said that brother Branham did, he said brother Branham made Jesus Christ of the Bible stand head and shoulder taller than any doctor of divinity, every theologian, every teacher out there nobody could bring Jesus out like that. I know when I listened to him something happened to my soul and spirit, he was able to bring out the Lord Jesus Christ. That is what brother Jackson did for me. He brought out Jesus Christ of the Bible, Jesus could be anything to anybody in this world, but Jesus Christ of the Bible is who these men brought out, and what did the Jews do to Jesus because He was telling them the truth - they crucified Him.

Sam speaks: That is why it says as it was in the days of Noah, as it was in the days of Lot so shall it be when the son of man is being revealed and the Son of Man has been revealed through the ministry of brother Branham and brother Jackson. It does not say when the Lord will come, it says when the son of man is being revealed. He has been revealed to us. He is an opened book, like you were saying when Brother Jackson talked about that book that was opened in *Revelation 5*:

6. And I beheld, and, lo, in the midst of the throne and of the four beasts, and in the midst of the elders, stood a Lamb as it had been slain, having seven horns and seven eyes, which are the seven Spirits of God sent forth into all the earth.

7. And he came and took the book out of the right hand of him that sat upon the throne.

That Lamb was Jesus when He was here on earth and was slain, He was counted worthy to take that book and to read the names that were written in there, those names that He would intercede for during the Grace Age.

Lorraine speaks: We know what they did to Jesus. He was slain. If that is what they do to Jesus what do you think they are going to do to those people who are standing up for truth.

Sam speaks: That is what Jesus said if they did it to Him they are going to do it to you. They would have killed us 10 times over if the law of the land would allow it.

Lorraine speaks: It says they hated me without a cause and in *John 15:*

18. If the world hate you, ye know that it hated me before it hated you.

It is not foreign, it is all here in this Word.

Sam speaks: We have just learned over the years to live with it, they pretend to be nice and to be Christians. They pretend to be preachers, and so forth. I remember going down to Cartersville the Lord wanted me to share that Midnight Cry with them but Friday morning I was coming over Monteagle and the Lord spoke to me - Sam, they are not going to put this on the internet, and here I thought they are the people. Who are they - They are the opposing forces, it was these preachers. They were these preachers - Benjamin Boyd, all those preachers. They - is that whole canopy. They are not going to allow this to go out on the internet. I did not know but two weeks later Tim Reliford said that they did not put it on the internet and it was simply because they did not want it out there, but they had their chance and they rejected it. Now they are out in a confused city. I was going to say earlier when you analyze it all and step back after brother Jackson left the scene God was looking and watching very closely He was watching what people believed, He was watching who you were shaking hands with, He was watching who you were fellowshipping with. Those that were fellowshipping with the 2 day crowd, He was observing all of that and when He was done then that scripture came into effect - *Matthew 24:*

45. Who then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season?

God determined who it is and who it is not, not Benjamin Boyd, not Russel Davis. God determines who is then that faithful and wise servant whom His Lord had found worthy to deliver meat in due season. What is the most important thing in this hour is to know the day and hour that you are living in. That is meat in due season. You are not going to find it anywhere else you can go and look. Not one person will tell you. First of all, people will not tell you that there are 3.5 years of tribulation. They will all say there are seven years. When you go on the internet they are all over, and when you listen to these preachers they have it all so confused. Like the charts that Fred has they do not make sense.

Lorraine speaks: I will read here in *Romans 15*:

3. For even Christ pleased not himself; but, as it is written, The reproaches of them that reproached thee fell on me.

When you are called by God to do something and you decide that you are going to appease people you are going to find that you are one miserable person, but if you go and do what God requires of you, you are going to have peace in your soul. Even though it will result in having enemies, ten thousand enemies, but if you know that you have pleased the one true God then there is peace in your soul. There is peace in knowing that you are doing the right thing. That is what happened to brother Jackson he was so tormented by those branhamites after brother Branham left the scene, but he knew that he was continuing from brother Branham. Brother Jackson had a dream that brother Branham came to him and told him to go speak for him, and it took him a while to gain momentum because he was so concerned and so worn down with what people said and it made him sick and depressed. Even the doctor asked him if he was depressed and it kept going over in his head - Have you been depressed. Then the Lord spoke to him how long will you doubt my Word. When you are sitting on the fence that is when the devil can get to you and you are one unhappy person but when you do the will of God, just like Jesus did, He did the will of His Heavenly Father and He took upon Him the reproach. When you do the will of God you are a happy camper because you know that He has your back, when brother

Jackson came to that determination nothing could stop him after that, there was no looking back, and you could see the way he was vibrant and easy on his feet. He stopped looking at what people were saying he knew he had a job to do and he did it. He made enemies. David said he has more enemies than the hairs on his head.

I believe that is why God took us out of this workforce, because when you are so in this world it is hard to stay focused, there is such a spirit of the age out there and it is constantly pressing in to wear you down.

Sam speaks: That last job we had with Payne and we were watching how slowly they were starting to implement this Communistic, satanic regime and I told them that too. They were very offended and we realized that we were going to have to make a cut, we could not continue to support that thing. We tolerated it there for a while but when push came to shove we had to let them know that we could not work there anymore. We are not supporting a communistic regime. That is what you saw in 2020, with Covid, how these small businesses were suffering that is because they want these big corporations, so they can control it all. Like Payne they are connected with this big trucking company if you are connected with them you get your tires and your fuel for a lower price. That is how they suck you in, and before you know it you are a slave, and you are part of that global control.

Lorraine speaks: They want to control it all globally, and it is all satanic it is not of God.

Sam speaks: The Lord sobered us up back in the day, and we know what is going on when somebody comes and invites you for dinner and you know what their plan is because you are sober and vigilant. When someone wants to invite you for coffee all they want to do is see what your thought pattern is, to see if they cannot lure you away from the real thing. God put this together and what Satan was trying to do through these seducing spirits was to divide us. The Lord told me to pick you up, the Lord told me to have these conversations, and what they do is Satan sends in his thugs to try to divide us, to try to separate us.

Lorraine speaks: That is what the devil has been trying to do since day one before we went trucking he was already on a mission.

Sam speaks: Behind it is the spirit of Satan, because he knows that if we work together as a unit, working toward the same goal and led by the same spirit, then he knows he is done because we are going to expose him, because it says where two or three are gathered in my name. We are not going to spare any words, we are going to call Lyle Cook out for who he really is. He is trying to tear down what brother Jackson taught us. The same with all these other preachers they lie in wait to deceive. Then there is Russel Davis he sees George Still down in Carolina and Satan uses him to go and visit Still. He invites himself to go down to Still's place and he preaches things that are not true. See how they lie and wait to deceive. They know exactly when to jump and when to pounce because it is not Davis it is these seducing spirits, there is something in his life that these seducing spirits can latch onto him and then he goes down there to deceive, and at the right time, he puts in his phoney teachings, diabolical teaching saying that brother Jackson typed the Elisha. Then along comes Bobby Steward to water that plant a bit, and before you know it is an Ichabod. People do not know that. I warned Brother Still not to have him in there, but I said I am not the one to tell you what to do and what not to do, but what you can do is you can ask Tim Reliford he had a conversation with Russell Davis and he knows where Davis stands. We are not after 2 days, and here, low and behold, Tim Reliford advices Still to have him in to preach at his pulpit knowing full well what he believes. I have no name for something like that if he wants to invite him to his pulpit where he just does damage to his pulpit but when you advise someone to have him into their pulpit you are destroying that other brother too. God is going to look at that and He is not too friendly with that kind of things.

Lorraine speaks: When it should be all about the Lord Jesus Christ. All about Jesus not about who you can draw to yourself, it should be who you can draw to Jesus. Just as everything in the Old Testament pointed to Jesus, and then Jesus came and the Grace Age was in effect, then everything in the Millennium will be to look back as a reminder of what Jesus did at Calvary. So all things were pointing to Calvary, every road should always lead to Calvary, in the Old Testament it was all pointing to Calvary, in the Millennium it will point people back to Calvary to what Jesus had to go through at Calvary. It

will always be there as a reminder of what He did. That is why there are going to be offerings of sacrifice in the Millennium as a reminder of what the Lord Jesus Christ did at Calvary. Why did they sacrifice in the Old Testament, it was for sin offerings and it was all pointing to Calvary; to that real Passover Lamb of God, and in the Millennium it will point back to what Jesus did. So it is all about Calvary, and the Lord Jesus Christ, that is the main center point not what you can bring but who you can lead to Jesus.

Sam speaks: It says *John 12*:

32. And I, if I be lifted up from the earth, will draw all men unto me.

If you lift up yourself there is not much you will accomplish and the Lord is not going to honour that. It says - I will share my glory with no flesh.

Lorraine speaks: That is why we go through our journey how the Lord led us and where He led us.

Sam speaks: It is all about Jesus. It says they will overcome by the blood of the lamb and by the word of their testimony and they loved not their lives onto death.

I could have compromised along the journey just to get along but would I ever be living in a misery city. It says to separate yourself, it does not matter as long as you are standing true to the Lord. He has found us to be faithful and wise to deliver meat in due season, to tell people where we are at in time. We do not zero in on the rapture, the rapture is the final chapter for the church of what began back in Acts 2:38, we are in route to that, but we are not focusing on that because we know if we get that restoration of Israel right then everything will fall into place and the key here is the middle of that week of Daniel, until that it is just regular going. It is in the middle of the week of Daniel when people's eyes will be opened and they will realize that they missed it.

Noah knew what to look for, Methuselah when he died Noah knew not too long the flood would be. He was preaching for 100 years and that is a long time. Look how long we have been beating the drums. Today you are the scum of society, that stone that is rejected, but see we learn to live with that kind of thing, we have come to terms with that rejection and it does not bother us any, at the end of the day

it will go according to what God wants. Even with this message, there are people listening all over the world but it does not do anything for anybody, and it will be so until the Lord opens up that avenue, that cavity. I know before it is all over, before that middle of the week this is the only thing that people will be interested in. That is why the Lord wants us to put it out there, and when the time is right He is going to open it up to people. It is just the way He does things, if He opens it up too soon then Satan comes in and distorts the whole picture and He knows exactly when to open it up. Some people listen but they don't listen for the proper reasons, they are offended by the things that we say, but if they were smart, if they would have any integrity at all they would examine themselves to see if these things be so, and if they be so they need to repent, they need to look at themselves.

That is why the Lord gets us to say what we are saying uncompromising, we are not backing down one inch, we say we are right and they are wrong. That is quite a statement to make we are right and they are wrong and you cannot change that. For us to be right you have to have scripture to prove it, that is why I went through my journey how I got convicted of sin and of righteousness and of judgment. For a whole year I was under such tremendous conviction I could hardly breathe sometimes. Then one day the Lord came by my way and that journey began. I was green as a greenhorn I didn't know very much. I didn't know that those of your own household would be your biggest foes. It is a subject that nobody likes to talk about and yet it is right there. I learned to live by that Word and it has paid off. We stuck with that Word, when all these false teachings came out we stayed with the Word. We did not know all that was going on all I know is the Lord was watching because I saw Him one day, and He told me to relax Sam, I am watching it all this very closely. I did not know what He was watching for at the time. He was watching what people are going to fall for, what people are going to believe. If people want to believe these false teachings and they have the right to that, that is why it says in *Revelation 22*:

11. He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still.

We choose to follow that Word that is why are where we are at today and putting out this meat in due season and this living water.

Heavenly Father, we just give you thanks for another day of life for all you do for us, for where you brought us from, and what you brought us to, and what you have allowed us to see in these closing days of time. Once again Lord I just pray that you will lead and guide us by your spirit, give that increase in Jesus Christ name we pray, Amen.
